14.4.168. Looking at the evidence, the Court finds that so far the house of Mohammad Ismail situated at Al Aman flat near Mahavir flat Gomtipur is concerned, police were very well aware of the residence address of accused Mohammad Ismail. Therefore to the extent, where accused Mohammad Ismail is residing, is not fact disclosed but fan used by co accused Vasim @ Yasin and Kayayuddin @ Rizwan at the house situated at Danilimda, while preparing the bombs in that house, is a mental fact of knowledge of use of fan by accused at the place where part of the ofence was committed and ultimately fan was recovered by the police from the house of Mohammad Ismail. Therefore, it is proved in this panchnama and deposition by the punch witnesses that the house connected with commisssion of crime is connected with the accused person through the usage of the object fan used during the stay in the house as a part of the conspiracy.

14.4.169. <u>Exh.5488 is Search & Seizure Panchnama of house owned by accused Yunus Mahmadbhai Mansuri.</u> This panchnama was carried on 19.08.2008 between 1.30 to 4.00 before Dy SP Mr.V.R. Toliya. From the contents of the panchnama, it appears that accused Yunus

Mohammadbhai Mansuri was in the custody of police for the offense registered at Shahibaug police station CR number 236/2008 for the various offenses under section 302 307 etcetera of IPC and other Acts. Scientific officers from Forensic Science Laboratory were also called at Gayakwad Haveli Crime Branch Police Station. In the presence of punch witnesses and scientific officers, the accused has voluntarily said that he wishes to show something and therefore, all have proceeded towards the house number 132 situated in Ajit Mill Society, near Ajit Mill Cross Road, Bapunagar, Ahmedabad.

14.4.170. Police searched the house and found some objectionable articles with the help of scientific officers, were seized by the police which are as under:

- Gujarati book written by Dr. Abdullah, Al ruda publisher
- One book written in Urdu language.
- Photo copy written in Urdu language.
- Different colored cellotape.
- Towel cloth.
- Three blocks.
- Small parts of electric wire.
- 36 pellets/ball bearings
- Some adhesive material on the wall and a control sample from the wall.
- Packing beg of polythene material on which it is printed as “N P [7] C C BOOKS, To, M.YOUNIS, AHMEDABAD, FROM NCPC DLI

14.4.171. In this connection, the prosecution examined Panch witness Chirag Govindbhai Varsada (PW No.817 , Exh.5487). He supported the facts narrated in the Panchnama. He deposed before the court that he was called as Panch witness in Gayakwar Haveli crime branch police

station where one accused was present. The accused has voluntarily disclosed before him and the other Panch witness Anil Kumar that the accused will lead towards his house. Scientific officers from the forensic science laboratory also came to the crime branch police station. All have proceeded to the house of accused Yunus Mohammad. The house was situated in Ajit Mil society. He also deposed that at the house of Yunus Mohammad, two ladies were present, one was wife of the accused and other was mother. Neighbor Mohammadbhai was called at the time of Panchnama. Police had seized materials, as per the description of narrated in the Panchnama. Punch witness Chirag has identified his signature on the Panchnama and the chit on which he and his friend Anil Kumar Thakur had put their signatures. He also identified the articles which were seized from the place shown during the examination in chief. He could not identify the accused Yunus Muhammad and he has given explanation that at the time of Panchnama the accused was having a light beard but at present when examination at the time of deposition all the accused have long beard and spectacles. Therefore, he could not identify.

14.4.172. In his cross examination, Chirag Govind Bhai has stated that the neighbor Muhammad Bhai called at the house where panchnama was made. The place where the house was situated was on the ground floor. He also admitted that the chit on which he put signature was not affixed on the muddamal article, but it was just put in the box. He also admitted that he was in the business of haircutting saloons. The time of his business was 10:30 to 7:30. Anil Kumar was doing a business of cloth. Anilkumar's friend was admitted in VS Hospital. When police called them as punch witnesses, they were returning from VS Hospital. Their names were not noted on the gate of the crime branch police station. He

has put one signature at the police station and other signatures at the place of panchnama, that is the house of the accused. It was also put to the notice of witness that some writings in on page number 5 of the panchnama were comparatively small with the other writings in the panchnama. He accepted that police have not seized the container from which books were found. He also admitted that he could not read the English language. He accepted that he did not know Urdu, Arabic, and Persian language. He admitted that the contents of the book were not read over before him when he put signatures on the books seized by police. He admitted that he had not taken the pellets in his hand and thereafter washed his hands. He had not taken any of the muddamal articles in his hand at the time of panchnama.

14.4.173. The Court finds that the contents of the panchnama specifically mentioned that the accused was residing at house number 132, so far the search and seizure made by the police in the presence of witnesses at the house of accused Yunus Muhammad, is proved by the evidence of panch witness Chirag Govindbhai. It is further said by punch witness Chirag Govindbhai that they went to Ajit Mill society, at around 1 o'clock in the midnight. And police found some materials which were used in preparing the bomb. Like pellets, electric wires, cellotape and other adhesive material found on the wall. Also found some books and a xerox copy of a paper. Therefore, the deposition given by the witness is proving to the satisfaction of the court regarding the articles found at the house of accused Yunus Muhammad. The police had also called scientific officers at the place. Four persons from the forensic science laboratory were also present with the police.

14.4.174. The court is of the view that no doubt is created in cross examination of the witness . Further, what is found from the house of the

accused is new for the police. Before proceeding toward the house of Yunus Muhmmad police would not know what would be found at the place. it is true that getting pellets and other material from the house is discovered which is materials used in preparing the bomb.

14.4.175. It is just the presence of an independent person other than police, who is witnessing the proceedings of what is happening in his presence, to support the version of a police investigation and to support the circumstances revealed during the investigation. If there is any contradictory version in the evidence of punch witnesses and the contents of panchnama, then it can be used by the defence side and with the permission of the court by prosecution. But otherwise the punch witnesses are not supposed to depose verbatim descriptions mentioned in the panchnama in their deposition. The court therefore finds that by way of this panchnama prosecution successfully establish the circumstance of discovery of the material objects connecting to the preparing of bomb as same material has been found from the unexploded devise also and therefore there is direct connect of the accused with the material utilized to prepare the bomb as part of it is recovered from his house.

14.4.176. Exh.5492 is discovery, search and seizure panchnama to discover the fact that accused Zahid Kutbuddin Sheikh was running a shop named “Seema Communication" on the first floor of Nagori complex, Chandola Road. Police searched the shop and seized some articles like Napkins, Clothes, Pellets, Card board etc. The panchanama was carried out on 18.08.2008 between 23.00 to 1.00 before Dy.S.P. Mr. V.R.Toliya. From the contents of panchnama it appears that the accused Zahid Kutbuddin Sheikh, was in the custody of DCB crime branch, for the offense registered at Shahibag Police Station CR number 236/2008,

where accused Zahid has voluntarily disclosed before punch witnesses that he wish to show something. Therefore, police, punch witnesses and the scientific experts of forensic science laboratory proceeded as per the directions of the accused in the vehicle and reached at Dani Limda Chandola Road at Nagori complex, where on the first floor the accused showed one shop, named Seema communication. The father of the accused was also present near the shop. The accused's father has given the key, accused Zahid has unlocked the shutter and police searched the shop, where police found two napkins, one green cloth, pellets nos. 15, one white cloth and one card box. Scientific officers present at the place have tested using "polirekit" and found that pellets, cardboard and one cloth contains some gluey material. Articles were seized by the police. The receipt was given to Kutubuddin Sheikh, father of the accused.

14.4.177. In this connection, the prosecution examined one Mr.Manish Barot (PW No.818, Exh.5491). He has deposed according to the contents of panchnama. He said that he along with the other punch witness accompanied the police and accused to the place which was shown by the accused. Muddamala articles were found in the shop. He also said that scientific officers were present at the place. He identified all the articles seized from the place. He identified his signature also. But he could not identify the accused and he has given explanation that due to the lapse of time, and the appearance of the accused is also changed, therefore he is not able to identify the accused.

14.4.178. In his cross-examination, he admitted that no photography and videography was done at the place. He also admitted that no documentary evidence regarding the ownership of the shop was collected at the place. No documents regarding the business were collected. He admitted that the packet of pellets was not sealed but

pellets were put in a polythene bag which was kept in one box and the box was sealed. When he put signature on the panchnama it was late-night. Kutbuddin was not sitting in the shop when they reached the shop. He did not know Kutbuddin before the panchnama proceeding. Kutbuddin was not called at the place after reaching the shop. He has not inquired with Kutbuddin. He could not give any physical description of Kutbuddin. No evidence regarding the identity of Kutbuddin was collected by police, except the accused Zahid said that Kutbuddin is his father. Police knew that Kutbuddin had the key. Some questions regarding the presence of a punch witness near Gayakwar Haveli Police station on the day of panchnama were asked. It is admitted that punch Manish Barot was residing six to seven kilometers far from the place. He also admitted that he has not inquired what the gluey substance on pellets is. Pellets were the same which are used in bicycles.

14.4.179. So far the search of the shop and seizure of the articles is concerned, it is at the instance of the accused. it is proved that the articles were seized in due course of investigation. Witness Manish has supported the procedure and it was done in the presence of scientific officers. Articles were seized after doing a test with the kit the scientific officers were carrying. The nature of articles found are such and can be used in the bomb making articles. How far the material found in the shop connecting the accused with crime is also established by independent evidence of his participation in the crime which is discussed while considering evidence of accused individually.

14.4.180. Exh.5517 is discovery, search and seizure panchnama of a cyber cafe at the instance of accused Zahid Kutubuddin Sheikh. Police also seized seven harddisk from the shop and one electricity bill of the shop in presence of panch witnesses and scientific officers. The

panchanama was carried out on 01.09.2008 between 21.20 to 23.00 before PI Mr.Vinod Shukla. According to the contents of Panchanama, accused Zahid Kutbuddin Sheikh was in the custody of police in connection with the crime registered at Maninagar Police Station, CR number 203/2008. One FSL officer, Mr. Sanghvi was also present at the police station, where the accused had voluntarily disclosed before punch witness that he will show the cyber cafe from where he sent emails. Therefore, according to the directions of the accused, police officers, FSL officer, and punch witnesses proceeded towards Jamalpur Market then Sardar Bridge, and lastly at the cyber cafe named I-net cyber cafe, near NID. There was one person named Abdul Azim Abdul Hamid Sodagar present in the cyber cafe. He was running a cyber cafe. The shop was on rent. There are four compartments in the cafe, wherein there were seven computers. Police seized the hard disk of all the seven computers and also seized one electricity bill showing the name of shop owner Nazir Mohammad Bhai. Panchama ends there.

14.4.181. In this connection, the prosecution examined panch witness Vikram Manaji Solanki (PW No.820, Exh.5516). He deposed that he was called as a witness. There was another Panch witness Ravindra Sinh was present before the police. FSL officer was also present whose name was Shanghvi. Accused Zahid Kutubuddin was present before police. He asked the name of the accused and also the name of the FSL officer. The accused has voluntarily disclosed before him that he will show the cyber cafe from where he sent emails. Thereafter as per the description in the Panchnama, they went to the cyber cafe, which was situated near NID. He also said that Mr. Abdul Azim was present at the cyber cafe. Police had seized seven hard disk from the computers installed in the cyber cafe. All hard disk were of 40 GB size. Police had also seized one

electricity bill which was in the name of Najim Bhai. He identified his signature on Panchnama and Muddamal articles, but he could not identify the accused on the TV screen and has given an explanation that the appearance of accused is changed. Therefore he is not able to identify him.

14.4.182. In his cross examination, he admitted that he did not have knowledge of computers. He knew what it meant by sending an email. He admitted that no documentary evidence regarding the ownership of the shop was collected. He admitted that he did not know what was in the email. He further admitted that during the panchnama proceeding at the shop, no customer entered the cyber cafe. Police had not inquired from Ajimbhai. No other person was present except Ajim bhai at the cyber cafe. Hard disks were not separately sealed. Signature slip was not affixed on the box. There was no mention regarding the accused being involved in the bomb blast case. He did not know on which date emails were sent. He admitted that police told them that accused Zahid wanted to show the cyber cafe.

14.4.183. Looking at overall evidence comes in the deposition, the Court is of the view that no doubt is created on the depositions given by Vikram Banaaji. It is admitted by the witness that he did not know on which date emails were sent. But it is not the case in the panchnama that on any particular date the emails were sent. It is only regarding the emails sent from a cyber cafe situated near NID. And the place was discovered according to the directions given by the accused Zahid Kutbuddin. Therefore the discovery of a place that is I-Net cyber cafe is proved. The prosecution has established from pointing out of this Cyber cafe that this accused has used this medium for communication, which is important circumstance for conspiracy.

14.4.184. Exh.5524 is discovery panchnama of the fact that accused Salim Jamalbhai Sipai wanted to disclose one document wherein the method of preparing bombs is written in Urdu language. The panchanama was carried out on 21.09.2008 between 13.30 to 15.30 before Dy.SP Mr. M.J. Chavda. Perusal of contents of the panchnama shows that accused Salim Jamalbhai Sipai was in the police custody in connection with the offense registered at Maninagar police station. CR number 203/2008. He has disclosed before punch witnesses that he would lead to the place and want to show something. As per his direction, punch witnesses, police and the accused proceeded towards the Bapunagar area where the accused was residing. They reached the house of the accused where his wife was present in the house. The accused himself went into the house and brought one laminated page which was put beneath one bag containing some household material. It is said by the accused that the writings in Urdu language describes the method of preparing the bomb. Which was seized by the police and panchnama ends there.

14.4.185. In this connection, the prosecution examined panch Witness Bhikhabhai Shivabhai Gadhavi (PW No.821, Exh.5523). He deposed before the court according to the description mentioned in the panchnama. He said that he was called by one constable at crime branch police station near Haveli. One accused named Salim Sipai was also present. Accused voluntarily disclosed before the punch witness that he will show something at his home situated in Bapunagar area. Thereafter police officers, punch witnesses and the accused went to the house of the accused, where the accused had brought one laminated paper which was written in the Urdu language. According to the accused, it describes the method of preparing the bomb, which was seized by the police. This

witnesses also identified his signature on the panchnama and also on the signature slips affixed on the laminated page. The witness was shown the muddamal article seized being art. no.37 in the list ex 3197 and witness has identified it and exhibited 5525. He had tried to identify the accused, but he could not identify the accused and he is given an explanation that he is showing the accused after a very long time and there is difference in the appearance, therefore he is not able to identify the accused.

14.4.186. In his cross-exmaination, he admitted that he could not say whether the writings on a paper describe the method of preparing the bomb or not. He admitted that police had not collected any evidence regarding the ownership of the house. The signature slip was not affixed using the gum. He admitted that another Panch witness was his friend who was serving at the office of an advocate. He was confronted with some questions regarding whether the panchnama was dictated by him or not. The witness replied that he dictated the panchnama. And thereafter he accepted that some portions he was confronted with were not dictated by him. He admitted that he did not know the Urdu language. He was residing 5 to 6 kilometers away from the crime branch police station.

14.4.187. Looking to the evidence of this witness, tt has come out in that the witness has not dictated the proceedings of Panchanama to the police. Law in this regard is never saying that Panchanama should be dictated by witnesses. All the proceedings are made in the active presence of police. The Witness is only supposed to observe the proceedings of the panchnama before the court, what he has observed during the proceeding. Therefore, the questions asked by the defence, showing that dictation was not given by the witness is not helping the defence . so

far the discovery of a laminated page from the house of accused Salim is definitely proved by prosecution in accordance with the law. Police did not know before the proceeding that accused Salim was having a method of preparing bombs at his house. Therefore, the discovery of the page lying at the house of accused Salim and seizure of that page written in Urdu language is proved by the prosecution. Therefore as apar tof conspiracy literature for preparing bomb as available with the accused.

14.4.188. Exh.5534 is discovery and seizure panchnama regarding the discovery of a fact at the instance of accused Mohammad Ismail @ Abdul Rajik @ Mushaf son of Mohammed Ishak, that he along with co accused Kayamuddin @ Rizwan Kapadia and Mujeeb Jamil Shaikh went at Janta cycle repairing works, take one bicycle on rent and went to Civil Hospital, Asarwa. It is also regarding the discovery of the fact that which way was used for going to the Civil Hospital, Asarwa, Ahmedabad, and what happened at Civil Hospital, Asarwa. The panchanama was carried out on 02.11.2008 between 11.30 to 13.30 before Dy. SP Mr.V.R.Toliya. The contents of the panchanama show that on 02.11.2008 accused Mohammed Ismail @ Abdul Rajik @ Musaf s/o Mohammed Ishaq was in the custody of police in connection of the crime registered in Shahibagh Police Station vide CR number 236/2008. He voluntarily disclosed before panch witnesses that he wanted to show the shop from where they have taken a bicycle on rent and the route they used to reach at civil Hospital, Asarwa.

14.4.189. In this connection, panch witness Jignesh Panchal (PW No.822, Exh.5526) was examined. He deposed that he and other witness Vinod Patel were friends. Rajik Mansuri was in the custody of police. He had voluntarily disclosed the facts stated in the panchanama. As per the directions of the accused, Panch witness and police officers went to the shop which was situated near Kamdar Maidan Bus Stop, from where the bicycle was taken on rent. He also deposed the name of the shop i.e. Janta Cycle, where one person named Rafiq Ansari was present. Police had collected the register kept for the bicycle given on rent. There was an entry in the register on 22.07.2008 in the name of Raju with time. Jignesh Panchal had identified the register from the shop. He has also supported the panchnama that accused there after lead the police staff and Punch witnesses towards Civil Hospital Ahmedabad and shown a place where he stood with co-accused Mujeeb Sheikh and also depose that accused Kayamuddin went to the Trauma centre of Civil Hospital, and returned after 10 to 15 minutes and told to Abdul Rajik and Mujib that “chalo bhai Ho Gaya.”. This witness has also identified his signature on panchnama. But he could not identify the accused during his examination in chief.

14.4.190. In his cross examination, it is admitted by Panch witness that the register was not in the name of RamanLal k. Dave. There is no mention of any of the three accused in the entry in the register. He did not go to the shop of Ramanlal Dave, he did not know Ramanlal. Police had not collected any evidence regarding the ownership of the shop. There is no mention of Janta cycle in the register. In another set of cross examinations he was confronted with some questions regarding his presence near the crime branch police station. He admitted that his house is situated 5-6 km away from the crime grant police station, but he has given explanation that every Sunday he used to visit Bhadrakali Temple. Vinod was his friend. Vinod was doing the business of cloth. Jignesh has

said that he is working in Rewari Bazar. The Crime Branch Police station did not fall in the way from his house to Bhadrakali Temple, but it is mentioned in his examination In chief that police had come to him and requested him to be a punch witness when he was going towards Jagannath Temple from Bhadrakali Temple. No question whether the crime branch police station situated within Bhadrakali temple and Jagannath temple or not is asked. Writing in the register is shown to the witness, he admitted that Janta Cycle is not mentioned anywhere. He also admitted that when the register was seized, writing on all pages were the same.

14.4.191. The Court finds that this witness in his examination in chief has admitted that he along with accused Kayamuddin and Mujeeb went to Civil Hospital Asarwa, they stood near Troma Centre and Kayamuddin went in to the Troma centre and returned after 10 to 15 minutes and told them that *kam ho gaya.* Though defence raised an objection in examination in chief that this is not admissible under section 25 of Indian Evidence Act, but there is no cross examination regarding this fact. True it is that the general rule says that the statement made by the accused while in the custody of a police is not admissible but section 27 is proviso to Section 25, which says that if the statement made before policy which is regarding any covered fact then the statement made before police is admissible. Here in the present case, police did not know before panchnama proceeding which way was used by the accused to go to Trauma Centre Civil Hospital Asarwa. Police even did not know what Kayamuddin had said to the co- accuseds Abdul Rajik and Mujeeb Sheikh. Police did not know before panchnama proceedings that where accused Abdul Rajik and Mujib Shaikh stood near Trauma centre. So far the questions regarding the muddamala article that is

cycle rent register seized by the police from Janata cycle repairing works is concerned, the Court is of the view that what is written in the register is a subject which can be looked into by Court while appreciating the evidence. Why the entry reflects the name of Raju and not any of the three accused; obviously when the cycle were to be used for some crime the accused wouldnot disclose their correct identity , also why there is change of hand writing in the register; whether the name of the shop is Janta cycle repairing works or Aarif Cycle repairing work, are not relevant questions as seizure of the register is proved by the panch witness. This witness has stated that he was present with the police and at the instance of Abdul Rajik panchnama proceedings were held by police and muddamala article i.e. cycle register was seized by police. No doubt is created regarding the above evidence. The presence of the witness near the crime branch police station is also explained. Further, witness admitted that he could not know the four directions of the cycle repairing shop, but he has deposed in his examination in chief where the cycle store situated. He might not be knowing four directions of the shop mentioned in the panchnama, but it did not create any doubt. Further, the witness is confronted with some questions regarding the mentioning of sections in the panchnama and the meaning of the word "@" in the panchnama. Witness Jignesh Panchal has admitted that he did not know the meaning of "@" and also did not know the meaning of sections mentioned in the panchnama. By asking such questions the defence tried to prove that the panchnama was not dictated by the panch witnesses. As we have stated earlier, we do not agree with the submissions made by the defence that proceedings conducted by police in the presence of panch witnesses are to be dictated by the panch witnesses to the police officials. It is not the law that a panch witness should give dictation to

the police personnel. The panch witness, present before the police, is just to witness what is happening in his presence. To avoid any doubt regarding the discovery of facts whilst the accused is in custody of police, independent witnesses are called by the police. Therefore, no doubt is created due to the admission by a panch witness that he has not dictated some sections and particular word "@" in the panchnama.

14.4.192. The Court has perused the discovery panchnama vide Exh.5556 at the instance of accused Muhammad Ismail @ Abdul Rajik, who was in the custody of police in connection with offence registered at Sarkhej Police Station, CR No. 181/2008. The discovery was made regarding the fact from where he boarded the Maruti 800 car; where it was parked in LG Hospital parking; and who accompanied and who was driving the car. The said panchnama was carried out on 04.12.2008 between 11.00 to 13.30 before Dy.SP Mr. M.J.Chavda.

14.4.193. In this connection, the prosecution examined Babubhai Nagarbhai Makwana (PW No.827, Exh..5555). In the examination in chief, witness Babu bhai was examined in support of the panchnama proceeding witness and has deposed before the trial Court that he and his friend Manish Where returning from Jamalpur police had called them at Gaikwad Haveli Police Station where accused was present. Police officer Mr Chavda was present, name of the accused was Abdul Rajik Mansuri, he has voluntarily disclosed before panch witnesses that he wanted to show location and route led by accused Abdul Rajik Mansuri. First of all they went near a place situated at chandula Talav barrel market. Accused has said before panch witness that he boarded the Maruti 800 car from that place and the car was driven to the LG hospital and it was parked near Garden. given an explanation that at the time Of panchanama accused was having light shave and today all the accused were having Long beard therefore he could not identify.

14.4.194. In his cross examination, he has admitted that he was residing in Gomtipur area for 40 years and doing cobbler work, having education up to 7th standard. He faced difficulty in reading handwritten paper, but he could read typed writing. He was confronted with the witness summons wherein his signature was “Babubhai” but the panchnama contained a different signature. The police station did not come in the way from Jamalpur to the place where he is doing his work as Cobbler. He admitted that he had put the first signature in the Police vehicle. He admitted that he did not talk with the accused in the police Jeep during the journey from barrel market to LG hospital. He did not keep a daily diary. He did not know the name and resignation of the police officer. He did not talk with the police officer, he did not even talk with Manishbhai in the police Jeep. He admitted that he knew where the barrel market was situated. There is a Mumbai highway near barrel market and continuous traffic of vehicles at that place. LG hospital is situated approximately 10 to 15 minutes away from the barrel market. He did not know other names of accused Abdul Rajik.

14.4.195. He admitted that police had not seized any article during the panchnama proceeding. He knew that a bomb blast happened at LG hospital before panchnama .

14.4.196. Looking at the evidence given by Panch witness Babubhai, it is proved that witness has not read the panchnama and he had not dictated the panchnama to police officers. It is not mentioned in the deposition that there was presence of co-accused Kayamuddin Kapadia and Afzal Usmani and they met the accused Abdul Rajik at barrel market. It is also

not mentioned that Afazal Usmani had driven the Maruti 800 car from the barrel market to LG hospital. The fact of the blast in the car at this location was in public domain when panchnama was made. But it is proved by the evidence of Babubhai that he witnessed the panchnama proceeding, he accompanied the police and the accused at the barrel market where the accused showed the place from where he boarded the Maruti 800 car. The route used by the accused to travel to LG hospital from the barrel market is also proved. It is also proved that the accused Abdul Rajik had taken part in the conspiracy and done an act of putting the car at L.G. Hospital parking. Therefore, to the extent that Abdul Rajik has put the car at L.G.Hospital is a fact, which police did not know before panchnama proceeding. Not identifying the accused after a very long time and not knowing the name of police officers present at the time of panchnama is but natural by a person having education only of 7th standard, and doing the work of cobbler. Witnesses are not expected to depose word to word of what is written in the panchnama. Suffice it to prove satisfactorily that he witnessed the proceeding and it is there on record. This Ex. Is proved to be a punchnama u/s,27 which establish the conncetion of the accused with the maruti 800 car used for the explosion in the hospital.

14.4.197. Exh.5622 is discovery panchnama of a fact at the instance of accused Mohmad Ismail @ Abdul Razak @ Mushaf, regarding the locations from where he acquired bombs, the place where he parked a bicycle with bomb and the places from where he got the cloth begs for keeping the bombs. The panchanama was carried out on 25.10.2008 between 15:10 to 18:30 before Dy. SP Mr.B.R.Toliya. Shahibagh Police Station CR No. 236/2008, volunteered to show locations from where he acquired bombs in Danilimda; he also stated to show the place where he parked a bicycle with bombs; from where he got the cloth begs for keeping the bombs; the place from where he purchased the bicycle. This voluntary statement was recorded in the presence of the panchas.

14.4.198. In this connection, the prosecution examined panch witness Urmit Bharatkumar (PW No.833, Exh.5621). He testified that he and Brijesh Rami were called to the Crime Branch office to act as panchas. The accused was present and expressed a desire to show the locations involved in the bomb blasts. The accused led the party to Al-Mehmad Society, identifying a house where he came two times on 26.07.2008, first at 11 or 12 o'clock at that time accused Abdul Rajik received Rs.10000/- from Kayamuddin and also instructed him to give Rs.5000/- to Ayaz. Abdul Rajik was again called there at 3 o'clock to receive bombs. The witness confirmed the place where he delivered 2 bombs to Ayaz. He also pointed out a shop named Rajesh Tailor, from where a cloth bag used for the bombs was purchased. Furthermore, the accused identified a spot near Diamond Pan Parlor in Bapunagar where a bomb-laden cycle had been placed. The witness also identified the person from whom the accused had allegedly purchased a bicycle. This witness has identified his signature on panchnama but could not identify the accused during his deposition. He has given explanation that due to change in physical appearance of the accused at the time of deposition he is unable to identify him.

14.4.199. During cross-examination, the witness stated he currently works at the Secretariat on contract basis and was not previously acquainted with the police officers. He confirmed the panchnama began

around 15:00 hours and ended near 18:30 hours. While he admitted to not keeping personal notes of the events from 2008, he affirmed that the facts recorded in the panchnama were true. Questions were raised regarding the geographic situation of Gomtipur area and route near crime branch police station. He admitted that he did not know the house number. He also admitted that police had not recorded statements of the persons residing near the places and had not called the secretary or president of the society at the time of panchnama. He has also given a physical description of the accused, including his height and beard.

14.4.200. The Court finds that the oral testimony of the witness remained intact in cross examination. The fact that accused Abdul Rajik received three bombs; out of three, he has delivered two bombs to Ayaz at a particular place; Ayaz kept bicycles at a particular place; the place where Abdul Rajik kept his bicycle; the place from where he purchased cloth beg; the person from whom he purchased bicycle; he identified the place where he put the bicycle are all covered facts. All these facts are discovered voluntarily by the accused in front of panchas, and accordingly other corroborative evidence is also collected by the police. Therefore, the contents of panchnama are proved in accordance with the provisions of Sec.27 of the Indian Evidence Act. The witness consistently narrated the sequence of events, from the initial memorandum at the Crime Branch to the discovery of various spots. The identification of specific shops, such as Rajesh Tailor, and individuals, such as the cycle repairer, adds credibility to the discovery of facts under the Evidence Act. Despite the lapse of several years between the panchnama and the deposition, the witness successfully corroborates the contents of the panchnama. The appreciation of this testimony suggests that the panchnama was conducted following due legal procedure in the

presence of independent witnesses. Therefore the facts discovered are proved.

14.4.201. Exh.5794 is discovery panchnama. It was carried out on 03.11.2008 between 12:30 to 14:45 before Dy. SP Mr.M.J.Chavda. From the contents of the panchnama, it appears that accused, Mohmadsef @ Rahul Sharma, was in police custody in connection with the crime registered at Maninagar Police Station vide CR No. 203/2008. He volunteered to show the house in Al-Mehmadi Society where he stayed with his associates and manufactured bombs. He stated they arrived in Ahmedabad via the Ashram Express on 12.07.2008 . He offered to point out the route from Kalupur Railway Station to the specific house. The proceedings of panchnama were conducted in presence of panch witnesses.

14.4.202. In this connection, the prosecution examined panch witness Mr.Harish @ Bholu Mahadevbhai Pursani (PW No.842, Exh.5793). He deposed that on 3.11.2008, he was called to the Crime Branch office while he was out for business. He stated that the accused was present and volunteered to show the locations. The accused led the police and panchas from Kalupur Railway Station through various landmarks including Gita Mandir and Astodia Darwaja. The witness confirmed that the accused pointed out a house in Al-Mehmadi Society, identifying it as the place where they stayed and prepared bombs used on 26.07.2008. The witness identified his signatures on the panchnama and confirmed the facts recorded therein were true. But could not identify the accused.

14.4.203. During cross-examination, the witness affirmed he has a business in Ahmedabad and is familiar with the local geography. He stood by the contents of the panchnama, asserting that "every detail was written as per the facts" and that he signed it after reading. Still, in

answering some questions it seems that the witness was bluffing. He said that whatever written in panchnama was dictated by him. He further said that after reaching every spot, he dictated the panchnama and signed it. He did not know in which direction the house was situated and what was in the surrounding of the house. He did not know whether the house was sealed or not.

14.4.204. The testimony of Mr. Harish @ Bholu Mahadevbhai serves as strong corroboration for the Panchnama (Exh. 5794). Still however, the questions put in cross examination and the narration in the panchnama suggest that the fact of the house used in preparing bombs was known to the police before the panchnama proceeding was held. Therefore, the house was not discovered in the statement of the accused before police. Further, the content made in the panchnama also inclines us to believe that it would not be possible for the accused to lead the police and panch witness to various spots like Gita Mandir, Chandola Talav and thereafter to the house situated in Al Ahmadi Society. If it was not possible for the accused to lead the police to the Kalupur Railway station, then how is it possible for the accused to lead the team to Gita Mandir, and then to Chandola Talav etc. Facts are required to be proved or disproved keeping in mind a prudent man's intellect. Though the witness has supported the contents of panchnama, it did not inspire our confidence to believe it. Therefore the testimony could not be relied upon. Further, the defence raised an objection during examination in chief that incriminating part of the panchnama cannot be admissible in evidence under Sec.25 of the Indian Evidence Act. As we have discussed in the very beginning, even the confessional statement of the accused can be admissible if it is a kind of discovery of a fact, distinctly related to the fact discovered. Therefore, the objection is not sustainable.

14.4.205. Exh.6024 is discovery panchnama. It was carried out on 07.12.2008 between 09:00 to 11:00 before Ms.Usha Rada, Assistant Police Commissioner, Crime Branch, Ahmedabad City. The contents of the panchanama show that accused, Mohmad Arif Nasim Ahmed Mirza, while in police custody, in connection with crime registered at Khadiya Police station CR No. 71/2008, volunteered to point out the location from where he obtained the bicycle used in the blasts and the spot where he placed the bomb-laden cycle in the Khadiya area on 26.07.2008. This voluntary statement was recorded as a memorandum in the presence of the panchas.

14.4.206. In this connection, the prosecution examined panch witness Jagatsinh Javansinh Rajput (PW No.860, Exh.6023). He admitted that on 07.12.2008, while he and his friend were passing through Jamalpur, they were called by the police to be a panch witness on the proceeding. The accused, Mohammad Arif, was present and expressed voluntarily to show the locations involved in the crime. The accused led the party to a house in a society near Chandola Lake from where he collected bags containing bombs. Subsequently, the accused led them to the spot where bicycles were kept. Finally, the accused led the party to Raipur Chakla, where the accused identified the spot where the bomb-laden cycle was placed. This witness has identified his signature on panchnama. But expressed his inability to identify the accused as many years passed during the time.

14.4.207. During cross-examination, the witness confirmed he is a manual laborer and was not previously acquainted with the police. He maintained that the police recorded the statement exactly as the accused spoke. While he admitted that due to the passage of seven to eight years, he could not identify the accused. The explanation is also trustworthy.

He remained firm that the facts recorded in the panchnama were true. He testified that he signed the document after reading it and denied the suggestion that his testimony was coached by the police.

14.4.208. The ocular testimony of Jagatsinh PW-860 (Exh. 6023) provides direct corroboration of the Panchnama (Exh. 6024). The witness successfully narrated the sequence of the discovery, moving from the initial memorandum at the Crime Branch to the specific locations in Al-Mehmadi Society, Sarangpur, and Raipur Chakla . The identification of the spot near Everest Auto Centre in Raipur as the location for the bomb-laden cycle constitutes a significant discovery of fact under the Evidence Act. Although the witness could not identify the accused's current physical appearance due to the long interval since the event, his consistent testimony regarding the procedural conduct of the panchnama reinforces its reliability. The appreciation of this evidence confirms that the discovery was made voluntarily by the accused and was witnessed by independent panchas in accordance with legal requirements. Therefore the discovery of the fact that the bicycle was collected from the place and the accused has put the bomb-laden bicycle at a place in Raipur area is proved. Police knew the places where the bomb-blast happened, but the offence was committed by hatching conspiracy and so many accused are involved in the crime, therefore, out of them which accused has done what role in the crime is not known to the police before the discovery. Therefore, it is “discovery” in accordance with provisions of Sec.27 of the Indian Evidence Act. Further, the defence raised an objection during examination in chief that incriminating part of the panchnama cannot be admissible in evidence under Sec.25 of the Indian Evidence Act. As we have discussed in the very beginning, even the confessional statement of the accused can be

admissible if it is a kind of discovery of a fact, distinctly related to the fact discovered.

14.4.209. Exh.6051 is discovery panchnama. By this panchnama, accused Abdul Rajik has admitted a fact that he made recce of the three places where bomb-laden cycles were put and also given discovery of a fact that before ladening the bombs, three bicycles were kept near Durga Foot-ware. He was accompanied by co-accused Mohmmad Arif, Khalid, Salman, Alamjeb Afridi from Al-Mahmadi society. The panchanama was carried out on 08.12.2008 between 12:00 to 14:00 before Mr.M.J.Chavda, Dy. SP, Crime Branch, Ahmedabad City. The contents of the panchnama details a pointing out exercise where the accused, Mohammad Ismail (alias Abdul Razik Mansuri) while in the custody of police in connection with offence registered at Sarkhej Police Station vide CR No.181/2008, led the police and Panch witnesses through various locations in Ahmedabad . The accused pointed out House No. 10 in Al-Mahmadi Society, where he claimed reconnaissance for the bomb blasts had been conducted. He further identified travel routes through Geeta Mandir and Shahalam, and specific shops in Raipur (Shree Ram Pan Ghar and Gokhale Pan House) where he had visited. Most significantly, he pointed out a spot near Durga Footwear at Sarangpur Bridge, where he stated that three cycles had been placed. No physical evidence was seized during this specific procedure.

14.4.210. In this connection, the prosecution examined panch witness Kanubhai Bhimaji Thakor (PW No.865, Exh.6050). This witness deposed that he was summoned by the Crime Branch and voluntarily agreed to act as a Panch witness during the accused's disclosure. He testified to accompanying the police and the accused, Mohammad Ismail, to various locations in Ahmedabad, identifying the specific spots the

accused pointed out as sites for planning and execution of the offense. He formally identified his signatures on the Panchnama (Exhibit 6051) but could not identify the accused noting a change in the accused's appearance since the time of the incident.

14.4.211. In cross-examination, the defence challenged the witness on his limited education and his status as a daily wage laborer to suggest he was a "stock witness" for the police. The witness admitted he did not maintain a personal diary of the events and confirmed that no videography or photography was conducted during the Panchnama process . He was questioned extensively on his geographical knowledge of the areas visited and the distances between them .

14.4.212. The Court is of the opinion that having less educational qualification and being a labour worker would not be a criteria to doubt the testimony. The important consideration is only whether the deposition is trustworthy or not. Looking at the other evidence it is admitted that before the panchnama proceeding, the police knew the places where bomb-blast happened. But the offence was committed by hatching conspiracy where the pointing out of a place /location is sufficient even if there is no recovery. In fact, the panchnama demonstrates the mental fact of knowledge of this accused regarding the conspiracy. The witness remained consistent regarding the sequence of the site-pointing. Procedural challenges raised by the defence regarding the lack of video/photo recording during panchnama do not inherently invalidate the witness's firsthand account of the accused's voluntary disclosures, which can be treated as an admissible evidence.

06.12.2008 between 13:00 hours to 15:00 hours before Ms.Usha Rada, Assistant Police Commissioner, Crime Branch, Ahmedabad City. The Panchnama records a pointing out panchnama conducted at the instance of accused Mohammad Arif Mirza who was in the police custody in connection with the offense registered at Khadiya Police Station vide CR No.71/2008. The accused led the police and Panch witnesses to House No. 10 in Al-Mahmadi Society, identifying it as a location where he and other conspirators stayed and planned. He further identified travel routes through Chandola Lake, Geeta Mandir, and Raipur. The accused pointed out a location near Durga Footwear at the Sarangpur Bridge, stating that initially cycles carrying bombs were placed there. No physical objects were seized during this specific discovery of facts.

14.4.214. In this connection, the prosecution examined panch witness Ramesh Shah (PW No.866, Exh.6061). He admitted that he was called by police near Haveli Police Station and he agreed to act as a Panch. The accused has voluntarily stated that the house is situated near Chandola Lake, being an outsider from Ahmedabad, the accused could not led the team towards the lake, as he did not know the route from the police station. The panch team first drove towards Chandola lake. After reaching near Chandola, the accused led the party to the house situated in Al mahmedi Society. He corroborated that the accused voluntarily led the team to various crime-linked locations i.e. S.T. Stand, Shahalam Dargah, Bhulabhai Cross road. The accused further stated that 5 persons in Special Rickshaw travelled to the places and dropped the Rickshaw near Bhut Amli, where they had tea and smoked. Thereafter, the accused showed a shop named Gokhle Pan, Ms. Rada had inquired with the shop owner. The accused then led to the Durga Foot-ware shop, and stated that at that place they kept three bicycles. This witness identified his

signatures on the Panchnama (Exhibit 6062). But he could not identify the accused Mohammad Arif Mirza via video link, noting he was clean-shaven at the time of the panchnama.

14.4.215. In his cross-examination, the witness admitted that he is a rickshaw driver and was on duty with a passenger when called by police.

14.4.216. The Court finds that the testimony serves as corroborative evidence for the discovery of facts under the Indian Evidence Act . The witness remained consistent regarding the locations pointed out by the accused. Technical objections regarding the lack of video recording do not invalidate the substantive testimony. Minor details regarding distances and travel times were clarified during the proceedings. The facts discovered in this panchnama reflects that the accused had visited the places with accused Abdul Rajik and places have been identified by the accused in presence of independent panch witnesses, therefore, it is "discovery" in accordance with provisions of Sec.27 of the Indian Evidence Act. The witness remained consistent regarding the sequence of the site-pointing. Procedural challenges raised by the defence regarding the lack of video/photo recording during panchnama do not inherently invalidate the witness's firsthand account of the accused's voluntary disclosures.

14.4.217. Exh.6064 is discovery panchnama. It was carried out on 03.01.2009 between 14:00 hours to 17:20 hours before Mr.M.J.Chavda, Deputy Superintendent of Police, Investigation Team, Crime Branch, Ahmedabad City. The contents of the panchnama show that accused Mahmmad Isamil @ Abdul Rajik was in the custody of police in connection with the crime registered at Maninagar police station vide CR No. 205/2008. He has volunteered to disclose some facts in presence of panch witnesses. The Panchnama details a site-pointing exercise

conducted at the instance of accused Mohammad Ismail @ Abdul Rajik Mansuri. The accused led the police and Panch witnesses to various locations in Juhapura, Sarkhej, Chandola Lake, and Shah Alam. He identified specific shops, including Apsara, Star Cycle, M.R. Cycle Works, and United Cycle Works, where he claimed cycles used in the bomb blasts were purchased. The document records the identification of these shops and the statements made by the accused regarding the procurement of old cycles for the conspiracy.

14.4.218. In this connection, the prosecution examined panch witness Rajubhai Vitthalbhai Bharwad (PW No.867, Exh.6063). He admitted that he was summoned to the Crime Branch and agreed to serve as an independent Panch witness. He corroborated that the accused voluntarily led the investigation team to several cycle shops in Ahmedabad. The witness identified the specific spots pointed out by the accused as locations for purchasing cycles used in the blasts. He identified his signatures on the Panchnama (Exhibit 6064). But he refused to identify the accused, as years had passed between the time of panchnama and deposition.

14.4.219. In his cross-examination, the witness stated he has an 11th-grade education and is engaged in animal husbandry. The witness admitted he was not familiar with all the specific street names or police officer names present at the time. He conceded that no physical cycles were seized in his presence during this proceeding.

14.4.220. The Court finds that the place, i.e. shops from where old bicycles were purchased is shown by the accused Abdul Rajik voluntarily. This fact was not known to the police before the panchnama proceeding. It was discovered by the voluntary disclosure of the accused Abdul Rajik before panch witnesses. Looking at the evidence, the

testimony serves as material corroboration for the discovery of facts. The witness remained consistent regarding the accused's voluntary disclosure and the identification of the crime-linked 7 shops. The presence of the witness near the crime branch police station is also satisfactorily explained. Therefore, the distance between the house of the witness and the Police station did not create any doubt. As discussed in the very beginning, even the confessional statement of the accused can be admissible, if it is a kind of discovery of a fact, which is deposed as distinctly related to the fact discovered. Here in this case also, the fact deposed as discovered is distinctly related.

14.4.221. Exh.6068 is discovery panchnama of a fact regarding the shop and persons from whom 2 bicycles involved in the crime were purchased by accused Abdul Rajik. It was carried out on 02.01.2009 between 17:20 18:50 before Mr.M.J.Chavda, Deputy Superintendent of Police, Crime Branch, Ahmedabad City. The Panchnama records a pointing out panchnama conducted at the instance of accused Mohammad Ismail @ Abdul Rajik Mansuri who was in the custody of police in connection with crime registered at Maninagar Police Station vide CR No.205/2008. The accused led the police and Panch witnesses to two specific locations where he claimed to have purchased cycles used in the serial bomb blasts. First, he identified a cycle repairing shop on footpath near Anand cloth Market, where the shopkeeper Saruk Mohammad confirmed selling him a black Hero cycle in July-2008. Second, the accused pointed out a residence in Sujagarwada, Rajpur Gomtipur, where a person named Allahrakha Sattarbhai confirmed selling the accused a black Hercules cycle for Rs. 700/-.

14.4.222. In this connection, the prosecution examined panch witness Rakesh Kantilal Panchal (PW No.868, Exh.6067). He admitted that he

was called to the Crime Branch and agreed to act as an independent Panch witness. He corroborated that the accused voluntarily led the investigation team to cycle shops in Sarangpur and Gomtipur. He confirmed the accused identified the specific persons from whom cycles were purchased. The witness identified his signatures on the Panchnama (Exhibit 6068). He stated he could not identify the accused in court due to the lapse of eight years.

14.4.223. In his cross-examination, the witness admitted he is a furniture worker and had no prior experience as a Panch witness. He confirmed the Panchnama was drafted by police and he was not aware of the specific legal sections. He admitted that no videography or photography was conducted during the pointing out. He stated he could not identify the individuals (Saruk or Allahrakha) mentioned in the Panchnama.

14.4.224. The Court finds that testimony of this witness serves as corroborative evidence for the discovery of facts under Section 27 of the Indian Evidence Act. The witness remained consistent regarding the locations and the accused's voluntary disclosure of the cycle procurement points. Though he could not recollect the name of shop keeper or cycle owner at the time of deposition, he supported the contents of panchnama substantially. Despite the witness's inability to identify the accused in court, the Exhibit 6068 documents the contemporaneous identification. The evidence establishes a logistical link between the accused and the bicycles used in the crime. It has come in the evidence that police had recorded the statement of the cycle owners in presence of the witness. Therefore, the discovery of a fact i.e. the place and persons from whom the bicycles were purchased is proved by deposition, which is distinctly related to the overall facts of the case. Hence the panchnama is proved and can be treated as an admissible

14.4.225. Exh.6075 is discovery panchnama of a places from where different materials were purchased by accused Kayamuddin Kapadiya for preparing bombs. The panchanama was carried out on 12.12.2008 between 12:00 hours to 15:00 hours before Mr.V.R.Toliya, Deputy Superintendent of Police, Crime Branch, Ahmedabad City. The Panchnama details a pointing out panchnama, where accused Kayamuddin Kapadiya who was in the custody of police in connection with crime registered at Shahibagh Police Station vide CR No.236/2008. He led the police and Panch witnesses to various shops in Ahmedabad. The accused identified locations where he purchased materials for the serial bomb blasts, including scissors from Gujarat Tools, strip connectors, batteries, bulbs, and electric wire. He further pointed out shops for the procurement of white canvas, a Maruti 800 car cover, plastic pieces, and blue plastic bags. Additionally, the accused identified the shops where a Reliance mobile phone and a SIM card were purchased for the conspiracy.

14.4.226. In this connection, the prosecution examined panch witness Mr.Vishank Balvantbhai Patel (PW No.870, Exh.6074). He admitted that he was called by the Crime Branch and voluntarily agreed to act as a Panch. He deposed that the accused voluntarily led the team to multiple shops to identify where blast-related materials were purchased. The witness formally identified his signatures on the Panchnama (Exhibit 6075), but could not identify the accused as many years lapsed in between and accused shown to him were having long beards. The shop owners were inquired by the police officer but he could not recollect what was stated by the shop owners to the police officer.

14.4.228. The Court finds that the testimony remains intact in cross examination. No doubt is created in the deposition. What is stated in the panchnama is corroborated by the witness in his deposition. All the 11 articles/items purchased by the accused for preparing bombs are deposed by the witness in his evidence. The witness did not recollect the statements given by the shop owners before police, but it would not have any significance. The facts stated before police in presence of panch witnesses are the facts not in the knowledge of the police prior to panchnama. Therefore, the facts fall within the provisions of Sec.27 of the Indian Evidence Act. The witness remained consistent regarding the sequence of pointing out and the accused's voluntary disclosures.

14.4.229. Exh.6087 is discovery panchnama of a places where co accused Alamjeb Afridi met the accused Mohmmad Saif; discovery of a place where Mohammad Saif park bomb-laden cycle; discovery of a place where Mohammad Saif met with Bada Sajid and Chhota Sajid at nearby bus stand. It was carried out on 05.11.2008 between 13:00 hours to 15:00 hours before Mr.M.J.Chavda, Deputy Superintendent of Police, Crime Branch, Ahmedabad City. As per the Panchnama (Exhibit 6087) accused Mohammad Saif @ Rahul Sharma was in the custody of police in the crime registered at Maninagar Police Station vide CR No.203/2008. The accused made a voluntary disclosure statement before panch witnesses that he will show the places where he met with co

accused Alamjeb Afridi who had given bicycles. He has also pointed out the place where he has parked bomb-laden bicycle, and a place where he met with Bada Sajid and Chhota Sajid after planting a bomb-laden bicycles. The accused had identified locations in Ahmedabad where he and co-conspirators allegedly planted bombs. He pointed out a spot near Ajit Mill Char Rasta (near Nilkanth Restaurant) where a bomb-laden cycle was placed. He identified another location near a garbage bin in front of Firdosh Police Line Division-2 for the placement of a cycle bomb. The accused also pointed out a bus stand at Hatkeshwar Mahadev where the group met after the parking cycles. Also, stated that he saw the bomb-laden bicycle parked by Chhota Sajid near Ashapura Travels vegetable Market.

14.4.230. In this connection, the prosecution examined panch witness Shaileshbhai Prabhudasbhai Dabhi (PW No.873, Exh.6068). He admitted that he was called to the Crime Branch and agreed to serve as an independent Panch. He deposed that the accused voluntarily led the police and panches to various crime scenes. The witness identified the specific spots pointed out by the accused for planting explosives and meeting co-conspirators. He formally identified his signatures on the Panchnama (Exhibit 6087). But he could not identify the accused as his physical appearance had changed. He confirmed the content of the document was read and explained to him at the time.

14.4.231. In his cross-examination, the witness stated he could not identify the accused in court, citing changes in the accused's appearance over eight years. Defense counsel questioned the witness on the proximity of his residence to the other Panch witness to suggest they were not independent. It was admitted that the language used in panchnama is Gujarati and accused in the custody was speaking Hindi. It

is not mentioned in the panchnama that panchnama was written after making a translation in Gujarati language. He admitted that he had never been a panch witness in any police case. There was traffic at Hatkeshwar Bus station and Ajit mill cross road. He is unable to mention the location of Ashapura Travels, surrondings of the Crime branch police station.

14.4.232. The Court finds that the unfortunate event of the bomb blast happened on 26.07.2008 and the panchnama proceeding was conducted on 05.11.2008, therefore, the police were very well aware of the places where bombs were blasted. But police were not aware about who had planted the bomb at which place. So many accused had hatched the conspiracy and thereby crime was committed. Therefore, the fact stated by the accused Mohammad Saif regarding the role played by him and other co-accused is a mental fact, which was revealed before the police for the first time at the instance of the accused Mohammad Saif. Therefore, it is discovered in accordance with the provisions of Sec.27 of the Indian Evidence Act. The testimony serves to corroborate the discovery of spots linked to the conspiracy under the Indian Evidence Act. The witness remained consistent regarding the sequence of the site-pointing and the locations identified by the accused. The witness's inability to identify the accused in court due to long time lapse is a common factor and does not inherently discredit the contemporaneous record. Minor procedural omissions regarding visual recording do not invalidate the witness’s substantive account. Therefore, the facts stated in the panchnama are proved by the prosecution. As provided in the Section itself, even the confessional statement of the accused can be admissible, if it is a kind of discovery of a fact, including a mental fact, which is deposed as distinctly related to the fact discovered. Here in this case also, the fact deposed as discovered is distinctly related.

14.4.233. Exh.6278 is a discovery panchnamaat the instance of an accused Imran Ibrahim. Police have recovered a first aid box from his house. The panchanama was carried out on 22.08.2008 between 21:30 hours to 23:15 hours before Mr.Vinay Shukla, Police Inspector, Crime Branch, Ahmedabad City. From the contents of the panchanama, it appears that accused Imran Ibrahim was in the custody of police in connection with the crime registered at Shahibaug police station vide a CR number 236 2008. The Panchnama records seizure conducted at the residence of accused Imran Ibrahim Sheikh in Wadi Taiwada, Vadodara. The accused voluntarily led the police to his house and pointed out a transparent plastic first aid box kept on a shelf. The box contained medical supplies, including bandages, needles, syringes, Dettol, and various ointments, which the accused claimed were used during Jehadi training in Pavagadh. A visiting card with the accused's name and mobile number was found inside the box. A light bill for July 2008 in the name of the accused's father was also seized to establish occupancy. The items were sealed in a cloth bag with a Panch slip.

14.4.234. In this connection, the prosecution examined panch witness Pravin Ishwarbhai Rajput (PW No.877, Exh.6277). This witness corroborated being called by the DCB Police Station and voluntarily joined the proceedings of panchnama as an independent Panch. He testified that the accused led the team to his residence and produced a medical box used for training. The witness formally identified his signatures on the Panchnama (Exhibit 6278). He identified the seized first aid box and its contents in court (Exhibits 6279 and 6280). He stated he could not identify the accused in court due to a change in the accused’s physical appearance (beard and hair) over nine years.

14.4.235. In his cross-examination, the witness confirmed that no

videography or photography was conducted during the search and seizure. The witness conceded he did not maintain a personal diary of the investigation. He admitted the Panchnama was drafted by the police while he was present. He admitted he did not personally verify the address on the visiting card found in the first aid box.

14.4.236. The Court is of the opinion that the testimony of this witness provides material corroboration for the discovery and seizure articles. The seizure of medical supplies are such things which are used by everyone and available at everyone's house. It can be argued that nothing can be said to have been established by seizure of the first aid box in absence of any other corroborative evidence. The residence of the accused was known to the police, therefore the place of residence is not a covered fact. The first aid box seized by the police is also a thing of general usage, which would not establish anything which can be said to be a discovery relating to an offence and material thing to commit a crime. It is no one's case that accused Imran has used the first aid box in committing the crime, however, it goes on to establish the holding of a camp at Halol and this discovery of medical box would corroborate the other evidence regarding holding of terror camp at Halol.

14.4.237. Exh.6290 is search and seizure panchnama of accused Mohammad Usman Agarbattiwala was done. Police seized a hard disk, laptop and pendrive from the house. It was carried out on 20.08.2008 between 01:00 hours to 02:00 hours before the Police Inspector, Crime Branch, Ahmedabad City. The panchnama records a search and seizure operation conducted at the residence of accused Mohammad Usman Agarbattiwala in Wadi Taiwada, Vadodara . The accused led the police and Panch witnesses to his home, where his father was present. Scientific officer from F.S.L. present and seized one Seagate Hard Disk,

one Intel Laptop, and one Pen Drive from the premises. The electronic items were identified, labeled with Panch slips, and sealed with wax for forensic analysis.

14.4.238. In this connection, the prosecution examined panch witness Kamlesh Sureshbhai Gohil (PW No.879, Exh.6289). This witness admitted that he was stopped by police while returning from work and agreed to act as an independent Panch witness. He confirmed witnessing the search and seizure of the hard disk, laptop, and pen drive. The witness formally identified his signatures on the panchnama (Exhibit 6290) and the identification labels on the seized articles (Exhibit 6291). He identified the physical evidence produced in the courtroom.

14.4.239. In his cross-examination, the witness admitted to having an education of 9th class and no technical knowledge of computer systems. He confirmed the electronic devices were not operated or switched on in his presence during the seizure. He stated that no videography or photography was performed by the police during the search. He was unable to identify the accused in court, noting the accused now has a beard whereas he was clean-shaven at the time of the panchnama.

14.4.240. The Court is of the opinion that the testimony of this witness serves as material corroboration for the recovery of electronic evidence linked to the accused. The witness remained consistent regarding the sequence of events and the specific items recovered from the residence. The contemporaneous Panchnama (Exhibit 6290) supports the procedural regularity of the seizure. While the witness lacked technical expertise, still the names of devices seized are common that anyone can name it. Further, the witness stated how the device works. The failure to identify the accused in court after a nine-year interval is a matter of record but does not inherently invalidate the seizure of the articles, as

articles are also identified by witness while giving evidence. Here in this case also, the fact deposed as discovered is distinctly related. Therefore, the contents of panchanama are proved by the evidence of panch witness Kamlesh Gohil, which goes on to establish the circumstance that the accused was having a computer system and had knowledge of putting such system to a use. This circumstance is sufficient to infer the connection between co-accused through this device.

14.4.241. Exh.6311 is discovery panchnama. It was carried out on 08.12.2008 between 14:15 hours to 17:15 hours before Mr.R.V.Asari, Deputy Superintendent of Police, Crime Branch, Ahmedabad City. The Panchnama (Exhibit 6311) records a site-pointing procedure led by accused Ikbal @ Ikrar Kasambhai Sheikh. He was in the custody of police in connection with the crime registered in Odhav Police Station vide CR No. 339/2008. The accused voluntarily led the police and Panch witnesses to several locations where he claimed to have planted explosives. He identified a spot near Sheetal Cinema where a cycle laden with 2 bombs was delivered to him by co-accused Abdul Rajik. He pointed out a second location near Ashapuri Pan Parlor at Thakkar Nagar where he parked a bicycle laden with bombs. Furthermore, the accused identified a bus stop at Odhav Soni ni Chali cross road, from where he boarded in AMTS bus and put the bomb beneath the third seat behind the bus driver. The accused pointed the fourth place, i.e. Kalandari Masjid Cross Road, Rakhiyal, where he got down from the bus as the bus slowed down due to the cross road.

14.4.242. In this connection, the prosecution examined panch witness Kunvarji Meruji Thakor (P.W. 883, Exh.6310). The witness testified that he was called to the Haveli Police Station by police and agreed to act as an independent Panch. He deposed that the accused voluntarily led the

team to identify various bomb placement sites. The witness confirmed the accused pointed out specific locations for cycle bombs and a bomb planted in the bus. He formally identified his signatures on the Panchnama (Exhibit 6311) and Panchnama Exhibit 6312 (describing the condition of a bus after a bomb blast). Also deposed describing the condition of a bus. He identified the accused in court through a video screen.

14.4.243. In his cross-examination, the witness stated he is a farmer having education up to 6th standard. He admitted that the police performed no videography or photography during the site-pointing process. The witness conceded he did not maintain a personal diary or written record of the investigation. He could not recall the registration number of the police vehicle or the names of all officers present. He also accepted that there were shops and residence houses near the place identified by the accused. He accepted that no description of the bag was known to him. He also explains in his cross examination as to how he came near the crime branch police station on the day of panchnama. He admitted that bus number 150 is not mentioned in the panchnama. Also admitted that he did not notice the route of the bus.

14.4.244. The Court is of the opinion that the testimony of this witness serves as material corroboration for the discovery of spots. The witness remained consistent regarding the accused's voluntary disclosures and the identification of crime scenes. It is a discovery of a place at the instance of the accused, because it is exclusively within knowledge of the accused which are the places he met the co accused, received a bicycle, parked a bicycle, boarded the bus and got down from the bus. All these facts are covered under voluntary disclosure made by the accused and deposed in the testimony of the panch witness. He has also

identified the accused on the video screen. Identification of the accused and the contemporaneous Exhibit 6311 strengthens the link between the accused and the placement of explosives. Minor procedural omissions, such as the lack of visual recording, making the panchnama Exh.6212 in mobile light, signing the panchnama after coming out from the godown etc. do not invalidate the substantive account of the site-pointing. The evidence establishes a clear logistical trail for the execution of the serial blasts. Therefore the facts of the panchnama are proved by the prosecution.

14.4.245. Exh.6353 is discovery panchnama regarding discovery of documents i.e. Diary of Ahmedabad Municipal Corporation, Driving licence & Bill, at the instance of accused Kayamuddin @ Rizwan @ Asfaq Kapdiya. It was carried out on 22.12.2008 between 11:50 hours to 13:30 hours before Mr.M.J.Chavda, Deputy Superintendent of Police, Crime Branch, Ahmedabad City. This panchnama (Exhibit 6353) records a seizure conducted at the instance of accused Kayamuddin Kapadiya at his father-in-law's residence in Sector-5, Gandhinagar. The accused led the police and Panch witnesses to the house named "Al Habib Manzil". From a wooden cupboard in a storeroom, a 2008-2009 diary of the Ahmedabad Municipal Corporation was recovered. Inside the diary, there was an old driving license belonging to another individual and a mobile phone bill for Rs. 9,000/-. These documents were identified, labeled with Panch slips, and seized for the investigation. The accused had voluntarily disclosed that using these documents, he got a mobile sim card.

14.4.246. In this connection, the prosecution examined panch witness Jitendra Babulal Jaiswal (PW No.893, Exh.6352). He admitted that he was called by police while passing near Sector-7 Police Station and

agreed to act as a Panch. He corroborated that the accused voluntarily led the investigation team to the residence in Sector-5. He witnessed the discovery of the diary, license, and bill from a cupboard. The witness formally identified his signatures on the Panchnama (Exhibit 6353) and the seized articles (Exhibits 6354, 6355, 6356). He stated he could not identify the accused in court because the person he saw in 2008 was clean-shaven, whereas the person on screen had a beard.

14.4.247. In his cross-examination, the witness admitted he is a cable operator and was not a professional Panch witness. He confirmed that no videography or photography was conducted during the search and seizure. The witness conceded he did not maintain a personal diary of the investigation events. He admitted the Panchnama was drafted by police in his presence. It is admitted by this witness that he has signed the documents in the police station and put a total of 6 signatures. It is also admitted by panchbitness that when he met the police, it was said by police that they have to seize diary, bill and licence from Sector 5. But in the second set of cross examinations, totally adverse material comes out in cross examination. The witness has said that before departing from the police station he was not informed where the House was situated and who owned the house.

14.4.248. The Court finds that accused Kayamuddin has voluntarily disclosed before punch witnesses and police that he will produce a driving licence, a bill and the diary of Municipal Corporation Ahmedabad. He has further disclosed that using the driving licence and bill he has purchased mobile phone and SIM cards. Therefore the articles are important documents. The location of which is exclusively within the knowledge of accused Kayamuddin. The documents were found at the instance of Kayamuddin from the house of father in law of

accused Kayamuddin. Therefore it is clearly a Discovery within the purview of Sec.27 of the Indian Evidence Act, which is proved by the corroborative testimony of Panch witness.

14.4.249. The Court also finds that it has come on record in cross examination that a Panch witness has signed the document at the police station and not at the place where the seizure occurred. This is an irregularity which did not go to the root of the proceeding and vitiated the recovery of the documents at the instance of the accused.

14.4.250. The Court is of the opinion that the testimony of this witness provides material corroboration for the discovery and seizure of documentary evidence linked to the accused. The recovery of items from a father-in-law's residence establishes a physical link between the accused and documents, thereby establishing the circumstance that the accused had attempted to use fake documents to hide the real identity in procuring of the sim cards meant to be utilized in the offence of conspiracy.

14.4.251. Exh.6422 is discovery panchnama of a place from where accused Mohammad Shakil had received a bicycle; and also the place where the bicycle laden with bombs was parked. It was carried out on 02.11.2008 between 11:00 AM to 1:00 PM (13:00 hours) before Mr.M.J.Chavda, Assistant Police Commissioner, Crime Branch, Ahmedabad City. The panchnama records the voluntary disclosure and identification of crime scenes by accused Mohammad Shakil, who was in the custody of police, for the office registered at Maninagar police station CR No.203 /2008. The accused, while in police custody, offered to show the specific locations in the Maninagar area i.e. Roop Complex near AMTS Bus stand, where he and his associates (Mirza Sadab Beg, Zeeshan Ahmed, and Ziya-ul-Rehman) had received two bicycles laden

with bombs on 26.7.2008. He further disclosed before panch witnesses that he parked one black colour cycle under a banyan tree near Mahalaxmi Market. Another "Ranger" bicycle was taken by Jiya-ul-Rehman. He made a statement that he had conducted reconnaissance (recce) of these areas on 12.7.2008.

14.4.252. In this connection, the prosecution examined panch witness Durgesh Kanubhai Patel (PW No. 896, Exh.6421). This witness admitted that he was called to the Crime Branch office where the accused expressed a willingness to show where bombs were placed. The witness confirmed that the accused led the team to Maninagar Railway Station and pointed out the exact spots near Roop Complex and the banyan tree. He identified the signatures on the panchnama Exh.6422 as his own and those of the second panch, Jigarbhai, but could not identify the accused. The witness stated that the accused explained how he and his associates distributed the bicycles at the identified locations.

14.4.253. In his cross-examination, the witness admitted he had no prior experience acting as a panch witness and did not maintain a personal diary of the events. The witness stated he could not remember the specific names or ranks of all police personnel present, other than the lead officer. He acknowledged that he did not know the specific distance between various locations or the names of every shop surrounding the identified spots.

14.4.254. The Court is of the opinion that the evidence of this witness constitutes a discovery of facts at the instance of the accused under Section 27 of the Indian Evidence Act. The witness remained steadfast regarding the primary act of the accused pointing out the specific locations. The contemporaneous record of the panchnama, signed by independent witnesses, corroborates the police investigation. Minor

inconsistencies regarding the description of the surrounding area or the physical appearance of the accused are attributable to the nine-year gap between the event and the deposition. The testimony establishes a direct link between the accused's voluntary statement and the physical locations of the offence. Further, the fact that the accused made a statement that he could not lead to the place from the police station, but he could lead from Maninagar Railway Station, the accused being an outsider, gives a trustworthiness to the facts stated in the panchnama. After reaching Maninagar Railway Station, accused Mohammad Shakil led the team to the places. It is quite difficult for the accused to give a description of the place before proceeding towards the place of crime. Therefore this aspect also did not create any doubt. Therefore, the discovery of locations identified is established by the testimony of a panch witness.

14.4.255. Exh.6434 is discovery and seizure panchnama of a place i.e. house used by accused Abubasar @ Abdul Rasid @ Mufti s/o Abubakar sheikh and seizure of articles from the house i.e. wires, adhesive taps, pellets, cardboard, newspaper etc. The panchanama was carried out on 18.08.2008 between 18:00 to 22:30 before Mr.M.J.Chavda, Assistant Commissioner of Police , Crime Branch, Ahmedabad City. The panchnama records the voluntary disclosure by accused Abubasar , who offered to point out a house in Umraonagar, Vatva, where he and his associates Abdul Subhan and Kayamuddin had resided during the period of the Ahmedabad blasts. The accused led the police and panchas to House No. 3 in Umraonagar Society. Upon searching a room on the first floor, a copy of The Times of India dated May 22, 2008, was recovered, along with scrapings of white powder taken from a "fluorescent spot" on the wall. investigators discovered a plastic bag hidden behind a

cardboard-covered window containing two pieces of wire, five bolts, and approximately 40 pellets.

14.4.256. In this connection, the prosecution examined panch witness Bipinbhai Chhotalal Patel (PW No.898, Exh.6433). This witness admitted that the accused voluntarily expressed a willingness to show the team the residence in Vatva. He confirmed that he accompanied the police and the accused to the site, where the accused identified the specific house and room. The witness identified the incriminating articles (wires, bolts, pellets, and newspaper) produced in court as the items seized during the procedure. He verified his signatures on the panchnama and the slips attached to the seized articles, but could not identify the accused due to time gap and change of appearance of accused.

14.4.257. In his cross-examination, the witness admitted he could not identify the accused in court via video conference, explaining that the accused now has a long beard whereas he was clean-shaven at the time of the incident. He acknowledged he is a manual laborer who does not understand English or Urdu and was unfamiliar with the term "fluorescent". Panchnama was not written in the language of the accused. The witness stated he did not see any rental documents for the house and did not know the house owner personally before the panchnama. Police have not recorded statements from the house owner and neighbours residing in that area. He admitted that the police or panchas were not searched before entering the premises and that the panchnama was written by the police, though it was read over to him.

14.4.258. The Court is of the opinion that the evidence of this witness establishes a valid discovery of fact under Section 27 of the Indian Evidence Act. The recovery of pellets and wires provides a physical link

between the accused and materials used in the commission of the blasts. The witness's failure to identify the accused after nine years due to physical changes (growing a beard) does not necessarily invalidate the recovery. The testimony is considered reliable as the witness remained consistent regarding the core facts of the search and seizure. It reveals from the cross examination that the panch witness is doing labour work in the ice industry.

14.4.259. It also appears that proceedings of panchnama were conducted not only in the presence of an accused and panch but also in presence of the owner of the house. Receipt of the seized article is given to the owner. Further, there were FSL officers present on the spot. Merely the witness has answered that the sealing process of the articles were not done on the spot itself does not create doubt. For that purpose, the deposition of the police officer, the owner of the house and FSL officer is also taken into consideration. Therefore, the discovery of the place at the instance of the accused is proved. Therefore, the discovery place i.e. rented house and seizure of the article is proved by the prosecution.

14.4.260. Exh.6438 is discovery and seizure panchnama regarding the discovery of a place where the bomb Laden Maruti WagonR car was parked in Civil Hospital Ahmedabad and also regarding the discovery of a route which was used by the accused Afzal @ Raja @ Afsar Usamani with co accused Adbul Rajik, for travelling from Al Mohammadi society to Civil Hospital Ahmedabad. It was carried out on 13.11.2008 between 18:15 to 20:00 hours before Mr.V.R.Toliya, Deputy Superintendent of Police, Investigation Team, Crime Branch, Ahmedabad City. The panchnama records the voluntary disclosure by accused Afzal (alias Raja or Afsar), who was in the police custody in the offence registered at Shahibagh Police Station CR No. 236/2008, who

offered to point out locations related to a grey WagonR car (No. GJ-6-CD-9718) used in the blasts. The accused led the police and panchas to a house in Alahmadi Society, Vatva, which he identified as the place where the car was kept and loaded with gas cylinders, time bombs, and nut-bolts. He then led the team to the Civil Hospital Trauma Centre, pointing out the specific corner where he and an associate (Abdul Razik) parked the car on 26.7.2008, to ensure it would not look suspicious.

14.4.261. In this connection, the prosecution examined panch witness Shersinh Khushalsinh Mahavar (PW No.899, Exh.6437. This witness deposed that he was called to the Crime Branch, where the accused Usmani expressed a willingness to show the sites. The witness confirmed the accused led them to the residence Situated near Chadola Talav, and then through various city landmarks (Jamalpur, Shah Alam, Kankaria) to the Civil Hospital. He verified that the accused pointed out the exact spot near the Trauma Centre where the car was abandoned. The witness identified his signatures on the panchnama and confirmed that the contents were read over to him and were correct. But he could not identify the accused on TV, due to the long interval and the accused now having long beard.

14.4.262. In his cross-examination, he denied that before his testimony, the police tutored that if he couldn't recognize the accused, he should give reason that it was due to this change in physical appearance. The witness admitted he had no prior experience as a panch and did not know the names of the police officers involved, other than Toliya Saheb. He acknowledged that he did not know the specific distances between the locations or the names of the societies they passed. He admitted that police inquired with the accused in Hindi language and the accused was answering in Hindi language. He admitted that he could not describe

four directions of the place where the car was parked in Civil Hospital.

14.4.263. The Court is of the opinion that the testimony of this witness supports a discovery of fact under Section 27 of the Indian Evidence Act, identifying the place where Wagon-R car was parked near Al mahmadi society and also identified the final placement of the car in Civil Hospital. The failure of identification of accused attributed to the accused's changed appearance over nine years. The contemporaneous written record of the panchnama provides a detailed geographical link between the accused and the crime scene. The discovery of specific location i.e. the house near Chandola Talav and the hospital parking spot corroborates the other set of evidence connecting the car with the offence and the accused.

14.4.264. Therefore, the mental fact of knowledge of the place and the route used for travelling from Al mahmadi society to Civil Hospital Ahmedabad is proved by the prosecution.

14.4.265. Exh.6451 is discovery panchnama regarding the discovery of a fact that accused Afjal @ Raja @ Afsar had accessed the AC waiting room at Kalupur Railway station, where he has given his identity as Sanjay. It was carried out on 10.12.2008 between 11:30 to 12:40 before Mr.V.R.Toliya, Deputy Superintendent of Police, Investigation Team, Crime Branch, Ahmedabad City. The panchnama records the voluntary statement and discovery of a place by the accused, Afzal @ Afsar Mutallib Usmani. The accused stated that on July 26, 2008, he and an accomplice named Abdul Razzaq placed a WagonR car filled with explosives at the Civil Hospital Trauma Centre. He further stated that after abandoning the car, he went to the Kalupur Railway Station to board the Rajdhani Express and stayed in the AC waiting room. The accused then led the police and the panchas to Platform No. 1 of the

Ahmedabad (Kalupur) Railway Station and pointed out the specific AC waiting room where he had stayed under the name "Sanjay".

14.4.266. In this connection, the prosecution examined panch witness Maheshbhai Subhashbhai Jethwa (PW No.901, Exh.6450). This witness admitted that he was summoned to the Crime Branch office where the accused confessed to his involvement in the Ahmedabad bomb blasts. He confirmed that the accused led the police team and panchas to the Kalupur Railway Station. The witness stated they went to the AC waiting room on Platform No.1, where they met the attendant, Chandrakant Solanki. He verified that the accused pointed out the place of his stay and that the panchnama was drawn at the scene. He identified his signatures on the panchnama document but could not identify the accused and assign the reason that the accused had light beard when he saw him at the time of panchnama and at the time of deposition many accused have long beards.

14.4.267. During cross-examination, the witness admitted he did not know the other panch witness previously. He conceded that he did not see any entry in the station register himself, nor did he see the train tickets mentioned. He admitted that the police did not show him any identification documents for the accused at the time. Most significantly, when asked to identify the accused via video conferencing, the witness failed to identify the accused persons, citing changes in their appearance such as grown beards, caps, or glasses. He also admitted he had not kept any personal record or diary of the events.

14.4.268. The Court is of the opinion that the testimony of this witness supports the procedural validity of the discovery panchnama under Section 27 of the Evidence Act. But accessing the AC waiting room by the accused without there being further proof of it, cannot be said to be a

discovery of a fact. It is voluntarily said by the accused that he has made an entry in the register using his identity as Sanjay, but the register was not found at the waiting room. The Court is therefore not inclined to accept the portion of the voluntary disclosure about the access to waiting room to board a train as a discovery of relevant fact.however inso far as the voluntary disclosure of the location where they abandoned the car near truama centre there is disclosure of the mental fact about the location and that there is sufficient evidence to connect that location with the offence as the blast itself has taken place there.

14.4.269. Exh.6480 is discovery and seizure panchnama of places where camp has been arranged & Jehadi training was given as well as seizure of the articles from those locations. The panchanama in first part was carried out on 27.08.2008. between 8:30 AM to 12:20 PM before Mr.V.R.Toliya, Deputy Superintendent of Police, Crime Branch, Ahmedabad City. The panchnama records the voluntary identification of training camp sites in the Pavagadh forest area by accused Jahid Kutubuddin Sheikh, who was in the custody of police in connection with the offence registered at Shahibagh Police Station CR No.235/2008. The accused led the police and panchas and FSL officers and photographer to the place near Helical Vav, where he pointed out the spot where tents were erected. FSL officers searched the surrounding area and recovered a rusted metal pipe plug (bush), 16 airgun pellets, pieces of rubber balloons (used for target practice), and a metal bolt embedded in a dry tree trunk (for tying ropes). The accused has also pointed out one pond where they were doing swimming practice. Additionally, the accused identified the Ek Minara Masjid, where he claimed they performed prayers and held speeches; Also pointed out Khudpir Dargah, where they stayed.

14.4.270. In this connection, the prosecution examined panch witness Dipakbhai Jivanlal Dalwadi (P.W. 904, Exh.6479). This witness confirmed he was called by the police and has consented to be a panch witness; Accused Jahid was in the custody of police; FSL officers and videographer also present; Accused volunteered to locate the places in Pavagadh Forest; he accompanied the team, the accused led the team to various training sites in the forest are at Pavagadh foothills. This witness verified the discovery of the place where tents were erected for the purpose of training; also identified the physical evidence, including the pellets, bush, the bolt in the tree trunk, parts of balloons in the presence of FSL officers. Witness Deepak also said that there was one pond near the place. Additionally, he supported the details of panchnama and mentioned that he accompanied the team to other places i.e. Ek Minara Masjid and Khundpir Dargah. He identified the seized articles and the associated packaging in court. He confirmed his signatures on the panchnama (Exhibit 6480) and the identification slips attached to the recovered items.But he could not identify the accused, due to change in physical appearance.

14.4.271. In his cross-examination, he acknowledged working in a fabrication and welding shop, where items like bolts and nuts are common, though he insisted the recovered items were distinct. The witness stated he had no prior experience acting as a panch and did not know the exact distances between various locations in the forest. He admitted that the place was open and anyone could access the place. No Air gun found at the place. He admitted that there is a 100 meter distance between Dagah and Ek Minar Masjid. Every Thursday many people come to Dargah for darshan. A fun fair was arranged at Dargah, where small hawkers installed their shops.recheck this FSL officers

have found pellets from the place. He admitted that the accused had not disclosed initially that he would lead the team to which place. He admitted the police wrote the panchnama, but maintained it was read out and explained to him before he signed it.

14.4.272. The Court is of the opinion that the evidence of this witness constitutes a valid discovery of facts under Section 27 of the Indian Evidence Act, specifically the location of a remote training site. Before the voluntary disclosure statement of an accused, the fact that the Jehadi training was parted at a remote place was not known to anyone. Therefore it is a valid discovery. Further the articles found from the place is also proved by the witness. Materials that came out in cross examination do not create doubt regarding the discovery and seizure. The recovery of specialized items like airgun pellets and balloon parts from a remote forest location strongly corroborates the allegation of training activities. The involvement of FSL experts during the identification and seizure process provides scientific weight to the evidence. Further, the defence raised an objection during examination in chief that incriminating part of the panchnama cannot be admissible in evidence under Sec.25 of the Indian Evidence Act. As we have discussed in the very beginning, even the confessional statement of the accused can be admissible, if it is a kind of discovery of a fact, which is deposed as distinctly related to the fact discovered. Here in this case also, the fact deposed as discovered is distinctly related. Therefore, the objections are not sustainable. Further the process was videographed, therefore there cannot be any chance of fabricating false evidence to support the prosecution. Minor inconsistencies regarding the witness's memory of the travel times are expected as evidence is recorded after an interval of nine-year. This panchnama brings on record the special knowledge of

the accused as to the location of the traiining camp and that too at a remote isolated location, not frequented by general public except of one particular occasion. Therefore, the discovery and seizure is proved by the prosecution as an important circumstance and evidence of holding of a terror training camp. There are other evidences of eye witness regarding holding of some camp and the evidence in form of confessional statements about the activities held within the camp where the most important part being Jehadi speeches.

14.4.273. Exh.6495 is discovery panchnama, whereby accused Kayamuddin showed STD PCO centre at Vapi, from where co-accused Tofiq called. It was carried out on 03.09.2008 between 14:15 hours to 15:45 hours before Police officer Mr.N.B.Parmar, Assistant Commissioner of Police, 'C' Division, Surat City (at Vapi Camp). The panchnama (Exhibit 6495/Mark 102-100) records the voluntary disclosure by accused Kayamuddin (alias Musa, Rizwan, Ashfaq, or Samir Kapadiya). The accused offered to show an STD/PCO booth in Vapi from which the co-accused, Taufiq, had reportedly made a phone call on 19.5.2008. The accused led the police and panchas to "Minaj Telephone" in Nutannagar, Vapi, near the old railway gate. At the booth, the team identified an individual named Shahbaj Mustak Boga.

14.4.274. In this connection, the prosecution examined panch witness Irshad Sarvarkhan Pathan (PW No.907, Exh.6494). He deposed that he runs a pan shop in Vapi GIDC and claimed that in March 2008, police obtained his signature on papers behind a factory. He denied that the accused Kayamuddin made any statement in his presence or led the police to any location. Because he failed to support the prosecution's case, he was declared hostile by the Special Public Prosecutor (SPP). He did not support the contents of panchnama even in the leading question.

He was shown the panchnama, he identified his signature but maintained he did not know the contents.

14.4.275. This witness was not cross-examined.

14.4.276. From the deposition of this witness, it appears that nothing proved in support of the prosecution. The attempt of the prosecution through this panchnama was to establish a fact of the accused being in contact with each other to share crucial information how ever in view of the witness being hostile prosecution is unable to establish the same through this panchnama.

14.4.277. Exh.6508 is discovery panchnama. This panchnama describes how the IC is functions to set the time of blast at the instance of accused Asif Shaikh. The panchanama was carried out on 29.11.2008 bteween 12:00 to 13:00 before Mr.N.B.Parmar, Assistant Commissioner of Police, 'C' Division, Surat City. The panchnama records the demonstration and explanation of an electronic timer circuit by the accused, Asif @ Hasan Bashiruddin Sheikh, who was in the custody of police in the offence registered at Kapodra Police Station, Surat City, vide CR No. 175/2008. In the presence of panchas, a sealed transparent jar containing a circuit was produced. The accused explained that the programmable IC circuit used a digital timer to set specific delayed times. He demonstrated how connecting a 9-volt battery and a detonator to this circuit would trigger a blast after the programmed duration.

14.4.278. In this connection, the prosecution examined panch witness Ushakant Chimanlal Mistri (PW No.910, Exh.6507). This witness deposed that he was called to the DCB Police Station in Surat while on his way to a petrol pump. He stated that in the presence of ACP Parmar, the accused Asif Sheikh explained the working mechanism of a timer circuit, IC, and battery. He identified the original panchnama and his

signatures. He also identified the sealed bottle containing the circuit shown to him in court. However, he failed to identify the accused through video conferencing due to the passage of time.

14.4.279. In his cross-examination, the witness admitted he had no technical knowledge or education in electronics or circuits. He conceded that he did not know the other panch witness previously and had never seen such a timer before the incident. He admitted that the accused spoke in Hindi, but the panchnama did not record that his statement was translated. Crucially, he admitted that he has not verified what accused Asif voluntarily wanted to say regarding circuit, but a police officer told him that accused Asif wanted to say something. He also stated he kept no personal record of these events.

14.4.280. The Court finds that the procedure conducted in this panchnama is not regarding the discovery of any material object. Electronic Circuit and I.C. was in the custody of police, which was produced by one police official Fulsingbhai. Further, how the time of blast is set in the circuit is a subject of a forensic science expert. Blast was made using the circuit is a known fact to the police. Therefore, the voluntary disclosure made by the accused and deposed and recorded in the panchnama demonstrates the mental fact about the knoledge of the functioning of the circuit and time setting made in the circuit which is the special knowledge of the accused and therefore the mental fact will have to be treated as discovery as it satisfies the other parameters for s. 27.

14.4.281. Exh.6528 is discovery panchnama. By this panchnama, accused Mohammad Abrar (accused No.74) has voluntarily stated before punch witnesses that he wanted to show the camp site near Pavagadh forest and accordingly point out the Campsite, Ek Minara Masjid and

Khundpir Dargah. It was carried out on 11.06.2012 between 05:40 to 09:00 before Mr.Mayur J.Chavda, Assistant Commissioner of Police, Crime Branch, Ahmedabad City. The panchnama records the voluntary statement and discovery of locations related to a terrorist training camp by the accused, Mohammad Abrar @ Munna @ Ismail @ Abdullah @ Ibrahim @ Qurban (accused No.74), who was in the custody of police in the offence registered at Maninagar Police Station vide CR No.203/2008. The accused led the police and panchas to several locations in the Halol and Pavagadh forest areas where he claimed to have received training in January 2008. He pointed to the Khundpir Dargah Trust, where he stayed and where Safdar Nagori delivered Jihadi speeches. He also identified the Ekminar Masjid used for prayers, a hilly area near Helical Vav where they pitched tents and practiced shooting air guns and crawling, and a site near Shakkarkhan Dargah used for rope-climbing training . Finally, he showed a place near a forest check post where they practiced motorcycle riding.

14.4.282. In this connection, the prosecution examined panch witness Mukundbhai Jivanlal Jadav (PW No.914, Exh.6527). This witness deposed that he was called by the Crime Branch and that the accused volunteered to show training sites in Pavagadh. He described the journey to Halol and the various sites pointed out by the accused, including the Dargah, the mosque, and the training spots in the forest. He identified his signatures on the original panchnama (Exh.6528) and confirmed that the document accurately reflected the events. However, when asked to identify the accused in court via video conferencing, the witness failed to identify the accused persons, stating he could not recognize them due to changes in their appearance like beards, caps, or glasses .

any personal record or diary of the events and could not remember the specific day of the week the panchnama was drawn. He conceded that he had no prior knowledge of the locations and merely followed the police and the accused. He admitted the accused spoke in Hindi, but there was no record of a translator being present. Furthermore, he could not provide specific technical details about the mosque or the height of the trees and failed to identify any local persons at the sites who might have recognized the accused.

14.4.284. It is required to mention here that training camp was arranged near Pavagadh forest was no longer a covered fact when this panchnama proceeding was conducted, because the panchnama Exh.6480 very specifically describes that there was training camp arranged in the forest and the the places cited in Exh.6528 are the same places which are described panchnama Exh.6480. Police have also recovered some pellets, parts of balloon, Bolt and other things from the alleged training camp sites at the time of panchnama vide Exh.6480. It is also revealed before police that the accused Mahmmad Abrar was also one of the participants of this training camp. The sites mentioned by the earlier arrested accused Jahid Shaikh as the site of training camp is also identified by the present accused Mahammad Abrar. Further nothing was recovered and seized from the places shown by the accused during the panchnama. Therefore, it is admissible as a corroboration to the facts stated in panchnama vide Exh.6480.

14.4.285. Exh.6537 is discovery panchnama regarding the discovery of the fact that two stolen cars i.e. WaganR model cars were parked at Surat Railway Station Parking. location by two accused, Mohammad Mobin @ Mobin @ Irfan and Amin @ Raja (accused No.70), were in the police custody in connection with the offence registered at Maninagar Police Station vide CR No. 203/2008. The accused stated they stole two WagonR cars (one black and one silver) from Mumbai in July 2008 and parked them at the Surat Railway Station parking lot. They led the police and panchas to the "Pay and Park Premium Car Parking" in front of the main railway building and pointed out the specific area. They also identified the Tirupati International Hotel nearby, where they had purchased water after parking the vehicles.

14.4.286. In this connection, the prosecution examined panch witness Sureshkumar Ramcharan Sharma (PW No.916, Exh.6536). This witness deposed that he was summoned by the Ahmedabad Crime Branch to the Surat Railway Station. He stated that the accused were present and volunteered to point out the parking area where they have left the stolen cars. The witness identified the location as being near the station building, railway court, and reservation counter. He identified his signatures on the original panchnama (Exh. 6537). However, he failed to identify the accused persons in court, stating he could not recognize them after the many years that had passed since the event.

14.4.287. In his cross-examination, the witness admitted he was a worker at the railway parking lot and did not know the other panch witness or the accused previously. He conceded that he cannot read or write Gujarati (the language of the panchnama) and only knows how to sign in Hindi. He admitted he did not see the accused give specific details while the panchnama was being written and had no experience in how such documents are prepared. He further noted that the parking area is a busy public place surrounded by hotels and shops and that no long-term

records are kept of parked vehicles or their owners.

14.4.288. The Court finds that as per the say of accused Mobin and Amin, they have parked two wagonR cars, one was of black colour car and the other was silver colour car at Surat Railway Station. Both cars were parked in the parking lot. The cars were already recovered by the investigation from the scene of offence. At the time of preparing the panchnama, the fact that the cars were stolen by the accused from Mumbai was known to the police, therefore, incriminating part of the panchnama i.e. “We have stolen cars from Mumbai" is not admissible evidence as per Sec.25 of the Indian Evidence Act. But the fact that two cars were parked in the Railway station parking lot is not known to anyone before voluntary disclosure by the accused themselves, therefore, this fact amounts to discovery of fact, therefore, only for those parts, the evidence sufficiently proved the fact stated in panchnama. The material that comes out in cross examination does not create any doubt regarding the discovery of the fact that cars were parked by the accused in Car parking. Therefore, the facts stated in the panchnama are sufficiently proved to the extent mentioned above.

14.4.289. Exh.6540 is discovery, search and seizure panchnama regarding the discovery of the house (hideout) situated at Sherpura, Bharuch. Police had searched the house and seized some material from the house. It was carried out on 02.09.2008 to 03.09.2008 at 19:00 (02/09/2008) to 03:00 (03/09/2008) before Mr.M.J.Chavda, Assistant Commissioner of Police, Investigation Team, Crime Branch, Ahmedabad City. The panchnama records the discovery of a bungalow at Sherpura Bharuch by the accused, Mohammad Sajid @ Salim @ Ajmad @ Sad S/o Gulam Khwaja Mansuri (accused No.14), was in police custody for the offence registered in Maninagar police station vide CR No. 203/2008. accused led the police and panchas to a locked bungalow near Sherpura village, Bharuch, where he claimed to have met with the accused Abdul Subhan @ Taukir. Bunglow was in locked condition. After calling the owner, Gulamhusain Pathan, police had opened the premises, a search was conducted with an FSL team. Recovered items included a piece of blue tape, small metal and plastic pieces, a book titled "Integrated Electronics," and several newspaper clippings from June and July 2008. FSL experts also collected cotton swab samples from suspicious "fluorescent spots" found in different rooms.

14.4.290. In this connection, the prosecution examined panch witness Pinkesh Naginbhai Desai (PW No.917, Exh.6539). This witness deposed that he was called to the Crime Branch office where the accused volunteered to show a house in Bharuch. He described the trip to Bharuch and the subsequent search of the bungalow. He confirmed the seizure of the electronic-related materials and the book. The witness identified his signatures on the panchnama (Exh. 6540) and various seized articles (muddamal) shown in court. However, he failed to identify the accused via video conferencing, stating that their appearances had changed significantly (longer beards, caps, or glasses) over the nine-year period.

14.4.291. In his cross-examination, the witness admitted he only knows how to read and write Gujarati and could not verify the English titles of books or technical documents. He conceded that he did not know the accused or the other panch witness prior to the event. He admitted he did not see any official ownership or rental documents for the bungalow during the process. He also admitted the area was public and surrounded by other buildings. It is admitted that as per the owner, the house was rented to Mr. Rafiq, but Rafiq was not called by the police at the time of

proceeding.

14.4.292. The Court finds that so far the house discovered at the instance of the accused Mahmmad Sajid @ Salim @ Ahmad @ Sad (accused No.14), the panch witness has confirmed the procedure followed by the police. Search and Seizure are also proved by the deposition. Further, the process was held in the presence of the owner Gulambhai and also in the presence of Scientific officers from FSL. Therefore, the procedure is not conducted in isolation but in the presence of independent persons.

14.4.293. The Court also finds that it was revealed in cross examination that a panch witness was not able to read English Language. It is required to be noted that knowing the language is not of much importance so far the proceeding of panchnama is concerned. Mr. Pinkesh, the panch witness has corroborated the material part of the panchnama, therefore, his evidence cannot be discarded.

14.4.294. Exh.6544 is discovery panchnama regarding discovery of room No.21 (hideout “Master House”) used by the accused Fazulrehman Durani (accused No.45) as his residence. It was carried out on 28.11.2008 between 11:00 to 12:15 before Mr.N.B.Parmar, Assistant Commissioner of Police, 'C' Division, Surat City. The panchnama records the voluntary disclosure by the accused Fazlur Rehman @ Salauddin Durani showing the rented room by the accused, who was in the custody of police in connection with the offence registered at Kapodara Police Station, Surat vide CR No.175/2008. The accused stated he had stayed in a rented room in Surat and offered to show it to the police. He led the police and panchas to a building named "Master House" located near the Syedpura pumping station. On the third floor of this building, he pointed out Room No. 21, which was found locked and situated next to a common toilet and Room No. 20.

14.4.295. In this connection, the prosecution examined panch witness Amar Sureshsinh Rajput (PW No.918, Exh.6543). This witness deposed that that he was called to the DCB Police Station, Surat where the accused volunteered to show his former residence. He described the route taken through Variyali Bazar and Syedpura to reach the location. He confirmed that the accused identified "Master House" and the specific room on the third floor. The witness identified his signatures on the original panchnama and verified the document's contents in court. But he could not identify the accused before the trial court.

14.4.296. During cross-examination, the witness admitted the room was locked. The lock was not opened by calling the owner of the room or by breaking open the lock. Police had not inquired at the time of panchnama who was the owner of the shop. The witness has not tried to inquire about the physical and mental condition of the accused. Also, not trying to know from how many days the accused was in the custody of police.

14.4.297. The Court is of the opinion that It is proved by panchnama and also by the deposition of the witness that the room was pointed out by the accused saying he has taken it on rent. Therefore, the pointing out of a place used by the accused is proved.

14.4.298. Exh.6656 is discovery, search and seizure panchnama regarding the discovery of the house situated at House No.10, Al-Mahmadi Society, Juhapura, Ahmedabad. 14.4.299. Notably, an "Indian Mujahideen" symbol and markings made with a black marker were found on the walls.

14.4.300. In this connection, the prosecution examined panch witness Baldevbhai Kasturchand Prajapati (PW No.953, Exh.6655) This witness deposed that he was called to the Crime Branch office where the accused volunteered to show the location where bombs were manufactured. He described the journey to the Al-Mahmadi Society and confirmed that the police had to use a "tommy" to break the lock of the house. He verified the discovery of various electronic components, tools, and jihadi literature. The witness identified his signatures on the original panchnama (Exh. 6656) and identified several seized articles (muddamal) produced in court. But he could not identify the accused. He has given explanation that due to the long interval between the proceeding of panchnama and deposition and also due to the physical appearance of the accused being changed, he could not identify the accused.

14.4.301. In his cross-examination, the witness admitted that he is a rickshaw driver with very limited education up to the 3rd standard and cannot read or write English. It had taken 20-25 minutes to reach the

house. He admitted that before broken open the lock police had not inquired about the owner of the house or tried to prepare a new key instead broke it. No people from the public were present at the time of the panchnama proceeding. Finger print on the lock was not collected. He has not signed on all the seized articles. He could not say which article was found from which part of the house. He did not remember that after completion of the seizure proceeding, police had taken photographs of the door or not. The door was locked by police.

14.4.302. It was not verified on the spot that the batteries collected were in working condition or not. He admitted that footwears were lying in the house but was not seized by police. The size of clothing was not noted by police. The materials seized from the house were put in the police vehicles. All articles were seized as per the instruction of FSL officers.

14.4.303. No samples were collected by scratching the wall or floor of the house. No videography made of the panchnama proceeding. It did not reveal during the panchnama that on whose name electric connection was given.

14.4.304. The witness was confronted with one word "ઉલ્લેખ" from the panchnama and asked the meaning of that word, but he could not answer it. He admitted that before the panchnama proceeding, he did not know what materials are used in manufacturing bombs. He admitted that he could not surely say that the electric equipment was new or used. He admitted that he had never seen accused Jahid before panchnama. Description of the accused was not noted in the panchnama.

14.4.305. The Court is of the opinion that it is purely a discovery panchnama, where a house situated in Al Mahmadi society was shown by the accused Jahid and according to his direction the house was

searched and the materials found were seized by the police. Material that came in cross examination would not create any doubt regarding the discovery of a place at the instance of accused Jahid.

14.4.306. It is proved in cross examination that the witness was having education up to 3rd standard only and he could not read and write English. It has also proved that the witness was not knowing the word "Ullekh" in Gujarati language. In this regard we are saying again at the risk or repetition that panch witnesses are there to watch what is going on during the proceeding. They are not supposed to dictate the panchnama to the police official. Therefore, educational qualification of the witness and limited English knowledge would not make the proceeding doubtful. Further, the witness has narrated most of the things mentioned in the panchnama and also identified his signature on the documents. He has also identified muddamal articles seized at the time of panchnama. Considering all these in a juxtaposition the Court is of the opinion that proceeding of panchnama is proved by the prosecution. Discovery of the house, search and seizure of articles from the house is also proved.

14.4.307. Exh.6742 is discovery panchnama of the place from where the accused Mohammad Jakir @ Ayub Abdul Sheikh, volunteered to lead the police and panch witnesses to a location in Surat from which he claimed to have made phone calls in July 2008 to co accused Raju @ Tanvir. It was carried out on 17.11.2008 between 11:00 AM to 12:00 PM before Police Inspector Mr.K.N. Patel, D.C.B., Surat City. The contents of the panchnama show that accused Mohammad Jakir was in the custody of police in connection with the offence registered at Kapodra, Surat police station vide Crime register number 176/2008. Mohammad Jakir volunteered to show a place from where he called

Raju @ Tanvir before panch witnesses and led the party towards the STD PCO situated near Bhaga Talav Surat.

14.4.308. In this connection, the prosecution examined panch witness Abbasbhai Ismailbhai Multani (PW No.960, Exh.6741). The witness deposed that he was called to the DCB office where the accused, Mohammad Jakir, was present. The accused stated he wanted to show the place from where he called his co-accused Raju @ Tanvir. Mohmmad Jakir led the police and panch in a government vehicle to "Ajwa Sweets" on Bhagatalav Main Road. The witness confirmed that the accused identified the shop as the place from where he called Raju. Panch witness has identified his signatures on the panchnama. But could not identify the accused due to the long interval of 9 years.

14.4.309. In his cross-examination, the witness admitted he was a laborer and did not maintain a diary of his work. He claimed he was at the location where police found him only because his motorcycle had a puncture. He denied being a regular police informant or having testified in numerous cases. He acknowledged that during the visit, he did not see any PCO/STD boards at the shop and that the shopkeeper, Husenbhai, did not provide any documents regarding the discontinued phone service.

14.4.310. The Court finds that the panchnama concluded that the accused successfully pointed out "Ajwa Sweets", where STD PCO was working. It was noted that the shop previously had PCO facilities, these services had been discontinued as of September 1, 2008, and the equipment had been returned. True it is that the police has not collected any document of closing of PCO centre from the owner of the shop, still it is satisfactorily proved that PCO centre was previously working at that place, which was used by the accused Mohammad Jakir to call Raju. Further, the defence raised an objection during examination in chief that

incriminating part of the panchnama cannot be admissible in evidence under Sec.25 of IEA. As we have discussed in the very beginning, even the confessional statement of the accused can be admissible if it is a kind of discovery of a fact, distinctly related to the fact discovered. Therefore, the voluntary disclosure of the place is proved. To the extent that this place was used for the purpose of co-accused to keep in contact without being traced.

14.4.311. Exh.6808 is a discovery panchnama of the places. The accused volunteered to identify the specific locations in Ahmedabad where he, along with associates, parked three bicycles used in the July 2008 serial bomb blasts. It was carried out on 11.11.2012 between 16:00 to 17:30 hours before Ms.Usha Rada, Assistant Commissioner of Police, Kalol Division, Gandhinagar and Serial Bomb Blast Investigation Team, Crime Branch, Ahmedabad. The contents of the panchnama show that accused, Mujib @ Akram @ Javed @ Nitin @ Yusuf @ Abid @ Faizan, was in the custody of Khadiya Police Station in connection with Crime Register No. I-71/08. The accused voluntarily declared that he, Alamzeb Afridi, and Ayaz had parked three bicycles provided by Kayamuddin Kapadia at specific locations for the bomb blasts and expressed willingness to point out those spots before panch witnesses Gordhanbhai Ambalal Parekh and Chetanbhai Govindbhai Prajapati.

14.4.312. In this connection, the prosecution examined panch witness Chetanbhai Govindbhai Prajapati (PW No.974 Exh 6707). He admitted that was called to the Crime Branch office with his uncle. The accused stated he would show where he parked the bicycles. The accused led the police and panch to Amber Tower parking. He then pointed out a spot near Hanumanji Temple at Narol Circle. The witness confirmed his signatures on the discovery panchnama. Panch Chetan also said that he

could identify the accused, but the accused had died, when the deposition was recorded.

14.4.313. In his cross-examination, the witness admitted to trading sand and bricks without a license. He denied being a regular informant for the police. He claimed police stopped them while they were traveling for business. He stated he did not read the panchnama before signing it. He admitted that they were not informed by police regarding when the accused was arrested, from where he was arrested, and how he was arrested. He admitted he did not personally know the police official who called them as panch witnesses. He did not have personal talk with the person writing the panchnama. He has not noted the details of panchnama in his personal diary. 6 years have passed between the panchnama and deposition. The place shown by the accused is an open place, where anyone can park a vehicle. He denied that he read the panchnama repeatedly before deposition and he was taught by police how to depose in the court.

14.4.314. The Court finds that the accused made a voluntary disclosure statement while in police custody. The panchnama was recorded under Section 27 of the Indian Evidence Act. The accused successfully pointed out the parking spot at Amber Tower, Block 'A'. A second parking spot was identified near Hanumanji Temple, Narol Circle. The locations identified relate to the movement of materials used in the serial blasts. No physical objects were recovered or seized during this specific procedure. No reasonable doubt is created in the cross examination regarding the voluntary statement of the accused before the panch witness and the trustworthy deposition of the witness. Further, the version given in the voluntary disclosure is also very much supported by the version of a Witness particularly the “Approver” which the court has

already discussed in the chapter of "Issues". Therefore, the discovery of the place from where the accused collected the bicycles i.e. Ambar Tower and the place i.e. Narol Circle, Hanumanji temple where accused has parked the bicycles is satisfactorily proved.

14.4.315. Exh.6819 is a discovery panchnama of the place where accused Mobin & Amin had parked the stolen cars. It was carried out on 30.11.2011 between 13:50 to 14:20 hours before Mr.P.G.Vaghela, Police Inspector, Crime Branch, Ahmedabad City. The contents of the panchnama show that accused Mobin and Amin were in the custody of the Ahmedabad City Crime Branch in connection with Maninagar Police Station I. CR No. 203/08. The accused, Mohammed Mobin (alias Mubin alias Irfan) and Amin (alias Raja), voluntarily declared they would show the specific spot near Indian Oil Nagar Colony, Mumbai, where they parked stolen cars (WagonR) before being brought to and used in the Ahmedabad and Surat blasts, before panch witnesses Badal Rameshbhai Thapar and Soeb Shafiq Sheikh.

14.4.316. In this connection, the prosecution examined panch witness Soeb Shafiq Sheikh (PW No.976, Exh.6818). This witness deposed that that he was called by the Crime Branch from near his home in Mumbai. He stated the accused pointed out a parking area near Kinjal Building where they had parked a silver and a black stolen car. The witness identified his signature on the panchnama, marked as Exhibit 6819. But could not identify the accused due to the long interval and the change of appearance of the accused.

14.4.317. In his cross-examination, this witness was questioned about the location of his business in Shivaji Nagar and its distance from the panchnama site. He admitted he could not identify the accused in court via video conference, noting they now had long beards unlike the short

beards he remembered. He admitted that it is not mentioned in the panchnama that the place was near Kinjal Building. It is also admitted that the place was open and so many cars were parked in it. There was a compound of Indian Oil Nagar. He replied that the accused present before him would be 30 t0 35 years of age. He has not been informed when the accused had been arrested and in the custody of police. The defence suggested the witness was never present at the scene and that the panchnama was a fabricated document created at the police's behest to which the witness disagreed.

14.4.318. The Court finds that this panchnama records the discovery of a place of consequence based on the accused's statement. The witness has categorically stated that it was a voluntary statement of the accused. Further, the witness has referred Kinjal Building near the place, which was not there in the panchnama, but it would make it more reliable to believe that the witness was actually present when the discovery of the location took place, otherwise he may have given the description according to what is written in the panchnama only. The explanation given by the witness for not identifying the accused is also trustworthy. Further, the defence raised an objection during examination in chief that incriminating part of the panchnama cannot be admissible in evidence under Sec.25 of IEA. As we have discussed in the very beginning, even the confessional statement of the accused can be admissible if it is a kind of discovery of a fact, distinctly related to the fact discovered. Therefore the circumstance of in transit cars used in the offence being parked at a location identified by the accused more particularly the car being stolen is established by the prosecution through this point out panchnama.

Halol-Pawagadh, Vadodara to identify where he had taken training in January-2008. It was carried out on 28.08.2008 between 11:00 hours to 18:30 hours before Mr.M.J.Chavda, Assistant Commissioner of Police (ACP), Crime Branch, Ahmedabad City. The contents of the panchnama show that accused, Abbas Umarhai Sameja, was in the custody of the Ahmedabad City Crime Branch in connection with Maninagar Police Station I. CR No. 203/08. The accused voluntarily declared that on January 14, 15, and 16, 2008, he attended a training camp in the forests of Halol and Pavagadh with his associates. He offered to show the police the specific places where they stayed, prayed, and conducted training before panch witnesses Laxmanbhai Popatbhai Bharwad and Maheshbhai Karshanji Solanki.

14.4.319. In this connection, the prosecution examined panch witness Laxmanbhai Popatbhai Bharwad (PW No.1039, Exh.7052). This witness deposed that he was called by the police to be a panch witness in the proceeding. The accused had voluntarily declared before the panch that he wished to show the places where he had taken training near Pavagadh along with the other accused. He led them in a government vehicle to several spots, including Shalimar Hotel, a petrol pump, and the Khundpir Dargah and other spots where training was done. The accused pointed out a specific training ground near a pond and a mosque where they had prayed. The witness identified his signatures on the panchnama, which was marked as Exhibit 7053. But he could not identify the accused.

14.4.320. In cross-examination, the witness was questioned about his business of supplying water via tankers and his location when summoned by the police. The witness admitted he could not recall specific details like the name of the petrol pump or exact distances

between locations. The witness fumbled regarding the fact whether the accused had stated the location of all places, which wanted to lead the team, before proceeding from the crime branch. The mosque is situated a half a km away from the main road. Police have not collected any material from the places shown by the accused. No signs of erection of tents on the place found when they visited. The witness did not delve into the lake to check the depth of the water. The witness was not keeping a daily diary. He did not know the meaning of "Jahadi". He had never been a panch witness before the panchnama proceeding. He did not know how to dictate the panchnama. There were no guards in the mosque.

14.4.321. The Court is of the opinion that this panchnama was used to record the discovery of relevant facts and locations under Section 27 of the Evidence Act. Though the police had the knowledge of the place where the training was conducted, the discovery is regarding the knowledge attributed to the accused that at which place he had taken the training. Therefore, discovery of what is there in the mind of the accused is admissible as per the provisions of the Indian Evidence Act. Further, by cross examination of the witness, nothing adverse or contrary comes on record, to what is stated in the panchnama. Therefore, the deposition in examination in chief remains intact. It is not the case of the prosecution that the police have seized any articles from the place and there is no circumstance on the record which leads us to believe that the police should have seized something which they had not. The case record shows that the police had inquired about the place earlier along with the forensic science expert, and seized articles like pellets, parts of balloons etc. from the place. So, the cross examination in this regard is also not of any help to defence. The prosecution aimed to link the

accused to the conspiracy and illegal training activities. Therefore, what is in the mind of the conspirator is also a relevant fact, which is proved by the discovery. Further, the defence raised an objection during examination in chief that incriminating part of the panchnama cannot be admissible in evidence under Sec.25 of IEA. As we have discussed in the very beginning, even the confessional statement of the accused can be admissible if it is a kind of discovery of a fact, distinctly related to the fact discovered which the mental fact of the knowledge of the locations where the terror camp took place in isolated place in the forests of pavagadh in Halol.

14.4.322. Exh.7252 is a discovery panchnama, where accused Mohammad Shafiq @ Dadabhai @ Thakur @ Rafiq @ Ali Abdul Bari Ansari led the police and panch witnesses to a forest near Halol-Pawagadh, Vadodara to identify where he had taken training in January-2008. It was carried out on 24.11.2008 between 08:00 to 16:00 hours before Mr.M. J.Chavda, Assistant Commissioner of Police (ACP), Crime Branch, Ahmedabad City. The contents of the panchnama show that accused, Mohammad Shafiq (alias Dadabhai, Thakur, Rafiq, or Ali), was in the custody of the Ahmedabad City Crime Branch in connection with Maninagar Police Station I. CR No. 203/08. The accused voluntarily declared that in January 2008, he and his associates traveled from Indore to attend a training camp in the Pavagadh/Halol forests. He volunteered to show the police the specific places where they stayed (Dargah), prayed (Masjid), and conducted training activities such as rope climbing and firing practice with airguns and balloons, before panch witnesses Mr. Pragneshbhai Govindbhai Rajput and Mr. Khemjibhai Ratanjibhai Patel.

deposed that he was called to the Gaekwad Haveli Crime Branch office and then traveled with the police and the accused to Halol. The accused pointed out various locations, including the Ek Minar Masjid, the Hazrat Khundpir Dargah, and a training ground near Helical Vav where ropes were used for climbing exercises. He supported mostly all the details mentioned in the panchnama. The witness identified his signatures on the original panchnama, which was produced and marked as Exhibit 7252. But he could not identify the accused.

14.4.324. In cross-examination, the witness was questioned about his auto garage business and the circumstances of being summoned by the police. It is also admitted that the police had not told the witness that he had to spend the whole day with police. The witness did not convey to his home that he was going with the police for the whole day. The witness did not know the officers of the Crime Branch. He had not kept note of what had happened during the whole day. He further admitted that he was not informed when the accused was arrested by the police and for how many days the accused had been in the custody of police. He admitted that he had not inquired from the accused about police did any torture with him during the custody or not. He admitted that the accused was identified by police. The witness had not seen any documents to verify the identity of the accused. He admitted that they spent 4-5 minutes at every place shown by the accused. He did not have any experience of dictating the panchnama to the accused. He is not sure about the distance between the Halol cross road and Pavagagh forest. He said that they first visited the Dargah and then the Mosque.

14.4.325. The Court finds that the panchnama records the discovery of relevant facts and locations under Section 27 of the Evidence Act. The panchnama was not dictated by the panch witnesses. But it was written

by the police official.

14.4.326. It seems from the record of the case that the police had the knowledge of the place where the training was conducted prior to this panchnama proceeding. But the discovery made in this panchnama is regarding the knowledge attributed to the accused of the places where he had taken the training. So, discovery of what is there in the mind of the accused is admissible as per the provisions of IEA. Further, by cross examination of the witness, nothing adverse or contrary comes on record qua the facts stated in the panchnama. The deposition in examination in chief remains intact.

14.4.327. By the discovery panchnama, what is in the mind of the accused as one of the conspirators is brought on record.

14.4.328. The witness could not identify the accused, due to the long gap between the proceedings of panchnama and the deposition. The explanation given by the witness is also reasonable. Hence, the discovery of facts i.e. places near Halol forest is proved by the prosecution.

14.4.329. Exh.7370 is a discovery panchnama regarding the discovery of the place where the accused Amin and Mobin delivered stolen cars (Maruti WagonR) to other accused near Surat Railway Station. It was carried out on 02.10.2010 between 15:00 hours to 16:00 hours before Mr.V.V.Rathod, Assistant Commissioner of Police (ACP), 'F' Division, Surat City. The contents of the panchnama show that accused were in the custody of the DCB Police Station, Surat, in connection with 'F' Division Police Station I. CR No. 176/2008 (regarding offenses under the IPC, UAPA, and Explosive Substances Act). cars from Mumbai and parked them at the Surat Railway Station parking lot for delivery to be used in the blasts before panch witnesses Mr. Ramkumar Ramnath Dubey and Mr. Alambhai Ansari.

14.4.330. In this connection, the prosecution examined panch witness Alambhai Mohammad Salim Ansari (PW No.1080, Exh.7369). This witness deposed that he was summoned to the traffic police station near the railway station. He stated the accused led the team to the parking lot and pointed out the specific spot where the vehicles were delivered. He confirmed that the police recorded the events in a panchnama, which he then signed. The witness identified his signatures on the original panchnama, marked as Exhibit 7370. But could not identify the accused.

14.4.331. In his cross-examination, the witness admitted he works at a shop near the Central Bus Depot and is originally from Bihar. He could not identify the accused in court, explaining that eight years had passed. He stated he cannot write Gujarati but can read it, and he denied being a "police witness". He admitted that there are other shops and hotels near the Railway Station. He admitted that there are two parking spaces, one of four wheelers and another was for two wheelers. Police did not inquire with the contractor working the business of parking.

14.4.332. The Court finds that this panchnama records the discovery of a location which was within the special knowledge of the accused to be the place where delivery of cars were given was in the minds of the accused, and the accused voluntarily showed the place to the police in presence of panch witnesses. Therefore, the contents of the panchnama are proved by the deposition of the panch witness. Though witnesses could not identify the accused, it was due to the long interval between the panchnama and deposition. So, it would not create any doubt regarding the truthfulness of the deposition.

14.4.333. Exh.7385 is a discovery panchnama regarding discovery of the place where the accused Toshifkhan @ Atiq Sagir Ahmed Pathan attended the meeting with Simi workers, near Dariyapur, Ahmedabad. It was carried out on 05.05.2017 between 13:30 hours to 14:30 hours before Mr.R.N.Zhala, Additional Police Commissioner, Crime Branch, Ahmedabad. The contents of the panchnama show that accused, Toshifkhan (alias Atiq), was in the custody of the Shahibaug Police Station in connection with I. CR No.236/2008 regarding the bomb blasts. The accused voluntarily declared that before the July 2008 Ahmedabad blasts, he had attended a meeting with SIMI members and offered to point out the specific house in Dariyapur where the meeting and discussions took place before panch witnesses Mr. Anand Dawoolal Srivastav and Ashok Amratlal Patel.

14.4.334. In this connection, the prosecution examined panch witness Anand Dawoolal Srivastav (PW No.1081, Exh.7384). This witness deposed that he was called to the Crime Branch office where the accused volunteered to disclose a meeting location. He stated the accused led the team in a government vehicle through various landmarks to a two-story house in Dariyapur. The witness identified his signature on the primary panchnama, marked as Exhibit 7385, but he could not identify the accused.

14.4.335. In his cross-examination, the witness deposed that he is a barber by profession, and was questioned about his shop's location and the time he was summoned. A description of the crime branch office was also asked but he could not explain it. He admitted that he is having education qualification up to 7th Class. He had never seen the accused before panchnama. He did not know the date of bomb blast in Ahmedabad. He admitted he and the police officer did not enter the

house pointed out by the accused and did not know who lived there.

14.4.336. The Court finds that the panchnama records the discovery of a place of conspiracy under Section 27 of the Evidence Act. The defence raised an objection regarding the confessional statement of the accused, but the law on the point is very clear that if the fact is discovered, then even the confessional statement of the accused can also be proved. The witness has supported every fact of the panchnama and stated that the house was shown by the accused Toshifkhan. True it is that police had not entered the house and inquired inside the house, but it would not affect the discovery of location of the house at the instance of the accused. How far the fact of not entering the house would affect the prosecution case, depends upon the oral evidence. But so far the evidence of the Panch witness is concerned, the contents are proved. Moreover, there is other set of evidence where the very house was searched in presence of different set of panch witnesses and also presence of FSL officers and the seizure made of various articles does connect the house to the conspiracy.

14.4.337. Exh.7387 is a discovery panchnama regarding discovery of the place where the accused Mohammad Rafiq @ Javid @ Alamjeb Afridi and other accused had parked four bicycles and the place at which they were delivered to Kayamuddin. It was carried out on 23.04.2016 between 12:00 hours to 16:30 hours before Mr.K. N.Patel, Assistant Commissioner of Police (ACP), Crime Branch, Ahmedabad City. The contents of the panchnama show that accused, Mohammad Rafiq (alias Alamzeb Afridi) (accused No.75), was in the custody of the Ahmedabad City Crime Branch in connection with Khadia Police Station I. CR No. 71/08. The accused voluntarily declared that in July 2008, he and his associates (including Kayamuddin Kapadia (A-37)) placed bicycles at

various spots for the blasts and offered to point out these locations, before panch witnesses Mr. Kalpesh Kishorkumar Ojha and Nalin Jayantilal Jadawala.

14.4.338. In this connection, the prosecution examined panch witness Nalin Jayantilal Jadawala (PW No.1082, Exh.7386). This witness deposed that the accused led the team in a government vehicle to Unique Apartment in Juhapura, pointing out where a bicycle was parked. The accused then pointed out a parking area under 'A' block of Amber Tower where three other bicycles were placed. Finally, the accused pointed out a spot near a Hanumanji Temple near Narol Circle where he had delivered bicycles to an associate Kayamuddin. The witness identified his signatures on the original panchnama, marked as Exhibit 7387. He stated that he would try to identify the accused, but the accused was not present before the court on that day.

14.4.339. In cross-examination, the witness was questioned about his business in Dariyapur and his familiarity with the locations. He admitted that he did not know specific details like the number of floors in the buildings and the distance of parking from the road etc. He admitted the accused did not state on which date the bicycles were given to park at Uniq Apartment & Amber Tower. Also did not know the date on which the bicycles were delivered to Kayamuddin (A-37) near Hanumanji Temple, Narol Circle. He admitted that the accused did not mention at which places he will lead the team before parting from the police station.

14.4.340. The Court finds that this panchnama records the discovery of relevant places as a result of voluntary disclosure made under Section 27 of the Evidence Act. The prosecution used this evidence to link the accused to the logistical preparation or the serial blasts. The witness has supported the facts of the panchnama and it is proved that the accused

has voluntarily stated before the panch witness and what was there in the mind of the accused conspirator was revealed before the panch witness and it was tallied with other evidence. Further, it was admitted by the witness that the accused had not disclosed at the Crime Branch at which places he would lead the team. For that admission, it is required to mention here that it is not the preposition of law that the accused has to state the whole story which is undisclosed fact and thereafter to lead the team. It is only sufficient that the accused voluntarily disclose before the witness any undisclosed fact.

14.4.341. Exh.7392 is a discovery panchanama, where accused Toshifkhan @ Atiq Pathan led the police and panch witnesses to a forest near Halol-Pawagadh, Vadodara to identify where he had taken training in January-2008. It was carried out on 01.12.2017 between 08:15 hours to 13:30 hours before Mr.R.N.Zhala, Additional Deputy Commissioner of Police, Crime Branch, Ahmedabad. The contents of the panchnama show that accused was in the custody of the Ahmedabad City Crime Branch in connection with Shahibaug Police Station I. CR No. 236/08. The accused, Taufiqkhan (alias Atiq) (A-78), voluntarily declared that in January 2008, he and his associates attended a training camp in the Pavagadh-Halol forests. He offered to show the police the location where they stayed, prayed, and conducted terrorist training activities, before panch witnesses Mr. Mahendrabhai Vishnubhai Patil and Mr. Rashmikant Parshottambhai Parmar.

14.4.342. In this connection the prosecution examined panch witness Mahendrabhai Vishnubhai Patil (PW No.1083, Exh.7391). This witness deposed that the accused led the team to the Khundpir Dargah, where they stayed in a dharamshala-like structure. The accused pointed out the Ek Minar Masjid and a nearby well used for prayers and bathing. The

accused identified a hilly area near Helical Vav where they lived in tents and practiced air-gun firing at balloons and swimming in a pond. The witness identified his signatures on the original panchnama (Exhibit 7392) and identified the accused via video conference.

14.4.343. In cross-examination, the witness was questioned about his location and when summoned by the police. He admitted that on the day of panchnama he did not have a driving licence and Badge. He admitted that he talked with the manager at Khundpir Dargah. He also added that there was one register on the Dharmashala and the police officer had checked it. He further admitted that Dargah and Majar were near to the Ek Minar mosque. The Vav at the place was like Adalaj Vav, there were steps for going down into it. He admitted that during the journey he was seated on the last seat of the vehicle. He did not dictate anything to the police during the journey. He did not check the depth of the water, the area of the lake was also not measured.

14.4.344. The Court finds that this panchnama was used to record the discovery of relevant facts and locations under Section 27 of the Evidence Act. Though the police had the knowledge of the place where the training was conducted, the discovery is regarding the knowledge attributed to the accused that at which place he had taken the training. Therefore, discovery of what is there in the mind of the accused is admissible.

14.4.345. In cross examination of the witness, nothing adverse or contrary comes on record, to what is stated in the panchnama. Therefore, the deposition in examination in chief remains intact. The prosecution aimed to link the accused to the conspiracy and illegal training activities. Therefore, what is in the mind of the conspirator is also a relevant fact, which is proved by the discovery.

14.4.346. Further , the witness has also identified the accused. Some questions regarding what was the actual situation at the Dargah Mosque and the distance from the road were asked, and the witness could not answer them exactly.

14.4.347. The object of requiring the presence of the person as a panch is with a view that the proceeding be conducted in presence of an independent person. So, the witness is required to depose what is happening in his presence. He is not supposed to dictate the panchnama to police officials. Thus, the Court is of the view that the contents of panchnama is proved.

14.4.348. Exh.7597 is a discovery panchnama, whereaccused Mujib @ Akram @ Naved led the police and panch witnesses to a place where co-accused Kayamuddin delivered a bicycle to him and led at the place where he parked bomb- laden bicycle. It was carried out on 21.08.2012 between 16:30 hours to 17:30 hours before Mr.V.R.Toliya, Deputy Superintendent of Police, D.G. Vigilance Squad, Gandhinagar (Investigating Officer for Serial Bomb Blast cases). The contents of the panchnama show that accused, Mujib Sheikh (alias Akram, Naved, Nitin, Yusuf, Aabid, or Faizan), was in the custody of the Bapunagar Police Station in connection with I. CR No. 220/2008. The accused voluntarily declared that on July 26, 2008, he obtained bicycles from Kayamuddin Kapadia (A-37) and placed them at specific spots. He offered to point out these locations near Shital Talkies and the Diamond Market, before panch witnesses Mr. Trikamlal Muljibhai Nathani and Mr. Gordhanbhai Ramjibhai Kakadiya.

14.4.349. In this connection, the prosecution examined panch witness Trikamlal Muljibhai Nathani (PW No.1088, Exh.7596). This witness deposed that the accused led the police team in a government vehicle to

the main gate of Shital Talkies in Gomtipur, where Kayamuddin had delivered a bicycle to him. The accused then directed them to a spot between Dhanvantari Hospital and Sardar Patel Diamond Market in Bapunagar where the accused had parked a bomb-laden bicycle. The witness identified his signatures on the original panchnama, which was marked as Exhibit 7597.

14.4.350. In cross-examination, the witness admitted he is a small-scale vendor (selling papad) and has a limited education. He did not keep account of his business. He met the police when he was going toward Jagannath Temple. He acknowledged being familiar with the Bapunagar area as he lives nearby but denied being a regular "police witness". He admitted that he could only sign in Gujarati language. He could not dictate panchnama to the police. He did not keep a daily dairy and did not keep noting of his daily routine. He had not kept a note on the day of the panchnama.

14.4.351. The Court finds that this panchnama records the discovery of relevant locations of exchange of bomb laden cycles. Though police had the knowledge of where bomb-blast happened in Bapunagar, it was not known to the police who had parked the bomb-laden bicycle; how the accused got the bicycle; which route the accused used to reach at the place of blast. These all facts are undisclosed facts which were discovered at the instance of the accused Mujib, who had voluntarily disclosed first hand information (fact) which is exclusively within his knowledge. Therefore, it is the discovery of fact of the location and the act of change of hands of bomb laden cycles , is satisfactorily proved by the prosecution.

police and panch witnesses to a forest near Halol-Pawagadh, Vadodara to identify where he had taken training in January-2008. It was carried out on 01.05.2017 between 13:00 hours to 17:00 hours before Police officer: Mr.K.N.Patel, Assistant Commissioner of Police (ACP), Crime Branch, Ahmedabad City. The contents of the panchnama show that accused was in the custody of Khadia Police Station in connection with I. CR No. 71/08. The accused, Mohammad Rafiq (alias Javid alias Alamzeb Afridi), voluntarily declared that he and his associates stayed and trained in the forests of Pavagadh-Halol in January 2008. He offered to point out the specific spots used for staying, praying, and training. He voluntarily declared this fact before panch witnesses Mr. Santoshsingh Vishramsingh Rajput and Mr. Jyotisingh Ramsevaksingh Tomar.

14.4.353. In this connection, the prosecution examined panch witness Santoshsingh Vishramsingh Rajput (PW No.1102, Exh.7797). This witness deposed that the accused led them to the Khundpir Dargah, where they had stayed in a dharamshala. The accused pointed out a nearby hill near Helical Vav where they conducted activities such as rope climbing and air-gun firing at balloons. The accused also identified a pond where they practiced swimming. The witness identified his signatures on the original panchnama, marked as Exhibit 7798.

14.4.354. In his cross-examination, the witness admitted he has limited education and works as a security guard. He acknowledged he could not recall details about the second panch witness or his profession. He admitted that the public prosecutor had read the panchnama before deposition. He admitted that he did not keep a daily diary. He had not taken note of the events on the day of panchnama. He said that he made a last signature on the panchnama at 5 o'clock in the evening. He had never been to any Dargah or Mosque. On the day of Panchnama he had

not entered into Dargah, Mosque or Dharmshala. He admitted that they have spent 2-3 minutes at each place shown by the accused. It is said that there was no lake but a pit filled with water. He deposed that Dilipbhai was a writer of police, who had written the panchnama. He had no experience of dictation. He had not asked Dilipbhai to write the panchnama as per his instruction. He deposed that police officer instructed the driver to take the car to Pavagadh. The panch witness had not signed at the place of Dargah or Mosque.

14.4.355. The Court is of the opinion that as discussed earlier, this panchnama is with regard to discovery of the fact that what is the state of mind of the accused so far the place of training is concerned. Police had the knowledge regarding the place of training near Pavagadh. But it would not affect the admissibility of the evidence of the panch witness. Further, the questions asked in the cross examination did not shaken the trustworthiness and reliability of the evidence. Merely because the contents of the panchnama were read over by public prosecutor would not ispo facto make the panch witness a tutored one. The law on the subject of proving the panchnama is very clear that if a panch witness could not recollect the contents of the panchnama, his memory can be refreshed as per Sec.159 of IEA. Hon'ble Supreme Court has held in the case of Shahaja's case (supra) that the contents are required to be read over before the panch witness to prove it.

14.4.356. One significant fact deposed by the panch witness in examination in chief that at the place of Dharmashala, the person in charge and taking care of the place has got the signature of the Police officer, panch witnesses and the accused. This fact is not challenged by the defence. So, the proceeding of the panchnama carried out at the place in the presence of the witness is proved and cannot be doubted.

For the above reason, the contents of panchnama are proven.

14.4.357. Exh.7939 is a discovery panchnama, where accused Anik S/o Shafik Saiyad (A-43), while in custody, led the police and panch witnesses to various locations in Surat to point out where he had purchased petrol and plastic cans used for the 2008 serial blasts. It was carried out on 20.11.2008 between 13:30 to 14:30 hours before Mr.S.J.Tirmizi, Police Inspector, S.O.G. (Special Operations Group), Surat City. The contents of the panchnama show that accused, Anik was in the custody of the DCB Crime Branch, Surat, in connection with Kapodra Police Station II. CR No.176/2008. The accused voluntarily declared before panch witnesses Mr. Abhishek Rushikesh Shukla and Mr. Tejasbhai Ashokbhai Marchawala, that he would point out the specific shop where he bought 5-6 plastic containers (cans) and the two petrol pumps where he purchased petrol used in the offense on July 25, 2008.

14.4.358. In this connection, the prosecution examined panch witness Abhishek Rushikesh Shukla (PW No.1108, Exh.7938). This witness deposed that the accused had voluntarily led the team in a government vehicle to Rampura Auto Sales & Service to identify where petrol was bought. He then pointed out a small shop near Delhi Gate from where he purchased plastic cans from a person named Pravinchand Palsanawala. Finally, the accused pointed out Neelam Petroleum near an orphanage where he purchased another 10 liters of petrol. The witness identified his signatures on the original panchnama, which was marked as Exhibit 7939, But he could not identify the accused, due to the long interval.

14.4.359. In his cross examination, the witness admitted that the accused had not given the details of petrol pump and shop at the Crime branch police station before proceeding towards the places. He admitted that he does not maintain a daily diary. He never met Anik before the

panchnama proceeding. He did not inquire regarding when Anik was arrested and whether police had tortured him or not. He admitted that no document was collected from Rampura Petrol Pump and Nilam Petrol Pump, regarding purchase of petrol by Anik. No document was collected from the vendor who sold plastic cans to Anik.

14.4.360. The Court finds that looking at the deposition of witness, he has proved the voluntary disclosure of the facts by the accused Anik. The admitted facts in the cross examination does not create any doubt regarding the discovery of the places at the instance of the accused Anik. Accused Anik is a person who had purchased petrol and plastic containers, and he had shown the places to the police. It transpires from cross examination that police did not collect any document of purchase at the time of their visit. We are of the view that even if we believe it as true, it depends upon the other evidence that comes on record. It has nothing to do with the discovery of the places. Further, the witness has not stated the date of the panchnama but supported the proceeding of panchnama. By this voluntary disclosure, it has come on record the containers which were found in the vehicles packed with explosives and parked at prominent places from where the vehicles were seized. The panchnama drawn of the scene of offence referred elsewhere has also brought on record that these containers were seized during course of investigation and therefore, there is a connect between disclosure made in this panchnama with the seizure made previously.

14.4.361. Exh.7946 is a discovery panchnama, where accused Anik S/o Shafik Saiyad (A-43) and Mohammad Akbar Iqbal Chaudhary (A-44) while in custody, voluntarily disclosed the facts and led the police and panch witnesses to the house where they stayed during the period of conspiracy. hours before Mr.N.B.Parmar, Assistant Commissioner of Police (ACP), "C" Division, Surat City. The contents of the panchnama show that accused Mohammad Akbar Ismail Chaudhary and Anik Shafiq Sayed, were in the custody of the DCB Police Station, Surat, in connection with Kapodra Police Station II. CR No.175/2008. They voluntarily declared before panch witnesses Mr.Jignesh Himmatlal Shah and Mr. Ratansinh Surajsinh Rajput that they would voluntarily disclose the premises in Surat where they had stayed on rent and used as hideout. Accordingly, the team went to the place as per the direction of the accused and reached at the house no. D-34, River View Society.

14.4.362. In this connection, the prosecution examined panch witness Jignesh Himmatlal Shah (PW No.1110, Exh.7945). This witness substantially supported the contents of panchnama and said the accused persons have voluntarily disclosed regarding the house they had resided during the conspiracy and accordingly the house was pointed out by the accused. The witness Mr. Jignesh had identified his signature on the panchnama, but could not identify the accused.

14.4.363. In his cross examination, the witness admitted that except asking the name of the accused, no further talk was made with the accused. He admitted that the house consists of two floor; i.e. ground floor and first floor. The team stayed at the house for 5 minutes and thereafter they returned to the DCB police station.

14.4.364. The Court finds that by this panchnama, discovery of the house is proved by the deposition. No circumstances brought on record through cross examination which makes the version of the witness doubtful. It transpires from cross examination that the team waited at the house only for 5 minutes. The panchnama is for the discovery of the fact, which place the accused would show to be the place of their

residence during the conspiracy, which needs no requirement to stay at a place more than 5 minutes. The panchnama does not contain that police have searched the place and seized anything. The Court is of the opinion that discovery of the mental fact of knowledge connecting the accused with the house and in turn, with the conspiracy.

14.4.365. Exh.8000 is a discovery panchnama, where accused Mohammad Rafiq @ Javid @ Alamjeb Afridi (A-75) while in custody, voluntarily disclosed the facts and led the police and panch witnesses to the places from where he received two bombs; the place from where he received bicycle; and, the place where he parked one bomb-laden bicycle and the other place where he put bomb. It was carried out on 29.04.2016 between 11:30 to 17:00 hours before Mr.K.N.Patel, Assistant Commissioner of Police (ACP), Crime Branch, Ahmedabad City. The contents of the panchnama show that accused Mohammad Rafiq (alias Javid alias Alamzeb Afridi), was in the custody of the Khadia Police Station in connection with I.CR No.71/08. The accused voluntarily declared before panch witnesses Mr. Dinesh Vinodbhai Nayak and Mr. Rajeshbhai Jadavbhai Chauhan, that on July 26, 2008, he obtained bombs and bicycles from associates Kayamuddin (A-37), Abdul Rajik (A-27), Ayaz (A-23), Mujib and others at the house no.10 of Al Mahamadi Society and also led them to the place. One gray colour Maruti WagonR car was parked outside that house, where Kayamuddin had given some money to Abdul Rajik and Ayaz. He further led the team to specific spots near Shital Cinema, where he and Mujib received bicycles from co-accused Abdul Rajik. He also pointed out the place near the post-office where he parked a bomb-equipped bicycle. He, then, led the team near Khodiyarnagar Vegetable Market where he planted another bomb beneath one Pakodi Lorry.

14.4.366. In this connection, the prosecution examined panch witness Rajeshbhai Jadavbhai Chauhan (PW No.1114, Exh.7999). This witness supported the contents of the panchnama qua the house situated at Al Mahammadi Society; the places where accused received the bicycle; the places where he parked the bicycle and planted the bomb near Khodiyarnagar. But he has not deposed regarding the names of the co-accused who were present at the house, who has given the bombs and bicycles. He identified his signature on the panchnama. Also deposed that other panch witness Dineshbhai was also present in the proceeding. He said that he could identify the accused, but the accused was not available at Ahmedabad Jail.

14.4.367. In cross-examination, questions regarding his business and the reason for his presence near Crime Branch Police station were asked, which is satisfactorily answered. He admitted that he had never met the police official and Dineshbhai (panch) and accused before the panchnama proceeding. He had not inquired regarding when the accused was arrested and whether police had given torture to the accused or not. He admitted that he doesn't have a habit of maintaining a daily diary. He had not made a note of what had happened on the day of panchnama. He admitted that it is known to him before Panchnama where the bomb blast happened in 2008, by which vehicles. He admitted that before proceeding from the police station, the accused had not given the details of the places where he wanted to lead the police and panch witnesses.

14.4.368. The Court is of the opinion that in the first part of the panchnama, the full disclosure is not required to be made but only the voluntariness of the accused to point out something or some place connected with the crime is recorded. Thereafter, in the second part of the panchnama, the location led to by the accused is recorded. In the

present panchnama also, this process has been followed where the disclosure has led the team to a location of which, the accused had a knowledge where as a part of conspiracy, the exchange of bomb laden cycles took place or where the bomb laden cycle was parked. It is sufficiently proved by the witness that the accused has voluntarily stated that he wishes to show the places and want to describe facts which are exclusively in his mind, and the accused has disclosed those facts. There is nothing on record which shows that the accused had been subjected to torture. Merely, the witness had not asked to accused regarding torture allegedly done by police does not stand at all. Though the witness has not deposed as to the role of other accused in his deposition, the discovery of the places are proved.

14.4.369. Exh.8254 is a discovery panchnama, where accused Hafij Hussain @ Adnan S/o Tajuddin Mulla (A-13), Resi. of Bijapur, Karnataka, while in custody, led the police and panch witnesses to several locations in Vaghmon, Kerala, to point out sites where a terrorist training camp was conducted, including areas for firing practice, rock climbing, swimming and rope crossing. It was carried out on 19.11.2008 between 12:00 hours to 16:30 hours before Mr.M.J.Chavda, Deputy Superintendent of Police (Dy.S.P.), Crime Branch, Ahmedabad. The contents of the panchnama show that accused Hafij Hussain was in the custody of the Maninagar Police Station, Ahmedabad, in connection with I. CR No.204/08. The accused, Hafij Hussain (alias Adnan), voluntarily declared before panch witnesses Mr. Sunny Thomas and Mr. Joseph Joyson that he would show the locations in Vaghmon where they organized a camp in December-2008. He offered to point out where they stayed, practiced firing, conducted rock climbing, swimming and performed rope-crossing exercises.

14.4.370. In this connection, the prosecution examined panch witness Joseph Joyson (PW No.1148, Exh.8253). This witness deposed that he was summoned by the police at Kolabelmedu T-point. He stated the accused Hafij Hussuin was there in the custody of police. Another panch witness was Mr. Sunny. The accused led the team to a Kabar (Mazar) and other 2-3 places. The witness identified his signatures on the original panchnama, marked as Exhibit 8254, but he could not identify the accused Hafij, due to a 10 years time gap.

14.4.371. In his cross-examination, this witness admitted that he did not have a conversation with Gujarat police. He had never seen Hafij before the panchnama proceeding. He did not know the language of the accused Hafij. The place of Kabar(Mazar) was open to the sky. He does not know other panch witnesses Sunny. He was with Gujarat Police and Kerala Police from Thangardh. Panchnama was written at every place they visited. He admitted that he signed the panchnama at the end.

14.4.372. The Court finds that though the witness has admitted that he did not know the language of the accused and he had no direct conversation with the accused, still in his deposition it is categorically said that the places they had visited with the police, and places were shown by the accused. Team was led to the places as per the directions of the accused. The witness has not described the location of all the places but only described one place i.e. Kabar. 14:00 hours before Mr.V.R.Toliya, Deputy Superintendent of Police (Dy.S.P.), Crime Branch, Ahmedabad City. The contents of the panchnama show that accused, Mohammad Ismail (alias Abdul Razik alias Musab), was in the custody of the Shahibaug Police Station in connection with I. CR No. 236/2008. The accused voluntarily declared before panch witnesses Mr. Mayur Rameshbhai Patel and Mr, Sanjaykumar Shyamjibhai Dhamecha that he and associate Kayamuddin Kapadia had hidden a bicycle and other materials used in the crime at Al-Aman Flats, Rajpur Gomtipur, and he offered to point out the exact location. Accordingly, the bicycle and its key was retrieved from the place.

14.4.374. In this connection, the prosecution examined panch witness Sanjaykumar Shyamjibhai Dhamecha (PW No.824, Exh.5544). This witness deposed that the accused led the police team to the Al-Aman Flats. The accused pointed out a black Hercules bicycle parked near a wall. It was locked. The key was found from the flat owned by the accused, situated on the first floor of the Al Aman Flats. The witness has identified the bicycle and the Key before ld. Trial court and also identified his signature on the panchnama Exh.5545, but could not identify the accused.

14.4.375. In cross-examination of this witness, nothing adverse to the contents of panchnama and examination in chief come on record during cross examination. The witness remained firm to the fact he stated in the panchnama and deposition. He admitted that he did not know what the I.O had done with the muddamal. He was confronted with the panchnama and asked him to read, but he could not read the panchnama. He gave an explanation that he is not comfortable in reading Gujarati Language. He studied up to 7th class only.

14.4.376. The Court is of the opinion that it is not the law that the witness should dictate the panchnama to the police. It is also not the law that the witness must be literate having ability to read the contents of panchnama. Though the witness could not read the contents of the panchnama, the statement given by him in the examination in chief is in tune with what is written in the panchnama. So, though the witness has not read the panchnama, it contains what is stated by the panch witness. Therefore it becomes more trustworthy. The witness had admitted that he does not know what I.O has done with the muddamal. But this is not creating any doubt. Because the description of the cycle in the panchnama and identification of the cycle by the witness, proves that the cycle was seized by the police. Therefore, the discovery of the bicycle is proved by the evidence of the panch witness and the panchnama.

14.4.377. Exh.5587 is demonstration panchnama, where accused Mohammad Arif(A-31) while in custody, provided a live demonstration of assembling a timer circuit for bombs and drew a technical circuit diagram in the presence of FSL (Forensic Science Laboratory) experts. It was carried out on 13.12.2008 between 13:00 hours to 14:00 hours before Mr.M.J.Chavda, Assistant Commissioner of Police (ACP), Crime Branch, Ahmedabad. The contents of the panchnama show that accused Mohammad Arif (alias Arif Badar alias Lallan) was in the custody of the Ahmedabad City Crime Branch in connection with Sarkhej Police Station I. CR No. 181/08. He voluntarily agreed to demonstrate before panch witnesses Mr. Hitesh & Mr. Nimesh, that he knew how to fix timers into the live bombs used in the Ahmedabad serial blasts and offered to demonstrate the process and draw the circuit diagram.

14.4.378. In this connection, the prosecution examined panch witness Nimesh Bhanuprasad Brahmbhatt (PW No.988, Exh.5586). This

witness has supported the contents of the panchnama. He stated the accused used a table clock, a 9V battery, and wires to demonstrate how to set a timer to trigger a bulb. The accused drew a circuit diagram on paper showing the positive and negative connections. The witness identified his signatures on the panchnama (Exhibit 5587) and the diagram. But could not identify the accused due to the long time gap.

14.4.379. In cross-examination, questions regarding occupation of panch witness and the reason for being present near the Crime Branch are asked, but it is not creating any doubt to what is stated by him in examination in chief. He admitted that he does not have technical knowledge of the devices and its function.

14.4.380. The panchnama, which is recorded in one part is based on voluntary disclosure made in front of one panch witness by this accused to demonstrate the making of a timer device, which was found from the unexploded bomb in Ahmedabad City. This exercise was carried out in presence of FSL Officer, where the accused called for materials like (1) alarm table clock, (2) 9W battery, (3) 3.6 bulb, (4) adapter and with the help of paper and pen, the accused had proceeded to draw the diagram. This diagram was also identified by the witness during the deposition. In the panchnama thereafter, with the help of the diagram, started assembling the articles and after completing the assembling, as a part of testing, the timer was set after five minutes. At 11:55 and when the hands of the watch reached to the particular time, the bulb attached to the system glowed indicating that the detonator had set the explosive, resulting into bomb-blasts. This entire experiment was voluntarily shown by the accused in the presence of an expert. Thereby, disclosing the special knowledge of the accused in assembling from various articles, a timer circuit for detonator.

14.4.381. Exh.5628 is a discovery panchnama, where accused Kayamuddin (A-37) while in custody, given discovery of a place from where he resided on rent (hideout) during the conspiracy of the crime and also disclosing the place where he received a bicycle from co accused and also the place where he parked a bomb-equipped bicycle. It was carried out on 19.01.2009 between 13:00 hours to 14:30 hours before Mr.R.V.Asari, Deputy Superintendent of Police, Crime Branch, Ahmedabad City. The contents of the panchnama show that accused Kayamuddin (alias Asfaq alias Rizwan), was in the custody of the Ahmedabad City Crime Branch in connection with Ramol Police Station I. CR No. 321/08. The accused, voluntarily declared before panch witnesses Mr. Mahendrabhai Babubhai Raval and Mr. Arvindbhai Kantibhai Vaghela that he would point out the house in Ahmedabad where he stayed with associates to manufacture bombs and the specific site where he parked a bicycle carrying a bomb on July 26, 2008.

14.4.382. In this connection, the prosecution examined panch witness Mahendrabhai Babubhai Raval (PW No.834, Exh.5627) This witness has supported what is stated in the panchnama. He stated the accused led the team to Al-Mohammadi Society, House No. 10, identifying it as the place where bombs were made. The accused then pointed out a spot near Kamadar Medam Bas Station, where he received cycle and lastly Janata Pan House at Sarangpur Bridge where a bicycle bomb was placed. The witness identified his signatures on the original panchnama, marked as Exhibit 5628. But could not identify the accused, due to the long interval.

14.4.383. In cross-examination, some questions regarding the presence of the witness near the police station and regarding the occupation were asked, which do not create any doubt. Further, he admitted that the hand writing on the panchnama is of police. He admitted that he knew before

the panchnama proceeding that there were bomb blasts in Ahmedabad City. But he denied that he knew the place shown by the accused. The Court finds that this witness is not supposed to write the panchnama himself or not supposed to dictate the panchnama. He has only to witnesseth what is happening in front of him. He has substantially supported the contents of panchnama. Further, this is discovery of the mental fact of knowledge exlusive to the accused. Though the Police knew where the blast had taken place, however, it is only when the accused while drawing the second part of the panchnama led the panch witnesses to the very same location of the blast site that the exclusive knowledge of the accused came on record by way of this panchnama. Therefore, as discussed, in the Chapter of "Panchnama under Section 27 of Indian Evidence Act" under the Chapter "Issues", this will have to be treated as a disclosure panchnama. Moreover, there is other independent evidence also to which, this panchnama would act as corroboration.

14.4.384. Exh.6070 is a discovery panchnama, where accused Saifur Rehmaan (A-50), while in custody, led the police and panch witnesses to a house in Al-Mohammadi Society where he and his associates reportedly stayed and used as hideout and assembled bombs for the 2008 serial blasts. It was carried out on 08.08.2009 between 14:10 hours to 17:00 hours before Mr.V.R.Toliya, Assistant Commissioner of Police (ACP), Investigation Team, Crime Branch, Ahmedabad City. The contents of the panchnama show that accused Saifur Rehman was in the custody of the Ahmedabad City Crime Branch in connection with Shahibaug Police Station I. CR No. 236/08. The accused, Saifur Rehman (alias Saif), voluntarily declared before panch witnesses Nitesh Mohanbhai Vaishya and Bhavanisingh Harisingh that he had arrived from Delhi via train in July 2008 with associates like Atiq Bashar. stated they stayed in a house where they prepared bombs and offered to point out the location starting from the Ahmedabad Railway Station. The accused being an outsider, could only identify the location from the same route which he was aware of from the railway station.

14.4.385. In this connection, the prosecution examined panch witness Nitesh Mohanbhai Vaishya (PW No.869, Exh.6069). This witness deposed that he was called to the Crime Branch office where the accused expressed a desire to show a house. The accused led the team from the railway station through various areas to Al-Mohammadi Society near Chandola Lake. The accused pointed out a house, stating he and his associates lived there and that two cars (a silver WagonR and a white Santro) used for the blasts were parked there. The witness identified his signature on the panchnama, marked as Exhibit 6070. But could not identify the accused.

14.4.386. In his cross-examination, this witness admitted that he did not know the art of dictating panchnama. It was written by the police. He did not know the English language. He did not enter the house shown by the accused. Police had not inquired from the residents of the society. He did not know the house number. Second signature of the panchnama was made at the society.

14.4.387. The Court finds that the contents of the panchnama is proved by the deposition. Despite the accused being an outsider, was still able to lead the panch witnesses to the very hideout which was earlier discovered through the co-accused. The fact of the accused leading to this very hideout being recorded in the second part of the panchnama, and co-incidentally leading to the same location would connect the accused with the location of the hideout and the knowledge of the accused in this regard. Though, it has been argued time and again, that

the hideout was within the knowledge of the investigating officer, would not lead this Court automatically to conclude that the details of the location have been put/dictated by the Investigating Officer in the panchnama. There are no questions posed to the Investigating Officer in his cross examination in this regards.

14.4.388. Exh.6318 is a discovery panchnama, where accused-Ziyaur Rehmaan (A-40) led the police and panch witnesses to locations in Maninagar, Ahmedabad, to identify the specific spots where he and his associates placed bicycle bombs during the 2008 serial blasts. It was carried out on 04.11.2008 between 10:30 hours to 12:30 hours before Mr.M. J.Chavda, Assistant Commissioner of Police (ACP), Investigation Team, Crime Branch, Ahmedabad. The contents of the panchnama show that accused, Ziya-ur-Rehman Abdul Rehman Muslim, was in the custody of the Ahmedabad City Crime Branch in connection with Maninagar Police Station I. CR No. 203/08. The accused voluntarily declared before panch witnesses Mr. Narendrabhai Bechardas Kahar and Mr. Pramodbhai Narayanbhai Chauhan that on July 26, 2008, he and his associates (Mirza Sadabbeg, Jishan Ahmed, and Mohammad Shakil) placed bicycles equipped with bombs in the Maninagar area and he offered to point out the specific locations.

14.4.389. In this connection, the prosecution examined panch witness Narendra Bechardas Kahar (PW No.885, Exh.6317). This witness deposed that was called to the Gaekwad Haveli Crime Branch office. He stated the accused led the team to Maninagar Railway Station and then to a spot near Shivani Avenue and Laxmi Jewellers. The accused pointed out and led the team to the locations where the bicycle bombs were placed. The witness identified his signatures on the original panchnama, marked as Exhibit 6318. He could not identify the accused.

14.4.390. It is revealed in the cross examination of this witness that the witness was called as a panch witness many times by the police. Questions regarding the ways to reach Maninagar Railway Station and other places are replied as if the witness did not know it. He admitted that police came to him at the Opera house to be a witness in the matter. He did not remember the name of Jewellers. He admitted that he did not know what police had written in the panchnama and whether the information given by the accused was written by police or not. He deposed that due to illness and due to paralysis stroke, he is suffering from memory loss.

14.4.391. The Court finds that this witness has deposed partly in support of the prosecution. Some part of the panchnama he could not recollect, therefore, ld. PP has asked leading questions and witnesses have answered in affirmative. Even during the cross examination due to medication, the witness felt drowsy, therefore, cross examination was to be adjourned. Still however, the deposition remains untainted so far the accused has shown the place of bomb blast i.e. opposite Laxmi Jewellers. This panchnama is therefore a recording of disclosure made by an accused about the mental fact of knowledge of the location where he had planted the bomb laden bicycle and it is the very location where the bomb blast has taken place and the scene of offence panchnama makes it clear that the location is identical. The police officer in whose presence the whole proceeding is conducted may also prove the facts of panchnama and it is accordingly proved by the investigating officer.

14.4.392. Exh.6370 is a discovery panchnama, where accused-Usman Agarbattiwala (accused No.7), while in custody, led the police and panch witnesses to his uncle's house in Vadodara to recover hidden illegal weapons (air gun, pistol, knife), jihadi CDs, and a pipe bomb. It was

carried out on 19.08.2008 between 20:00 hours to 22:45 hours before Mr.M.J.Chavda, Deputy Superintendent of Police, Investigation Team, Crime Branch, Ahmedabad City. The contents of the panchnama show that accused Mohammad Usman was in the custody of the Ahmedabad City Crime Branch in connection with Shahibaug Police Station I. CR No. 236/08. The accused, Mohammad Usman (alias Agarbattiwala), voluntarily declared before panch witnesses Mr. Dharmendrabhai Morlibhai and Mr. Prakash Manoharlal Tolani that he had hidden illegal weapons, jihadi materials, and a pipe bomb at his uncle's house in the Bavamanpura area of Vadodara and offered to recover them. The witness deposed that the accused led the team to a house where, from a wooden bed-box (peti palang) in an upstairs room, he produced a bag containing an air gun, a Rampuri knife, and a country-made pistol with live cartridges. The bag also contained 19 jihadi CDs, rubber balloons, and a pipe bomb; FSL experts neutralized the bomb on-site using water. List of which are as under:

1. Mark - "A": One Air gun, described as approximately one foot long with "SISCO TARGET MASTER" and a lion symbol on the barrel, placed in a long plastic bag and sealed.
2. Mark - "B": One country-made pistol (with an acrylic handle and a 3-inch steel magazine) along with two live cartridges marked "KF 7.65," placed in a small plastic box inside a larger transparent box and sealed.
3. Mark - "C": 19 CDs/DVDs containing jihadi propaganda material, placed in a plastic box and sealed.
4. Mark - "D": One pipe bomb (approximately 7 inches long with couplings at both ends) that was defused by FSL experts, placed in a box and sealed.

5. Mark - "E": One plastic water bottle containing the water-mixed explosive material (including pellets/shrapnel) that was removed from the pipe bomb during the defusal process

14.4.393. The witness identified the recovered articles in court and confirmed his signatures on the original panchnama, marked as Exhibit 6370. But he could not identify the accused.

14.4.394. In this connection, the prosecution examined panch witness Prakash Manoharlal Tolani (PW No.895, Exh.6369). This witness supported the prosecution case and deposed before the court in accordance with the contents of panchnama. He also identified the muddamal articles seized from the place and his signature on the panch slips as well as the panchnama vide Exh. 6370. But he could not identify the accused, due to the long interval between the panchnama and deposition.

14.4.395. In his cross-examination, the witness admitted that he did not have knowledge regarding arms & firearms, pellets, Rampuri Chaku, Pipe Bomb etc. He did not inquire from the accused whether police had tortured him or not. He admitted that he did not know the police officials. He admitted that police had not collected any document for identification of the person present in the house i.e. Mohammad Shakur. Police had not collected the ownership documents of the house. He admitted that police had not played the DVD at the place.

14.4.396. The Court finds that he is a witness in whose presence the articles are seized. He might have got the knowledge about the names of arms as written by police. What is important is seizure of the muddamal at the instance of the accused Mohammad Usman and not the usage. Further, the articles are identified by witness, which does not require knowledge of the usage. Identification is only by physical appearance.

The witness has stated before the ld. Trial court that the accused has voluntarily stated to show the arms kept at a place. There was nothing proved regarding the accused being tortured by the police. The panchnama was regarding the discovery at the instance of the accused Mohammad Usman, from the place shown by him as his uncle's house. Whether police have collected or verified the identification or ownership document is altogether a different issue. Whether the DVD found from the place contains any incriminating material, other evidence needs to be looked into and depends upon the other evidence. The personnel from the FSL were also present at the place.

14.4.397. There seems no doubt regarding the search and seizure of the articles at the instance of the accused Mohammad Usman, therefore the contents of panchnama is proved by prosecution.

14.4.398. Exh.6443 is a discovery panchnama, where accused Rafiyuddin Sarfuddin (A-35) led the police and panch witnesses to a forest near Halol-Pawagadh, Vadodara to identify where he had taken training in January-2008. It was carried out on 17.11.2008 between 12:30 hours to 14:30 hours before Mr.P.G.Vaghela, Police Inspector, Investigation Team, Crime Branch, Ahmedabad City. The contents of the panchnama show that accused Rafiuddin Sarfuddin Kapadia was in the custody of the Ahmedabad City Crime Branch in connection with Shahibaug Police Station I. CR No. 236/08. The accused voluntarily declared before panch witnesses Mr. Gulabsinh Himatsinh Solanki and Mr.Himesh Pravinchandra Mehta that between January 13 and 15, 2008, he and his associates (including Taufiq, Mujib, and others) organized a jihadi training camp in the forests of Pavagadh where they engaged in trekking, swimming, and firing practice. He offered to point out the specific places where they stayed, prayed, and trained.

14.4.399. In this connection, the prosecution examined panch witness Himesh Pravinchandra Mehta (PW No.900, Exh.6442). This witness deposed that he was called by the police to be a panch witness in the proceeding. The accused had voluntarily declared before the panch that he wished to show the places where he had taken training near Pavagadh along with the other accused. He led them in a government vehicle to several spots like Khundpir Dargah, Dharmashala, Ek Minara Mosque, Vav and other spots where training was done. The accused pointed out a specific training ground near a pond and a mosque where they had prayed. The witness identified his signatures on the panchnama, which was marked as Exhibit 6443. But he could not identify the accused.

14.4.400. In cross-examination, the witness was questioned about his occupation and occupation of other panch witnesses and his distance from the places. The witness was not keeping a daily diary. No person present when they went to Dargah.

14.4.401. The Court finds that this panchnama was used to record the discovery of relevant facts and locations under Section 27 of the Evidence Act. Though the police had the knowledge of the place where the training was conducted, the discovery is regarding the knowledge attributed to the accused that at which place he had taken the training. Further, by cross examination of the witness, nothing adverse or contrary comes on record, to what is stated in the panchnama. Therefore, the deposition in examination in chief remains intact.

14.4.402. The case record shows that the police had inquired about the place earlier along with the forensic science expert, and seized articles like pellets, parts of balloons etc. from the place. So, the cross examination in this regard is also not of any help to defence. Further, the defence raised an objection during examination in chief that

incriminating part of the panchnama cannot be admissible in evidence under Sec.25 of the Indian Evidence Act. The objection is not sustainable as there is clear provision in Sec.27 of the Indian Evidence Act.

14.4.403. It appears that the witness could not identify the accused. However, the Court is mindful of the fact that the human mind has its own limitations and it varies from person to person. There is a long gap between the proceedings of panchnama and the deposition. It might be the reason that the witness could not identify the person.

14.4.404. Exh.6477 is also a demonstration panchnama, where accused Mubin @ Salman @ Sallu S/o Kadarbhai Sheikh (A-33) provided a live demonstration of hacking into unsecure Wi-Fi networks to send threatening emails on behalf of "Indian Mujahidin". It was carried out on 11.11.2008 between 16:00 hours to 18:30 hours before Mr.V.R.Toliya, Deputy Superintendent of Police, Investigation Team, Crime Branch, Ahmedabad City. The contents of the panchnamas show that accused, Mohammad Mansur (alias Munavar alias Munnu), was in the custody of the Shahibaug Police Station in connection with I. CR No. 236/2008. The accused voluntarily declared before panch witness Dhaval Niranjanbhai Shah and Mahesh Manubhai Prajapati that he and his associates used hacked unsecure Wi-Fi networks in Mumbai (Sanpada and Chembur) to send threat emails regarding bomb blasts on behalf of Indian Mujahidin. He offered to demonstrate how he searched for and utilized these networks using a laptop. Another panchnama was made on the very next day regarding the another accused Mubin @ Salman @ Sallu S/o Kadarbhai Sheikh regarding the same event of using unsecured Wi-Fi network.

Dhaval Niranjanbhai Shah (PW No.903, Exh.6475). This witness deposed that police provided a laptop for the demonstration to the accused Mohammad Masoor @ Munavar @ Munnu Asgar Pirbhoi. The team went with the accused in the car to search unsecured wi-fi and after reaching CG Road, Ahmedabad, where the accused identified an unsecure Wi-Fi network named "Linksys" near a shop called Fortune Sport. The accused logged into a Yahoo Mail account (alarbi_testing@yahoo.com) and successfully sent test emails to various addresses provided by the police. The witness identified his signatures on the panchnama, which was marked as Exhibit 6476.

14.4.406. In the same way on the next day accused Mubin @ Salman @ Sallu S/o Kadarbhai Sheikh and where the accused identified an unsecure Wi-Fi network named "Choose the network +" near a Vishal Megha Mart, S.G. Highway. The accused logged into a Yahoo Mail account (alarbi_testing@yahoo.com) and successfully sent test emails to various addresses provided by the police. The witness had identified the signature on the panchnama which was marked as Exhibit 6477.

14.4.407. In cross-examination, this witness deposed that he software diploma holder. He was also questioned about his technical understanding of hacking and Wi-Fi security. He acknowledged that he did not record the physical description of the accused in the panchnama. He admitted that he did not know who owned the identified Wi-Fi network. Other technical questions were asked, which does not affect the proceeding of the panchnama.

14.4.408. The Court finds that first of all, the evidence of the witness and the proceedings of the panchnama are done only with a view to understand how the emails are sent by the accused. The proceeding was not done at the place, the accused had actually hacked the network of

someone. It is just for the understanding of the investigating officer that how the emails are sent using someone else's network. The evidence of the witness is only regarding the method used by the accused for sending the email and nothing more than that. To prove, whether the accused before the police had sent threatening emails or not required to be proved by other evidence.

14.4.409. Exh.6502 is a discovery panchnama, where accused Fazal Rehman (A-45) led the police and panch witnesses to an LPG gas station in Surat to identify where he had filled fuel in a stolen car used in the 2008 serial blasts. It was carried out on 21.08.2008 between 11:00 hours to 13:00 hours before Mr.N.B.Parmar, Assistant Commissioner of Police (ACP), "C" Division, Surat City. The contents of the panchnama show that accused, Fazal Rehman (alias Salauddin alias Rafiq), was in the custody of the DCB Police Station, Surat, in connection with Kapodra Police Station II. CR No. 176/2008. The accused voluntarily declared before panch witnesses Brijesh Bhupendra Dudhwala and Ishan Maheshbhai Champaneriya that prior to the bomb blasts, he and his associates filled LPG worth Rs. 515 in a silver WagonR (GJ-6-CD-9719) and offered to point out the specific gas station. Police have seized the bill book also.

14.4.410. In this connection, the prosecution examined panch witness Brijesh Bhupendra Dudhwala (PW No.909, Exh.6500). This witness deposed that the accused led the team to the "Vanaj Roshani Auto LPG" gas station. A staff member, Kalpeshbhai, produced a bill book from which a carbon copy of bill No. 18654 (dated July 10, 2008) for the car was recovered and seized. The witness identified his signatures on the bill (Exh.6501) and the original panchnama (Exh.6502). He is unable to identify the accused, due to a time gap.

14.4.411. To this witness, the questions asked in the cross examination were regarding the occupation of the witness, the presence of the witness near DCB police station etc. which do not help the defence. Nothing revealed in the cross examination creates any doubt regarding the truthful deposition of the witness. It only came on record in cross examination that when the team reached the Gas station, the witness did not notice who prepared the bill collected by the police, which was there in the panchnama.

14.4.412. The Court is of the opinion that proceeding of panchnama is proved by the evidence of the witness. Police reached to the place as per the direction by the accused, and also found the bill which indicated the car no, and the date of filling the Gas, which tallied with the case of the prosecution. Further, the witness has identified his signature on the bill as well as panchnama.

14.4.413. So far the identification of the accused is not identified through the witness, but satisfactory explanation is given, which seems trustworthy. Therefore, the discovery of the place from where the gas was filled in the Maruti Wagon R car is proved by the prosecution. This establishes the circumstance connecting the accused to the vehicle Wagon R, which was ultimately used in the offence.

14.4.414. Exh.7939 is a discovery panchnama, where accused Mohammad Rafiq @ Javid @ Alamjeb Afridi, while in custody, led the police and panch witnesses to a place from where gas cylinders were obtained for use in the 2008 Ahmedabad serial bomb blasts. It was carried out on 27.04.2016 between 11:30 hours to 14:30 hours before Mr.K.N.Patel, Assistant Commissioner of Police (ACP), Crime Branch, Ahmedabad City. The contents of the panchnama show that accused was in the custody of the Khadia Police Station in connection with I. CR

No. 71/08. The accused, Mohammad Rafiq (alias Javid alias Alamzeb Afridi), voluntarily declared before panch witnesses Nitesh Bhikhabhai Rajput and Kunal Pankajbhai Bhatt that on July 25, 2008, he and associates (including Mujib Sheikh and Abdul Razik) purchased gas cylinders used in the blasts from a shop near Kalupur Tower and offered to point out the location. Mohammad Rafiq waited at a place near Municipal Gujarati School No. 2-17. Abdul Rajik went to Delux Stove shop and Mujib went toward Kalupue Tower and after some time they both came with Gas cylinder which were brought to Al Mahamadi Society House no.10, ultimately used in the bomb blast.

14.4.415. In this connection, the prosecution examined panch witness Nitesh Bhikhabhai Rajput (PW No.1107, Exh.7936). Looking at Examination in chief, it appears that this witness has substantially supported what is stated in the panchnama. It is stated that the accused led the team to a spot near Kalupur Municipal Gujarati School No.2-17. The accused pointed out "Deluxe Stove Centre" as the shop where the cylinders were obtained by Abdul Rajik, and other cylinders obtained by Mujib from Kalupur Tower. The witness identified his signatures on the original panchnama, marked as Exhibit 7937. But could not identify the accused due to the accused was not available in the custody.

14.4.416. To this witness, questions regarding his occupation, residence, his reason to come at the place where police stop them, the situation of road traffic at the place were asked, which were satisfactorily answered. This witness admitted that police did not go to the Deluxe shop to verify the fact. He did not know the accused before the panchnama proceedings. He did not inquire from the accused whether he was subjected to torture by police or not. He admitted that he did not know at the police station where the accused would lead them at Kalupur.

14.4.417. The Court is of the opinion that it is not the duty of the witness to inquire about the torture to the accused or not. Further, the witness has stated in his examination in chief that the accused had voluntarily declared to lead the team to the place. Therefore, the question of unwillingness of the accused does not arise. The Court also finds that it is proved in the cross examination that Mohammad Rafiq did not go to any shop to purchase the cylinder. Therefore, by the evidence produced on record, it only proves the place where Mohammad Rafiq waited and the fact that Abdul Rajik brought a cylinder from Deluxe Stove Shop, and Mujib brought a cylinder. The Court has found that the disclosure made may act as corroboration to the other evidence which is already on record to connect the accused with the procurement of the gas cylinder.

14.4.418. Exh.8093 is a discovery panchnama, where accused Mohammad Sadik Israr Ahemad Sheikh (A-30), while in custody, led the police and panch witnesses to a shop in Mumbai to point out where he and an associate purchased the timer clocks used in the 2008 bomb blasts. It was carried out on 27.01.2009 between 13:30 hours to 14:45 hours before Mr.N.B.Parmar, Assistant Commissioner of Police (ACP), 'C' Division, Surat City. The contents of the panchnama show that accused, Mohammad Saidik Israr Ahmed Sheikh (alias Sadiq), was in the custody of the DCB Police, Surat, in connection with Kapodra Police Station II. CR No. 175/2008. The accused voluntarily declared before panch witnesses Mr. Deepak Harishchandra Soni and Mr. Sunil Rasiklal Shah that he would point out the specific shop where he and his associate, Arif Badaruddin Sheikh, bought the timer clocks used to assemble the bombs.

14.4.419. In this connection, the prosecution examined panch witness Sunil Rasiklal Shah (PW No.1128, Exh.8092). This witness deposed

that he was traveling to Mumbai by train for business when police requested his assistance as a panch. He stated the accused led the team to Abdul Rehman Street in Mumbai and pointed out a shop located named Zaveri House. The accused identified the shop as the place where co accused Arif purchased the clocks while he waited outside. The witness identified his signatures on the original panchnama, which was marked as Exhibit 8093. But could not identify the accused due to the long time gap.

14.4.420. In cross-examination, questions regarding where police met the witness; the occupation of the witness; the frequency of the witness to visit Mumbai; where he dropped off the train and how he reached the office of Mumbai Crime Branch were asked to the witness, which he replied satisfactorily. He admitted that he did not keep a daily diary and also not noted the events that happened on the day of Panchnama. He did not go into the shop to inquire.

14.4.421. The Court is of the opinion that not keeping a diary or noting of the proceedings and deposing in the court regarding the panchnama is not an impossible thing. Ordinary people who are not used to visiting any police station or rarely went to police station, would definitely remember what had happened when he was supposed to be a witness. Particularly in a serious case like a bomb blast, a person may have proper recollection. It is not in the panchnama that the police had visited the shop with the accused and in presence of panch witnesses. The objection raised by the accused regarding the incriminating part is not sustainable, as Sec.27 provides. The Court is of the opinon that the contents of panchnama are proved by the witness. Through this document, a very important circumstance of purchase of an important article of the explosive device namely, the timepiece is established. Of

course, this circumstance is not a standalone as there is sufficient evidence in the form of deposition of a witness, and his identification of the accused from whom the accused has made the purchase.

14.4.422. Exh.6816 is a discovery panchnama, where accused-Fazalerehman (A-45), while in custody, led the police and panch witnesses to locations in Bharuch to identify a house (hideout) he used and the residence of an associate Sajid Mansuri where meetings took place prior to the 2008 serial blasts. It was carried out on 2.12.2008 between 15:00 hours to 16:30 hours before Mr.M.J.Chavda, Assistant Commissioner of Police, Investigation Team, Crime Branch, Ahmedabad City. The contents of the panchanama show that accused, Fazal Rehman (alias Salauddin), was in the custody of the Ahmedabad City Crime Branch in connection with Sarkhej Police Station I. CR No. 181/08. The accused voluntarily declared before panch witnesses Mr. Kamleshbhai Jaswantbhai Modi and Mr. Rizwan Yasin Sheikh that during the time of the serial blasts, he had a rented house at Bharuch and had also visited the house of associate Sajid Mansuri. He offered to point out these specific locations.

14.4.423. In this connection, the prosecution examined panch witness Rizwan Yasin Sheikh (PW No.975, Exh.6815. This witness deposed that he was called by the police near the A.B.C. Chowkdi at Harimangala Hotel in Bharuch. The accused voluntarily declared that he wished to show the house used by him and the house of Sajid Mansuri. He led the team in a government vehicle to a bungalow in Sherpura with a compound wall marked "General Electric Works." The accused then pointed out House No. 33 in Lukman Society. The witness identified his signatures on the original panchnama, which was marked as Exhibit 6816. But he was not able to identify the accused due to the long time

gap.

14.4.424. It appears that nothing fruitful came out in cross examination which can create any doubt on the statement given in examination in chief.

14.4.425. The Court finds that this panchnama is regarding the discovery of a house which was used by the accused for conspiracy. Further, the accused had also given discovery about the residence of Sajid Mansuri (A-14). But police had not inquired into either house in connection with the offence. Therefore, the fact that Accused Fazal Rehman and Sajid Mansuri residing at a place in Bharuch is proved. However, how the residence of both the accused is helpful in proving the offence depends upon the other evidence.

14.4.426. The Court is of the view that this panchnama has to be read with another panchnama Exh.6540 wherein the search and seizure in presence of the F.S.L. officers had led to seizure of incriminating material connected to bomb making.

14.4.427. Exh.7950 is a discovery panchnama, where accused Ahemadbava @ Abbu S/o Abubakar Barelavi (A-47), while in custody, led the police and panch witnesses to specific locations in Ahmedabad to point out where he and an associate Yasin arrived from Pune and the house where they stayed to prepare bombs for the 2008 serial blasts. It was carried out on 17.02. 2009 between 15:15 hours to 16:40 hours before Mr.V.R.Toliya, Deputy Superintendent of Police, Crime Branch, Ahmedabad City. The contents of the panchnama show that accused was in the custody of the Shahibaug Police Station in connection with I. CR No. 236/2008. The accused, Ahmedabawa (alias Abbu), voluntarily declared before panch witnesses Mr. Satish Vamanrao Pauvanikar and Mr. Mohammad Iqbal Abdul Gafar Sheikh that on July 14, 2008, he and

an associate named Yasin arrived from Pune in a luxury bus. He stated they were met by a person in an auto-rickshaw who took them to a house where they stayed for two days and prepared bombs, and he offered to point out these locations. It is further mentioned that the auto rickshaw driver was Kayamuddin @ Rizwan Kapadiya (A-37).

14.4.428. In this connection, the prosecution examined panch witness Satish Vamanrao Pauvanikar (PW No.1111, Exh.7949). This witness deposed that the accused led the team to the parking area behind the Paldi AMTS bus stand near Sardar Patel Bridge, where they had initially arrived. The accused then directed the team to Al-Mohammadi Society, House No. 10, identifying it as the hideout where he and his associates stayed. The witness identified his signatures on the original panchnama, marked as Exhibit 7950. He deposed that he will definitely identify the accused. But the accused was sent to Bangalore, therefore, the accused could not be shown to the witness.

14.4.429. In cross-examination, questions regarding where police met the witness; the occupation of the witness; why he only was called as a panch and not someone else, were asked to the witness, which he replied satisfactorily. He admitted that he did not keep a daily diary for noting events or noting any special event.

14.4.430. It is required to be noted first that in the examination in chief the witness has only deposed regarding the place where the accused dropped off at Ahmedabad and the place where they stayed for two days i.e. Al Mahammadi Society House no.10. The witness has not given evidence regarding the incriminatory statement of the accused that Kayamuddin Kapadiya came to receive the accused at Paldi. Further, the witness had not deposed that they prepared bombs during 2 days time. Therefore, the discovery of places only are proved by the evidence. The

objection raised by the accused regarding the incriminating part is not sustainable, as Sec.27 provides. This document establishes the presence of this accused at the hideout in the proximate days of the incident. The accused though belongs to Azamgarh, U.P., there is no explanation of his presence in Ahmedabad at the relevant time.

14.4.431. Exh.8529 is a discovery panchnama, identifying and pointing out of a rented residential premises (House No. D/34, Riverview Society) by the accused in Surat. It was carried out on 07.01.2009 between 08:15 to 09:45 before Mr.N.B.Parmar, Assistant Commissioner of Police, 'C' Division, Surat City. The contents of the panchnama show that accused Mohammad Naushad Mohammad Irshad Sayyed (A-46) and Ahmed Bawa @ Abu (A-47) were in police custody in connection with the crime registered at Kapodra Police Station, CR No. II-176/2008. The accused have voluntarily disclosed before panch witness Mr. Deepak Ramchandra Mali that before July 26, 2008, they had stayed in a rented house (hideout) in Surat and offered to point out the said location. They subsequently led the police and panchas to House No. D/34, Riverview Society, identifying it as their residence.

14.4.432. In this connection, the prosecution examined panch witness Deepak Ramchandra Mali (PW No.458, Exh.2813). This witness deposed that on 07.01.2009, he was called to the DCB Police Station where the two accused were present. He testified that the accused led the police and panchas in a government vehicle to Riverview Society. The accused pointed out a specific house (D/34) and stated they had previously rented it. The witness identified his signatures on the original panchnama. But could not identify the accused.

14.4.433. In his cross-examinatiom, this witness admitted he did not record the personal details or backgrounds of the accused in a diary at

the time. He did not inquire from the accused whether they had been tortured by police or not. Other details of the society like how many houses were there in the society; the situation of the houses; floors of the houses were asked in the panchnama.

14.4.434. It is a joint panchnama for pointing out the hideout where the accused voluntarily disclose3d to lead the panch team to that hideout. Asboth the accused were jointly taken in same vehicle, it appears from the panchnama that halfway to the place where the accused had led together, one of the accused was made to sit in a Police Chowki while the team proceeded as per the direction of one of the accused who led the team to the hideout of D-24 Riverview Society. After recording this, the team had returned to the Chowki and repeated the same exercise with the next accused who also led the team to the same location of D-34, Riverview Society thereby confirming that both the accused had pointed out the common hideout. It is already on record that by a separate panchnama drawn much prior in point of time, the very house was searched and incriminating articles connected with bomb making activity were discovered.

14.4.435. The Court finds that this witness proved the voluntary disclosure on part of the accused and showed the house which they had taken on rent. Though police knew about the house, the mental fact of knowledge of the accused regarding the house was actually discovered. The facts stated on oath remain intact in the cross examination. Non-identifying the accused at the time of deposition is also satisfactorily explained by the witness. Therefore, the Court of the opinion that discovery is proved.

12:45 to 13:15 hours before Mr.N.B.Parmar, Assistant Commissioner of Police, 'C' Division, Surat City. The contents of the panchnama show that Police has called one Hardware shop owner Mr. Jayeshbhai, who was running hardware “Kamala Hardware". Police has seized a Nut-bolt from the shop owner mentioning the description of it.

14.4.437. The panchnama is executed at behest of Accused No.63-Mohd. Tanvir who has voluntarily disclosed to point out a shop from where the nuts and bolts which form the part of explosive device were procured.

14.4.438. In this connection, the prosecution examined panch witness Deepak Ramchandra Mali (PW No.458, Exh.2813). This witness deposed that on 29.08.2008 he was called to the DCB Police Station where one hardware shop owner Jayeshbhai was present. Jayeshbhai has produced 3 nut-bolts and 1 bolt before police, which was seized by police in his presence. He identified signatures on the panchnama vide Exb.2814. The witness has deposed that on 23.07.2008 the purchase of nuts and bolts were made, the sample of which were produced by the witness Jayesh Manubhai Patel. The witness has given specific marks and description of the nuts and the bolts which are available from this shop. The sample nuts and bolts with specific marking were seized from the shop for comparison.

14.4.439. This document establishes the connection of this accused with the shop pointed out by him from where procurement of the nuts and bolts were made and there is a separate set of evidence in the form of panchnama from the scene of offence where such nuts and bolts have been recovered and another evidence of the FSL report to establish such nuts and bolts to be part of the explosive device.

14.4.440. In cross-examination, the witness admitted that nut-bolts are easily available everywhere. The Court finds that nothing comes in cross

examination which creates doubt regarding the seizure procedure. Therefore, this panchnama goes on to establish an important circumstance connecting the accused No.63 with the nuts and bolts which are part of the explosive device.

14.4.441. Exh.8592 is a demonstration panchnama wherein accused Sarfuddin @ Sharif (accused No.49) demonstrated the preparation of an electronic timer circuit, and seizure was made of the timer circuit and circuit diagram prepared by him. The said panchnama was drawn on 04.05.2009 between 14:30 hours and 17:30 hours at D.C.B., Ahmedabad in presence of panch witnesses and F.S.L. officers namely; Shri A.V. Hingrajya and Shri H.J. Trivedi.

14.4.442. The contents of the panchnama show that accused Sarfuddin @ Sharif was in police custody on remand in connection with the offence registered at Maninagar Police Station I-C.R. No.206 of 2008 and he voluntarily disclosed to demonstrate the preparation of electronic timer chips which were used in the serial blasts in Ahmedabad in July, 2008 as well as in the unexploded bombs which were recovered from Surat. The accused stated that he knew English and Malayalam but did not know Gujarati or Hindi and therefore, he has made the disclosure in English. Various components such as, microcontroller, diode, disc capacitor, resistor, capacitor, transistor, printed circuit board (PCB), chip on board, connector, socket, soldering rod, soldering lead and wires were supplied on being demanded to the accused. Thereafter, the accused prepared a circuit diagram on a blank sheet and then assembled the supplied components in accordance with the circuit diagram and prepared an electronic timer circuit. The accused also stated that similar timer circuits had been earlier prepared by programming the Integrated Circuit (I.C.) and such programmed I.C. was used in such timer circuits. The

said timer circuit and the circuit diagram prepared by this accused came to be sealed and taken into possession under the said panchnama.

14.4.443. In this connection, the prosecution has examined panch witness P.W. No.1162-Jay Harshadrai Panchal at Exh.8590 who has deposed that on 04.05.2009, he was called to the Crime Branch Office where another panch witness namely; Amirbhai and F.S.L. officers and the accused were present, wherein the accused voluntarily disclosed that the timer chips which were used in the bomb blasts had been prepared by him alongwith his father Abdul Sattar and two other persons namely; Abdul Rahim and Umar Haji. He has deposed that the accused asked for articles which were required for preparing the timer chip, including wires of various colours, solder, soldering lead and diode and thereafter the accused also asked for an A4 sized paper, ruler and pencil. He has deposed that the accused had first prepared the circuit diagram and thereafter combined the articles in accordance with the diagram which was prepared by him and stated that a timer chip of the same type had been prepared by him for the blasts. The witness further deposed that the timer circuit was examined by the F.S.L. Officers and was thereafter sealed in a transparent plastic box which bore the signatures of both the panch witnesses and the Investigating Officer. The witness has identified his signature on the panchnama at Exh.8592, the panch slip at Exh.8593 and the circuit diagram at Exh.8594 and has also identified the muddamal timer circuit and the circuit diagram to be the same which had been prepared by the accused in his presence.

14.4.444. In the cross examination, this witness has admitted that he had no technical knowledge with respect to electronics or electrical instruments and that no testing had been carried out to ascertain the functioning of the timer circuit. He has also admitted that the panchnama

was not recorded in English although the accused was speaking in English and that no person who knew Malayalam had been called. He has also deposed that he did not know each and every electronic component nor the source from which the police had procured it. However, the witness has denied the suggestions that the timer circuit or the circuit diagram had not been prepared by the accused in his presence and that a ready-made circuit and diagram was shown to the panch witnesses in order to obtain their signatures

14.4.445. Upon perusal of the panchnama, it establishes the fact that accused No.49-Sarfuddin had demonstrated the preparation of a timer circuit and had also prepared the circuit diagram based on which the timer circuit came to be assembled, in the presence of the panch witnesses, F.S.L. Officers and that the same came to be seized during the course of the panchnama. The Court finds that nothing substantial has come out in the cross examination so as to discredit the witness or the execution of the panchnama. Although in the cross examination, it is coming out that the witness did not possess the requisite technical knowledge, it does not affect the case of the prosecution with respect to the preparation of the timer circuits and circuit diagram which came to be seized during the course of the panchnama. Moreover, this becomes an important circumstance against accused No.49 as it establishes that he possessed the requisite knowledge which was required for preparation of the timer circuit which came to be used in the offence. The Court may observe that there is another set of evidence in the form of seizure panchnama where the type of circuit demonstrated by the accused has already been seized from the scene of offence and is part of the investigation. Therefore, the knowledge of the accused is a fact of mental condition which has come on record through the panchnama,

thereby connecting him with the preparation of timer chips forming part of the explosive device.

14.4.446. Upon the aforesaid analysis of the panchnamas, which the Court has accepted to be read as evidence the application and reference of these panchnama as evidence is made by the Court in Chapter No.16- 'Accused-wise discussion of the evidence', where the Court has undertaken the accused-wise evidence.

14.5. Section 300 Cr.P.C. and issue estoppel

14.5.1. It has been argued by defence that in case of some of the accused tried in this case, that the trial is impaired by Section 300 of Cr.P.C. and also by the principle of 'issue estoppel'.

14.5.2. The facts which emerge in general are that, many of the accused who are being tried by this Court, were also arraigned as an accused in the previous trial arising from Crime Register No.257 of 2008 regarding the terror camp organized at Vagamon. Some of the accused herein were tried as accused before the Sessions Court at Ernakulam. Some of the accused herein were tried and convicted whereas, some of the accused have even been acquitted.

14.5.3. According to defence in both the cases, whether resulting in conviction or acquittal, the accused herein cannot be made to face the present trial again in view of the principle of 'issue estoppel' and Section 300 of Cr.P.C.

14.5.4. In this connection, defence has relied on ***Manipur Administration, Manipur. v/s. Thokchom Bira Singh reported in AIR 1965 SC 87*** and has drawn attention to para 8 of the judgment to contend that where the Court at Ernakulam has tried the accused for the camp at Vagamon, the trial Court in this case is precluded from receiving

evidence on the same facts amounting to an offense. The defence has actually pleaded 'issue estoppel' by citing this judgment.

14.5.5. Another judgment cited at Bar is the case of ***Ashwani Kumar Alias Ashu and Another, reported in, (2015) 6 SCC 308*** again on the point of 'issue estoppel'. It is submitted that the rule relates to admissibility of evidence in subsequent proceedings which is designed to upset a finding of fact recorded on the previous occasion.

14.5.6. The Special Public Prosecutor has vehemently opposed application of both the principles by submitting that both the offences are distinct and cannot be ever tried together at the same time and that this serious offence of bomb blast cannot be left without trial. In fact, the conviction before the Ernakulam Session Court strongly establishes the fact of terror camp at Vagamon which according to prosecution, was one of the initial step to the nation-wide larger conspiracy to cause terror attack. This camp was thus only one of the circumstances, but not the entire trial for the offenses for which the accused were tried by Ahmedabad Additional Sessions Judge and convicted.

14.5.7. The Court may deal with both the contentions of bar under Section 300 of Cr.P.C. and 'issue estoppel' simultaneously as the same have been argued as such by almost all counsels even if this is not applicable to the accused they represent.

14.5.8. Some factual background as to which of the accused can claim under Section 300 of Cr.P.C. or 'issue estoppel' is as under.

i) List of common accused tried in both, the Ernakulam trial by Special NIA Court and in the present trial by the Trial Court:

No. 257 of 2008 at Mundakkayam Police Station is, in fact, only one of the circumstances forming part of the larger conspiracy to cause 'Terror Attack' with some motive behind it and as a step to garner support from people across India. Resultantly, the gathering of the accused persons there and the offence committed therein were tried with respect to that particular act.

14.5.12. As seen earlier, many accused have been convicted thereby, confirming the taking place of a 'Terror Camp'. Reportedly an Appeal against that judgment by Ernakulam Sessions Court is filed by both sides and pending but this fact may not affect the present case.

14.5.13. Post the factual circumstance of 'Terror Camp' at Vagamon, there were successive factual circumstances which ultimately led to the offence of serial blasts. The rest of the acts constituting the crime were committed within the territory of Gujarat. Therefore, in any case, the Kerala Court totally lacked territorial jurisdiction to try the offence relating to serial blasts and bomb planting at Ahmedabad and Surat.

14.5.14. An argument by the defence emphasizing on the phrase 'or were not known to the Court' in Section 300 (3) of Cr.P.C cannot be accepted. According to defence, when Kerala Court was trying the offence of Vagamon 'Terror Camp', it was aware of the proceedings commenced for Ahmedabad Serial Blasts. However, such an argument cannot be countenanced in view of the territorial jurisdiction and also the incidents being completely distinct, which have been investigated by a different Investigating Agency over whom the Kerala Court had no control. By such logic, the entire trial of Serial Blast in Ahmedabad and Surat ought to have been conducted in Kerala as the trial before the Sessions Court, Ernakulam was in progress; or the subsequent offence which took place much later ought to have been investigated by Kerala

Police. Such consequences are not envisaged anywhere and therefore, such submission is required to be outrightly rejected.

14.5.15. The facts examined in this case would clearly fall under Section 300(3) of Cr.P.C. and can be covered under illustration (b) and (d) to Section 300 of Cr.P.C. The effect of Section 300 (3) of Cr.P.C along with illustration (b) and (d) is that, the fact and circumstances must be such so as to indicate a different kind of offence, of which there could be no conviction at the first trial. In this case, the evidence brought on record constitute a different kind of offence for which the accused could not be tried at first trial. The issue therefore, may not detain us any further as the facts constituting the two offences are completely distinct and different. Therefore, the claim of the accused to deflect the present trial as being a person who has faced the previous trial for some offences hereby stands rejected.

14.5.16. With the same factual background that offence tried at Ernakulam Sessions Court only being one incident of holding camp and the present offence being serial bomb blasts later in point of time (seven and half months later) in Ahmedabad and bomb planting in Surat, the Court may examine this argument of 'issue estoppel'.

14.5.17. One of the argument is that the Sessions Court was prohibited from receiving evidence on the facts which are tried and decided and that the evidence in the form of a statement under Section 164 of Cr.P.C recorded in trial of Ernakulam Court was exhibited in this trial vide Exh.9021. The Court may in this regards refer to the evidence of an independent witness Anilkumar P.D. Ex 6950 as P.W. No.998 has deposed to the very fact of holding a terror camp at vaghmon independent of the 164 statement of an accused vide Ex9021 accused Manzar Imam. There is no bar in receiving the evidence of this

independent witness to the circumstance.

14.5.18. This Rule relates to admissibility of evidence in subsequent proceedings which may upset a finding of fact recorded in a previous trial. Firstly, the principle has no applicability if the previous order has not attained finality and is a subject matter of Appeal. In this case also, reportedly Appeals being Crl.A. 354/2020 and Crl.A.1261/2018 are filed and pending. The Apex Court in case of ***Dalip Kaur Brar Versus Guru Granth Sahib Sewa Mission (Regd.)*** **reported in 2017 (14) SCC 159.** Though the judgment is rendered in a civil case, however, the ratio of applying the principle of "issue estoppel" would as much be applicable in this case as well, wherein in Para-13/16, the Apex Court has also held that the principle of issue estoppel cannot be attracted for the reason when the legality of the order is a subject matter of statutory appeal.

14.5.19. "The Law of Evidence" by Ratanlal and Dhirajlal, 26th Edition published by LexisNexis in Chapter VIII-Estoppel, states as under:-

> *"...Principle of issue estoppel is simply that, where an issue of fact has been tried by a competent court on a former occasion and a finding has been reached in favour of an accused, such a finding would constitute an estoppel or resjudicata against the prosecution nor as a bar to the trial and conviction of the accused for a different and distinct offense but as precluding the reception of evidence to disturb that finding of fact when the accused is tried subsequently even for a different offense which might be permitted by law. Not only the parties in the two trials must be the same but also fact in issue proved or not in the earlier trial must be identical with what is sought to be reagitated in the subsequent trial...."*

"....Where a Magistrate acquitted the accused on a minor offence and it was set aside and later the accused was committed for a major offense, it was held that the principle of resjudicata would not apply."

14.5.20. Reliance is placed on ***Ashwani Kumar (supra).*** However, a closer reading of the judgment particularly Para-20, makes it clear that the contention of learned advocate raised therein that the subsequent (sic.) judgment will operate as an 'issue estoppel' was rejected, and the Court referred to the correct principle laid in case of **S*angeetaben Mahendrabhai Patel Versus State Of Gujarat reported in 2012 (7) SCC 621***, where Para-23 reads as under:

"23. This Court has time and again explained the principle of issue estoppel in a criminal trial observing that where an issue of fact has been tried by a competent court on an earlier occasion and a finding has been recorded in favour of the accused, such a finding would constitute an estoppel or res judicata against the prosecution, not as a bar to the trial and conviction of the accused for a different or distinct offence, but as precluding the acceptance/reception of evidence to disturb the finding of fact when the accused is tried subsequently for a different offence. This rule is distinct from the doctrine of double jeopardy as it does not prevent the trial of any offence but only precludes the evidence being led to prove a fact in issue as regards which evidence has already been led and a specific finding has been recorded at an earlier criminal trial.

Thus, the rule relates only to the admissibility of evidence which is designed to upset a finding of fact recorded by a competent court in a previous trial on a factual issue..."

14.5.21. Accordingly, here also as the Court finds that receiving of an independent evidence for the offence predominantly on Terror Attack will not have any bearing on the evidence recorded and the finding arrived by the Ernakulam Sessions Court.

14.5.22. Therefore, an accused tried for attending Terror Camp is facing altogether a different charge in present trial.

14.5.23. Even the case of **Thokchom Bira (supra)** does not apply as the factual circumstances of this case are different. In that case, the accused was charged under Section 188 of I.P.C. for being part of an unlawful assembly and in the earlier proceedings, the Court had recorded a finding that the accused person was not present at the scene of offence. However, in the subsequent proceedings, the prosecution sought to lead evidence to establish the presence of the accused at the scene of the offence, which directly contradicted the earlier finding of fact and it is in this context that the principle of estoppel was applied. However, in the facts of the present case, the Ernakulam trial is with respect to the holding of terror camp at Vagamon camp whereas, the present trial is in respect of the serial blasts at Ahmedabad and planting of bomb at Surat which has occurred after almost seven and half months and therefore the principle of estoppel as observed in the case of **Thokchom Bira (supra)** does not apply to the facts of the present case.

14.5.24. In view of the forgoing discussions, the principle of 'issue estoppel' has no application to our case.

14.6. Grant of Sanction

14.6.1. On the Issue of Grant of Sanction for the prosecution under the provisions of UAPA, learned Advocate Shri Yug Chaudhry has made fundamental submissions that the grant of sanction to the prosecution, is a basic requirement to sustain the prosecution and without there being a valid sanction, the prosecution is vitiated and consequentially, the trial also stands vitiated. It is submitted that in the facts of the present case, there is no valid sanction to prosecute.

14.6.2. It is submitted that the offences are dated 26.07.2008, wherein periodically charge-sheets have been filed and according to learned Advocate, the charge-sheet on 20.12.2008 being charge-sheet No.298 of 2009 was filed in connection with C.R. No.365 of 2008 against various accused and thereafter on 31.12.2008, sub-section(2) to Section 45 was introduced vide Amendment Act No.35 of 2008, which provided for grant of sanction upon considering the report of Reviewing Authority, which is obliged to make an independent review of the evidence collected during the course of investigation and make recommendation to the sanctioning authority. According to learned Advocate, there is a binding statutory obligation on the prosecution to secure recommendation of Reviewing Authority prior to grant of sanction to prosecute.

14.6.3. According to learned Advocate, prior to 31.12.2008, the charge-sheets have been filed against 29 accused and thereafter, the charge-sheets have been filed against 18 accused after 31.12.2008, but the same is to be treated as without sanction, as there was no report of the Reviewing Authority and that only qua accused No.75- Mohammad Rafiq @ Javed @ Alam Jeb Afridi S/o Maskur Ahmed and accused No.78-Tausifkhan @ Atiq S/o Sagir Ahmedkhan Pathan, the Reviewing

Authority has given its report, based on which, the sanction has been given. By pointing out the aforesaid chronology, learned Advocate has submitted that there is no sanction to the prosecution.

14.6.4. It is submitted that even if the report of the Reviewing Authority is taken into consideration, the process adopted does not reflect an application of mind to entire investigation case before submitting the report by Reviewing Authority.

14.6.5. According to learned Advocate, the jurisdiction of Sanctioning Authority is to commence only after recommendation of the Reviewing Authority is given and in absence of recommendation of the Reviewing Authority, the sanction, if any, is non-est. Submitting on the requirement of such procedure by the Legislature, according to learned Advocate providing for safeguarding provision before applying the provisions of serious Act of UAPA, consequences of which are very serious.

14.6.6. Learned Advocate has submitted that the trial Court has committed an error on three occasions in accepting three contentions of the Public Prosecutor, which are completely against the provisions. In doing so, he has pointed out to an error committed on Page Nos. 6093, 6097 to 6119 of the impugned judgment.

14.6.7. Learned Advocate has thereafter relied upon the decision of the Apex Court in case of ***Hitendra Vishnu Thakur and others v/s. State of Maharashtra and others*** reported in ***(1994) 4 SCC 602*** to submit in support of his submission that the Amendment of Section 45 has to be given retrospective effect, for which he has submitted that the Apex Court was considering the amendment caused in the provisions of TADA with reference to days provided to complete investigation under Section 167 of Cr.P.C. and while examining such amendment and its retrospective/prospective applicability, has drawn attention of this Court

to Para-25, which is as under:

> *"25. We have already noticed that clause (b) of sub-section (4) of Section 20 was amended by the Amendment Act No. 43 of 1993 with effect from 22-5-1993. Besides reducing the maximum period during which an accused under TADA could be kept in custody pending investigation from one year to 180 days, the Amendment Act also introduced clause (bb) to sub-section (4) of Section 20 enabling the prosecution to seek extension of time for completion of the investigation. Does the Amendment Act No. 43 of 1993 have retrospective operation and does the amendment apply to the cases which were pending investigation on the date when the Amendment Act came into force? There may be cases where on 22-5-1993 the period of 180 days had already expired but the period of one year was not yet over. In such a case, the argument of learned counsel for the appellant is that the Act operates retrospectively and applies to pending cases and therefore the accused should be forthwith released on bail if he is willing to be so released and is prepared to furnish the bail bonds as directed by the court, an argument which is seriously contested by the respondents."*

14.6.8. Though, the Court is of the opinion that decision of the Apex Court in case of ***Hitendra Vishnu Thakur and others (supra)*** is pertaining to applicability, the principle which according to the Apex Court are culled out from various decisions making it a settled law, has held in Para-26, which is as under:

"26. The Designated Court has held that the amendment would operate retrospectively and would apply to the pending cases in which investigation was not complete on the date on which the Amendment Act came into force and the challan had not till then been filed in the court. From the law settled by this Court in various cases the illustrative though not exhaustive principles which emerge with regard to the ambit and scope of an Amending Act and its retrospective operation may be culled out as follows:

(i) A statute which affects substantive rights is presumed to be prospective in operation unless made retrospective, either expressly or by necessary intendment, whereas a statute which merely affects procedure, unless such a construction is textually impossible, is presumed to be retrospective in its application, should not be given an extended meaning and should be strictly confined to its clearly defined limits.

(ii) Law relating to forum and limitation is procedural in nature, whereas law relating to right of action and right of appeal even though remedial is substantive in nature.

(iii) Every litigant has a vested right in substantive law but no such right exists in procedural law.

(iv) A procedural statute should not generally speaking be applied retrospectively where the result would be to create new disabilities or obligations or to impose new duties in respect of transactions already accomplished.

(v) A statute which not only changes the procedure but also creates new rights and liabilities shall be construed to be

prospective in operation, unless otherwise provided, either expressly or by necessary implication."

14.6.9. Of the aforesaid principles laid down, in the opinion of the Court, clause (4) and clause (5) would be relevant and applicable.

14.6.10. As is also held in clause (3) of the aforesaid, which says that litigant has vested right in substantive law, but no such vested right would exist in so far as procedural law is concerned. The amendment in general are broadly pertaining to substantive provision and also for the procedural aspect. It is being argued that the amendment caused in Section 45 creating one step of Reviewing Authority, is procedural step and therefore, has to be given retrospective effect. Unlike the amendment in substantive law, the effect would always be prospective. Considering this argument and considering the facts of the present case, for which the relevant date, according to the Court is commission of offence on 26.07.2008 and coming into effect the amendment to Section 45 of UAPA is clearly covered under clause (4). Clause (4) specifies that the procedural statute generally is not to be applied retrospectively, where the result would be to create new disability or obligation in respect of the transaction already accomplished**.** In the facts of the present case, the date of offence being much prior to the amendment and the prosecution having been launched upon cognizance having been taken upon filing of the charge-sheet qua arrested accused and thereafter, giving retrospective effect would create disability on the prosecution with regard to offence, which has taken place prior to amendment.

14.6.11. Clause (5) also provides that where the Amendment Act while changing the procedure also creates new rights and liability, will have to apply prospectively. Meaning thereby, the right which now the defence

claims that prior to grant of sanction by the Sanctioning Authority, report of the Reviewing Authority is sine qua non amongst to creation of new rights and liabilities and therefore, according to the Court, application of amendment to Section 45 has to be prospective in nature and only relevant date for applying this amendment, should be treated as the date of the offence.

14.6.12. Learned Additional Advocate General submits that they would rely on time of commission of offence i.e., 26.07.2008, which is much prior to coming into force of Sub-section 2 of Section 45 of the UAPA hence, the amended provision would not be applicable, as date of offence is prior to amending provision and therefore, sanction for offence committed on 26.07.2008 would be required as per existing provision of Sub-section 1 of Section 45.

14.6.13. It is further submitted by the prosecution that, insofar as chargesheets filed prior to 31.12.2008 and all the subsequent chargesheet till the last chargesheet are concerned, sanction of this charge sheeted offence are obtained in accordance with the provision of Sub-section 1 of Section 45, and all these sanctions are proved through PW No.792-Purushottambhai Nathabhai Patel vide Exh.4866, Exh.4870, Exh4879 and PW No.780-Nalinbhai Dhirubhai Nisarta vide Exh.3597 and Exh.4039 (Rules of Business 1962 relevant Rule 13).

14.6.14. It is further submitted by the prosecution that the opening note of Sub-section 1 of Section 45 states that 'no court shall take cognizance of any offence', which would mean, court is to take cognizance of the offence which in the present case is committed prior to introduction of amended provision i.e., the offence was committed on 26.07.2008.

14.6.15. It is further submitted by the prosecution that therefore, whenever issue of granting sanction is considered whether under Sub-

section 1 or even under Sub- section 2 of Section 45, relevant would be to consider the term 'offence'. In the instant case, as offences are committed prior to 31.12.2008, relevant would be to grant sanction under Sub- section 1 of Section 45 which has been obtained and proved through above referred prosecution witnesses and documents. Hence, it is submitted that there is legal and valid sanction obtained to prosecute accused persons for the offences which they committed on 26.07.2008.

14.6.16. It is further submitted by the prosecution that insertion of Sub-section 2 cannot be termed as procedural amendment as reading of Sub-section 2 of Section 45 creates a substantive right in favour of accused and therefore, it cannot have retrospective effect. To understand this, prosecution has relied on a simple example by referring to the present case that as offences committed is on 26.07.2008, if some of the accused persons are arrested prior to 31.12.2008, prosecution will have to adhere to the provisions of Sub- section 1 of Section 45 and for other accused who are arrested subsequent to 31.12.2008, prosecution will have to adhere to the provision of Sub-section 2 of Section 45. This itself will create an anomalous situation which would lead to differentiating and categorizing accused persons in two classes, where by one class of accused needs sanction under Section 45(1) and other class would need sanction under Section 45(2). Bare reading of statutory provisions would never create such anomaly and therefore, classification of accused as classified by defence in different categories as per charge sheet laid against them and requirement of sanction under Sections 45(1) and 45(2) would be reading these statutory provisions inappropriately and wrongly.

14.6.17. It is further submitted by the prosecution that even otherwise, more than one chargesheet in Ahmedabad F.I.Rs and Surat FIRs were submitted prior to 31.12.2008, and Court has taken cognizance of the

offences alleged in the chargesheet which would include offences under UAPA as well, and based on it, sanction is obtained under Section 45(1). Therefore, as per the requirement of law as well as statement of law, cognizance of offence is to be taken, and not cognizance of an offender. In support of this submission, the prosecution has relied on the judgment of the Apex Court in the case of ***Pradeep S. Wodeyar v/s. State of Karnataka*** reported in ***(2021) 19 SCC 62***, wherein it is laid down that, always cognizance of offence is taken and not of an offender. It is submitted that even in the present case, the prosecution has laid as many as six different chargesheets prior to 31.12.2008, which would include offences falling under the UAPA, and cognizance of it is taken, which is not disputed by defence hence, even otherwise relying on this judgment, cognizance of offence is already taken.

14.6.18. Lastly, with respect to the reliance placed by the defence on the judgment of ***Fuleshwar Gope v/s. Union of India***, reported in, ***2024 SCC OnLine SC 2610***, which mandates strict compliance of Section 45(2) of UAPA, the prosecution has submitted that, this judgment would not be applicable in the facts and circumstances of the present case as offence of present case is committed on 26.07.2008 and this judgment does not deal with offences prior to amendment and subsequent to amendment.

14.6.19. It appears that charges have been framed against all accused persons for the offences falling under UAPA, which had been committed on 26.07.2008. And insofar as conclusion of investigation and filling of charge sheets are concerned, in all 6 different chargesheets in 6 different F.I.R proceedings including Ahmedabad as well as Surat F.I.Rs are submitted before 31.12.2008.

31.12.2008. The newly introduced Sub-section 2 mandates report of authority appointed by the State Government which shall make an independent review of the evidence gathered in the course of investigation and make a recommendation within the mandated time period and only after the recommendation of such authority, State Government would consider granting of sanction.

14.6.21. On the same day i.e. on 31.03.2008, Unlawful Activities (Prevention) (Recommendation and Sanction or Prosecution) Rules, 2008 also came into force and as per Rule 2(b) "authority" means the authority to be appointed by the Central Government (w.e.f. 31.03.2009) or as the case may be the State Government under Sub-section 2 of Section 45.

14.6.22. Reliance is placed by the defence upon the decision of the Apex Court in case of ***Ramesh Kumar Soni v/s. State of Madhya Pradesh, reported in, 2013 (14) SCC 696*** to support the contention of retrospective effect of an amendment. The Court may consider the question which arose before the Supreme Court with regard to the offences punishable under Sections 408, 420, 467, 468 and 471 of the Indian Penal Code which is triable by the Judicial Magistrate First Class. Post the amendment of Madhya Pradesh by its Amendment Act, 2017 had made 467, 468 and 471 of the Penal Code to be triable by the Sessions Court and therefore, the issue was post amendment which forum had the jurisdiction to try such offenses. The Sessions Court at Jabalpur had held that after the amendment, the trial could be conducted only by the Court of Sessions even if the offence may have been committed prior to the amendment, which view was affirmed by the High Court. It is in this factual background, the Apex Court emphasizing on the shifting of forum of trial, the principle of retrospectivity was

applied in absence of any indication to the contrary in the amendment. The Court also held that the appellant could not claim a vested right to forum for his trial as no such right is recognized. It is therefore, pertinent to point out that the principle of retrospectivity was made applicable with due regard to the change in the forum for trial. In the present case, the amendment of Section 45 by introducing Sub-Clause-2 was only with regard to the providing of an additional safeguard and has no relation with the jurisdiction for trial. Hence, the principle of retrospectivity cannot be applied on the strength of the decision of the Apex Court in case of **Ramesh Kumar Soni (supra)**.

14.6.23. Another judgment referred to is in case of ***Fuleshwar Gope v/s. Union of India, reported in, 2024 SCC OnLine SC 2610*** to substantiate the argument that a violation of Section 45(2) of UAPA Act read with Rules 3 and 4 would vitiate the proceedings. The Court had considered the violation of statutory timeline and for requirement of an independent reviewing which would include application of mind as a necessary aspect of procedure without which the sanctity of the sanction can be rendered questionable. In case of ***Fuleshwar Gope (supra)***, the Court was considering the case of an accused who was an associate of the People's Liberation Front of India and was associated with the terrorist and Chief of PLFI collecting money through extortion. The other questions which were considered by the Court were with regard to the validity of sanction which can be challenged at any stage and other two questions, which may not be relevant for the facts of this case. ***Fuleshwar Gope (supra)*** was therefore, examining the issue of raising the challenge to the validity of sanction at any stage of trial and statutory timeline and requirement of independent review. The Court was examining the issue, particularly, on the fact that the first sanction was

granted more a year after the recommendation was moved and that there was no independent review on the part of the authority, whereas in the facts of the present case, considering the date of incident and the chronology, the reviewing authority under the amendment to Section 45 will have no application.

14.6.24. Another judgment importantly relied upon in case of ***Seeni Nainar Mohammed v/s. State Represented by Deputy Superintendent of Police, reported in, (2017) 13 SCC 685*** and learned advocate has drawn attention of this Court to para-29 of the judgment, wherein the Court has quoted para-44 of a previous judgment in case of ***Ashrafkhan v/s. State of Gujarat, reported in, (2012) 11 SCC 606***, wherein the Court has lamented on the attempt by the Investigating Agency charged with the duty of preventing terrorism and securing conviction has been frustrated by a technical error and that the gravity of the evil to the community from terrorism can never furnish an adequate reason for invading personal liberty, except in accordance with the procedure established by the Constitution and the laws.

14.6.25. Learned advocate has then drawn our attention to an unreported decision of the Single Judge of the High Court of Judicature at Madras in case ***Vaiko v/s. The State of Tamilnadu in Cr.O.P.No.20417 of 2018*** and drew out attention to para-12, wherein it was held that the reviewing committee was constituted under Section 45(2) in the year 2011 however, in that case the final report was filed in the year 2009 and at that time there was no independent authority in existence and the sanction was granted by the letter dated 31.08.2009. Therefore, when the sanction was granted, the committee which was constituted under Section 45(2) of UAPA on 25.03.2011, obviously had not given any report and thereby the sanction was held to be vitiated. According to learned advocate, a

similar situation had arisen in the facts of our case, where admittedly reviewing authority was constituted at a later stage and such reviewing authority had given its recommendation in case of two accused later on.

14.6.26. Last judgment relied upon is in case of ***Lt. Col. Prasad Shrikant Purohit v/s. State of Maharashtra in Criminal Appeal No.664 of 2016, neutral citation 2017-BHC-AS:12222***. The issue in the aforesaid case was completely different and pertain to the validity of the sanction on the ground as to whether the State Government had the power to grant the sanction or the Central Government had power to sanction. Therefore, in para-75 of the judgment, it is observed that till 31.03.2009, there was no reference to the 'State Government' in the definition of 'Authority' as well as in Rules 3 and 4, which prescribes the time limit for recommendation of the sanction. The State Government had no authority to grant sanction under Section 45(2) prior to the amendment in Rules which came into effect only on 31.03.2009, whereas the sanction was accorded on 17.01.2009. It is in this background, that the validity of the sanction was scrutinized by the Bombay High Court. On facts, the aforesaid case is clearly distinguishable from the facts of the present case.

14.6.27. At this stage, the issue may now be examined in the light of settled principles governing statutory interpretation and the presumption against retrospectivity. It is within the powers of the legislature to legislate in the field assigned, subject to certain restrictions. If an act is passed falling outside the competence, then a subsequent act to cure invalidity may be given retrospective effect.

14.6.28. There is a presumption of prospectivity for which the legal maxim is 'nova constitutio futuris formam imponere debet non praeteritis'' which means 'a new law ought to regulate what is to follow,

not the past'.

14.6.29. Therefore, unless there are express words within the statute sufficient to show the intention of the legislature to effect existing rights, it is to have prospective effect only. In case of ***Monnet Ispat and Energy Ltd. v/s. Union of India reported in 2012 (11) SCC 1*** applied the presumption of prospectivity and held that as there is no indication in the amending act of 1987 pertaining to Section 17A of the The Mines and Minerals (Development and Regulation) Act, 1957, the provision was made effective prospectively from 1987 only.

14.6.30. The leading judgment of Apex Court in five Judge Bench in case of ***K.S.Paripoornan v/s. State of Kerala reported in 1994 (5) SCC 593***, where the question of applying an amended provision to pending proceedings was in question and the correctness of ratio in case of ***Union of India v/s. Zora Singh reported in 1992 (1) SCC 673*** was questioned. In ***Zora Singh (supra)***, it was held that additional amount is payable on market value under Section (1-A) inserted in Section 23 of Land Acquisition Act, 1894 by Amendment Act 1984. In the majority decisions, 4:1 the Supreme Court went on to decide in Para-55 of the majority judgment as under:-

> *"55....In this context it is also necessary to bear in mind the rule of statutory construction that even where a a statute is clearly intended to be to some extent retrospective, it is not to be construed as having a greater retrospective effect than its language renders necessary. (See Halsbury's Laws of England, 4th Edn., Vol. 44, para 924.) There is, therefore, no scope for extending the ambit of retrospective operation of Ss. (1-A) of Section 23 beyond the limits specified in Section 30(1) of the*

amending Act so as to apply it to all proceedings initiated prior to the date of coming into force of the amending Act which were pending before the civil court on reference under Section 18 of the principal Act irrespective of the date on which the award was made by the Collector. For the reasons aforementioned we are unable to subscribe to the view taken in Zora Singh that Ss. (1-A) of Section 23 would apply to all proceedings pending in the reference court on the date of commencement of the amending Act irrespective of the date on which award was made by the Collector. In our opinion, the provisions of Section 23(1-A) of the principal Act and Section 30(1) of the amending Act have been correctly construed in Filip Tiago to mean that the obligation to pay additional amount in respect of proceedings initiated before the date of commencement of the amending Act is confined to the matters covered by clauses (a) and (b) of Ss. (1) of Section 30 of the amending Act and we endorse the said view.."

14.6.31. By aforesaid, judgment in ***Zora Singh (supra)*** was overruled.

14.6.32. A logical application of the general rule is that the retrospective operation is not taken to be intended unless the intention is manifested by express words or even by an implication. A statute or a section is not to be construed so as to have larger retrospective operation then its language renders necessary (see Reid v/s. Reid, (1886) 31 Ch D 402).

14.6.33. An argument is advanced that amendment to UAPA introducing Section 45(2) as on 31.12.2008 is merely procedural amendment and therefore, has a retrospective effect. So, even if the offense is committed in July, 2008, the amendment subsequently in December, 2008 is

applicable. The argument is a desperate attempt to fit in the requirement of the Reviewing Authority in the process of sanction.

14.6.34. The granting of a sanction is not a procedural step but a substantive provision affecting the prosecution of the accused. It is a right of the accused to deflect prosecution in absence of valid sanction. It is trite that absence of valid sanction vitiates the trial. It is also bone of argument of defence on issue of sanction that if no report of Review Authority then there is no valid sanction and therefore, trial gets vitiated. Thereafter arguing that Section 45(2) is procedural, is an argument of convenience, not of substance.

14.6.35. "Principles of Statutory Interpretation" by Justice G.P. Singh, 15th Edition published by LexisNexis in Chapter 6-Operation of Statutes, while dealing with the operation of penal statutes states as under:-

> *"If an Act creates a new offence it will bring into its fold only those offenders who commit all ingredients of the offence after the Act comes into operation. The same principle has been applied while dealing with a law which affects the power of grant of pardon or remission. Section 433A of the Code of Criminal Procedure, 1973 (Cr PC, 1973) which requires that where a sentence of imprisonment for life is imposed on conviction of a person for an offence for which death is one of the punishments, such person shall not be released from prison unless he had served at least fourteen years of imprisonment, has been held to be applicable to sentences imposed after the coming into force of the section and not to person convicted before its coming into force. Similar principle has been applied to cases where an offence compoundable when committed was*

later made non-compoundable. Offence of voluntarily causing hurt by dangerous weapons punishable under section 324 of the IPC, 1860 was compoundable with the permission of the court before 23 May 2006 when it was made non-compoundable by the Code of Criminal Procedure (Amendment) Act, 2005. In construing this amendment it was held by the Supreme Court that an offence committed before 23 June 2006 could yet be compounded with the permission of the court and the accused acquitted.

It is a settled principle of interpretation of criminal law that such provisions have to be strictly construed and cannot be given a retrospective effect unless the legislative intent and expression is clear beyond ambiguity."

14.6.36. Therefore, it is well settled that a procedural enactment cannot be applied retrospectively in cases where it affects the vested rights, or creates new obligations or disabilities, or affects the safeguards available to the parties. Even the commentary on "Principles of Statutory Interpretation" by Justice G.P. Singh, 15th Edition, while dealing with the concept of 'retrospective operation' states that a statute which changes not only the procedure but also creates new rights and obligations, is said to be prospective unless there is a clear legislative intent to the contrary. Also, "Halsbury's Laws of England", 4th Edition, Vol.44, para 925 states that 'a procedural enactment will not be applied retrospectively without plain words if the effect would be to deprive a person of a vested right'.

14.6.37. The defence has cited with great emphasis, the judgment of the

Apex Court in case of ***Gian Singh v/. State of Punjab reported in AIR 1999 SC 3450***, where the accused was convicted for the offence under section 3(1) of the TADA Act, 1985 for commission of a terrorist act resulting in death of a person for which the only punishment was death sentence under section 3(2) of the Act. The TADA Act, 1985 expired by efflux of time on 22 May 1987 but the proceedings were continued by a saving clauses under the Act. The Act of 1985 was replaced by the TADA Act, 1987. In this Act in the corresponding section 3(2) the harshness of the sentence was diluted and the accused could be sentenced to death or life imprisonment. The question before the Supreme Court, where the appeal of the accused and the reference for confirmation of death sentence were pending, was whether the benefit of the dilution of the harshness of death sentence in section 3(2) of the 1987 Act could be given to the accused and his sentence of death could be replaced by sentence for life imprisonment. The Supreme Court in these circumstances gave the benefit of section 3(2) of the 1987 Act to the accused and sentenced him to life imprisonment. The Supreme Court gave two reasons for applying section 3(2) of the 1987 Act. The court first applied a general principle in the case which was stated as follows:

If any subsequent legislation would downgrade the offence, it would be a salutory principle for administration of criminal justice to suggest that the said legislative benevolence can be extended to the accused who awaits judicial verdict regarding sentence.

14.6.38. The second reason that the Supreme Court gave was that the continued operation of the 1985 Act after expiry under a saving clause for continuance of criminal proceedings in respect of offences

committed when the Act was in force became inconsistent, in so far the sentence part of section 3(2) was concerned, with section 3(2) of the 1987 Act and could not be given effect to in view of section 25 of the 1987 Act which gave an over riding effect to the Act over any enactment in case of inconsistency."

["Principles of Statutory Interpretation" by Justice G.P. Singh, 15th Edition published by LexisNexis]

14.6.39. This view is therefore strictly for the sanctioning policy and cannot be stretched to apply to the issue of sanction to prosecute.

14.6.40. Lastly, in the opinion of the Court, the amendment which introduced Section 45(2) of the UAPA cannot be considered as a mere change in procedure as it requires an independent review and recommendation by the authority appointed by the Central Government or State Government before grant of sanction. This is a substantive statutory obligation upon the sanctioning authority and an additional safeguard which has been introduced by the Parliament for carrying out prosecution under anti-terror legislation which has serious penal consequences. This requirement directly affects the legality and validity of the sanction itself and consequently affects the competency of the Court to take cognizance. In absence of any express words or necessary implication which would indicate retrospective operation, the amendment is to be applied prospectively to offences committed after the amendment to this Act, particularly when additional obligations or conditions are created which affect the prosecution.

14.6.41. The Court is of the opinion that the Sanction under the provisions of UAPA is appropriately granted and no illegality to vitiate the trial is visible. With regards to the sanctio under the provisions of other Acts viz. Explosive Act no issue has been raised before this Court.

The Special Court having given sufficient reasons for accepting the sanctions under various Acts which are proved by examining the relevant witnesses the issue of Sanction is held to be in the favour of the prosecution.

14.7. Approver

14.7.1. In support of the arguments that the evidence of approver; PW No.1141-Aiyaz Razakmiyan Saiyed cannot be treated as an admissible evidence and cannot be treated as an evidence, as if it is confession of accused against co-accused.

14.7.2. Though each of the Ld Advocates for the defence made their respective submissions but by and large have adopted the submissions made in details by Shri Nagamuthu Sr, Advocate, as lead arguments.

14.7.3. It is submitted that application given by approver; PW No.1141-Aiyaz Razakmiyan Saiyed to become approver is greatly delayed and is made after a period of almost 11 years. It is argued that ordinarily, evidence of approver; PW No.1141-Aiyaz Razakmiyan Saiyed is to be recorded at the beginning of the trial, but in the present case, evidence of approver; PW No.1141-Aiyaz Razakmiyan Saiyed has been recorded at the fag end of the trial, thereby creating suspicion as to whether such approver; PW No.1141-Aiyaz Razakmiyan Saiyed is a genuine approver or to fill up lacunae of the prosecution case.

14.7.4. It is also argued that the order of granting pardon does not satisfy the requirement of Section 306/307 of Cr.P.C. because, the purpose of pardon is always for receiving evidence, which otherwise is not available with the prosecution. Else, it may give rise to situation where the person, who is the main culprit, will find an escape route by becoming an approver and shifting entire burden upon the co-accused.

14.7.5. It has been argued by learned Advocates representing the accused that granting of pardon and procedure undertaken by the Sessions Court, in purported exercise of Section 307 of Cr.P.C., is actually without jurisdiction, and even if it is held to be within jurisdiction, it does not satisfy the test of Section 307 of Cr.P.C., which puts condition essentially required to be fulfilled. But in the present case, such condition has remained unfulfilled.

14.7.6. To elaborate on the point of jurisdiction, it is argued that Section 9 of Cr.P.C. provides for the Court of Session, and that the State Government shall establish a Court of Session for every Sessions Division, which shall be presided over by a Judge appointed by the High Court, whereas the High Court may appoint Additional Sessions Judges to exercise jurisdiction in the Court of Session.

14.7.7. It is submitted by referring to Section 307 of Cr.P.C. that there is a purpose for receiving the evidence of an approver. The purpose is to elicit an evidence of such a nature which the prosecution is unaware of. It is submitted that though the evidence of an approver is recorded at a very later stage of trial, there is no additional or further evidence coming on record except for what already is there on record. It is submitted that the prosecution is usually slow in supporting grant of pardon as it is the accused against whom they have gathered evidence will go scot free. However, in the present case, the prosecution has readily agreed to grant of pardon.

14.7.8. It is submitted that the examining of the approver as a witness at a later stage of trial is also strategy of prosecution by which the prosecution wanted to fill up the gaps in the prosecution theory, which has remained despite large number of witnesses being examined and large number of documents being exhibited.

14.7.9. Due to aforesaid circumstances, it is submitted that the evidence of the approver be discarded altogether and may not be read in as evidence.

14.7.10. Submissions are made thereafter on the procedure adopted where after 10 and ½ years of custody on the ground of remorse accused No.23-Ayaz Razakmiyan Saiyed gives an application for pardon. The cause therefore to confess is not genuine and appears to be inspired by getting immunity from prosecution.

14.7.11. It is further submitted that there is also doubt as the timings regarding accused No.23-Ayaz Razakmiyan Saiyed making an application to Jail authority and received by the Court on 11.03.2019, that such an application is engineered.

14.7.12. Therefore, it is submitted that the procedure adopted by the Sessions Judge is also unknown to law as the Judge proceeded to record the question/answer regarding such application to the jail. As the place of sitting of Sessions Judge is fixed and any evidence has to be lead in the Court, the entire procedure by Sessions Court in jail premises should not be recognized and any consequential step also be discarded.

14.7.13. It is then submitted that defence did challenge the grant of pardon application to the extent it can by filing revision till this High Court, but when it was decided to examine accused No.23-Ayaz Razakmiyan Saiyed as witness, the defence was entitled to the previous statement of accused No.23-Ayaz Razakmiyan Saiyed recorded during the investigation to exercise their rights under Section 145 of the Indian Evidence Act. The statements under Section 161 were not provided, thereby prejudicing the defence and due to this defect, the trial cannot be termed as fair trial.

14.7.14. It is thereafter submitted that the language of the application for

pardon does not fulfill the requirement of Section 307 of Cr.P.C. where the condition is of full disclosure. Whereas here the application and the proceedings recorded by Sessions Judge speaks of disclosure as per the content of application and not full disclosure.

14.7.15. Therefore, on all the aforesaid grounds, it is urged that the evidence lead pursuant to pardon should not be treated as evidence at all.

14.7.16. The Court may now refer to some of the judgments cited on the issue.

14.7.17. Reliance is placed in case of ***A. Devendran v/s. State of T.N. reported in, (1997) 11 SCC 720*** to submit that as the Sessions Judge did not have jurisdiction, it is an irregularity which cannot be cured. Here the Judicial Magistrate had granted the pardon in a case which was committed to Sessions Court (see para-9). However, the Court was examining the contention that the Court to whom committal has been made could exercise power under sub-section (3) of Section 10 of the Code of Criminal Procedure and, therefore, could direct a Chief Judicial Magistrate to deal with the question of tender of pardon notwithstanding the delegation of the said power in Section 307 of the Code and in this regard, the Apex Court has observed in para-8 that unambiguous language of Section 307 of the Code makes it explicitly clear that after the committal of a case the power to tender pardon lies, under the Code, with the court to which the committal is made and not with any other Magistrate including the Chief Judicial Magistrate. Once a committal is made the committing Magistrate no longer retains jurisdiction over the proceedings and that apart the unambiguous language of Section 307 of the Code does not confer such power on a Magistrate to tender pardon after a case is committed to the Court of Session.

14.7.18. The expression "trial" used in sub-section (1) of Section 306

Justice A.Y.Kogje

would, therefore, convey the meaning those cases which are triable either by a Magistrate or the Chief Judicial Magistrate. In other words, in respect of those cases which are triable by a Magistrate, while the Magistrate of First Class inquiring into or trying the offence can tender pardon at any stage of inquiry or trial, the Chief Judicial Magistrate can tender pardon at any stage of investigation, or inquiring into or the trial. Further a Magistrate, First Class, who is in session of the case can tender pardon in course of inquiry or trial of the said case while the Chief Judicial Magistrate or Metropolitan Magistrate can tender pardon even though the trial is pending before another First Class Magistrate. But by no stretch of imagination can it be construed that under Section 306(1) of the Code a Chief Judicial Magistrate or Metropolitan Magistrate has the power to grant pardon even after the committal of the proceedings to the Court of Session.

14.7.19. In the very judgment, the Apex Court has also observed as to whether corroboration is required to the approver's evidence and to what extent such corroboration is necessary. In para-14, the Apex Court has observed that what is the extent of corroboration that is required before the acceptance of the evidence of the approver would depend upon the facts and circumstances of the case. The corroboration required, however, must be in material particulars connecting each of the accused with the offence. In other words the evidence of the approver implicating several accused persons in commission of the offence could not only be corroborated generally but also qua each accused. But that does not mean that there should be independent corroboration of every particular circumstance from an independent Source. All that is required is that there must be some additional evidence rendering it probable that the story of the accomplice is true. Corroboration also could be both by

direct or circumstantial evidence.

14.7.20. The Court may now consider decision of the Apex Court in case of ***Central Bureau of Investigation v/s. Ashok Kumar Aggarwal and another, reported in (2013) 15 SCC 222***. In this, the Apex Court has considered two previous decisions of the Apex Court in case of ***Lt. Commander Pascal Fernandes vs/. State of Maharashtra, reported in AIR 1968 SC 594*** and ***Laxmipat Choraria v/s. State of Maharashtra, reported in AIR 1968 SC 938***. The Apex Court quotes para 14 and para 15 respectively of aforesaid judgments essentially to observe that before acting on the pardon, the Judge must know the nature of evidence the person seeking pardon wants to give and whether if affects the public policy. Learned advocate submits that the public policy is to secure conviction of the accused if involved in offense and not to pardon him. Such arguments can be immediately rejected as the provisions of Section 306/307 of Cr.P.C. are also the part of the public policy where the very purpose of these sections are well defined.

14.7.21. Therefore, in the very judgment in para-20, the Apex Court holds as under:-

> *"20. In Prithipal Singh v. State of Punjab & Anr., this Court considered a case where an accomplice who had not been put on trial was examined as a witness who deposed in the court after taking oath; and after considering earlier judgments particularly Rameshwar v. > *"39.. An accomplice is a competent witness and (that) conviction can lawfully rest upon his uncorroborated testimony, yet the court is entitled to presume and may indeed be justified in presuming in the generality of cases that no reliance can be placed on the evidence of an accomplice unless the evidence is corroborated in material particulars, which means that there has to be some independent witness tending to incriminate the particular accused in the commission of the crime."*
>
> *The deposition of an accomplice in a crime who had not been made an accused and put to trial can be relied upon, however, his evidence is required to be considered with care and caution. Such a person is a competent witness as he deposes in the court after taking oath and there is no prohibition in law not to act upon his deposition without corroboration*."

14.7.22. The object of this section is to obtain true evidence of offences by the grant of pardon to accomplices so as to prevent the escape of the offenders from punishment for lack of evidence in grave offences. Therefore recording the statement of a person who is to be pardoned before granting him pardon is not illegal.

14.7.23. It has been held by the Supreme Court that direct or indirect involvement of the person in the offence or he being privy to the offence is the basis for grant of pardon and not the extent of his culpability. Thus, the evidence of the person pardoned can be the basis of conviction.](*Commentary Code of Criminal Procedure by Ratanlal & Dhirajlal, 22nd Edition, published by LexisNexis).*

committal having jurisdiction, delay in making application for pardon, the Court may refer to the decision of the Apex Court in case of ***Narayan Chetanram Chaudhry and another v/s. State of Maharashtra, reported in AIR 2000 SC 3352***, where specifically the Court has dealt with such issues. In para-25 after quoting, both Sections 306 and 307, the Apex Court has proceeded to hold as under:-

> *"...A perusal of both the Sections clearly indicates that Section 306 is applicable in a case where the order of commitment has not been passed and Section 307 would be applicable after commitment of the case but before the judgment is pronounced. The provisions of sub-section (4)(a) of Section 306 would be attracted only at a stage when the case is not committed to the court of Sessions. <u>After the commitment, the pardon is to be granted by the Trial Court subject to</u> the conditions specified in sub-section (1) of Section 306, i.e. approver making a full and true disclosure of the whole of the circumstances within his knowledge relative to the offence and to every other person concerned, whether as principal or abettor, in the commission thereof. It may be noticed that under the old Code, only the District Magistrate had the power to tender pardon, at any stage of the investigation, enquiry or trial even though he himself might not be holding such enquiry or trial. Pardon could be granted by the District Magistrate even during the pendency of the trial in the Sessions Court. By Criminal Law Amendment Act, 1952, old sections 337 to 339 were substituted by sections 306 to 308 of the Code of Criminal Procedure conferring the power to tender pardon only to Judicial*

Magistrates and the Trial Court. Section 307-in its present form-does not contemplate the recording of the statement of the approver twice as argued. Accepting the submissions made on behalf of the appellant would amount to legislate something in Section 307 which the Legislature appears to have intentionally omitted."

14.7.25. Similarly, for delay also, the wordings of Section 307 itself provides the period between which the application can be made and that is after the committal and before the judgment. Consciously no specific mention of time period is made. Hence, in **Narayana (supra**), the Apex Court, in para 28 and 29, it was held as under:-

"28. It has been further argued by the learned counsel for the appellants that as the statement of the Approver was recorded after an unexplained prolonged delay, the same could not be made the basis for conviction of the accused. In support of his submissions he has relied upon a judgment of this Court in Lal Chand & Ors.v. State of Haryana [1984 (1) SCC 686. In Lal Chand's case this Court while dealing with the peculiar facts and circumstances of the case found that the prosecution version of the fradulent transaction was extremely doubtful. In that context it was observed that the evidence of the Approver could not improve the prosecution case. The testimony of the Approver is required to be viewed with great caution inasmuch as he was self- confessed traitor and his earlier statements have been kept back by the prosecution which gave rise to the adverse inference that the earlier statements did not support

the prosecution. Keeping in view the fact of the Approver's statements made after 20 months, while exercising due care and caution the court found that his evidence was not reliable to be made the basis for returning the finding of guilt against the accused persons.

29. Such is not the position in the instant case. Otherwise the words of the section "at any time after commitment of the case but before judgment is passed" are clearly indicative of the legal position which the Legislature intended. No time limit is provided for recording such a statement and delay by itself is no ground to reject the testimony of the accomplice. Delay may be one of the circumstances to be kept in mind as a measure of caution for appreciating the evidence of the accomplice. Human mind cannot be expected to be reacting in a similar manner under different situations. Any person accused of an offence, may, at any time before the judgment is pronounced, repent for his action and volunteer to disclose the truth in the court. Repentance is a condition of mind differing from person to person and from situation to situation. In the instant case PW2 appears to be repenting upon his action from the very beginning as is evident from the two notes (Exhs.84 and 85) recovered from his pocket at the time of his arrest. It appears that the apprehension of his colleagues being convicted and sentenced prevented him from taking a final decision at an early stage to make a truthful statement. The defence has not put any question to the aforesaid witness which could suggest that the delay in PW2 becoming the Approver by itself was fatal

to the prosecution case. In one of the notes Exhibit 84 dated 11.10.1994 addressed to his parents and brother he is shown to have stated: "I am not worth calling your son. I have committed gruesome crime for which I could not be pardoned by God also. I was instigated by my friend Jeetu and Narayan and due to which I help them in the murder and robbery which took place in the Rathi family in Pune. I have no guts to face after this incidents. I have tremendous repentance over it for which I have decided to commit suicide. Please do not be sad after my death."In Exhibit 85 he is reported to have informed the police: "I have not committed murder of anyone during the crime of robbery and murder of Rathi family of Pune. I was only involved in the conspiracy of robbery and murder with my friends Narayan and Jeetu. I only assisted my friend Jeetu and Naryana in committing those seven gruesome murders on that faithful days. I had not assaulted any one but committing murder and helping to commit the same are both sine. I am burning in that sine. I have dependence over my act and I want get rid of this feeling that is why, I am thinking of committing suicide. I request you that my family should not be harassed after my death. They have no fault of any kind. 11.10.94."

We, therefore, do not find any substance in the submissions of the learned defence counsel that as the statement of the Approver was recorded after a prolonged delay, no reliance could be placed upon it. The delay in granting the pardon may be a just criticism, where it is found that the pardon had been tendered at the end of the trial and in effect was intended to fill up the lacunae in the prosecution case. Such is not the present

case."

14.7.26. The Court may now deal with the contention of defence regarding the lack of jurisdiction of the trial Judge to exercise Section 307 of Cr.P.C. and that the jurisdiction was required to be exercised by the Court to whom the committal is made. For this, the Court will have to consider relevant provisions of Cr.P.C. being Section 9, Section 209 and Section 194.

14.7.27. Section 9 provides for establishing a Court of Session for every Sessions Division. Section 9(2) provides every Court of Session shall be presided over by a Judge. Section 9(3) provides for appointment of Additional Sessions Judge and Assistant Sessions Judge to exercise jurisdiction in a Court of Sessions. The word used in this is 'to exercise jurisdiction', which means the appointment of Additional Sessions Judge is to exercise jurisdiction of a Sessions Court.

14.7.28. If Section 10 is seen, the Assistant Sessions Judge in Section 9(3) is made subordinate to the Sessions Judge, but Additional Sessions Judge is not mentioned in Section 10.

14.7.29. Chapter-XIV of Cr.P.C. is for condition requisite for initiation of proceedings and provides for stage of taking cognizance and in this Chapter, Section 194 is relevant for our purpose. Under this Section, the Additional Sessions Judge to 'try' such cases as the Sessions Judge of the Division 'makes over to him for trial'.

14.7.30. The committal is made under Section 209 of Cr.P.C. and reading of Sub-clause (a) and (b) will indicate that the committal of a case to Court of Session, when the offence is triable by Sessions Court exclusively, the committal is both of the case as well as the custody of the accused. So, for the purpose till conclusion of 'trial' and when under

Section 194 of Cr.P.C., the case is made over by Sessions Judge to Additional Sessions Judge, which is again for 'trial'.

14.7.31. The provision of Section 307 of Cr.P.C. starts with the phrase 'at any time after commitment of case' 'with a view to obtaining at the trial', evidence of any person. The common thread running in all the three connected provisions is the word 'trial' and therefore, only the Additional Sessions Judge before whom the trial is ongoing pursuant to the committal order and making over of the trial will gain the jurisdiction to exercise the power under Section 307 of Cr.P.C. and grant pardon.

14.7.32. Therefore, in the opinion of this Court, the proceeding under Section 307 of Cr.P.C. undertaken by the Additional Sessions Judge is not without jurisdiction.

14.7.33. There is one more justification to our view that the action of the trial Court in granting pardon under Section 307 is not without jurisdiction and for this the Court may refer to the definition of word 'Court' under the Evidence Act and also 'Judge' and 'Court of Justice' in I.P.C.

14.7.34. Section 3, the interpretation clause of the Evidence Act defines 'Court' to include all Judges and Magistrate therefore the word in 'Court of Commitment' in the Section 307 of Cr.P.C. necessarily takes within its fold all the Judges which include the Additional District Judge, who is undertaking the trial.

14.7.35. Again Section 20 of I.P.C. defines 'Court of Justice' as under and Section 19 of IPC defines 'Judge' as under:

"19. "***Judge***".—The word "Judge" denotes not only every person who is officially designated as a Judge, but also every person.

who is empowered by law to give, in any legal proceeding, civil or criminal, a definitive judgment, or a judgment which, if not appealed against, would be definitive, or a judgment which, if confirmed by some other authority, would be definitive, or

who is one of a body or persons, which body of persons is empowered by law to give such a judgment."

"20. ***"Court of Justice"***.—The words "Court of Jutsice" denote a Judge who is empowered by law to act judicially alone, or a body of Judges which is empowered by law to act judicially as a body, when such Judge or body of Judges is acting judicially."

14.7.36. Considering the above definitions, concerning Criminal Justice Dispensation System of our Country a broader meaning is required to be given to the phrase 'Court to which the commitment is made' especially referring to the stage at which the Section 307 can be brought into operation. Accordingly, the Court is of the view that the trial Court which is undertaking the trial post committal will be the Court competent under Section 307 of Cr.P.C.

14.7.37. One contention raised by defence against considering of approvers' evidence is the long time gap after which the approver made an application for becoming one. Also, according to defence, an application was made at the stage of the end of trial after almost 10 years. In this connection, the Court may consider the provision of Section 307 itself. The Section itself provides for a stage by which an application is to be made, this itself defines the time period. Therefore, no other time period is prescribed within which an approver can make application. In

present case, the approver has made such application within the two stages prescribed i.e. after the commitment and before the judgment. When no time is prescribed, it is not open to consider a delayed application with suspicion. In any case, upon pardon being granted, the approver is examined as a witness and the defence has enough opportunity to question him even on the issue of suspected reasons for which he has made an application for pardon.

14.7.38. The Court may also refer to the decision of the Apex Court in case of ***Gopi Chand @ Pappu v/s. State (NCT of Delhi) reported in, 2026 INSC 598***, wherein the Court has given a summary of legal principles regarding the necessity of corroboration of an approver's testimony and while laying down the legal principles has gone on to record that even an uncorroborated evidence of an approver can be the basis of conviction. Of course, in the facts of the present case, not only the Court has found the evidence of the approver to be reliable as it is meeting with the requirement of the provision. It is also inculpatory and upon cogent reason being assigned, the pardon has been granted. Moreover, the Court has also found sufficient corroboration to the version of the approver. Therefore, as is held in para-29 of the aforesaid judgment, where the principles are summarized and would read as under:-

> *"29. In our view, the legal principles regarding the necessity of corroboration of an approver's testimony could be summarised as under:*
>
> *(a) It is not an inviolable rule of law that testimony of an approver must be independently corroborated in material*

particulars before it could form the basis of conviction. The requirement of corroboration is not mandated by law but is a rule of prudence. Therefore, the Court may convict an accused even on an uncorroborated testimony of the approver provided it is satisfied, and record reasons for its satisfaction, that it is safe to rely on such testimony even in the absence of corroboration.

(b) Corroboratory evidence, if required, may be either direct or circumstantial, or both.

(c) However, where corroboration is considered necessary, it must come from independent sources. Ordinarily, the testimony of one approver is not to be used to corroborate the testimony of another approver.

(d) Corroboration, when required, must be such that it renders the testimony of the approver believable in the facts and circumstances of the case. However, it is not the requirement of law that every material circumstance against the accused is independently confirmed."

14.7.39. The Apex Court having observed legal principles and having discussed various decisions on the issue in para-36 has concluded in so far as testimony of an approver is concerned. Para-36 would read as under:-

"36. Having regard to the decisions discussed herein above, in our view, what is settled is that the creditworthiness/reliability

of the testimony of an approver is not dependent on any one factor. There are several factors which must be considered cumulatively to determine whether the testimony is credible and reliable. The first and foremost is that the approver must not appear to be a planted witness. Once that hurdle is crossed, the testimony of an approver is to be tested as any other witness, though with greater care and caution. One of the necessary tests is that his testimony must be inculpatory and not exculpatory. However, if his testimony is not entirely exculpatory and makes a full and complete disclosure of the events qua commission of the crime, which inspires confidence i.e., appears truthful in the context of proven circumstances, his testimony cannot be discarded as one lacking credibility merely because he does not implicate himself to the extent he implicates the other co-accused."

14.7.40. The aforesaid decision of the Apex Court also lends credibility to the evidence of an approver and therefore, in the facts of the present case also, the evidence of the approver will have to be viewed as an evidence and cannot be discarded as is argued by the defence.

14.7.41. In continuance to the issue of approver as considered hereinabove, the Court may immediately proceed to appreciate the evidence of the approver accused No.23-Ayaz Razakmiyan Saiyed, who was examined as PW No.1141 vide Exh.8191. The witness has deposed that he was arrested in connection with the serial bomb-blast on 26.07.2008 and thereafter tried for various offenses including Section 302, 307 etc. of IPC and various Sections of Explosive Substances Act and UAPA.

14.7.42. This witness has deposed that in the year 2000 when he was arrested in Shahibaug area, he had occasion to visit Shahpur Bahai Centre, at that time, he came across the board of SIMI and other posters which were placed around the building with the poster of Babari Masjid. Because of which, he entered the office located on the first floor and met one person from whom he had inquired about the working of SIMI. At that time, the person present there introduced himself as Arif Kagji (Accused No.6) of Shahpur, who explained to him the meaning and objective of SIMI which was to take revenge for the atrocities of Indian Muslims and to prepare the Muslim youth for establishing of Islamic Rule in India. The witness was also explained about the demolition of Babari Masjid at Ayodhya and to take up Jihad under the excuse of Babri Masjid. When the witness wanted more information he was informed that he has to regularly attend and visit the SIMI office, where at large scale the discussion of Jihad and Islamic rule took place, where other people and members of SIMI also remained present.

14.7.43. In the year 2001, he came to know that as anti-nation activity of SIMI is being activated, the Government of India at any time may ban SIMI. Upon hearing this, the witness went to the office of SIMI, where again he met Arif Kagji, who confirmed that such news are doing rounds and therefore, told him not to visit the office anymore and also told him to be alert for any information pertaining to SIMI activities. Accordingly, the witness stopped visiting to SIMI office. After some days, through news the witness came to know that SIMI has been banned on account of anti-national activity and inciting of Muslims youth for rebuilding of Babri Masjid. The witness also came to know that from Surat several workers of SIMI who were holding illegal meeting have been arrested and amongst them, name of Arif Kagji was also there. The witness

thereafter, refers to communal violence following the Sabarmati train incident of February 2002, wherein several karsevaks were burnt to death. Because of the communal violence that followed, the witness saw with his own eyes, dead bodies of victims being brought to the Kabristan for burial, and he started having anti Hindu sentiments.

14.7.44. He deposed that in the year 2002 everything was over and thereafter, in the year 2005, while he was passing through Shahpur area he came across Arif Kagji and approached him. The witness was also informed by Arif Kagji that as there was a ban on SIMI, the activities are not being undertaken openly, but the same SIMI operatives are meeting secretly either in some shops, houses, factories and are propagating the Jihadi philosophy and if he is interested, he may join such SIMI program. Thereafter, whenever such secret meeting was being organized, Arif Kagji used to inform the witness either by phone or in person about the place, where program was to take place.

14.7.45. In the meeting, the discussion was with regard to communal violence in Gujarat and the preparation of the SIMI operatives to prepare Muslim youth to take revenge.

14.7.46. After this, the witness had attended one meeting in Shahpur area. In this meeting, various other youngsters were present, who were introduced by Arif Kagji to the witness as Samsuddin Shahbuddin Shaikh (accused No.4) of Dariyapur, Alim Zakir and Mohammad Ismail Alias Abdul Rajik of Gomtipur. There were two persons from Juhapura, one was Yakub and other being Mujib. During this meeting, Samsuddin Shaikh and Arif Kagji used to deliver lectures and debates explaining to the other members about the various Jihadi activities being undertaken at various places in the World and other Jihadi organizations who were involved in Jihad against their respective States in the Country and

accordingly, in India also, it is necessary to undertake Jihad. These programs continued from the year 2005 to 2008 and in this program, Takrir (speeches) [the meaning of word 'Takrir' in Islamic contexts is the delivery of lecture in religious gatherings] were undertaken by Samsuddin Shaikh and Arif Kagji.

14.7.47. In these meetings, it was conveyed that they have to prepare for taking revenge of riots in Gujarat and work for Islamic rule in India. For that, they have to be physically and mentally strong. During these programs, if there is any confusion amongst the participants, then they used to ask questions and Samsuddin Shaikh and Arif Kagji would give answers in the context of Jihad. It was during this period of 2005 to 2008, majority of the programs used to take place and such programs also used to take place at the house of Ibrahim, Alim and Yakub of Juhapura.

14.7.48. The witness thereafter, refers to one big program which took place in the beginning of the year 2008 at the resident of the maternal grandfather of Samsuddin Shahbuddin Shaikh. By program, the witness meant to be meeting, which according to Arif Kagji, was a very important meeting, where the guests from outside were also going to remain present in the meeting and therefore, the witness was also invited to the meeting. When he attended the meeting, he found many other people were present, to whom Arif Kagji had introduced this witness as Safdar Hussain Nagori (accused No.12), Sibli (accused No.11), Abdul Subhan @ Taukir, Kayamuddin Kapadia (accused No.37), Mufti Abubasar (accused No.15), apart from these many other were also present in the meeting whom the witness knew from beginning like Zakir, Mohammad Ismail @ Abdul Rajik, Arif Kagji and Samsuddin Shaikh. In this meeting, mainly Safdar Hussain Nagori, Abdul Subhan

Taukir, Samsuddin Shakih and Arif Kagji delivered the lectures and in their lectures they mentioned about various violent activities undertaken by organizations in different countries in different parts of the world for the purpose of bringing Islamic rule and accordingly, even in India for bringing Islamic rule, it is necessary to undertake practical jihadi activity. Such program continued for two to three days and during the daytime, such lectures were being delivered and on one day in the evening, Samsuddin Shaikh took the participants in one room of the house, where they found colour T.V. and VCD Player and with the help of the VCD Player, video was being shown which pertained to Taliban, Al-Qaeda, Hamas and other organizations, who were resorting to violent activities like suicide bombing, gorilla warfare, bomb explosion. In the video apart from above, bomb making activity was also taught and the demonstration of the preparing explosive was also shown.

14.7.49. The text which was written under the video was in Arabic and English language and the audio was also in Arabic and English language which was being translated and explained in Hindi by Samsuddin Shaikh. After sometimes of the meetings, through newspaper the witness came to know that several SIMI operatives have been arrested in Madhya Pradesh, Indore and therefore, the witness went to Arif Kagji to ask about the detail to which Arif Kagji explained that the people who were arrested were SIMI workers of Safdar Nagori group and now they have to be ready to undertake practical activity. Arif Kagji also raised apprehension that after the arrest, the people will interrogate them and during interrogation, their meetings would also be exposed and therefore, for some time, they should not meet and whenever in future any meeting will be conducted, then Arif Kagji would inform him. He was warned that he should not participate or meet unknown people and get involved

in any kind of activity and thereafter, the witnesses have stopped meeting Arif Kagji.

14.7.50. In May-2008, the witness received phone call from Abdul Rajik and called the witness outside his society, who was accompanied by two persons who were the members of SIMI and they were finding it difficult to find residence and therefore, informed the witness to find a rented premises. He called those two persons of SIMI to the nearby Tea Kitley and the witness was able to identify them as Kayamuddin Kapadia and Taukir @ Abdul Subhan, whom they had met in the SIMI meeting at Samsuddin Nana's residence. The witness was informed that Abdul Rajik tried to find out a residence around his area but did not succeed and therefore, has brought two persons to this witness. The witness inquired about their business to which Taukir informed that he was doing computer work and Kayamuddin was doing printing work and when he inquired about the family, both of informed that they will come with the family later on.

14.7.51. After this meeting, when he went to Masjid for Namaz, the witness informed one Saiyadu Rehman to look for house in the locality and he was informed that in his neighborhood there is one house which is available and accordingly, there was a meeting with the owner with regard to the rent and deposit. On the next day, the witness called up Abdul Rajik informing about the availability of house on rent and therefore, Abdul Rajik alongwith Kayamuddin Kapadia and Taukir Abdul Subhan came to the witness and Abdul Rajik left while the witness alongwith Kayamuddin Kapadia and Taukir Subhan went to Saiyadu Rehman for having a look at the residence. Saiyadu Rehman took them to the house, where one Firoz Shaikh was present, who took all of them to the upper floor which was to be given on rent and asked

for deposit of Rs.5,000/- and rent of Rs.900/-. Instructions were given for constructing of a bathroom there, as it was not yet constructed.

14.7.52. The witness thereafter, has deposed that approximately on 10th to 15th of May, Kayamuddin and Abdul Taukir started residing in that house which he came to know through Saiyadu Rehman at the time of Namaz in Masjid and therefore, the witness went to meet tenants at the place and inquired about their family members to which Taukir and Kayamuddin informed that they would stay alone for some time and later on called their family members. The witness as and when he used to find time would visit the house and many a times he would find both of them and some time only one of them and whenever they used to meet them, they would discuss about taking revenge of Gujarat riots. Once when he had gone, there was one third person also present whom he knew as he was present in the program at Samsuddin Nana's place and his name was Mufti Abubashar and everybody used to address him as Mufti Sab. Again there was a discussion amongst all about taking revenge of Gujarat riots. The witness was not aware since how long Mufti Abubashar was to reside there, but he was informed that the landlord Firoz Shaikh had objected to a third person; Mufti staying in that house and therefore, he was informed that being a guest he would reside with them only for a few days.

14.7.53. The witness thereafter, referred to Kayamuddin calling for two swimming pool forms and informed the witness to fill up the form with wrong address of Danilimda and wrong name as Shaikh Asfak. Thereafter, Kayamuddin and the witness went to Abdul Rajik at Gomtipur and from there to Naroda Patiya, Naroda Gam and Gulbarg Society where Kayamuddin and Abdul Rajik informed the witness that these are the places where the rioting had taken place and many Muslims

were killed and therefore, there was a discussion of taking revenge of these killings of Muslims and thereafter, all of them went to the rented house, where Taukir @ Abdul Subhan was present and again there was a discussion of rioting. Accused-Abdul Subhan asked about the date being 11th July and laughed out that on this very date there was a train blast in Bombay and after sometime, Gujarat will also see bomb-blast and therefore, the witness inquired from Taukir as to who is going to cause to which Taukir answered that at the right time, he would come to know. When they met, Taukir and Kayamuddin in the Masjid at the time of Namaz, they informed that after two-three days they would vacate the rented premises. Upon asking for the reason, they said that they are not bringing their family to the house and thereafter, the witness was informed by Saiyadu Rehman at Masjid that both Taukir and Kayamuddin have left the rented house alongwith their belongings. Thereafter, the witness had no occasion to meet either of them. However, on 22nd July they received a call from Kayamuddin and informed him to come at Vatva bus stand and therefore, the witness went to meet him, at that time, both Kayamuddin and Abdul Rajik were there and all three of them proceeded to Narol and again there was a discussion about the Gujarat riots and the revenge. Kayamuddin inquired from the witness that if a chance is given to take revenge, would he be ready to help to which, the witness answered that he was ready to help. Upon which Kayamuddin informed the witness that there is a plan to cause bomb blast in which he should also participate. The witness inquired for other details about the bomb-blast to which Kayamuddin answered that he should not make inquiry of all the details and only the instructions which are given, which he has to follow and remain present when called for. After this, all of them parted.

14.7.54. Approximately on 23rd July, Kayamuddin once again called the witness on phone and asked him to come to Laldarwaja bus-stand and the witness proceeded to from his office to Laldarwaja bus-stand, where he met Kayamuddin. Kayamuddin informed him that they have to go to Naroda gam, where the Muslims were killed to see the location. Thereafter, they went to Kalupur in bus and from Kalupur to Naroda and walked down to the Bazar in Naroda, where they had something to eat and drink. Kayamuddin showed him the exact location and instructed him that whenever bomb is to be placed, he has to place the same at this location. Kayamuddin further informed to keep his phone number and make a call on 25th for further plan. The witness from his home went to Gita Mandir bus-stand, from there he made a call on PCO on Kayamuddin's number, Kayamuddin asked him to wait for some time and Kayamuddin arrived at Gita Mandir and informed that the day decided for the bomb blast is 26th July and therefore, the witness must reach at Sarangpur at 4:00 p.m. and once again give a call on the same number.

14.7.55. On 26.07.2008, at around 4:00 o'clock the witness reached Sarangpur bridge and using the hotel PCO nearby called up Kayamuddin, and Kayamuddin instructed him to take a shuttle Auto Rickshaw and reach Ajit Mill cross roads. Accordingly, the witness reached Ajit Mill cross roads and was again informed to make another call upon reaching there and therefore, from another PCO box, the witness made a phone call to Kayamuddin which was answered by Abdul Rajik. The witness was instructed to wait at Ajit Mill cross roads and that he will join him in a short time. Accordingly, after a short time, he came in one Auto Rickshwaw and Abdul Rajik came out of the Auto Rickshaw with four plastic and cloth bags which were very heavy and contained bomb.

14.7.56. He placed the bags near the foot of the witness and paid rent to the Auto Rickshaw. Abdul Rajik asked witness to keep watch on the bags and that he would return in a while. When he left, the witness inquired as to where he was going, to which Rajik answered that he is just going across and coming back and from there he went to the opposite side in a complex, where several vehicles and cycles were parked and he picked up one cycle and came back which was a big black coloured gents' cycle and he hanged one bag on the handle of the cycle and informed that do not make any change in the bag and he picked up another bomb bag and placed it on the carrier of the cycle.

14.7.57. The witness inquired from Rajik that Kayamuddin had asked him only to put one bomb then why second bag is also kept, to which Rajik instructed the witness that there is a great hurry and therefore, he has to place the cycle with the bomb which is on the handle at the place identified to him by Kayamuddin and the second bomb is to be placed at any appropriate place like a city bus and he has to complete the placing of bomb before 6 o'clock. After that, Abdul Rajik left to the place which is not known to the witness and thereafter, at approximately 4:45 to 5:00 p.m. the witness went alongwith cycle and reached Naroda Gam through Naroda Road and Soni ni Chawl and reached the place which was identified by Kayamuddin. He took three-four rounds around the market area and thereafter, at the exact location identified by Kayamuddin, he parked the cycle where it was a market like area which was crowded. He locked the cycle and took the key and removed the second bomb from the carrier and walked towards Naroda AMTS bus-stand. He saw AMTS bus No.66/3 waiting there and some passengers getting inside the bus. He alongwith the bag climbed into the bus and went to the two seats near the door, sat there and put the bag consisting of bomb below the

seat. He took ticket from the conductor and got down at Saijpur-Memco bus-stand and threw the cycle lock key near the footpath and returned back to his home. After some time, he switched on the T.V. and came to know about the blast in Ahmedabad and he read about the bomb-blast at Naroda village in the morning newspaper. He also came to know that people were injured, but the bomb in bus No.66/3 did not explode, but was found from near Arvind Mill.

14.7.58. The witness has thereafter, proceeded to explain why he participated in this activity by stating that under the guise of religious sentiments on account of the incident of Babri Masjid, Gujarat riots, the people of SIMI organizations were instigating against the Indian Government. The witness was also emotionally drawn into the say of these people and started participating in the SIMI programs and meetings. The witness was shown Exh.8056 which the witness has identified to be his own application and identified the signature as his own which he had made from the jail on account of remorse for participating in such criminal activities and with an intention to convey to the Court truthfully the facts and therefore, when he made up his mind, he had made such an application. He has also deposed that he was aware of the order passed on such application and had shown willingness to accept any condition that would have been imposed in such order. He was informed about the passing of such order and he has signed for accepting such order.

14.7.59. The witness has thereafter proceeded to identify the accused in identification by video conferencing. He has identified one Safdar Nargori by name. He has also identified Sibli Abdul Karim. He has identified Mufti Abubashar and Mohammad Ismail Alias Abdul Rajik, Kayamuddin Kapadia, Kagji Mohammad Arif, Samsuddin Shahbuddihn

Shaikh, Mujib Shaikh with names. He has deposed that out of the names mentioned by him in his deposition, one Mujib Shaikh, Taukir Alias Abdul Subhan, Zakir, Yakub and Alim and Ibrahim were not seen. The witness has clarified with regard to the identification of Saduli whom he had identified from Bhopal jail and both of them being real brothers were having similar face.

14.7.60. The prosecution had shown Exh.3234, which was a form of municipal corporation swimming pool in which name Sheikh Asfak Iqbal is written alongwith date of birth, age and profession which were in his own hand writing and the photo affixed on the form was that of Kayamuddin Kapadiya, whereas the signature was that of Kayamuddin Kapadiya.

14.7.61. In the cross-examination, this witness is asked about his family and education. He is asked about his knowledge about the Godhra riots and the Sabarmati train burning incident. He is also asked about Barbri Masjid demolition and how he felt and what were his views about it as he was a Muslim. He was specifically asked about his wish to which he replied that the Babri Masjid was wrongly demolished and that as a Muslim he also wished that the Babri Masjid must be constructed there only.

14.7.62. He was thereafter, asked questions about his knowledge about ban of SIMI, to which he answered that when he met Arif Kagji, SIMI was not banned but later on it was. He deposed that during that period, he used to frequently visit SIMI office. He states that SIMI office was located near Shahpur Police Station. He replied in negative to the questions as to whether he received any receipt for membership form of SIMI. He states that during 2000-2001, when he used to meet Arif Kagji, there was no training program of SIMI in which he participated. He had

no personal knowledge of any such camp. He deposed that he used to attend many SIMI programs between 2005 to 2008 and many programs he did not attend, but he did not maintain any noting of such meetings. A specific question was put that in the meetings, Aalim and speakers used to give lecture to which he answered that no Aalims were there, but SIMI workers used to give lecture.

14.7.63. He deposed that SIMI workers coming from outside of Ahmedabad were from Madhya Pradesh, Kerala, Karnataka etc. He gave names of Safdar Nagori from Madhya Pradesh, Sibli from Kerala, Kayamuddin from Baroda, Mufti Abubashar from Uttar Pradesh.

14.7.64. There were others, but to keep their identification secret, purposely they were not introduced to each other. He was questioned about the program conducted at the residence of Samsuddin Nana to which he was given the period of two-three days, but program would last which used to be between Assar Namaz to Magrib Namaz. To a specific question whether program continued from Magrib to Isa Namaz, to this specific answer was that when he used to reach there in morning all SIMI members were present and in evening he used to leave at time of Magrib while others continued. He has answered that he did not know the exact time when the program would end.

14.7.65. The nature of questions put in cross and the answers given in fact confirmed that the meeting did take place. Further, question put in this regard what used to transpire in these meetings to which the witness answered that the program started with reading of Quran and thereafter, speakers used to speak on subject. This witness never delivered any speech in the meeting or maintained any written diary about it.

14.7.66. He has answered in affirmative to the question on location of the house of Samsuddin Nana, located in the gully opposite to

Panjrapole Police Station. He answered in negative that in his presence, in the ongoing meeting there was obstruction by Dariyapur police. This line of questioning and the answers given by this witness in facts confirms that the meeting did take place.

14.7.67. The witness is extensively questioned about the incident of communal riots after Godhra train and where he resided during that period and the riot-like situation prevailing in the vicinity to which this witness appears to have answered correctly. He is also questioned about damage suffered by him or any of his relatives and/or neighbors due to communal riots and at that time he did not join any Muslim organization.

14.7.68. He was questioned about the nearby areas to his residence, particularly, about the Masjid and Kabrastan. However, all the questions put to him as mentioned herein do not directly concern the offense or fact leading to offense and therefore, is not discussed in detail. He was also questioned about his job, its area of office and the timings and the fact that on 26.07.2008 he had not taken leave from his job.

14.7.69. The witness was questioned about his arrest and his remand period and the investigating officer. He answered in affirmative to the question that by and large his head was covered by cloth, but both hands were not handcuffed but answered in negative that during remand he was physically tortured.

14.7.70. He has denied that when taken before Magistrate he was threatened not to say about the torture else he would be encountered. He has stated that during initial days of arrest, his statements were recorded with his signature on them. However, this line of question also does not relate in any manner to the offense of incidents leading to offense, at best it can be for the purpose of questioning the investigation and the procedure during trial to which the witness has no concern.

14.7.71. Specific questions were asked regarding the secret witnesses and his assessment that these secret witnesses were against him and that when he has deposed secret witness Zakir was examined and total 1130 witnesses were examined. The answer given to such questions are not relevant at all for the purpose of commission of crime, but perhaps in an attempt to prepare a background for challenging the very status of this witness as an 'Approver' witness as if the witness is deliberately examined at the later stage of trial. In the preceding paras of this very chapter, the Court has answered that issue on the basis of the provisions of Section 307 of Cr.P.C. itself not specifying any chronology. Also it is only when the witness had feeling of remorse that he made an application as per due process of law. In this regard, the Court may refer to a very specific answer given by the witness where he denied that he had heard all the evidences given by panch witnesses given against other accused. He also stated specifically that during deposition of Firoz Shaikh and Zakir Kureshi, he was not present continuously and that the panch witnesses have deposed truly against the accused including against himself.

14.7.72. The witness admitted that in his application Exh.8056 as the case was at an important stage, he felt like that he must convey complete true facts to the Court. He also admitted that within next three months the evidence in case would be over, but denied that only after reading evidence of all the witnesses and other evidences he decided to confess to the crime and that he would be released. He also did not answer in affirmative to the question that other accused would be released and that all the depositions were available with all the accused and that he has read all the depositions connecting to him. He denied that the deposition read by him were borrowed from co-accused and the depositions were

sent in jail by defence advocates. He admitted that in jail the co-accused discussed about the depositions but he used to hear them, but has not necessarily participated.

14.7.73. The witness admits that before making an application on 11.03.2019, he has not contacted his advocate or had taken opinion from any co-accused however, one month prior thereto he had a discussion about it with Jahid Shaikh(accused No.1), Kayamuddin and Mohammad Ismail @ Rajik. He states that after such discussion, he did not receive any threats from co-accused for which he made a complaint to the jail authority. He deposed that Exh.8056 application for confession was written one day prior to 11.03.2019. The application was made on the papers given by the jail and on 11.03.2019 at approximately 3:00 p.m., he had given such application in open pages and this application was written by him during the entire day of 10.03.2019. According to him he had written in parts, in morning, afternoon and in the evening however, he had not given this application to Jahid, Kayamuddin and Mohammad Ismail for reading. This line of question is to create doubt on the application Exh.8056 being written by the witness himself. However, from the answers provided by the witness, it is established that the application Exh.8056 was a genuine application by the witness without there being any influence or threat and that such application was given out of remorse. The Court has already discussed this aspect in the preceding paras of this chapter.

14.7.74. The witness was thereafter, questioned about the ongoing trial of Sessions Case No.38 of 2009, where 80 accused of different States were being tried. He has answered in affirmative that none of the accused have been enlarged on regular bail and that many accused were tried, but failed in getting regular bail. However, he himself had not

preferred any bail. He has assigned the reason for not making bail application to his inability due to his capacity. He was thereafter, questioned about his financial capacity, his family and their source of income to which he has mentioned that his younger brother is in paramilitary force.

14.7.75. He has answered in affirmative that in connection with Exh.8056, the Court had assembled at 4:30 p.m. on 14.03.2019 however, he has denied that for this reason, he was called in the office of the Jail Superintendent, but was called in the Court premises located within the jail. In a specific question as to whether reflection period was given by the Court, the witness has answered that he had made the application on 11.03.2019 after lot of thinking. However, the Court had not asked him to rethink for two-three days.

14.7.76. He has denied that from 14.03.2019 to 18.03.2019, any Investigating Officer or Crime Branch Officer had visited him for inquiry. He himself had also not made any attempt to meet them. He has deposed that pursuant to the notice issued by the Court on Exh.8056, no officer of the Crime Branch had visited him and that no one had visited him to carry out the verification as to whether he really wants to make the statement. In a specific question about the order dated 27.03.2019, the witness has deposed that he has received it after two-three days and such order is with him. According to him, the order of the Court was not in a sealed cover, but was an open document and no signature of the witness was taken for receipt of such order. He has however, denied that he has not received the copy of the order.

14.7.77. He was thereafter, questioned about his religion and to which category of Muslim (Barelvi, Devbandhi, Al-Ehdis etc.) to which he answered that he is ‘Sunni’ and does not believe in any other category.

The witness was thereafter, questioned about other categories of Muslims and also about the category to which co-accused like Arif, Taukir, Rajik, Mufti Abubashar and others belonged to, to which the witness has denied any knowledge. According to the Court, this line of question was hardly relevant for the purpose of the offense and is therefore, not dealt with in detail.

14.7.78. The witness was thereafter, questioned about the educational activities of the witness himself and other co-accused while they were in jail. He was also questioned with regard to the rivalry between him and other co-accused with regard to the prize money received upon successful completion of a course and receiving reward. This line of questioning was directed towards the rivalry being the cause for giving deposition against co-accused however, the answers provided by the accused do not indicate to the fact that such rivalry could have been the reason for the witness to wrongly implicate co-accused.

14.7.79. He answered in affirmative that on 30.12.2018 onwards, he was kept separately in Kasturba Cell to which the witness has assigned reason of health problem and that he had made such application to the authorities. He has denied the knowledge of the fact that since last 12 years as and when any family member comes to visit him in jail, Crime Branch and ATS are keeping the watch over them. According to the witness, jail staff used to remain present and that while he was attending his family members he would focus on talking to them and therefore, would not be aware as to whether the person present there belongs to Crime Branch, ATS or SOG. He has denied any knowledge about the fact that the Head Constable Gopal Sharma, who is ATS Head Constable or Head Constable DCB Uday have been posted in Sabarmati jail or that Firoz of SOG is discharging his duty there. He has also denied any

knowledge of the aforesaid three persons keeping watch when the relatives of the co-accused used to visit them in jail. He has also denied that in the year 2018, he had close conversation with one Gopal Sharma and that he has never seen Gopal Sharma. With great emphasis, questions were posed by defence on the identity of Gopal Sharma, but the witness has outrightly denied any connection with him. Therefore, the line of question continued concerning Gopal Sharma and his role in making this witness as an approver. He has denied that Gopal Sharma has made him understand that he is likely to be sentenced. He has also denied that he has become an approver upon the instructions of the said Gopal Sharma or any other Crime Branch officer. He has also denied that to keep this witness away from co-accused he was shifted to Kasturba Cell. He has also denied that he had received any assistance from any agency for writing application at Exh.8056. He has also denied that he has simply put his signature on Exh.8056. He has denied that the application and the deposition given by him in the Court was a result of his practicing and tutoring.

14.7.80. Therefore, a persistent attempt made during this cross-examination to cast doubt over the intent of this witness to confess and doubt procedure of making the application Exh.8056 has failed thoroughly and therefore, the Court is inclined to accept the genuineness of the intent and the procedural proprietary of the application Exh.8056 and the steps taken by the trial Court in ascertaining willingness of this witness to confess.

14.7.81. Once again the line of questioning by the defence has turned towards the functioning of SIMI office and the witness has denied the suggestion that during 2000, the witness has never met Arif Kagji at the SIMI office. He has also denied that the activities mentioned by him in

his evidence in chief was never conveyed to him by Arif Kagji. The line of question was thereafter, on the riots during February 2002 and the areas affected by such rioting. He has denied that the SIMI meeting had never taken place after the year 2001 and that he has not attended the meetings with Samsuddin and Arif Kagji and other speakers. He has also denied that there were no instigating lectures or discussion regarding violence out of Jihad. He has also denied that there was no program at the place of Samsuddin's Nana. He has denied that he has not made any attempt to find on rent premises for Kayamuddin and Taukir. He has also denied that rented house of Firoz was never occupied by them. He has also denied that he has not brought the swimming pool forms for Kayamuddin and has denied that he has not entered a wrong name and other details in the form. He has denied that he has not filled up any detail in the form Exh.3234.

14.7.82. Advocate Shri M.M.Shaikh for various accused has thereafter, proceeded to cross-examine the witness by putting him the questions with regard to the democracy prevailing in India, religious freedom, Hindu fanaticism and the spreading of misinformation about Muslim fanaticism. He is also put question about religious scriptures and religious persons, which in the opinion of the Court, were directed towards the case of the prosecution regarding efforts to establish Islamic rule and the understanding of this witness of the history of Islamic rule within India and other parts of the World however, the questions put in this connection not being relevant are not discussed in detail. Thereafter, the witness has been questioned about the ill-health that he suffered, as a result of which he was shifted to Kasturba Cell. This issue is also not relevant and therefore, not dealt with in detail. The witness was questioned about one particular accused Naved Kadri, who had suffered

with some mental illness and that though he was ill, he was kept with other co-accused, whereas for a simple coughing complaint, this witness was put in Kasturba Cell. He has denied that on the instruction of one Gopal Sharma he was put in Kasturba Cell. He has denied that he was suffering with any illness.

14.7.83. The witness has thereafter been cross examined by this counsel with regard to the communal violence in the year 2002 and under what circumstances the witness had to change his place of residence and the establishing of relief camps for the victims of the violence. He has however denied that anybody closely related to him were the victims in the relief camp. The witness was thereafter, questioned about his relationship with his advocate Javedkhan Pathan and whether he had taken his assistance for making any application for bail. The questions were thereafter put with regard to his meeting with Arif Kagji in the year 2000, and that the meeting with Arif Kagji was not by some pre-planning and prior thereto, he was not knowing who Arif Kagji was and he had no information about the parents of Arif Kagji and their occupation. He did not remember the exact date on which he met Arif Kagji, but his first meeting lasted for approximately 50 minutes. The counsel has thereafter, questioned him about his service and the location of his office and proximate time required for travelling by public transport, AMTS bus to Laldarwaja and the route which he has to take for reaching Laldarwaja during peak hours and off peak hours. This line of question was to create doubt on the story of the witness about his reaching the place as decided with co-accused after leaving his office and going to various places. However, the witness has satisfactorily answered and does not create any doubt on the version given by this witness about the timing by which he had left his office and reached

various places like Ajit Mill cross roads, Naroda Gam etc. To a very specific question about him reaching at Ajit Mill cross roads on cycle, the witness has specifically answered that he has taken time of half an hour to 45 minutes in reaching place by riding the bicycle. A question was thereafter put regarding him reaching the bus-stand from where he boarded the bus. The answers given by the witness in this regard infact confirms the fact that he has indeed carried two bombs, one which was placed on cycle and parked at a place indicated to him by co-accused and the other in the bus which he had boarded.

14.7.84. Thereafter, the cross was continued by advocate Nainaben Bhatt on behalf of various accused. The witness was questioned about his remand period and the fact of him being an accused in Surat cases and investigation undertaken in connection with Surat cases. He was also questioned with regard to Exh.8056 application. However in this line of questions, the version given by the witness with regard to the offense has remained intact. The witness was thereafter, cross-examined with regard to the years on which various incidents took place like demolition of Babri Masjid and the riots taking place thereafter and therefore, the time gap between such incidents of rioting and the incident of present offence, there being a long time gap, could not be the reason connecting the present offence. He has denied that there were no religious lectures delivered and that all such incidents are creation of his own. With regard to the constitution of SIMI, the witness has answered that he has general information on the constitution of SIMI. He has answered in affirmative that he has seen a material belonging to SIMI and a Hindi Magazine 'Movement' was released by SIMI and Gujarati Magazine named 'Iqra' was being released. He has read this material especially material pertaining to the year 1992 when the Babri was

demolished and the situation prevailing in Court. He has also been questioned with regard to the content of such material which mentioned about the Hindu organizations alongwith international Checheniya and Palestine areas where the atrocities were done over Muslims. However, he has not preserved such material with him. He has denied the suggestion that after the ban of SIMI in the year 2000, there are no activities of SIMI being conducted. He has denied that he had accessed to the information of Checheniya and Palestine through internet. He also denied any detailed knowledge about this issue through other Magazine.

14.7.85. The witness was thereafter, questioned with regard to his stay in judicial custody and various cells which are forming the Ahmedabad Central jail which consisted of high security zone, Kasturba Cell etc. He was questioned with regard to the co-accused who were made to stay in high security zone and the period during which such co-accused have stayed in high security zone and also the facilities which are available to the accused while they are in jail and the comparative facilities available to the accused who are kept in Kasturba Cell. In the opinion of the Court, the answer provided by the witness to such questions does not have any impact on the version given by the witness on the offense. He was also questioned about days fixed for meeting the family members of his own and that of the co-accused. Majority of the questions through this counsel were pertaining to the ongoing trial and the attendance of this witness during such trial which appears to have been posed to indicate the extent of knowledge of the accused pertaining to the ongoing case however, none of the answers given by the witness to such line of question has made any impact on the version of the witness in connection with the offense.

contact with the police and thereafter, when he was confident about his preparation to confess, he had made an application for confession however, the witness has specifically denied this and has answered that he has given such application out of his own volition and had decided voluntarily and when he was questioned that why such need arose after 10 years, he has categorically answered that on account of remorse he had taken this step. He has also denied that he has got up the ground of remorse, but the real fact is that he wanted to escape the sentence. He has denied that he has wrongly deposed in examination-in-chief about seeing of video demonstration of bomb making, but has admitted that he has not mentioned about demonstration of video for bomb making in his confession.

14.7.87. Thereafter, the witness has been cross-examined by Shri L.R.Pathan for other accused and he has been questioned with regard to his stay in Kasturba Cell and on many occasions, he has been brought in and out of Kasturba Cell. He was also questioned about his stay in high security zone alongwith co-accused and that other accused from other offenses were also kept with them all. The line of question was with regard to stay and knowledge about the Anda Cell to which the Court is of the view is of any relevance to the present offense. The witness was thereafter, questioned about his education, his age and his exposure to happening in the World to which, according to Court, the witness has answered satisfactorily, but the same does not affect the version of the witness with regard to the offense. The witness was thereafter, questioned with regard to the SIMI office and the material like pamphlets distributed and whether he has studied Quran or not, to which he said that he has studied Quran in vernacular language and he has denied that the meaning of Jihad is to fight against injustice. he has admitted that to fight against injustice is not an offense. This line of question was put to the witness apparently to justify the act of the accused person being a protest against perceived injustice caused to them. The witness was thereafter, cross-examined about the detail of his remand period in connection with various offenses and again his stay in high security zone during which he had not suffered any ill-health. The remaining questions put to the witness pertaining to his stay in various cells and barrack is not affecting or relevant for the purpose of the offense and are repetition of what has been covered in the previous questioning by other counsel and therefore, the Court may not deal with the same in great detail.

14.7.88. He has categorically denied that he has not declared in detail about the fact of his visit alongwith Kayamuddin to the place where the Muslims were killed in Naroda Gam, the place where he had fruit salad with co-accused and the place which was indicated by co-accused. Meaning thereby, this witness has clearly declared all the aspects of the aforesaid issues which pertain to identification of a place which was indicated to him for placing the bicycle. The questions were put to him to confuse him with regard to the names by which those places were known as the cross road near Ajit Mill was known as Ajit Mill cross roads because of the the proximity. However, the witness has steered clear of such questioning and has stood his ground about the identification of place by the co-accused. He was also questioned about the geography of the place so as to confuse him about what he had mentioned about such places in his evidence in chief like that the place indicated to him by the co-accused Kayamuddin, there was no complex or parking of complex from where cycle could be brought. Here also, the witness has stood his ground by denying that he has not made any clear

statement during his evidence in chief or even in cross-examination. He was later on put forth question about the several riots which had taken place and his knowledge of such riot case. However, the Court deems it not relevant for the purpose of present offense and refrained from dealing with the same in great detail. The Court may therefore, refer to a specific question with regard to the location of placing the cycle, wherein a question was put that he is unable to clearly identify the place, where the cycle bomb was placed to which a very specific answer was given that there was an open space adjacent to the fruit salad lorry, where two other cycles were standing. Therefore, even during the cross-examination, the witness has been able to specify the exact place, where the cycle bombs were placed. He has also denied that from the description given by him in evidence-in-chief and previous part of the cross-examination does not give the exact location of the placement of the cycle bomb.

14.7.89. In response to the questions put to this witness that there was no identity mark on the bag in which bombs were placed to which the witness has answered that there was a number written on the cloth bag containing the bomb and that bag was white in colour within which a plastic bag covering the bomb was placed. A specific question was put to him as to whether he has seen the bomb after the explosion to which the witness has answered that he has not gone to the place and has no idea of what was the position of the bomb and the place around after the blast. He has deposed that the bag on which he had seen number had blasted however he has not observedwhether the other bag was consisting of any identity mark. He has denied that he has not placed the bomb in the bus and has specifically deposed that he has placed the bomb in the bus. However, he is not able to say for sure that the same

bomb was found from Arvind Mill. He has denied that only to support the case of prosecution, he has mentioned that he had placed the bomb in AMTS bus No.66/3 to cover up the bomb which was found in open space.

14.7.90. Lastly, he has categorically denied that only after reading the evidence of several witnesses like PW No.598, 603, 810, 811, 812 etc. and after having deliberately done it with a view to support evidences of aforesaid evidences, police has recorded his admission. He has denied that in the deposition of the aforesaid witnesses, there was lack of clarity and therefore, to bring in clarity in their deposition, he has made the confession under pressure and was induced by the jail authority and prepared the confession under their supervision.

14.7.91. On behalf of several accused, the defence counsel has thereafter cross-examined this witness initially by putting him a question with regard to the set up of Sabarmati Central jail consisting of various barracks and the dimension of such barracks and the nature of security provided. However, the answers given by this witness are not relevant for the purpose of the present offense and therefore, has not been discussed in detail. However, the line of question is to suggest that confession made by him as an 'approver' is doubtful and influenced by the prevailing situation in the jail barrack, where he was being imprisoned. The Court finds that overall answers given by the witness does not put to doubt the version expressed by the witness in his evidence in chief or the answers given by him in the cross-examination.

14.7.92. The questions were also put with regard to the jail visitors as well as by letters to the outside world which are also not relevant for the purpose of offense. Thereafter, questions were put to this witness with

regard to the application Exh.8056 however, such questions were put which are of similar nature as well as by the other counsel defence. A specific question was put with regard to the remorse, because of which he made confession by putting question to him that 56 persons who were killed in this offense, the witness was not aware of their names or address and that he has not made any attempt till date for tracing them out. This question as pointed out has been put to indicate that there was no remorse however, answer given by this witness does not touch upon the fact where he experienced remorse only upon meeting relatives of the people who were killed in the offense.

14.7.93. Thereafter, on behalf of some of the accused persons Shri D.D. Pathan has cross-examined the witness, wherein repetitive questions were put to him with regard to his family members and their source of income and their occupation. Being repetitive in nature and not in any way connected with the circumstance of the offense, the Court may not deal with the same. However, a specific question was put with regard to posting of his brother Riyaz, but apparently was working with some force, to which he has answered that after his involvement in the offense, his brother had stopped keeping any relation. He has denied that with regard to the confession he has given any information to his father or his brother Riyaz. Thereafter, the Court has proceeded to record denial on certain part of his answers given to the question put by this very counsel about his relation with the father and the brother. The witness was thereafter put question with regard to his remand period and also with regard to the bomb-blast case against one Pragya Thakor, Colonel Purohit and Asimanand to which the witness has denied any knowledge. The question put to him with regard to Quran, the witness has answered that he has read the Quran, a translated version and that it is pious for all

the Muslims. The witness was tried to to be put on the back foot and embarrass him on the issue of taking oath by specific reference of the "Quran" however, the he has answered all such questions as the witness was under the oath as per the Criminal Manual. The witness has denied that the bag consisting of the bomb which in his evidence in chief has stated to have been handed over to him by Arif Kagji, was actually handed to him by his brother Riyaz. He also denied any knowledge during his remand, his brother Riyaz was also interrogated in this regard. Again this line of questioning was to put the witness in awkward box by involving his own brother who is in para military, the defence has made all the attempts to break this witness and went to such an extent in naming his innocent family members. He has also denied that the house given on rent to Taukir and Kayamuddin was only given by Riyaz and not by him and he has also denied that in the very rented house, his brother and other friends used to reside. The witness has categorically answered that he has wrongly deposed that he is making this confession on account of remorse and change of heart. Lastly, he has denied involvement of any of his family members and their visiting having any connection with his confession and that he has not sought any permission and consulted Investigating Agency or Government Pleader Officer, nor they have tried to meet him in connection with the confession. Other learned advocates Shri S.M. Vatsa and K.G. Shaikh have adopted the cross-examination to be verified by the defence advocates.

14.7.94. The Court has closely scrutinized the evidence given by this witness though an 'approver' who has been granted pardon, the Court is inclined to believe testimony of this witness in toto. The reason given for making such application for confessing, the procedure undertaken

before accepting the application and the reason assigned by the Court for granting pardon having been perused by this Court, the Court finds that there is no procedural lapse in accepting the pardon. The perusal of the deposition including the cross-examination has undertaken hereinabnove the Court finds that the witness had sufficient reason for making an application for confession and has therefore, given a truthful account about his role as well the role of the co-accused in this offense and therefore, the evidence of this witness as an 'approver' is required to be admitted as a reliable evidence.

14.7.95. Over and above, the witness being reliable, there are other circumstances also which go on to support the version of this witness and hence also the Court is inclined to believe the witness.

15. Appreciation of deposition of relevant witnesses

15.1. The Court has thereafter perused the deposition of eyewitnesses and in this regard, the principles governing appreciation of evidence of eyewitnesses needs to be considered. It is a cardinal principle that even the uncorroborated testimony of the witness is sufficient to convict the appellants, if the testimony appears to be reliable and trustworthy.

15.2. As per Criminal jurisprudence and provisions of Indian Evidence act, witnesses can be classified into three categories, viz., (i) wholly reliable; (ii) wholly unreliable; (iii) neither wholly reliable nor wholly unreliable. If the witness is wholly reliable, the conviction or acquittal could be based on the testimony of such a single witness. Equally, if the witness is wholly unreliable, neither conviction nor acquittal can be based on the testimony of such a witness. For witnesses who fall into the third category (neither wholly reliable nor wholly unreliable), the courts will look for corroboration in material particulars from other reliable

evidence, direct or circumstantial, before acting on their testimony.

15.3. In ***Nirmal Premkumar v State (2024 SCC OnLine SC 260)***, it was held by the Apex court, that the Court can rely on the victim as a 'sterling witness' without further corroboration, but the quality and credibility must be exceptionally high. The sterling witness should be of a very high quality and calibre, whose version should, therefore, is unassailable. The court considering the version of such witness should be in a position to accept it for its face value without any hesitation. To test the quality of such a witness, the status of the witness would be immaterial and what would be relevant is the truthfulness of the statements made by such a witness. What would be more relevant would be the consistency of the statement right from the starting point till the end, namely, at the time when the witness makes the initial statement and ultimately before the court. It should be natural and consistent with the case of the prosecution qua the accused. There should not be any prevarication in the version of such a witness. The witness should be in a position to withstand the cross-examination of any length and how so ever strenuous it may be and under no circumstances should give room for any doubt as to the factum of the occurrence, the persons involved, as well as the sequence of it. Such a version should have co-relation with each and every one of other supporting material such as the recoveries made, the weapons used, and the manner of offence committed the scientific evidence and the expert opinion. The said version should consistent with other evidences. It can even be stated that it should be akin to the test applied in the case of circumstantial evidence where there should not be any missing link in the chain of circumstances to hold the accused guilty of the offence alleged against him. Such a witness can be called a 'sterling witness' whose version can be accepted

by the court without any corroboration and based on which the guilty can be punished. To be more precise, the version of the said witness on the core spectrum of the crime should remain intact while all other attendant materials, namely, oral, documentary and material objects should be consistent with the core version to sieve the other supporting materials for holding the offender guilty of the charge alleged. Keeping in mind the aforesaid principles, the Court may now appreciate the evidence of the eyewitnesses to various circumstances of this offence.

Witnesses to the holding of terror camp in forests of Pavagadh at Halol:

PW No.981-Pravinbhai Hamirbhai Katariya (Exh.6835)

15.4. The Court has perused the evidence of the eyewitness namely PW No.981-Pravinbhai Hamirbhai Katariya vide Exh.6835 who has deposed that at the time of the incident, he owned a Bajaj passenger jeep, which he operated for hire shuttle between Halol and Bhamariya and that one Ashwinbhai Bharatbhai Nayak was employed as his conductor. He has deposed that on 27.08.2008, the police had stopped him near Helical Vav and interrogated regarding whether any individuals were undergoing training there during Uttarayan. He informed the police that on the day of Uttarayan, his vehicle suffered a puncture while passengers were on board. Among the passengers, one was a friend, Ambalal Vechaat. While the repair work for the puncture was being conducted, he transferred the other passengers of his jeep to another vehicle. At that time, his friend Ambalal and he proceeded on foot toward Helical Vav. near Kamlesh Quarry, wherein they heard voices of certain persons speaking. Upon reaching the site, they observed a crowd of 15 to 20 individuals. Among them, two to four persons were crawling on their elbows; a rope was tied between two trees with balloons suspended from it; and these individuals were aiming and firing at targets with guns.

These persons were unknown to them and were conversing in the Hindi language. A tent had been pitched at that location, regarding which the police recorded his statement. Subsequently, on the second or third day, the police summoned him for a Test Identification Parade (TIP). Consequently, Ambalal and he travelled to Ahmedabad, where they were directed to sit in a room within the Court premises. During that interval, Ramkabhai and Babubhai also arrived and stated that they too had been summoned by the police.

15.5. Thereafter, when he entered the Courtroom, a judicial officer was seated in a chair, and there were six rows consisting of 10 persons each. This officer inquired about his name and address and then asked if he recognized anyone from these rows, to which he replied in the affirmative. He then physically identified and pointed out 9 persons whom he recognized. The officer inquired as to their names. He had seen these individuals near Helical Vav; their names were Safdar Nagori, Yunus Mansuri, Sajid, Aamir, Agarbattiwala and Kamruddin. He does not presently recall the names of the remaining individuals. He subsequently exited the Court and reported these facts at the Crime Branch office.

15.6. The witness further stated that on the day preceding 12.09.2008, the police arrived and instructed Ambalal and him to return to Ahmedabad. Accordingly, they attended Court on the 12th, where the officer inquired about his name and address. Upon being asked if he recognized the persons standing there, he informed the officer that he had seen these men pitching a tent near Helical Vav. When asked for his name, one individual identified himself as Abbas, a resident of Kutch-Bhuj. The police recorded his statement regarding this.

15.7. Thereafter, on 16.12.2008, he was again summoned to Court.

Ambalal and he attended the Court, where the officer inquired about his name and address. Upon the officer's instruction to identify a person from those standing there, he identified that individual. He stated that he had seen this person where the tent was pitched near Helical Vav. The police recorded his statement regarding this. Subsequently, he was summoned to Court again on 06.06.2012. Ramkabhai was also present in Court that day. After the officer inquired about his name and address, he asked me to identify one person from a group of six. He identified the person, whose name was Mohammad alias Munno, whom he had seen at the tent pitched near Helical Vav.

15.8. Thus, he identified the individuals in the identification parade whom he had seen near Kamlesh Quarry. Upon being asked if he could identify these individuals if they were brought before him again, he identified the accused persons via video conferencing, viz. Hafiz Hussain Tajuddin Mulla, Doctor Ahmed Baig Khwaja Baig Mirza, Kamran Siddiqui Haji Sahid Siddiqui, Amil Parvez Qazi Saifuddin, and Safdarhussain Jahirulhussain Nagori. Thereafter, while being shown the accused persons detained in the Central Jail via Video Conferencing, he identified accused Arif Badruddin Shaikh, Rafiyuddin Sarfuddin Kapadiya, Nasir Ahmed Patel, and Mohammad Arif Nasim Ahmed. Similarly, he identified Asif Badruddin Sheikh, Fazle Rehman Durrani, Abbas Umar Sameja and Alamzeb Afridi. Despite being shown the accused persons in the fourth, sixth, seventh, ninth, tenth, twelfth, thirteenth, and fourteenth rows, the witness did not identify them.

15.9. Learned Advocate for the accused, Mr. Pathan, conducted a detailed cross-examination of this witness. During this, the witness stated that the location where his vehicle suffered a puncture is seven kilometers from Halol. After the puncture was repaired, he proceeded to

Halol. He have seen the Jumma Masjid, Babri Masjid, and Helical Vav. While traveling from Khundpir Dargah toward Halol, there is a Minar Masjid. The registration number of the vehicle he was driving was GJ-2-V-2614. Subsequently, the witness was questioned regarding his vehicle and the geographical topography of the site where the puncture occurred. The witness admitted that there is a fencing perimeter of approximately 10,000 square meters around Helical Vav. Kamlesh Quarry is approximately three hundred meters from Helical Vav. Thereafter, the witness was subjected to detailed questioning regarding the facts recorded in his police statement. The witness largely adhered to the facts stated in his examination-in-chief and his statement before the police. The accused asked the witness: "Did you report to the nearest police station or the Forest Department the fact that among the people gathered near the tent, some were crawling on their elbows and some were bursting balloons?". In response, the witness clarified: "I was not aware that such a report was required or that these people were engaged in such illicit activities". The witness admitted that he did not overhear the nature of the conversation between these individuals. He further admitted that during the four identification parades, he did not specify to the Magistrate what the identified persons were doing at that location. He had not provided a physical description of the accused to the police but said could identify. Subsequently, the witness was questioned regarding Court summons, Court address, Court numbers, the name of the Magistrate, and the geographical layout of the Court; however, as these questions were not relevant to the case, they are not detailed in this judgment.

15.10. Thereafter, in cross-examination by learned Advocate for the accused, Mr.Shaikh, the witness stated: "I do not maintain a diary of

daily events in my life. I have not recorded the date or the specifics of this incident. I have social relations with Muslim friends". The witness denied the suggestion that Helical Vav is a protected historical monument where security personnel are stationed. Subsequently, the witness was questioned regarding his driving license, the birth dates of his children, the months of the Hindu Vikram Samvat calendar, and events occurring on various dates; however, these questions are not mentioned verbatim in this judgment. The witness admitted that there is significant vehicular traffic on the road from Halol to Pavagadh. He acknowledged the presence of Khundpir Bawa's Dargah and a Minar Masjid further ahead, where there is frequent movement of the Muslim community. The area surrounding Helical Vav is a forest area. The witness further stated that 20 to 25 persons were standing in a circle and a triangular tent had been pitched. The tent was 7 to 8 feet in length, width, and height, constructed of cloth, and was light yellow in color. The defence questioned the witness regarding the guns, to which the witness stated that he had heard the sound of gunshots that day. Furthermore, the witness stated that the persons bursting balloons were doing so from a distance of 50 feet, and the tent was in close proximity to them. We were standing approximately 30 feet away from these individuals. Additionally, the witness was asked various questions regarding the officer he met during the identification parade, including the officer's name, physical description, and designation. In response, the witness stated that he could not provide such details. In the cross-examination by the defence, the witness stated that during the identification of the accused in the examination-in-chief, he identified them after observing them meticulously, calmly, and after having the accused remove their glasses and caps. Thereafter, the witness denied

most of the suggestions put to him.

15.11. Thus, considering the facts emerging from the examination-in-chief and cross-examination of witness Pravinbhai, it is established that on August 27, 2008, a crowd of 20 to 25 individuals was gathered at Kamlesh Quarry near Helical Vav. A rope was tied between two trees with balloons suspended from it, individuals were firing with guns, two to four persons were crawling on their elbows. Furthermore, the witness stated that these 20 to 25 individuals were not locals but were from outside the area and were speaking in Hindi. The witness clearly identified these individuals during the identification parades conducted at different intervals. It is pertinent to mention that the witness had not previously identified the accused by name. However, since this is not the prosecution's case, the testimony of this witness cannot be considered doubtful solely on the ground that names were not mentioned. The prosecution does not claim that the witness knew the accused by name prior to the incident. According to the prosecution's case, the witness saw these 20 to 25 individuals for the first time on August 27, 2008. When these facts came to the knowledge of the police during the investigation, and the witness reported that these individuals were engaging in such activities, the identification parade of the accused was conducted. In said parade, the witness identified different accused persons at different times and also established their identity via Video Conferencing. In these circumstances, the testimony of witness Pravinbhai is corroborated by the sworn testimony of another witness, Ramkabhai. The questions asked and answers given goes on to establish that the PW is an actual witness to what he has deposed. Therefore, there appears to be no reason to disbelieve the testimony of this witness. Furthermore, the accused failed to establish any clear defence through

PW No.1067-Ambalal Vechatbhai Bariya (Exh.7231)

15.14. The Court has thereafter perused the deposition of another eyewitness namely; PW No.1067-Ambalal Vechatbhai Bariya vide Exh.7231, who fully supported the facts of prosecution case and stated that, on 27.08.2008, while he was with Pravinbhai, the police came in a jeep near Helical Vav and inquired about any training camp in the forest area around so, he told that training was going on in Kamlesh quarry, and that day there were four to five other passengers in the jeep. During this time, when the jeep got a puncture, these passengers were put into another vehicle, and Pravinbhai and he went to Helical Vav, where they heard the voices of people inside the valley. When they went there and saw, there was a tent where about twenty to twenty-five people, some with beards and some without, appearing to be Muslims, were present, and a rope was tied between two trees with a swing hanging in between. These people were shooting at the swing with guns, and everyone was walking around while talking in Hindi .

15.15. This fact which they have witnessed with their own eyes, and that they have seen these people, in relation to which they informed the police of the facts.

15.16. Afterwards, on 30.08.2008, the police called him and also Pravinbhai, Babubhai Sharma, and Ramkabhai to the court for an identification parade, where fifty to sixty men were lined up, and the work was conducted in the presence of the Magistrate. The Magistrate instructed him to pick out the people, where he recognized among those standing and after seeing all these people, he identified them. Then the Magistrate asked him how he recognized these people and he told him that he had seen these people in Kamlesh quarry, so he recognized them. After that, he left and the identification procedure was carried out

similarly for other people with him. Afterwards, they went to the Crime Branch office and reported this fact. He identified nine men in the court whose names he does not remember at the moment.

15.17. He further deposed that, again, on 12th September, Pravinbhai and he were called to the court and made to sit in a room and asked him for his name and address and told him to take out the six people standing in front of him whom he knew, so he took out a man named Abbas. The name of his village was Kutch-Bhuj. He had seen this man in training camp at Kamlesh quarry. He then walked out from Court and went to the Crime Branch office where he informed the police about the incident.

15.18. Then again, on 16th December, Pravinbhai and he went to the court and there he was told to take out the person whom he knew, so he took out a person whose name and address was asked and that his name was Kayamuddin Kapadiya, resident of Vadodara. He then walked out of the court room.

15.19. The witness further identified the accused kept at Bhopal Central Jail via video conference during the identification process. Among the four accused, the witness identified the current accused as the brother with a white beard. While the accused name was reported to be Safdar Nagari, on the same day, the witness did not identify the accused shown via video conference at Ahmedabad Central Jail as any of the four accused, and also stated that they could not recognize someone after ten years.

15.20. Then after, during the cross-examination by learned counsel Mr.Pathan from some the accused, the witness stated that he does not remember the number of Pravinbhai's vehicle and that many people jeeps run on Pavagadh Road apart from Pravinbhai. In the jeep in which he had gone, there were six to seven other passengers, none of whom he

knew. The Dargah at Khundpira is about one kilometer away from Helical Vav. Subsequently, the witness was asked questions regarding the geographical location of Pavagadh, but the exact questions and answers have not been mentioned verbatim . In the cross-examination, the witness stated that the other passengers in the vehicle and the name of the vehicle owner/driver were unknown to him. This witness has stated in cross-examination that from Helical Vav, Kamlesh quarry pit is located approximately 400 to 500 meters away; at the place with the tent, there were all stones, and the tented area was level. No one was found at that place. Furthermore, this witness, when asked questions regarding the facts they stated before the police, remained consistent with the facts they had stated to the police and with the facts of the complainant's case. Additionally, this witness was asked questions about the time and the geographical location in the Court, such as which room they were seated in and how many rooms were on the ground floor, during the identification parade in court. The answers to these questions are not considered significant evidence under the provisions of the Evidence Act, and hence are not mentioned word to word .

15.21. During the cross examination of other accused by learned counsel Mr.Shaikh, witness stated that many private vehicles come and go from village to Pavagadh or Halol. He did not remember what work he went for on the day of Uttarayan. He was accidentally going in Pravinbhai's jeep as well as the police accidentally met us on the way. He don't keep any notes or diaries of my work. There is no record of the fact that from January 2008 to July 2008 the persons who met and with whom they were interacted with. He don't seem to have had any quarrels or fights with the tent owners. Further, it has been acknowledged that there is a large number of tourists in the forest near Helical Vav at Pavagadh." We

were standing about 200 meters away near the tent and couldn't hear what these people were talking about," He admitted that, the police have not shown any photographs of the accused or given physical descriptions of the accused and on the basis of that, the police have made scratches. Thereafter, questions were asked regarding this witness about the court summons notice for the identification parade, the names of the court clerks, the physical description of the clerks, and the facts pertaining to the name, address, designation, and physical description of the witness before whom the identification parade took place. These questions are not considered significant . In this witness's cross-examination, the witness admitted that in the statement given via video conference, there were 10 people sitting on one TV screen and many others on another Television screen. Among them, the person he identified had a white beard, while all the others had black beards. (Regarding this question, judicial note is noted in the statement by the court that, 'Out of the 10 accused on the Television screen, two have white beards; one has a completely white beard, while the other has partially black beard'). Thereafter, in the cross-examination, the witness, in response to questions about important facts, adhered to the facts he deposed and stated that the identification parade conducted in court was proper It has been stated that it happened in this manner.

15.22. Considering the truth of the evidence under the oath of the witness Ambalal, it has also been successfully established that on 27/08/2008, this witness and witness Pravinbhai were at Helical Vav near Kamlesh quarry, where certain people were taking training in a tent and some people who appeared to be Muslim were breaking open with rifles, and that they were talking to each other in Hindi in a low voice. This has

been seen by this witness and the witness Pravinbhai, and it is clearly a reason to believe that they informed the police about this fact. After becoming aware of this fact, based on the actions taken by the police, in the case filed against the current accused by the complainant, the court has also conducted an identification parade in person, and the accused identification was made during the video conference in the evidence. It is also a reason to believe that the defence of this witness was not able to bring any denial of these facts on record successfully. It is also mentioned in the cross-examination of this witness that, 'The police did not show us any photographs of the accused nor did they provide any physical description of the accused, and on that basis, the police did not make any sketches.' Considering this fact, it emerges even from the defence side in the cross-examination that the police had not given any prior hint regarding the identification of the accused or any description of them, nor were any photographs shown.

15.23. From this, it appears to be a reasonable and sufficient ground to conclude that both witness Ambalal and witness Pravinbhai was present near Kamlesh quarry, Helical Vav on the day of the incident. It has been proven on record that certain people were taking training in a tent and were secretly speaking in Hindi, and that these people appeared to be Muslims, which the defence side has not been able to bring any evidence or fact on record to refute; the complaint side seems to have sufficient and reasonable grounds to be believed. The defence has failed to impeach their credibility or establish any material contradictions. The version of the prosecution is, therefore, found reliable and trustworthy, and the court finds no reason to disbelieve the ocular account of these key witnesses.

15.24. The witness has identified following accused during the Test

Identification Parade namely;

1. Abbas
2. Kayamuddin Kapadiya

15.25. This witness has identified one accused namely; Safdar Nagori in the course of evidence.

PW No.1105-Idrish Gulabsha Fakir (Exh.7923)

15.26. The Court has thereafter perused the deposition of PW No.1105-Idrish Gulabsha Fakir at Exh.7923 who is the Munjavar of the Khundpir Dargah where the accused person had resided when they participated in the terror camp at Pavagadh, Halol. The witness has provided his evidence in court consistent with his Section 164 statement, which the records show he was examined as PW No.1105 vide Exh.7923. Under oath, the witness stated that in 2008, he served as a Munjavar (care taker) at the Khundpir Dargah, in which there are four guest houses and three graveyards. People from various locations, including Hyderabad, Karnataka, Maharashtra, and several parts of Gujarat towns like Palanpur and Vadodara, visit there for worship.

15.27. On August 27, 2008, police arrived at the Dargah with the accused namely Jahid Sheikh. The witness identified him to the police. He informed the police that on January 13, 2008, Imran Sheikh from Vadodara arrived, and mentioned Dr. Shadab's name, and stated that around 20 to 22 people would stay for two nights for trekking in the forest. Consequently, the witness opened the tin-roofed guesthouse for them. They had 3-4 motorcycles and a white Tata Sumo. They utilized the rear gate near the road. They would leave at 9:00 AM, and the witness was unsure of their return time. On that day, Jahid Sheikh was

seen with Imran during their stay. Later, on 15.09.2008, the witness was summoned to the Ahmedabad Court before the Magistrate, where he re-affirmed his above statement voluntarily, identifying his signature on the statement marked as Exh.7924.

15.28. The witness further deposed that on 28.09.2008, Crime Branch police brought an accused to the Dargah, whom the witness identified as having stayed there along with Imran; the police identified him as Abbas from Kutch Bhuj. In November, police brought Rafiyuddin Kapadiya, followed later by Shafiq Ansari. The witness confirmed they had stayed at the Dargah. In 2012, police brought Mohammad Abrar, in 2017 accused Tausif Pathan, and in 2018 accused Abdul Subhan Qureshi (Tauqeer). The witness provided facts regarding these accused to the police, noting that Zahid Sheikh, Mohammad Shafiq Ansari, Mohammad Abrar, and Abbas were among those who came with Imran Sheikh. During video conference identification from Bhopal Central Jail, the witness could not identify the accused.The witness also deposed that all these accused disclosed to the police places like the earlier accused person.

15.29. For identification the witness deposed that he would make attempt as long time has lapsed and there were changes in their appearances. However, via video conference from Ahmadabad Central Jail, he identified Kayamuddin Kapadiya and Rafiyuddin Kapadiya. He identified two other accused by name, though the court noted the names provided differed from the record. The witness explained his inability to identify other accused due to lapse of time by which changes in their physical appearance, such as hair/beard growth or weight changes.

15.30. During cross-examination by Advocate Mr. Shaikh for the defence, the witness admitted that he does not maintain a daily diary or

written notes of dates and incidents. He lacks a formal appointment letter from the Trust and has no documentary proof of his employment as a Munjavar. He has not studied Islamic scriptures, the Quran, or Hadith. He admitted that when police brought accused individuals to the Dargah, he did not mention names of other staying individuals aside from those presented. No register of names or addresses was maintained at the time. He did not name Kayamuddin or Rafiquddin Kapadiya in his initial police statement. Questions regarding the geography of the Dargah and the community were deemed irrelevant to the case and not detailed. The witness admitted he had no disputes with those who stayed in the guesthouse and received no threats or pressure between August 28, 2008, and September 15, 2008. He confirmed police were not present in the room when his statement was recorded by the Magistrate on the 15th and 16th.

15.31. During further cross-examination by Advocate Mr. Pathan, the witness stated the Dargah had eight trustees and funds were managed by a treasurer. He denied issuing any receipts in January 2008. Aside from himself, two cleaners, Budhalal and Shantamasi, resided there. Most questions focused on the Trust's operations and visitors. The witness reiterated that the Magistrate was alone with him during the statement recording and confirmed no pressure was applied. Counsel for other accused adopted this cross-examination.

15.32. The Court has also perused the statement of this prosecution witness recorded under Section 164 of the Code of Criminal Procedure code, before the Metropolitan Magistrate Court. The Metropolitan Magistrate verified that the witness intended to give his statement voluntarily and confirmed that there was no threat or pressure or coercion. The witness was also asked if he required additional time to

reflect, to which he replied that he wished to give his statement voluntarily. His statement was subsequently recorded on 16.09.2008.

15.33. In this statement, the witness stated that on January 13, 2008, at 2:00 PM, Imran Shaikh(accused no.2) came from Vadodara and met him, and stated he wanted to stay for two to three days in Dargah. Furthermore, Imran Shaikh, stated that around 20 to 22 people from the Tai community were with him and requested to stay in the tin-roofed guesthouse (Patrawali Dharmshala) as they were heading to the forest for training. The witness identified Dr. Shadab Panwala, noting that these people would leave for the forest at 9:00 AM and about 12 to 13 people would return in the evening. On the evening of January 15, 2008, Dr. Shadab and Imran gave him 100 rupees to put in the charity box. These individuals arrived in a white Tata Sumo vehicle. The witness expressed that innocent people died in the bomb blast incident and he wished a strict action against the accused.

15.34. The court having perused the statement recorded under Section 164 of Cr.P.C. vide Exh.7924, it is clear that the witness testified voluntarily without pressure. The witness remained consistent in his court testimony, emphasizing his grief over the loss of innocent lives in the bomb blast and his willingness to cooperate with legal proceedings. His evidence regarding his role as a Munjavar and the arrival of Imran Sheikh with around 20 to 22 men for "trekking" is corroborated by witnesses Ramkabhai and Pravinbhai, who observed around 20 to 25 men training in tents. These testimonies are mutually reinforcing. Despite the defence's focus on geographical and administrative details, the prosecution successfully proved the witness identified the accused and his own signature on the exhibit to Section 164 Cr.P.C. statement.

15.35. Therefore, considering the testimony of this prosecution witness

Idrish, on that day this witness seems to have been present at the spot i.e. Khundpir Dargah. From the evidence of this witness, the presence of all accused in camp at Khundpir Dargah during the relevant period for training is sufficiently established and the aspect of this witness acknowledging them, the case of prosecution is getting sufficient support. Further, here prosecution has taken efforts to examine the very witness before learned JMFC, in which this witness has categorically deposed in court, and narrating whatever he saw and his statement under Section 164 Cr.P.C. to that extent being noted. In the cross examination, testimony of this witness has remained intact. Therefore, on the strength of testimonies of witnesses namely Pravinbhai, Ramkabhai, Idrishbhai and Ambalal, case of prosecution gets established. The evidence indicates that the accused had assembled to undergo weapons training as a part of the larger to cause terrorist acts in India. The aforesaid evidence divulges that the Appellants along with other co-accused were given the said training to equip themselves to commit terrorist acts in various parts in Gujarat, and, therefore, they were rightfully convicted for the same. In view of the entire evidence enumerated above, we hold that the Appellants were actively involved in the conspiracy to cause terror act by causing blasts in Gujarat and in consequence of the said involvement, they had committed offences.

15.36. Applying the principles which can be culled out from the principles set out above to the factual scenario, the inevitable conclusion is that a Terror training Camp was organised at Halol Pavagadh. When an accused is a participant in a larger conspiracy planned, he cannot take the advantage of being ignorant about the finer details applied to give effect to the conspiracy hatched. But the factual scenario described by the witnesses in the statements recorded u/s 164 as well as depositions

in court during trial, shows their deep involvement and participation of all accused.

15.37. Upon perusing the deposition of this witness, it appears that he has identified the following accused in the court:

1. Kayamuddin Kapadiya
2. Rafiyuddin Kapadiya.

PW No.792-Ramkabhai Devkaranbhai (Exh.6802)

15.40. The Court has also perused the deposition of PW No.792-Ramkabhai Devkaranbhai vide Exh.6802. In his extensive examination-in-chief, he deposed that he was engaged in the milk trade and that on 27th August, while he was grazing buffaloes near Kamlesh quarry, Helical Vav, the police approached him. Upon being questioned whether he had observed any unusual activity like anyone pitching a tent and conducting training on the day of Uttarayan, the witness answered in the affirmative. Furthermore, it was stated that on the day of Uttarayan, he and Babubhai went to search for buffaloes as they had gone missing. During that time, they observed a pitched tent. While standing near said tent, they observed approximately 25 to 30 individuals crawling on their

elbows and shooting balloons, which were tied to a wire inside, with a gun.

15.41. During this activity, a man came out from within the premises and confronted them, "Why are you standing here?", to which they responded that they had come to find their buffaloes. Thereafter, they returned home. The witness described these individuals as being of uniform height, having short-cropped beards, being approximately five-and-a-half to six feet tall, and of fair complexion. They were speaking in Hindi. The police recorded his statement regarding these facts.

15.42. Subsequently, the following day, the police arrived and instructed him to go to Ahmadabad for a Test Identification Parade (TIP). Accordingly, he went to the Court on the 30th, where he met the peon. At that time, the witness, Pravinbhai, Babubhai, and Ambalalbhai were present. After some time, he was summoned inside the Court. There, an officer was seated in a chair, and there were 60 other men present. Regarding the 60 men standing there, the officer instructed the witness that if he recognized anyone, he should identify them by hand and bring them forward. Accordingly, he brought out those whom he recognized. He identified seven individuals. Their names were Imran, Safdar, Mohammad, and Yunus. He stated he did not recall the names of the individuals other than these. Thereafter, he exited. Subsequently, they went to the Crime Branch office and informed the police of these facts.

15.43. Furthermore, this witness stated that in June 2012, the police arrived, served him a document, and informed him that he had to attend the Ahmedabad Court for an identification parade. Thereafter, he went to the Court on the 6th, where a Judge Saheb was presiding. The Judge first inquired as to his name and address and then instructed him to identify and bring forward any individuals he recognized from the six men

standing there. Accordingly, he recognized one individual, caught him by the hand, and brought him forward. That individual's name was Munno. Thereafter, he exited, and after 15-20 minutes, Pravinbhai also arrived. Subsequently, they went to the Crime Branch office. There, when the officer inquired as to what occurred in Court, the witness stated all these facts.

15.44. During his examination-in-chief in Court, upon being asked to identify the individuals previously identified, the witness identified the accused Safdar via Video Conferencing (VC) on a TV screen from among groups of three individuals lodged at Bhopal Central Jail. Similarly, he identified the accused Yunus from among the accused lodged at Ahmedabad Central Jail.

15.45. During cross-examination by the learned advocate for the accused, Ms. Naiyaben Bhatt, this witness stated that at the time of the identification parade, he, Pravinbhai, Babubhai, and Ambalal arrived together. The police had summoned them for the identification parade. Thereafter, the witness responded in the negative to the majority of the questions. Furthermore, in cross-examination, he was questioned as to whether he had recorded facts regarding the description of the individuals identified by him. The witness stated that he had indeed recorded such facts. The witness also denied the suggestion that his test identification parade was not conducted properly.

15.46. Subsequently, during cross-examination by the learned advocate for other accused, Mr. Pathan, the witness stated that he previously conducted a milk business. Currently, he does not engage in the milk business. Many questions regarding the milk business were put to this witness by the defence; however, as it does not appear relevant to mention them, those questions have not been recorded verbatim. Upon

being questioned in cross-examination, this witness admitted that the location where he observed the men is at an elevation from Helical Vav. He did not point out the specific location where the tent was situated to the police. Furthermore, upon being questioned regarding the timing and specific location of his statement, the witness stated that due to the significant lapse of time, he does not recall.

15.47. Furthermore, he denied the suggestion that he had not recorded with the police the fact that the persons he saw had short-cropped beards. Additionally, this witness was questioned regarding the geographical layout around the courtroom he entered and the doors; however, as it does not appear relevant to mention those questions at this stage, they have not been recorded verbatim.

15.48. Thereafter, during cross-examination by learned Advocate for another accused, the witness denied the suggestion that no such incident occurred on the day of Uttarayan. Subsequently, during cross-examination by the learned advocate for other accused, Mr.Shaikh, the witness was also questioned regarding the geographical situation of the Pavagadh foothills, which have not been recorded verbatim. The witness was further subjected to lengthy cross-examination regarding his milk trade, which has not been mentioned verbatim. During cross-examination, the witness admitted that Ambalal Sonalal Sharma has deceased. He stated he had no knowledge regarding his children. He stated he knows Pravinbhai Hamirbhai, though he does not know his current occupation. Furthermore, questions were put to the witness regarding the service of summons. As those questions were not relevant to the case, they were not recorded verbatim.

15.49. Furthermore, the witness was questioned regarding the travel time and route from Pavagadh to Khundpir Dargah. Similarly, questions were

put regarding whether he had conversed with anyone regarding the tent incident or if he had recorded these facts in a diary. Regarding this, the witness stated that at the time he met the police, he did not provide any photograph or sketch. He denied the suggestion that the police had apprehended Munna and taken the witness to a specific location.

15.50. Additionally, questions were put in cross-examination regarding the physical appearance of Muslim women and men and their attire. As this was not relevant to the case, it was not recorded verbatim. The learned advocate for the defence also conducted a detailed cross-examination regarding the physical description of the Magistrate Saheb and his official duties. As this entire cross-examination was not relevant for the judgment and is already on the record, those questions were not repeated in the judgment. During cross-examination, the witness firmly adhered to the facts that he attended court for identification at the instance of the police, that Pravinbhai, Babubhai, and Ambalal accompanied him, and that he identified the accused in Court in the presence of the Magistrate via video conference, having also identified them during the prior identification parade. Throughout the majority of the cross-examination, the witness remained consistent with the prosecution's case and denied the suggestions put forth by the defence.

15.51. Thus, from the sworn testimony of this witness; Ramkabhai Devkaranbhai, it is clearly established that on August 27, 2008, there is reason to believe he observed a tent near Kamlesh quarry and saw 25 to 30 men crawling on their elbows and shooting balloons with a gun. It is clearly proven that even though these individuals were placed with dummy accused during the identification parade, the witness identified Imran, Safdar, Mohammad, Yunus, and Munno. He also identified the accused lodged in Bhopal Central Jail and Ahmedabad Central Jail in

Court through video conference.

15.52. During the cross-examination, no contradictory facts were brought on the record by the defence that would suggest the witness, Ramkabhai Devkaranbhai, is deposing falsely under oath. It is essential to note that despite lengthy cross-examination by multiple learned advocates, the defence was unsuccessful in bringing any facts to the record that would suggest the witness was lying or maliciously involving the accused. Therefore, the evidence provided by this witness is found to be clearly credible and reliable. The defence, during cross-examination, was unable to extract any material contradictions or omissions that would undermine the substantive truth of the version of the prosecution. The mere suggestion asked in cross examination for false implication is unsupported by any evidence and is plainly a bald denial aimed at deflecting the gravity of the charges. It is relevant to note that during cross-examination, nothing material could be elicited to discredit or contradict the witness testimony regarding the acts by the accused. The prosecution evidence is cogent, corroborative, reliable, trustworthy and not shaken during cross-examination and there is no residual doubt in the case of the prosecution.

15.53. This witness has therefore identified following accused during his deposition.

1. Safdar
2. Yunus

15.54. This witness has identified following accused in the test identification

Witness to the holding of terror camp at Vagamon, Kerala:

15.55. The Court has perused the evidence of P.W. No.998-Anilkumar Damodaran Pottananiyil at Exh.6950 who at the relevant time was working as a supervisor at a farmhouse in Thangalpara area of Vagamon, and has deposed about the presence and activities carried out by a group of 30 persons who were residing in tents in the said farmhouse in December 2007.

15.56. This witness has deposed that he was working as a supervisor in a farmhouse in Vagamon which was owned by Dr. Alex and that in December 2007, around 30 persons were residing in tents which was at a distance of 500 metres from the farmhouse. These persons were conducting motorcycle races and were shouting slogans such as "Allahu Akbar, Bolo Takbir". He has also deposed that he had seen those persons crawling on their knees and passing underneath a wooden piece which had been placed there. He has deposed that such activities had been carried on for two days and that he had seen flags of various colours and a board bearing the words "Extreme Adventure" at the aforesaid location. He has deposed that his statement in that regard had been recorded by the police.

15.57. In the cross examination, this witness has deposed that Vagamon is a tourist place and that many tourists from Kerala and even from different parts of India visit Vagamon. He has deposed that there were no police stations in Vagamon at the relevant time although there was an Outpost Police Chowky, and the police officers of the chowky used to patrol for the protection of the tourists. He has deposed that there is no

road at the said place but it was an off-road area, where a vehicle like a Jeep or Bolero could come and that the said Outpost Police Chowky was seven kilometres away from his house. He has denied the suggestion that in order to go from the farmhouse to his house, he had to pass by the police chowky and has deposed that there are two routes, one by taking a 10 kilometre detour and the other route which is near the police chowky. He has depsoed that he had not lodged any complaint regarding the aforesaid and persons therein and that he had been called to Kochi, which is more than 100 kilometres away for recording his statement. He has admitted that it had not been recorded in his statement before the police that the persons were conducting motorcycle races, shouting slogans, crawling on their knees and passing under a wooden piece or that he had seen flags of various colours and a board which bore the words “Extreme Adventure”. He has deposed that he had not stated the same as he was not asked about it and that his statement had been recorded by the police, one year after the said incident had taken place and that during the said period, he had spoken about the incident at two to four places. He has deposed that he had seen the said persons for two days. He has denied the suggestion that he had not seen any persons putting up tents, residing therein or carrying out any activities in December 2007.

15.58. Upon perusing the evidence of this witness, it establishes the fact that a terror camp had been conducted at Vagamon and that there was a group of about 30 persons who were residing in the farmhouse at Vagamon in December 2007 and the activities carried out therein such as, crawling on knee, shouting slogans, motorcycle racing, etc. have been witnessed by him at the said place for a period of two days. This is an evidence which has to be seen alongwith the evidence of other witnesses

including that of the approver-Aiyaz and the confessional statement of accused. The Court may also observe that a separate trial on holding of a terror camp at Vagamon has resulted into a conviction of some of the accused.

Witnesses related to conspiracy:

PW No.957-Zakir (Jakir) Hussain Abdul Jabbar Kureshi (Exh.6687)

15.59. The Court may undertake the appreciation of evidence of the most important evidence PW No.957-Zakir (Jakir) Hussain Abdul Jabbar Kureshi vide Exh.6687, a resident of Gomtipur and other accused came in contact with this witness through common friends and locality. His father was having business of 'Royal furniture' and at that time he came in touch with Firoz, who was his neighbor from young days. He was doing embroidery work and they used to play cricket. Alongwith Firoz, accused No.27-'Adul Rajik' was also doing embroidery work. So through Firoz, Zakir came in contact with Abdul Rajik and they started meeting.

15.60. In the examination-in-chief, the prosecution witness has deposed that in November-2007, Rajik called him on phone to reach Kamdar ground, where there is a program of Darsh-e-Quran. At 8:30, Zakir reached at Kamdar ground, where both Rajik and Firoz came in AMTS Bus and he was taken to the house of Ibrahim Ansari. At Ibrahim's residence, other persons Ibrahim Ansari, accused No.5-Gyasuddin Ansari of Gomtipur, Javed Shaikh and Aslam from Gomptipur were introduced by Rajik. Thereafter, Javed Shaikh read out Quran and talked of Jihad. Zakir was invited to join the program every Monday, but Zakir avoided as Zakir was busy in his work so though

called, he did not attend the program.

15.61. In January-2008, again this prosecution witness called by Rajik at Ibrahim Ansari's house and there the prosecution witness was introduced to Samsuddin and Aiyaz. The prosecution witness came to know the co-accused during his two-three visits to Ibrhaim Ansari's house. He introduced to other accused and there these people means Abdul Rajik, Gyasuddin Ansari, Javed Shaikh, Ibrahim Ansari, Samsuddin Shaikh and Aiyaz. They would read Quran and Abdul Rajik delivered a discourse (Takrir). This was avenging the deaths of Muslim in the year 2002 and talked about Jihad. Thereafter, the prosecution witness left the meeting and stopped going there. Thereafter, Rajik used to meet him and encourage him on phone also to participate.

15.62. Again in March-2008, Rajik called him on phone insisting to come to Dariyapur Limbdi to participate in the program saying that since long he has not come. So in night, the prosecution witness went on motorbike to Dariyapur Limdi where Rajik met him and took him to Samsuddin grandfather's house (Nana) where may people were present. Amongst them, there were Samusddin Shaikh, Abdul Rajik, Mujib Shaikh, Yunus Mansuri, Arif Kagji, Adbdul Subhan @ Taukir and Mufti from Azamgadh and one Riyaz was also there. He would not remember names of all who were present.

15.63. In this meeting, Taukir delivered instigation speech of loss of life of Muslims in 2002 because of the anti-Muslim Government and so encouraged to undertake and spread terror activity to remove the Government and establish Islamic Rule.

15.64. Thereafter, speech was given by Mufti stating that SIMI has become strong and in all big cities there are SIMI workers and all of them have to gather and perform Jihad to remove the anti-muslim

Government. At this time, the prosecution witness realised that these people were SIMI operatives and their talks were anti-Government and anti-national.

15.65. He deposes that about 20 days after the March meeting, he was crossing Sarangpur Bridge on his bike, where he saw Abdul Rajik. Jahid Shaikh, Mujib, Gyasuddin and Javed Shaikh were standing. So the prosecution witness also stopped and went there to find Rajik and Jahid Shaikh crying and saying that their brothers were arrested and they were blaming others for not doing anything and also stated that "Police must know our strength for that we must do explosion in public" while Mujib and Gyasuddin were pacifying. Abdul Rajik was in great anger so Javed asked this prosecution witness to drop Rajik at his home.

15.66. On the way of home, the prosecution witness inquired from Rajik about the matter to which Rajik replied that in Indore SIMI workers are arrested so such atrocities upon Muslim have to be avenged. So the prosecution witness dropped Rajik and went home. According to him, Jahid Shaikh was of Juhapura, Javed Shaikh of Gomtipur, Gyasuddin from Gomtipur and Mujib from Juhapura.

15.67. Thereafter, after 15 days prosecution witness went to meet Rajik and he came to know that Rajik has gone to Madhya Pradesh and upon his return, Rajik came to meet the prosecution witness after 15 days and informed that he had gone to Indore and met family members of the arrested SIMI workers and other SIMI workers. Rajik also informed that to get the SIMI workers released, they have to spread terror amongst public. Thereafter, Rajik left saying that he has to inform other SIMI members about his Indor visit.

15.68. It is deposed that in June 2008, Rajik called this prosecution witness to come to Ibrahim Ansari's home, and in night when

prosecution witness reached there, he found Ibrahim Ansari, Abdul Rajik, Gyasuddin, Javed Shaikh and Mujib present and Mufti said that if SIMI workers are arrested, then no need to be afraid and that they were determined to establish Islamic Rule. Abdul Rajik asked prosecution witness to wait and then dropped Mufti at the house of Yunus Mansuri. So all the three rode on one bike to drop Mufti and on the way prosecution witness came to know that Mufti's name is Mufti Abubashar.

15.69. He further deposes that after a week he received call from Rajik that one Abdulla Mufti has come at house of Yunus Mansuri so he is called, so he and Rajik on his bike went to Yunus and met Mufti and one Alim and Mufti informed that all preparations are made and very soon Islamic Rule will be there. Thereafter, food was served and then prosecution witness left alongwith Rajik.

15.70. He further deposed that on 20th July, Rajik came to his home, at that time, the prosecution witness had changed his mobile number and taken a new mobile number. So Rajik asked for his old Sim card saying that his father needed it for some days. So he gave the old Sim card, and on 23rd July, the prosecution witness called on his old Sim number to get back the Sim card, which was answered by Rajik himself but he disconnected saying that he is busy. Later, on 24th July, Rajik called back and said that yesterday he was busy and called prosecution witness to repair his house door, as it was not closing properly. So, the prosecution witness went to repair in evening and Rajik's mother was there, so prosecution witness inquired about Rajik to which she replied that Rajik since two days receiving many phone calls and he is not staying at home. So, the prosecution witness left and again on 24th July, went to actually repair the doors at Rajik's house, when Rajik was not present, but while he was repairing the door, Rajik arrived and in the evening, Rajik took

prosecution witness to Dariyapur Limbdi and there others were present. Imran Putthawala, Yunus Mansuri, Samsuddin Shaikh and Rajik were mocking at Muslims who were welcoming 'Rath Yatra". Thereafter, the group went away at some distance to converse which prosecution witness could not hear.

15.71. The prosecution witness on 26th July, as usual went alongwith his father on his business and in evening from Samsuddin came to know about bomb-blast and therefore, closed and went home.

15.72. Next day, the prosecution witness went towards Sarangpur and from P.C.O. called Rajik and as he was somewhere near to come to meet prosecution witness alongwith Yunus Mansuri on his bike. Prosecution witness was taken to Yunus house and there both read the newspaper and were laughing and asked prosecution witness if he knows where is Bapunagar Old Chawl. So Rajik said that his one friend Afridi who had a fight at home is staying there with his Mama Altaf. So all of them went there inquiring about Altaf's house, where Afridi was found alone in house and was frightening, while watching news about blast saying that one face at Narol Circle has been identified. Thereafter, Rajik distanced prosecution witness from there and had internal talks with Afridi. The witness left from the place.

15.73. The aforesaid sequence of incidence is according to the Court pointing towards a circumstance showing involvement of the accused in the blast incidents.

15.74. The prosecution witness deposed that after 20 minutes, he received call from Rajik and called him near Rakhial Fish Market and upon meeting him asked to drop "Afridi" and Jahid Shaikh at Dani Limbda while on the way to his business. So they left in triple ride and on the way Rajik got down saying that he has sent two guests to Baroda

in bus and is concerned if they have reached when prosecution witness asked which guest? Rajik did not answer at all.

15.75. This circumstance point towards the involvement of the accused who are from Baroda and participated in this offense.

15.76. The prosecution witness then left 'Afridi' at shop of Jahid Shaikh, where Jahid Shaikh was present.

15.77. The prosecution witness thereafter, deposed that on 28th July, Firoz called him at Gomptipur Circle where Rajik was also present. They all walked towards bus-stand when Rajik disclosed that for doing the work like this bomb-blast, a very confident partner is needed "who are ready to wash each other's latrine" then instructed the prosecution witness to go home and wath T.V. news like a normal person and should not even get a feel that such work is done by him (Rajik).

15.78. It is deposed that on 29th July, Rajik called him on phone to come and meet and informed prosecution witness that his father has purchased tickets for Ajmer and so he is leaving for Ajmer with his family and asked prosecution witness to handover certain documents of his father for new Sim card to Jahid Shaikh, which the prosecution witness handed over to Jahid at his shop.

15.79. This conduct of the accused-Rajik shows that he had a planned to stay away from Ahmedabad immediately after the incident. The witness also recollected that Rajik had asked for documents of any Hindu friend as he wanted to prepare a "Pan Card". This also suggests the plan to hide their activities by using fake names and identities.

15.80. The prosecution witness deposed that on 1st August morning, Abdul Rajik called from PCO. Thereafter, in evening Firoz came with mobile phone of Rajik saying that it was for repair so the prosecution witness took the phone and kept with himself.

15.81. On 3rd August, Mujib Shaikh called on phone to know about situation in Ahmedabad. So the prosecution witness replied that he is busy in his work, but when he inquired about Mujib's whereabout and he disconnected. Later on realized that both Rajik and Mujib had called from same mobile number, so they were together and it was from M.P..

15.82. The prosecution witness further deposes that on 07.08.2008, while he was on way to bring his wife from Gwalior, M.P., in evening he received a call from Rajik and when Rajik was told that prosecution witness is going to Gwalior, he inquired about the train and coach number. Thereafter, Rajik told him that he would come at Ratlam station to meet him. He further deposes that at around 2:30-3:00 a.m., when train reached Ratllam station, Abdul Rajik came to meet, he was alone. He asked about Ahmedabad friends, but the prosecution witness was in no mood to answer. However, Rajik informed that he will accompany prosecution witness till Nagda and sat with him. Rajik then informed that idea to cause blasts in Ahmedabd was of Kayamuddin and Taukir, and they had made contact with Indian Mujahideen and both were in contact and Rajik was in their contact. Rajik mentioned that to avenge 2002, bomb blats were planned and all necessary things will be provided by Indian Mujahideen. Rajik also narrated that Taukir and Kayamuddin came to stay in Ahmedabad and all were in their touch. He also mentioned to prosecution witness about the recce of certain areas to plant bomb was performed. For this Afridi, Mujib and Aiyaz were already in his touch and Taukir was in touch of Indian Mujahideen and all the materials for making bomb will be provided by Indian Mujahideen and for deficit "things' can be procured locally.

15.83. He also narrated to the prosecution witness that the cycle laden with bombs were placed at certain places identified in recce by Rajik

himself and Afridi, Mujib, Kayamuddin and Aiyaz and other remaining places, members of Indian Mujahideen coming from U.P. had planted the cycle bombs and later returned to U.P. whereas the car Bombs plated in Civil and L.G.Hospital, the cars were procured by "Indian Mujahideen member" from Mumbai.

15.84. Rajik lamented about non-exploding of Surat saying that "he does not know that mistake made by brothers in Surat". Rajik continued and narrated that Taukir had asked all to leave Ahmedabad. Mujib and Taukir were with him only, and he was not aware about rest. Thereafter, train arrived at Nagda. Rajik got down asking prosecution witness to take care of his parents and will call for any help.

15.85. The prosecution witness deposed that Kayamuddin is from Baroda and question was posed about where and how prosecution witness met Kayamuddin to which it was answered that in March-2008, he met at Samsuddin's Nana residence.

15.86. This sequence of narration in the deposition is in the form of extra judicial confession by Abdul Rajik. The Court has discussed on the "Extra Judicial Confession' in a separate chapter of "issues".

15.87. This evidence clearly is fitting into the direct evidence of the eyewitness in his deposition and brings on record the module, which was put into operations where the part of the execution was on the Indian Mujahideen operative and part on the accused people locally stationed. The Indian Mujahideen also appears to have divided the work of planting of cycle bombs by the Indian Mujahideen from U.P. and car bombs by the Indian Mujahideen from Mumbai. Such modus can come on record as evidence only through a confession of any accused.

15.88. In this case, several accused have made confession regarding their own involvement however, the accused referred to by this

prosecution witness, none has made any confessional statement and apparently only these set of accused were aware of such a modus. Therefore, as discussed under the sub-chapter of "Extra Judicial Confession", the Court has no hesitation to accept the version of this prosecution witness regarding the extra judicial confession in its entirety and accepting the role attributed in this by the witness.

15.89. In para-20, the prosecution witness has deposed about the manner in which he had proceeded to give his statement to the police and how he was summoned by Court on 24.10.2008, by the Metropolitan Magistrate Court No.5 and how he was subjected to scrutiny by Magistrate before recording his statement under Section 164 of Cr.P.C.. The witness identifies his signature and content of such statement and thus the same is exhibited as Exh.6688.

15.90. The witness has then proceeded to identify the accused persons on the T.V.Screen through video conferencing.

15.91. The prosecution witness identifies correctly Kayamuddin Kapadiya, Javed Shaikh, Alamzeb Afridi, Aiyaz Razak Saiyed, Mufti Abubasahr, Arif Kagzi, Jahid Kutubuddin Shaikh, Samsuddin Shaikh, Yunus Mansuri, Rajik Shaikh and Gyasuddin Ansari.

15.92. The Court observes that in the evidence of this witness recorded for the identification in Court and upon identification by name, the accused thus identified have given their names with some prefix or suffix, which appears to be a ploy to later on take up contentions of identity mistaken due to variation in name. However, the witness has deposed their respective names as they were ordinarily known. The Court finds the identification beyond any doubt in view of the fact that this witness had more than sufficient identification with these accused from close counters.

15.93. The Special Court has also made a separate note that accused No.30-Mohammad Sadik @ Yasir @ Imran @ Sadakat S/O Israr Ahmed Shaikh, accused No.43-Anik @ Khalid S/O Shafik Saiyed , accused No.44- Mohammad Akbar @ Said @Yakub @Vinod S/O Ismail Chaudhari, accused No.46-Mohammad Naushad @ Mohammad Irshad Saiyed , accused No.47-Ahmed Bava @ Abu S/O Abubakr Barelvi, accused No.48- Sainuddin @ Abdul Sattar @ Abdul Salim @ Salim, accused No.49-Sarfuddin @ Sarfu and accused No.72-Abdulsattar P @ Mansur S/O Abdulrazak Muslim were not available for identification being in Taloja jail and Ernakulam prison.

15.94. This portion of evidence was recorded till Court hours on 08.12.2017 and as Court time was over, the matter was adjourned for cross-examination. Further, on 03.01.2018, defence application Exh.6715 for deferring cross-examination of witness vide Exh.6715 was allowed and cross-examination got deferred on 10.01.2018. Thereafter, the defence gave application Exh.6695 U/s 319, for arraigning witness Jakir Hussein as accused on 13.12.2017 and same was rejected on 15.12.2017. The defence challenged Section 319 Cr.P.C's order in Criminal Revision Application No. 1225 of 2017, which got dismissed on 14.09.2018. Cross-examination started on 11.10.2018. During the period when cross-examination of witness Jakir Hussein remained deferred, prosecution continued to examine witnesses and witnesses examined during this period are PW No.958 to PW No.1076.

15.95. The cross-examination was initiated by Shri M.M.Shaikh from para-36 of the deposition by putting questions regarding Darsh-e-Quran in November-2007 and what happened in those meetings. He was also questioned about his knowledge on “Hadish” and “Quran” and use of words like Jihad, Namaz, Roza, Qayamat in this scripture. He admits

that accused (names not repeated for brevity) named in chief were participating in the meetings. On a question that after the meeting, all these persons used to go back to their work to which witness answered that he used to leave what others did, he is not aware and that all those persons were common man like himself. He has answered that it has not happened that after Darsh-e-Quran meeting, there was another special meeting to which he was invited and that he has attended such meeting. This would mean that the witness is not aware of any other meeting conducted after the Darsh-e-Quran meeting.

15.96. He has denied to the question about his participation in conducting of recce, bringing cycle, loading bomb on it or purchase of material for bomb. He was not assigned any of the duty by anyone.

15.97. He is questioned about general understanding of democracy and Hindu Rule and Islamic Rule, which he has denied having any knowledge. Thereafter, he is questioned about 2002 riots in Gujarat and damage caused to Muslims to which the witness admits that Muslims were upset on this account. He is questioned about his whereabouts between 26.07.2008 to 16.10.2008, to which he has replied that except for one week for bringing his wife, he has not left Ahmedabad. He is questioned about any notice received from Court or authority and as to how he came in contact with one Chavda Saheb through a friend, which line of question does not appear to be of any consequence and hence, not referred to in detail herein. However, he has ultimately denied that his brother Abbas is an informer of Crime Branch.

15.98. The prosecution witness is questioned about family members and about his travel to Gwalior in an attempt to create a cloud over the meeting of Rajik and prosecution witness in a train travel between Ratlam to Nagada. however, the line of question regarding submitting

travel tickets or reservation details, in opinion of the Court, is not sufficient to doubt his travel at all.

15.99. The witness is thereafter, questioned about his knowledge about Courts in Ahmedabad in attempt to challenge his statement under Section 164 of Cr.P.C. However, no doubt is created upon the version of the prosecution witness as it is consistent with the exhibited documentary evidence, which have been prepared by following due process of law and by the Magistrate executing proper jurisdiction. The witness has denied any interference or police influence on his giving of statement during investigation or statement under Section 164 of Cr.P.C.

15.100. One issue was raised when the witness answered in denial that before the Magistrate he has not taken oath, to which the witness answered that he has taken oath of "Khuda" to argue that statement under Section 164 of Cr.P.C. was recorded on oath (para-43). However, perusal of Exh.6688 does not refer any oath being administered. However, upon further questioning, the witness in fact confirm to the procedure adopted, which in the opinion of the Court, is not creating any doubt either on procedure or version given by witness.

15.101. The witness was then questioned about his business, which is not relevant and about his mobile usage between July 2008 to October 2008 and recharged done perhaps to argue that the witness was in illegal detention so there was no recharge of mobile. However, such question does not lead to conclusion about his illegal confinement, particularly when the witness on oath has not admitted to any illegal confinement. In this line only, he has been questioned about names of certain advocates and that he had met them, but such line of question does not lead to any conclusion.

15.102. He has in any case denied about any external help including that

from one Abhay Chudasma and other police officers of Crime Branch. He has categorically denied that he was also in police custody alongwith other accused persons like Ibrahim Ansari, Alim, Firoz with a special mention of Riyaz as it is argued at one stage that Riyaz is one witness who is declared hostile and in his cross-examination by defence counsel he has specifically answered that he has seen this prosecution witness in custody. Obviously, the hostile witness has made an attempt to help the defence in any manner and therefore, being a hostile witness, the evidence of such witness Riyaz cannot be pitched against the present witness.

15.103. He has denied of any torture method applied on him to cough out favourable statement and that only after his statement before Magistrate, he was let go. He has also denied that his customers for furniture are police and that furniture of one Mayur Chavda was made by him. He has also denied that he is under police surveillance and under constant pressure by police to depose in a particular manner only.

15.104. The witness is thereafter, cross-examined for some of the accused by Shri L.R.Pathan. He answered that with regard to the meeting prior to 25.07.2008, he is unable to give exact dates, but has given approximate period, but he deposed that details of all incidents/meetings had been conveyed by him to the police.

15.105. He denies that in June-2007 or prior when he met Rajik, the fact that Rajik talked about 2002 revenge and Jihad was stated in police statement. This means that even in police statement, witness has stated this fact. He also denies that in his police statement, it is not stated as to for what work he went to house of Abdul Rajik or why Abdul Rajik came to his place.

15.106. He denies that in police statement, he has not sated that his phone

was not working was conveyed by Rajik to him. He admits that Rajik did not know that his old number was not working, but he has not informed the mobile company, but he had simply started using new sim card. He deposed that he has not given any statement of mobile company about phone usage to the police, but he denies the suggestion that he had not received call from Rajik to come to Kamdar ground. Meaning thereby, the witness confirms what he narrated about the phone call from Rajik for meeting near Kamdar ground.

15.107. He has put this question regarding the sequence of event of going to meet at Kamdar ground and thereafter, an admission of the prosecution witness that this sequence was not narrated in his statement before the Magistrate. The prosecution witness proceeds to depose that it was not necessary to repeat contents of statement under Section 161 of Cr.P.C. to police before Magistrate, but only the important events were to be narrated.

15.108. In para-55, denial is recorded that several details mentioned by the prosecution witness in the chief were not mentioned in the police statement. However, this witness has denied the same. However, he admits that those details are not mentioned in the statement under Section 164 of Cr.P.C., the witness has deposed at this stage also that those details not being salient in nature are not mentioned. Similarly, in para-56 and 57 also, each instance mentioned in chief and not mentioned in the statement under Section 164 of Cr.P.C. regarding the speeches in the meeting, phone calls summoning him to meetings and the religious discussion (Takrir) and participation of SIMI. Again the prosecution witness has explained those details being minor details are not mentioned in statement under Section 164. In para-58 to 72, the similar exercise is undertaken in cross-examination by contradicting the

prosecution witness by the content of statement under Section 164. However, while doing so, the witness has denied that he has not mentioned or narrated the contents of the chief in the previous police statement recorded under Section 161 of Cr.P.C. Therefore, merely because such narration is not there in statement under Section 164 of Cr.P.C., particularly when prosecution witness has offered explanation, then it cannot be said that the contradictions are proved to affect adversely the version of the witness in the chief-examination.

15.109. Lastly, a specific question on Abdul Rajik regarding calling for document of Hindu friend for Pan Card, the witness has denied that the same was not mentioned in police statement.

15.110. According to the Court, even after the attempt by the defence to contradict the witness by referring to only statement under Section 164 of Cr.P.C. and deliberately not contradicting him with the previous statement under Section 161 of Cr.P.C., and the answers given by the witness go on to establish the witness as reliable and defence has not been able to make dent in the version of this witness. Thereafter, the remaining six advocates for various accused have adopted the cross which concluded on 11.10.2018.

15.111. The Court is inclined to believe the version of this witness as a reliable witness who has accurately narrated the incidents and participation and role of the accused persons.

15.112. Though an attempt was made to include the prosecution witnesses an accused, the same came to be rejected by a reasoned order which has attained finality. The Court also finds for the reasons already assigned by the Court elsewhere (see sub-chapter confessional statement) that the role of the prosecution witness is being there in the meeting were not at par with accused and therefore, to this Court also, the prosecution

witness does not fall in category of "Accomplice".

15.113. The witness is wholly reliable and his version establishes the participation of the accused in the conspiracy when there is meeting of mind on the "common objective" favoured by the participating accused.

15.114. The version also establish that for executing the plan, there were meetings at various point of time maintaining the live connect with the "common object" i.e. to create terror in public with the motive to destabilize Government, being Islamic Rule, get the SIMI workers released and the anti-national effects.

15.115. It is also established that how each accused was to perform the role divided amongst them like procurement of material, role of outsider like Indian Mujahideen operatives from U.P, and Mumbai, at the same time, maintaining confidentiality that each accused may not know the other unknown accused to cut down any link in the consequential investigation following the offense. This is therefore, a deep rooted conspiracy in a structural manner where the known loop-holes of investigation are also exploited.

15.116. A statement u/s. 164 of Cr.P.C is recorded and the details is as under:

P.W. No.1115-Mohammad Umar Usman Mansuri (Exh.8002)

15.118. The Court has perused the statement of Mohammad Umar Usman Mansuri, recorded under Section 164 of the Code of Criminal Procedure before the Metropolitan Magistrate Court No. 12 on 22.12.2008. The Magistrate recorded the statement after the witness confirmed that he was giving it voluntarily and without any external pressure or coercion. In his statement, the witness identified Imran Sheikh, Kayamuddin, Usmanbhai Agarbattiwala, and Iqbal Sheikh from Taiwada, Vadodara. He stated that in March-April of that year, when the Madhya Pradesh police came to arrest Kayamuddin, he learned that Kayamuddin was an activist for the SIMI (Students Islamic Movement of India) and was being sought for organizing camps in Halol and Kerala. Kayamuddin had contacted the witness to request the phone number of Dilawar Gheewala, which the witness provided. The witness further stated that in the first week of June, Kayamuddin met him at a restaurant on Old Padra Road and proposed, **"We have to carry out blasts in Vadodara, and other parts of Gujarat, in which other SIMI activists**

are also going to support me; so, you find a crowded place, specifically where more Hindus reside, and assist me in executing the blasts," The witness refused to participate any further out of fear.

15.119. Later, via television, the witness learned of the Ahmadabad blasts and the discovery of bombs in Surat, as well as the arrests of Usman Agarbattiwala, Imran Sheikh, and Iqbal Sheikh for their involvement with Kayamuddin in SIMI.

15.120. The witness, Mohammad Umar Usman Mansuri, having provided a voluntary statement without threats or inducements, was subsequently examined under oath by the prosecution as Exh.8002, where he reaffirmed the facts of his Section 164 statement. In his oral evidence, he stated he had known Kayamuddin Sarfuddin Kapadiya, Usman Anisbhai Agarbattiwala, and Imran Ibrahim Sheikh since childhood, as well as Iqbal Sheikh from Yakutpura. He noted that on 7.12.2008, Ahmadabad Crime Branch police recorded his statement. He recounted that while Kayamuddin was absconding, he called the witness from Vapi to speak with his brother, and on the following day, called again to ask for Dilawar Ghiwala's number. In July, Kayamuddin met him on Old Padra Road to discuss seeking revenge for Godhra and carrying out blasts at various locations in Gujarat. The witness identified his signature on the recorded statement, which was Exh.8003.

15.121. During cross-examination by Advocate Ms. Naynaben Bhatt for the defence, the witness clarified that he was alone with the Magistrate during the recording of the statement. While he initially claimed he hadn't read what was written, he subsequently clarified that the Magistrate had read it out to him. He admitted he had no knowledge of specific legal sections or the nature of offenses under them. He noted that the police did not seize his phone and he had no documentary

evidence of Kayamuddin's call in July. He stated he learned about the Madhya Pradesh police searching for Kayamuddin through hearsay. Most subsequent questions during this phase were met with denials by the witness.

15.122. In cross-examination by Advocate Mr.Shaikh for other accused, the witness stated he lived in Vadodara between July and December 2008 and continued his daily routine even after the Ahmadabad blasts. He did not go to any police station in Ahmadabad, Surat, or Vadodara to file a complaint or give a statement voluntarily. He confirmed that both his police statement of 7.12.2008, and his statement of 22.12.2008, recorded before Magistrate, were read to him and were substantially similar. He stated that he first provided information about Kayamuddin's involvement in the blasts to the police and had not shared it with friends or relatives. He identified several friends, including Asif Mapara and Rafiq Baba, who are also witnesses in this case, and noted he had no disputes with them. Procedural questions regarding his visit to the Ahmadabad court were not detailed verbatim in the judgment. Finally, under cross examination by Advocate Mr. Pathan, the witness noted that Taiwada is a large Muslim area where many people share the same names, and he claimed ignorance regarding whether the names and photos of the arrested accused appeared in newspapers or on TV.

15.123. Upon considering the statement of Section 164 given by witness Mohammad Umar Usman Mansuri, the court observed that the witness clearly identified Kayamuddin as a SIMI activist involved in anti-Hindu activities. Given the long-standing acquaintance of the witness with the accused Kayamuddin Kapadiya, Usman Anisbhai, Imran Ibrahim, and Iqbal Sheikh, and the lack of contradictory evidence regarding their identity, the court found no reason to disbelieve the

testimony. The facts stated in the Section 164 statement (Exh.8003) and the evidence given under oath aligns with the prosecution's allegations. As the defence was unable to bring any material on record during cross examination so as to discredit the testimony of this witness, the court held that the testimony of this witness clearly points toward the involvement of the accused in the larger conspiracy. Consequently, the evidence of this witness sufficiently proves the involvement of the accused, rendering the prosecution's case credible.

15.124. So, looking at the above evidence, the presence of the witness during the relevant period and his acquaintance with the accused persons cannot be doubted unless there are material contradictions in his deposition. Unless, it is otherwise established by the evidence, it must be believed that the witness would not allow the real culprits to escape and falsely implicate the accused. While appreciating the evidence of a witness, the approach must be whether the evidence of the witness read as a whole appears to have a ring of truth. Once that impression is formed, it is undoubtedly necessary for the Court to scrutinize his evidence more particularly keeping in view the deficiencies, drawbacks and infirmities pointed out in the evidence as a whole and evaluate them to find out whether it is against the general tenor of the evidence given by the witness and whether the earlier evaluation of the evidence is shaken as to render it unworthy of belief.

15.125. Too serious a view to be adopted on mere variations falling in the narration of an incident (either as between the evidence of two witnesses or as between two statements of the same witness) is an unrealistic approach for judicial scrutiny. By and large a witness cannot be expected to possess a photographic memory and to recall the details of an incident. It is not as if a video tape is replayed on the mental screen.

Ordinarily it so happens that a witness is overtaken by events. The witness could not have anticipated the occurrence which so often has an element of surprise. The mental faculties therefore cannot be expected to be attuned to absorb the details. The powers of observation differ from person to person. What one may notice, another may not. An object or movement might emboss its image on one person's mind whereas it might go unnoticed on the part of another.

15.126. Seen in the above context, in the opinion of the Court, the prosecution has established all the links of the circumstantial evidence which would lead to the conclusion of the guilt of accused and the chain is so complete that there is no escape from the conclusion that within all human probability the crime was committed by accused and no one else and the prosecution has also established that the circumstances pointed out by the prosecution are incapable of explanation of any other hypothesis than that of the guilt of accused. In the opinion of the Court, the judgment and order of conviction and sentence passed by the trial court against the accused is based on circumstantial evidence which are cogent, reliable and trustworthy, and they rule out the reasonable possibility of innocence of the accused. The Court is required to assess the totality of the evidence and separate the grain from the chaff. Where other material on record, including the testimony of reliable witnesses and corroborative circumstances, clearly establishes the commission of the offence by the appellants.

WITNESS Asif Usman Sheikh PW 1117 EX. 8019

15.129. The Court has also perused the statement of witness Asif Usman Sheikh, which was recorded under section 164 of Cr.P.C. by the Metropolitan Magistrate (Exh.8020), after the Magistrate ensured that the witness was providing the statement voluntarily and without any coercion. The witness stated that he and Mohammad Rafiq alias Baba were employees at Airtel. He became friends with Iqbal Shaikh, a resident of Yakutpura, Vadodara, because Iqbal frequented a shop at Gendi Gate adjacent to his uncle's shop. Two to three months before the serial bomb blasts, the witness, along with Iqbal and Mohammad Rafiq, went to a basement behind Jamnabai Hospital in Mandvi to read the Quran. Eight to ten days later, Iqbal summoned them again and declared, "Today, we have to carry out sabotage activities against the 2002 communal riots and the Babri Masjid demolition to take revenge for our Muslim brothers and sisters". Subsequently, Iqbal met them frequently, discussing Jihad and anti-Hindu sentiments.

15.130. A year prior to the blasts, Iqbal introduced the witness to

the alleged mastermind, Kayamuddin Kapadiya. About 20–25 days before the blasts, Iqbal met them in a lane behind Jamnabai Hospital, reiterating the need for Jihad and revenge for the 2002 Godhra incident, specifically mentioning a plan to carry out blasts in Ahmadabad. At that time, Mohammad Rafiq requested the witness to arrange a scooty and a bicycle. Iqbal provided the witness with 1,200 rupees for a mobile phone and SIM card; the witness also had a license scanned at National Photo Studio and purchased a SIM card from Shreyas Gift Shop.

15.131. Fifteen days before the blasts, Kayamuddin arrived in Vadodara, and Iqbal arranged a meeting on the terrace of the witness's in-laws' house in Rumana Park. At that time, Kayamuddin discussed the 2002 riots and the plan for bomb blasts in Vadodara and Surat. Although the witness initially refused to help, he later provided Iqbal with the registration papers for his friend Ovesh Kapadiya's Wagon R and a photocopy of an Alto car's papers belonging to another friend, Irfan Malek. Iqbal later informed him of a plan to plant a bomb in a bicycle bag, the witness due to this step got scared and disassociated himself.

15.132. Rafiq also took him to a parking area near Inox Theater and stated that he, Iqbal, and their associates intended to cause explosions at Sayajigunj Civil Hospital and the Hanumanji temple opposite it.

15.133. The witness further alleged that Iqbal and Kayamuddin intimidated them, stating that a large-scale blast was planned for Ahmedabad. On July 27, 2018 (sic), Iqbal took the witness to Ahmadabad, where they met Kayamuddin at Lal Darwaja and purchased 50 shirts. **On 25.07.2008, one day before the blasts, Iqbal summoned the witness and Rafiq to Kadak Bazar Mosque, handed them a packet for Kayamuddin, and called it the "last task".** To end their association with the group, they went to Narol in Ahmedabad, delivered

the packet to Kayamuddin, and the witness returned to Vadodara.

15.134. During the trial, this witness was examined as P.W. No.1117 vide Exh.8019, where he fairly and accurately deposed and reaffirmed the facts of his Section 164 statement. He identified his signature on Exh.8020 and identified the accused Kayamuddin Kapadiya and Iqbal Kasam Sheikh via video conference from Ahmedabad Central Jail.

15.135. During cross-examination by Advocate Mr. Sheikh, the witness stated that between July 26 and December 7, 2008, he continued his daily routine in Ahmedabad and did not visit any police station in Vadodara or file any complaint regarding the serial blasts. He did not disclose these facts to his wife or children. Police visited his house on 07.12.2008, and recorded his statement. The defence questioned him extensively on procedural details such as specific dates, the names of police officers, and why he did not report the matter sooner to which the witness replied that he did not find it necessary at the time. He denied that police had confronted him with Kayamuddin and Iqbal to verify his statement. Questions regarding the physical description of the packet delivered to Kayamuddin were deemed irrelevant to the case and not detailed. The witness confirmed he did not maintain a diary and had provided his statements to the Magistrate on 20.12.2008.

15.136. In further cross-examination by Advocate Mr. Pathan, the witness noted the business connections between his uncle and Iqbal's uncle. He admitted he did not suspect anything when Iqbal first asked to meet Rafiq. He could not recall the registration number, model, or owner details of the WagonR or Alto cars mentioned. Under cross-examination by Advocate Ms. Bhatt, the witness stated he did not remember his mobile number from 2007–2008, and the police had not seized his phone or retrieved his call records. He also did not recall Iqbal's mobile number.

15.137. The witness has identified the following accused before the Court through video conference from Ahmedabad Central Jail:

1. Kayamuddin Kapadiya
2. Iqbal Kasam Sheikh.

15.138. In the opinion of the Court, the statement recorded under Section 164, and oral testimony given under Exh.8019 are largely consistent. The defence failed to bring any significant contradictions to the record. While the witness could not recall specific details regarding times and presence of individuals due to the long passage of time, the court found this acceptable. No serious contradictions were found that would benefit the accused or prove fatal to the case of the prosecution. Considering the background of this witness and the timing of evidence, the testimony of Asif Usman Sheikh clearly establishes the roles of Iqbal and Kayamuddin in the crime, providing substantial support to the case of the prosecution.

15.139. A former statement though seemingly inconsistent with the evidence need not necessarily be sufficient to amount to contradiction. Unless the former statement has the potency to discredit the later statement, even if the later statement is at variance with the former to some extent it would not be helpful to contradict that witness. If the Court before whom the witness gives evidence had the opportunity to form the opinion about the general tenor of evidence given by the witness, the appellate court which had not this benefit will have to attach due weight to the appreciation of evidence by the trial court and unless there are reasons weighty and formidable it would not be proper to reject the evidence on the ground of minor variations or infirmities in the

matter of trivial details. Minor discrepancies on trivial matters not touching the core of the case, hyper technical approach by taking sentences torn out of context here or there from the evidence, attaching importance to some technical error committed by the investigating officer not going to the root of the matter would not ordinarily permit rejection of the evidence as a whole.

15.140. By and large people cannot accurately recall a conversation and reproduce the very words used by them or heard by them. They can only recall the main purport of the conversation. It is unrealistic to expect a witness to be a human tape recorder. In regard to exact time of an incident, or the time duration of an occurrence, usually, people make their estimates by guess work on the spur of the moment at the time of interrogation. And one cannot expect people to make very precise or reliable estimates in such matters. Again, it depends on the time-sense of individuals which varies from person to person. Ordinarily a witness cannot be expected to recall accurately the sequence of events which take place in rapid succession or in a short time span. A witness is liable to get confused, or mixed up when interrogated later on. A witness, though wholly truthful, is liable to be overawed by the court atmosphere and the piercing cross examination by counsel and out of nervousness mix up facts, get confused regarding sequence of events, or fill up details from imagination on the spur of the moment. The sub-conscious mind of the witness sometimes so operates on account of the fear of looking foolish or being disbelieved though the witness is giving a truthful and honest account of the occurrence witnessed by him.

15.141. The evidence of those witnesses have greater evidentiary value and unless compelling reasons exist, their statements are not to be discarded lightly. The evidence of witnesses cannot be doubted on

account of some embellishment in natural conduct or minor contradictions. If there be any exaggeration or immaterial embellishments in the evidence of witnesses, then such contradiction, exaggeration or embellishment should be discarded from the evidence, but not the whole evidence. The broad substratum of the prosecution version must be taken into consideration and discrepancies which normally creep due to loss of memory with passage of time should be discarded.

15.142. Thus, the law has to be interpreted in such a manner that it develops coherently in accordance with the principles, so as to serve, even-handedly, the ends of justice. Anti social operation of the Appellants was not designed against any individual rather proved to be a security risk who imperilled a very large number of innocent persons and damage to the properties worth a very large amount. While dealing with such an issue, the court must not lose sight of the fact that meaning of "ends of justice" essentially refers to justice to all the parties. This phrase refers to the best interest of the public within the four corners of the statute. In fact, it means preservation of proper balance between the Constitutional/ Statutory rights of an individual and rights of the people at large to have the law enforced. The "ends of justice" does not mean vague and indeterminate notions of justice, but justice according to the law of the land.

15.143. The Trial Court on considering the evidence adduced by the witnesses came to a finding that the evidence of the witness was reliable and trustworthy and that the credibility of his statement was not shaken. The Trial Court, in its judgment of conviction, accepted the prosecution case and, while rejecting the contentions urged in defence, held that the chain of circumstances was duly established by the prosecution, bringing

P.W. NO.1131-MOHMAD RAFIK IQBAL SHEIKH (EXH.8118)

15.145. The Court has perused the statement of P.W. No.1131-Mohmad Rafik Iqbal Sheikh (Exh.8118) which is recorded under Section 164 of the Cr.P.C. before the Metropolitan Magistrate. The Metropolitan Magistrate has recorded the statement after verifying that the witness has provided the statement voluntarily and without any kind of pressure or inducement.

15.146. The witness has deposed vide Exh.8118 that he and Asif Usman Sheikh were performing jobs at the Airtel Company in Vadodara. At that time, Asif introduced him to Iqbal. Three to four months before the bomb blasts, Iqbal came and stated, "I have work for you". Thereafter, Asif took him to a basement near Mandvi, where Iqbal had also come. Iqbal read the Holy Quran for half an hour, after which he, Asif, and Iqbal went to our respective homes. After a few days, Iqbal

again called us to the same place to read the Quran. At that time, he initiated a conversation regarding communal riots and said, "In 2002, our Muslim brothers and sisters were killed. We have to take revenge for that. We are Muslims. Jihad is our duty". Upon hearing this, he and Asif became scared and started to avoid meeting Iqbal.

15.147. Thereafter, before the Ahmadabad bomb blasts, Iqbal called him near a tea stall behind the Mughal Restaurant along with Kayamuddin Kapadiya. He again spoke of communal riots and instructed him to make arrangements for one scooter and a bicycle. Iqbal gave 1,200 Rupees to Asif and told him to bring and provide a new mobile phone. Consequently, after two or three days, Asif returned the 1,200 Rupees to Iqbal. Furthermore, Iqbal told him to take a new SIM card, in connection with which a license and photo were scanned and submitted to Shreyas Card and Gift Shop. He does not know what use Iqbal made of that SIM card. Thereafter, 20 to 25 days before the bomb blasts, Iqbal called Asif and said that Kayamuddin Kapadiya had arrived. Therefore, both of them should come near the Gothri Complex. Accordingly, he and Asif went there, where Kayamuddin told him and Asif, "Bomb blasts are to be carried out in Ahmedabad, Baroda, and Surat cities. For that, I need you", for which they refused to do this work.

15.148. After two days, Iqbal called him and Asif to the S.T. Depot, Vadodara. He took them to the shopping mall located next to the Inox Multi-complex. He told him, "I and my men are going to explode bombs here at the Inox Multiplex, near this complex, at S.S.G. Hospital, and at the Hanumanji Temple. You people, despite being Muslims, are

not doing our work. Jihad is a duty for us. We have to take revenge for 2002 from the Hindus". Upon hearing this, he and Asif were scared and went home.

15.149. Thereafter, 15 to 20 days before the bomb blasts, Iqbal took him near the Gita Mandir S.T. Stand, Ahmadabad. He stated that they have to meet Kayamuddin. Thereafter, Kayamuddin Kapadiya arrived with a plastic bag in his hand. At that time, Kayamuddin Kapadiya told him, "You are a Muslim boy, yet you are not ready to assist in the bomb blasts. Have you forgotten how much atrocity the Hindus committed against us in 2002?. How many Muslims were burnt alive?. How many women's modesty was taken?. Our Babri Masjid was demolished. Jihad is our duty. We give you the oath of Allah. For the sake of those Muslim men, women, and children who were murdered, support us". Due to this, he and Asif got upset and returned to Vadodara. At the time of leaving Ahmedabad, Kayamuddin Kapadiya gave approximately 10,000 to 12,000 Rupees to Iqbal. At that time, he told Asif that this Kayamuddin Kapadiya and Iqbal Sheikh are going to do very big and wrong work. We do not want to get trapped in this and do not want to keep any relations with these people.

15.150. Thereafter, Iqbal called Asif to meet under the Khadak Bazaar Mosque. At that time, Iqbal told him and Asif, "Both of you do this last work of mine". Saying this, Iqbal took a packet out of a bag and gave it to Asif, stating, "Go and give this packet to Kayamuddin Kapadiya". He and Asif did not know what was in the packet. However, with the intent that they would be rid of them, he and Asif went to Ahmadabad and, calling Kayamuddin Kapadiya near Narol Crossroads, handed the packet

into Kayamuddin's hands. At that time, Kayamuddin again started the talk of Babri Masjid and stated that revenge is to be taken against Hindus. Furthermore, he spoke anti-national things such as making India an Islamic [state]. Thereafter, he and Asif returned to Vadodara.

15.151. The next day, between 8:00 and 8:30 in the evening, he heard news on the TV regarding the blasts in Ahmedabad, due to which he felt certain that these blasts were carried out by Iqbal Shaikh, Kayamuddin Kapadiya, and their men.

15.152. Thus, the statement was provided voluntarily and with free will by witness Mohmad Rafik Iqbal Shaikh under Section 164 of the Cr.P.C. was recorded before the Metropolitan Magistrate on 22.12.2008. In connection with this statement, the prosecution examined witness Mohmad Rafik Iqbal Sheikh at Exh.8118, during which he stated all the aforementioned facts during the examination-in-chief before the Court which is consistent with the statement under Section 164. The witness provided evidence on oath regarding all facts of the statement and stated the facts word-for-word in the evidence before the Court, the unnecessary repetition of which has not been made. Upon being shown his statement under Section 164 before the Court and being asked about his signature therein, the witness stated that the statement under Section 164 is true and proper and identified his signature. The said statement is placed on record at Exhibit 8119.

15.153. Furthermore, the witness stated in the evidence before the Court, "**I can identify Iqbal and Kayamuddin by sight**". Therefore, upon conducting identification of the accused through the medium of

video conferencing from Ahmedabad Central Jail, witness Mohmad Rafik Iqbal Sheikh identified both these accused before the Court.

15.154. Therefore, looking at the statement recorded by Metropolitan Magistrate under section 164 of Cr.P.C. and the deposition recorded by the Special Judge, Ahmadabad, in the opinion of the Court, the statement of the witness Mohmad Rafik Iqbal Sheikh as well as evidence fully establish the involvement of accused in alleged offences.

15.155. Upon conclusion of the evidence in chief this witness has not appeared for cross examination. It appears from the record that all the attempts to bring the witness to the witness box has failed. This is an indication of a very serious case of influencing the witness by the defence. This witness was a secret witness whose identity was not disclosed thereafter once the witness has deposed in the court the identity appears to be revealed and thereafter the recording of chief deposition takes place on 4.4.2019 and after the conclusion an application Ex. 8120 is made by defence seeking adjournment for conducting the cross examination on the ground that the defence counsels want to make discussion with the accused stationed at Bhopal jail. It appears that for reasons unknown to the trial court the witness was unavailable for the cross examination,

15.156. Obviously, the arguments for the defence is to discard the evidence of this witness altogether as he was not available for the cross examination. In ordinary course, the Court would have discarded the evidence however, in the facts of this case the Court observes that the witness was in the box his chief was over the Court time was not over

and the cross ought to have proceeded immediately but for the aforementioned application Ex.8120 by the defence and thereafter non availability of the accused, the Court only wonders that had the witness been declared hostile would the same sequence of events have occurred. The court may not enter into speculation. Suffice it to hold the witness has deposed on oath and not only on oath his statement u/s. 164 of the Cr.P.C. is also an exhibited document which the court has no hesitation to hold to be an admissible evidence. The evidence of this witness in the form of S.164 statement is in complete support of the prosecution and corroborates the evidence of another prosecution witness namely; P.W. No.1117, Asif Usman.

15.157. It is required to note that, admittedly, there being no eyewitness to the occurrence, the entire prosecution case hinges on circumstantial evidence. It is well settled in law that the prosecution in order to establish its case on the basis of circumstantial evidence has to prove the circumstances fully established, from which the conclusion of guilt is drawn. Further, the circumstance so established should be consistent with the hypothesis of guilt of the accused. The circumstances should be conclusive in nature and they must exclude every possible hypothesis, except the one to be proved. There must be a chain of evidence so complete, not to leave any reasonable ground for conclusion consistent with the innocence of the accused and must show that in all human possibility, the act must have been done by the accused only. In order to furnish a basis for conviction, circumstantial evidence requires a high degree of probability, i.e., so sufficiently high that a prudent man considering all the facts, feels justified in holding that only the accused had committed the crime with which he was charged.

Circumstantial evidence is indirect evidence. It is an evidence of circumstances which can be relied upon not as proving a fact in issue directly, but instead as pointing towards its existence. Wherever direct evidence is not available then, it becomes necessary to appreciate circumstantial evidence meticulously. Thus, in view of the entire evidence enumerated above, we hold that the Appellants were actively involved in the conspiracy to cause blasts in Gujarat and in consequence of the said involvement, they have committed the offences for which they have been charged.

15.158. The Court may refer to the statement under 164 Cr.P.C., which has been produced hereinbelow in tabular format:

15.161. He then deposes that in the year 2008, Kayamuddin and Taukir came to Kosamba (area in Surat). They came for searching of a house on rent but the prosecution witness did not respond to them.

15.162. During deposition, this witness was called to identify the accused through the T.V. Screen and he identified correctly accused Shamsuddin.

15.163. He also identified one person as Kayamuddin, but the person name was Rafiyuddin (Brother of Kayamuddin). However, the witness has given an explanation for not able to identify the other accused from the T.V. screen.

15.164. In the cursory cross examination, the witness has deposed that his reason for going in the meeting was a religious purpose and that he has read translation of Quran and has knowledge of Hadish. He has deposed that he did not enjoy close relation with all who attended the meeting and many people used to attend the meeting. He admitted that during this period he was not assigned with any work which is illegal.

15.165. The witness was questioned about how he was termed a witness and in what manner his statement was recorded, however, this line of question not being relevant is not referred to here.

15.166. Thereafter, question put to the witness were in the form of expressing his opinion on religious meets. Thereafter, he was questioned for SIMI meetings to which he has answered that he is not aware who called for such meetings. He did not know full name of Taukir and that he had no direct connect with him. He had occasion to meet Taukir but only on couple of occasions. He had met Taukir at Ahmedabad and at Kosamba near the water tank near his house. He denied that he has got up the story of Taukir.

Kalyanbhai Chaurasiya Darji vide Exh.5560 who was carrying out tailoring work in the name of "Rajesh tailor ladies and gents" and has deposed that in the year 2008, police personnel in plain clothes had come to his shop and had brought one accused person named Mohammed Ismail with them. They carried a bag with them and upon asking whether the said bag belonged to and was manufactured by them, it was informed by this witness that the said bag was manufactured by them at the rate of Rs.15 and that such bags were prepared from leftover pieces of cloth,which no other person is stitching. He also stated that such bags were only manufactured by them and his police statement came to be recorded.

15.172. In the cross examination of this witness, he has deposed that it was not true that he came to know the name of the accused through the police and that, he does not ask the name of the people who come to purchase the bag. He has deposed that he is stating the name Mohammed Ismail on the basis of his assumption. Thus, the deposition of this witness establishes that the cloth bag which was used in the blasts was manufactured at his shop bought by the accused as a part of conspiracy and then used for stuffing the explosive devise and forms a part of the chain of circumstances.

He has deposed that on 25.10.2008, he sold a bicycle to a person and that after 3 to 4 months, police came to him alongwith the person who had purchased bicycle from him, whose name was Abdul Rajik (accused No.27). Upon the police asking him whether this was the person who had purchased the bicycle from him, he replied that he would be able to identify him if he saw the bicycle. Thereafter, on the next day, he was called to Crime Branch, Haveli Police Station wherein he identified the bicycle, which was a Hercules double bar bicycle. He deposed that his statement was recorded by the police on both the aforesaid occasions. He deposed that he can identify the bicycle if it was shown to him, and upon being shown the bicycle at Serial No.1 of Muddamal List, Article No.3227, in Sessions Case No.47/09, he has identified the same to be the cycle which he had seen at the Crime Branch and the one which was sold by him.

15.175. In the cross examination, he has deposed that he does not maintain books of accounts for such transactions although he does issue bills, however, he does not retain any copies of such bills. He has deposed that he issued a rough bill which mentioned the amount paid and that it did not contain any description of the bicycle and that, he had no documentary evidence regarding the purchase or sale of the said cycle. He has deposed that on the first day, he was not shown the cycle by the police and that it was shown to him on the next day at the Crime Branch which he had identified upon seeing its carrier, bar, company name and the bicycle number. He has admitted that there are a number of bicycle shops in Khadia and that prior to the notice which was issued

taken the said Register from him. Upon being shown a Register with red coloured binding, which is at Sr. No.2 of the Muddamal list, Exh.3227 in Sessions Case No.47/09, with an entry dated 22-07-2008 (Exh.5535), he has identified the same to be of his shop. He has deposed that it contains an entry in the name of Raju and of a bicycle of size 22 and that the register contains the time of taking and returning of the said bicycles, which was recorded in his hand writing. He has deposed that he rented the bicycle to Rajubhai as he knew him and was residing opposite to him. He has deposed that his statement in this regard had been recorded by the Police. In the cross-examination, this witness has deposed that many persons named Raju resided in Gomtipur area and that Exh.5535 only mentioned the name Raju without any further particulars and that there was no signature of Raju in the Register nor any entry which showed that the bicycle was given on rent to Mohammed Ishaq. He has also deposed that he was not aware of any other names of Raju and that he did not know that Raju was also known as Abdul Rajik, Musaf or Furkan. He has also admitted that the Register at Exh.5535 does not mention as to whether he was acquainted with the persons who had taken cycles from him on rent. He admitted that in the said Register at Exh.5535, the name of the shop owner was shown as Arif Ansari and that 'Janta Cycle Works', his name or signature does not appear. He has denied the suggestion that no person named Raju was brought to his shop by the Police, that no Register has been seized from him and that he was deposing falsely at the instance of Police.

15.179. The Court finds that the evidence of this witness is supporting the case of prosecution insofar as the circumstance of procurement of bicycle is concerned.

P.W. No 955-Allarakha Sattarbhai Sandhi (Exh.6672)

15.180. The Court has perused the evidence of P.W. No 955-Allarakha Sattarbhai Sandhi vide Exh.6672 who used to carry on the business of repairing bicycles and used to rent out bicycles to young boys and was also engaged in the business of buying and selling of bicycles. He has deposed that on 02.01.2009, the police came to him alongwith one accused and that he was asked whether he had sold the bicycle to him to which he replied in the affirmative. Thereafter, he was asked by the police whether he had made any document in writing with respect to the same, to which he denied. He has deposed that he had an old cycle which he brought from a scrap dealer and the same was sold to a person named Mohammed, whose full name he does not know, at the rate of Rs.700/-. He has deposed that the said cycle was of Hero company and that its 'govender' was of Hercules company and it was black in colour. He has deposed that the person who was brought by the police was Mohammad Ismail Mansuri (accused no. 27).The witness upon being shown the bicycle; Article No.9 of the Mudammal list at Exh.2065 in Sessions Case No.341/09 has identified the bicycle to be the same stating that the 'govender' was of Hercules company and that its frame was of Hero company although it was in a rusted condition and was not in the same condition as when he sold it. However, this witness was unable to identify the person to whom he sold the bicycle.

15.181. In cross examination, he has deposed that he did not maintain any account regarding sale and purchase of bicycle and that he could not state as to when he had purchased the said bicycle from the scrap dealer. He has admitted that when the police came to him, they had neither shown nor brought the bicycle. He has also admitted that in the statement recorded by the police it is recorded that he came to know the

deposed that the police had recorded his statement in that regard.

15.185. In the cross-examination, this witness has admitted that he did not maintain any record of the customers who visited his shop or the bicycles sold and purchased by him or from whom the bicycle was purchased or sold to, or the detail with respect to the company of the bicycle or date of sale. He admitted that the accused did not show any document relating to sale of the bicycle and that he had not given any document to the police regarding the sale of said bicycle. The witness has deposed he could not state the company or model of the bicycle which was sold to the accused and that police had neither shown him the bicycle nor called him for identification of the said bicycle. He has also admitted that no identification parade of the accused was conducted before the Magistrate through him. He has also deposed that if the bicycles purchased and repaired by him were shown to him, he would not be able to identify them or remember the frame number. He has denied the suggestion that no accused was brought to his shop on 03.01.2009, that he had not disclosed about the sale of the bicycle to the accused or that he was giving a false deposition at the instance of the police. He has also denied the suggestion that he was stating the name of the accused on the date of deposition because his name had been disclosed on that day. He has deposed that in July 2008, Dashrathbhai Vishnubhai Patil (P.W. No.979) and Dharma Dadve, who were employees in the said shop and that Badrul Hasan was working as a manager. He has deposed that on 23.10.2008, an officer from Ahmedabad Crime Branch, namely Usha Rada visited his shop and inquired regarding fifty time pieces (alarm) which had been sold from his shop in July 2008, upon which he showed the bill book, in which a bill dated 04.07.2008 for 30 pieces was found. The witness deposed that the customer had demanded for 50 timepieces however, initially only 16 were available. Therefore, he contacted the distributor who informed him that the stock was going to arrive, but the quantity of it was uncertain. The customer was ready to pay for 50 pieces, however he informed him that if the stock received, he would be able to supply 50

pieces otherwise would have to refund the money. Therefore, he accepted payment for only 30 pieces and issued a bill for 30 pieces and informed him that he would supply 14 pieces on the next day and that if further 30 pieces arrived, he would supply that as well. Thereafter, the customer came to his shop on the next day wherein employee-Dashrath was present who had already been informed that the payment for the 14 pieces had been received and that he should supply the same to the customer once it arrives. Accordingly, Dashrath handed over 14 pieces to the customer. Subsequently, the customer told him that fifty pieces were required and that only 30 had been supplied to him and so he requested that the remaining 20 pieces be supplied to him. As the stock had arrived, the remaining 20 pieces were supplied and the payment for the same was made. It is deposed that while Dashrath was preparing the bill for the said 20 pieces, the customer left the shop. The witness has deposed that he had given the description of the customer to the officer that he was dark in complexion, of medium build, aged around 35 to 38 years and was about 5 feet in height. Upon being asked by the officer as to whether he would be able to identify such a person, he answered that he would be able to identify if he were shown to him as usually, persons do not purchase such large quantity of timepieces and if he is able to recollect, he would identify him. Thereafter, this witness supplied the officer with the copy of the bill from the bill book and also signed the bill for the purpose of verification. He has deposed that his statement in that regard was recorded by the police.

15.192. He has deposed that on 02nd January police officer from Ahmedabad Crime Branch came to his shop and informed him to remain present at Gheekanta Court on 06th for the purpose of identification. Accordingly, he went to Ahmedabad on 6th alongwith the employee-

Dashrath, who had also been instructed to attend. He has deposed that upon being instructed by the Magistrate to identify the person from the lineup of six persons, he identified one person and that upon enquiry by the Magistrate, he disclosed his name as Mohammad Arif Sheikh (accused No.31). The witness informed the Magistrate that the said person had purchased 50 timer clocks from him. Subsequently, similar proceeding was also carried out for Dashrath and thereafter, they visited the Crime Branch Office as was instructed, wherein Usha Rada read over the statement which was recorded at Mumbai and also enquired about the identification proceeding which was narrated by them. He has deposed that the bill book from which the xerox copy was supplied, as well as the carbon copy bill book containing bill number 22981 was in his possession and that he had brought the same before the Court. Upon being shown carbon copy of bill number 22981, he has identified his handwriting and signature therein. He has deposed that Usha Rada has signed on the xerox copy of bill taken from him and also upon the purchase bill relating to the clocks. The witness has clarified that "Samay" was the name of the company and "prince" was the brand name of the product. He has deposed that he was unable to identify any accused who were shown to him through video conferencing from Ahmedabad Central Jail and Bhopal Central Jail as almost 10 years had passed and there were physical changes. He has identified muddamal article No.5 (Exh.3351) and muddamal article No.10 (Exh.2078) as "Prince" alarm clocks which were manufactured by Samay Company and has stated that those were the time pieces which were sold by him.

15.193. In cross-examination, this witness has admitted that clocks of various companies are sold in his shop in wholesale and retail quantity and detailed records relating to sale purchase and stock were maintained.

He has deposed that Samay Company has many dealers and agents throughout India including Mumbai and he has admitted that clocks which were similar to the muddamal clocks were sold by many shopkeepers and that the muddamal clocks shown to him did not bear the name of the shop, his signature or any identification mark connecting them to his shop. He has admitted that when Usha Rada visited his shop on 23.12.2008, no accused person or muddamal clock was shown to him and that between 04.07.2008 and 23.12.2008 the police had not come to him with any accused person or muddamal article. He has deposed that the police had not informed him that the purchaser was in their custody nor did they prepare any sketch after the description of the purchaser was given by him. However, he has deposed that the person who was identified by him in the Test Identification Parade was of similar description which was given by him to the police and that there was no change in his appearance.

15.194. In further cross-examination, this witness has stated that the clock manufacturing company does not mention production number, batch number or serial numbers on the clock. He has admitted that brands like Titan, Sonata, Samay etc. are standards clock companies which provide warranty although serial number is not mentioned on such warranty document. He has deposed that neither the bill received from the distributor nor the purchase record which is maintained by him contains details such as batch number, manufacturing date, serial number or year of manufacture. This witness has deposed that the bill dated 04.07.2008 was prepared on the same day and not on 05.07.2008. He has stated that when the customer collected the time pieces on the next date, he did not collect the bill which had already been prepared. This witness has deposed that the bill book containing bill number

22981 consisted of 100 bills between the time period of 27.06.2008 to 14.07.2008 and that the bill book was maintained in accordance with the necessary compliance. He has admitted that the bills in the bill book were prepared by different persons and that ordinarily, name and address of purchaser was not recorded in the bill. This witness has deposed that the police had not obtained his handwriting specimen or signature in the bill book. He has deposed that when the police first visited him, he has supplied the police with the xerox copy of the carbon copy bill and had not handed over the original customer copy. Upon being shown the said xerox copy (Ex.6824), he identified it to be the same copy which was given by him to the police and it came to be exhibited as Exh.6826. He has admitted that bill no. 22981 did not mention about the number of clocks which had actually been delivered or any note regarding the remaining quantity which had to be supplied, and that all the bills were prepared in compliance with the laws, he was unaware of any law which required to mention the quantity which was yet to be delivered. He has denied the suggestion that he had not sold any clocks to the accused on 04.07.2008 and that Exh.6824 was subsequently fabricated at the instance of police. He has also denied the suggestion that he was falsely deposing about the identification parade at the instance of police. He has deposed that with regard to the additional 20 clocks which were supplied on 05.07.2008, a rough entry had been made in the sale records however, he has neither supplied any such copy of rough entry nor possessed any rough entry or other document relating to sale of 20 clocks as such rough entries were ordinarily destroyed on the same day.

15.195. He has deposed that after supplying 16 timepieces on 04.07.2008 he did not have sufficient stock and therefore, placed an order for remaining quantity on that day itself which was received by

him on 05.07.2008 under a challan dated 05.07.2008. Upon being shown tax invoice numbered 02 July OB/09 he has deposed that 50 clocks were received under that invoice although it was dated 03.07.2008. The xerox copy of the bill was exhibited as Exh.6827 and that delivery of 50 timepieces were received under a challan however, upon receiving the bill he had torn the challan. The witness has denied the suggestion that bill book produced by him was subsequently prepared at the instance of police. The witness has deposed that he does not recollect whether the police statement was read over to him and that he did not read it himself as he does not know Gujarati. He has also deposed that his signature was not obtained by the police on the statement. He has deposed that Dashrath was present on 23.12.2008, when the police had came to question him. Although he initially stated that Dashrath's statement was recorded on 24.12.2008, he has then stated that Dashrath was questioned and his statement was recorded on 23.12.2008.

P.W. No.979-Dashrath Vishnubhai Patil (Exh.6828)

15.196. The Court has perused the evidence of P.W. No.979-Dashrath Vishnubhai Patil vide Exh.6828 who was working as a employee at "Vali Mohammad Roshan and Company" which dealt with wall clocks, alarm clocks, calculator, timepieces and other articles of various companies. He has deposed that on 23.12.2008 the police came to the shop and recorded his statement and informed that 50 time pieces had been sold from the shop in the month of July, upon which his employer showed the police officer Usha Rada the bill book for the month of July. He has deposed that a customer came to his shop and requested his employer to supply 50 time pieces and that only 16 pieces, which were available at that time was supplied to him. His employer prepared a bill

for 30 time pieces and informed the customer that the remaining 14 pieces would be supplied on the next day and that if another 20 pieces arrived, those would also be supplied. He has deposed that on the next day the customer arrived at the time when the employer was not present. However, his employer had instructed him that the payment for 14 pieces had already been received and therefore, they should be handed over to the customer and accordingly, the 14 time pieces were handed over by him. He has deposed that he had also delivered additional 20 pieces to him for which Rs.1960/- was received. However, the customer left without taking the bill. This witness has also given description of the customer to the Police Officer i.e., he was dark complexioned, of medium build, around 35 years of age and about 5 feet in height. Upon being asked by the Police Officer whether he would be able to identify the customer, if shown to him, he answered that he would be able to identify him. The witness further deposed that in the first week of January, 2009, the Police Officer from Ahmedabad Crime Branch informed him and his employer that they were to attend Ghee Kanta Court on 06-01-2009 for the purpose of identification. According to both of them went to Ahmedabad and after his employer underwent the process of identification, he was called before the Magistrate to identify the person from amongst the six persons, who were standing in a line. He took out one person and brought him before the Magistrate and upon being asked, the said person disclosed his name as 'Arif Badruddin Shaikh' and stated that he was resident of Mumbai. The witness informed the Magistrate that the said person was the individual who had purchased 50 time pieces from the shop.

15.197. Thereafter, both he and his employer went to Crime Branch Officer, where Police Officer Usha Rada read over his statement and

inquired about the process of identification, upon which he told about the same. This witness has further deposed that he was unable to identify accused persons shown through video conferencing from Ahmedabad Central Jail and Bhopal Central Jail as 10 years had passed and changes have occurred in their appearance. However, he has identified Muddamal Article No.5 (Exh.3351) in Sessions Case No.365 of 2009 and Muddamal Article No.10 (Exh.2078) in Sessions Case No.348 of 2009 as Prince brand alarm clock manufactured by Samay Company and has deposed that these were the time pieces that were sold from their shop.

15.198. In the cross-examination, this witness has deposed that Abdul Rehman Street is a crowed commercial locality having various clock shops wherein clocks are sold both in wholesale and retail and traders from all over India come to purchase goods. He has admitted that many persons purchased clocks from their shops in wholesale as well as retail quantity and that he could not state as to how many persons had visited his shop three to four months prior to the Police inquiry nor who had purchased such goods or when such purchases were made or in what quantity. He has deposed that his employer had handed over a bill to the Police, but no receipt was issued and that he had not seen any such receipt. The witness admitted that he did not maintain any record of the customers who visited the shop on a particular date, the quantity of goods supplied to them or the conversation between them. He has deposed that ordinarily he would not remember individual customer although when the customer purchases goods in bulk, he would have a memory of the same. However, upon being asked whether he could tell the name, address and description of other bulk purchasers around July, 2008, he deposed that had he been asked around that time, he could have

told the same. He has deposed that their goods have been delivered, but had not been prepared or where cash have been received, but a bill had not been prepared, the particulars of same were entered in a daily sales paper, which were retained for about a month and were thereafter destroyed, and no permanent record of it was maintained. He has further deposed that he did not know whether particulars from such sale papers were entered into accounts.

15.199. Upon perusal of the depositions of P.W. No.978-Mohammadhanif Abdulkayum Roshan and P.W. No.979-Dashrath Vishnubhai Patil, it establishes the procurement of Prince brand alarm clock (time piece) from their shop by the accused person, who was identified by them in the Test Identification Parade. The combined reading of depositions of aforesaid two witnesses, the prosecution is able to establish the connection between the accused persons having procured the timepieces (clock) from these witnesses and the same were used as timers in explosive devices. The witnesses were shown the timepieces which were part of the explosive device which had not exploded.

intended to let out the house on rent, she informed about the same to Ibrahimbhai, who was involved in the management of the society. She has deposed that in the first week of July, Ibrahimbhai brought a person who was interested in taking the house on rent. Upon inquiring, the said person gave the details regarding the members in his family and informed that he intended to carry on embroidery work, to which, she refused to permit him from carrying on such work in the premises, whereupon he informed her that such work would be carried out elsewhere and only his family would reside in the premises.

15.201. This witness has deposed that she demanded a deposit of Rs.30,000/- however, that person agreed to pay Rs.25,000/- as deposit and monthly rent of Rs.2,500/-, with balance amount of Rs.5000/- which would be paid in installments of Rs.500/-. Out of the amount received, she handed Rs.10,000/- to Ibrahimbhai for obtaining water connection and retained Rs.15,000/- with herself. Thereafter, when she went to the premises (house) with the pipes for the water connection, she met the said person to whom she handed over the pipes. She has described the said person to be wheatish complexioned, clean shaved, and about five to five and a half feet in height. She has deposed that upon asking him to execute a written agreement, he replied that he would come after two days.

15.202. This witness has deposed that she supplied the electricity bills and allotment letter of the house to the police and that the police statement was recorded on three occasions. On 16.12.2008,k she was informed by the police officer that she was required to attend identification proceedings and accordingly she attended the office of Magistrate on 17.12.2008 and upon being asked by the Magistrate to identify the person from amongst the six persons standing in line, she identified and

pointed out one person. Upon being asked by the Magistrate, the said person disclosed his name as "Kayamuddin Sarfussin Kapadiya" and stated that he was a resident of Vadodara. She deposed that she had met the said person on two earlier occasions, namely when he first came to rent out the house and when she went to the house to give the pipes for the water connection. This witness has deposed that in the evening on the day when Test Identification Parade was conducted, a police officer and two lady officers had recorded her statement regarding the identification proceedings.

15.203. This witness has identified the original electricity bill of the house at Exh.6630, the allotment letter of House No.10 of Al-Mohmadi Society at Exh.6631, the Society letter regarding the allotment of house and issuance of the electricity bills in the name of the Secretary of the Society at Exh.6632 and the agreement which was executed in her favour by the President of the Society; Mohammad Hanifbhai at Exh.6633. She has also identified the certified copies of the chargesheet and judgment in Criminal Case No.7219 of 2008, which was the case instituted against her for letting out the house without informing the police and the same came to be collectively exhibited as Exh.6634.

15.204. This witness has deposed that although she would attempt to identify the person to whom the house was rented and whom she identified in the Test Identification Parade, she was unable to identify the accused shown through video conferencing from Ahmedabad Central Jail and Bhopal Central Jail, as significant time had passed and the appearance of the person had changed.

15.205. In cross examination, this witness has deposed that when she met the police for the first time, she informed that she did not possess any documentary proof of the house and that thereafter, she obtained the

documents from the Secretary of the society and had produced it before the police. She has admitted that she did not possess any proof relating to the application made to obtain such documents. She admitted that she did not obtain any proof regarding the identity, residence or the name of the person to whom she had let out the house. She has also admitted that she did not issue any receipt with regard to the deposit amount or the rent paid and that she had let out the house on the recommendation of Ibrahimbhai, She has also deposed that no sketch was prepared on the basis of the description provided by her of the said person and that the police had not brought or shown the said person to her prior to the Test Identification Parade.

15.206. In re-examination, this witness has deposed that she had preferred an appeal against the judgment passed in the case which had been instituted for letting out the house on rent without informing the police.

15.207. Upon perusing the deposition of this witness, it establishes that house No.10 situated in Al-Mohamadi Society was let out on rent and she has also identified accused No.37-Kayamuddin Kapadiya to be the person who took the said premises on rent.

15.208. When the court perused this evidence establishing the connection of this accused with the House used as a Hideout and articles seized from this house during a panchnama the connection of the house is directly established and with offence and consequently with the accused persons.

15.209. This witness in his deposition has attributed a role in conspiracy to the following accused persons.

15.210. The Court has perused the evidence of P.W. No.1106-Firoz Dilavar Sheikh vide Exh.7929, who deposed that in the year 2008 he was engaged in the business of selling footwear and was residing at House No.3, Siraz Bawa's Kuvo, Umraonagar. He stated that the upper floor of his house, consisting of a vacant room was intended to be let out on rent. He has deposed that his neighbour Saidur Rehman brought two persons to him and informed him that they required a room on rent. The witness deposed that a deposit of Rs.5,000/- and monthly rent of Rs.900/- were agreed upon and the arrangement was finalized on 07.05.2008. Thereafter, on 10.05.2008, the said two persons came to occupy the room. He identified them as Kayamuddin, who was short, and Subhan Touqeer, who was thin. He further stated that Saidur Rehman had informed him that they belonged to his native place in Uttar Pradesh.

15.211. The witness stated that the two persons resided in the room, used to leave at about 8:00 a.m. and return at about 8:00 p.m., and had holidays on Fridays. According to him, whenever he went upstairs, he found them engaged in card-printing work. He further stated that they belonged to the Ahl-e-Hadith sect and offered prayers separately. He also stated that while the said two persons were residing there, another short-statured person with a small beard started visiting them and also stayed there for some time. According to the witness, the said person was referred to by them as "Mufti". The witness stated that all three had come to his footwear shop to purchase footwear for the said "Mufti". When he questioned the presence of a third person, he was informed that the said person had come only for a few days and would thereafter leave. According to him, the said person left after a few days.

15.212. The witness further deposed that while the said two persons were

residing there, another person used to visit them and merely inspect the room before leaving. Upon enquiry from Saidur Rehman, he came to know that the said person's name was Aiyaz and that he resided at Vatva. According to the witness, about two months after "Mufti" left, the original two occupants locked the room. While vacating the premises, they informed him that a portion of their belongings would be taken in an auto-rickshaw and the remaining goods in a vehicle. Thereafter, they loaded their belongings in an auto-rickshaw, informed him that they would return and left, but never returned. He stated that the police recorded his statement on 18.08.2008.

15.213. The witness further deposed that on 18.08.2008 at about 9:00 p.m., the police came along with a short-statured person whose face was covered with a mask and asked him whether he recognised him. He replied that the person was known as "Mufti", having previously stayed in the rented room. He has deposed that, there were about eight to ten police personnel, two to three other persons and laboratory personnel present. The police inspected the room and recovered a bag from behind a window containing pieces of wire, adhesive tape, nuts, bolts, blades and a small cardboard carton. The articles were noted down and the police thereafter left. His statement was recorded on that day.

15.214. The witness further stated that thereafter a police officer served a summons upon him requiring him to attend Court No.5, Ghee Kanta Court. He stated that he appeared before the Magistrate on two consecutive days, made a statement regarding the persons to whom he had rented the room, and signed the statement recorded by the learned Magistrate. Upon being shown the statement, he identified his signatures as well as those of the learned Magistrate and stated that the contents thereof were true and correctly recorded as dictated by him. The said

statement came to be exhibited at Exh.7930.

15.215. The witness further stated that although a considerable period had elapsed, he would attempt to identify the persons who had occupied the room. During video conferencing, he did not identify any accused lodged in Bhopal Central Jail. However, from amongst the accused lodged in Ahmedabad Central Jail, he pointed out one accused as Aiyaz and another accused as Kayamuddin Kapadia. He also pointed out one accused whom he stated appeared to be Kayamuddin, though the said accused disclosed his name as Zahid Qutbuddin Sheikh.

15.216. In cross-examination, the witness stated that he had studied up to the Seventh Standard in Urdu medium and could neither speak, read nor write Gujarati. He admitted that whatever the police and the learned Magistrate asked him was asked in Hindi and that he answered in Hindi, whereas the same was recorded in Gujarati. He further admitted that he had gone before the learned Magistrate pursuant to a summons and that he had not read what had been recorded before the learned Magistrate.

15.217. The witness admitted that no receipt or rent note was prepared in respect of letting out the room on rent. He further admitted that when Saidur Rehman first brought the two persons, he did not ask their names or addresses, nor did he ask what work or business they carried on or why they required the premises on rent. He also admitted that he did not know Mufti's name and had not asked for the same. The witness admitted that the two persons to whom the room had been rented and the third person who had come there were not identified by him before the learned Magistrate. He further admitted that he had not furnished the description of those three persons either to the police or to the learned Magistrate and that the police had not shown him any sketches of those persons.

15.218. The witness stated that he could not say with certainty how many times Aiyaz had visited the room and that he had never seen Aiyaz earlier. He further stated that he had not told the police that a third person had accompanied Saidur Rehman and the two tenants at the time the premises were taken on rent. He also stated that it was incorrect to say that he came to know the name of Aiyaz at the time when the premises were taken on rent.

15.219. The witness admitted that he had not informed the police after how many days Mufti had left the premises. He further admitted that, upon seeing the articles lying in the room, he did not suspect that the occupants were engaged in any wrongful activity. The witness stated that after the tenants vacated the room, the key was handed over to him and possession of the room remained with him. He further admitted that he had not stated in his police statement that a bag containing pieces of wire, adhesive tape, nuts, bolts, blades and a cardboard carton was lying behind the window. He stated that he was present at the time of the panchnama of the bag and admitted that he did not know who had placed the bag there or when it had been placed there.

15.220. In further cross-examination, the witness stated that the deposit amount of Rs.5,000/- remained with him and that, when the tenants vacated the room, they did not demand its refund. He further stated that they regularly paid rent during their occupation of the premises.

15.221. The witness admitted that the accused was brought before him with his face covered by a mask. He further stated that when the police came, they first prepared the panchnama and thereafter questioned him. He stated that the key of the room was with him and that he did not object to the panchnama recording that possession of the room was with him. He, however, admitted that he had not stated before the police or

the learned Magistrate that the key was with him and that the occupants had not informed him that they would not return.

15.222. The witness stated that the bag recovered from behind the window was a plastic bag. He further stated that he was present at the time when the police inspected the room and recovered the bag.

15.223. The witness admitted that he had no knowledge about organisations such as SIMI, Jamaat-e-Islami, Dawat-e-Islami, Deoband, Barelvi or Ahl-e-Hadith and that, before recording of his police statement, he had no knowledge regarding SIMI, its workers, functioning or ideology.

15.224. The witness further deposed that he did not remember whether it was recorded in his police statement or statement before the learned Magistrate that the upper room had no toilet or bathroom and was vacant, that Kayamuddin was stout and Subhan was thin, or that Saidur Rehman had disclosed their names to him. He also stated that he did not remember whether it was recorded in his statements that the occupants did not visit dargahs, believed directly in Allah and had contacts with SIMI and similar organisations.

15.225. Upon perusing the evidence of this witness, it also establishes the fact that Kayamuddin and Subhan Taukir had occupied the room which was let out by this witness on rent and it was one of the hideouts and that another person known as Mufti had also stayed there for sometime. It also establishes the occupancy of the house and the subsequent recovery of articles from the room during investigation.

P.W. No.864-Abdul Farid Abdul Rasid Shaikh (Exh.6037)

15.227. Another witness on this issue is the evidence of P.W. No.864-Abdul Farid Abdul Rasid Shaikh vide Exh.6037 who has deposed that he owned four to five other houses and that one of such houses is situated opposite Saiyedpura Pumping Station, in Sopariwala Compound which is known as Master House containing about 22 to 25 rooms. He has deposed that in July 2008, there were several rooms on the upper floor which were vacant and that his son; Mohammed Shakib used to maintain the accounts of rent and deposit. He has deposed that on 09.07.2008, he received a call from a person who wanted to take a room on rent and he told that Mubarakbhai from Limbayat had given his name and number. He has deposed that thereafter the said person met him and selected Room No.21 and the rent was settled at Rs.3000/- per month and deposit at Rs.10,000/-. He has deposed that as one person named Udaybhai was residing in the said room, arrangements were made to shift him to another room and that on the next day, he instructed his son to accept the deposit, prepare the diary entry and hand over possession of the said room and that thereafter he went for Namaz and upon returning, he was informed by his son that the possession of the room had been handed over. He has deposed that thereafter there was no further meeting with the said person.

15.228. The witness has further deposed that during the investigation, police had called him and showed him the persons who had been

arrested. Thereafter, he was called to the office of the Executive Magistrate at Killa Maidan for the purpose of identification wherein he was asked to identify the person who had rented out the room from amongst the persons standing there, whereupon he identified one person and pointed him out. Thereafter, he stated that the said person was the one who had rented out the room and that he had later come to know that his name was Kayamuddin.

15.229. The witness has deposed that as nine years had passed since the incident and that the said person back then was aged around 16 to 18 years and was fair complexioned. He has deposed that due to passage of time, it would be difficult to identify him and the said witness was unable to identify any of the accused upon being shown through video conferencing.

15.230. In cross examination, he has admitted that he had not produced any documentary proof before the police, showing ownership of the property which is situated at Sopariwala Compound or the transaction of renting out of the said room. He has admitted that he came to know the name of the person who met him for the first time, at the office of Magistrate and that he had not seen the said person earlier and had not seen him thereafter on any subsequent day. He has deposed that the police used to call him to the police station and showed him various persons and photographs and informed him that the Surat police were investigating the bomb blast case and were arresting accused persons. He admitted that the police did not seize any mobile phone from him, that the police did not break open the lock of any room and enter the room, that the police informed that the name of the person who came to meet him was Kayamuddin and that the said person had not disclosed his name to this witness. He has also admitted that he did not know

Mubarakbhai and that he had not made any enquiry regarding him even though the person who took the room on rent had referred to Mubarakbhai. He has also admitted that when the person had first come to take the room on rent, no deposit was received from him and that the deposit was given on the next day. This witness has deposed that he went to the office of the Executive Magistrate upon receiving a call from the police and has admitted that he did not know as to he attended the office of which Executive Magistrate and that no police officer met him there. He has also denied the suggestion that he did not attend the office of the Executive Magistrate or that he did not identify the person who had come to meet him.

15.231. Upon perusing the deposition of this witness, it establishes the fact that a room in Master House, Sopariwala Compound, was let out on rent to the accused person who was subsequently identified by this witness to be Kayamuddin (Accused No.37) in the Test Identification Parade. Therefore, the evidence of this witness connects Kaymuddin (accused No.37) with the said rented house.

PW No.933-Shaikh Mohamad Rashid (Exh. 6602)

15.232. PW No.933-Shaikh Mohamad Rashid vide Exh. 6602 is a witness examined by prosecution to identify accused-Mohammad Saif Sadab of Delhi, who used to visit his shops and before the blast was residing in the vicinity of his shop, which is located near one of the hide outs.

15.233. The witness has deposed that his parlour shop is located near Barrel market and during the inquiry being made by the police in that locality, where the accused were using the house as hide out. The police inquired from him that if anyone from that house used to buy things

from his shop, to which he informed that he knew the locals well and by name so if someone repeatedly came to his shop then he would know. His statement was recorded and then he was summoned to the Collector office, where he was made to undergo Test Identification Parade after following necessary procedure. He was asked to identify a person, who visited his parlor. The witness identified one person who used to visit his parlour prior to the blast. This person came to his shop to purchase ice-cream, water pouch on several occasions, so he knew him. Upon asking the identity, person gave his name as Mohammad Saif Sadab (accused No.38). The witnesses' police statement was then again recorded. The witness does not identify the accused in Court during deposition and gave an explanation that due to lapse of time, but offered to identify on the basis of the photograph of the relevant time. However, the Court did not permit it in view of the order passed below Exh.2828 and Exh.5500.

15.234. The witness was cross-examined regarding his running of the shop and its location, to which he answered that Al-Mohmadi Society is located in vicinity. However, he denied any information about the owners of the bungalows in society and that he has no knowledge as to who has played role in bomb-blast. The police had made inquiry from him even on the day of the blast and he was shown pictures of five-six accused, who were absconding to identify.

15.235. The police had made his inquiry on two occasions and after second occasion, he was called to Magistrate Court. He was also asked to describe to the police, who had come to inquire, but on first occasions, he had not given any description, but he had informed the police that if shown to him, he will be able to identify. He was thereafter, cross-examined about his visit to Magistrate fo Test identification. Several questions were put, but the perusal of the same does not raise any doubt

about the test identification process. In fact, this line of question and answers given in fact confirms the holding of Test Identification Parade and the witness having identified the accused as a person from Delhi, but was at a proximate period of blast residing in the vicinity of the witness's shop located near Al Mohamadi Society. This established the circumstance of accused being one of the occupants of the hideout in Al-Mohmadi Society, which is taken by other independent evidence, is established to the house occupied and used by other accused.

Witness to planting of cycle bomb:

PW No.936-Sunil Shantilal Patel (Exh. 6613)

15.236. This is an eyewitness to the fact of parking of the bomb laden Bicycles at one place of the crowded spot (site of blast) at Gokhale Pan Parlour at Raipur Chakla.

15.237. This witness is doing a roadside business of selling phenyl and the witness has deposed that on 26.07.2008, while he was on his business at 11:00 to 12:00 p.m., he noticed two young persons from different regions. He again noticed the same two persons near Gokhle Pan Parlour and this time they were with cycles. This witness deposes that he saw one of the persons parking the cycle near Gokhle Pan House, while the other was parking a cycle near M.Naranayandas Medical Store, but he did not bother at that time, but later on at around 5:00 p.m., there was a bomb blast in both the cycles and immediately there was chaos and there were several injured for whom 108 Ambulance came there. He being scared and went home and when he had informed his mother about the two persons came with bicycle, which were blasted, his mother prevented him from going to police and told not to get involved

in this case. Later on, after the arrest of the accused was made, he informed some of his elders, who advised him to go to police in Gaekwad Haveli Crime Branch. Hence, he approached the police alongwith his elders and he gave his version to the police and when police asked about their appearance, he described them that they looked like collegians and that he would be able to identify them.

15.238. He deposed that on 10.12.2008, the police summoned him to Gheekanta Court and there he was asked to undertake test identification parade. He deposes that the Executive Magistrate undertook the formality and asked the witness to identify the person and also asked how he knew the persons identified, to which the witness identified the person as the one who he had seen him on the day of incident while he was parking the cycle, which were blasted. The Magistrate then asked the details of the accused, who gave his name as Mohmamad Arif Mirza of U.P. Thereafter, again the statement was recorded by police.

15.239. The witness was cross-examined about his business to create doubt that he was not all doing business of phenyl as he had not produced any bill about his business, to which he has deposed that he was doing a roadside business by buying phenyl in wholesale and then selling it in retail for which he did not have to maintain account or pay sales tax.

15.240. He has denied that he did not convey the appearance of the accused to the police. He also denied that he has not stated before the police about his mother preventing him not to be involved in this. The policeman took him to the site of blast after his statement and even before that police did visit the place, but he did not meet the police.

15.241. He has in cross-examination replied that he had gone to police with some elders, but the police had not recorded the statement of elders.

He also denied that he has not stated in police statement that after the blast, there was chaos and there was a blast on the cycle, which were brought by these young persons and that there were injured persons who were taken to hospital by 108 Ambulance However, he admits that in the police statement, he has not stated that he read about the arrest of accused in newspaper after four months. He has answered that near his place of business, many persons were parking bicycles and he has not mentioned to the police that how many people had parked bicycles on that day and the police has not asked him about it. He has denied that he has cooked up a story to help police and to save himself from the trouble from police as he used to commit illegality in his business.

15.242. This witness was further cross-examined on behalf of other accused by Shri Shaikh about his business, his place of business and about the geography of the location to create doubt about the visibility from his place of business to the site of blasts near Gokhle Pan and M. Narayandas. He has denied the suggestion that it is not possible to see all that is happening from his place of business, to the blast site.

15.243. He has admitted that the area of his business is busy area and always crowded during the day time and many collegians pass through the road and many of them were on cycle. This line of questions is to create doubt on witness, as to his ability to identify young persons, who plated the cycle bombs. However, the cross-examination has not been able to create any doubt on the version of this witness. The Court finds that the witness to be reliable and trustworthy about his version and also to identify the accused.

15.244. Upon perusing the deposition of the witnesses in view of the principles discussed hereinbefore, the Court is of the view that the occurrence and role of each of the accused is distinctly brought on

record and fully established. There is no acceptable reason to discard the testimony of the witnesses which is otherwise reliable and trustworthy. The prosecution case cannot be disbelieved merely on the ground of non-joining more number of public witnesses if the deposition of the witnesses are convincing and credible. In the present case, during trial, statement of the witnesses recorded under Section 164 of the Code of Criminal Procedure, 1973, have been duly proved by identification of their signatures, and the said statements form part of the case record. During the cross-examination of the witnesses, their attention was drawn to their previous statement recorded before the Magistrate under Section 164 of the Code of Criminal Procedure, 1973 for the purpose of contradicting as provided under Section 145 of the Indian Evidence Act. However, the contradiction are not of such a nature so as to affect the case of the prosecution or to discredit the testimony of the witnesses.

15.245. The Court may also refer to the decision of the Apex Court in the case of **Yogesh Singh v. Mahabeer Singh (2007) 11 SCC 195** wherein it is was observed that every omission cannot take place of a material omission and, therefore, minor contradictions, inconsistencies or insignificant embellishments do not affect the core of prosecution case and should not be taken to be a ground to reject the prosecution evidence. It is further observed that the omission should create a serious doubt about the truthfulness or creditworthiness of a witness. It is further observed that it is only the serious contradictions and omissions which materially affect the case of prosecution but not every contradiction or omission.

15.246. Therefore, minor discrepancies are not to be given undue emphasis and the evidence is to be considered from the point of view of trustworthiness. The test is whether the same inspires confidence in the

mind of the court. There is no exaggeration in their version and even in their cross examination, they have maintained what they have said in their examination-in-chief. They are trustworthy and reliable witnesses and there are no major omissions or contradictions in the depositions of these witnesses.

Witnesses to procurement of materials for preparation of bomb:

15.247. The explosive device was assembled by using several articles as is evident from the seizures made from the scene of offence as well as the unexploded bomb. It is found that material like ball bearings, nuts and bolts were stuffed into the device which would upon explosion, act as a projectile. Therefore, the nuts and bolt though innocent hardware material, when used in the manner mentioned hereinabove as a part of bomb, would be lethal. Therefore, the procurement of nuts and bolts in bulk (15 to 16 kgs.) is an important circumstance to establish the connection of the accused with the offence. Therefore, the Court may refer to the deposition of the concerned witness.

PW No.855-Jayeshbhai Manubhai Patel (Exh.6010)

15.248. The Court has perused the evidence of PW No.855-Jayeshbhai Manubhai Patel vide Exh.6010, who has deposed that he was working in the shop of his paternal aunt's son which was in the name of "Kamla Hardware Mart" which mainly dealt in nuts, bolts and washers of different companies/marks such as SPI, LMS, BABA, CM, MOTI etc. He has deposed that he was doing the work of preparing bills, receiving cash etc. in the said shop. During July 2008, one boy had come the shop to purchase nuts, bolts and washers but did not know their size. Upon being shown different sizes, the boy purchased around 15 to 16 kgs. of

nuts, bolts and washers. He has deposed that the boy remained in the shop for around half an hour to one hour and upon asking the boy for a visiting card so that the future transaction could be made on the same terms, the boy stated that he would provide the card on the next visit.

15.249. He has further deposed that on 27th or 28th August, 2008, the police came to him and called him to the DCB Office at Surat, whereupon, he attended the DCB Office on 29.08.2008 where he was questioned and was thereafter, asked to attend the office of the Magistrate at Killa. Upon being asked by the Magistrate, whether he could identify the boy who had purchased nuts and bolts from his shop, he identified the person by holding his hand and bringing him out from amongst the eight to ten persons standing in line. The said person disclosed his name as Tanvir Mohammad Akhtar (A-63) and stated that he was a resident of Katargam. This witness stated that he was the same boy who had come to his shop to purchase nuts and bolts. The accused was successfully identified in the Test Identification Parade being Exh.3079 proved by the concerned Executive Magistrate. The Court has already discussed the reliability of Test Identification Parade under the Chapter of "Identification" in "Issues". This witness has deposed that due to lapse of time and change in appearance, particularly due to the growth of beard, he was unable to identify the accused shown to him through video conferencing. The witness was also shown muddamal iron bolts at Sr.No.7 of muddamal list at Exh.2350, which bore SPI mark and he has deposed that the same bore the company mark of the goods sold by their shop.

15.250. In cross-examination, this witness has deposed that his work in the shop was limited to preparing bills and receiving money and that he did not maintain accounts or work as a sales man. He has admitted that

the bill books and books of account were maintained however they were not seized by the police or produced before them. He has also admitted that he had not given the description regarding the age, height or complexion or the boy who purchased nuts and bolts to the police. He has deposed that after being questioned by the police at the DCB Office, he went to Killa on his own and was not accompanied by any police personnel. He has also admitted that he did know the name or designation of the Magistrate and that apart from himself, the Magistrate and one or two panch witnesses, there was no one else present in the office. He has deposed that he left after the same and that he was not questioned thereafter by the police.

15.251. He has deposed that at the time when the nuts and bolts were sold two other persons namely Abbasbhai and Laxmanbhai were employed at the shop and the boy was attended to by Abbasbhai. He has also admitted that he had not told the police about the size of the nuts and bolts which were sold and that even at the time of the deposition, he was unable to state the same. He has deposed that the boy had informed him that he resided at Katargam, Bharimata and that nothing further had been disclosed. He admitted that he could not state whether the nuts and bolts purchased were of the same size or of different sizes. He has further admitted that he had not been shown the muddamal articles earlier and that apart from the SPI mark, no such mark was present so as to indicate that they had been sold from the shop. Also, he possessed no documentary evidence so as to establish that the muddamal articles were sold from his shop. He has also admitted that between the dates of sale and his visit to DCB Police Station, the police was not informed that such a boy had purchased goods from him. He has also admitted that no summon had been issued to him by the DCB Police and that he was not

informed one or two days in advance that he had to attend the Magistrate's Court. Also, he has deposed that he was not asked anything else apart from his name and address by the Magistrate.

15.252. Upon perusing the evidence of this witness, it is sufficiently established that a boy had been supplied with around 15 to 16 kilograms of nuts and bolts from Kamla Hardware Mart and even during the Test Identification Parade, this witness has identified accused No.63-Mohammad Tanvir @ Talha S/O Mohammad Akhtar Pathan to be the person, who had purchased the nuts and bolts from his shop. Therefore, the evidence of this witness connects accused No.63 with the procurement of nuts and bolts, creating an additional link in the chain of circumstances in the larger conspiracy, with a common object of causing blasts.

15.253. The Court has also perused 313 statement of this accused wherein no explanation is offered and the accused pleaded ignorance to the question with regards to Exh.6010/P.W. No.855-Jayeshbhai Manubhai Patel, which pertains to purchase of nuts and bolts in bulk quantity despite the accused not being in the business of hardware.

PW No.983-Nareshbhai Ambalal Mehta (Exh.6846)

15.254. The Court has also perused the evidence of PW No.983-Nareshbhai Ambalal Mehta vide Exh.6846 who had been carrying on the business in the name of 'Hardik Plywood and Hardware" at Bharuch and dealt in the sale of plywood, hardware articles, nails, metal sheets and other building materials. He has deposed that on 18.11.2008, police from Surat came to his shop and enquired whether any person had purchased metal sheets and nails from him, to which, he informed the police that many persons purchased such articles from his shop. The police also

asked him whether any person named Rafik had purchased nails or metal sheets from him to which he replied that as many customers purchased such articles and cannot identify everyone however, if the concerned person was shown to him he might be able to identify him. His statement in that regard was recorded by the police.

15.255. He has deposed that on the next day he received a phone call from Surat Crime Branch and he was informed that a person named Rafik had purchased nails and metal sheets from his shop and he was to be identified and therefore, he was required to come to Killa in Surat. Accordingly, he attended the office of the Magistrate at Nana Chowk Killa, Surat. His name and address were recorded and thereafter, he was asked to sit in a separate room. After waiting for 45 minutes to one hour, he was called before the Magistrate and was taken to another room wherein his name and address was inquired. He was thereafter, asked to identify the person who had purchased nails and metal sheets from his shop from amongst the 10 persons who were standing in a line. According to the witness, he has described the said person to be tall and around 6 feet with a fair complexion and a light beard. He identified him from amongst the line of persons, and thereafter, held his hand and brought him out. Thereafter, he was directed to sit outside. The witness has deposed that he was thereafter, called by the police who asked him to state about the proceedings that had taken place, whereupon he came to know that the name of the person whom he had identified was Fazale Rehman. He has deposed that it had been eight to ten years since he identified the said person however, he would try to identify him if shown to him. This witness was thereafter, shown the accused through video conferencing from Bhopal Central Jail however he was unable to identify the accused owing to lapse of time.

15.256. In cross-examination, he has admitted that there are other hardware and plywood shops which are nearby to his shop. He has deposed that he and another employee namely Vasant Dahyabhai Patel have been working in the shop and that both of them supplied goods to customers. He has deposed that metal sheets were kept in rolls and nails were kept in boxes and that the nails were sold by weight, were of different sizes and kept in different boxes. He has deposed that the metal sheets were kept in full size and were cut as per the requirement of the customers. He has deposed that he maintained books of accounts, purchase bills, sale bills and challans. He has deposed that he did not issue bills to every customer unless it was demanded and that he did not obtain the customer's signature on the bill. He has deposed that on 18.11.2008, when the police came to him he had not handed over any purchase or sale bill and that even the police had not inspected or signed on such bills. He has deposed that the police had not informed him on what date or time the person named Rafik had come to his shop. He has deposed that on 18.11.2008, the police had not brought Rafik to his shop or shown him any nails or metal sheets or any accused person who pointed out his shop as the place from where he had purchased the material.

15.257. He has admitted that on 18.11.2008 he had not given the description of the person who had purchased the nails and sheets, nor had the police made any sketch of such a person. He has deposed that prior to 18.11.2008, he had not informed the police that any suspicious person had purchased nails and metal sheets from his shop.

served with any summons or document requiring his presence at Surat. This witness has also admitted that he had not informed the police that the name of the purchaser was Rafik and that he first came to know the name to be Fazle Rehman when he went to the police office after leaving the office of the Magistrate. He has deposed that the Magistrate had neither informed him that the person identified by him was Fazle Rehman nor asked the accused about his name in his presence.

15.259. The witness has admitted that he did not have any written document which directed him to appear before the Magistrate and that except for asking about his name and address, the Magistrate had no further conversation with him. He has also deposed that from the room he was seated the Magistrate's room and the movement of persons could be seen.

15.260. The witness has deposed that the police had recorded his statement only once on 18.11.2008. He has further admitted that when the police referred to the nails or metal sheets they did not inform him about the type or quantity of the same. He has also admitted that the police had not asked him about the physical description of the person to whom he had sold the nails and metal sheets and that even he had not told about such description of the person to the police.

15.261. Upon perusing the evidence of this witness, it connects the accused Fazle Rehman (Accused No.45) with the procurement of metal sheets and nails from 'Hardik Plywood and Hardware'. It is pertinent to observe that the very nature of the ply wood or the galvanized sheet is the part of assembling of the bomb which is reflected in the scene of offence panchanama exhibited elsewhere. This evidence hereby constitutes an additional circumstance in the larger conspiracy, which was with a common object of causing bomb blasts resulting in mass

PW No.924-Sarfaraj Abdulrahim Ajmerwala (Exh.7010)

15.262. The Court has perused the evidence of PW No.924-Sarfaraj Abdulrahim Ajmerwala in connection with the alleged purchase of plastic barrels by Kayamuddin Kapadiya (accused No.37). This witness has deposed that he carried on a business in the name of "S.A. Ajmerwala", which dealt in used plastic barrels and carboys. He has deposed that the police asked him as to whether any person had purchased barrels from his shop, to which he had informed the police that he would be able to identify such a person if he was shown to him. Thereafter, he participated in a test identification parade, which was held on 17.12.2008 at Gheekanta Court before the Executive Magistrate, wherein this witness was asked his name, business and was then asked to identify the accused person from amongst the six persons standing in line. After examining them, he brought one person out of the line and upon asking the name of the person who had been so identified, he disclosed it to be Kayamuddin Kapadia (accused number 37), whereupon this witness informed the Magistrate that he was the person who had come to his godown once or twice to purchase the barrels. After completion of the proceedings, his statement came to be recorded by the police. However, during the deposition before the court, he was unable to identify the accused due to lapse of time and change in appearance as most accused had long beards whereas earlier, the accused was clean shaved.

15.263. In cross-examination, this witness has deposed that although accounts and bill books were maintained, bills were issued only if the same was demanded by the purchaser. He has also deposed that he did

not remember whether any bill was demanded by the purchaser (accused) or whether the police asked for the bill relating to the sale of such barrels. He has deposed that any of the three brothers who were managing the business could independently sell the barrels, and that he did not remember the exact date, time, or number of the barrels which were sold. He has deposed that the sale, to the best of his knowledge, took place on 23rd or 24th July 2008. He has deposed that before the parade he had not met anyone and that apart from the Magistrate, two other officers and six persons standing in a line were present during the test identification parade. He has also deposed that his brothers were sitting at the shop, and that the police had not made any inquiry with them.

15.264. Upon perusal of the deposition of this witness, it establishes that Kayamuddin Kapadiya (accused number 37), was identified by this witness during Test Identification Parade to be the person who had purchased the said barrels from his shop, thereby connecting Kayamuddin (A-37) with the procurement of barrels.

15.265. The investigating officer during the investigation having found the barrels/carboys recovered during the course of investigation connected with the hideouts therefore, had to make inquiry about the barrels.

15.266. <u>This witness in his deposition has attributed a role in conspiracy to the following accused persons.</u>

stoves and spare parts, and has been examined in connection with the alleged purchase of two gas cylinders by accused No.37-Kayamuddin Kapadiya.

15.268. The witness has deposed that on 05.08.2008, Crime Branch officers came to his shop in connection with the bomb blasts and enquired regarding the sale of gas cylinders. He informed them that a person, who was fair, thin and about five feet in height, had come a few days earlier and purchased two gas cylinders by paying Rs.1,500/-, though normally customers purchased only one cylinder and also informed the police that he would be able to identify the said person if shown to him. He thereafter participated in the Test Identification Parade held before the Executive Magistrate, wherein he identified accused No.37-Kayamuddin Kapadiya as the person who had purchased two 5 kg gas cylinders from his shop. However, during his deposition before the Court, he was unable to identify the accused due to lapse of time and change in appearance. He also identified the muddamal burnt gas cylinder (Muddamal List Exh.461) as being of the same type as those sold by him.

15.269. In cross-examination, he admitted that similar gas cylinders were available with several dealers, that he did not maintain any bills or records regarding purchase or sale of cylinders, identity of purchasers or quantity sold, and that he did not affix any mark or identification on the cylinders sold by him. He further admitted that he possessed no documentary proof regarding the sale of two gas cylinders. However, he stated that he remembered the purchaser as he had purchased two cylinders together, whereas normally every customer purchased only one cylinder. He denied the suggestions that he had not sold the cylinders, that the police had shown him the accused before the Test Identification

Parade, or that he was deposing falsely at the instance of the police.

15.270. Upon perusing the deposition of this witness, it establishes that accused No.37-Kayamuddin Kapadiya was identified by him in the Test Identification Parade as the person who had purchased two 5 kg gas cylinders from his shop, which came to be used in the blasts that had taken place, thereby, connecting this accused with the offence. The Investigating Officer was required to make investigation about the gas cylinders as it was part of the explosion which took place when the bomb laden cars exploded.

<u>PW No.1017-Vinod Sirumal Jumani (Exh.7010)</u>

15.272. The Court has perused the evidence of PW No.1017-Vinod Sirumal Jumani at Exh.7010 , who runs the shop named S.K. Electricals, and from whose shop Kayamuddin Kapadiya (accused No.37) is alleged to have purchased 50 bulbs and 13 batteries. This witness has deposed that he runs the business of selling electrical instruments, batteries, bulbs, and other electrical articles. He has deposed that on 12.12.2008, police person along with an accused, namely Kayamuddin (accused number 37) and two panch witnesses had come to his shop and informed him that the said accused had purchased 13 batteries and 50 bulbs from his shop. The witness has deposed that he had informed the police that he used to regularly sell such articles and that many customers used to purchase the same from his shop. His statement in this regard was recorded. During the course of his deposition before the court, he was unable to identify the accused due to lapse of time.

15.273. In cross-examination of this witness, he has admitted that he does not maintain any stock register or sales account, does not issue any bill for the articles sold and that he only keeps such material as is required for repair work. He has also deposed that the accused had not told him that he had purchased the articles and that it was the police who had informed him about the said purchase and the date of the purchase. However, this accused has denied the suggestion that he had falsely deposed that the police brought the accused person to his shop.

15.274. The Investigating Officer had investigated regarding the purchase of the bulbs and batteries as the bulbs served as a testing of a complete circuit of the bomb device and batteries were found to be part of the explosive device in the timepiece (alarm clocks) used as a timer in the explosive device.

(Accused No.1 in Criminal Confirmation Case No. 2/2022 and Appellant No.1 in Criminal Appeal No. 727/2024):

16.1.1. In case of accused No.1-Jahid S/o Kutubuddin Shaikh, he has been convicted for various offences by the trial Court and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.1.2. Learned Advocate Mr. Somnath Vatsa on behalf of accused No.1-Jahid S/o Kutubuddin Shaikh has submitted that the case of the prosecution against this accused is that he has been associated in the

conspiracy from the beginning, as he has been a member of SIMI, who had organized and attended the alleged terror camp at Vagamon and Halol. However, there is no evidence of the accused attending such camp or having any SIMI connections. It is submitted that there are weak and scant evidence, which the prosecution is loosely connecting the accused with the crime like connecting the accused with house No.10 of Al-Mohammadi society or some email communications.

16.1.3. The evidence largely relied upon is that of the confessional statement of co-accused Imran at Exh.8619. It is submitted that as it is the evidence of a co-accused, even if it is a confessional in nature, cannot be treated as a substantive piece of evidence. In any case, such confessional statement stands retracted within two weeks of its making. Even if the prosecution is treating such evidence, still it can only be corroborative piece of evidence, and where there is no substantive evidence, there is no question of relying upon a corroborative piece of evidence.

16.1.4. It is submitted that even if the confessional statement of co-accused Imran is taken into consideration, then also such statement was made on 14-11-2008, and therefore prior thereto, there does not appear to be any sort of evidence to implicate accused No.1-Jahid S/o Kutubuddin Shaikh, and therefore, it is argued that prosecution had nothing to implicate him as an accused.

16.1.5. It is submitted that the prosecution has also relied upon pointing out Panchnama Exh.6480 as evidence against accused No.1-Jahid S/o Kutubuddin Shaikh by considering it to be of Panchnama executed under Section 27 of the Evidence Act. However, it is argued that Exh.6480 does not meet with the requirement of Section 27, as the prosecution has not pointed out as to why the accused at all was taken to

Halol, and what were the circumstances with the investigation, on the basis of which, accused No.1- Jahid S/o Kutubuddin Shaikh was connected with Halol. The investigating officer, who had conducted Exh.6480 Panchnama at the relevant time, had expired and has not been examined as witness and thereafter, there is no such explanation. It is also argued that in the Panchnama, the Panch witness is from Halol and therefore, the Panchnama which was drawn at Ahmedabad, how the witness of Halol was present is a question. It is submitted that as the disclosure made in the Panchnama, the police was present and therefore such voluntary disclosure is hit by section 25 of the Evidence Act as well as Section 126 of Cr.P.C.

16.1.6. Learned Advocate has argued that in the pointing out Panchnama, several articles have been recovered, which the prosecution has narrated in the Panchnama to contend that a terror camp was held at the site disclosed by this accused No.1- Jahid S/o Kutubuddin Shaikh. However, from the answers given by one of the witnesses, i.e. Idrish Munjavar, Exh. 7923, who has mentioned that it was also a site of holding of Urs and therefore, the articles recovered from the site can belong to the activity of Urs undertaken there.

16.1.7. It is argued that even if the prosecution is able to establish holding of the alleged terror camp, prosecution has not been able to establish the link between the two alleged terror camps, one at Vagamon in Kerala and another at Halol in Gujarat and as no witness has deposed that there is commonality in the camps organized and that at the camp there was any discussion or meeting of minds to carry out the bomb blast in Ahmedabad. In this regard, learned Advocate has drawn attention of this court to PW No.1115 at Exh.8002- Mohammad Mansuri to submit that this witness has already indicated that the investigating

officer was aware of Halol and Kerala camps, as there was already some action on the part of Madhya Pradesh police, which had come in search of one of the accused Kayamuddin in April 2008, much before the incident of July, 2008 and therefore, when investigating Officer was aware of the holding of camp within exact place in Halol, the drawing of pointing out panchnama of Halol camp, cannot be said to be not within the knowledge of investigating officer. In this regard, the court may observe that the knowledge attributed about holding of Halol camp is that of the Madhya Pradesh police, as is deposed by the aforesaid witness. It is also submitted that the fact that the investigating officer was already aware of Halol camp even before accused No.1- Jahid S/o Kutubuddin Shaikh could be taken to Halol for pointing out Panchnama, is evident from the newspaper reports of the relevant time, as during the remand period, it was in public domain through the newspapers and media reports that the investigating officer has found some connection of the blast with the terror camp at Halol. It is submitted that in this regard, the application Exh.9154 was given by accused No.1- Jahid S/o Kutubuddin Shaikh to call upon the editors of such newspapers for being examined as witness to bring on record the source of their information, as the defence doubts that the source of the information was the investigating officer himself and therefore, there was no new discovery of the site of so-called terror camp.

16.1.8. The court has perused Exh.9154 which was decided on 9-10-2010. Such application came to be rejected, against which no appeal has been preferred and therefore, the court finds that non-examining of certain newspaper editors as witness has not prejudiced the case of accused No.1- Jahid S/o Kutubuddin Shaikh.

16.1.9. It is cursorily submitted that there is a correlation between

the deposition of PW No.115 with the application at Exh.9154 and Exh.9300 for examining the editors of the newspapers, as in the newspaper the pictures of Halol site have appeared and therefore, to probablise defence on the point that the site was not in the exclusive knowledge of accused No.1- Jahid S/o Kutubuddin Shaikh, but it was also known to the police and that is the reason why the police without their being any reason had directly taken accused no.1-Jahid S/o Kutubuddin Shaikh to Halol.

16.1.10. In this connection it is observed that Exh.6480 is a panchnama, which is executed in two parts and the first part of the panchnama was executed in Halol itself from where the local panch witnesses have been procured. Moreover, in the initial investigation itself obviously upon the interrogation of the arrested accused the clue for holding of any such terror camp would have been revealed, which would lead to investigation in the direction of Halol.

16.1.11. Learned advocate has thereafter made submissions regarding the three eyewitnesses i.e. (1) Ambalal Vechatbhai Boriya- PW No.1067, (2) Ramkabhai Devkaranbhai Kesariya- PW No.972 and (3) Idrish Munjavar- PW No.1105, to the holding of the terror camp in the jungles of Pavagadh and Halol by submitting that they are chance-witnesses, who were unable to make any doc identification and therefore, the test identification of the accused through these witnesses cannot be relied upon. The presence of chance- witnesses has not been explained and therefore, are not reliable evidence.

16.1.12. Similarly, the evidence of another witness- Idrish Munjavar- PW No.1105 through him there is no test identification parade and therefore, whether he is a genuine witness is doubtful.

16.1.13. Learned advocate has submitted that the role attributed by

witness PW No.957/ Exh. 6687- Zakir Husein, wherein in Para No.5, wherein he has mentioned a cause that Accused No.1-Jahid S/o Kutubuddin Shaikh had mentioned about arrest of his brother for which, he wanted to take revenge but the same cannot be connected or presumed that when he said that something has to be done as to really referred to causing of bomb explosion. In this regard the perusal of deposition of PW No.957 would clearly indicate that the witness mentioned the word (Dhadaka) in his deposition, which clearly means explosion. It is therefore submitted that only on the basis of an association of the accused with the other co-accused cannot lead to the presumption that he had actively participated but something more is required to be attributed to accused no.1- Jahid S/o Kutubuddin Shaikh for conviction which has a serious consequence. He has also submitted that this witness in general is not a reliable witness in view of changes in the version in his deposition, particularly, the version of the witness in section 164 statement and the deposition. It appears that learned Advocate has referred to the omissions recorded in the deposition as compared to the statement under section 164. However, it is pertinent to point out that the version of the witness was evident in section 161 statement before the police and therefore, the clarification of the witness that only with regards to the important issues that the witness has made the statement under section 164, whereas the statement before the police was in greater detail to which he has stood by during his deposition before the court. The Court may refer to the questions which were put before this witness with regards to the delay in making the statement to which in para no.41 he has stated that on 16-10-2008 after the incident on his own volition had approached the concerned police station giving his version, which was thereafter recorded on 17-10-2008. Considering

the nature of offence and the extent of investigation, the court does not find that the statement of the witness was recorded belatedly.

16.1.14. Learned Advocate has also assailed the SDS test report on the ground that the same cannot be treated as a reliable piece of evidence, but is only an opinion, which is not sufficient to support the conviction. The court in this regard has perused the evidence of the witness Vasant Patel PW No.848 at Exh.9498 and the two reports at Exh.5900 and Exh.5901.

16.1.15. The defence has thereafter assailed the evidence of prosecution in the form of pointing out panchnama dated 19-09-2008, where he pointed out house No.10 of Al-Mohammadi society by submitting that the entire initial investigation is shrouded in doubt as the applicant was arrested on 16-08-2008, at the same time several other accused were arrested. He has referred to other accused persons, who were arrested by DCP, Gaikwad Haveli, but there is nothing on record as to how all of them were gathered and arrested at a time. According to learned Advocate, the accused was detained and was kept in illegal custody for almost period of two weeks prior to the arrest. In this connection, the court has already perused the evidence on record with regards to the remand reports and the judicial orders passed in this connection, wherein from the record, it appears that the accused was fully represented by the respective advocates and nothing has come on record, even at that initial stage that there was any incident of illegal detention.

16.1.16. Learned advocate has also raised doubts on the pointing out panchnama Exh.6656 executed on 19.09.2008 by comparing it with Exh.5913 being report of mobile FSL. This report mentions name of Shri Dahiya on behalf of FSL being present during the course of the

panchnama. However, in the panchnama there is no mention of the presence of Shri Dahiya.

16.1.17. Moreover, with regards to mentioning of chance print of finger on the CD also there is discrepancy in the report and the panchnama. The mobile unit of FSL does not refer to taking of any chance-print nor there is any photography of such chance-print on the CD. Therefore, how the investigation has brought on the record the fingerprints on CD though not ordered by any of the FSL officers is a question mark. Therefore, as also pointed out about the discrepancy in the deposition of PW No.958 on behalf of the FSL with regards to the fingerprint and submitted that in the deposition reference is made to preserving of the fingerprint, but in the panchnama, no process in detail has been written. It is submitted that though the issue of fingerprint pertains to co-accused Mohammad Saif accused No.38, learned advocate has raised this issue to bring out unreliability of the investigation. Learned advocate has argued this point to make out the case that if accused no.1-Jahid S/o Kutubuddin Shaikh is sought to be connected to accused no.38- Mohammad Saif @ Rahul Sabad Ahmed @ Mr. Sheikh, and the house through the fingerprint of co-accused and therefore, the process of taking of fingerprint and connecting it with accused no.38- Mohammad Saif @ Rahul Sabad Ahmed @ Mr. Sheikh itself being faulty will not be able to establish the connect of the accused with the house.

16.1.18. Learned advocate has thereafter assailed the evidence at Ehx.5766, which is the opinion of the FSL and submitted that the entire opinion does not refer to any explosive substance or article to connect the articles recovered from the house with the explosion and therefore, if the house is not connected with the explosive, in that case, the

connection of the applicant with the house is also irrelevant. It would be pertinent to observe that the opinion of the FSL does mention the presence of nitrite and nitrate, which even according to the opinion of the experts is an explosive substance.

16.1.19. Learned advocate has thereafter referred to diary, which was found during panchnama containing the handwriting. However, Exh.7958- the report of FSL Department though refers to the presence of the diary with the handwriting, there is no analysis of the handwriting, which would connect Accused No.1-Jahid S/o Kutubuddin Shaikh with the diary. Therefore, when the article is seized in the panchnama does not connect any accused including Accused No.1- Jahid S/o Kutubuddin Shaikh, the pointing out panchnama not connecting the article to any accused loses its significance.

16.1.20. Learned Advocate has lastly submitted that the prosecution has tried to connect Accused No.1- Jahid S/o Kutubuddin Shaikh with the Al-Mohammadi society, however, in connection with the Al-Mohammadi house, the owner Fukhrajbanu has been examined as PW No.943. Thereafter, broker Arif has been examined as PW No.953 and even the waterman delivering the water to the house has been examined at Exh.6586 and none of these witnesses, though are good witnesses for establishing the connect of Accused No.1- Jahid S/o Kutubuddin Shaikh with the house have not mentioned anything about Accused No.1- Jahid S/o Kutubuddin Shaikh.

16.1.21. Learned Additional Advocate General for the prosecution has submitted that common charge of conspiracy was framed against all the co-conspirator-accused including Accused No.1- Jahid S/o Kutubuddin Shaikh. In addition to the principal charge of conspiracy under Section 120 (B) of IPC, Accused was also charged with the offences punishable

under Section 302 of IPC and other offences of IPC. Moreover, accused was charged with Section 16(1)(a)(b) and other offences of UAPA as accused committed following acts.

16.1.22. It is submitted that Accused No.1- Jahid S/o Kutubuddin Shaikh attended Vagamon and Halol Training Camp. Accused No.1-Jahid S/o Kutubuddin Shaikh made disclosure and pointed out Halol Training Camp site from where incriminating articles like busted balloons (target practice), pellets, cap of pipe etc. were recovered. Accused No.1- Jahid S/o Kutubuddin Shaikh also undergone different activities of terror training camp which would include preparation of bombs etc along with other conspirators whose ultimate object was to commit mass killing and take revenge of human loss suffered by Muslims.

16.1.23. It is submitted that accused No.1-Jahid S/o Kutubuddin Shaikh is consistently involved by Accused No.2-Imran S/o Ibrahim Shaikh, accused No.21-Mehandihasan @ Vikki S/o Abdul Habib Ansari and accused No.35-Rafiyuddin S/o Sarfuddin Kapadiya in their confessional statement which are proved to be voluntary and lends corroboration to the other evidence on record, regarding conspiratorial acts of accused who were involved in terror training camp.

Spot and other places are taken account into then it can be said that they had a common knowledge of their participation in such camp.

16.1.25. It is also submitted that evidentiary material which would show that different objects like pellets, basted balloons etc were found from said camp side which would fully support the arrangement of such camp at such site which has been attended by different conspirators including Accused No.1- Jahid S/o Kutubuddin Shaikh.

16.1.26. It is submitted that after Accused No.4-Samsuddin Shaikh's Nana's house meeting one another, conspiratorial meeting took place which is attended by Accused No.1- Jahid S/o Kutubuddin Shaikh along with Accused No.5-Gyasuddin @ Gyasu S/o Abdulsalim Ansari, accused No.18-Javed Ahmed S/o Sagir Ahmed Shaikh, accused No.27-Mohammad Ismail @ Abdul Rajik @ Musaf @ Furkan S/o Mohammad Isaak Mansuri and deceased conspirator Mujib. In this meeting Accused No.1- Jahid S/o Kutubuddin Shaikh stated that we all have to show our strength to police and we should cause blast in public to condemn Government. This material is emerging from evidence of PW No.957/ Exh.6687 Jakir Hussein.

16.1.27. It is submitted that as Accused No.1- Jahid S/o Kutubuddin Shaikh made disclosure and pointed out the house 10 Al-Mohammadi Society from where incriminating articles like material for preparing bombs were recovered. This house was rented by Accused No.37-Kayamuddin @ Rizwan @ Ashfak S/o Sarfuddin Kapadiya. Moreover Accused No.27- Mohammad Ismail @ Abdul Rajik @ Musaf @ Furkan S/o Mohammad Isaak Mansuri is also connected with occupying this house. Over and above, these facts the utensils found from the 10 Al-Mohammadi Society House were purchased by Accused No.8-Yunus S/o Mohammad Mansuri.

16.1.28. It is argued that over and above, presence of nitrite and nitrate mulako (radicals) and material for preparing bombs, fingerprints of Accused No.38- Mohammad Saif @ Rahul Sabad Ahmed @ Mr. Sheikh was also found from this house.

16.1.29. It is submitted that moreover, if the conduct of other accused nos.38- Mohammad Saif @ Rahul Sabad Ahmed @ Mr. Sheikh, 37-Kayamuddin @ Rizwan @ Ashfak S/o Sarfuddin Kapadiya, 27-Mohammad Ismail @ Abdul Rajik @ Musaf @ Furkan S/o Mohammad Isaak Mansuri, 28-Afzal @ Afsar S/o Mutallib Usmani (Musalmaan), 36-Mohammad Arif Nasim Ahmed Mirza, 47-Ahmed Bava @ Abu S/o Abubakr Barelvi, 50- Saifur Rehmaan @ Saifu @ Saif Abdul Rehmaan and 75-Mohammad Rafiq @ Javed @ Alam Jeb Afridi S/o Maskur Ahmed who also pointed out 10 Al-Mohammadi Society House as well as other places are taken into consideration then all this accused are directly concerned and connected with 10 Al- Mohammadi Society House from where different articles, objects which would include articles as like material of preparing bombs, chance fingerprint of Accused no.38- Mohammad Saif @ Rahul Sabad Ahmed @ Mr. Sheikh etc are found, hence their conduct of pointing out this particular house would be relevant falling U/s 8 of evidence act.

16.1.30. Learned advocate for State has submitted that circumstance and conduct of Accused No.1- Jahid S/o Kutubuddin Shaikh whereby he pointed out his shop name Seema Communication Nagori Complex near Danilimda from where recoveries of articles like ball bearing balls etc were made is relevant as similar type of ball bearing balls are also found from 10 Al-Mohammadi as well as different scene of offences, also from the body of different victims and from live bombs. This circumstance against Accused No.1- Jahid S/o Kutubuddin Shaikh makes him

principal conspirator and also connect him with all other co-conspirator who are also connected with all the above referred circumstances which are conspiratorial circumstances.

16.1.31. It is submitted that moreover, as per the evidence on record Accused No.1- Jahid S/o Kutubuddin Shaikh has also used Cyber Cafe with other accused i.e. Accused Nos.12, 16 and 37 during conspiracy.

16.1.32. It is submitted that furthermore, Accused No.1- Jahid S/o Kutubuddin Shaikh is member and associates of banned terrorist organization SIMI. As per the evidence on record other accused who also aided in terrorist act are also connected with members of SIMI and associates of SIMI.

16.1.33. It is submitted that the cumulative effect of proved circumstances against accused persons who are connected with both the training camps, conspiratorial meeting, who got on rent different houses and also got connected with preparation of bomb, used cyber cafe, associated with SIMI and involved in other conspiratorial acts should also be taken into consideration, in determining the guilt of accused instead of appreciating all such circumstances independently against each accused as argued by defence. All the circumstances together connecting all the accused needs to be taken into consideration collectively as all the accused are conspirators and are doing their acts in achieving their common object of mass killing.

16.1.34. It is submitted that as there is prima facia evidence affording reasonable ground to believe that all the accused were part of conspiracy to commit terrorist act like mass killing in reference to their common intention. Accused No.1- Jahid S/o Kutubuddin Shaikh is also one of the conspirators to commit the offences as charged.

16.1.35. It is submitted that it was argued by defence that accused

no.1- Jahid S/o Kutubuddin Shaikh and other accused were arrested prior to 16-08-08. But if we look to 1st production report of accused no.1- Jahid S/o Kutubuddin Shaikh and others dated.17-08-08 which is on record of Shahibaug I-C.R. No. 236/08- S.C. No. 38/09, accused made no complaints when M.M. Court No.5, asked accused whether they have any complaint against police. Even on remand report though accused have signed, they made no endorsement of any illegal detention. Moreover, they were also represented by their advocates. Furthermore, from the evidence of PW No.1163/ Exh. 8638 I.O. Mayur Chavda it appears that there was sufficient material against accused No.1- Jahid S/o Kutubuddin Shaikh and other for arrest on 16-08-08. In short, there is no documentary evidence to suggest illegal detention of Accused No.1- Jahid S/o Kutubuddin Shaikh and others.

16.1.36. It is submitted that moreover, defence has argued that before pointing out of Halol Camp on 27-08-08 police had some knowledge about Halol Camp. As per defence, the knowledge of police is reflected from remand application of other accused dated. 20-08-08 in Shahibaug I.-C.R. No.236/08. Therefore, pointing out panchnama cannot be said to be U/s. 27 of evidence act. According to prosecution, Halol is the big Taluka and mentioning of name of camp, it cannot be said that police knew the site-exact spot of camp, which is as such situated in Jungle near Kamlesh Korry. So far as prior knowledge of police about Halol camp emerging on the basis of remand application is concerned defence has as such did not confront any investigating officer about they having prior knowledge of Halol camp based on remand application. Even otherwise examining remand application at the stage of final hearing before this Hon'ble Court will not serve any purpose as remand application only discloses Halol camp and not the exact place where

actual camp was conducted as led by accused no.1- Jahid S/o Kutubuddin Shaikh which led to actual site namely inside jungle near Kamlesh Quarry.

16.1.37. It is submitted that as such Accused No.1- Jahid S/o Kutubuddin Shaikh after his arrest during the course of investigation firstly led investigator to the actual site of Halol Terror Training Camp which also led to recovery of different articles as discussed above. Thereafter, Accused No.1- Jahid S/o Kutubuddin Shaikh further led to his shop named Seema communication which also led to recovery of incriminating objects and lastly and most importantly Accused No.1- Jahid S/o Kutubuddin Shaikh also led to pointing out 10 Al-Mohammadi Society which also further led to recovery of different incriminating objects as referred above. In view of it, all the 3-disclosure statement made by Accused No.1- Jahid S/o Kutubuddin Shaikh has referred in the panchnama Exh.6480, Exh.5492 and Exh.6656 and reiterated in the evidence of panch witnesses, PW No.904/ Exh.6479, PW No.818/ Exh.5491 and PW No.953/ Exh.6655 together with evidence of concerned investigation officer PW No.1163/ Exh.8638, PW No.1163/ Exh.8638 and PW No.1154/ Exh.8340 altogether would lead statement of Accused No.1- Jahid S/o Kutubuddin Shaikh which ultimately led to above referred recoveries though are inculpatory in nature but are admissible U/s 27 of evidence act.

16.1.38. It is submitted that in addition to above referred different conspiratorial circumstances there is one more link of circumstance in the nature of forensic evidence as Accused No.1- Jahid S/o Kutubuddin Shaikh was subjected to Suspect Detection Test (SDS) and the opinion of it founds Accused No.1- Jahid S/o Kutubuddin Shaikh involved and connected with different bomb blast and is association with SIMI along

with other accused persons.

16.1.39. This Court has carefully examined the oral as well as documentary evidence produced by the prosecution against Accused No.1 –Jahid S/o Kutubuddin Shaikh. Upon overall appreciation of the material available on record, it emerges that the prosecution has succeeded in establishing the involvement of Accused No.1- Jahid S/o Kutubuddin Shaikh in the conspiracy, training activities and other incriminating acts attributed committing the offence.

16.1.40. The Court has perused the evidence of PW No.972/Exh.6802 Ramkabhai Kesariya, who deposed that while grazing buffaloes near the jungle area, he had noticed certain persons taking training. The witness identified Accused No.1-Jahid S/o Kutubuddin Shaikh along with other accused persons during the Test Identification Parade vide Exh.3061, which came to be duly proved through Executive Magistrate PW No.571/ Exh.3051. Though the witness could not identify Accused No.1-Jahid S/o Kutubuddin Shaikh before the Court owing to lapse of considerable time and change in appearance, such circumstance does not materially affect the evidentiary value of the earlier identification made during investigation. (See sub-chapter “Identification” under the Chapter “Issues”)

16.1.41. The Court has also perused similar evidence which has been given by PW No.1067/Exh.7231 Ambalal Bariya, who deposed that while proceeding near Helical Vav after puncture of his jeep, he heard sounds from the valley and upon approaching the spot, noticed about 20 to 25 persons taking training. The witness identified Accused No.1-Jahid S/o Kutubuddin Shaikh in the Test Identification Parade Exh.3061 through Executive Magistrate PW No.571/ Exh.3051.

16.1.42. The Court has also perused the evidence of PW No.1105/

Exh.7923 Idrish Fakir, caretaker of Khundpir Dargah, who has deposed that by reference of one Sadab, Accused No.2-Imran S/o Ibrahim Shaikh along with 20 to 22 boys had stayed at the Dargah under the guise of tracking activities. The witness further stated that police had subsequently come to the Dargah along with Accused No.1-Jahid S/o Kutubuddin Shaikh on 27.08.2008.

16.1.43. The Court may also consider the evidence of PW No.957/ Exh.6687 Zakir Hussein Qureshi. The said witness has narrated in detail regarding various conspiratorial meetings amongst accused persons.

16.1.44. Accused no.1- Jahid S/o Kutubuddin Shaikh and other accused are involved by PW No.957/ Exh.6687 Zakir Hussein, for conspiratorial meeting. He has vividly recounted in his evidence as to how some of the accused were gathered, conspired, made speeches to take revenge of loss suffered by Muslims and needs to strick terror in public, for SIMI activities, conspiratorial meeting at Accused No.4-Samsuddin S/o Shahabuddin Shaikh nana's house, meeting of accused before blast, how accused persons maintain distance with witness before blast, talk of some accused after blast and regarding extra judicial confession of Accused No.27- Mohammad Ismail @ Abdul Rajik @ Musaf @ Furkan S/o Mohammad Isaak Mansuri before PW No.957/ Exh.6687. Moreover, witness described the role of Accused No.1- Jahid S/o Kutubuddin Shaikh and other accused in his deposition and identified Accused Nos.1- Jahid S/o Kutubuddin Shaikh, 4-Samsuddin S/o Shahabuddin Shaikh, 5-Gyasuddin @ Gyasu S/o Abdulsalim Ansari, 6- Mohammad Aarif S/o Mohammad Iqbal Kagzi, 8-Yunus S/o Mohammad Mansuri, 15-Mufti Abubasar @ Abdul Rashid @ Abdulla S/o Abubakar Shaikh, 18-Javed Ahmed S/o Sagir Ahmed Shaikh, 23-Ayaz Razakmiyan Saiyed (now approver), 27-Mohammad Ismail @

16.1.45. According to defence, evidence of this witness is in the nature of an accomplice. His evidence is not reliable and cannot be the basis of conviction. If the witness is found reliable then his evidence must be corroborated in material particular by independent evidence. It is also submitted that according to defence, he has not come forward to give his statement immediately after bomb blast. His conduct is unnatural. He has not stated majority of his evidence in the statement recorded U/s 164 of Cr.P.C. Though his involvement in the offences are higher in degree then some of the accused, police has not made him accused. Therefore, treat other accused whose role are similar or less at par with the witness. Defence further argued that evidence of this witness is not reliable and not corroborated in material particular as required U/s 133 and 114(b) of the Evidence Act.

16.1.46. While perusing evidence of PW No.957/ Exh.6687 it appears that he himself reached to Crime Branch to give statement. During cross-examination, it has come on record that at the relevant time his wife was pregnant. In a crime like bomb blast witnesses are unwilling to come forward to depose fearing harassment. In such type of cases witnesses may be reluctant to give their statement due to fear also. Witness himself gave his statement to police and therefore it cannot be said that his statement was delayed in time. Looking to the evidence of the witness it cannot be said that he is accomplice and involved in conspiracy of blast and other accused may be treated at par. Some

omission from his statement U/s 164 of Cr.P.C were brought on record but it is insignificant as on first point of time in his statement before police he has stated everything which was stated by him before court. It appears that there is no improvement to his first statement recorded by police and it cannot be said that he has not stated every fact in his previous statement. If evidence of witness is seen then, there are no material omission amounting to material contradiction from his previous statement which was first in time. Witness also explained for non-disclosure in his statement U/s 164 recorded after his police statement. From the cross-examination of witness nothing much has come on record which impeached his credit. It is submitted that looking to the whole evidence of witness, he cannot be said to be accomplice. Even if we look to Section 133 of Evidence Act then, "an accomplice shall be competent witness against accused persons and convictions is not illegal merely because it proceeds upon uncorroborated testimony of an accomplice". If we look to Section 114 (b) of evidence act an accomplish is unworthy of credit unless he is corroborated in material particulars but this is not the case here as PW No.957/ Exh.6687 gets corroboration from the evidence and circumstances on record which strengthen his evidence and makes the witness credit worthy. The confessional statement of the accused jointly tried go on to corroborate the evidence further.

16.1.47. It appears that Accused No.1- Jahid S/o Kutubuddin Shaikh is involved by Accused No.2-Imran S/o Ibrahim Shaikh in his Confessional Statement Exh.8619, U/s 164 of Cr.P.C. As per Accused No.2-Imran S/o Ibrahim Shaikh and 1- Jahid S/o Kutubuddin Shaikh attended Vagamon Training Camp and Halol Training Camp.

16.1.48. It also appears that Accused No.1- Jahid S/o Kutubuddin

Shaikh is involved by Accused No.21 in his Confessional Statement Exh- 8623, U/ s. 164 of Cr.P.C. As per Accused No.21, Accused No.1-Jahid S/o Kutubuddin Shaikh attended Halol Training Camp. This statement is proved to be voluntary.

16.1.49. It appears that Accused No.1- Jahid S/o Kutubuddin Shaikh is involved by Accused No.35-Rafiyuddin S/o Sarfuddin Kapadiya in his Confessional Statement Exh.8631, U/s.164 of Cr.P.C- Exh.8631. As per Accused No.35-Rafiyuddin S/o Sarfuddin Kapadiya, Accused No.1-Jahid S/o Kutubuddin Shaikh attended Halol Training Camp. Moreover, Accused No.35-Rafiyuddin S/o Sarfuddin Kapadiya pointed out Halol Camp place during Panchnama Exh.6443. This pointing out panchnama was proved through PW No.900/ Exh.6442 and I.O. PW No.1089/ Exh.7626.

16.1.50. It also appears that during panchnama Exh.8480, dated 27.08.2008, accused no.1 made the disclosure in presence of panch witness and pointed out the place of training camp from, Helical Vav inside the jungle after climbing the slope of mountain, from where recoveries of airgun pellets and other articles like cap (booch) of pipe etc were made. This Panchnama was proved through PW No.904/ Exh.6479 and I.O. PW No.1163/Exh.8638. It appears that at that time F.S.L Officer PW No.830/ Exh.5566 Shri Hingrajiya remained present and gave his Primary Report Exh.5522. Also, the articles recovered were sent to F.S.L through forwarding letter Exh.5939. F.S.L Report of same is Exh.5941.

16.1.51. It also appears that PW No.1073/ Exh.7298 Moh. Unus Sumra running Cyber Cafe at Bhuj involved Accused No.16 Abbas S/o Umar Sameja and other 2-3 who came with Accused No.16 for surfing at his Cyber Cafe. produced motorcycle. This panchnama was proved through PW No.593/ Exh.3192 and I.O. PW No.1077/ Exh.7352. This motorcycle was used as mode of transport from Baroda to Halol camp.

16.1.66. It appears that, accused no.1-Jahid S/o Kutubuddin Shaikh and other accused were sent to F.S.L for Suspect Detection Test. Moreover, F.S.L Officer inquired and performed necessary test. Thereafter, PW No.848/ Exh.5894 Vasant Hathibhai, F.S.L Officer gave his Report Exh.5901. Summary of this test which is in question answer is submitted in Exh.5900. On the basis of this SDS Test report the expert has formed an opinion that Accused No.1- Jahid S/o Kutubuddin Shaikh is connected with different bomb blast and other accused persons are also connected with different bomb blast and also with SIMI. Though it is only an opinion still the report Exh.5400 clearly go on to at least corroborate the plethora of evidence against Accused No.1- Jahid S/o Kutubuddin Shaikh connecting him with the conspiracy and the role at the terror camps.

16.1.67. The overall analysis of the evidence against Accused no.1-Jahid S/o Kutubuddin Shaikh, Court finds that is sufficient evidence and reason to uphold the conviction recorded by the Trial Court of the accused no.1- Jahid @ Javed Qutbuddin @ Mamu Sheikh for the offences charged against him in the Chapter of 'Charges framed and Sections invoked'.

16.2. In case of Imran S/o Ibrahim Shaikh (Vadodara) (A-2)

(Accused No.2 in Criminal Confirmation Case No. 2/2022 and Appellant No.2 in Criminal Appeal No. 727/2024):

16.2.1. In case of accused No. 2-Imran S/o Ibrahim Shaikh, he has been convicted for various offences by the trial Court and has been

awarded death penalty in Sessions Case No.38/2009 and others.

16.2.2. Learned advocate for the appellant has made submissions for accused No. 2-Imran S/o Ibrahim Shaikh. Insofar as accused No.2 is concerned, upon perusal of record, it appears that he came to be arrested on 16.08.2008 in connection with Shahibaug Police Station C.R. No.236 of 2008 as is reflected in the arrest memo at Exh.9187. Thereafter, he was ultimately remanded to judicial custody on 30.01.2009. The total duration of the police custody undergone by accused No.2 is a period of 94 days, spanning over periods from 16.08.2008 to 07.11.2008, from 01.12.2008 to 06.12.2008, on 19.01.2009 and from 28.01.2009 to 30.01.2009. It is further noted that as on date, the accused has undergone incarceration for a period of more than 17 ½ years.

16.2.3. The trial Court while recording the conviction of accused No.2 has considered the various circumstances which include: (i) the participation of accused No.2 in the training camp held at Vagamon, Kerala in December 2007, (ii) the participation in the training camp held from 13.01.2008 to 15.01.2008 held at Halol-Pavagadh in Gujarat, (iii) renting of Tata Sumo car by accused No.2 to travel to Halol-Pavagadh for attending the said training camp, (iv) recovery under Section 27 of Indian Evidence Act of a first aid box from the house of accused No.2 which was used at the Halol training camp, (v) acquaintance with other accused persons and (vi) reliance upon the panchnama of the co-accused as incriminating evidence against accused No.2.

16.2.4. Learned Advocate has submitted that the circumstance of participation in Vagamon camp cannot be treated as circumstance at all as the accused No.2-Imran S/o Ibrahim Shaikh was already tried in Sessions Case No.2 of 2011 by Sessions Court at Ernakulam. This has resulted in acquittal of accused No.2-Imran S/o Ibrahim Shaikh by

judgment dated 14-05-2018 (Exh.9421).

16.2.5. It is pertinent to observe that Sessions Case in Ernakulam was against several accused including accused No.2-Imran S/o Ibrahim Shaikh and several accused therein were convicted, whereas accused No.2-Imran S/o Ibrahim Shaikh was given benefit of doubt on the basis of evidence produced therein. However, an appeal is preferred in Kerala High Court, which is pending.

16.2.6. Attending Vagamon Terror camp is not the final offence, but only one of the circumstances in the larger conspiracy, the conspiracy which started brewing with Vagamon camp. Therefore, to establish attending Vagamon camp as an independent offence is not essential requirement, but the confessional statement of accused No.2-Imran S/o Ibrahim Shaikh is sufficient evidence. The Court has already addressed the issue of confessional statement of accused being sufficiently proved and accepted as evidence despite retracted.

16.2.7. In this confessional statement at Exh.8619, in great detail accurately mentions the entire getting together of various accused, with understanding of attending the camp, coming from various parts of Gujarat, travelling to Vagamon, assigning of fake names to hide identity and all the activities undertaken therein and period of stay. Though the uncorroborated version is sufficient, still the Court finds that this version is corroborated with other evidence.

16.2.8. With regards to the circumstance of participation in Pavagadh-Halol camp, it is submitted that again the confessional statement of accused No.2-Imran S/o Ibrahim Shaikh may not be treated as an evidence. Also, the evidence of PW No.972-Ramkabhai Devkaranbhai Kesariya vide Exh.6802, PW No.981-Pravinbhai Hamirbhai Katariya vide Exh. 6835, PW No.1067-Ambalal Vechatbhai

Bariya vide Exh.7231, PW No.571-Ramanbhai Senghabhai Solanki vide Exh.3051 and PW No.1105-Idrish Gulabsha Fakir Diwan vide Exh.7923 may not be treated as reliable evidence. It is submitted that there is no dock identification of accused No.2-Imran S/o Ibrahim Shaikh. Therefore, all the acts attributed by the witness is of no consequence. It is submitted that even the Test Identification Parade is also not reliable as none of the witnesses have given any description to the Police about the appearance of accused No.2-Imran S/o Ibrahim Shaikh and no specific act is attributed to accused No.2-Imran S/o Ibrahim Shaikh.

16.2.9. On behalf of the State, learned Additional Advocate General for the State submitted that there is strong evidence of conspiracy which links accused No.2 with other accused. It is submitted that PW-1115/ Exh.8002 Mohd. Umar Mansuri knew Kayamuddin Kapadia A-37, Imran Sheikh A-2, Usman Anis Agarbattiwala A-7. They were childhood friends. Moreover, he has stated that with Qayamuddin, Iqbal Sheikh-A-3 who was resident of Yakutpura played cricket together. He involved Kayamuddin for recce as well as in talk regarding blast. PW-1121/Exh.8059 Sadab Panwala, who is a hostile witness, knew A-37 and A-2. PW-940/Exh.6623 Nasir Qureshi, is a Tata Sumo owner. He rented Tata Sumo to A-2 from 13th January to 15th January 2008. PW-941/Exh.6624 Asif Bodawala, knew A-2. He took A-2 to Nasirbhai PW-940/ Exh.6623 to get Tata Sumo.

16.2.10. It is submitted that during panchnama Exh.3256, dated 27.08.2008, witness Nasir Qureshi PW-940/ Exh.6623 produced Tata Sumo which was used in Halol Camp. Also, during this panchnama, father of A-7 produced motorcycle which was also used in camp. This panchnama is proved by PW-617/ Exh.3255 Hemant Khandelwala and I.O. PW-1070/ Exh.7264 Vinay Shukla.

16.2.11. It is submitted that PW-1105/ Exh.7923 Idrish Fakir, Munjavar and caretaker of Khundpir Dargah. He involves A-2. He stated that on 13.01.2008 by giving reference of Sadab, A-2 came with 20 to 22 boys and stayed at dargah. PW-972/ Exh.6802 Ramkabhai Kesariya who deposed that he saw, the person taking training when he was grazing his buffaloes. He identified A-2 and other accused persons in TIP Exh-3061. TIP proved through Executive Magistrate PW-571/ Exh.3051. Ramkabhai identified few other accused in other TIP. Witness identified A-12 and A-8 before court but unable to identified others including A-2 because of lapse of time. PW-981/ Exh.6835 Pravinbhai stated that when his jeep got punctured, he and his friend went at the place near helical vav. When they heard the sound of the persons from valley, they went towards valley and he saw 15 to 20 persons taking training. He identified some persons out of the persons taking training. Witness identified A-2 in TIP Exh.3061 before Executive Magistrate PW-571/ Exh.3051. Witness identified other accused in TIP and identified A-10, A-12, A-13, A-16, A-31, A-32, A-35, A-36, A-54, A-56, A-60 and A-75 during his deposition. PW-1067/ Exh.7231 Ambalal Bariya, who deposed that when Pravinbhai's jeep got punctured, they went at the place near helical vav. When they heard the sound of persons from valley they went towards valley and he saw 20-25 persons taking training. Ambalal identified A-2 in TIP Exh-3061.TIP proved through Executive Magistrate Exh-571/3051. Witness identified A-12 in court but unable to identified others, as accused have grown up beards and due to changes in body.

16.2.12. It is submitted that accused No.2 gave his confessional statement U/s 164 of Cr.P.C- Exh.8619 before Metropolitan Magistrate. As per A-2, he and other accused attended Vagamon training camp and

Halol training camp organized by member of SIMI. Moreover, accused is a member of SIMI and connected/associates with SIMI. He involved by A-35 in his Confessional Statement Exh-8631, U/s.164 of Cr.P.C-Exh.8631. As per A-35, A-2 attended Halol Training Camp.

16.2.13. Moreover, A-35 pointed out Halol Camp place during Panchnama Exh.6443. This pointing out panchnama was proved through PW-900/ Exh.6442 and I.O. PW-1089/ Exh.7626 on page 4.

16.2.14. It is submitted that on 22/08/2008, A-2 made disclosure and pointed out his house of Vadi during panchnama Exh.6278 from where the articles used during training, as like first aid box etc were recovered. Moreover, if we look to FSL report, Exh.5938 then from first aid box injections and medicines were found which are in bulk. It would be pertinent to observe that this first aid box is one of the many articles used for the training camp at Halol (forests of Pavagadh). This panchnama was proved by PW-877/ Exh.6277 and I.O. PW-1070/ Exh.7264 in para no.5(1) of his deposition.

16.2.15. It is submitted that PW-1062/ Exh.7219 Abdul Azim stated that, A-37-Qayamuddin, A-2-Imran Shaikh and A-7 Usman Agarbattiwala have done their courses of computer through his Cyber Café at Vadodara witness further stated that accused Kayamuddin with one person who has a beard, used to visit his Cyber Café at Ahmedabad for surfing. Moreover, witness stated that, Police Officer came to his Cyber Café with Jahid Sheikh-A-1, the same person who earlier came has a beard. PW-1062/ Exh.7219 Abdul Azim, produced register Exh-3208 during panchnama Exh-3207 in which entry dated 24.04.2008 is in the name Kayamuddinbhai. Panchnama Exh-3207 proved through PW-595/ Exh.3206-Ashok Thakor. In this fashion A-2 is well connected with co accused Qayamuddin.

This panchnama was proved through PW-820/ Exh.5516-Vikram Solanki and Investigating Officer PW-1070/ Exh.7264-Vinay Shukla-pg.16.

16.2.17. It is submitted that Mother of A-2 produces mobile during panchnama Exh.7356 dated 30.08.2008 which was proved through PW-1077/ Exh.7352 I.O. Ajij Ahmed Sindhi.

16.2.18. On perusal of record and considering the submissions made by learned Additional Advocate General, the Court is of the opinion that following are the proved circumstances so far as accused No.2 is concerned:

i. Accused no.37 Kayamuddin Kapadia-prime accused, A-2 and A-7 were resident of Taiwada, Vadodara and A-3 is resident of Yakutpura in Vadodara and were childhood friends as deposed by PW-1115/ Exh.8002. Moreover, A-37, A-2 and A-7 did their computer course at Shraddha communication at Vadodara A-1 and A-37 also used Icenet Cyber Café at NID, Ahmedabad for surfing during March,2008 as deposed by PW-062/ Exh.7219. These accused are involved in different conspiratorial meeting.

ii. Accused no.2 attended training camp namely Vagamon and Halol and imparted training in the camps. There is evidence on record against other accused who also attended and took training in these two camps.

iii. To attend Halol camp A-2 hired Tata Sumo car for the purpose of travelling to Halol training camp along with other

accused during 13.01.2008 to 15.01.2008.

iv. Accused no.2 knows hostile witness Sadab, and by giving reference of witness Sadab, accused no.2 and other 20 to 22 accused have stayed at Khundpir dargah which is not too far from Halol training camp site.

v. PW-972/ Exh.6082 Ramkabhai Kesariya, PW-981/ Exh.6835 Pravinbhai Katariya and PW-1067/ Exh.7231 Ambalal Bariya, identified A-2 in TIP as a person taking training near place Kamlesh kori beyond mountain, Helical vav. These three witnesses correctly identified A-2 during TIP but failed to identified A-2 in Court due to lapse of time and as per the explanation given by the PW. It would be pertinent to state here that majority witnesses who had successfully identified concerned accused-suspect during course of TIP had failed to identify this very accused during doc examination by giving reasonable and plausible explanation that accused persons have grown up thick beard, thick eyebrows wearing cap or otherwise and changing in their facial appearance and thereby are unable to identify concerned accused during dock examination. This aspect needs to be seen in context of application dated 13.05.2015 given by prosecution at Exh.2828 with a prayer of permitting prosecution to identify accused persons base on their photographs affixed on chargesheet as all the accused persons against whom trial has proceeded have now different facial appearance as they have grown up beard, eye-brows wearing cap etc. in this application prosecution also contended about raising of adverse inference if witnesses on this score is unable to identify concerned accused during dock identification. This aspect further assumes importance as some of the witnesses who are known to

concerned accused have also failed to identify the known accused on this very ground. Hence, explanation given by witnesses after they having successfully identified concerned accused during TIP, non-identification in court would not affect the case of prosecution.

vi. It is the case of prosecution that , IO were led to Halol training camp site for the first time by accused no.1 and during the course of drawing of panchnama and at the time when he was showing the sites of Halol camp certain objects-articles were discovered which are in the nature of busted balloons, pellets etc as stated in the panchnama, as well as panchnama drawn at the instance of accused no.2 which is Exh.6278, which further led to recoveries of objects-articles like first-aid box containing in it injections and different medicines, cotton gauze etc also together with it disclosure statement made by accused no.7 as stated in panchnama Exh.6370 which also led to further discovery of objects-articles like airgun, pistol loaded with cartridges, rubber balloons, knife, pipe bombs, gun powder etc would certainly when linked with other evidentiary material led by prosecution fully supports conducting of Halol as well as Vagamon training camp. More particularly when accused no.1, accused no.2 and accused no.7 have participated in both the camps.

vii. These circumstances would corroborate confessional statement of A-2 Exh.8619. Prosecution had relied on statement made by these accused which led to such recoveries even if are found to be inculpatory but are admissible U/s 27 of evidence act.

viii. The law of conspiracy is that, apart from it being a distinct offence, all the conspirators are liable for the act of each other's crimes which had been committed to achieve ultimate object of

conspiracy. It is not necessary to prove and establish that all the accused came together and actually agreed to commit offence. If a conspiracy had already formed and other person joins it afterwards then person join subsequently is also liable for all the acts committed by other conspirators. Moreover, Section 10 of evidence act provides special rule of evidence followed in the case of conspiracy if conditions of Section 10 of evidence act are fulfilled. If we look to the evidence of this case, the conditions of Section 10 of evidence act are fulfilled. Therefore, what was said or done by the member of conspiracy in the present case by the accused in reference to their common intention would be evidence against other co-conspirator i.e. co-accused of the case. Hence confessional statement of A-2 Exh.8619 which gives narration of activities done and conducted in both the camps including giving of speeches, giving of dummy names to hide the identity of participants, coming to the camp sites secretly, dividing all participants in different groups for the purpose of giving training as executors of ultimate object of conspiracy and others being accessory to the executors, participants coming from across the country from different states and also staying in hotels in a dummy name and participation of different accused as well as involvement of SIMI as narrated in the confessional statement and different acts either express or expletive altogether needs to be seen within the ambit and scope of Section 10 of evidence act as discussed in the judgment of Damu reported in (2000) 6 SCC 269 and also in context of Section 2(o) of the UAPA act 1967 which defines “unlawful activity” would have full play in the facts and circumstance of the prosecution case. Considering the submission of defence which relates to implication

of other accused by confessor A-2 would be a weak piece of evidence would fully pale into insignificance.

ix. Furthermore, in the light of confessional statement of A-2 other confessional statements more particularly of A-21 who is from Rajasthan, also supports about he being one of the participants of Halol training camp where activities like making of bomb, taking revenge of year 2002 loss suffered by Muslims and executing mass killing etc is eloquently stated. A-21 also states about participation of other accused in Halol training camp. Together with it confessional statement of A-76 Exh.9021, which also states about conducting of Vagamon training camp and participation of different accused and also activities conducted at Vagamon training camp which would include different physical activities, atrocities executed on Muslims in Gujarat and most importantly acts committed by some participants of Vagamon camp even after different blast which took place in Ahmedabad on 26.07.2008 and involvement of SIMI leaders and activist etc supports the case of prosecution about conducting of different terror training camps.

x. The confessional statements which get broad corroboration from other evidentiary material. As confessions needs to be compared with the rest of the evidence, in the light of surrounding circumstances and probability of the case. If the other evidence of prosecution is compared with confessional statements, surrounding circumstances and probabilities of the case, contains of confession appears to be a probable catalogue of events and naturally fits in with the other evidence of prosecution. Hence, the submission of defence that confessional statement is weak piece of evidence

cannot get corroboration with the other weak piece of evidence in the nature of other confessional statements will have to be viewed with the provisions of S.10 and S.30 of the I.E. Act.

16.2.19. The Court also finds that so far as confessional statement of A-2 Exh.8619 is concerned following facts would reveal that the same is voluntary, truthful and credible:

a) Statement is recorded under the statutory provision as provided U/s 164 of Cr.P.C.

b) As per the provision, confessional statement of accused can be recorded at any time during the course of investigation but before the commencement of inquiry for trial. Statement of A-2 is recorded during the course of an investigation.

c) As per the statutory provision, such statement shall be recorded by any Metropolitan Magistrate or Judicial Magistrate whether or not he has jurisdiction in the case. Statement of A-2 is recorded by Metropolitan Magistrate hence it is recorded by competent authority.

d) On 07.11.2008, A-2 was produced before Metropolitan Magistrate Court no.11 in different F.I.R proceedings through different production report which are Exh.9190, 9188, 9189, 9191, 9192 and 9193. Production of A-2 was along with other different 11 accused and court of Metropolitan Magistrate on the basis of production before him of all the 12 accused which would include A-2 also have verified from accused persons on asking them about whether they had any complaint for ill-treatment against Police Officer and as no complaint about ill-treatment about Police Officer being made. Production of accused was accepted and they were taken into judicial custody. This production report-

application is duly signed by all the 12 accused including A-2.

e) After that on 07.11.2008 accused gave application intending that he wants to make confessional statement and hence competent court inquired from A-2 about his intention to make confession as stated by him in his application and ordered for recording A-2's statement U/s 164 of Cr.P.C and forwarded the application to Chief Metropolitan Magistrate for doing further needful. These proceedings went to Chief Metropolitan Magistrate and on 07.11.2008 i.e. on same day, it is ordered that such statement shall be recorded by Court No.05.

f) Pursuant to it on 10.11.2008, A-2 was brought before Metropolitan Magistrate Court No.5 who inquired from A-2, whether he is under any duress, coercion etc of Crime Branch persons, whether A-2 needs services of advocates, legal aid. Metropolitan Magistrate Court No.5 also informed A-2 about there being no compulsion to give such statement and if such statement is given then the same can be used against him. All this precaution and safeguards were observed by Magistrate in his chamber after drawing police out from his chamber and on satisfaction of all these questions put to A-2 and inquiring on it, Magistrate gave 2 days' time to A-2 as cooling period for reflection about his decision and kept these proceedings on 12.11.2008 at 15:00 hours.

g) On 12.11.2008, A-2 was brought before Magistrate but because of paucity of time A-2's statement was not recorded and the proceedings were kept on 14.11.2008 at 15:00 hours. A-2 on 10.11.2008 and 12.11.2008 was sent back to judicial custody at Sabarmati Central Jail.

h) A-2 was brought before Magistrate on 14.11.2008 at 16:50 hours and again Magistrate reiterated the same inquiry about there being any duress or coercion from Police Officer for giving such statement as also whether police came to meet him in jail or that A-2 was taken at any place for investigation to which accused said no and it was again verified that A-2 was voluntarily intends to give his statement and he was further explained about such statement would be used against him.

i) By fulfilling these aspects from A-2, Metropolitan Magistrate adhered with provisions of Section 164(2) of Cr.P.C and thereafter statement of A-2 was recorded which got completed on 18:20 hours on the same day i.e. 14.11.2008. at the foot of the statement Magistrate had put his signature as statement being recorded before him and signature of A-2 with his endorsement that he had read and put his signature there is further foot note counter signed by Magistrate of even date i.e. 14.11.2008 where Magistrate has certified that statement of A-2 is recorded before him, heard by accused in the language of A-2 and after it got completed it was read over by A-2 and thereafter A-2 put his signature. Magistrate further certifies that statement of A-2 is made voluntarily and without there being any coercion, as per the belief and understanding of Magistrate. And hence provision of Section 164(4) is also completely adhered by the recording Magistrate. If one examines provision of Section 281 of Cr.P.C as referred in Section 164(4) it relates to record of examination of accused and the same is also fully adhered with by recording Magistrate being Metropolitan Magistrate was required to adhered with Section 281(1) of Cr.P.C which states about recording of memorandum of

the substance of the examination of accused. So far as Section 281(2) is concerned aspect of recording such examination in question-and-answer form would not be applicable to Metropolitan Magistrate who is recording Magistrate in the present case. Hence, submission of defence about examination of accused being not in question and answer form is totally misplaced.

j) It would be pertinent to note here that, recording Magistrate has adhered with safeguard and caution impose in statute about inquiring and verifying from accused that it is not compulsory to give confessional statement and if such statement is given it will be used against him. Recording Magistrate as faithfully and consciously observed this safeguard and caution as recorded in the confessional statement at the head of the statement but the statutory provision intended it to narrate and mention the same at the foot of it. As the exercise of recording Magistrate is done at the head of the statement and not at the foot of the statement, it will not even slightly or remotely make it less credible on the ground that subject exercise made at the head of the statement and not at the foot of the statement. Hence, submission of defence on this core will not take away the credibility of statement which purely sacrosanct as the same is recorded by Judicial Magistrate i.e. Metropolitan Magistrate while discharging his statutory obligation.

k) Submission of defence that recording Magistrate has failed to make a note on the foot of the statement about statement made by A-2 his full and true account made by A-2. If one examines note made by recording Magistrate on the foot of the statement which

states about statement being recorded in the language of A-2, in presence and hearing of A-2 and after same got complete it was made to read by A-2 and then A-2 put his signature would make and fulfil requirement of putting a note in legal terms "full and true account of statement" as fully complying statutory provision. Hence, defence submission about non-compliance on this count is also misplace. Hence A-2's confessional statement is voluntary.

l) One other aspect of looking to A-2's confessional statement is that in the concluding part of his statement he stated that he was apprehended by Vadodara police on 07(intending 7th of august). If this statement was a coerce then this particular statement about, he being apprehend on 7th august by Baroda Police would never have been narrated.

m) A-2 relies on his statement of retraction which is Exh.9216 submitted by A-2 at the time of recording his further statement U/s 313 which was recorded on 08.07.2020.

n) On bare reading of this document, it is dated 25.11.2008 but produced in the proceeding of the Sessions case on 08.07.2020 much time after last witness of prosecution completed his deposition on 16.01.2019. This would mean statement of retraction saw the light of the day after one and half year of the completion of prosecution evidence. And was brought on record of Session Case after around 12 years from the date as recorded on the date of retraction.

o) Considering the statement of retraction, it is recorded in Guajarati language and signed by A-2 in English and Guajarati and the place of making of the document is Vadodara as narrated in the document.

p) It is alleged in the statement of retraction of A-2 that he was taken by Crime Branch Police to the chamber of Judge and was intimidated and he was made to sign on a written document and he is not aware about the substance of the document. He also alleges that he was taken to the chamber of the Magistrate and Crime branch officer told him to put his signature and also write whatever Magistrate ask him to write and thereafter Magistrate also told him that he should do whatever Crime branch Officers ask him to do. Both the allegations are inconsistent and contrary to each other. So far as this allegation are concerned, they are made on Magistrate, Which the court is not ready to accept inview of the fact that document of confession has been exhibited and admitted as evidence and the Substance of retraction is also totally inconsistent with the explanation given by A-2 in his further statement. Similarly, so far as his application through which he intended to give his confessional statement i.e. Exh-8617 for which he explained in his statement of retraction Exh.9216 and while giving his further statement for the said application Exh.8617 he gave different explanation in his further statement. Relevant part of this improved version which is inconsistent with his explanation is at pg.4698 and 4699 of Exh.0124.

q) This would make statement of retraction is wholly false. Therefore, confessional statement is truthful as it gets material corroboration from other evidentiary material placed by prosecution. Hence judgment of Aloknath Datta, reported in (2007) 12 SCC 230 needs to be looked into from paragraph: 87, 88, 93, 116 and 118.

r) So far as submission of defence is concerned that A-2 and other accused could not have given application intending giving of

confessional statements on their own and therefore this act of fabrication is unsustainable as application given by A-2 is in Guajarati and statement of retraction of A-2 is also in Gujarati and there are instances and instances so far as giving of application are concerned during the course of entire proceedings lot many applications are given by lot many accused wherein different subjects are elaborated giving head of subjects in such applications and such application would include lot many legal contention hence it cannot be said that accused persons are not conversant in giving of such application.

16.2.20. The Court also finds that some of the evidentiary material which would corroborate confessional statement of A-2 are as under:

a) So far as holding or conducting of Vagamon camp during particular period as stated by A-2 in his confessional statement is concerned, an independent F.I.R for holding such camp is registered within the state of Kerala on 19.06.2008 much before the incident of the present case which occurred on 26.07.2008. Pursuant to the registration of this F.I.R for which charges under different penal provisions falling under Indian Penal Code as well as UAPA, chargesheet was led against large number of accused including A-2 and many other accused persons were also accused in the present case. And on conclusion of this trial Session Judge at Kerala also delivered judgment on 14.05.2018 which is submitted by accused persons and his duly exhibited at Exh.9421. Large number of accused of this Sessions Trial, are convicted U/s 10, 20 and 38 of UAPA and also U/s 120(b) of I.P.C and also Section 4 of explosive substance act. Prosecution would rely U/s 54 of evidence act and also U/s 298 of Cr.P.C for placing reliance on this judgment. So far as judgment of Kerala Court is concerned convicted accused have filed

appeal against conviction and State had file acquittal appeals for acquittals and the same is pending before High Court of Kerala.

b)Hence this aspect of holding camp at Kerala-Vagamon wherein A-2 participated along with many other accused known to A-2 and also not known to A-2 as stated by him in his confessional statement is substantially corroborated by judgment of Kerala Session's Court Exh.9421.

c)One of the accused, A-13 named Hafiz Hussein @Adnan, who is named by A-2 in his confessional statement has also led investigators of this case to the place of Kerala Camp on 19.11.2008 and this accused no.13 pointed out different places of the Vagamon camp Kerala and investigator drew panchnama for it which is Exh.8254 which is proved through panch witness PW-1148/ Exh.8253. On bare reading of this evidentiary material, it would reveal that A-13 led police to the Vagamon camp site which is at a distance place from the regular habitation area and to reach at this place one has to drop themselves from vehicle and one needs to travel at the camp site by long walk which would cover mountains, water bodies, rough area etc.

d)This accused no.13 Hafiz Hussein is A-2 in Kerala Session's Court proceeding and is convicted by Kerala Court for the offences punishable U/s 10, 20 and 38 of UAPA and Section 120(b) of I.P.C as also Section 4 of Explosive Substance act, 1908.

e)So far as A-2, Imran Sheikh is concerned he is Accused no.21 in Kerala Session's Case proceedings and his extended benefit of doubt by Kerala Court against which acquittal appeal is pending of State of Kerala in Kerala High Court.

f) In the confessional statement of A-2 confessor stated that confessor i.e. A-2 Imran Sheikh then Safdar Nagori and another Sajid Mansuri

stayed at the bottom of hill station in a guest house for which booking was made by Safdar Nagori. This person name Safdar Nagori is accused no.12 in the present proceedings and Sajid Mansuri is also an accused in the present proceeding. These 2 people named Safdar Nagori and Sajid Mansuri are also accused in Kerala Court proceeding and they are accused no.3 and accused no.16 in that proceeding. This accused Safdar Nagori who is accused no.3 in Kerala Session's Case proceedings is also convicted for the offences punishable U/s 10, 20 and 38 of UAPA and Section 120(b) of I.P.C as also Section 4 of Explosive Substance Act, 1908.

16.2.21. The prosecution in the present proceeding have examined witness named Raju Nayak at PW-989/ Exh.6879, who was working as manager at Shree Hari Tourist Home Kerala. This witness produce Guest House register at Exh.6486 for a period between 13.12.2007 to 14.12.2007 which would record the name of Salim Shaikh as occupier of his guest house. To substantiate this entry, investigator got sample handwritings of accused no.14 Sajid Mansuri through panchnama Exh.6487 proved through panch witness PW-905/ Exh.6484 and after this sample, natural and disputed handwriting were subjected to forensic examination through Hand writing Expert opinion about it opined that disputed entry of Shree Hari Tourist Home Kerala in the name of Salim Shaikh is actually written by accused no. 14 Sajid Mansuri in the fake name of Salim Shaikh giving fake address of Kota, Rajasthan. Handwriting Expert opinion is Exh.6888 and is proved through PW-990/ Exh.6886.

16.2.22. The court has perused deposition of witness named P D. Anil Kumar resident of Vagamon Kerala at PW-998/ Exh.6950 who also supports the case of prosecution about there being camp at Vagamon

Kerala during December 2007. This witness establishes the important circumstance of the holding of Terror Training Camp at Vagamon in Kerala.

16.2.23. The prosecution has also relied on confessional statement of accused no.76 Manzar Imam a resident of State of Jharkhand, who gave his confessional statement at Exh.9021 which fully confirms the case of prosecution as well as confessional statement of A-2 about conducting of terror training camp at Vagamon Kerala during December 2007. This accused no.76 as such has given his confessional statement before the Magistrate at Kerala on 05.03.2013 much before the incident of bomb blast on 26.07.2008. Prosecution has place certified copy of A-76 confessional statement which is Exh.9021. accused no.76 of the present proceeding Manzar Imam is also accused no.34 of Kerala Session's Case proceedings and is convicted offences punishable U/s 10, 20 and 38 of UAPA and Section 120(b) of I.P.C as also Section 4 of Explosive Substance Act, 1908.

16.2.24. In view of above there is broad and material corroboration along with other evidentiary material support in confessional statement of accused no.2 Exh.8619.

16.2.25. Confessional statement of A-2 also states about conducting of Halol camp. Prosecution has led evidence in the nature of accused no.1 Jahid Sheikh leading investigators to the place of Halol camp site which further led to discovery of objects and articles as like busted balloons, pellets, pipe ducts etc is subjected to drawing of panchnama Exh.6480 as well as articles and object discovered subjected to Forensic Science Examination which ultimately proved through Exh.5941. So far as conducting of Halol terror training camp is concerned prosecution has also examined PW-1061/ Exh.7231 Ambalalbhai, PW-972/ Exh.6802

Ramkabhai who both have identified accused no.1 Jahid Sheikh in TI panchnama Exh.3061 which is proved through Executive Magistrate PW-571/ Exh.3051. One another witness who is Munzawar of Khundpir Dargah, where some accused persons have stayed named Idris is also examined by prosecution at PW-1105/ Exh.7923 who also identified accused no.1 Jahid Sheikh in his deposition.

16.2.26. Accused no.2 in his confessional statement as also named accused no.7 Usman Agarbattiwala, as one of the participants in Halol camp and this accused no.7 Usman also led investigator to discovered airgun, knife, pistol loaded with cartridges, rubber balloons, pipe bomb, gun powder etc for which panchnama is drawn at Exh.6370 and proved through panch witness PW-895/ Exh.6369. So far as articles objects discovered at the instance of accused no.7 they are subjected to forensic examination and as per different F.S.L opinion which are Exh.5689, 5790 and 5874 its states about objects found being airgun, pistol found to be functional, gun powder found to be potassium nitrate and pipe bomb found to be containing pellets. Confessional Statement of A-2 is also supported by PW-941/6624 witness name Asif whose evidence relates to taking on rent tata sumo vehicle by accused no.2 Imran which is also equally supported by PW-940/ Exh.6623 witness name Nasir. Accused no.2's confessional statement also gets supports from PW-942/ Exh.6625 witness name Mohd. Yunus, a person in business of Faraskhana, who gave 8 bamboo sticks on rent to one of the accused named Kayamuddin, who is accused no.37 also named by accused no.2 as one of the participants in his confessional statement of Halol terror training camp.

there in due course of his routine, his presence there is not unnatural. He has given general description of people present there and undergone Test Identification Parade and has also identified several accused including accused No.2-Imran S/o Ibrahim Shaikh along with co-accused Yunus and Safdar. Thereafter, in his deposition, he has correctly identified Safdar and Yunus in Court.

16.2.28. Test Identification Parade is exhibited and prosecution witness has deposed about holding of T.I.P. and correctly naming the accused whom he had identified. In cross-examination in Para-9, he confirms that when the Magistrate had asked for description, he had given such description. He also deposes in cross about the independent Test Identification Parade being conducted. There is no reason to disbelieve this witness.

16.2.29. Moreover, PW No.981-Pravinbhai Hamirbhai Katariya vide Exh. 6835 has also deposed about his presence at the camp site and has given a valid reason for his presence there. Also, out of curiosity he has walked in the forest like area as he could overhear voices. The prosecution witness has referred to the conducting of Test Identification Parade and the manner in which, it was conducted, does not create any doubt.

16.2.30. Moreover, the prosecution witness has also identified the accused in the Court as the persons whom he had seen at the Camp and who have been identified by him in Test Identification Parade and it appears that he has correctly identified the accused, who were in Test Identification Parade.

16.2.31. In cross-examination, the prosecution witness was put forth questions related to omission of hearing voices in Hindi language which the prosecution witness has accepted, however, such an omission is not

such which will affect the witness deposition. In Para-27, attention is drawn to the cross-examination regarding identification to which the reply of the prosecution witness is that 15 days prior to Police inquiry, he had seen these people. However, this is a wrong reading of deposition, as the meaning of this sentence in Para-27 is that the prosecution witness does not remember, if such fact has been narrated to the Police during his statement. In Para-28, the prosecution witness has answered that before the Magistrate, he has not given details of what such accused were doing when he saw them. He also admits that when for the first time, he was investigated, he did not give details of their looks, but before the Test Identification Parade was conducted, the Police has recorded his statement regarding the looks of the accused, thereby, confirming that the prosecution witness has given description of accused during investigation, the Test Identification Parade is Exh.3061 proved through the Executive Magistrate.

16.2.32. Another eyewitness to Halol camp is PW No.1067-Ambalal Vechatbhai Bariya vide Exh.7231, whose evidence is also assailed by defence raising the same grounds. Further, it is also argued that these witnesses are only chance witnesses, they had no occasion or reason to remember the accused person in the camp, the prosecution witness had fleeting glimpses and that too from distance between 30 meters to 200 meters and that their statements were recorded almost after seven months of the incident.

16.2.33. In this regard, learned advocate for the defence has also pointed out an error of fact by learned Single Judge, wherein judgment at page no.6414, it is recorded that for PW No.981, justifiable reasons were given by PW No.981 for not identifying the accused in the Court whereas in his deposition, the prosecution witness has not given any

such reason. With respect to PW No.1067-Ambalal Vechatbhai Bariya vide Exh.7231, he has clearly deposed about his reason for being at the camp site, which makes his presence there natural. Moreover, he has also deposed about the activity which was taking place there and the persons participating in it. He deposes that they had stood there for almost 30 minutes before they were spotted by the accused and during investigation, the police did inquire, if he would be able to identify them. Thereafter, he deposes about the Test Identification Parade conducted where he identified certain accused. In Court also, he identified one of the accused "Safdar Nagori" and then pleaded about passage of long time and change in appearance. The prosecution witness has been extensively cross-examined on identification and Test Identification Parade. However, no fault could be found in the procedure adopted for Test Identification Parade insofar as preserving confidentiality of the identification of the accused is concerned and the fact that Test Identification Parade has been exhibited by the Executive Magistrate at Exh. 3061 through PW No.571-Ramanbhai Senghabhai Solanki vide Exh.3051. The Court finds no reason to discard the evidence of this witness.

16.2.34. Learned advocate for defence has thereafter assailed evidence of PW No.1105-Idrish Gulabsha Fakir Diwan vide Exh.7923, who is Munjavar of Khundpir Dargah in Pavagadh-Halol and where the participants of the Halol terror camp had stayed. It is submitted that his evidence cannot be believed as though according to prosecution witness, he has interacted with accused No.2-Imran S/o Ibrahim Shaikh the most, still he has wrongly identified in the Court and that there was no Test Identification Parade.

16.2.35. PW No.1105-Idrish Gulabsha Fakir Diwan vide Exh.7923, in

his evidence in chief has named accused No.2-Imran S/o Ibrahim Shaikh from the beginning during investigation and therefore, there was no reason to carry out Test Identification Parade through him. Moreover, prosecution witness has given detailed narration of his interaction with accused No.2-Imran S/o Ibrahim Shaikh and the activities during the stay. The prosecution witness also cautiously deposes his inability to identify due to passage of time and changes amongst the accused, still he has made an attempt for Dock Identification accepting what the prosecution witness has truthfully deposed on Dock Identification. Simply non-identification of accused in the Dock Identification in prevailing circumstance cannot put entire evidence to doubt especially, when the prosecution witness has stood his ground even during the cross-examination.

16.2.36. Moreover, PW No.1115-Mohammadumar Usmanbhai Mansuri in his deposition vide Exh.8002 and Section 164 statement vide Exh.8003 has identified accused No.2-Imran S/o Ibrahim Shaikh as a friend of accused No.37-Kayamuddin @ Rizwan @ Ashfak Kapadiya and appeared to him to be with accused No.37-Kayamuddin @ Rizwan @ Ashfak Kapadiya in carrying out serial blast.

16.2.37. The Court may refer to evidence of PW No.940-Nasir Aminsaheb Qureshi vide Exh.6623, who is the owner of Tata Sumo which is the vehicle referred by the other PW No.1105-Idrish Gulabsha Fakir Diwan. PW No.940-Nasir Aminsaheb Qureshi being owner of Tata Sumo has deposed that his friend had introduced Imran to him for taking on rent Tata Sumo for going to Saputara, exactly on 13.01.2008 to 15.01.2008. On those days, other prosecution witnesses have shown presence of accused No.2-Imran S/o Ibrahim Shaikh at Pavagadh. This prosecution witness has named the accused No.2-Imran S/o Ibrahim

Shaikh since investigation time as Imran who took his car. His Test Identification Parade, therefore, is of no consequence as the prosecution witness knew him by name. Therefore, argument that in absence of Test Identification Parade or Dock Identification, the evidence of PW No.940-Nasir Aminsaheb Qureshi is of no use to prosecution is rejected. The hiring of Tata Sumo and using it to ferry co-accused at Halol-Pavagadh camp is established, further fortifying the case of the prosecution that the terror camp was held in Halol-Pavagadh.

16.2.38. This version is supported by evidence of PW No.941-Asifbhai Iqbalbhai Bodawala vide Exh. 6624, who knew accused No.2-Imran S/o Ibrahim Shaikh from beginning. This prosecution witness took accused No.2-Imran S/o Ibrahim Shaikh to PW No.940-Nasir Aminsaheb Qureshi to hire Tata sumo for period of three days. This prosecution witness is not cross-examined at all.

16.2.39. Of course, prosecution has examined PW No.1121-Dr. Sadab Rajebhai Panwala vide Exh.8059, who is a witness to the fact of accused No.2-Imran S/o Ibrahim Shaikh making arrangement for tents. However, this witness is declared hostile.

16.2.40. Thereafter, PW No.617-Hemant Kapurchand Khandelwal vide Exh.3255, the panch witness of panchnama of seizure of Tata Sumo at Exh.3256. This panchnama refers to PW No.940-Nasir Aminsaheb Qureshi. The panchnama records the version of PW No.940-Nasir Aminsaheb Qureshi to the extent of producing the Tata Sumo vehicle, which was given on hire to accused No.2-Imran S/o Ibrahim Shaikh on 13.01.2008. PW No.617-Hemantbhai Kapurchand Khandelwal vide Exh.3255 has proved panchnama Exh.3256 by reciting the gist of content of the panchnama.

16.2.41. Therefore, the Court has no hesitation in holding that accused

No.2-Imran S/o Ibrahim Shaikh has participated in Halol terror camp at Pavagadh forest area and has also made certain arrangements.

16.2.42. The Court may refer to a circumstance about acquaintance of accused No.2-Imran S/o Ibrahim Shaikh with other accused, which gets established firstly by PW No.1115-Mohammaed Umar Usmanbhai Mansuri vide Exh.8002 (already referred in previous para). In addition, PW No.1062-Abdulajim Abdulhamid Sodagar vide Exh.7219, who is running a computer tutorial and has deposed that at approximately same time accused No.2-Imran S/o Ibrahim Shaikh has done a course of computer for one month. At that time, Usman Agarbattiwala, and Kayamuddin were also there to take course. This establishes the association. In cross-examination, this witness is asked about identification of Jahid whom he has deposed about being with Kayamuddin as a bearded person and there is no fruitful cross on the issue of association of accused No.2-Imran S/o Ibrahim Shaikh with other co-accused in learning computer course.

16.2.43. An argument is advanced that the prosecution has used a disclosure statement of co-accused; accused No.35-Rafiyuddin Kapadiya against accused No.2-Imran S/o Ibrahim Shaikh. Reference is made to Exh.6443 and error of trial Court in using the same against accused No.2-Imran S/o Ibrahim Shaikh. The Court may peruse Exh.6443. The disclosure made by accused No.37-Kayamuddin @ Rizwan @ Ashfak Kapadiya and which can be treated as admissible only to the extent of accused No.35-Rafiyuddin Kapadiya attending a camp on 13 to 15th January, which was organized and accused No.2-Imran S/o Ibrahim Shaikh was also part of it. The Court finds that the trial Court has only used it while referring to the evidence of accused No.35-Rafiyuddin Kapadiya to maintain continuity but has not used the same

as independent circumstantial evidence, but only to limited extent.

16.2.44. It is lastly argued that even the accused No.2-Imran S/o Ibrahim Shaikh came to know about the blast through the media as per his confessional statement, which is treated to be evidence. If that be so, then it is unlikely that from the role given to accused No.2-Imran S/o Ibrahim Shaikh, he would not know about the blast on his own. In the opinion of the Court, the offence committed to conspire and cause serial blast was the common object when separate roles have been played. Therefore, it is not necessary for accused No.2-Imran S/o Ibrahim Shaikh to be conscious of each and every movement of co-accused.

16.2.45. In view of the aforesaid disclosure and appreciation of evidence, the Court finds that there is sufficient evidence to involve the accused No.2-Imran S/o Ibrahim Shaikh in the crime and the role attributed. Therefore, the Court is inclined to confirm the conviction as recorded by the trial Court.

Criminal Confirmation Case No.2 of 2022.

16.3.3. By the impugned judgment, order and sentence, the appellant- Mohammad Tanvir @ Talha Mohammad Akhtar Pathan has been sentenced to capital punishment and has preferred present Appeal. According to learned Senior Advocate for the appellant, the appellant- Mohammad Tanvir @ Talha Mohammad Akhtar Pathan was shown arrested from Surat in connection with C.R. No.176 of 2008 registered with Kapodara Police Station being one of 15 FIRs registered in Surat Bomb Planting Cases.

16.3.4. It is submitted that arrest of the appellant- Mohammad Tanvir @ Talha Mohammad Akhtar Pathan was not in connection with FIR registered at various Police Stations in Ahmedabad.

16.3.5. Learned Senior Advocate for the appellant has thereafter taken this Court through series of orders by which the trial of all the separate FIRs/ Sessions Cases of Ahmedabad and Surat were clubbed together and ultimately, the trial of all the FIRs/Sessions Cases arising out of 20 main charge-sheets and several supplementary charge-sheets of Ahmedabad cases and 15 main charge-sheets and several supplementary charge-sheets connected with FIRs of Surat.

16.3.6. Learned Senior Advocate for the appellant has thereafter taken this Court through operative part of the order particularly, pertaining to the appellant- Mohammad Tanvir @ Talha Mohammad Akhtar Pathan to indicate sentences imposed upon the appellant under various Sections for which the appellant was tried and convicted. It is submitted that the appellant- Mohammad Tanvir @ Talha Mohammad Akhtar Pathan has been gravely prejudiced by clubbing and conducting of joint trial of Surat cases along with Ahmedabad cases, as FIR registered at Surat in connection with which the appellant was arrested,

no damage of life or death has been caused as even as per the prosecution that none of the bombs planted have exploded causing damage. Whereas in cases where FIRs have been registered at Ahmedabad, explosions have taken place resulting to mass scale damage to the life and property and therefore, by clubbing both the trials, the appellant- Mohammad Tanvir @ Talha Mohammad Akhtar Pathan is made to answer the charge of Ahmedabad incidents, in which the appellant has no role to play.

16.3.7. In this connection, learned Senior Advocate for the appellant has referred to deposition of Investigating Officers; PW No.1136- Sujata Prakash Majmudar, Exh.8149 and PW No.1163-Mayur Jagmalbhai Chavda, Exh.8638 to submit that even as per the deposition of these witnesses, they had no evidence against present appellant- Mohammad Tanvir @ Talha Mohammad Akhtar Pathan regarding any role played by him in Ahmedabad blast cases. Learned Senior Advocate for the appellant has thereafter argued that there is no legal evidence to incriminate the appellant and that an error is committed in interpreting the operation of Section 27 of Evidence Act and the Special Court has acted against settled principle of law in this regard and has in fact, utilized provision of Section 27 of Evidence Act, as a device to introduce confessional statement. Similarly, it is argued that an error is committed by applying Section 8 of Evidence Act by using it as a tool of admission of conduct subsequent to arrest of the appellant- Mohammad Tanvir @ Talha Mohammad Akhtar Pathan as a suspect and that too when such conduct was in the Police Custody. It is submitted that each fact in issue has to be established on the basis of evidence and when such fact in issue is to be established on the basis of series of relevant fact, then each of such fact is required to be established to such an extent

to rule out any other probable inference. Such circumstances are required to be only and only on the basis of offence in question and the Court cannot take into consideration circumstance like previous history of the accused, which cannot be treated as one of the circumstances to establish the offence. It is submitted that even if the accused admits to his guilt while in custody, it is responsibility of the prosecution to establish such circumstances leading to offence independent of such admission to guilt.

16.3.8. It is submitted that in particular facts of the case, where people in locality have identified the accused to be in the locality, where purported conspiracy was hatched, then also mere establishing of presence in the locality through evidence of local public merely raises suspicion, but still cannot be treated as an evidence establishing the guilt.

16.3.9. It is submitted that even if during the course of investigation, the accused admits to guilt, the only way available is recording of statement under Section 164 of Cr.P.C., which in the present case and for the reasons best known to Investigator, has not been done for the appellant-Mohammad Tanvir @ Talha Mohammad Akhtar Pathan. It is submitted that even if statement made under Section 164 of Cr.P.C. is admissible, it would still need some corroboration, which is also absent in the present case.

16.3.10. It is submitted that wherever there is admission of offence accepting the guilt by co-accused, then such statement is to be treated as admissible only qua maker of such confessional statement, but such statement cannot be treated as admissible evidence qua co-accused. It is submitted that entire tenor of the investigation as well as impugned judgment is, as if burden is placed upon the accused to disprove what the

Court has presumed on the basis of sketchy facts established here and there on the basis of depositions of panch witnesses and therefore, the trial Court has committed an error in relying upon such depositions of panch witnesses only on the ground that the panch witnesses are to be believed as they had no animosity against the accused. Learned Senior Advocate for the appellant has submitted that the appellant once arrested in one offence, was made to undergo the Police remand one after another sequentially in all the FIRs registered and therefore, was in long incarceration and was absolutely at the mercy of Investigating Officer, who appears to have proceeded to investigate with a predetermined mind by believing that the accused is definitely offender. In this connection, learned Senior Advocate for the appellant has drawn attention to statement under Section 313 of Cr.P.C. indicating that after arrest on 14th August, 2008, appellant continued to be under Police custody till 2009 (13-11-2009). This conduct of Investigator and long police custody, apparently, the appellant was kept away from his due role in investigation and therefore, investigation cannot be treated as fair investigation.

16.3.11. It is submitted that even if the role attributed to the appellant-Mohammad Tanvir @ Talha Mohammad Akhtar Pathan by investigation about preparing the bomb with his knowledge of technique to prepare the bomb and his motive to do so, then also, it was the duty of the prosecution to establish as to how the material to make bomb was procured, as definitely considering quantity of material involved, it is not a one day affair, particularly when some of the items used for preparing bombs were controlled items.

16.3.12. It is submitted that there is neither investigation nor discussion in the impugned judgment, or there is anything on record to

suggest that Investigating Officer had any material to connect the appellant with the offence on the basis of which his arrest was effected. Even if, theory of prosecution regarding conspiracy and utilization of mobile phone is to be believed, then the prosecution has failed completely, as there is no CDR on record to draw connection of the appellant or nexus of the appellant- Mohammad Tanvir @ Talha Mohammad Akhtar Pathan with other accused persons and only evidence is that of panchnama regarding mobile phone, which only indicates the place where the appellant had thrown his mobile phone in the river.

16.3.13. Learned Senior Advocate for the appellant has thereafter submitted that though according to the prosecution, there are five statements under Section 164 against present appellant- Mohammad Tanvir @ Talha Mohammad Akhtar Pathan cited as an evidence, however, in none of the aforesaid statement under Section 164, any reference is made to the appellant and therefore, actus reus of the appellant is even remotely established through this evidence. Moreover, contents of statement under Section 164 of Cr.P.C. cannot be read by using Section 10 of Indian Evidence Act, as any nature of confession post arrest will have no applicability of Section 10 of Indian Evidence Act.

16.3.14. Learned Senior Advocate for the appellant has thereafter made submissions on the general principle of admissibility of the evidence based on the facts narrated in statement recorded by the Investigating Officer. This submission is made as according to the appellant, the facts which are emerging on the basis of deposition of panch witnesses, have been treated as evidence in support of fact in issue and relevant fact to establish conspiracy. According to learned

Senior Advocate, any statement that is recorded in the panchnama purportedly made by the accused, has necessarily to be treated as hearsay evidence and as such the statement is made while the accused is in the Police Custody, the same has to be treated as statement, which is recorded under Section 161 of Cr.P.C. and therefore, would be clearly hit by Section 162. In this regard, learned Senior Advocate has relied upon various decisions starting from the decision of the Apex Court in case of ***Hazari Lal v/s. State (Delhi Administration)*** reported in ***(1980) 2 SCC 390***. The decision of the Apex Court is in the case of offence of corruption and while considering the definition of "Proved" in Section 3 of Indian Evidence Act, the Court in Para-8 of the judgment has observed that Section 162 imposes a bar on the use of any statement made by any person to the Police Officer during the course of investigation except for utilizing the same, as is provided by Section 145 of Indian Evidence Act i.e. for contradicting the witness. The Court had rejected arguments advanced on behalf of the State that previous statement with which the witness is confronted for the purpose of contradiction, could be taken into consideration by the Court, as it would be covered under the definition of "Proved", while rejecting such arguments of the State holding that definition of "Proved" would not enable the Court to take into consideration statements, use of which is statutorily barred (Section 162 of Cr.P.C.).

16.3.15. On the same line, reliance is placed on the decision of ***Modan Singh v/s. State of Rajasthan*** *reported in* ***(1978) 4 SCC 435***, where again in Para-8, while discussing the facts of the case on the evidence of last seen together and discarding the fact, which emerged out of the statement under Section 162, the Court concluded that the fact that emerges in statement under Section 162, cannot be treated to be

substantive evidence. Meaning thereby, statement that is made during the investigation to the Police, cannot be treated as substantive evidence.

16.3.16. In the opinion of the Court, position of law is crystal clear in this regard, as even in latest judgment of the Apex Court in case of ***Renuka Prasad v/s. State*** *reported in* ***2025 SCC OnLine SC 1074***, the very aspect was subject matter of consideration and in the facts of the case, acquittal recorded by the trial Court was overturned by the High Court and recorded conviction under Section 302 read with Section 120(b) of IPC. In Para-14 of the judgment, taking into consideration the discussion of the High Court regarding evidence of particular witness; PW-83; Investigating Officer referred to statements of several prosecution witnesses recorded under Section 161 and in cross examination of this witness, PW-83, there were general suggestions, which were denied by him and there was nothing to discredit testimony of Investigating Officer; PW-83. Thereby, the High Court accepted evidence of Investigating Officer, as the High Court did not find any reason to discard the same. However, the Apex Court held that the High Court had seriously erred in relying upon statements made by the witnesses under Section 161 affirmed by Investigating Officer; PW-83, as said procedure would be in clearly violation of Section 162 and specific use of Section 161.

16.3.17. According to learned Senior Advocate even the statements, which are recorded during the course of panchnama would fall in the same bracket and would necessarily be required to be discarded.

16.3.18. With regard to conspiracy where the motive is of importance, it is submitted that the prosecution has relied upon general statements regarding revenge by Muslims and these general statements cannot be treated to be evidence to construe a definite intention to commit present

offence and such statements of general nature, cannot also establish common object. Reliance is placed in this regard on the decision of the Apex Court in case of ***Adambhai Sulemanbhai Ajmeri and others v/s. State of Gujarat*** reported in ***2014 (7) SCC 716.*** Learned Senior Advocate has particularly drawn attention to Para-200 of the aforesaid judgment, which explains as to what constitutes offence of criminal conspiracy. Referring to earlier judgment in case of ***K.R. Purushothaman v/s. State of Kerala*** *reported in* ***2005 (12) SCC 631*** that while appreciating evidence of conspiracy, each and every incriminating circumstance must be clearly established by reliable evidence and circumstances proved must form a chain of events from which the only irresistible conclusion can be drawn about guilt of the accused and no other hypothesis against such guilt is possible.

16.3.19. With regard to evidence of confession post-arrest to establish conspiracy, it is submitted that the prosecution falling back on the confessional statement cannot be treated to be concrete evidence and reading of statement under Section 164 of Cr.P.C., in the facts of the present case is not available to establish conspiracy. It is also argued that contents in the confessional statement cannot be also saved by using Section 10 of Indian Evidence Act. In this regard, reliance placed upon decision of the Apex Court in case of ***Mohd. Khalid v/s. State of West Bengal*** reported in ***2002 (7) SCC 334***, where the Apex Court has explained purpose of Section 10 of Indian Evidence Act, which is an exception to the general rule while permitting the statement made by one conspirator to be admissible as against another conspirator, however, restricts it to statement made during the period, when the agency subsisted. Therefore, statement made by conspirator after secession of common intention cannot be regarded, as one made in reference to their

common intention. Therefore, statement made post-arrest to the Police Officer touching upon involvement in the conspiracy, may not fall within the ambit of Section 10 of the Indian Evidence Act.

16.3.20. According to learned Senior Advocate for the object / reason to conspire, witnesses in their statement under Section 161 have given reasons. However, many of these witnesses have turned hostile. Specific reference is made to depositions of witnesses; PW No.83-Jayendrakumar Natwarlal Patel, Exh.881, PW No.197-Sureshbhai Ukabhai Bhayani, Exh.1099, PW No.1103-Mohammad Farooq Abdul Rashid Master, Exh.7799, PW No.1041-Talib Abdul Gaffar Maniyar, Exh.7056.

16.3.21. It is argued that despite the deposition of hostile witness will not serve any purpose, an error is committed by the trial Court in relying upon their version.

16.3.22. It is argued that statement under Section 161 is not available to the prosecution and even if, contradiction is proved, then also statement recorded under Section 161 and the facts mentioned therein, cannot be converted into evidence by deposition of Investigating Officer. Reliance is placed on the decision of the Apex Court in case of **Tahsildar Singh** ***v/s. State of Uttar Pradesh*** reported in ***AIR 1959 SC 1012***. Even otherwise, purpose of statement recorded under Section 161 is only to be utilized as provided under Section 145 of Indian Evidence Act.

16.3.23. Learned Senior Advocate has thereafter argued that PW No.1141-Aiyaz Razakmiyan Saiyed, Exh.8191, who has turned approver. His evidence also cannot be taken into consideration in so far as, the appellant- Mohammad Tanvir @ Talha Mohammad Akhtar Pathan is concerned, as in his entire statement, he never referred to present accused.

16.3.24. It is further submitted that an attempt of the prosecution to prove the case of common intention / object of conspirators on the basis of contradictions proved by Investigating Officer, may not be taken into consideration as contradictions prove only general sentiments and resentment amongst Muslim, but does not establish or prove any act or design to commit offence and participate in it. It is argued that even if statement of witness as recorded by Investigating Officer, is proved by way of contradiction, it is still hearsay evidence and therefore, whatever is conveyed by witness, who is declared hostile and which comes on record by way of contradiction in the deposition of Investigating Officer, will still remain hearsay evidence. Therefore, according to learned Senior Advocate, the prosecution has failed to establish that present appellant along with other had shared common intention and object to commit the offence.

16.3.25. Learned Senior Advocate has thereafter narrated circumstances, which are otherwise required to be proved, but the prosecution has failed to do so against the appellant. It is submitted that arrest was made in dramatic fashion and upon his arrest, he had declared before Investigating Officer that he would like to divulge something connecting to offence. As a result of which, at 1.00 am, panch witnesses were summoned. Strong exception was submitted by learned Senior Advocate as to manner in which, arrest and carrying out of panchnama has taken place itself, is creating doubt and after all these, what was divulged by the accused-appellant-Mohammad Tanvir @ Talha Mohammad Akhtar Pathan, places where the bombs were planted all over Surat. In fact, even before the appellant could be taken to the places, Investigating Officer was well aware of such places and therefore, executing of panchnama was a mere formality and does not

stand the test of being evidence. Learned Senior Advocate has referred to Exh-7692 being panchnama of arrest of this accused and Exh-2794 being tracking/pointing out panchnama. According to learned Senior Advocate, such panchnama cannot be treated as credible evidence and has pointed out to Section 25 of Indian Evidence Act to submit that whatever is recorded in panchnama, which is in front of the Police Officer, is not to be proved. It is argued that Section 25 is institutionalized presumption against Police action, when it comes to issue of evidence and this institutionalized presumption against Police, has its root in Article 23 of the Constitution of India. She has also referred to therefore, decision in case of ***Nandini Satpathy v/s. P. L. Dani*** *reported in* ***AIR 1978 SC 1025***.

16.3.26. It is further submitted that if at that stage, Investigating Officer was of the opinion about knowledge and participation as is disclosed in the panchnama of this accused, it was obligatory for Investigating Officer to immediately resort to record of confession under Section 164 of Cr.P.C. particularly, considering offence to be of such grave nature. It is submitted that to safeguard interest and protect sanctity of the investigation, legislature has provided for Section 164 of Cr.P.C. and only deviation was under the provisions of TADA and POTA, which today stand repealed. However, in UAPA, there is no such provision as was there in TADA and POTA in so far as recording of confession is concerned.

16.3.27. It is submitted that one of the circumstances against the appellant is Exh. 2849, which is the panchnama for search and seizure of the house of the appellant. It is submitted that the statements made while drawing such panchnama are hit by section 162 of Code of Criminal Procedure and 25 and 26 of the evidence act and therefore, the same

cannot be treated as admissible. It is submitted the cylinder was found in the bedroom and the panchnama showed absence of usual household articles in the house except for gas cylinder. This factum cannot be treated as consistent only and only with the guilt. The prosecution has not established that the house was not accessible to other family members and that it was only appellant, who had complete control over the house so as to attribute anything and everything in the house to the appellant. In fact, there being no investigation about the use of gas cylinders, particularly in the offense at Surat with which the apparent is primarily attached, this circumstance cannot be utilized against the appellant. It would be a matter of conjecture and presumption that the cylinder, which is recovered from his house, was to be utilized for the terror attack unless something more is established in this connection.

16.3.28. Learned advocate has argued that Exh. 2757, being a panchnama of identifying a particular house being D-34, Riverfront society. The attribution to the appellant is that the appellant played a role in renting out the house to other accused persons and this information is also attributed to the appellant himself and therefore, the prosecution has to independently establish the fact that with full knowledge of the house and its use is required to be established. The prosecution has not established or corroborated by any other evidence that appellant had firstly played a role in renting out of the premises. Secondly, utilization of the same for the purpose of committing an offence like conspiracy and lastly the appellant alone had the complete and only access to such house.

16.3.29. It is further submitted that it is the case of the prosecution that the house was rented by one Sharif, who has not been examined as a witness and therefore, it is argued that the prosecution has deliberately

kept Sharif away from being examined and has prayed for deriving adverse interference as examination of Sharif would have supported the defence.

16.3.30. The circumstance of a panch witness PW No.446 Sanjaybhai Gordhanbhai Patel, identifying the appellant in the Court as a person, who narrated during the panchnama his willingness of the appellant to show the house, which he had put on rent in itself is insufficient to conclusively establish that it was the appellant who had put the house on rent in absence of any corroboration. Moreover, the nature statement coming out from the deposition of panch itself cannot be treated as a circumstantial evidence of the circumstance of appellant having helped in renting the house, but at best has to be treated as corroborative piece of evidence.

16.3.31. In connection with the house D-34, it is argued that even if the pointing out panchnama of D-34 is accepted still renting out of a premises in itself cannot be treated as an offense and therefore, it was for the prosecution to give some evidence to show that his access to the house and access to other occupants of the house was for a wrongful activity.

16.3.32. PW No.1123-Liyakatali Gulamrasulhussain Shaikh at Exh.8078, who is the owner of the house has also mentioned a role played by one Sharif however, PW No.1123-Liyakatali Gulamrasulhussain Shaikh was not called upon by the prosecution to identify the appellant and according to this witness Sharif, who was acquainted with the happening in the house has not been examined.

16.3.33. Based on aforesaid evidence, presuming that the appellant has direct connection with accused No.44, who was living in that house is not only in the realm of unestablished presumption, but is an

impermissible quantum leap.

16.3.34. It was for the prosecution to establish of way of cogent evidence about the relation between the appellant and occupants of D-34 and that they were in communication with each other. Though, the prosecution has relied upon purely upon the conjecture that the appellant was visiting the house at night.

16.3.35. This aforesaid circumstance in fact is an adverse inference against the prosecution coupled with the inability of the prosecution to further investigate the chance fingerprint found on the electric switch board, but calling upon the Court to presume the presence of the appellant on the basis of an established fact that there were several foot prints within the house amongst which, one of them being of the appellant. The deliberate non-investigation should be a ground for deriving adverse inference against the prosecution.

16.3.36. Learned advocate has, thereafter, submitted that the circumstance of the house D-34 also cannot be believed to be fully established as even from the prosecution's evidence there is a mismatch and variation in description of the articles recovered and as described in the panchnama and the reports of the FSL. In this connection, learned counsel has submitted that in Exh.2757, recovery panchnama item C2 is referred to as dust and dirt particles filled in plastic bag kept in a cloth bag, which is sewn with the string and sealed with a ceiling wax, whereas the dispatch note Exh.5774 refers to item C2 as cloth parcel of dust and dirt collected from the room and the report Exh.5776 refers C2 as a sealed plastic bag containing pieces of newspaper, clothes, cardboard, wooden sticks, plastic tap and plastics, whereas as the dispatch note showed total of 28 packets, Exh.5576 refers to only 27. This discrepancy would lead to doubt the investigation itself. It is

submitted that the reference to wooden pieces in the FSL report Exh. 5576 is also inconsistent with the version given by the panch witness PW No.446-Sanjaybhai Gordhanbhai Patel or the Investigating Officer PW No.1155-Narayansinh Bhavansinh Parmar, examined at Exh.8517 or the FSL officer PW No.443-Nitinkumar Dayaram Patel, examined at Exh.2725 at spot as none of them have referred to traces of wood pieces or cardboards found in Exh.5776. In view of such inconstancy, prosecution has failed to establish any connection between the wood pieces purportedly found at the house D-34 with the wooden pieces used for assembling the bomb.

16.3.37. It is argued that the association of the appellant with accused No.44 is also not established as there is no direct or indirect evidence or any evidence to infer such association, particularly, when it is not established that accused No.44 has been the occupant of the house or that there being any evidence of appellant having entered the house, accessed the house or has met accused No.44 let alone meeting with accused No.44 and conspiring with him.

16.3.38. Learned advocate, thereafter, argued with regard to the connection of the appellant with the cloth material seized from the car at Surat. It is argued that Exh.2413 is the scene of offense panchnama, wherein the cloth fabric is shown to have been seized. The seizure is of four pieces of different coloured nylon fabrics and the prosecution relies upon Exh.6027 which is a cash memo of sale of cloth to a person named Rafik. In absence of any further description of cloth sold, the evidence of the witness, who had sold the cloth, cannot point any role of the appellant.

16.3.39. The evidence of PW No.861-Ramesh Maneklal Jindal, examined at Exh.6026 and his partner PW No.984-Radheshyam

Madanlal Thakkar, examined at Exh.6851 is not sufficient to connect the appellant with the offense. It is submitted that though PW No.861-Ramesh Maneklal Jindal has identified the cloth belonging to his shop, but that is at the stage of his deposition and the Investigating Officer though had sufficient opportunity has not undertaken the exercise of getting the cloth identified immediately upon his recovering the same in the panchnama.

16.3.40. The evidence of PW No.984-Radheshyam Madanlal Thakkar, who had interacted with the accused at the time of sale of the cloth, the prosecution is unclear about the period by which he was investigated and though was available had taken period of two months to conduct test identification. It is submitted that test identification is unreliable as he has not identified the accused during the course of his deposition and with regard to the identification of the cloth; in cross examination itself, this witness has deposed that similar cloths are being sold from various other shops within Surat.

16.3.41. It is submitted that even the cash memo Exh.6027 is a completely unreliable piece of evidence as from the evidence of PW No.861-Radheshyam Madanlal Thakkar, who has handed over the cash memo book has admitted that there are nine pages missing in the cash memo book.

16.3.42. Learned advocate has, thereafter, argued on the point of identification of the accused through the usage of nuts and bolts which were purchased from Kamla Hardware. It is submitted that the prosecution has relied upon the evidence of PW No.855-Jayeshbhai Manubhai Patel, examined at Exh.6010, who had sold the nuts and bolts has admitted in his deposition Exh.6010 that he has not given any description of the person to whom the nuts and bolts were sold and

therefore, the prosecution could not rely upon the identification through such a witness. Learned counsel has pointed out the inconsistencies in the version regarding description of the accused person by this witness. Reliance is placed upon the decision in the case of ***Sheikh Hasib @ Tabarak v/s. State of Bihar, reported in, (1972) 4 SCC 773***.

16.3.43. It is submitted that it was for the prosecution to establish that the purchase made by the accused was in the proximate period to the incident and therefore, though the bill book evidencing the sale and purchase of the nuts and bolts would have been available, the same is not brought on record. It is submitted that PW No.855-Jayeshbhai Manubhai Patel was questioned about the bill book, but the same has not been brought on record. Therefore, the prosecution not having brought such evidence, has once again fallen back on conjectures for the Court to presume that the purchase must have been made in the period proximate to the incident.

16.3.44. It is further submitted that the submission of defence is fortified by the fact that the prosecution did not examine two persons namely Laxmanbhai and Abbasbhai, who had actually interacted with the appellant at the time of sale of nuts and bolts. It is submitted that non-examination of these individuals as witness also should be treated as a weakness in the case of prosecution.

16.3.45. It is submitted that to make out a clear case against the appellant, the prosecution also ought to have given an answer to PW No.855-Jayeshbhai Manubhai Patel vacillations whether on nuts and bolts of SPI branch was sold only from the shop of this witness as initially the witness has deposed that this brand was sold from his shop, but thereafter, has diluted it by admitting that he does not know if other shops in Surat could be selling the nuts and bolts of the same brand. The

witness, therefore, is rendered unreliable.

16.3.46. Learned advocate has, thereafter, submitted that the muddamal discovered particularly, nuts and bolts have been dealt with in a very casual manner in such a serious offense, when produced before the Court the nuts and bolts were found in an unsealed manner. The panchnama of the scene of offense Exh.2413 does not specify the brand name of the nuts and bolts, whereas PW No.855-Jayeshbhai Manubhai Patel identifies them in the Court to be of SPI brand demonstrates an effort on the prosecution to fill up the gaps of investigation. The fact that the matching of the total weight of the muddamal in various documents line dispatch note, panchnama and record cannot overcome the inconsistencies.

16.3.47. On the issue of car cover recovered from the scene of offense in the Kapodara Police Station FIR, it is submitted that PW No.859-Ahmadnur Abdul Rahim Tambuwala, examined at Exh.6018 claiming to have identified the car cover produced vide Exh.2336, has not identified the accused-appellant either in the Court or in T.I. Parade to connect the appellant with the car cover. It appears that this witness was acquainted with the name of the accused to be the alleged customer by the police itself. The prosecution has not established the identity of the car as well as car cover beyond doubt and consequently the connection of the appellant with the car cover.

16.3.48. It is submitted that before the Court, no bills with regard to the purchase of the car cover was placed on record. Moreover, witness PW No.859-Ahmadnur Abdul Rahim Tambuwala has admitted in his deposition that such car cover is sold commonly in the market and there is no special sign which would specifically identify the cover and connect it with the witness or the accused.

16.3.49. Learned counsel has, thereafter, argued the circumstance of the master house, which was utilized for the purpose of conspiracy and main offense. The only connection of the house with the appellant is the knowledge of the appellant about the house, which comes on record by way of a pointing out panchnama with this thin evidence. It cannot be presumed that the appellant has an association with the house and conspiracy which was hatched within. The knowledge is attributed to the appellant that the master house was rented by one Rafik, but there is nothing on record to indicate as to how Rafik is connected with the house, particularly when the prosecution, who has examined owner of the house as PW No.864-Abdul Farid Abdul Rasid Shaikh, examined at Exh.6037 and his son PW No.1016-Mohammad Shakir Abdul Rasid Shaikh, examined at Exh.7006, who have not deposed to the extent that the person who had occupied this master house was Rafik and was occupying it at the relevant period. Relying upon the statement of the appellant himself and that too during his custody is not evidence in the eyes of law. There is, therefore, a gap in the case of the prosecution about the utilization of the master house for the purpose of conspiracy and other offense, its connection with one Rafik, the occupation of Rafik at the relevant period and the connection of the appellant with said Rafik. With regard to the conspiracy in general, it is submitted that the prosecution has miserably failed that the confession recorded under Section 164 of the Code of Criminal Procedure being Exh.8619, 8623, 8627, 8631 and 9021 are sufficient to firstly establish the conspiracy to commit the present offense and such evidence cannot be treated as an evidence against the appellant in individual as none of them are implicating the appellant or attributing a specific role. It is not even remotely established from this confession about the *actus reus* of the

appellant in planting the bomb in Surat and Ahmedabad, it only indicates to the extent of general sentiment of a community and resorting to some kind of training but certainly does not come out as an independent evidence to conspire for preparing bombs and planting at places to create terror.

16.3.50. With regard to the identification of the appellant, it is submitted that the dock identification is the only substantive evidence. Learned advocate has in this connection relied upon the decision of the Hon'ble Supreme Court in the case of ***Tukesh Singh and others v/s. State of Chhattisgarh, reported in, 2025 SCC Online SC 1110*** and ***Rajesh Alias Sarkari and Another v/s. State of Haryana, reported in, (2021) 1 SCC 118***.

16.3.51. Specifically referring to Section 291A of the Code of Criminal Procedure Code, it is submitted that this provision does not obviate the need for direct evidence on oath in Court for identification and therefore, the evidence at the stage of test identification parade is required to be treated as a hearsay evidence even if the same is brought on record through the evidence of the Magistrate, who has performed the test identification parade. It is therefore, submitted that the test identification parade cannot be a substitute for the dock identification and the inability of the witnesses to dock identify the accused remains a missing link in the case of the prosecution. Learned advocate has broadly argued about the precautions required to be taken during the test identification parade which have not been taken in the present case. It is submitted that assembling of more than two witnesses for test identification requires special steps so that the witness do not intermingle whether such steps have been taken or not is not coming on record. It is submitted that with regard to the specific identification at

the hands of PW No.984-Radheshyam Madanlal Thakkar, it is argued that the incident of sale which took place on 12.07.2008 and the appellant being arrested on 26.08.2008 and this witness being available in Surat at the end of August-2008, the test identification parade was conducted only on 06.10.2008, the delay therefore has increased the probability of the accused being exposed to pubic, particularly when he was taken around the city during the execution of various panchnamas and there being no reference of his identity being covered during such exercise should clearly cast doubt on identification, if any, even at the stage of test identification parade.

16.3.52. While summing up, learned advocate has referred to the statement under Section 313 of the Code of Criminal Procedure at Exh.0185 to submit that while in custody, the appellant was being tortured. It is submitted that despite the appellant being in a long period of police custody under various FIRs of the incident, the prosecution has failed to establish the manner and method in which the material which constituted the bomb especially chemicals were procured in large quantity. This in itself is a big missing link. It is submitted that the prosecution is unable to bring any cogent material showing the knowledge or agreement to the *actus reus*, to the overt act of planting of devices or framing of conspiracy. The circumstances sought to be established are based on weak pieces of evidence like pointing out panchnamas, identification through the witnesses from whom some material was procured and recovered from the scene of offense and the panchnamas of recovery from scene of offense. In all these evidence, the prosecution wants the Court to believe what has been narrated by the accused appellant during the execution of the panchnamas though the same is clearly hit by Section 162 of the Cr.P.C.

16.3.53. In fact, circumstances were coming on record about the inaction of the prosecution leading to inability of the prosecution to bring on record the cogent evidence and therefore, adverse inference is required to be drawn when the prosecution has failed to give any explanation for not producing the call detail records of the mobile phone which was partly investigated, but not recovered, the CDR of the pay phones despite having the necessary details of the numbers dialled and the time period. In complete investigation with regard to the pipe bomb and therefore, the attempt of the prosecution is to suggest that one inadmissible circumstance be treated as corroboration or link to yet another inadmissible circumstance and creating a perfect chain of inadmissible evidence to establish such a serious offense.

16.3.54. Learned Additional Advocate General has submitted that the incidents of Ahmedabad and Surat cannot be treated as independent incidents as both are the outcome of a common conspiracy. In this connection, he has referred to PW No.1103-Mohammadfaruk Abdulrashid Master, examined at Exh.7799 to shows the basis on which the appellant-accused No.63 is arrested. He has drawn our attention to Exh.113, which is an application by all the accused arrested in Surat like the appellant and this application made by the accused persons themselves is praying for combining the trial of both Ahmedabad and Surat offenses. The appellant himself is a signatory to such application. It is submitted that though the appellant has raised issue of an illegality about his arrest at the stage of appeal, but he has not raised any issue when the opportunity was available particularly when the concerned Investigating Officer was in witness box, not even a fragile cross-examination is undertaken to question the lapse or procedural illegality in the process of arrest. It is submitted that at various stages, during the

course of trial, such a scrutiny was undertaken by the Courts, but at no stage the issues were answered in favour of the appellant. Referring to the arguments about the promptness in taking action on the basis circumstances of conspiracy, it is submitted that on the panchnama Exh.7692 that the issue of conspiracy will emerge only at a later point of time but would certainly not be on record in full-fledged manner while the investigation is still at a nascent stage. Therefore, the situation that prevailed when the bomb devices were being located one by one, the full focus was perhaps on preventing any untoward explosion in priority to the investigation. In general, it is submitted that the pointing out panchnama is required to be treated as evidence of the fact of knowledge of the appellant about the place, where various activities in furtherance to the conspiracy had taken place.

16.3.55. It is submitted that since accused No.45-Fazle Rehmaan was connected with the circumstance of House No. D-34, Riverview House, the incriminating circumstances attributed to the concerned accused persons connected with D-34's Riverview House as also Sherpura House and Master House, would equally be applicable to accused No.63-Mohammad Tanvir as one of the conspirators like others.

16.3.56. The prosecution has relied on witness being PW No.1103-Mohammadfaruk Abdulrashid Master vide Exh.7799, who is a resident of Surat and in the business of readymade cloths. He has deposed that that accused No.14-Sajid Mansuri was his friend as they were studying together and also deposed about few other friends. The witness was interrogated by police in the month of August 2008, wherein witness has denied that accused No.14-Sajid Mansuri was being associated with SIMI and in last December, accused No.14-Sajid Mansuri came to his house and introduced a person namely Mufti. the case of prosecution, he was declared hostile and during the course of cross examination by prosecution, the witness has admitted that police has interrogated him and his statement was recorded on 17.08.2008 by ACP Sujata Majmudar as per his say. With regard to witness being called to give his testimony, witness has admitted that earlier summons was issued, which was duly served upon him. However, owing to his inability to appear on account of illness, a bailable warrant was issued against him, pursuant to which, he has now given his testimony. He has admitted that one Rafik Patel (absconder) had developed relation with accused No.14-Sajid Mansuri. The witness has denied having attended any gathering of Khidmat Group during night hours at Makaipul, where he met different persons including accused No.14-Sajid Mansuri, accused No.15-Mufti, accused No.63-Mohammad Tanvir, Rafik Patel (absconder) and some other persons who are also accused of the present case as recorded in his testimony and that accused No.14-Sajid Mansuri and accused No.15-Mufti made Takrir on Islam as their community would not believe in democracy etc**.** The witness has admitted that he was not under any duress to give a particular statement. The witness has admitted that in the month of July-August 2008, the police had called several persons of his community and had interrogated them. The witness has denied about he being continuously called for 15/20 days, prior to recording of his statement on 17.08.2008. Though witness was declared hostile, he has not denied his connection with accused No.14-Sajid Mansuri, and another person namely Rafik Patel (absconder accused No.34). The witness has also not denied that he was not being interrogated, but as a matter of fact, he has admitted that police has recorded his statement as per his own say. The evidence of this witness would also be important, as though the witness was declared hostile and

failed to support the case of the prosecution, however, he has abstained from making any allegation of illegal confinement, torture etc. by police, unlike several other material hostile witnesses who, upon failing to support the case of the prosecution, levelled allegations against the police regarding their being subjected to torture, illegal confinement, etc. by police.

16.3.57. The prosecution has relied upon the deposition of witness being PW No.962-Abdul Rizwan vide Exh.6747, who is an employee of Metro Shoe Company, Surat. The witness was shown Xerox bill of his shop dated 13.07.2008, which was produced through list at Exh.6746, which bears his name and shows that customers were attended by him namely accused No.63-Mohammad Tanvir and accused No.45-Fazle Rehmaan thereby, establishing the relation between these two co-accused being together in a proximate period of the incident.

16.3.58. The prosecution has also relied upon the deposition of Police Officer being PW No.1136-Sujata Prakash Majmudar, Exh.8149, who has recorded statement of aforesaid witness PW No.1103-Mohammadfaruk Abdulrashid Master. In para-3 of her deposition, the witness has stated that she interrogated the witness Faruk and the relevant contents of the statement recorded by her from this witness have also been brought on record through this witness. The witness has deposed that similarly she has also interrogated other witnesses of Khidmat group on 24.08.2008 and 25.08.2008. The witness has deposed that she arrested accused No.63-Mohammad Tanvir on 26.08.2008 and following his arrest, he was interrogated. Thereafter, the relevant panchnama of accused No.63-Mohammad Tanvir was drawn up, and other document concerning the preparation of the facial identification sheet, arrest memo, etc., of accused No.63-Mohammad Tanvir, as well

as of the other arrested accused, Jahir Patel (acquitted), were duly executed. Since sufficient incriminating material was found to justify their arrest, they were arrested, and the mandatory procedure regarding the intimation of accused No.63-Mohammad Tanvir's arrest to his family members was also complied with.

16.3.59. Though submissions have been made on behalf of accused No.63-Mohammad Tanvir's arrest and the said arrest is dramatic, nothing has surfaced from the testimony of the witness, who has actually arrested accused No.63-Mohammad Tanvir to suggest any element of any drama therein. In that view of the matter, the submissions regarding dramatic arrest of accused No.63-Mohammad Tanvir would fail.

16.3.60. The prosecution has relied on panchnama at Exh.7692 drawn on 26.08.2008 between 20:00 to 21:00hrs was drawn by Surat Police at the police station, more particularly, witness Sujata Majmudar in the aforesaid panchnama has subjected accused No.63 to panchnama of person. Further, some relevant materials were found from accused No.63-Mohammad Tanvir, one was railway ticket dated 22.08.2008 from New Delhi to Bombay Central, which was duly recorded in the panchnama. The recovery of articles from the possession of accused No.63-Mohammad Tanvir was duly recorded in the panchnama, and the said articles were subsequently returned to accused No.63-Mohammad Tanvir. There is also mention to the effect that accused No.63-Mohammad Tanvir has asked to inform his brother Mo. Salim, regarding his arrest, which was duly complied with. In this manner, provision of Section 51 of Cr.P.C. stands duly complied with.

16.3.61. It is submitted that the panchnama Exh.7692 was proved through panch witness being PW No.1094-Dilipbhai Ambabhai Patel vide Exh.7691, who has fully supported the panchnama and also

supported the relevant fact of recovery of railway ticket from New Delhi to Mumbai dated 22.08.2008. There is nowhere mentioned in cross-examination of this witness that accused No.63-Mohammad Tanvir was brought from Bombay. It is submitted that learned Advocate representing accused No.63-Mohammad Tanvir has not at all cross-examined this witness. The aforesaid panchnama at Exh.7692 was also proved through Investigating Office being PW No.1136-Sujata Majmudar vide Exh.8149.

16.3.62. The prosecution has also relied on panchnama at Exh.2860 dated 30.08.2008, whereby accused No.63-Mohammad Tanvir has made voluntary disclosure to point out the place, where accused No.63-Mohammad Tanvir has destroyed his mobile. The aforesaid panchnama stands proved through panch witness being PW No.469-Sanjay Bhagvandas Bhandari vide Exh.2859 and Investigating Officer being PW No.1048-Kalubhai Sartanbhai Desai vide Exh.7075. It is submitted that the relevance of this mobile and pointing out of place, where the said mobile was destroyed would assume importance as witness at Exh.5479 had given a mobile of Reliance Company to accused No.63-Mohammad Tanvir. The act of destroying mobile is a suspicious circumstance has to be explained by accused No.63-Mohammad Tanvir, which he did not.

16.3.63. The prosecution has also relied on panchnama at Exh.2796 dated 01.09.2008, whereby accused No.63-Mohammad Tanvir has made a voluntary disclosure to point out a place, where he had destroyed pipe bomb. The first part of the panchnama was drawn at DCB police station and thereafter, the second part of panchnama was drawn. During the course of drawing of panchnama, accused No.63-Mohammad Tanvir led all to Singanpur Causeway near Tapi River and pointed out that he had

destroyed pipe bomb by throwing it in the water. The Fire brigade was called to find the destroyed pipe bomb, but the same could not be found. The aforesaid panchnama was proved through panch witness being PW No.452-Sunil Ramsaheb Gupta vide Exh.2795 and through Investigating Officer being PW No.1044-Nisarmahamad Malik vide Exh.7061. It is submitted that two other witnesses, who were working in Surat Municipal Corporation in Fire department are examined and they have deposed that they had tried to find out petrol bomb, but they could not find it.

16.3.64. The Court may take into consideration evidence of PW No.1103-Mohammad Farooq Abdulraseed Master, Exh.7799, who is witness having been declared hostile and during the cross examination, he has admitted to recording of his statement on 17-08-2008 and that having been recorded several facts about his acquaintance with one Sajid Mansuri and that this witness was introduced to other persons, who were residents of Surat, who were running one “Khidmat” group. He has also deposed that in his statement, he has not recorded about meeting organized by “Khidmat” group at ‘Makkai Pool’, where Rafik Patel, Arif Patel, Ismail Shaikh, Tanvir Pathan, Jahir Patel, Adnan Gujarati, Abdul Karim were present and he had gone there with Sajid Mansuri and Mufti, where there were discussion / lectures with regard to ‘Islamic’ religion, Muslims not believing in democracy and governance of the State to be run in accordance with ‘Shariat’ and to take revenge of atrocities on Muslims, Jihad has to be undertaken. To specific question with regard to sentence recorded in the Police statement that whether he had objected that statement was not recorded as per his version. To which, this witness had replied that he had not read the statement. However, this witness has answered that there was no pressure from

anyone to record his statement. He has also stated that he has not made any complaint against recording of his statement. In this regard, the Court may refer to evidence of Investigating Officer, who has recorded statement of this witness being PW No.1136-Sujata Prakash Majmudar, Exh.8149. Similarly, PW No.1041-Talib Abdul Gafar Maniyar, Exh.7056 is also declared hostile, who was witness, whose statement was recorded about his acquaintance with Ajimhussain and Mashiyuddin and the fact that both his friends had joined 'SIMI' from 2001 onwards. This witness has denied that his statement was recorded about meeting of 'SIMI' in Ahmedabad, which took place in a house in Ahmedabad and Ansar Yunus Mansuri, Samsuddin Shaikh were present and other 20 persons were present, where General Secretary of 'SIMI', Safdar Nagori was also present. This witness has denied that in this meeting, it was discussed about change in working of 'SIMI' and taking of training. The Court has made the aforesaid reference only to consider the allegations made about an unfair investigation. The Court, however, does not find anything to conclude that the investigation had been unfair while considering the deposition of the hostile witnesses also.

16.3.65. Insofar as the arrest of the accused, the Court may refer to PW No.1136-Sujata Prakash Majmudar, examined at Exh.8149, who in her deposition has referred to a statement recorded on 17.08.2008 of one Farooq Master, who has deposed about his contact with Sajid Mansuri and has referred to him as fundamentalist and connected with the activity of SIMI. This Sajid Mansuri had introduced him to one Mufti and contacted other members of 'Khidmat Group' and organized a meeting at one 'Makkai Pool', Vivekanand Bridge, Adajan, wherein present appellant-Mohammad Tanvir @ Talha Pathan had also participated and in this meeting, there was discussion by Mufti about

'Islamic Rule' as per Shariat and about harassment towards Muslims and based on this, the arrest was effected on 26.08.2008. This witness also refers to drawing of arrest panchnama and deposing that she had sufficient evidence against the appellant to lead to his arrest. Para-5 onwards is the cross-examination, wherein qua the present appellant, specific questions were put in paras-13-14 referring to panchnama Exh.2794 that in the preliminary panchnama, all the places where bombs were planted were not given by the appellant. Therefore, considering the circumstances mentioned by this witness, in the opinion of the Court, the arrest at the relevant time was justified.

16.3.66. The submission that another Investigating Officer PW No.1155-Narayansinh Bhavansinh Parmar, examined at Exh.8517 had given a clean chit to the activities of NGO Khidmat, in the opinion of the Court, will be no consequences. This witness in fact has referred to his investigation in connection with CR.No. I-176 of 2008 at Kapodara Police Station and having taken remand of the appellant till 06.09.2008 has referred to the panchnama executed on 28.08.2008, wherein a voluntary disclosure of the appellant with regard to showing the premised being house D-34 and the search of this house led to recovery of mattresses, cloth sheets, scissor, cutters, hacksaw blade, nuts etc. Therefore, in cross-examination, an answer given to the question about the activity of Khidmat will not wash-off all the investigation carried out by this witness against the appellant. PW No.1155-Narayansinh Bhavansinh Parmar, if he claims to have no knowledge and circumstance about the arrest of the appellant, then also, the same is inconsequential as the arrest of the accused-appellant was effected by PW No.1136-Sujata Prakash Majmudar.

the offenses registered at Ahmedabad based on the evidence of an Investigating Officer examined at PW No.1163-Mayur Jagmalbhai Chavda, examined at Exh.8638, by referring only to couple of lines in the cross-examination, where he has deposed that it is true that the present appellant was not arrested in connection with his investigation and as during his investigation no evidence was found, hence, not arrested cannot be treated as evidence of innocence of the appellant. This witness was assigned investigation of couple of FIRs registered at Ahmedabad, out of several FIRs. The other FIRs were being investigated by the other Investigating Officers. Moreover, both the incidents being part of larger conspiracy, it is not necessary to attribute a specific act in connection with the offenses being investigated by this witness. The mainstay argument is the evidence gathered by the Investigating Agency, which is in the form of pointing out panchnamas, recovery panchnamas, wherein a narration is made by the accused person in presence of the panch, which is inculpatory in nature and that those statements which may come on record through the panch witnesses cannot be treated as admissible evidence. The reliance is placed on the decision in case of **Hazari Lal (Supra)**, the relevant para-8 pointed out is with regard to the statements of the witnesses recorded under Section 162 of Cr.P.C. during the course of investigation which obviously are the previous statements to be utilized in the manner as provided under Section 145 of the Indian Evidence Act. The Hon'ble Supreme Court was examining the same in the offense registered under Prevention of Corruption Act and at that stage the contention on behalf of the State that the earlier statement with which witnesses were confronted for the purpose of contradiction could be taken into consideration by the Court in view of the definition 'proved' under

Section 3 of the Evidence Act. Therefore, referring to the statutory bar, the contention was rejected. In ***Modan Singh (Supra)*** again refers to the statement recorded under Section 162 of Cr.P.C. made to the investigating officer are not to be treated as substantive evidence which can be relied upon, is a settled principle of law. The decision is also rendered on the point that if the evidence of the investigating officer regarding recovery of material during course of Investigation is convincing, then the evidence as to the recovery of the investigating officer need not be rejected even if the seizure witness/panch witness do not support or are declared hostile.

16.3.68. The discussion of judgments cited on behalf of accused No.63; Mohammad Tanvir @ Talha Mohammad Akhtar Pathan on the point of Section 27 and Section 8 of the Evidence Act.

16.3.69. Learned Senior Advocate has referred to decision of the Apex Court in case of ***Himachal Pradesh Administration v/s. Shri Om Prakash*** reported in ***(1972) 1 SCC 249*** in support of argument that fact which is required to be established, as an evidence by witness, is to be perceived by senses of human being. It is submitted that Section 3 of Evidence Act, which defines expression fact necessarily has to refer to material and not mental fact, therefore, 'pointing out panchnama', which is strongly relied upon by the prosecution, is only of mental fact, which was within knowledge of the accused, when he indicated premises, where purportedly part of offence is committed. Therefore, discovery of thing or some material is important and in the facts of this case, there is no recovery of article or thing in the pointing out panchnama. The Court may consider Para-14 of this judgment, which refers to decision of ***Privy Council in Pulkuri Kotayya*** reported in ***AIR 1947 PC 67***, which says that information leading to discovery of witness admissible, is discovery

from him of things sold to him or hidden or kept with him, which the Police did not know, until the information was furnished by the accused. The Court has examined this issue in the context of evidence given by the Investigating Officer and panch witnesses, which had lead to PW-11 with whom the subject matter of offence was discovered and it is evidence of PW-11, which corroborated evidence of Investigating Officer and panchas making same admissible under Section 8 of the Evidence Act, as conduct of the accused.

16.3.70. In the opinion of the Court, application of Section 27 and Section 8 of Evidence Act, may not be circumscribed to lead to discovery of material (physical thing), which obviously would be leading to another person, who either may be treated as witness or accomplice depending upon the facts of the case. In the present case, leading investigation to particular place, where part of offence particularly conspiracy has taken place, means special knowledge of the accused is leading investigation to premises or the place, which therefore becomes material and recording of the fact of such disclosure leading to premises recorded in the panchnama, would therefore, be covered under Section 27 of the Evidence Act, making it admissible, since this fact has been deposed by panch witness in support of the prosecution and would not remain only hearsay evidence, with further corroboration by Investigating Officer. Therefore, by pointing out the panchnamas, disclosure is made of special knowledge of the accused person regarding premises/place, where the part of offence has taken place and leading to discovery of such place, which becomes relevant to the fact in issue and therefore, required to be treated as admissible evidence.

Administration) reported in ***AIR 1979 SC 400***, is again cited for application of Section 8 of Evidence Act. The Apex Court was considering offence under the Prevention of Corruption Act and evidence of trapping witness and whether corroboration of such evidence is necessary and whether conduct of the accused, when questioned by the Investigating Officer immediately after taking bribe, if proved, can be treated as admissible evidence. In Para-8, the Court has held that the Court has taken into consideration contention of Counsel for the appellant-accused that evidence leading to conduct of the accused, when challenged by the Inspector was inadmissible, as it was hit by Section 162 of Cr.P.C. Answering the contention, the Court answered that the Court held that there is clear distinction between conduct of person against whom offence is alleged, which is admissible under Section 8 of Evidence Act, if such conduct is influenced by any fact in issue or relevant fact and the statement made to the Police Officer in the course of investigation. However, what is excluded by Section 162, is statement made to the Police Officer in the course of the investigation, but not relating to the conduct of the accused person, not amounting to statement. Citing an example of circumstance that the accused person led the Police Officer and pointed out the place, where stolen articles or weapons used in the offence, were found hidden, then such evidence of circumstance would be admissible as conduct under Section 8 of the Evidence Act. In fact, the Court in Para-9 of the judgment referring to various decisions in case of ***Zwinglee Ariel v/s. State of Madhya Pradesh*** reported in ***AIR 1954 SC 15***, has held that the Apex Court was inclined to hold that evidence to the effect that the accused showed signs of being frightened on being questioned by the Police Officer, as admissible conduct, if proved. Similarly, referring to

decision in case of ***Rao Shiv Bahadur Singh v/s. State of Vindhya Pradesh*** reported in ***AIR 1954 SC 322*** and ***State of Madras v/s. A. Vaidyanatha Iyer*** reported in ***AIR 1958 SC 61***, conduct of the accused on being confronted by the Police Officer, was held to be admissible evidence and in fact, the Apex Court held that the Apex Court did not see any reason to rule out evidence relating to the conduct of the accused, which would lend circumstantial assurance to the testimony of PW-6. PW-6 in the facts of the case being was a trap witness.

16.3.72. Reliance is placed on decision of ***Mohmed Inayatullah v/s. State of Maharashtra*** reported in ***1976 (1) SCC 828***. This judgment is cited to argue that whether admissible portion of information taken in conjunction with the facts discovered, sufficient to draw presumption of the accused being offender. Discussing the interpretation and scope of Section 27, which starts with an expression "proved that". In Para-12 of the judgment, it is discussed that to bring Section 27 into operation, there has to be discovery of fact as a consequence of information received from the accused person. Second requirement is discovery of such fact must be deposed and third is that at the time of such disclosure of information, the accused must be in Police custody and the most important condition is that only "so much of the information", which relates distinctly to the facts thereby discovered, is admissible.

16.3.73. According to learned Senior Advocate, in the facts of the present case, disclosure made by the accused at the time of drawing of panchnamas, has not led to recovery of any article or thing, by which the appellant would be connected to the offence. However, in the very judgment in Para-13, the Apex Court has held that expression "fact discovered" is not restricted to physical or material fact, which can be perceived by senses and that it does include mental fact. Once again,

referring to decision of ***Privy Council in Pulkuri Kotayya*** reported in ***AIR 1947 PC 67***, the Court took cognizance of the settled principle that expression "fact discovered" includes not only physical object produced, but also place from which it is produced and knowledge of the accused, as to this. As discussed in the evidence pertaining to this accused, disclosure in the pointing out panchnama is about special knowledge of the accused about the place, where the part of offence has taken place and therefore, "fact discovered" is premises and does not remain only mental fact.

16.3.74. According to this Court, meaning given to application of Section 27 by aforesaid judgment clearly applies to the facts regarding accused-appellant-Mohammad Tanvir @ Talha Mohammad Akhtar Pathan in Criminal Appeal No.2106 of 2023. As qua this accused, disclosure of knowledge of the appellant about using of particular premises to commit part of offence, was recorded at the time of drawing of panchnama, which is corroborated by independent panch witness as well as deposition of Investigating Officer.

16.3.75. Reliance is placed upon decision in case of ***Bahadul alias Ghanshyam Padhan v/s. State of Orissa*** reported in ***(1979) 4 SCC 346***, in support of their submission that the Court cannot rely upon confessional statement made before the Investigating Officer leading to premises, where part of offence was committed. However, present judgment decides point that if the accused has not made any statement during Section 27 of Evidence Act relating to recovery of weapon, then judicial confession made by the witnesses about production of weapon by the accused, cannot be treated to be admissible evidence under Section 27 of Evidence Act. Meaning thereby, the Court has directly connected discovery of fact, which has found mentioned in proceedings

undertaken under Section 27 of Evidence Act with Section 8 of Evidence Act.

16.3.76. The appellant has relied upon decision of the Apex Court in case of ***Allarakha Habib Memon and others v/s. State of Gujarat*** reported in ***(2024) 9 SCC 546***, particularly drawing attention to Para-40 to submit that circumstance regarding identification of the place of incident at the instance of the accused is inadmissible, because the crime scene was already known to the police and no new fact was discovered in pursuance to the disclosure statement. It would be pertinent to note that the Apex Court has made aforesaid observation while considering confessions of the appellant-accused, which were recorded by the Medical Officer, while preparing Injury reports. It was these confessions, which the Court held to be inadmissible, as the accused persons were presented before the Hospital by the Police Officers after arrest being effected. In the facts of the present case, what is under consideration is panchnama, which is pointing out premises or place where the part of offence has taken place and within special knowledge of the accused person, which was disclosed while pointing out panchnama.

16.3.77. Reliance is placed upon decision of Delhi High Court in case of ***Mohd. Rahis Khan v/s. State*** reported in ***2009 SCC OnLine Del 2901*** in support of their arguments of the appellant that pointing out of place from where nothing incriminating is recovered, is irrelevant fact. Learned Senior Advocate has taken this Court through facts, which are recorded in Para-5 and Para-6 of the judgment and the observations made in Para-9 therein.

16.3.78. This Court would observe that Delhi High Court was appreciating what was observed by the trial Court in Para-16 of the

impugned judgment of conviction, wherein it is recorded that after the appellant was arrested, he had pointed out the place, where the offence was committed to Investigating Officer and also pointed out the spot, where the Police had recovered brick with which the murder was committed. Thereafter, he led investigation to 'Nala', where he has thrown his cloths, worn by him at the time of crime. The High Court specifically observed about lack of clarity in the judgment with regard to fact of recovery of brick, pointing out by the accused person, as an evidence, as a conduct admissible under Section 8 or whether it is to be held as admissible evidence under Section 27 of Evidence Act. It is in this facts circumstance that the Court held pointing out was irrelevant. The Court is therefore of the view that observation thus made, is very fact specific to the case before the Delhi High Court.

16.3.79. For similar contention, reliance is placed yet another decision of Delhi High Court in case of ***Arun Kumar v/s. State*** reported in ***1996 (37) DRJ (DB)***, in support of contention of inadmissibility of disclosure statement. Delhi High Court had observed the fact that during the course of interrogation by the Inspector, witness had made disclosure statement regarding pointing out of the place, where the murder took place and also pointed out place, where the body was thrown in gutter. However, gutter from where the dead body was recovered, was already within knowledge of the Police before disclosure statement and therefore, part of disclosure statement was not admissible in evidence. It would be pertinent to observe that disclosure statements, which were held to be inadmissible, were in fact statements recorded by Investigating Officer, during the course of interrogation of the accused person and therefore, clearly hit by Section 162 of Cr.P.C. Such is not case in the facts of the present case and disclosure of facts with which we are concerned, are

disclosures, which are made during the course of pointing out panchnama.

16.3.80. On the similar line, judgment of Madras High Court in case of ***Perumal alias Kuttiappan v/s. the State*** reported in ***2009 (2) MWN (Criminal) 36 (DB)***, which also is on the issue of recovery pursuant to confessional statement. Being repetitive in nature and principal submission having been taken into consideration in the earlier judgment, is not dealt with herein.

16.3.81. On the issue of identification of the accused, Counsel has relied upon various decisions to contend that identification of the appellant, cannot be treated to be relevant circumstance to connect the appellant with the offence. Main contention of the appellant being dock identification only to be substantive piece of evidence and identification by Test Identification Parade is inconsequential.

16.3.82. Reliance is placed in decision of ***Sheikh Hasib alias Tabarak v/s. the State of Bihar*** reported in ***(1972) 4 SCC 773***, relying upon Para-5 and 6 of the judgment, wherein discussion is made regarding sensitivity of such identification. It is submitted that as per this judgment, identification of not only the accused person, but also material, if any, is also required to be done and that to at the earliest possible opportunity, so as to minimize chances of fading of memory by reason of lapse of time. This judgment is particularly cited as according to Counsel, there is inconsistency in identifying materials particularly the cloths/fabrics, which were recovered from the Car, but was directly identified in the Court by the witness without there being previous Test Identification Parade and the delay of approximately two months in carrying out Test Identification Parade of the accused person. This in the opinion of the Court is judgment in the facts of the case, where the

emphasis would always be to apply rule of prudence, while appreciating evidence of identification.

16.3.83. Another judgment relied upon in case of ***Rajesh alias Sarkari and another v/s. State of Haryana*** reported in ***(2021) 1 SCC 118***, in so far as issue of Test Identification Parade is concerned, the Court has summarized principles, which are required to be followed for conducting proper Test Identification Parade and the effect of refusal of accused to participate in Test Identification Parade. This principle was lead on the facts that what purpose Test Identification Parade would serve, where the claim of the accused is that witnesses already know the accused prior to offence and therefore, refusal to participate in such Test Identification Parade was not held against the accused person. For the benefit of this Court, principles summarized by the Apex Court in the aforesaid judgment, are reproduced herein below as under:

> *"43.1 The purpose of conducting a TIP is that persons who claim to have seen the offender at the time of the occurrence identify them from amongst the other individuals without tutoring or aid from any source. An identification parade, in other words, tests the memory of the witnesses, in order for the prosecution to determine whether any or all of them can be cited as eyewitness to the crime;*
>
> *43.2 There is no specific provision either in the CrPC or the Indian Evidence Act, 1872 ("the Evidence Act") which lends statutory authority to an identification parade. Identification parades belong to the stage of the investigation of crime and there is no provision which compels the investigating agency to hold or confers a right on the accused to claim a TIP;*
>
> *43.3 Identification parades are governed in that context by the provision of Section 162 of the CrPC;*
>
> *43.4 A TIP should ordinarily be conducted soon after the arrest of the accused, so as to preclude a possibility of the accused being shown to the witnesses before it is held;*

43.5 The identification of the accused in court constitutes substantive evidence;

43.6 Facts which establish the identity of the accused person are treated to be relevant under Section 9 of the Evidence Act;

43.7 A TIP may lend corroboration to the identification of the witness in court, if so required;

43.8 As a rule of prudence, the court would, generally speaking, look for corroboration of the witness' identification of the accused in court, in the form of earlier identification proceedings. The rule of prudence is subject to the exception when the court considers it safe to rely upon the evidence of a particular witness without such, or other corroboration;

43.9 Since a TIP does not constitute substantive evidence, the failure to hold it does not ipso facto make the evidence of identification inadmissible;

43.10 The weight that is attached to such identification is a matter to be determined by the court in the circumstances of that particular case;

43.11 Identification of the accused in a TIP or in court is not essential in every case where guilt is established on the basis of circumstances which lend assurance to the nature and the quality of the evidence; and

43.12 The court of fact may, in the context and circumstances of each case, determine whether an adverse inference should be drawn against the accused for refusing to participate in a TIP. However, the court would look for corroborating material of a substantial nature before it enters a finding in regard to the guilt of the accused."

16.3.84. In case of ***Tukesh Singh and others v/s. State of Chhattisgarh*** reported in ***2025 SCC OnLine SC 1110***, the Apex Court has explained situation, which would require dock identification and Test Identification Parade. According to the Court, eyewitnesses must identify the accused sitting in the dock, as the same accused whom they had seen committing the crime in case, where eyewitnesses knew

accused before incident and another situation, where eyewitnesses did not know the accused before incident, then it is necessary to hold Test Identification Parade and if it is not held and if the evidence of eyewitnesses recorded after few years, in that case, identification of accused in the Court becomes vulnerable. In the facts of our case, eyewitnesses are witnesses to circumstance leading to commission of crime like circumstance of recovery of cloth fabrics at the scene of offence, which cloth fabrics were according to prosecution purchased by the appellant. Cloth fabrics, which were recovered from vehicle, which contained other material for explosive bombs and eyewitness has identified cloth fabrics and the appellant-accused as purchaser of cloth fabrics. Thereby connecting material recovered from scene of offence with the appellant. Therefore, in the opinion of the Court, identification of the appellant at Test Identification Parade, is relevant fact establishing connection between cloth fabrics at the scene of offence and purchase made by the appellant, relevant and admissible fact against the appellant. The Court also holds that explanation given by very witness about passage of long time and definite change in the appearance of the accused person. Because of which witness did not make effort for identifying the accused during his deposition, is acceptable explanation and would not affect credibility of identification by Test Identification Parade, which was undertaken at the proximate period to the incident and in fact, credibility is lent to genuineness of witness, when he gave explanation about situation of dock identification.

16.3.85. Particularly, when Test Identification Parade is also affirmed by the Magistrate himself as well as witness to Test Identification Parade and Investigating Officer. The Court finds that there is absolute consistency in all the set of witnesses with regard to Test Identification

Parade held at the hands of witnesses, who had sufficient occasion to know the accused person and connect him with the crime on the basis of either material purchased or by connecting him with the premises.

16.3.86. Reliance is placed on the decision of ***Wakil Singh and others v/s. State of Bihar*** reported in ***1981 (Supplementary) SCC 28***, only to emphasise on proximity of carrying out Test Identification Parade, as in facts of the case in ***Wakil Singh (supra)***, it is observed in Para-2 that the High Court had ignored identification of Test Identification Parade, which was conducted about three and half months after dacoity, treating this to be long lapse of time and impossibility for any human being to remember the features of the accused and likelihood of committing of mistake. However, emphasis of this judgment was that it would be unsafe to convict the accused for serious offence on testimony of single witness.

16.3.87. In the facts of the present case, it is not a case of single witness identifying the accused person and connecting him with circumstance, which is relevant for the purpose of main issue of conspiracy.

16.3.88. Reliance is placed upon decision in case of ***Md. Sajjad alias Raju alias Salim v/s. State of West Bengal*** reported in ***(2017) 11 SCC 150***, wherein relying upon earlier decision in case of ***Subhash v/s. State of Uttar Pradesh*** reported in ***(1987) 3 SCC 331***, the Apex Court has questioned Test Identification Parade of the accused, whose description and particulars, eyewitness has never mentioned in statement during investigation.

16.3.89. This aspect does not apply to the facts of this case, where the witnesses, who have undertaken identification, have during the course of investigation, given sufficient description to support Test Identification

Parade. The Court may observe that though the submissions made by the learned senior advocate are recorded and dealt with however, all the submissions made have also been dealt with under the chapter of "Issues".

16.3.90. Learned Sr. Advocate has cited several decisions and made submissions on the various issues arising in the present case. The submissions have been recorded as she has made such submissions in the context of A-63. These very submissions though the Court has answered to in a separate Chapter of "Issues" and therefore, to avoid repetition, not answered here.

16.3.91. In the case of A-63, the Court may refer to evidence of PW No.6855-Jayeshbhai Manubhai Patel at Exh.6010, who has identified the accused-appellant in the Test Identification Parade and has deposed that he had approximately half an hour to be with the accused at the time of purchase of nuts and bolts at his shop, which is period sufficient for any witness to later on identify.

16.3.92. The Court has perused the evidence of witness being PW No.855-Jayeshbhai Manubhai Patel vide Exh.6010, who is a running a shop in the name of 'Kamla Hardware' and selling nut bolt. He has deposed that he had sold Nut-Bolt to a person, who was identified by him as accused No.63-Mohammad Tanvir in Test Identification Parade at Exh.3079 dated 29.08.2008. Test Identification Parade is also proved through Executive Magistrate as PW No.575-Kirtanbhai Charurbhai Patel examined vide Exh.3076. The witness has also identified article i.e. bolt produced which was produced at Sr. No.7 vide Exh.2350. It is pertinent to note that the scene of panchnama at Exh.2413 in Kapodara FIR No. 176 of 2008, records the recovery of various articles from the said place, including a bolt. The witness has also produced Nut-bolt

from his shop under the panchnama at Exh.2814. The aforesaid panchnama was proved through panch witness being PW No.458-Dipak Ramchandra Mali vide Exh.2813 and Investigation Officer as PW No.1155-Narayansinh Parmar vide Exh.8517. He has also deposed that a person who came to purchase nut-bolt from him, purchased around 15 to 16 kg. nut-bolt and wiser. The said nut-bolt were also subjected to forensic opinion, which is placed on record at Exh.5776. Exh.5834 is required to be considered through forwarding letter Exh.5774.

16.3.93. The Court has also perused 313 statements of this accused wherein no explanation is offered and the accused pleaded ignorance to the question with regards to Exh.6010/P.W. No.855-Jayeshbhai Manubhai Patel, which pertains to purchase of nuts and bolts in bulk quantity despite the accused not being in the business of hardware.

16.3.94. Similarly, PW No.984-Radheshyam examined at Exh.6851. In Para-4 of his deposition, he has given description of individuals who had come to his shop for purchase and has also deposed the manner in which he had gone to the Magistrate's Court after approximately one month and identified the accused person.

16.3.95. The explosive device was assembled by using several articles as is evident from the seizures made from the scene of offence as well as the unexploded bomb. It is found that material like ball bearings, nuts and bolts were stuffed into the device which would upon explosion, act as a projectile. Therefore, the nuts and bolt though innocent hardware material, when used in the manner mentioned hereinabove as a part of bomb, would be lethal. Therefore, the procurement of nuts and bolts in bulk (15 to 16 kgs.) is an important circumstance to establish the connection of the accused with the offence. In the preceding paras, the Court has already referred to the deposition of the concerned witness.

16.3.96. In this background, the Court may undertake consideration of the evidence against this accused.

16.3.97. It would be pertinent to state here that native of accused No.63-Mohammad Tanvir is from U.P and one accused referred in the testimony of this witness i.e. accused No.15-Mufti, is also from U.P as well as many other accused persons of this case are also from U.P.

16.3.98. The Court finds that on behalf of accused No.63-Mohammad Tanvir, the submissions are made with regard to violation of Articles 21, 22 and 23 of the Constitution of India as well as judgment of D.K.Basu. But, considering the evidentiary material, the submissions made before this Court are entirely devoid of merit. Furthermore, arrest of accused No.63-Mohammad Tanvir was effected on 26.08.2008 and he was produced before the Court on 27.08.2008. However, accused No.63-Mohammad Tanvir has not made any complaint regarding any torture, harassment etc. that has been caused to him by police. It would be also pertinent to state in view of the fact that a railway ticket dated 22.08.2008 for travel from New Delhi to Bombay was recovered during the search of accused No.63-Mohammad Tanvir, and hence, the question of believing the allegation that accused No.63-Mohammad Tanvir was in the illegal confinement of the police since 14.08.2008 is baseless. The allegation made for harassment made by police to accused No.63-Mohammad Tanvir also has no legs to stand, as on the very day, the accused-Jahir Patel (acquitted) was also arrested alongwith accused No.63-Mohammad Tanvir and no allegations have been made by this accused with respect to any harassment made by police to him.

16.3.99. The Court has relied on panchnama at Exh.2794 drawn on 27.08.2008 from 01:15 to 07:00hrs. The first part of panchnama was drawn at DCB Police Station, Surat in the presence of accused No.63-

Mohammad Tanvir and Investigating Officer-Ms. Majmudar and panchas. accused No.63-Mohammad Tanvir has voluntarily disclosed to point out relevant places, where bombs were planted. Pursuant to which, the accused led the police persons and panchas to various places as described in the scene of offence panchnama, i.e. (1) Motorcar No. GJ-06-CD-2908 was found loaded with 4 bombs which were disabled by bomb disposal squad and for which FIR was registered at Kapodara police station vide CR.No. I-176 of 2008. And panchnama of scene of offence is Exh.2385. (2) Motorcar No. GJ-06-CD-3569 found loaded with explosive for which FIR got registered at Kapodara police station vide C.R.No.1-175 of 2008. And panchnama of scene of offence is Exh.2413, (3) Place of scene of offence panchnama Exh.2429, (4) Place of scene of offence panchnama Exh.2441, (5) Place of scene of offence panchnama Exh.2453, (6) Place of scene of offence panchnama Exh.2491, (7) Place of scene of offence panchnama Exh.2502, (8) Place of scene of offence panchnama Exh.2531, (9) Place of scene of offence panchnama Exh.2538, (10) Place of scene of offence panchnama Exh.2566, (11) Place of scene of offence panchnama Exh.2631, (12) Place of scene of offence panchnama Exh.2666, (13) Place of scene of offence panchnama Exh.2681, (14) Place of scene of offence panchnama Exh.2694, (15) Place of scene of offence panchnama Exh.2550 and (16) Place of scene of offence panchnama Exh.2708.

16.3.100. The Court finds that the disclosure made by accused No.63-Mohammad Tanvir of pointing out the aforesaid scene of offence panchnamas would assume importance, which establish the conduct of accused No.63-Mohammad Tanvir, as accused No.63-Mohammad Tanvir was arrested on 26.08.2008 at late night and immediately panchnama of person was drawn, whereby accused No.63-Mohammad

Tanvir has made voluntary disclosure to point out the relevant place. Needless to say, here that when any offence has been committed, pursuant to which an FIR came to be registered, and where place of offence is known to the Investigating Officer on the basis of the said FIR, the Investigating Officer would certainly visit the scene of offence and would also draw a panchnama to that effect. If the scene of offence is known, then the panchnama of the scene of offence would be drawn first. Thereafter, an FIR would be recorded; however, in any case, the scene of offence panchnama is drawn as early as possible, the first thing which any Investigating Officer would ascertain is the factum of the scene of offence. Hence, merely because a certain place is known to the Investigating Officer, the relevance of that place would not lose its significance if the accused, at a later point of time, voluntarily leads the Investigating Officer to that very place for the purpose of point out relevant place, whether it was known to the Investigating Officer or not, as the importance and significance would lie in the knowledge of the accused regarding that place. In the present case, it is the knowledge of accused No.63-Mohammad Tanvir, which he disclosed during the course of his disclosure statement, regarding his knowledge of the places, where the bombs were planted. This conduct of pointing out such places would be relevant for examining the conduct of accused No.63-Mohammad Tanvir, even though the disclosure statement include a permissible confessional statement, which is not prohibited under Section 27 of the Evidence Act and hence, as per the provision of Evidence Act, accused No.63-Mohammad Tanvir's conduct, so far as panchnama and the disclosure statement made and recorded at Exh.2794, is required to be appreciated. There is no bar to the admissibility of the statement, and so far as the question of appreciating

the credibility of such evidentiary material is concerned, it has to be evaluated in the context of the cross-examination of the relevant witnesses to test whether the credibility of such witnesses has been impeached or not, and also in the context of the defence, either out of cross-examination or any explanation offered in respect of such incriminating circumstances. The panchnama at Exh.2794 stands proved through panch witness being PW No.451-Kalpesh Ishwarbhai Patel vide Exh.2793 and Investigating Officer being PW No.1163-Sujata Majmudar vide Exh.8149.

16.3.101. The Court has perused the panchnama Exh.2849 drawn on 27.08.2008 between 21:35 to 23:30hrs. Through this panchnama, search of the houses of accused No.63-Mohammad Tanvir was done, whereby Gas Cylinder was found however, articles related to kitchen or preparation of food etc. were not found, hence, keeping of gas cylinder is suspicious. The panchnama Exh.2894 stands proved through panch witness being PW No.463-Laxmanbhai Manjibhai Gami vide Exh.2848 and Investigating Officer being PW No.1155-Narayansinh Parmar vide Exh.8517.

16.3.102. The Court has perused the panchnama at Exh. 2757 drawn on 28.08.2008 between 12:15 to 16:40hrs. The first part of the panchnama ws drawn at DCB Police Station, Surat in the presence of accused No.63-Mohammad Tanvir, police and panchas. During the course this panchnama, accused No.63-Mohammad Tanvir voluntarily agreed to point out a rented house (hide out). Pursuant to which, the second part of the panchnama was drawn, wherein accused No.63-Mohammad Tanvir led all concerned to House No. D-34 Riverview Society, passing through Mugalsara Road, Municipal Corporation, Variyali Bazar, Palia Ground and other places. Mohammad Tanvir has disclosed that he has given the said house on rent, which was found closed. Upon inquiry being made, it came to know that the owner of the house is Liyakatali Shaikh. Considering the fact that the house was required to be searched, and for which the lock had to be broken open as the keys were unavailable.

16.3.103. It appears that thereafter, the house was being searched in the presence of FSL officers, whereby certain articles and objects were recovered, which is recorded in the panchnama. However, relevant would be the articles such as scissors, ball bearings, plastic sheets, bolts (moti), dust particles/trash of waste, and certain other objects which, upon forensic examination contained ammonium; so also, plastic Kerbas (barrels/carboys), which smelled of petroleum, along with other articles also smelling of ammonium nitrate. Further, the articles seized during the course of drawing of panchnama, were primarily examined by FSL officer and the opinion of the FSL Officer is placed on record vide Exh.2767 and proved through Scientific Officer being PW No.443-Nitinkumar Dayaram Patel vide Exh.2725. The Objects and articles sized during panchnama were sent for scientific examination through forwarding letter vide Exh.5774. Pursuant to which, the FSL Officer has given opinion vide Exh.5776 and relevant regarding the said opinion is that out of the articles forwarded for examination, the articles marked as A-9 and C-2 are opined to indicate the presence of high explosives such as ammonium nitrate and petroleum hydrocarbon oil. Apart from aforesaid opinion, there were two other FSL opinions, which are placed on record at Exh.5847 and Exh.5655 and stands proved through evidence of FSL officer being PW No.840-Janmahmad Mansuri vide Exh.5700.

mentioned regarding electric switch board being a chance print (fingerprint). This chance print is also subjected to forensic examination and as per report of FSL, chance print found on electric switch board, which has not been examined. The prosecution had failed to place the expert opinion on record before the Learned Special Judge, despite being submissions made thereon and placed the relevant forwarding letter alongwith the opinion received. The submissions were made on behalf of accused No.63-Mohammad Tanvir alleging that the Investigating Officer had acted in a partisan manner for not examining the material object of chance print on electricity switch board.

16.3.105. The Court has perused the deposition of witness being PW No.853-Umeshbhai Master at Exh.6007, who is an electrician/wireman. The said witness was called at House No. D-34 for removing electric switch board and giving it to police. The case of prosecution is that the House No. D-34 of Riverview Society was one of the sequels to the conspiracy, wherein high explosive was recovered and subsequently used for preparation of bombs. Consequently, all facts and evidence relevant to House No. D-34, Riverview Society, assume importance. This house No. D-34 was pointed out by accused No.44-Mohammad Akbar, accused No.43-Anik @ Khalid, accused No.46-Mohammad Naushad and accused No.47-Ahmed Bava. It appears that the evidence regarding House No. D-34 in the context of the present accused, also implicates accused No.44-Mohammad Akbar, accused No.43-Anik @ Khalid, accused No.46-Mohammad Naushad and accused No.47-Ahmed Bava, as said accused are further connected with the Sherpura house, as well as the silver-coloured Wagon R and maroon-coloured Wagon R, so also connected with accused No.45-Fazle Rehmaan.

16.3.106. Moreover, accused No.43 has also pointed out plastic-can

shop and Rampura auto oil sale shop, which is also considered while dealing with the case of accused No.43-Anik @ Khalid. It would be pertinent to state that plastic cans (barrels/carboys) containing petrol were also recovered from a car seized from the scene of offense during the investigation of FIR No. 176 of 2008, registered at Kapodara Police Station. It is relevant to state that the plastic cans recovered from D-34 Riverview Society were subject to forensic examination and smelled like petroleum. The FSL opinion is already discussed herein above. The said plastic cans were seized at item No.10 under panchnama at Exh.2413.

16.3.107. The Court has perused the panchnama at Exh.2806 drawn on 04.09.2008. The first part of the panchnama was drawn at a police station in the presence of accused No.63-Mohammad Tanvir, whereby accused No.63-Mohammad Tanvir has made voluntary disclosure to point out a house on rent by Rafik. Thereafter, second part of panchnama was drawn, whereby accused No.63-Mohammad Tanvir led all concerned to a place known as master house (hideout), passing through Variyali bazar pumping station and other places and also pointed out a closed room of this house No.21. As the house was found locked, the lock was broken open, and in the presence of the FSL, search of the house/room was conducted, however, no material evidence was recovered. The panchnama Exh.2860 was proved through panch witness being PW No.456-Mehulkumar Jadiya vide Exh.2805 and Investigating Officer as PW No.1155-Narayansinh Bhavansinh Parmar, at Exh.8517. The relevant fact is that the owners of this house have been examined at Exh.6037 and Exh.7006 and they have identified accused No.37-Kayamuddin through Test Identification Parade at Exh.3108. Accused No.37-Kayamuddin was identified as the individual known as Rafik, who had taken the master house (hideout), Surat on rent. Test

Identification Parade at Exh.3108 was proved through witness being PW No.579-Dharmesh Kanaiyalal Patel vide Exh.3106.

16.3.108. The Court has perused the deposition of witness being PW No.859-Ahmednoor Tambuwala at Exh.6018, who is in business of Tadpatri (tarpaulin), has deposed that police had come to him in the month September 2008 alongwith Tanveer, to whom he had sold motorcar cover. During the course of the investigation, one such cover was recovered from a Wagon R car bearing Registration No. GJ-06-CD-3569. The said recovery was effected during the drawing of scene of offense panchnama at Exh.2385, in connection with the FIR proceedings registered at Kapodara Police Station vide C.R. No. 175 of 2008, wherein various articles were seized, including a motorcar cover, which was seized through Muddamal list Exh.2336 Sr.No.37**.** The witness has identified this car cover as belongs to his shop when shown to him, based on thread through which cover is stitched and that, bears mark word 'Wagon R'. Though the witness failed to identify accused No.63-Mohammad Tanvir but has deposed that the name of the person is 'Tanveer Pathan'. This circumstance connects the accused with the car, which was seized with unexploded bombs and explosives.

16.3.109. In view of further statement under Section 313 of Cr.P.C. of accused No.63-Mohammad Tanvir was recorded to the effect that he was interrogated on 11.08.2008 and called again on 14.08.2008 while he was alongwith his friend, he was detained on the said date and subjected to mental and physical torture until he was arrested on 26.08.2008. The same is not at all borne out from the defence of accused No.63-Mohammad Tanvir before the Court during cross-examination, nor through any other mode, except for this belated version made in his further statement, which would have no evidentiary value dehors any

corroborative evidentiary material.

16.3.110. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.63-Mohammad Tanvir @ Talha S/o Mohammad Akhtar Pathan. The Court has therefore, no reason to interfere with the conviction recorded.

16.4. In case of Samsuddin @ Samsu Shahabuddin Shaikh (Ahmedabad) (A-4)

(Accused No.4 in Criminal Confirmation Case No. 2/2022 and Appellant No.1 in Criminal Appeal No. 1710/2022):

16.4.1. In case of accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh, he has been convicted for various offences by the trial Court and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.4.2. Learned senior advocate has, thereafter, made submissions for accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh, who came to be arrested on 16.08.2008 and was in judicial custody till 02.02.2009. According to learned senior advocate, the allegation against him is having participated in the meetings at Ahmedabad and Surat. Learned senior advocate has immediately referred to the impugned judgment at page No.6428, where the Special Judge has given a finding that the appellant was present at terror camp in Halol by referring to the confessional statement of accused No.2-Imran Ibrahim Shaikh. He, therefore, took this Court to the confessional statement of accused No.2-Imran Ibrahim Shaikh at Exh.8619 to show that the confessional statement does not specifically refer to the presence of the appellant in Halol Camp.

16.4.3. It is further submitted that insofar as the Vagamon Camp in Kerala, the appellant is not even named as an accused and therefore, obviously the appellant has not participated in so called terror camp at Vagamon. It is submitted that the appellant is not even named as one of the participants in Halol camp by any of the witnesses or confessional statement of the co-accused. Not only that even the point out panchnama executed at the behest of co-accused, of the area where the Halol camp took place, but name of the appellant has also not found any mention. It is further submitted that neither the chance witnesses have named or identified the appellant nor the Munjavar of Khundpir Dargah has named or identified the appellant. Therefore, the Special Judge has given a wrong finding of fact about the presence of appellant at Halol.

16.4.4. It is submitted that insofar as the presence of the appellant in the meetings at Surat though the prosecution has relied upon the deposition of PW No.1097-Mahetab Ibrahim Shaikh, who was examined vide Exh.7767, still the presence of the appellant in such meeting cannot be treated to be part of the conspiracy as from the evidence of aforesaid witness in the said meeting only religious discourse had taken place. The Court is of the view that though the deposition of Mehtab Ibrahim Shaikh is with regard to the religious discourse, but the presence of the appellant in the meeting alongwith other co-accused persons establishes the connection between the appellant and co-accused.

16.4.5. Learned senior advocate, thereafter, submitted that for the Surat meeting, another witness being PW No.1041-Talib Abdul Gafar Maniyar, who was examined vide Exh. 7056, but this witness has not at all supported the case of prosecution and is declared hostile. Learned senior advocate has, thereafter, once again gone back to the issue of meetings in Ahmedabad and submitted that the prosecution which has

relied upon the evidence of PW No.957-Zakirhussain Abduljabbar Kureshi, who was examined vide Exh.6687, he has shown the appellant to be present in three meetings at Ahmedabad. However, if the evidence of this witness is to be taken into consideration alongwith the evidence of other evidence, then it is pointed out that that for this meeting, the prosecution has cited Ibrahim Ansari as a secret witness in whose house the meeting at taken place but was not examined as a witness at all. Therefore, the best witness for the meeting has not been examined by the prosecution, putting in doubt as to whether the meeting at all had taken place. Similarly, another secret witness cited in charge-sheet Yakubbhai was also not examined as a witness by the prosecution so also one Iliyas, who is referred in the confessional statement of Umar @ Ashokbhai Kalabhai at Exh.8627, though a witness, has been dropped.

16.4.6. The Court finds that the witnesses were dropped by submitting dropping purshis vide Exh.9367, wherein at Sr. Nos.27 and 22 respectively, the names of these witnesses appeared naming them to be repetitive witnesses.

16.4.7. The other evidence being that of confessional statement, accused No.24-Umar @ Ashok Kalabhai Kabira at Exh. 8627, but according to the appellant, this confessional statement may not be relied upon as it has been later on retracted. Moreover, the said accused No.24-Umar @ Ashok Kalabhai Kabira has been acquitted. According to learned senior advocate, except for the aforesaid submissions, there is no other evidence which would corroborate the taking place of a meeting and therefore, the prosecution has not established the role of the appellant in conspiracy.

16.4.8. It is submitted that even if the presence of the appellant in any of the meetings is to be believed, still it was the duty of the

prosecution to establish as to how the appellant had participated in planning of preparation of bomb, planting of bomb etc. and the only evidence of PW No.957- Zakirhussain Abduljabbar Kureshi is not sufficient to establish the conspiracy and therefore, the evidence of accused No.24-Umar @ Ashok Kalabhai Kabira by itself cannot be believed to be an evidence for the purpose of corroborating.

16.4.9. Learned senior advocate has, thereafter, submitted that that the point out panchnama by the appellant being Exh.5452, which pertains to a meeting on 20.07.2008 in the house of one Yakub. Learned senior advocate has argued that the evidence of Umar in any case, is not reliable as he himself was present in the meeting for the first time which was so close to the incident and therefore, it is unlikely that in such meeting, the other co-accused would disclose in front of him the very serious offense that they proposed to commit. Learned senior advocate has, thereafter, assailed the evidence in the form of point out panchnama being Exh.5452 executed at the behest of the appellant on 30.08.2008, where he indicated the meeting place for the meeting on 20.07.2008 at the house of Yakub. According to learned senior advocate, to prove Exh.5452, a panch witness being PW No.809-Nasuruddin Ismail Shaikh, who was examined vide Exh.5451 was examined and from his evidence and panchnama, only the pointing out of house could be treated as admissible evidence, but rest of what has been mentioned about the activity taking place in the house could not be treated as admissible evidence.

16.4.10. Learned Senior advocate for the state on accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh submitted that he is involved by witness Jakir, as according to witness Jakir after March 2008, in continuation and in sequel of different conspiratorial meeting one

another such meeting took place at the house of accused No.4-Samsuddin S/o Shahabuddin Shaikh's Nana which was participated by many other accused persons like accused No.27-Mohammad Ismail @ Abdul Rajik, accused No.8-Yunus Mansuri, accused No.6-Mohammad Aarif S/o Mohammad Iqbal Kagzi, accused No.15-Mufti Abubasar @ Abdul Rashid @ Abdulla S/o Abubakar Shaikh, accused No.37-Kayamuddin Kapadiya, and absconder accused Taukir, who is presently facing trial. So far as this meeting is concerned, different accused persons gave speech relating to human loss being suffered by Muslims in the riots of 2002 and regime of that time was anti-Muslim and to destabilise such Government, it is required to strike and spread terror in the public and to establish Islamic regime so also to do jihad. One another conspirator-accused, also gave a speech relating to SIMI, now having become strong and activists of SIMI are active in the city. So far as other conspirator is concerned who participated in the meeting at accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh's Nana house are those accused who attended Kerala and Halol camp both or either Kerala camp or Halol camp.

16.4.11. It is submitted that PW-1097/ Exh.7767 Mehtab Shaikh stated that one SIMI meeting took place at Limbayat, Surat wherein accused No.4-Samsuddin S/o Shahabuddin Shaikh, accused No.8-Yunus Mansuri, accused No.6-Mohammad Aarif S/o Mohammad Iqbal Kagzi, and accused No.12-Safdar Hussain Nagori were present. Moreover, the witness stated that, in 2008, accused No.37-Kayamuddin Kapadiya met him and at that time Taukirbhai was with him. The witness stated that they were looking for a rented house. The witness identified accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh in court. Looking at the evidence of the witness, it appears that these accused were members of

SIMI and were present in the SIMI meeting though SIMI is a banned terrorist organization.

16.4.12. It is submitted that accused No.2-Imran Ibrahim Shaikh's confessional statement Exh.8619, more particularly in the concluding part of it, involves accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh as according to accused No.2-Imran Ibrahim Shaikh in noon of 26.07.2008, accused No.14-Mohammad Sajid @ Salim @ Sajjad @ Saad S/o Gulam Khwaja Mansuri called accused No.2-Imran Ibrahim Shaikh and asked for telephone number of accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh and the same was given in the same sequence, inquiry of accused No.8-Yunus Mansuri was also made. accused No.2-Imran Ibrahim Shaikh's statement involves accused No.8-Yunus Mansuri as accused No.14-Mohammad Sajid Mansuri also asked for accused No.8-Yunus Mansuri's telephone number, which was not available with accused No.2-Imran Ibrahim Shaikh.

16.4.13. It is submitted that Section 164 statement of accused No.24-Umar @ Ashok Kalabhai Kabira Exh.8627, involved accused in a meeting dated 20.07.2008, happened at Yakubbhai's house. The prosecution would also rely on accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh's conduct of pointing out the house of meeting belonging to secret witness Yakub Memon. As accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh pointed out this place for which investigator has drawn panchnama and has also examined the panch witness to prove the panchnama.

16.4.14. It is submitted that the prosecution also examined Riyaz Hussein, Mohd. Hussein Siddiqui, who though declared hostile is confronted with his earlier statement before police as well as before Magistrate U/s 164 of Cr.P.C which is Exh.8266 and it has come on

record that accused no.4-Samsuddin Shaikh along with many other accused who are co-conspirators of this case and who came from different places, some from Madhya Pradesh etc attended this conspiratorial meeting wherein speeches by different accused were given. Subject of speech relates to about there being a time when Muslims were controlling entire world but then came the downfall of Muslims and to bring back Islamic regime. There is a necessity to execute jihad in Hindustan as they are against the rule of Allah. During the course of speech jihad by Osama Bin laden in Afghanistan was referred, jihad in America is also referred, Palestine as well and then they referred to riots of 2002, referring to the ideologies of different organization existing in Hindustan and how the persons of this organization murdered, males and females of Muslim community and how the government of the day also supported them along with public and therefore, they are our culprits.

16.4.15. Learned Senior Advocate for the State pointed out that the prosecution has submitted that witness hostility to it, needs to be seen in context of his educational background, his association with accused No. 75-Aalam Jeb Afridi. It would be also pertinent to examine here that he was working as medical representative in one USA based company and his work was to visit different hospitals, meet different doctors and chemists. After doing this job somewhere in 2014 he joined another multinational company named Johnsons and Johnsons and there also he worked as medical representative and there also he used to meet 10 to 12 doctors and 10 to 12 chemists every day. While considering his hostility it would be pertinent that the person of this stature had deposed during his cross- examination that he was taken by Crime Branch police on 01.08.2008 or 02.08.2008 and was kept illegally confined detained upto

01.09.2008 or 02.09.2008. if a person of this stature has a strong family background is detained for almost one month, has himself not made any complaint against police persons nor his family had made any complaint against police person is prima-facie sufficient to disbelieve him so far as his allegation in cross-examination by defence counsel about his illegal detention.

16.4.16. It is submitted that this witness has also given his statement U/s 164 of Cr.P.C on 01.09.2008 which is Exh.8266. It would also be pertinent to note here that he even gave his statement before the Magistrate on 01.09.2008. He did not complaint about his illegal detention to the Magistrate to whom he gave his statement U/s 164 of Cr.P.C.

16.4.17. It is submitted that the prosecution has examined one witness Talib Abdul Gafar, who is declared hostile and after confronting witness with his earlier statement it has come on record that witness is a SIMI worker and accused No.4-Samsuddin Shaikh as a SIMI worker had attended SIMI meetings alongwith other SIMI activists and general secretary of SIMI was accused no.12-Safdar Nagori. It has also come on record that, in one such SIMI conglomeration of 2001 in Bharuch accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh was arrested.

16.4.18. It is submitted that accused No.4-Samsuddin Shaikh is also implicated by prosecution in a SIMI material literature which was part of chargesheet and investigation material which was submitted by defence as defence relied on through Exh.9248. This literature Material Exh.9248, involves accused No.4-Samsuddin Shaikh as SIMI activist along with many other SIMI activists whose names are revealed through this Literature and are also accused of this case. It is submitted that SIMI material-literature submitted by accused persons at Exh-9248, also

reveals that accused No.4-Samsuddin Shaikh as also other accused are connected with SIMI. Moreover, the accused is a member of SIMI and connected and associated with SIMI.

16.4.19. The Court finds that PW-957/Exh.6687 Jakir Hussein Qureshi, involved accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh in a conspiratorial meeting at Dariyapur Limdi in accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh's Nana's house with the other accused No.27-Mohammad Ismail @ Abdul Rajik, accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh, deceased Mujib Sheikh, accused No.8-Yunus Mansuri, accused No.6-Mohammad Aarif S/o Mohammad Iqbal Kagzi, absconder Abdul Shubhan @Taukir (facing trial), accused No.15-Mufti Abubasar @ Abdul Rashid @ Abdulla S/o Abubakar Shaikh, accused No.37-Kayamuddin Kapadiya, where there was talk of revenge, jihad and to spread terror among the public.

16.4.20. The Court also finds that PW-1141/Exh.8191 Ayaz Shaikh-approver, involved accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh in a conspiratorial meeting at accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh's Nana's house. During this meeting, accused No.6-Mohammad Aarif S/o Mohammad Iqbal Kagzi, accused No.12-Safdar Hussain Nagori, accused No.11-Sibli @ Sabit S/o Abdul Karim Muslim, Absconder Abdul Shubhan @Taukir, accused No.37-Kayamuddin Kapadiya, accused No.15-Mufti Abubasar @ Abdul Rashid @ Abdulla S/o Abubakar Shaikh, accused No.27-Mohammad Ismail @ Abdul Rajik, accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh and other persons were present. As per witness accused No.12-Safdar Hussain Nagori, Absconder Abdul Shubhan @Taukir, accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh, accused No.6-Mohammad Aarif S/o Mohammad Iqbal Kagzi gave a speech relating to different

organizations which are doing violent activities. They addressed the need to establish Islamic rule and requirement of practical activities of jihad. According to this witness, these programmes continued for 2-3 days and during these days activities done by Taliban, Al-Qaeda, Hamas and other organizations like violent activities such as bomb blast, preparation of bomb and explosion etc were shown through devices like VCD player in videos. Moreover, as per witness, the audio in these CDs were in Arabic and in English, so accused No.6-Mohammad Aarif S/o Mohammad Iqbal Kagzi translated it in Hindi and explained it to a person who remained present in the meeting. The witness identified accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh, accused No.12-Safdar Hussain Nagori, accused No.11-Sibli @ Sabit S/o Abdul Karim Muslim, accused No.15-Mufti Abubasar @ Abdul Rashid @ Abdulla S/o Abubakar Shaikh, accused No.27-Mohammad Ismail @ Abdul Rajik, accused No.37-Kayamuddin Kapadiya and accused No.6-Mohammad Aarif S/o Mohammad Iqbal Kagzi in Court.

16.4.21. Having considered the evidence, the Court finds that for the purpose of conspiracy, one of the important circumstances is the physical presence in the meeting which took place as a part of the conspiracy. In the present case, the evidence of PW No.957-Zakirhussain Abduljabbar Kureshi establishes the presence of the appellant. Therefore, the evidence of PW No.957-Zakirhussain Abduljabbar Kureshi is a substantive evidence with regard to the meeting which took place on 20.07.2008 and this evidence can be corroborated by the evidence of an accomplice though the accomplice may have been retracted or may have been ultimately acquitted of the offense. Therefore, the Court may examine Exh.8627 which consists of a document being Yadi of forwarding the accused-Umar @ Ashok

Kalabhai to the Magistrate for recording his statement and upon necessary formality, the statement was recorded on 12.11.2008. The document also records that his statement was being recorded by free will and without any pressure from anyone. The statement under Section 164 of the Cr.P.C. indicates that on 20.07.2008 at 8:30 hours, he received phone call from Samsuddin, the present appellant to reach the house of Yakubbhai at Juhapura and therefore, upon reaching there, he found Javed, Samsuddin, the present appellant, Razikbhai, Yunusbhai and Yakubhai sitting there performing Quran-e-Dars and thereafter, the present appellant along with other persons started referring to Jihad (Jihadi vadi kari) and also mentioned about taking revenge of atrocities on Muslims, revenge for 2002 Godhra Kand and therefore, killed people. Thereafter, performed Namaz and left the house. According to the Court, this evidence Exh.8627 is sufficient to corroborate the substantial evidence of Zakir to believe the participation of the accused in the meeting which took place on 20.07.2008.

16.4.22. During panchnama Exh.5452 dated 30.03.2008, accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh pointed out the house of Yakub Memon. Panchnama proved through PW- 809/Exh.5451 Nasruddin Shaikh and I.O. PW-1070/7264. This witness in his deposition has recorded that the appellant wanted to make a disclosure by pointing out a place, where the meeting had taken place. PW No.809-Nasuruddin Ismail Shaikh vide Exh.5451 has supported the case of prosecution and in his deposition, he has stated that at time of drawing panchnama of the first part, the appellant wanted to make a declaration regarding the place where they had a meeting. This witness, thereafter, says in due course of executing panchnama following the direction of the accused they had reached the residential premises, panchnama of

which was drawn on the spot and the accused indicated exactly the place where the meeting had taken place. Through him the panchnama was exhibited. It is found that this witness had narrated the contents of the panchnama and the cross-examination does not cause any damage to the version given by this witness in his evidence in chief. Therefore, the collective perusal of the evidence, as discussed above, will go on to establish the connection of the appellant with the location and the meeting as a part of conspiracy.

16.4.23. The other point by which learned senior advocate has assailed is the recovery of mobile phone through the wife of Samsuddin (Exh.3210). Learned senior advocate submitted that the investigating officer has deliberately not carried out any investigation with regard to this phone as accused Umar in his statement under Section 164 (Exh.8627) has referred to having received phone call from the present appellant. According to learned senior advocate, the investigation of the mobile phone would have disclosed the names of the people with whom the appellant was in contact and as to whether the actually the phone call was made by the appellant to the co-accused Umar.

16.4.24. Yet another evidence against the appellant is that of approver PW No.1141-Aiyaz Razakmiyan Saiyed, who was examined vide Exh.8191. Learned senior advocate for accused has submitted that the evidence of Aiyaz may simply be discarded as the application for becoming an approver was almost after a period of 10 years and during this, he was in custody and therefore in the lure of securing a pardon, has attempted to impleaded others and the attempt of the prosecution by using this approver is to pluck the loopholes of the case of the prosecution. It is submitted that approver Aiyaz was forced to become the approver. Learned senior advocate has also submitted that there is a

variation in the version given by PW No.957-Zakirhussain Abduljabbar Kureshi and approver PW No.1141-Aiyaz Razakmiyan Saiyed with regard to the program which had taken place at the Nana's residence of the present appellant, where Aiyaz has said that the program was for a period of two to three days, whereas the version of PW No.957-Zakirhussain Abduljabbar Kureshi is that of one day, wherein the present appellant was also a party.

16.4.25. The Court having perused relevant evidence in this connection and finds that the application for becoming an approver was made on 11.03.2019 and was granted on 27.03.2019 at Exh.8056.The Court has perused Exh.8191, evidence of the approver PW No.1141-Aiyaz Razakmiyan Saiyed and in para-7 of the evidence in chief, he refers to his contact with co-accused Arif Kagzi and getting details about activities of SIMI through which he also came in touch with co-accused including the present appellant and his participation in a program/meeting which was held in Shahpur area, wherein present appellant had indulged in discourse and lectures by referring to Jihadi organizations and various countries across the world where Jihad is ongoing and therefore, Jihad has to be performed in India as well. He referred to several programs which took place between. The approver once again refers to the appellant whose presence was shown in all important meetings, which took place in the residence of Nana of the appellant and the appellant having played role in this three days program, where there was instigation for undertaking violent activities in the country to bring about Islamic rule. In the meeting, there was an instigation to conduct practical Jihad and thereafter, the group had resorted to activity of viewing video cassettes of Taliban, Al-Qaeda, Hamas and also violent activities like suicide bombing, Guerrilla

Warfare and bomb explosion. All these videos being in English and Arabic, it was the present appellant who was translating the same in Hindi and communicating. In cross-examination, in response to the question put to this witness about the rivalry in the prison with inmates especially with the present appellant, the witness has answered to the questions to the extent of the studies which were undertaken and prize money received for the completion of a particular course but has clearly denied that it had resulted in rivalry because of which, he was inspired to become the approver. With regard to the question, he was isolated in jail from other persons, the witness has deposed in his cross-examination in para-39 at Exh. 8191 that it was on account of ill-health only that he was kept in ward other than the ward in which other co-accused are kept. In the opinion of the Court, putting such questions to this witness would not challenge the credibility of the approver in this regard.

16.4.26. So far as, accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh's Nana's House conspiratorial meeting is concerned, other two witnesses Jakir and Ayaz have also given their evidence on accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh's Nana's house meeting who have deposed about presence and participation of witness Riyaz in the meeting at accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh's Nana's house of whom witness Jakir had deposed about presence of witness Riyaz at the meeting at accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh's Nana's house. In view of it, the entire evidence of witness Riyaz cannot be discarded only because he is declared hostile but considering the provision of Sub-section 2 of Section 154 of Evidence Act, introduced on 16.04.2006 needs to be invoked and whatever part of witness Riyaz is evidence needs to be examined can be examined as considering the cross-examination of this

witness by defence this witness is absolutely won over by accused, as this witness accepted each and every suggestion put to him in cross-examination. More pertinently about him also agreeing to the suggestion of defence that witness Jakir was also illegally confined as like him which witness Jakir has denied. Hence, this witness absolutely resiled over his earlier statement only because of manipulation with him and consequently won over.

16.4.27. So far as these witnesses' 164 statement is concerned, together with act of resiling the same. The Court has perused the judgment in the case of Vijya Singh and Another versus State of Uttarakhand [(2024) SCC Online SC 3510]. Relevant para of this judgment on which prosecution relied on para are 26, 27, 28 and 31 where the supreme court says "However, Section 157 of Indian Evidence Act, 1972, makes it clear that a statement U/s 164 of Cr.P.C could be used for both corroboration and contradiction. It could be used for the testimony of the other witnesses".

16.4.28. Accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh is also involved by witness Ayaz Shaikh- approver as one of the accused along with many others who attended accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh's Nana's house meeting. During the course of this meeting, as per evidence of this witness many other accused persons more particularly accused No.6-Mohammad Aarif S/o Mohammad Iqbal Kagzi, accused No.11-Sibli @ Sabit S/o Abdul Karim Muslim, accused No.12-Safdar Hussain Nagori, accused No.37-Kayamuddin Kapadiya, accused No.15-Mufti Abubasar @ Abdul Rashid @ Abdulla S/o Abubakar Shaikh, accused No.27-Mohammad Ismail @ Abdul Rajik, accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh were also present. Out of these accused, certain accused have attended

both the camps at Vagamon and Halol and some other accused have attended either of Vagamon or Halol. This witness has further deposed that, speeches made by different accused at this meeting and takrirs were made to bring Islamic regime and executing jehadi activities in India. All the participants were shown Video Cassettes which would relate to Taliban, Al-Qaeda and Hamas and how this organization are executing violent activities as like suicide bombing, gorilla attack, bomb explosion, how to prepare bombs, how to prepare explosions through demonstrating it as this Video Cassettes was in Arabi and English language accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh was translating it in Hindi and explaining same to other participants-conspirator accused. This witness has also identified accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh along with many other accused like accused No.11-Sibli @ Sabit S/o Abdul Karim Muslim, accused No.12-Safdar Hussain Nagori, accused No.15-Mufti Abubasar @ Abdul Rashid @ Abdulla S/o Abubakar Shaikh, accused No.27-Mohammad Ismail @ Abdul Rajik, accused No.37-Kayamuddin Kapadiya and accused No.6-Mohammad Aarif S/o Mohammad Iqbal Kagzi in court during deposition.

16.4.29. One another witness, Mehtab Shaikh, also involved accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh in one another SIMI meeting which took place at Limbayat, Surat in the year 2008. This meeting was also attended by another accused like, accused No.6-Mohammad Aarif S/o Mohammad Iqbal Kagzi, accused No.8-Yunus Mansuri and accused No.12-Safdar Hussain Nagori. This witness also identified accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh in court during his deposition. Considering the evidence of this witness, accused persons including accused No.4-Samsuddin @ Samsu

Shahabuddin Shaikh attended SIMI meeting though SIMI is a banned terrorist organization.

16.4.30. Accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh is also involved by accused No.2-Imran Ibrahim Shaikh in his confessional statement as accused No.14-Mohammad Sajid Mansuri called accused No.2-Imran Ibrahim Shaikh-confessor on 26.07.2008 and inquired from accused No.2-Imran Ibrahim Shaikh about accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh's telephone number which was given by accused No.2-Imran Ibrahim Shaikh, to accused No.14-Mohammad Sajid Mansuri.

16.4.31. Accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh is also involved by accused No.24-Umar @ Ashok Kalabhai Kabirain his confessional statement, when accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh attended one meeting on 20.07.2008 which was held at the place of one secret witness, Yakubbhai Memon. Accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh actively participated in this meeting as confessor very categorically stated that Shamshubhai and few other conspirators spoke on jihad. Confessor i.e. accused No.24-Umar @ Ashok Kalabhai Kabira had specified about the meaning of jihad and had explained, jihad means to take revenge for loss suffered by Muslims in 2002 Godhra riots.

16.4.32. The aforesaid discussion of evidence clearly makes out a case against accused No.4-Shamshuddin @ Shamshu, S/o Sahabuddin Shaikh who has participated in the offence from day one. The role attributed to accused No.4-Shamshuddin @ Shamshu, S/o Sahabuddin Shaikh right from conspiracy to execution, as discussed hereinabove, is sufficient to convict accused No.4-Shamshuddin @ Shamshu, S/o Sahabuddin Shaikh for the offences charged. Accordingly, the Court

hereby confirms the conviction of accused No.4-Shamshuddin @ Shamshu, S/o Sahabuddin Shaikh for the offences charged.

16.5. In case of Iqbal @ Ikrar S/o Kasambhai Shaikh (Vadodara) (A-3)

(Accused No.3 in Criminal Confirmation Case No. 2/2022 and Appellant No.3 in Criminal Appeal No. 727/2024):

16.5.1. In case of accused No.3-Iqbal @ Ikrar S/o Kasambhai Shaikh, he has been convicted for various offences by the trial Court and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.5.2. Learned Advocate Mr. Vats commenced his arguments qua accused No.3- Iqbal @ Ikrar S/o Kasambhai Shaikh on 07-12-2025 and submitted that he was arrested on 16-08-2008 along with 9 others. However, despite Arrest Memo at Exh.9198 showing arrest on 16-08-2008 at 12.15 in connection with FIR of Shahibaug, there is nothing to explain how he was in custody of crime branch. He has argued that prior to effecting arrest on 16-08-2008, he was under illegal detentions from 08-08-2008 to 15-08-2008 and by Exh.9217 at the time of submitting 1st Charge-sheet, he had alleged torture to procure confession.

16.5.3. In this connection, the Court observes Exh.9198 is the arrest memo which notes that the information of arrest has been given to the relative. The Court has also perused Exh.9217 given on 20-11-2008, where grievance is raised particularly about apprehension of using blank papers bearing signature of accused No.3-Iqbal amounting to confession and torturous behaviour to the accused for confessions. In this connection, it is firstly observed there is no confessional statement of accused No.3-Iqbal on record unlike confessional statement of co-

accused. Therefore, apprehension is falsified. Moreover, in preceding chapter, the Court has dealt with the remand application heard and ordered by the Court and accused were represented by Private Advocates where no such issue was raised and also the entire process of remand to Police custody and Judicial custody has to follow the necessary procedure including medical examination and at no stage, such an issue came to the knowledge of the concerned Court. Therefore, the Court has to presume that the actions of investigation is in accordance with law unless special instances are pointed out and established.

16.5.4. According to learned Advocate, there is no evidence pre-arrest and post arrest against the accused and the only evidence is in the nature of confessional statement of the co-accused which cannot be used as evidence. Learned Advocate took the Court through evidence of Investigating Officer Shri Chavda examined in place of Investigating Officer; Shri Toliya (since deceased) to support his arguments. It is submitted that the conviction of accused is based only on confessional statement at Exh.8619 of accused No.2-Imran and that of accused No.35-Rafiuddin at Exh.8631, otherwise there is no evidence.

16.5.5. Learned Advocate submitted that he is not an accused in Vagamon case and drew attention to Exh.9241 to submit that accused No.3-Iqbal is not in array of accused in the title.

16.5.6. Going back to the confessional statement, it is submitted that firstly, the confessional statement has been retracted and therefore, cannot be relied upon. Also, the same can be used only to lend support to the substantive evidence. Where there is no substantive evidence, simply supportive evidence is of no consequence.

16.5.7. The Court has already dealt with the issue of the confessional statement, its admissibility and its applicability in a separate chapter and

does not address here to avoid repetition, but in particular case of the accused, it will be discussed herein below.

16.5.8. Learned Advocate has then submitted that evidence of three eyewitnesses, PW No.972-Ramkabhai at Exh.6802, PW No.1067-Ambalal at Exh.7231 and PW No.981- Pravinbhai at Exh.6835 cannot be considered as reliable witnesses, as their presence at the site of Terror camp is not explained and they are chance witnesses raising suspicion about being genuine witness.

16.5.9. Learned Advocate has thereafter submitted about the inconsistencies in their identification of accused No.3-Iqbal.

16.5.10. Learned Advocate has submitted that evidence of Munjavar does not help the prosecution so far as the accused No.3-Iqbal is concerned, as he has not named him in his deposition though he is the best witness to the fact of Terror camp at Halol.

16.5.11. Learned Advocate has then assailed the evidence of Approver PW No.1141-Aiyaz at Exh.8191 submitting and adopting arguments of Shri Yug Chaudhary for challenging the evidence of 'approver' as no evidence in the eyes of law.

16.5.12. He also argued the discrepancy in the case of prosecution with regards to the incidents of handing over of the explosive bombs to the accused. It is submitted that accused No.27-Abdul Rajik went to Al-Mohmadi Society on two occasions; first to take money and then to collect Bombs (Exh.5622) and then he had collected three bombs of which two bombs were given to Aiyaz and therefore, there is no mention of accused No.3-Iqbal and as per evidence of Approver PW No.1141-Aiyaz at Exh.8191, he had collected two bombs from Rajik where one is placed by Rajik himself and two bombs by Aiyaz at a Tea Stall and a Bus. Whereas case of prosecution against accused No.3-Iqbal is on the

basis of Exh.6311 that he received a cycle and two bombs from Rajik at near Sheetal Cinema but when Rajik has taken three bombs of which he himself placed one Bomb and two bombs by Aiyaz, there is no question of giving of two bombs and cycle to the accused No.3-Iqbal. Therefore, there is inconsistency.

16.5.13. Learned Advocate has then assailed the evidence of other eyewitness PW No.1115 and PW No.1117 due to their inability to identify in the Court. Moreover, the Investigating Officer have not explained how their names surfaced as witnesses in the present cases. Therefore, the witnesses are created witnesses by the prosecution. Moreover, these witnesses have not deposed that the accused No.3-Iqbal was in Ahmedabad on the day of the blast.

16.5.14. Learned Advocate has submitted that PW No.1131-Rafik Baba may have deposed against accused No.3-Iqbal but his evidence cannot be considered, as he was not available for cross examination.

16.5.15. It is submitted that there is no evidence that accused is member of SIMI as the only evidence on record is Exh.9248 which has come on record vide Application at Exh.9176 and that through accused No.68-Mohammad Habib @ Habib Falahi @ Mohammad Taiyab S/o Abuljais Shaikh, which was a part of charge-sheet provided to accused No.68, but such documentary evidence cannot be treated as evidence at all.

16.5.16. As against this, the State through, learned Additional Advocate General for the State has relied upon the evidence of conspiracy which link the accused No.3-Iqbal with other accused. It is submitted that accused No.3-Iqbal is involved by accused No.2-Imran Ibrahim Shaikh in his Confessional Statement Exh-8619 u/s. 164 of Cr.P.C. As per accused No.2-Imrab Ibrahim Shaikh, accused No.3-Iqbal

attended Halol Training Camp. It is submitted that accused No.3-Iqbal is involved by accused No.35-Rafiuddin in his Confessional Statement Exh-8631 u/s. 164 of Cr.P.C. As per accused No.35-Rafiuddin, accused No.3-Iqbal attended Halol Training Camp. Moreover, accused No.35-Rafiuddin pointed out Halol Camp place during Panchnama Exh-6443. This pointing out panchnama was proved through PW- 900/ Exh.6442 and I.O. PW-1089/Exh.7626.

16.5.17. It is submitted that PW-356/Exh.2055 Dinesh Thakor panch of scene of offence, i.e. place Kuldevi Tea Stall, Thakkarnagar, for which panchnama is drawn vide Exh.2056 dated 27.07.2008. It is submitted that PW-348/Exh.1900 Intekhab is a panch of panchnama of scene of offence as well as damaged bus in which bomb exploded. Panchnama is Exh.1901 dated 26.07.2008.

16.5.18. It is submitted that accused is member of SIMI and connected/associates with SIMI. It is submitted that the accused is one of the conspirators along with many others as he is involved by accused No.2-Imran Ibrahim Shaikh as well as accused No.35-Rafiuddin in his confessional statement as referred here in above. As per these two confessional statements, accused No.3-Iqbal attended Halol terror training camp and was also given dummy name. This camp was attended by lot many other co-conspirators and this terror training camp is required to seen in sequel to the conspiracy which was hatched before December 2007. So far as fountain head of conspiracy is concerned which was held and conducted at Vagamon in Kerala the activities imparted at this camp and activities imparted in Halol camp were same.

16.5.19. It is submitted that these witnesses have involved self in the act of conspiracy along with accused No.3-Iqbal and other accused are at par with accused and they should be arraigned as accused, and

investigator has not arraigned them as an accused but their evidence is required to be seen as evidence of an accomplice. Prosecution have submitted that statement of these witnesses are also recorded U/s 164 of Cr.P.C and they have not resiled from the statement which they gave to Judicial Magistrate. Prosecution also submitted that, in the matter of this kind i.e. in a matter where accused persons have successfully achieved their ultimate object of hatching conspiracy by striking terror and destruction which took lives of 56 innocent persons and lot many other injured victims, witnesses would be reluctant to participate and engage in investigation as they would fearsome about potential threat to them as well as their family member. Considering all this aspect together with judgment of Supreme Court in the matter of ***Chandran versus State of Kerala reported in (2011) 5 SCC 161***, where a witness who was deeply involved in the commission of crime and the defence submitted that investigator should have arraigned him as an accused or that he should have been arraigned as an accused invoking provision of Section 319 of Cr.P.C and this evidence needs to be discarded. Against this submission of defence, Supreme Court found that it is true that witness is deeply involved in the crime but it is not necessary that the evidence of this witness is required to kept out of consideration at the most, such witnesses deeply involved in crime can be treated as an accomplice and in appreciating evidence of accomplice the standard of appreciation has been decided by settled law that there should be material corroboration should be examined. In view of it, above referred three prosecution witnesses have not involved themselves in the crime committed by accused persons and therefore prosecution has stated that these witnesses are not accomplice but at the most these witnesses could be termed as witnesses who were fearsome, worried and frightened about

them as well as their family and therefore, they honestly deposed to the facts known to them and doing it would not be sufficient to treat them as an accomplice . Hence, evidence of these 3 witnesses needs to be appreciated against accused No.3-Iqbal and all other in that context.

16.5.20. Considering the submission from both the sides, the Court finds that accused No.3-Iqbal is involved by PW-1115/Exh.8002 Mohd. Umar Mansuri as well as PW-1117/Exh.8019 Asif Usmanbhai Shaikh and PW- 1131/Exh.8118 Mohd. Rafik. All these three witnesses are from Vadodara from where accused No.3-Iqbal belongs. As per evidence of PW- 1115/Exh.8002 Mohd. Umar Mansuri, he knew accused no.3-Iqbal besides accused no.37-Kayamuddin Kapadiya, accused No.2-Imran Ibrahim Shaikh and accused No.7-Mohammad Usman Agarbattiwala. As per evidence of PW-1117/Exh.8019 Asif Usmanbhai Shaikh and PW-1131/Exh.8118 Mohd. Rafik @ Baba, it clearly reveals that, accused no.3-Iqbal was part of conspiratorial meeting in which other accused no.37-Kayamuddin Kapadiya also participated and during the course of meeting they discussed about taking of revenge for the loss suffered by the Muslims in Gujarat riots, undertaking surveillance (recce) of deciding the places suitable for striking blast, places of blast were from Ahmedabad, Vadodara and Surat, for the purpose of exploding blast requirement of cycle, scooty etc. These two witnesses state about, they having receiving parcel from accused no.3-Iqbal which they delivered to accused No.37-Kayamuddin Kapadiya.

16.5.21. The Court also finds that accused no.3-Iqbal through panchnama dated 08.12.2008 Exh.6311, pointed out different places which would include a place called Sheetal cinema road where he received cycle loaded with bomb, another place called Kuldevi tea stall where he planted cycle loaded with bomb as well as a place called Soni

ni chali, Odhav from where he boarded AMTS bus with bag loaded with bomb which ultimately exploded at a place called Sarkhej.

16.5.22. It also appears that during panchnama Exh.6311, dated 08.12.2008, accused no.3-Iqbal pointed out the place i.e., Sheetal cinema road, near footpath and banyan tree from where he received cycle loaded with bomb from another accused. Thereafter, he pointed out the place i.e Opp. Ashapura pan parlour, near Kuldevi tea stall and pan house where he planted cycle loaded with bomb. Moreover, during this panchnama, accused pointed out the place near Odhav, Soni ni chali cross road, from where he boarded AMTS bus with bag loaded with bomb going to Sarkhej and that bomb ultimately had exploded. Exh.6311 is the pointing out panchnama proved by the prosecution by examining PW No.883, Exh.6310, Kuvarji Meruji Thakor who has deposed that what he was summoned as Panch, accused no.3-Iqbal was in custody. Accused no.3-Iqbal gave his name and made a voluntary disclosure to identify the locations where he had planted the bombs. It is deposed that the team was led by Investigating Officer as per the directions given by accused no.3-Iqbal and stopped at a place adjacent to a tea stall and identified the spot. The spot deposed by this witness and recorded in the panchnama at Exh.6311 conincided with the scene of offence panchnama at Exh.2056. The panchnama at Exh.2056 is dated 27-07-2008 whereas the panchnama at Exh.6311 is dated 08-12-2008. P.W. No.883 continued to depose that accused no.3-Iqbal thereafter guided the Police party to another place where the 2nd bomb was planted in the bus. Accused no.3-Iqbal took the party near Soni ni Chali to the spot where he boarded the bus with the bomb and also took the party to the place from where he deboarded the bus, while the bus proceeded for its onward journey. The details mentioned in the panchnama at Exh.6311 if compared with the

independent panchnama drawn on 26-07-2008 at Exh.1900, the same would match. Therefore, the reading of these panchnama establishes the knowledge of the accused and the fact that the accused had special knowledge of this fact wherein he pointed out in the panchnama which matched with the panchnama executed earlier and independent of this panchnama.

16.5.23. PW-1115/Exh.8002 Mohd. Umar Mansuri knows Kayamuddin Kapadia accused No.37-Kayamuddin Kapadia, accused No.2-Imran Sheikh, accused No.7-Usman Anis Agabattriwala. They were childhood friends. Moreover, he has stated that with accused No.37-Kayamuddin Kapadiya, accused No.3-Iqbal who were residents of Yakutpura, played cricket together. He involved Kayamuddin for recce as well as talk on committing blast. The evidence of this witness is already discussed in detail, however, for accused No.3-Iqbal, the witness has deposed that along with Kayamuddin, this accused was also involved in SIMI activities.

16.5.24. PW-1117/Exh.8019 Asif Usmanbhai Shaikh, knows accused No.3-Iqbal before one year of blast. The witness met accused no.37-Kayamuddin Kapadiya through accused No.3-Iqbal. The witness involved accused No.3-Iqbal in conspiratorial meetings held at Vadodara. Accused No.3-Iqbal talks about atrocities committed and caused on Muslims as also to take revenge for it. Accused No.3-Iqbal talked to this witness to strike blast in Ahmedabad and asked from this witness papers of Wagon R car. accused No.3-Iqbal searched places for committing blast. Also needs cycle and scooty for the purpose of blast at Ahmedabad. This witness gave evidence for recce by accused No.3-Iqbal. delivered to accused no.37-Kayamuddin Kapadiya. The witness identified accused No.3-Iqbal and accused no.37-Kayamuddin Kapadiya.

16.5.25. PW-1131/8118 Mohd. Rafik @ Baba, knew accused No.3-Iqbal. The Court may rely on Section 164 statement of this witness, as this witness was not available for cross examination. Before three-four months of blast accused No.3-Iqbal called witness and stated that lot of atrocities had been committed against Muslims and for that they have to take revenge. Moreover, accused No.3-Iqbal stated that, they are going to explode blast in Ahmedabad, Vadodara and Surat. Accused No.3-Iqbal gave money to Asif for purchase of new phone and told witness to arrange for cycle and scooter. Witness gave evidence regarding conspiratorial meeting in which accused No.3-Iqbal and accused no.37-Kayamuddin Kapadiya were present and accused No.3-Iqbal and accused no.37-Kayamuddin Kapadiya started talking about riots of 2002 of Gujarat, atrocities on Muslims and to take revenge for it. Moreover, accused no.37-Kayamuddin Kapadiya asked for support and told that his men are to carry out blast at Ahmedabad, Vadodara and Surat. Moreover, accused No.3-Iqbal carried out recce at different places. Witness stated that, accused No.3-Iqbal gave one parcel to Asif and one parcel to him which he and Asif delivered to accused no.37-Kayamuddin Kapadiya at Ahmedabad. At that time, accused no.37-Kayamuddin Kapadiya talked about revenge and carry out blast. All the aforesaid witnesses have also given a statement under Section 164 of Cr.P.C. which are exhibited and in the chapter on eyewitnesses.

16.5.26. In view of the aforesaid discussion and the evidence led against accused No.3-Iqbal @ Ikara, S/o Kasambhai Shaikh being sufficient to implicate the accused for the offence charged with, the role

of the accused as discussed hereinabove and the evidence in support of such role, is sufficient to convict accused No.3- Iqbal @ Ikara, S/o Kasambhai Shaikh. In view of the aforesaid, conviction of accused No.3- Iqbal @ Ikara, S/o Kasambhai Shaikh for the offences charged with is hereby confirmed.

16.6. In case of Mohammad Aarif Mohammad Iqbal Kagzi (Ahmedabad) (A-6)

(Accused No.6 in Criminal Confirmation Case No. 2/2022 and Appellant No.3 in Criminal Appeal No. 1710/2022):

16.6.1. In case of accused No.6-Mohammad Aarif Mohammad Iqbal Kagzi, he has been convicted for various offences by the trial Court and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.6.2. Learned Senior Advocate Mr. Mihir Desai has thereafter made submissions for accused no.6-Mohammad Aarif Mohammad Iqbal Kagzi, who was arrested on 16-08-2006 and was sent in judicial custody on 09-02-2009. Learned Senior Advocate has submitted that the role attributed to this accused no.6-Mohammad Aarif Mohammad Iqbal Kagzi is that he has remained present at all the stages of conspiracy. However, with regard to conspiracy, which begun and alleged terror camp at Vagamon, present appellant was made an accused at this stage in the trial before the Ernakulam Court in connection with the Terror camp at Vagamon and he was arraigned as accused No.19.

16.6.3. Learned Senior Advocate has drawn our attention to Exh.9421; the judgment rendered by Ernakulam Court, wherein accused no.6-Mohammad Aarif Mohammad Iqbal Kagzi has been acquitted. According to learned Senior Advocate, acquittal is based on the benefit

of doubt on the ground that only one of the eyewitness had identified accused no.6-Mohammad Aarif Mohammad Iqbal Kagzi to be part of Vagamon Terror camp.

16.6.4. Learned Senior Advocate has thereafter submitted that in so far as the role of accused no.6-Mohammad Aarif Mohammad Iqbal Kagzi in Halol Terror camp, the prosecution has relied upon the evidence of confessional statement of accused No.2-Imran Ibrahim Shaikh at Exh.8619. Learned Senior Advocate has submitted that evidence of accused No.2-Imran Ibrahim Shaikh cannot be treated to be an independent evidence of witness considering the fact that he himself was part of the camp.

16.6.5. Evidence of accused No.2-Imran Ibrahim Shaikh at Exh.8619 shows that this accused no.6-Mohammad Aarif Mohammad Iqbal Kagzi was present in the camp and was given code name.

16.6.6. Learned Senior Advocate has thereafter assailed evidence of eyewitness, whose deposition is recorded vide Exh.3061 by submitting that these witnesses are chance witnesses. Moreover, the witnesses have not attributed any role. These witnesses also cannot be relied upon, as they cannot be treated as witness in true sense, because it was the Police, who had approached them by inquiring, whether they had witnessed any activities in the forest area, to which the witnesses have given their statements. It is submitted that though Test Identification Parade was undertaken and, in the process, accused no.6-Mohammad Aarif Mohammad Iqbal Kagzi was identified, but such identification cannot be considered in view of the fact that this witness at the initial stage, had failed to give any description of the accused no.6-Mohammad Aarif Mohammad Iqbal Kagzi. Moreover, Test Identification Parade was undertaken on 30-08-2008, whereas this witness had seen accused no.6-

Mohammad Aarif Mohammad Iqbal Kagzi as a part of the group in the month of January 2008.

16.6.7. With regard to yet another witness, Pravinbhai Katariya at Exh.6835, it is again submitted that this witness is not reliable as he can be termed as chance witness and in fact, during the course of his deposition, he is unable to identify present accused no.6-Mohammad Aarif Mohammad Iqbal Kagzi and therefore, learned Senior Advocate has taken this Court to Para-11 of evidence of this witness. Similarly, PW No.1067- Ambalal Bariya, yet another eyewitness at Exh.7231 is also required to be discarded, as there is no dock identification parade.

16.6.8. In so far as allegations of meeting at Surat is concerned, the prosecution has relied upon PW No.1097- Mehtab Ibrahim Shaikh at Exh.7767. Learned Senior Advocate has submitted that submissions made for Surat meeting in connection with accused No.4-Samsuddin @ Samsu Shahabuddin Shaikh are identical for the present accused no.6-Mohammad Aarif Mohammad Iqbal Kagzi also and therefore, only evidence of PW No.1097- Mehtab Ibrahim Shaikh at Exh.7767 even if taken into consideration, then deposition refers to meeting where only religious discourse had taken place, but there was no discussion with regard to carry out of any terror attack.

16.6.9. The Court finds that evidence of PW No.1097- Mehtab Ibrahim Shaikh at Exh.7767 not only establishes presence of accused no.6-Mohammad Aarif Mohammad Iqbal Kagzi in the meeting but also establishes association of accused no.6-Mohammad Aarif Mohammad Iqbal Kagzi with other accused persons.

16.6.10. For the presence of accused no.6-Mohammad Aarif Mohammad Iqbal Kagzi in Ahmedabad meeting, the prosecution has relied upon evidence of PW No.957-Zakirhussain Abduljabbar Kureshi

at Exh.6687, wherein in Para-4, his presence is shown in the meeting. According to learned Senior Advocate, presence in one meeting out of alleged 10 meetings of accused persons, is not sufficient to make accused no.6-Mohammad Aarif Mohammad Iqbal Kagzi a part of the conspiracy.

16.6.11. According to learned Senior Advocate, evidence of approver PW No.1141-Aiyaz Razakmiyan Saiyed at Exh.8191 cannot be accepted without any corroboration. According to learned Senior Advocate, this witness could not believed, as in his own deposition, this witness has admitted to being beaten in the custody to give such evidence.

16.6.12. The Court is of the opinion that in so far as role of the present accused no.6-Mohammad Aarif Mohammad Iqbal Kagzi is concerned, this witness has elaborated upon how he came across this accused and how this accused initiated approver PW No.1141-Aiyaz Razakmiyan Saiyed at Exh.8191 into activities of 'SIMI'. This witness has also deposed about participation of the accused in the meeting at Shamsuddin's Nana's place and that he has participated in discourse and instigation.

16.6.13. Learned Senior Advocate has argued that prosecution has shown PW No.957-Zakirhussain Abduljabbar Kureshi at Exh.6687 as a witness, though he ought to have been treated as accomplice, evidence of the prosecution itself shows that this witness has remained present in the meeting, which is also attributed to present appellant and therefore, if PW No.957-Zakirhussain Abduljabbar Kureshi is not treated to be accused, present accused no.6-Mohammad Aarif Mohammad Iqbal Kagzi also deserves the benefit.

16.6.14. The prosecution has relied upon confessional statement of accused No.2-Imran Ibrahim Shaikh, accused No.21-Mehandihasan @

Vikki S/o Abdul Habib Ansari and accused No.35-Rafiuddin Kapadiya for establishing that accused No.6-Mohammad Arif Kagzi of Ahmedabad, attended Vagamon terror training camp and Halol terror Training camp.

16.6.15. The Court finds that so far as confessional statement of accused No.2-Imran Ibrahim Shaikh is concerned, accused No.6-Mohammad Arif Kagzi attended Vagamon as well as Halol Terror Training camp. So far as participation of accused No.6-Mohammad Arif Kagzi in Vagamon camp is concerned, it is established that he was given a dummy name of Abdul Haziz. There is one more aspect with regard to accused No.6-Mohammad Arif Kagzi having attended this camp as he was arraigned as one of the accused in Kerala Session's Court proceeding in which he was arraigned as A-19. Accused No.2-Imran Ibrahim Shaikh has also involved accused No.6-Mohammad Arif Kagzi as one of the participants-co-conspirators as accused No.6-Mohammad Arif Kagzi also attended Halol Terror Training Camp. As per the statement of accused No.2-Imran Ibrahim Shaikh in this camp accused No.6-Mohammad Arif Kagzi was given a dummy name of Shabbir.

16.6.16. The Court finds that accused No.6-Mohammad Arif Kagzi is also involved by accused No.21-Mehandihasan @ Vikki S/o Abdul Habib Ansari, who is from Rajasthan, in his confessional statement as a person who participated in Halol Terror training camp. Accused No.21-Mehandihasan further states that during this meeting accused No.6-Mohammad Arif Kagzi who was given dummy name of Shabbir and he had done Takrir and exhorted that, doing Jihad is the duty bestowed under Islam and because of persons who have failed to perform such duty, they were in a situation which had made them victim of atrocities committed on them and also because of it in the year 2002, they suffered

human loss in Gujarat riots, but now they are prepared to take revenge for the loss suffered by them and they have to discharge their duty to achieve their ultimate object. It is submitted that accused No.6-Mohammad Arif Kagzi is also involved by accused No.21-Mehandihasan in his confessional statement, as one of the participants from Ahmedabad in Halol Terror Training camps amongst many other who participated this camp.

16.6.17. It also appears that accused No.35-Rafiuddin Kapadiya also gave his confessional statement before Metropolitan Magistrate and involves accused No.6-Mohammad Arif Kagzi as one of the participants-conspirator who attended Halol Terror Training Camp. Accused No.35-Rafiuddin Kapadiya also involves accused No.2-Imran Ibrahim Shaikh as conspirator from Ahmedabad who attended Halol Terror Training Camp and accused No.21-Mehandihasan of Rajasthan who attended Halol Terror Training Camp. Accused No.35-Rafiuddin Kapadiya also pointed out the place of Halol Terror Training Camp, which is established by the evidence of panch witness as well as evidence of Investigating Officer.

16.6.18. So far as this confessional statement of accused No.35-Rafiuddin Kapadiya is concerned, Sessions Judge has found that as this statement is recorded after administering oath and as it is prohibitory statement, it should be kept out of consideration against which prosecution has submitted that considering the provision of Section 164 together with the provision of Section 281 of Cr.P.C, when such statement is recorded by Metropolitan Magistrate, the prohibition imposed of not permitting administering oath would not be applicable when such statement is recorded by Metropolitan Magistrate. In this regard, learned Additional Advocate General relied upon judgment of

the Apex Court in case of ***Brathi Alias Sukhdev Singh Versus State Of Punjab, reported in (1991) 1 SCC 519*** in which in para-8 Supreme Court while discussing about evidence put by prosecution against two different accused of whom one got acquitted against whom no appeal was preferred and other accused who on the same set of evidence was found convicted, considering the provision of Section 386(1)(b) of Cr.P.C discussed powers of Appellate court to re-appreciate evidence led by the prosecution and while considering the same in para-8 it observed as under:

> "8 *In the matter of appreciation of the evidence the powers of the appellate court are as wide as that of the trial court. It has full power to review the whole evidence. It is entitled to go into the entire evidence and all relevant circumstances to arrive at its own conclusion about the guilt or innocence of the accused. In Sunder Singh's case (AIR 1962 SC 1211) (supra), this Court has held that the provisions of sec. 423(1)(a) do not create a bar against the appellate court considering indirectly and incidentally a case against the person who was acquitted, if that becomes necessary when dealing with the case in the appeal presented on behalf of the other accused who are convicted. In considering the evidence as a whole, the appellate court may come to the conclusion that the evidence against the person acquitted was also good and need not have been discarded. When several persons are alleged to have committed an offence in furtherance of the common intention and all except one are acquitted, it is open to the appellate court to find out on a reappraisal of the evidence that some of the accused persons have been wrongly acquitted, although it could not interfere with such acquittal in the absence of an appeal by the State Government. The effect of such a finding-is not to reverse the order of acquittal into one of conviction or visit the acquitted person with criminal liability. The finding is relevant only in*

invoking against the convicted person his constructive criminality."

16.6.19. Learned Additional Advocate General also relied upon judgment of the Apex Court in case of ***Harshadsingh V/s. State of Gujarat, reported in AIR 1977 SC 710***, wherein it is observed that 'if some out of several accused are acquitted but the participating presence of a plurality of assailants is proved, the conjoined culpability of the crime is inescapable.' In view of the aforesaid Judgment, it appears that on conjoint reading of Section 164 and Section 281 of Cr.P.C, when the recording Judicial Officer of confessional statement of accused U/s 164 is Metropolitan Magistrate, then prohibition of not administering oath is lifted and would remain inapplicable hence, though the Sessions Judge has kept out of consideration contains of statement of accused No.35-Rafiuddin Kapadiya, but the same needs to be considered in favour of prosecution in the facts and circumstance of the present case as well as relying upon scheme of the Cr.P.C together with the statement of law enunciated in the cited judgment of ***Barathi (supra)***.

16.6.20. It also clearly appears that the three witnesses, viz. Ramkabhai Kesariya, Pravinbhai and Ambalal Bariya are natural witnesses to Halol camp. When accused No.6-Mohammad Arif Kagzi was subjected to Test Identification Parade before these three witnesses, accused No.6-Mohammad Arif Kagzi was successfully identified by all the three witnesses before Executive Magistrate and the Test Identification Report of Executive Magistrate for such identification is also proved by prosecution by examining Executive Magistrate who had testified that at the time of drawing identification report, accused No.6-Mohammad Arif Kagzi was mixed with many dummy persons and when these witnesses were called upon to identify accused No.6-Mohammad

Arif Kagzi amongst other dummy persons, this witnesses successfully and rightly identified accused No.6-Mohammad Arif Kagzi by holding his hand and drawing him out from the line of different persons and on doing it Executive Magistrate asked the name of the person who was drawn out by all the three witnesses by holding his hand and the person on asking about his name by Executive Magistrate answered that he is accused No.6-Mohammad Arif Kagzi. This Test identification report would also be admissible U/s 291/A of Cr.P.C which is introduced in the year 2006. These three witnesses though have identified successfully accused No.6-Mohammad Arif Kagzi before Executive Magistrate but have failed to identify accused No.6-Mohammad Arif Kagzi when they were examined as prosecution witnesses on the ground of lapse of time, i.e. the time when they examined accused No.6-Mohammad Arif Kagzi during Test Identification Parade and years after when they came to depose before the court. Another reason given by these witnesses for them having unable to identify accused No.6-Mohammad Arif Kagzi also relates to differential look of accused firstly when actually witnesses identified accused No.6-Mohammad Arif Kagzi in Test Identification Parade and secondly at the time of deposition as accused persons including accused No.6-Mohammad Arif Kagzi have grown thick beard, moustaches, eye-brows and wearing cap, apart of changes in body.

16.6.21. The Court also finds that accused No.6-Mohammad Arif Kagzi is also involved by Jakir Hussein. This witness clearly implicates that the conspiratorial meeting which took place in March 2008 at the place of accused No.4-Samsuddin Shaikh's Nana's House which was attended by many accused belonging to Gujarat and even from other states, the same was attended by accused No.6-Mohammad Arif Kagzi.

This conspiratorial meeting assumes importance and significance as the conspirators present in the meeting very clearly, candidly exhorted and declared about striking terror in the public for the loss suffered by Muslims in 2002 and also to bring Islamic rule as the then Government was against the Muslims. It was declared in this meeting about doing Jihad and that SIMI has become very strong and presence of SIMI and their activists being spread across the country and therefore, together they would do Jihad against anti-Muslim Government. This witness-Jakir has identified accused No.6-Mohammad Arif Kagzi during the course of his deposition i.e. Dock Identification.

16.6.22. The Court finds that witness, while involving accused No.6-Mohammad Arif Kagzi in the meeting at accused No.4-Samsuddin Shaikh's Nana's house, has also involved a person named Riyaz. Prosecution has examined this person Riyaz PW No.1151-Riyazhussain Mohammadhussain Siddiqui vide Exh.8265, who has not supported the case of prosecution and hence he is declared hostile but this witness Riyaz had also gave his statement U/s 164 of Cr.P.C and on confrontation of witness Riyaz by prosecution against his earlier statement including 164 statement, it has come on record that meeting did took place at Dariyapur, Shamsuddin’s house. If this evidence is read together with statement of Riyaz U/s 164 which is Exh. 8266, it would be clear that the meeting which is referred in the evidence is the meeting which has been held at accused No.4-Samshuddin's Nana's house.

16.6.23. One more aspect about the evidence of Jakir which totally absolves him from any act committed by his friend accused No.27-Mohammad Ismail @ Abdul Rajik @ Musaf @ Furkan S/o Mohammad Isaak Mansuri and all other conspirators is that on 20.07.2008, accused No.27-Abdul Rajik visited witness Jakir and conveyed to him that he has

changed his mobile number and he needs one old sim-card for his father's use, which was given by Jakir to accused No.27-Abdul Rajik. Thereafter, on 23.07.2008 witness Jakir called accused No.27-Abdul Rajik, on the number of old Sim-card but accused No.27-Abdul Rajik did not talk with Jakir and said that he is busy in work. On the same day, witness Jakir visits accused No.27-Abdul Rajik's home but accused No.27-Abdul Rajik was not available. On the other day on 24.07.2008, accused No.27-Abdul Rajik called witness Jakir and said that he was busy in work and accused No.27-Abdul Rajik also conveyed witness Jakir about some repairing work to be done at accused No.27-Abdul Rajik's home. Hence, on the same day evening witness Jakir visited home of accused No.27-Abdul Rajik, and mother of accused No.27-Abdul Rajik was present and from inquiry by witness about accused No.27-Abdul Rajik, mother of accused No.27-Abdul Rajik informed witness Jakir that Accused No.27-Abdul Rajik is not staying in the house and lot many calls are coming for him. This witness examined the work of repairing and left the house of accused No.27-Abdul Rajik. On 25.07.2008, witness went for repairing at the house of accused No.27-Abdul Rajik and repaired the door. After the repairing work was finished accused No.27-Abdul Rajik came. On the same day night, accused No.27-Abdul Rajik took witness to Limdi Dariyapur where other two accused No.8-Yunus S/o Mohammad Mansuri and accused No.4-Samsuddin Shaikh were present and here also they started talking amongst them, keeping distance from witness Jakir. Considering all this sequence of events, along with other sequence of events, it clearly establishes that witness Jakir cannot be treated as an accomplice as submitted by defence.

16.6.24. The Court finds that accused No.6-Mohammad Arif Kagzi is

also involved by witness named Mehtab Shaikh, and that this witness has also involved accused No.4-Samsuddin Shaikh for the same set of facts.

16.6.25. The Court finds that Accused no.6 is also implicated by prosecution in a SIMI material literature which was part of chargesheet and investigation material which was submitted by defence as defence relied on it through Exh.9248. This literature Material Exh.9248 involves accused No.6-Mohammad Arif Kagzi as SIMI activist alongwith many other SIMI activists whose names are revealed through this literature and are also accused of this case. On bare reading of this literature, it is established that accused No.6-Mohammad Arif Kagzi was the President of SIMI Gujarat Zone.

16.6.26. The Court finds that accused No.6-Mohammad Arif Kagzi is also involved by Aiyaz Shaikh-approver in different conspiratorial meetings as well as SIMI activities. This witness has stated that when he was visiting one building situated in Shahpur, he saw signature board of SIMI and upon visiting that place, he came to know that this is the office of SIMI. The said office was occupied by accused No.6-Mohammad Arif Kagzi and through him, the witness gathered about activities of SIMI and came to know that it was an association of young Muslim persons and was working to take revenge on the atrocities committed on Muslims. On further inquiry, this witness came to know from accused No.6-Mohammad Arif Kagzi about reconstruction of demolished Babri Masjid and to cultivate jihadi activities in Muslims for which SIMI is working. Accused No.6-Mohammad Arif Kagzi also informed about witness being told to visit the office regularly and also learnt from accused No.6-Mohammad Arif Kagzi about persons coming to the office of SIMI are members of SIMI and they all discussed about jihad and

Islamic regime.

16.6.27. Upon perusing the evidence of this witness, it also appears that this witness was told that somewhere in 2001, there was a likelihood of imposing ban on SIMI and its activities and therefore witness was told to not come to the office and hence witness stopped going to this place i.e. office of SIMI. In para-4 of the evidence, witness states about Government of India imposing ban on SIMI. This witness stated that he came to know about illegal meetings etc. of SIMI activist at Surat from the newspaper. The witness also states about meeting with accused No.6-Mohammad Arif Kagzi and his role in such meeting at Surat. This witness has also stated that somewhere in 2005, witness spotted accused No.6-Mohammad Arif Kagzi in one shop situated somewhere in Shahpur chakla, and he gathered information from accused No.6-Mohammad Arif Kagzi that as SIMI is banned, activities of SIMI were conducted secretly by the SIMI activists at different places either at the house of SIMI activist, shop, factory etc. and that the nature of activities remained the same. This witness states about such activities of SIMI being continued secretly between 2005 and 2008. This witness emphasized about role played by accused No.6-Mohammad Arif Kagzi as well as accused No.4- Samsuddin during such meeting. The witness also emphasized about such meeting being conducted in the houses of Ibrahim, Alim, Yakubbhai (secret witnesses). This witness has also stated about meeting of 2008 which happened at the house of accused No.4-Samsuddin Nana at Dariyapur and attended by lot many SIMI activists from Gujarat and outside Gujarat including accused No.6-Mohammad Arif Kagzi. Witness also elaborated about participation of accused No.6-Mohammad Arif Kagzi in this meeting, where he gave speech on violent activities being done across the world by them and for

establishing Islamic regime. Witness also elaborated about during this course of meeting at accused No.4-Samsuddin Nana's house, the VCD player was being played and all persons present there saw video cassette which would relate to Taliban, Al-Qaeda, Humas and other such associations to know how such associations are conducting violent activities like suicide bombing, gorilla attack, explosion of bomb as well as how to prepare bomb by demonstrating the same. This VCD was in Arabic and English languages which was explained by accused No.4-Samsuddin Shaikh in Hindi. He also deposed that after this meeting, he read a newspaper that some SIMI activists were arrested from Indore, Madhya Pradesh. On hearing this news, the witness contacted accused No.6-Mohammad Arif Kagzi and through accused No.6-Mohammad Arif Kagzi, the witness learnt about arrest of SIMI activist in Indore, Madhya Pradesh, where there is presence of another conspirator, viz. Safdar Nagori and they were preparing for practical activity and therefore, upon their arrest, it was decided that for some time they should not meet each other. Witness has also elaborated further in his evidence about different activities done by other SIMI activist-conspirators at different time and place and his own participation in the act of bomb blast which happened on 26.07.2008. This witness originally, was an accused and later, he turned approver, and upon examination of his evidence, it clearly appears that his statement of approver given by him is fully supported by his evidence.

16.6.28. Learned Advocate for accused No.6 has submitted about mala-fides of this original accused turning approver by alleging that he was prompted, lured etc. for turning approver through Head Constable Gopal Sharma, who was planted by Crime Branch Police inside the jail who manipulated and because of his manipulation Ayaz turned approver.

The defence though have alleged about such manipulation at the behest of Head Constable Gopal Sharma not substantiated, in any way firstly as approver Ayaz as outrightly denied about such manipulation and secondly accepted alleging about manipulation, the defence is unable to substantiate that allegation in any way whatsoever either in cross-examination or through any other material and hence allegation about planting of Head Constable Gopal Sharma appears to be a ghost story.

16.6.29. The Court also finds that witness Ayaz during the course of his cross-examination in para-33 deposes that so far as his statement of approver is concerned, he discussed about it with other accused name Jahid Shaikh, Kayamuddin and Mohd. Ismail. He discussed with them prior to one month from giving of statement of approver. In para-60 of the cross-examination, witness reiterated that he voluntarily decided to give approver's statement and it was out of repentance.

16.6.30. It appears that in para-63 of the cross-examination, when witness was confronted with his visit at SIMI office Shahpur, witness replied that he had seen the pamphlets of SIMI and he does not know about and on further questioned, he said that he was not aware about police having collected such pamphlets. Considering the same, police as such has collected SIMI literature which is actually in the form of pamphlets and is also a part of chargesheet and the same was placed on record by defence and the same is an exhibited document vide Exh.9248. Thereafter, the defence attempted to withdraw such document from the record as they prayed for de-exhibiting it, but fact remains that it is very much on record which implicates many accused of the present case. Defence has also confronted on the same in para 66 of cross-examination. Witness is confronted further in para-66 about speeches heard and understood by him, to which witness replied about

understanding of all and on the same issue, he was further confronted and grilled, to which he answered that after the completion of program, everyone used to discuss and everyone used to ask each other and therefore, everyone would understand same**.** This evidence of witness will take away the submission of defence that except the persons who were giving speech, all others have no role to play, and it is fully devoid of merits as evidence of this witness clearly established that there was thorough discussion and their understanding remains same.

16.6.31. During the course of his cross-examination, defence has brought on record that witness's brother is in Paramilitary Force. He further states that all throughout while witness remained in custody some or the other family members visited witness in jail. He also states that, his brother who is in Paramilitary Force also used to meet him and his brother asked him about his involvement in the present case as genuine or otherwise to which he replied that he is rightly involved and since then his brother has taken no interest in the matter so much, so that his brother informed their parents that they should not give any details about brothers job, place etc. to the witness and therefore the witness has also accepted in the cross-examination that he does not know as to where his brother who is in Paramilitary Force is presently working.

16.6.32. The Court is of the opinion that the defence thereafter, out of frustration and desperation, had tried to discredit evidence of this witness given by him in examination in chief that bomb laden bag given by Accused No.27-Abdul Rajik to witness was not given by Accused No.27-Abdul Rajik but as such was given by his brother Riyaz. Furthermore, in the same para i.e. para 87, the defence tried to discredit the evidence of this witness that he helped accused Kayamuddin and absconder Taukir to take on rent one house (Vatva house) is not correct,

as that house was occupied by his brother (brother working in paramilitary force) and his friends. Again, in para-91, defence suggested that witness is deliberately kept inside the jail and to come out from the jail, witness has given false statement of approver. Considering the evidence of this witness i.e. evidence of approver, it is broadly supported by other evidentiary material led by prosecution and therefore, the cross-examination of defence reiterated hereinabove is termed as nothing, but frustration and desperation of defence. As such credibility of this witness is not all impeached either during cross-examination of this witness or with any other evidentiary material.

16.6.33. The Court is of the opinion that so far as delayed statement of approver is concerned, the prosecution has referred to the provision of Section 307 of Cr.P.C. where person can be considered for approver ship anytime during the course of trial. When statutory provisions are so clear any submissions otherwise to it lacks merits. Furthermore, defence has submitted arithmetical calculation with regard to examination of approver at witness no. PW-114-Aiyaz Razakmiyan Saiyed, vide Exh.8191. It would be pertinent to state here that no sooner approver gave application i.e. statement of approver and it got allowed, approver was immediately examined. Even during the course when some of the accused challenged granting of approver's application before High court. The prosecution also submitted that somewhere around 24.12.2009 through list Exh.0017 prosecution declared that there are 1718 witnesses on behalf of prosecution which further got added by 918 witnesses on filing of other chargesheet and prosecution declared through list Exh.0123 dated 09.01.2010 at now the figure of prosecution witness is 2636. It further got added by 100 witnesses and the figure reached to 2736. In view of it arithmetical answer to such submission would be that

prosecution examined approver as PW-114-Aiyaz Razakmiyan Saiyed, vide Exh.8191 before examination of around 1595 witnesses. Prosecution would submit that there cannot be any arithmetical calculation on examining witnesses, more particularly, for approver but as defence has continued to harp on such arithmetical calculations, prosecution is left with no choice but to give arithmetical answer to such question. Both have least concerned with the facts and circumstance of the case as well as statutory provisions.

16.6.34. In addition to the above, the Court has also discussed in detail the evidence of the approver under the chapter of "Approver" in issues.

16.6.35. The defence has also submitted about the learned Judge going for private visit to meet accused turned approver. As against it, prosecution had explained by virtue of an order, the court was functioning from jail and there are orders to an effect U/s 268 of Cr.P.C that accused of this case should not be physically taken to Court and considering the roj-kam and the explanation based on the rojkam as submitted by prosecution, aspect of private visit also lacks merits.

16.6.36. In view of the aforesaid discussion, sufficient evidence is brought on record by the prosecution to support the conviction of accused No.6-Mohammad Arif S/o Mohammad Iqbal Kagzi. The conviction, therefore, recorded by the Special Judge is not interfered with and is hereby confirmed.

16.7.1. In case of accused No.18-Javed Ahmed S/O Sagir Ahmed Shaikh, he has been convicted for various offences by the trial Court and has been sentenced to imprisonment for life in Sessions Case No.38/2009 and others.

16.7.2. Learned Senior Advocate Mr. Mihir Desai has made submissions in connection with accused no.18-Javed Ahmed Sadir Ahmed Shaikh, who was arrested on 04-09-2008 and was sent to judicial custody on 29-1-2009. Learned Senior Advocate has submitted that only allegations against accused no.18-Javed Ahmed Sadir Ahmed Shaikh are to have attended Vagamon Camp and some of the meetings at Ahmedabad.

16.7.3. Learned Senior Advocate has drawn our attention to Exh.9421 and submitted that present accused no.18-Javed Ahmed Sadir Ahmed Shaikh was tried as accused No.25 in the trial at Ernakulam Court vide Sessions Case No.2/2011/NIA in the Special Court for NIA Cases, Ernakulam, Kerala, wherein the Sessions Court at Ernakulam had proceeded to hold the accused to be not guilty. Immediately, learned Senior Advocate has drawn attention to comparison with accused No.72-Abdulsattar P @ Mansur of this case, who also is accused in Kerala Vagamon camp case as accused No.6. This accused though was convicted in Kerala, has been acquitted by the Special Court in Ahmedabad case. Learned Senior Advocate has drawn attention to comparison with the accused No.76-Manzar Imam @ Jameel of this case, who is also the accused No.34 in Kerala Vagamon camp case. This accused was convicted in Kerala but acquitted in Ahmedabad case. Therefore, according to learned Senior Advocate, there is complete disconnect between the camp at Vagamon in Kerala and Ahmedabad cases and it is contended that the cases of Ahmedabad will have to be

treated as stand-alone case. More particularly, against those accused, who have been convicted in Kerala case, but acquitted in Ahmedabad case, against whom, the State has not preferred any Appeal, meaning thereby, the State accepted the position that theory of entire planning having begun from camp at Vagamon stands abandoned.

16.7.4. Learned Senior Advocate has submitted that against present accused no.18-Javed Ahmed Sadir Ahmed Shaikh, the prosecution has put up evidence in the form of confession by accused No.2- Imran Ibrahim Shaikh at Exh.8619. According to this confession, present accused no.18-Javed Ahmed Sadir Ahmed Shaikh is shown to have travelled in train to Kerala. It is submitted that in the confessional statement, accused No.2 has narrated in great detail the activities, which had taken place in Kerala like the issuing of code names to each of the participants in the camp and other activities. However, in no other activities, except for the presence of present accused no.18-Javed Ahmed Sadir Ahmed Shaikh in the train, no role is attributed to the present accused no.18-Javed Ahmed Sadir Ahmed Shaikh. It is once again submitted that the accused No.2-Imran Ibrahim Shaikh is accused No.21 in the Kerala case and has been acquitted there. Therefore, if the accused No.2-Imran Ibrahim Shaikh has been acquitted in Kerala case then, his confessional statement regarding any activity of camp in Kerala, cannot be treated against accused no.18-Javed Ahmed Sadir Ahmed Shaikh.

16.7.5. Learned Senior Advocate has submitted the reasons for conviction of accused no.18-Javed Ahmed Sadir Ahmed Shaikh, would be his presence at Halol, for which there is no evidence and therefore, the Special Court erroneously has presumed presence of accused no.18-Javed Ahmed Sadir Ahmed Shaikh at Halol camp. Learned Senior

Advocate has submitted that other allegations against that of accused no.18-Javed Ahmed Sadir Ahmed Shaikh is being part of meeting, which was held in Ahmedabad. According to learned Senior Advocate, 10 meetings in all had taken place in Ahmedabad.

16.7.6. Learned Senior Advocate has submitted that such meetings had taken place either at the residence of Ibrahim, residence of Shamsuddin's Nana, also a meeting under the Sarangpur Bridge. The prosecution has based their case for such meetings on the evidence of PW No.957-Zakirhussain Abduljabbar Kureshi, who was examined vide Exh.6687 and also the confessional statement of accused No.24 at Exh.8627, who is an accused named Umar @ Ashok Kalabhai Kabira. Learned Senior Advocate submitted that these evidence are weaker form of evidence as PW No.957-Zakirhussain Abduljabbar Kureshi in his deposition has stated about his own presence in such meetings, where the appellant-Javed Ahmed is also shown to be present. Therefore, in fact, PW No.957-Zakirhussain Abduljabbar Kureshi despite his presence, is not shown as an accused, then the appellant-Javed Ahmed also ought not to be treated as an accused.

16.7.7. In this connection, the Court may take into consideration the fact that the defence had preferred an application at Exh.6695 before the Special Court for arraigning PW No.957-Zakirhussain Abduljabbar Kureshi as an accused, which came to be rejected by a reasoned order dated 15.12.2017. Against such an order of the Special Court, Criminal Revision Application No.1225 of 2017 was preferred before this Court which also rejected revision application, thereby the decision of the Special Court not to implead PW No.957-Zakirhussain Abduljabbar Kureshi as accused has attained finality.

16.7.8. This Court does not find any substance therefore, in the

argument that on the lines of PW No.957-Zakirhussain Abduljabbar Kureshi, not being an accused, the appellant is also required to be discharged from the offense or at least acquitted.

16.7.9. Learned Senior Advocate submitted that even if the version of PW No.957-Zakirhussain Abduljabbar Kureshi as well as approver-Ayaz is taken into consideration, still from their evidence also, it is not coming out on record that in the meeting there was any discussion of making of explosive device and planting it in busy area to explode. According to learned senior advocate, admittedly the crime is of huge magnitude and not a handy work of one or two individuals but is an outcome of conspiracy of several people and would involve many stages to plan such an act and for that purpose, amongst group, there has to be a decision making at various stages. According to learned advocate, at least eight to nine stages of decision making would be involved and therefore, it is incumbent on the prosecution to establish the meeting of mind on each of such stages. Learned advocate has illustrated by submitting that even at the stage of planning, assignment of work to various individuals for doing their part of the act would also be essential. Therefore, it is incumbent for the prosecution to establish as to at the stage of planning also, certain acts which are required to be undertaken like procurements of various articles for preparing the explosive including chemical, the vehicles, the cycles, the hardware etc. would be assigned to and thereby executed by the co-accused persons which also should be brought on record independently, which the prosecution has failed to do so. It is also submitted that if the confessional statement of Umar is taken into consideration, the appellant-Javed Ahmed is shown present only one meeting which took place on 20.7.2008.

16.7.10. The Court has perused the evidence of PW No.957-

Zakirhussain Abduljabbar Kureshi, who has referred to a meeting which took place in the November 2007, where he was called to the meeting by one Abdul Rajik to come for the meeting at the place of Ibrahim Ansari in the night hours and when he reached at that place, he had found the presence of present appellant-Javed Ahmed Shaikh, who belongs to Gomtipur. A clear role is attributed to the appellant-Javed Ahmed, who not only read out Quran, but also discoursed on Kayamat and Jihad. At the end of the programme, the witness was informed that periodically such meeting would take place on Mondays. Thereafter, in January 2008, again by the same modus, the witness was informed about the meeting, where again at the place of Ibrahim Ansari, where all of them had gathered which included Javed Ahmed Shaikh, where the instigation was made with regard to incidents of 2002, where Muslims had died and therefore, to take revenge, Jihad is to be performed. Again, in the month of March, yet another meeting took place below the bridge of Sarangpur, where the present appellant-Javed Ahmed Shaikh is also shown to be present, where the present appellant-Javed Ahmed Shaikh while crying had complained about his brother being arrested and that these people are not doing anything and the police should be made aware of the strength of their group. A specific reference is made to causing explosion in public to make show against the Government. When the emotions flew very high and Abdul Rajik lost his temper, at that time, the appellant-Javed Ahmed Shaikh had informed PW No.957 to take him and accordingly, PW No.957 took Abdul Rajik to his home. Once again, the witness refers to meeting in the month of June, where again he was called to the home of Ibrahim Ansari, where the present appellant-Javed Ahmed Shaikh is also present and one of the co-accused Mufti had disclosed that some of the SIMI operatives have been arrested, but there

is no need to worry and that they are determined to impose Islamic rule.

16.7.11. While summarizing, learned senior advocate has submitted that the Special Court has committed an error in concluding in the judgment at page No.6516 that the appellant-Javed Ahmed Shaikh is a participant in the Halol Camp, whereas no evidence is placed on record by the prosecution about his participation. Moreover, the case of the prosecution of the appellant-Javed Ahmed Shaikh having participated in terror camp at Vagamon, may not also be treated as such as the appellant-Javed Ahmed Shaikh has been acquitted of the charge of participating in Vagamon in a separate trial by the Ernakulam Court and therefore, when the sentence of capital punishment is passed on the basis that the appellant had participated in the conspiracy at all stages and as it is submitted that his presence in fact is not even shown at Halol and acquitted in Vagamon, then at least, it is not a case for imposing capital punishment. Learned senior advocate has, thereafter, referred to the impugned judgment at page No.6775 to read out the mitigating circumstances as well as his antecedents and jail offense and has submitted that he is not part of the infamous tunnel case.

16.7.12. Learned Additional Advocate General on behalf of the State has submitted that the law of conspiracy is that, apart from it being a distinct offence, all the conspirators are liable for the act of each other's crimes which had been committed to achieve ultimate object of conspiracy. It is not necessary to prove and establish that all the accused came together and actually agreed to commit offence. If a conspiracy had already formed and other person joins it afterwards, then person joined subsequently is also liable for all the acts committed by other conspirators. Moreover, Section 10 of Evidence Act provides special rule of evidence followed in the case of conspiracy, if conditions of

Section 10 of Evidence Act are fulfilled. If we look to the evidence of this case, the conditions of Section 10 of Evidence Act are fulfilled. Therefore, what was said or done by the member of conspiracy in the present case by the accused in reference to their intention would be evidenced against other co-conspirator i.e. co-accused of the case. Hence, confessional statement of accused No.2-Imram Ibrahim Shaikh vide Exh.8619 which gives narration of activities done and conducted in both the camps including giving of speeches, giving of dummy names to hide the identity of participants, coming to the camp sites secretly, dividing all participants in different groups for the purpose of giving training as executors of ultimate object of conspiracy and others being accessory to the executors, participants coming from across the country from different states and also staying in hotels in a dummy name and participation of different accused as well as involvement of SIMI as narrated in the confessional statement and different acts either express or expletive altogether needs to be seen within the ambit and scope of Section 10 of Evidence Act as discussed in the judgment of in case of ***State Of Maharashtra V/s. Damu S/o Gopinath Shinde reported in (2000) 6 SCC 269*** and also in context of Section 2(o) of the Unlawful Activities (Prevention) Act, 1967 which defines "unlawful activity" would have full play in the facts and circumstance of the prosecution case. Considering the submission of defence which relates to implication of other accused by confessor accused No.2-Imran Ibrahim Shaikh would be a weak piece of evidence would fully pale into insignificance.

16.7.13. It is submitted by prosecution that fountain head of conspiracy is Vagamon camp, where different activities like shooting, preparation of bomb etc. are undertaken much secretly by all the participants of Vagamon camp. It is also pertinent to state here that for

this particular terror camp, separate offence is also registered against the participants of the camp at the police station in Kerala and charges under Sections 10, 20 and 38 of UAPA Act and under Section 120 B of I.P.C as well as Section 4 of Explosive Substance Act, 1908 are framed. Prosecution's case is substantiated by this particular registration of offence, framing of charge and conviction for some of the accused. Prosecution specifies here that prosecution fully relies only on the evidence led by it in the proceedings.

16.7.14. It is submitted that also considering the sequel to this fountain head of conspiracy as like conspiratorial meeting held at Halol in the month January 2008, one another conspiratorial meeting at accused No.4-Samsuddin Shaikh's Nana's house, different conspiratorial meetings right up to the day of occurrence i.e. 26.07.2008 from which it clearly established that ultimate object for hatching conspiracy was to commit an act of mass killing, taking of revenge for loss of Muslim lives in 2002 riots, doing Jihad, giving Takrir, preparation of bomb, stealing of cars, planting of bombs, staying in hotels in dummy names also stay of some accused at Sherpura Bharuch house, stay and preparation of bomb at 10 Al-Mohammadi Society Danilimda, Ahmedabad, stay at Vatva house as well as few other places, association etc of accused with SIMI and which ultimately leads to achieving of conspiratorial objects by bomb explosion at Ahmedabad at different places on 26.07.2008 and planting of bomb at different places at Surat. All these acts done separately by different accused, but achieving common object of conspiracy clearly shows from different evidentiary material and based on it making reasonable inference makes out a probable catalogue that all the conspirators have meetings of mind implied agreement to commit an offence though all the conspirators would not be knowing each other

or may not be knowing acts committed by each other or even known to each other but their acts by themselves makes them conspirators.

16.7.15. It is further submitted that while considering different conspiratorial acts, the prosecution would submit that evidence of PW No.957-Zakir (Jakir) Hussain Abdul Jabbar Kureshi vide Exh.6687, PW No.1141-Aiyaz Razakmiyan Saiyed (approver) vide Exh.8191, Riyaz Hussein (though hostile but relevant), PW No.1117-Asif Usman Shaikh vide Exh.8019, PW No.1098- Asif Vora vide Exh.7769, PW No.1115-Mohd. Umar Mansoori vide Exh.8002, PW No.1097- Mehtab Shaikh vide Exh.7767and PW No.1131-Mohamaadrafik @Baba Shaikh vide Exh.8118 and confessional statements of different accused which are voluntary and truthful and their statements of retraction is false, different panchnamas falling under Section 27 of Evidence Act importantly which would include disclosure statements of accused No.1-Jahid Shaikh made on 19.09.2008, i.e. Exh.6656 which led to discover some explosive substance, chance fingerprint of accused No.38-Mohammad Saif @ Rahul Sabad Ahmed @ Mr. Sheikh and some pertinent objects which leads to use of this house for the purpose of preparation of bombs, stayed by different accused at this place and taking on rent this place together with disclosure statement made by accused No.63-Mohammad Tanvir on 28.08.2008 .i.e. Exh.2757 which led to discovery of certain objects from house of house D-34 River View Society, Surat, wherein from some object, discovered, explosive elements were found and different pointing out panchnamas through which places of relevance as like place of Vagamon camp, Halol camp, D34-River View Society, Surat, 10 Al-Mohammadi Society, Danilimda, Ahmedabad, Vatva house etc. all together establishes conspiracy under Section 120B of IPC and conduct under Section 8 of Evidence Act. For considering the facts and

circumstance of the case and when considering the same as per the governing principles of rule of conspiracy as enunciated in the case of Nalini, all the standards are met and fulfilled by prosecution.

16.7.16. The Court has considered the rival submissions of the parties. In the opinion of the Court, accused No.18-Javed Ahmed is also involved by PW No.957-Zakir (Jakir) Hussain Abdul Jabbar Kureshi vide Exh.6687 in various conspiratorial meetings. Witness Jakir Hussein refers to one such meeting which had taken place in the month of November 2007 at a place called Kamdar Medan. At this place along with accused No.18-Javed Ahmed many other accused persons were present as referred by witness in para 2 of his evidence. accused No.18-Javed Ahmed who is from Gomtipur reads Quran and then he talked on Qayamat and Jihad. Witness also states about such type of program being held every Monday. It would be pertinent to state here that when such type of programs which according to prosecution are nothing but sequel to the conspiracy, conspirators present in such meeting would not only talk and discuss on Qayamat and Jihad but would also read Quran and would also do other religious activities. The prosecution would submit that just reading Quran or doing any such religious activities would not take away the facet of conspiracy as while doing that, conspirators do involve themselves in the act of Jihad and Qayamat. Likewise, in the month of January 2008, as per the deposition of Jakir Hussein, meeting was held at the place of secret witness (I) Ibrahim Ansari where along with accused No.18-Javed Ahmed many other accused persons namely accused No.27-Abdul Rajik, accused No.5-Gayasuddin Ansari, accused No.4-Samsuddin Shaikh, accused No.23-Ayaz Razakmiyan Saiyed (approver) were present and at this place accused No.27-Abdul Rajik, did Takrir and also exhorted and declared

about loss of Muslim lives in 2002 and taking revenge for it. They also read Quran. As per witness Jakir, such meeting had happened in the house of Ibrahim Ansari who is a secret witness no. (I). Though some meetings are held at the house of witnesses like Yakub, Ibrahim Ansari, Iliyasbhai, but there is no evidence about their participation either at Vagamon camp or Halol camp and so far, as they being not examined by prosecution is concerned, prosecution has explained the same in the dropping purshis.

16.7.17. Thereafter, in the month of March, more particularly, after the meeting at accused No.4-Samsuddin Shaikh's Nana's house, according to the evidence of Jakir Hussein one another meeting took place in the month of March, and the place of meeting is corner of Sarangpur bridge, where along with accused No.18-Javed Ahmed few other accused persons as narrated in para 5 in the deposition were present and at that time, accused No.18-Javed Ahmed and one another accused were crying and were saddened on the ground of arrest of their brothers and they were exhorting and declaring about their strength be shown to Police and explosion to be made against Government. Accused No.27-Abdul Rajik was furious and as deposed by witness, the reason for doing it was arrest of SIMI activists from Indore and revenge for atrocities on Muslims must be taken. Thereafter in the month of June 2008, accused No.18-Javed Ahmed and few other accused met at the place of witness Ibrahim Ansari and few other accused were also present, one of them was accused No.15-Mufti Abubasar from UP, who exhorted that there is no need to be frightened as SIMI activists are arrested and they would establish Islamic regime. Considering the involvement of accused No.18-Javed Ahmed right from November 2007 onwards up to June 2008 in different conspiratorial meetings and

accused No.18-Javed Ahmed's association with other co-accused named accused No.15-Mufti Abubasar, accused No.27-Abdul Rajik and many others, accused No.18-Javed Ahmed is a co-conspirator. The witness-Jakir also identifies accused No.18-Javed Ahmed during the course of his deposition i.e. dock identification.

16.7.18. The Court finds that accused No.2-Imran Ibrahim Shaikh in his confessional statement involves accused No.18-Javed Ahmed as one of the participants of Vagamon camp. He states that accused No.18-Javed Ahmed was called at Railway station and accused No.7-Usman Agarbattiwala came to drop them at Railway station. Accused No.2-Imran Ibrahim Shaikh further states that when he as well as few other accused persons including accused No.18-Javed Ahmed came to Railway station, they saw accused No.14-Sajid Mansoori and accused No.15-Mufti Abu Bashar of UP and they together i.e. accused No.14-Sajid Mansuri and accused No.37-Kayamuddin Kapadiya, accused No.6-Arif Kagzi, accused No.1-Jahid Shaikh, accused No.27-Abdul Rajik and accused No.5 Gyasuddin Ansari together boarded Marusagar Express and came to Ernakulam Railway Station. When they reached there, person named Mansoor was present and in four-wheeler, they came to a mosque which was near to Railway Station and there they saw accused No.12-Safdar Nagori, accused No.10-Amil Parvaz, accused No.13-Hafiz Hussain @ Adnan and Alam Shaikh. Other persons were also present there, but they were unknown to accused No.2-Imran Ibrahim Shaikh. Accused No.18-Javed Ahmed is also arraigned as one of the accused in Kerala Session's Case as A-25. So far as activities conducted at Vagamon camp is concerned, it is elaborately dealt with.

16.7.19. It appears that accused no.24-Manjar Imam also involves accused no.18-Javed Ahmed in his confessional statement. Accused

no.24-Manjar Imam states that on 20.07.2008, on telephonic call from accused No.4-Samsuddin Shaikh he was called at the place of secret witness (P) Yakubbhai at Juhapura. At that place, accused No.18-Javed Ahmed, accused No.4-Samsuddin Shaikh, accused No.27-Abdul Rajik and accused No.8-Yunus Mansuri were present and these four persons i.e. accused No.4-Samsuddin Shaikh, accused No.18-Javed Ahmed, accused No.27-Abdul Rajik and accused No.8-Yunus Mansuri talked on Jihad in the words of accused no.24-Manjar Imam, 'Jehadi Wali'. Discussion on the issue of taking revenge of 2002 Godhra riots also was discussed along with atrocities on Muslims. Date of this meeting would assume importance as just before six days of the occurrence of bomb blast. This meeting is held which had discussion and exhortation by accused No.18-Javed Ahmed, accused No.4-Samsuddin Shaikh, accused No.8-Yunus Mansuri and accused No.27-Abdul Rajik on jihad as well as taking of revenge and atrocities on Muslims. Though the names of two persons are referred in the statement of accused no.24-Manjar Imam, about they are being present i.e. secret witness (P) Yakubbhai as well as secret witness (J) Iliyasbhai but accused no.24-Manjar Imam does not refer to any exhortation made by them as well as any such exhortation by accused no.24-Manjar Imam himself. Prosecution had already explained dropping of secret witness P and J.

16.7.20. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.18-Javed Ahmed S/O Sagir Ahmed Shaikh. The Court has therefore, no reason to interfere with the conviction recorded.

Ansari (Rajasthan) (A-21)

(Appellant No.2 in Criminal Appeal No. 1917/2022):

16.8.1. Though accused No.21-Mehandihasan @ Vikki S/O Abdul Habib Ansari and accused No.22-Imran Ahmed @ Raja S/O Siraj Ahmed Haji Pathan are represented by different lawyers and have made their submissions independently however, it is submitted that there is commonality in the role attributed to both the accused and therefore, the discussion of their role is also identical.

16.8.2. In case of accused No.21-Mehandihasan @ Vikki S/O Abdul Habib Ansari, he has been convicted for various offences by the trial Court and has been sentenced to imprisonment for life in Sessions Case No.38/2009 and others.

16.8.3. The accused No.21-Mehandihasan @ Vikki is an appellant in Criminal Appeal No. 1917 of 2022 and learned advocate Shri Buch submitted that the appellant was arrested on 09.10.2008 by a transfer warrant from Rajasthan and was in remand on two occasions between 09.10.2008 to 07.11.2008 and 25.11.2008 to 05.12.2008 and in connection with the offence being II-C.R. No.203 of 2008 registered with Katargam Police Station, he was arrested on 19.01.2009. Learned advocate submits that the role attributed to accused No.21-Mehandihasan @ Vikki is of attending the Halol camp in January 2008. However, none of the witnesses examined by the prosecution have shown the presence of the accused in Halol camp. Though accused No.21-Mehandihasan @ Vikki was in police custody for a very long time, no panchnama under section 27 of Cr.P.C. was drawn which can associate the accused with the offence, as is done with regard to the co-accused.

16.8.4. Learned advocate for the accused, Mr. Hriday Buch, submits

that the prosecution has relied upon the confessional statement of accused No.35–Rafiyuddin Sarfuddin Kapadiya, who refers to the presence of accused No.21-Mehandihasan @ Vikki at Halol. It is submitted that even the trial Court has not accepted the statement of accused No.35-Rafiyuddin Sarfuddin Kapadiya as evidence on the ground that the purported statement of accused No.35-Rafiyuddin Sarfuddin Kapadiya under section 164 of Cr.P.C. was recorded after administering the oath.

16.8.5. Learned advocate has, thereafter, assailed the only evidence against the accused, i.e. his own confessional statement recorded under section 164 of Cr.P.C. and exhibited vide Exh.8623. According to the learned advocate, if such confessional statement is perused, in that also, it is coming out that after leaving the camp, he has never met any of the other accused, meaning thereby, accused No.21-Mehandihasan @ Vikki had completely dissociated himself and therefore also, the evidence relied upon by the prosecution itself absolves accused No.21-Mehandihasan @ Vikki from any offence. Moreover, it is submitted that the confessional statement Exhibit-8623 does not find that there is any discussion or meeting of minds for committing serial blasts nor any role has been attributed to accused No.21- Mehandihasan @ Vikki during this meeting.

16.8.6. It is submitted that the Court may take into consideration a relevant fact that accused No.21-Mehandihasan @ Vikki though had made a confessional statement, the same was under duress, as by an application Exh.8617, accused No.21-Mehandihasan @ Vikki had retracted his confessional statement and therefore, his confessional statement cannot be made the basis for convicting him. The confessional statements are, in fact, exculpatory in nature and therefore, cannot be the

basis for conviction. It is submitted that the trial Court has committed error in relying upon the confessional statement of accused No.21-Mehandihasan @ Vikki (present accused) and accused No.35–Rafiyuddin Sarfuddin Kapadiya. The confessional statements are, in fact, exculpatory in nature and therefore, cannot be made the basis for conviction. It is lastly submitted that accused No.21-Mehandihasan @ Vikki has been arrested in the present offence by way of transfer warrant from another offence registered at Jaipur, Rajasthan where the accused No.21-Mehandihasan @ Vikki has now been acquitted.

16.8.7. Learned Additional Advocate General for the State has submitted that accused No.21-Mehandihasan @ Vikki is from Rajasthan. In his confessional statement, accused No.21-Mehandihasan @ Vikki states about his intimate relationship with accused No.20-Atikur Rehmaan and accused No.22-Imran Ahmed, and his involvement and participation at Halol camp.

16.8.8. It is submitted that in the statement of accused No.21-Mehandihasan @ Vikki, there is reference of topography of Halol camp which is surrounded by Khundpir Dargah, Minar Masjid, mountains etc.

16.8.9. It is submitted that so far as Halol camp is concerned, prosecution has examined important witness like Munjavar Idris, Ambalal, Ramkabhai and Pravinbhai, who have fully supported the case of prosecution about Halol camp being one of the sequels to the conspiracy, and these witnesses have identified many accused in Test Identification Parade and some during course of their deposition.

16.8.10. It is further submitted that there are also evidentiary material of certain objects-articles being found from the place of Halol camp, which also substantiate conducting of Halol camp as stated by accused No.21-Mehandihasan @ Vikki in his confessional statement.

16.8.11. It is submitted that there are different pointing out panchnamas by different accused persons as they attended Halol camp which also supports the case of prosecution. The prosecution has fully established that Halol camp is the sequel to the fountain head of conspiracy i.e. Vagamon camp. There are many accused who are found to be common as they attended both Vagamon and Halol camp. They are accused No.1-Jahid Shaikh, accused No.2-Imran Ibrahim Shaimkh, accused No.6-Mohammad Aarif, accused No.7-Mohammad Usman, accused No.10-Aamil Parvaz, accused No.12-Safdar Hussain Nagori, accused No.14-Mohammad Sajid, accused No.26-Mohammadali @ Jamal @ Zia @ Yasar @ Abubakr S/O Mohramali Ansari, accused No.37-Kayamuddin Kapadiya, accused No.59-Mohammad Ansar and absconder Abdul Shuban @Taukir Qureshi.

16.8.12. The Court has considered the rival submissions of the parties. In the opinion of the Court, accused No.21-Mehandihasan @ Vikki in the confessional statement (Exh.8623) states that in the month of December 2007, they had a lunch meet where accused No.22-Imran Ahmed Pathan and accused No.14-Sajid Mansuri were present alongwith three other persons whose last name was Qureshi. In this meet, accused No.20-Atikur Rehmaan and accused No.22-Imran Ahmed Pathan were from Kota, Rajasthan like accused No.21-Mehandihasan @ Vikki also from Kota, Rajasthan. Other three persons whose last name as submitted earlier is Qureshi, of whom one appears to be absconder Taukir Qureshi.

16.8.13. The Court finds that after this lunch meet, accused No.14-Sajid Mansoori gave tickets (railway) to accused No.21-Mehandihasan @ Vikki, accused No.20-Atikur Rehmaan and accused No.22-Imran Ahmed Pathan and on 12.01.2008, these three accused i.e. accused

No.21-Mehandihasan @ Vikki, accused No.20-Atikur Rehmaan and accused No.22-Imran Ahmed Pathan started their journey from Kota to Surat and for the reasons stated in the confessional statement, ticket was found faulty and for that they were fined. These three accused got down at Godhra and at that time, accused No.14-Sajid Mansuri called accused No.22-Imran Ahmed Pathan. After these three accused got down at Godhra, they also booked their tickets for their return journey to Kota and as they received phone from accused No.14-Sajid Mansoori, ultimately, they went to Halol for attending camp and they were received by accused No.7-Usman Agarbattiwala. The aforesaid fact therefore establishes that the Halol terror camp was indeed organized and was partipated by many persons from all over India.

16.8.14. There is also reference in the confessional statement of accused No.21-Mehandihasan @ Vikki about after they having alighted at Godhra and having received phone from accused No.14-Sajid Mansuri, they thereafter got down at the later station; Piplod and from there, they went to Halol. After reaching there, they attended camp and actively participated in the camp. So far as Halol camp activities are concerned, detailed narration has been made by prosecution earlier. The most important feature of this case is declaration of mass killing. At Halol camp all participants were given dummy names; accused No.21-Mehandihasan @ Vikki was also given a dummy name and his dummy name was Aurangzeb.

16.8.15. It appears that accused No.21-Mehandihasan @ Vikki is also involved by accused No.35-Rafiuddin Kapadiya in his confessional statement as one of the accused-conspirators, who attended Halol camp. Accused No.35-Rafiuddin Kapadiya has clearly stated that three persons by name accused No.21-Mehandihasan @ Vikki Mehndi Hasan, accused

No.22-Imran Ahmed Pathan and accused No.20-Ateek-Ur-Rehman, all are from Rajasthan were present in the Camp. Accused No.35-Rafiuddin Kapadiya addresses this Halol camp as SIMI camp. He also refers to stay of certain persons at Dargah. The confessional statement of A-35 was recorded on affidavit, therefore, may not be relied upon as an evidence however, the point out panchnama executed at behest of A-35, establishes the holding and participation of the Halol training camp.

16.8.16. The Court has already extensively discussed about the confessional statement, its admissibility despite retraction in a separate sub-chapter of "Confessional Statement and statement under Section 164 Cr.P.C." under the Chapter "Issues" where the Court has referred to the content of the confessional statement. Therefore, the same is not repeated here.

16.8.17. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.21-Mehandihasan @ Vikki S/O Abdul Habib Ansari. The Court has therefore, no reason to interfere with the conviction recorded.

Imran Ahmed Pathan has been arrested by way of transfer warrant from Rajasthan on 11.10.2008 and was continued in police custody for various offences for the period between 11.10.2008 to 07.11.2008 and thereafter, again between 25.11.2008 to 05.12.2008. This period of remand was pertaining to the offence registered at Ahmedabad for the serial blasts and thereafter, in connection with the planting of bombs in Surat, accused No.22-Imran Ahmed Pathan was, initially, arrested in connection with the offence bearing II-C.R. No. 203 of 2008 registered with Katargam Police Station on 19.01.2009.

16.9.3. Learned advocate submitted that the only evidence led by the prosecution against this accused is of having attended the so-called terror camp at Pavagadh in Halol (Gujarat). However, there is no eye-witness, including the three chance witnesses examined by the prosecution to establish the presence of this accused in Halol camp.

16.9.4. It is submitted that in case of other accused persons, the investigating officer has drawn panchnama under section 27 of Cr.P.C. to connect the accused with the offence. However, in case of accused No.22-Imran Ahmed Pathan, even that evidence is not existing. Therefore, the only evidence relied upon by the prosecution is the confessional statements of co-accused, accused No.21–Mehandihasan Abdul Habib Ansari and accused No.35–Rafiyuddin Sarfuddin Kapadiya. According to the learned advocate, these are confessional statements of co-accused and the same cannot be treated as substantive evidence for convicting accused No.22-Imran Ahmed Pathan. Moreover, the confessional statement of accused No.21-Mehandihasan Abdul Habib Ansari has been retracted by him and therefore, the same cannot be treated as evidence against accused No.22-Imran Ahmed Pathan. Similarly, the confessional statement of accused No.35-Rafiyuddin

Sarfuddin Kapadiya has been discarded by the trial Court itself, as the same is recorded on oath and hence, both the evidence cannot be treated as evidence against accused No.22-Imran Ahmed Pathan. It is further argued in connection with these two confessional statements that these statements cannot be treated as substantive evidence even on the ground that both the statements are exculpatory in nature and therefore, there is not a single evidence against this accused for sustaining the conviction.

16.9.5. Learned Additional Advocate General on behalf of the State has submitted that accused No.22-Imran Ahmed Pathan is from Rajasthan and is involved by accused No.21-Mehandihasan @ Vikki who also is from Rajasthan. In his confessional statement, accused No.21-Mehandihasan @ Vikki states about his intimate relationship with accused No.22-Imran Ahmed Pathan and his involvement and participation at Halol camp.

16.9.6. In the opinion of the Court, accused No.21-Mehandihasan @ Vikki states that in the month of December 2007, they had a lunch meet where accused No.22-Imran Ahmed Pathan and accused No.14-Sajid Mansoori were present alongwith three other persons whose last name was Qureshi. Godhra, they also booked their tickets for their return journey to Kota and as they received phone from accused No.14-Sajid Mansoori ultimately, they went to Halol for attending camp and they were received by accused No.7-Usman Agarbattiwala. The most important feature of this case is declaration of mass killing. At Halol camp, all participants were given dummy names and accused No.22-Imran Ahmed Pathan was also given a dummy name and his dummy name was Julfikar. The Court under the separate Sub-chapter of "Confessional statement of co-accused" has discussed in detail the admissibility of such evidence and the content of the confessional statement. Therefore, the Court deems it fit to act upon the confessional statement of A-21 to establish the fact of participation of A-21 and A-22 in Halol terror camp with other co-accused.

16.9.11. It appears that accused No.22-Imran Ahmed Pathan is also involved by accused No.35-Rafiuddin Kapadiya in his confessional statement as one of the accused-conspirators, who attended Halol camp. accused No.35-Rafiuddin Kapadiya has clearly stated that three persons by name accused No.21-Mehandihasan @ Vikki, accused No.22-Imran Ahmed Pathan and accused No.20-Atikur Rehmaan, all from Rajasthan and were present in the Camp. Kapadiya), is on affidavit, hence may not be treated as an evidence. However, the Court has referred to the same as such statement under Section 164 Cr.P.C. has now been exhibited.

16.9.12. The law of conspiracy is that, apart from it being a distinct offence, all the conspirators are liable for the act of each other's crimes which had been committed to achieve ultimate object of conspiracy. It is not necessary to prove and establish that all the accused came together and actually agreed to commit offence. If a conspiracy had already formed and other person joins it afterwards, then person joined subsequently is also liable for all the acts committed by other conspirators. Moreover, Section 10 of Evidence Act provides special rule of evidence followed in the case of conspiracy, if conditions of Section 10 of evidence act are fulfilled. If we look to the evidence of this case, the conditions of Section 10 of Evidence Act are fulfilled. Therefore, what was said or done by the members of conspiracy in the present case by the accused in reference to their intention would be evidenced against other co-conspirator i.e. co-accused of the case. Hence, confessional statement of accused No.2-Imram Ibrahim Shaikh vide Exh.8619 gives narration of activities done and conducted in both the camps including giving of speeches, giving of dummy names to hide the identity of participants, coming to the camp sites secretly, dividing all participants in different groups for the purpose of giving training as executors of ultimate object of conspiracy and others being accessory to the executors, participants coming from across the country from different states and also staying in hotels in a dummy name and participation of different accused as well as involvement of SIMI as narrated in the confessional statement and different acts either express or implied altogether needs to be seen within the ambit and scope of

Section 10 of Evidence Act as discussed in the judgment of in case of ***State Of Maharashtra V/s. Damu S/o Gopinath Shinde*** *reported in* ***(2000) 6 SCC 269*** and also in context of Section 2(o) of the The Unlawful Activities (Prevention) Act, 1967 which defines "unlawful activity" would have full play in the facts and circumstance of the prosecution case. The evidence in the form of confessional statement of A-2 strongly establishes the holding of terror camp at Halol.

16.9.13. Therefore, the prosecution has led sufficient evidence to convict the accused No.22-Imran Ahmed @ Raja S/O Siraj Ahmed Haji Pathan for the charges. Accordingly, the conviction of accused No.22-Imran Ahmed @ Raja S/O Siraj Ahmed Haji Pathan for the offence is confirmed and not interfered with.

16.10. In case of Mohammad Ismail @ Abdul Rajik @ Musaf @ Furkan S/O Mohammad Isaak Mansuri (Ahmedabad) (A-27)

(Accused No.18 in Criminal Confirmation Case No. 2/2022 and Appellant No.14 in Criminal Appeal No. 1710/2022):

16.10.1. In case of accused No.27-Mohammad Ismail @ Abdul Rajik @ Musaf @ Furkan S/O Mohammad Isaak Mansuri, he has been convicted for various offences by the trial Court, and has been sentenced to death penalty in Sessions Case No.38/2009 and others.

16.10.2. Learned Senior Advocate Mr. S. Nagamuthu has commenced his submissions for accused No.27-Mohammad Ismail @ Abdul Rajik @ Musaf @ Furkan S/O Mohammad Isaak Mansuri. He came to be arrested on 23-10-2008 in connection with initially C.R. No.236 of 2008 with Shahibaug Police Station and since then, has been in custody for nearly 17 years and 5 months.

submitting that the charge against accused No.27- Abdul Rajik is a faulty charge and also misleading thereby not giving the full scope for accused to defend the charge. According to him, accused No.27- Abdul Rajik has been awarded death penalty on account of his conviction under Sections 302 read with Section 34 and 109 of IPC, however, for attracting Section 34 of IPC and overt act in furtherance of the conspiracy is necessary, whereas it is even the case of the prosecution that no act is attributed, as is necessary for bringing home the charge of Section 34 or even for Section 302. It is the case of the prosecution that accused No.27- Abdul Rajik has not played any role as such in causing bomb explosion, which amounts to be an overt act, as is necessary for attracting ingredients of Section 302. Similarly, there is no participation in the actual act for attracting Section 34. It is submitted that as the charge against accused No.27- Abdul Rajik itself was misleading, accused No.27- Abdul Rajik was unable to defend the same. It is candidly submitted that the prosecution case if it is taken to the fullest, it may not be possible to claim clear acquittal, but his responsibility could be only to a limited extent and that too if there is sufficiency of evidence in that regard.

16.10.4. Learned Senior Advocate has argued that even for establishing such role by the prosecution to attract conspiracy, there is no bare minimum evidence against accused No.27-Abdul Rajik. Learned Senior Advocate reiterated that in absence of actual participation, accused No.27-Abdul Rajik could not be convicted under Section 302, as there is no evidence that accused No.27-Abdul Rajik was present on the spot and the same arguments are advanced, where the charge under Section 307, 326, etc. is made against accused No.27-Abdul Rajik read with Section 34 and Section 109. Learned Senior Advocate has

submitted therefore only case of the prosecution against accused No.27-Abdul Rajik is that of conspiracy, which largely is on the basis of evidence of approver; PW No.1141-Aiyaz Razakmiya Saiyed.

16.10.5. Learned Senior Advocate has assailed evidence of approver; PW No.1141-Aiyaz Razakmiya Saiyed to be without jurisdiction and Sessions Judge had no circumstances before him, which would satisfy requirement of Section 307. Arguments advanced by learned Senior Advocate in assailing evidence of approver; PW No.1141-Aiyaz Razakmiya Saiyed is dealt with in a separate Section dealing with evidence of approver; PW No.1141-Aiyaz Razakmiya Saiyed.

16.10.6. Learned advocate has raised common contention for both accused No.7-Mohammad Usman Agarbattiwala and accused No.27-Abdul Rajik with regard to applicability of Section 10. It is submitted that in the facts/role attributed to this accused No.27-Abdul Rajik, the applicability of Section 10 is not made out. He has relied upon the decision in case of **Kehar Singh (supra)** on the scope of Section 10. According to learned advocate, anything said or done by the conspirator is to be treated as if it applies to accused No.27-Abdul Rajik when admittedly there is no role attributed to the appellant nor it is the case of prosecution that the appellant was present in execution of the conspiracy, there is doubt that Section 10 would apply.

16.10.7. According to this Court, Section 10 provides for taking into consideration as an evidence of those facts established against one of the conspirators and co-accused as an evidence for other conspirators. Section 10 requires an explanation of a 'reasonable ground' to believe that two or more accused have conspired. The prosecution has been able to establish that the present offence is an outcome of conspiracy and therefore, when any conspirator does an act in reference to their

common intention when this common intention for the first time entertained by them. In the facts of the case, the common intention was to strike terror and that was entertained by the conspirators even when the conspirators had a meeting at Vagamon terror camp, Halol terror camp and the meetings in Ahmedabad and Surat and therefore, for proving the existence of conspiracy for the purpose of striking terror, the aforesaid meetings is a strong circumstance to infer the common intention. The decision of Supreme Court in case of **Kehar Singh (supra)**, where the Court has held that ordinarily the act or action of one of the accused cannot be used as evidence against others, but an exception is carved out under Section 10 of the Evidence Act in cases of conspiracy and therefore, second part of Section provides for using of evidence which otherwise could not be used against the accused person. Albeit, second part operates only when the first part of the section i.e. conspiracy is established. Concurring with the opinion expressed by G.L.Oza, J., K.Jagannatha Shetty, J. also held that Section 10 of the Evidence Act has introduced doctrine of agency and will come into play when the Court is satisfied that there exists a reasonable ground to believe on the basis of 'prima-facie evidence'. The conspirators are sharing common intention as discussed elsewhere. The Court has already accepted that the present crime is an outcome of well-planned conspiracy and that at various stages, the common intention has been demonstrable.

16.10.8. Learned Additional Advocate General for the State has submitted that accused No.27-Mohammad Ismail is involved by approver Aiyaz Exh.8191. He also involves accused No.27-Abdul Rajik in meeting where lot many other accused persons were present who were talking and discussing on jihad, requirement of doing jihad in India against Government etc. This witness states that on 25.07.2008, he went to Gitamandir and called accused No.37-Kayamuddin Kapadiya and to support this fact, the prosecution has relied on panchnama vide Exh.5463 dated 08.09.2008 through which witness pointed STD PCO named Ajay Telecom and this panchnama is also proved through panch witness Exh.5462 and Investigation Officer vide Exh.8638.

16.10.9. To support the case of witness having gone to Sarangpur bridge on 26.07.2008 and having called accused No.37-Kayamuddin Kapadiya through P.C.O., it is supported by evidentiary material of PW-932/Exh.6601 Abbas Hajibhai, who was present at that P.C.O which is situated in Anand cloth market who was subjected to police interrogation as well as Test Identification Parade report; Exh.3139 in which witness Abbas has identified witness Aiyaz as a person who came to his P.C.O.

16.10.10. It is submitted that PW-1097-Mehtab Shaikh vide Exh. 7767 has deposed about SIMI meeting at Surat attended by accused No.4-Samsuddin S/O Shahabuddin Shaikh, accused No.6-Mohammad Aarif S/O Mohammad Iqbal Kagzi, accused No.8-Yunus S/O Mohammad Mansuri and accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori. It is submitted that case of prosecution is also further established about accused persons being SIMI activists and

having SIMI ideology and that out of the four accused named by witness Mehtab Shaikh who were present in SIMI meeting at Limbayat, Surat, accused No.6-Mohammad Aarif and accused No.12-Safdar Hussain Nagori were also attendees of Vagamon camp, accused No.8-Yunus Mansuri was also an attendee of Halol camp and accused No.4-Samsuddin Shaikh was attendee of his own Nana's house meeting where SIMI leaders across India were present. The Court has referred to the evidence of Mehtab Shaikh in detail under the Chapter of "Appreciation of deposition of relevant witnesses".

16.10.11. It is submitted that considering the confessional statement of accused No.26-Mohammadali Ansari, it is established about SIMI activism by accused. It is submitted that from the confessional statement of accused No.35-Rafiyuddin Kapadiya, it becomes clear in terming Halol camp as SIMI camp and that attendees of both the camps are SIMI activists having SIMI ideology.

16.10.12. It is further submitted that as per the confessional statement of accused No.76- Manjarimam Aliimam at Exh.9021, who had attended Vagamon camp, he has very clearly stated about he having met top SIMI leaders at Vagamon camp. It is submitted that upon considering all the above evidentiary material, Vagamon camp is a camp of banned SIMI organization. It is submitted that considering the judgment of Kerala Session's court, there were large number of accused, and some of them are common in the present proceedings, have been convicted under Section 10 of Unlawful Activities (Prevention) Act (UAPA), 1967, for being a member of an unlawful association, Section 20 of UAPA for being a member of terrorist gang or organization and Section 38 of UAPA for offence relating to membership of terrorist organization under UAPA. The first schedule falling under UAPA gives description and

particulars of terrorist organization and within it at Serial no.22 Student Islamic Movement of India i.e. SIMI is declared as a terrorist organization.

16.10.13. It is submitted that confessional statement of accused No.76-Manzer Imam involves accused No.27-Abdul Rajik, as one of the attendees of Vagamon camp alongwith many others and that even accused No.76- Manzer Imam has accepted that he joined SIMI. He also revealed that, he met top SIMI leaders in the Vagamon camp named accused No.12- Safdar Nagori, accused No.10-Amil Parvaz and accused No.11- Sibily. Further, accused No.76- Manjarimam has also stated about a period subsequent to bomb blast in Ahmedabad and stated that certain accused persons named absconder Taukir wanted to stay with him and after his stay for 10 to 12 days, accused No.76- Manjarimam found photo for Rajik and Mujib in connection with Gujarat blast who were also with Taukir. It is submitted that therefore, it becomes clear that not only accused No.27-Abdul Rajik attended Vagamon camp but even after commission of bomb blast while he was absconding, he stayed with accused No.76- Manjarimam along with two other accused namely absconder Taukir and deceased accused Mujib. It is submitted that this would establish that accused No.27-Abdul Rajik is closely associated with this set of accused persons.

16.10.14. It is submitted that witness Jakir Hussein has also involved accused No.27-Abdul Rajik in different conspiratorial meetings. It is submitted that his extra-judicial confession before witness as well as considering the motive of accused persons which has been dealt at the time of submission of different accused and also their ultimate object of hatching conspiracy. The witness was residing earlier at Gomtipur and thereafter, at Juhapura and was working as a carpenter and that Firoz,

who is a friend of this witness, played cricket together and through Firoz, this witness came to know accused No.27-Abdul Rajik. accused No.27-Abdul Rajik was also resident of Gomtipur and both had good relations.

16.10.15. Upon perusal, the Court finds that witness Jakir has deposed about accused No.27-Abdul Rajik coming to him on 20th July and asking for sim card having old number for the purpose of his father, which was given to accused No.27-Abdul Rajik by this witness. He also deposed that on 23rd July he called on his old number (based on sim card given by witness to accused No.27-Abdul Rajik) which was picked by accused No.27-Abdul Rajik to which witness asked as to where he was, to which accused No.27-Abdul Rajik replied that he was busy in work and snapped the call. Thereafter, witness went to house of accused No.27-Abdul Rajik but accused No.27-Abdul Rajik was not found present. On 24th July accused No.27-Abdul Rajik called witness and asked him for coming to his house for the purpose of some repairing to which witness had visited the house of accused No.27-Abdul Rajik, but accused No.27-Abdul Rajik was not found present and mother of accused No.27-Abdul Rajik told the witness that since last 2 two days, accused No.27-Abdul Rajik was not staying there and witness after examining the repairing work left the house of accused No.27-Abdul Rajik. On next date i.e. 25th July, witness again visited the house of accused No.27-Abdul Rajik, however he was not found present but witness finished his work of repairing at the house of accused No.27-Abdul Rajik. On the same night, witness was taken by accused No.27-Abdul Rajik to Dariyapur Limdi, where Imran Puthawala, accused No.8- Yunus Mansoori and accused No.35-Shamsuddin Shaikh were present but he was kept at some distance and they were talking amongst them. The version of the eye-

witness Jakir has been dealt with by the Court in a separate chapter "Appreciation of deposition of relevant witnesses".

16.10.16. It is submitted that witness further deposed that he does not know what they were taking about and that he only overheard as to what type of Muslims they were as they were welcoming Rathyatra. On 26th July, 2008 i.e. a day later, he came to know in the evening about occurrence of bomb blast which caused human loss.

16.10.17. It is submitted that he further deposed that a day later i.e. 27th July, this witness called accused No.27-Abdul Rajik upon which he to meet this witness and that accused No.8-Yunus Mansoori was also present who had come after meeting accused No.4-Shamsuddin Shaikh. They went to the place of accused No.8-Yunus mansoori then thereafter, to Bapunagar for meeting the friend of accused No.27-Abdul Rajik and thereafter they went to the house of Altafbhai, maternal uncle of accused No.75-Mohammad Rafiq where accused No.75-Mohammad Rafiq was present and was found frightened. It is submitted that accused No.75-Mohammad Rafiq is from Juhapura but was present at his uncle's house at Bapunagar. Little later, the witness left that place. At Bapunagar, accused No.75-Mohammad Rafiq and accused No.27-Abdul Rajik were talking to each other and he was kept at some distance. After some time on the same day, accused No.27-Abdul Rajik was found worried as two guests were coming from Vadodara and he was anxious about their safe arrival. A day later i.e. on 28th July, witness heard accused No.27-Abdul Rajik saying that in such type of bomb blasts, one would need reliable companion who would be there for each other, would ask each other to remain normal and they also discussed that one should not feel that they have done such work and also about human loss suffered by Muslims in the year 2002.

16.10.18. The Court has considered the rival submissions of the parties. The Court finds that witness Jakir Hussein has involved accused No.27- Abdul Rajik in different conspiratorial meetings. This witness has deposed about conspiratorial meeting at Kamdar Medan in November 2007 which was attended by accused No.27- Abdul Rajik and few other accused persons where accused No.18-Javed Ahmed Shaikh talked on Qayamat and Jihad and on completion of program, accused No.27- Abdul Rajik told about keeping of such program on every Monday. One other conspiratorial meeting deposed by this witness was in January 2008, at the house of secret witness (1) Ibrahim Ansari a resident of Gomtipur which was also attended by accused No.27- Abdul Rajik and few other accused persons including accused No.23-Ayaz, who is now an approver witness. accused No.27- Abdul Rajik also did Takrir and also exhorted for human loss suffered by Muslims in the year 2002 and taking of revenge for it and also talked on jihad. This meeting was attended by many other accused who also attended Vagamon and Halol camp and considering the deposition of witness accused No.27- Abdul Rajik, he has acted as a leader of this meeting. In march 2008, one another big conspiratorial meeting took place at the house of accused No.4-Samsuddin Shaikh's Nana, where many other accused persons were present from across India and discussion on taking of revenge for atrocities suffered by Muslims, human loss suffered by Muslims in 2002 and striking terror against Government which is anti-Muslim and also referring to SIMI having become strong and their activist being present across India in all cities and therefore, declaration was made to do Jihad. Association of accused No.27- Abdul Rajik in this meeting with other SIMI leaders namely; accused No.15- Mufti from Uttar Pradesh, absconder accused Taukir from Maharashtra and others. In the month of

March, in one another meeting at the corner of Sarangpur bridge, accused No.27- Abdul Rajik and other accused gathered to express their dismay as their co-activists were arrested and accused No.27- Abdul Rajik expressing his anger on this situation and exhorted about doing explosion in public against Government hence, one of the accused told witness to drop accused No.27- Abdul Rajik at his house and as witness was wholly unaware about the happenings, out of curiosity this witness asked accused No.27- Abdul Rajik as to what happened to which, accused No.27- Abdul Rajik replied that SIMI activists are arrested in Indore and therefore, for such atrocities on Muslims, revenge must be taken.

16.10.19. It also appears from the evidence of this witness that accused No.27- Abdul Rajik in an extra judicial confession, has confessed to the witness about different happenings and witness came to know that accused No.27- Abdul Rajik had gone to Indore and police persons have apprehended SIMI persons and therefore, accused No.27- Abdul Rajik had gone to the home of apprehended SIMI persons as well as other SIMI persons, and on discussion with other SIMI persons, it was decided that for getting apprehended SIMI activists released, requirement of striking terror is must. And that, as accused No.27- Abdul Rajik had visited Indore other SIMI persons are also required to know about accused No.27- Abdul Rajik's visit to Indore. This witness also involves accused No.27- Abdul Rajik in one another meeting, which was held in the month of June wherein accused No.27- Abdul Rajik and other accused including accused No.15-Mufti of Uttar Pradesh were present and discussion took place that, as SIMI persons are apprehended, there is no need to worry or panic but they would establish Islamic regime. This meeting is also proximate to the occurrence of incident.

The evidence of witness also reveals about accused No.27- Abdul Rajik having visited-reccee certain places like Naroda Patiya, Gulbarg society, Naroda gam, wherein incidents took place in which, Muslims were affected as they suffered human loss as well as damage to their property. A week thereafter, one another meeting was conducted in which, accused No.27- Abdul Rajik and other accused persons including accused No.15-Mufti of Uttar Pradesh were present and they talked about establishing Islamic rule and for that all preparation have been made. Also, accused No.27- Abdul Rajik met witness on 1st august as well as on 3rd august and witness knew that phone received by him from accused No.27- Abdul Rajik and deceased accused Mujib were from same number. On 7th August 2008, this witness went to pick up his wife from Gwalior, MP. In the evening, the witness was at Kalupur railway station and he received a phone call from accused No.27- Abdul Rajik to which the witness replied that he is going to Gwalior to pick his wife and on inquiry from accused No.27- Abdul Rajik, witness gave his travel journey and accused No.27- Abdul Rajik told this witness that he is coming to Ratlam to meet him. accused No.27- Abdul Rajik came to witness and inquired about the friends of Ahmedabad to which the witness replied no one is meeting him and he does know any other thing. Thereafter, accused No.27- Abdul Rajik told witness that he is coming with witness till Nagda and during travel to Nagda, accused No.27- Abdul Rajik confessed that idea of bomb blast was of accused No.37- Kayamuddin Kapadiya and Absconder Taukir. He further said that they were in contact of Indian Mujahidin and logistics was provided by Indian mujahidin for committing bomb blast to take revenge of 2002. accused No.27- Abdul Rajik also said about they having surveyed(recce) at different places for the purpose of planting bomb and accused No.27-

Abdul Rajik being in contact with accused No.75- Mohammad Rafiq, accused No.23-Ayaz (approver) and deceased accused Mujib. He further said about cycles loaded with bomb were planted by accused No.23-Ayaz (approver), accused No.37-Kayamuddin Kapadiya and accused No.75- Mohammad Rafiq and deceased accused Mujib. Cycles loaded with bomb were also placed by persons belonging to Indian Mujahidin of UP and after bomb blasts, persons from UP went back and that car loaded with bombs planted at Civil and LG hospitals, was brought by persons of Indian Mujahidin from Bombay and lastly, he said on reaching back to Ahmedabad to witness, to take care of parents of accused No.27- Abdul Rajik and on reaching Nagda, accused No.27-Abdul Rajik deboarded the train.

16.10.20. The Court finds that he also deposed about he having received summons from court of Metropolitan Magistrate which he attended and on 05.11.2008, witness gave his statement before Metropolitan Magistrate where he stated that he had voluntarily given statement to assist the country. He also stated that whatever he was answering and stating, was reduced in writing by Magistrate and after the writing being complete, he was given to read it and thereafter, he put his signature. The witness upon being shown his statement recorded by the Magistrate, has agreed about the contents of the statement as stated by him and has stated that he was speaking in Gujarati and Hindi and the Magistrate was writing in Gujarati-Hindi and thereby he proved his statement vide Exh.6688. Thereafter, witness was called upon to identify different accused known to him, wherein he successfully identified accused No.27- Abdul Rajik and many other accused while giving deposition. One pertinent aspect about the identification is he was able to identify accused No.18-Javed Ahmed Shaikh only when accused

No.18-Javed Ahmed Shaikh was asked to remove his cap and spectacles and same would apply to identification of accused No.75-Afridi. On completion of the examination in chief of this witness, for the purpose of cross-examination, matter was adjourned to 08.12.2017. The Court has also discussed in detail the evidence of this eye-witness under the Chapter of "Appreciation of deposition of relevant witnesses" and also under the sub-chapter of "Extra-Judicial Confession" under Chapter "Issues".

16.10.21. In the opinion of the Court, accused No.2-Imran Shaikh in his confessional statement had involved accused No.27- Abdul Rajik as one of the participants from Ahmedabad alongwith many other co-accused from Ahmedabad as well as different States across India who attended Vagamon. Considering the confessional statement of accused No.2- Imran Shaikh, it clearly appears that since 2004 he associated himself with SIMI, a banned organization with accused No.7-Usman Agarbattiwala under a belief that SIMI is a religious organization. It appears that there were many conspiratorial meetings, where there was exhortation of taking of revenge, for atrocities on Muslims and establishing Islamic rule but while making such exhortation, there is always one aspect in such meeting which relates to reading of Quran. Therefore, in almost all such conspiratorial meetings there is reference of some or the other religious work. Accused No.2-Imran Shaikh further has further stated that even after imposition of ban on SIMI, SIMI activists continued their SIMI objectives secretly at different places and because of that, certain accused persons were arrested for their association with SIMI. Even from the evidence of witness Jakir Hussein and witness Ayaz, it appears that accused persons are SIMI activist and even after imposition of ban on SIMI they continued their association

with SIMI uninterruptedly, at least until their ultimate object of committing bomb blast was achieved. Even defence themselves have placed on record investigation material which is in the nature of SIMI literature vide Exh.9248, and perusal of it, establishes that why SIMI was banned and that inspite of imposition of ban, SIMI activists including accused persons continued with their SIMI ideology. Even from this literature; Exh.9248 names of accused No.1-Jahid Shaikh, accused No.4-Samsuddin Shaikh, accused No.6-Mohammad Aarif, accused No.8-Yunus Mansuri and accused No.14-Mohammad Mansuri appears as office bearers of different areas.

16.10.22. The Court finds that accused No.24- Umarbhai @ Ashok Kalabhai Kabira in his confessional statement involves accused No.27-Abdul Rajik in the conspiratorial meeting which took place at the house of secret witness (P) Yakubbhai. Date of this conspiratorial meeting is 20.07.2008 which is proximate to commission of bomb blast as it happened just 6 days prior to bomb blast and most pertinent part of the meeting is accused No.27- Abdul Rajik delivered speech on Jihad and in the words of accused No.24-Umar Kabira, accused No.27-Abdul Rajik did 'Jehadi Wali' and they also discussed and exhorted about loss of Muslim lives, atrocities on Muslims and taking of revenge of 2002 Godhra riots.

16.10.23. The Court finds that accused No.27- Abdul Rajik was also involved by approver Ayaz vide Exh.8191. This witness also involves accused No.27- Abdul Rajik in meeting which was held at accused No.4-Samsuddin Shaikh's nana's house. He has also involved accused No.27- Abdul Rajik as a person who helped accused No.37-Kayamuddin Kapadiya for taking on rent one house at Vatva. As accused No.27-Abdul Rajik is connected with Vatva house and other accused are also

connected with this house more particularly, accused No.15-Mufti and this house was subjected to search as well as recovery of objectionable articles and also sending it to F.S.L and receiving of opinion for it. This witness has involved accused No.27- Abdul Rajik in one meeting which took place on 22nd July as witness received phone from accused No.37-Kayamuddin Kapadiya and was called to come at Vatva bus station and when witness went there, he found accused No.37-Kayamuddin Kapadiya as well as accused No.27- Abdul Rajik and from there they went to Narol and on the way, they discussed about Gujarat riots and also for taking revenge for it, and to a question put by accused No.37-Kayamuddin Kapadiya to the witness about witness being ready to be involved in such a plan, the witness answered in affirmative. Thereafter accused No.37-Kayamuddin Kapadiya told about plan of bomb blast and participation of victim and witness inquired from accused No.37-Kayamuddin Kapadiya the manner and way of bomb blast to which accused No.37-Kayamuddin Kapadiya told him to not ask much and to follow the instructions and abide with it. This statement of accused No.37-Kayamuddin Kapadiya to the witness, assumes importance as accused No.27- Abdul Rajik was present all throughout this conversation. This witness also deposed that on 25th July, witness went to Gitamandir bus stand from his house and from there through P.C.O, witness called accused No.37-Kayamuddin Kapadiya to which accused No.37-Kayamuddin Kapadiya told this witness to stay there and that he is coming. This witness also learnt that the next day i.e. 26th July was the day fixed for bomb blast and therefore, witness was instructed to come at Sarangpur in the noon at around 4 o'clock and also called accused No.37-Kayamuddin Kapadiya. On the next day i.e. 26.07.2008, witness went to Sarangpur and called accused No.37-Kayamuddin Kapadiya

who instructed witness to come to Ajit Mill Cross Roads and thereafter called him again, upon which the phone of accused No.37-Kayamuddin Kapadiya was responded by accused No.27- Abdul Rajik who told witness to stay at Ajit Mill Cross Roads and accused No.27- Abdul Rajik is reaching there. Therefore, it clearly appears that accused No.27- Abdul Rajik was all through out with accused No.37-Kayamuddin Kapadiya. accused No.27- Abdul Rajik went to Ajit Mill Cross Roads in rickshaw with four bags loaded with bombs, heavy in weight and dropped all the four bags near witness and thereafter, accused No.27- Abdul Rajik left these bags for some time by saying that he would come within some time and then he came with one cycle at the place of witness. Thereafter, out of four bags placed before witness, one bag was tied on governor of cycle and one another bag was placed on carrier, to which witness said that accused No.37-Kayamuddin Kapadiya wholly instructed him to place bomb at a particular place then why second bag was given to him, to which accused No.27- Abdul Rajik replied that he was in hurry so he should put one bag at the place shown to him by accused No.37-Kayamuddin Kapadiya and other bag at a place found suitable to him or at a place like City bus but to complete this work before 6 o'clock and he left after saying so and this witness does not know where accused No.27- Abdul Rajik left. This witness also identified accused No.27- Abdul Rajik during the course of deposition. Witness Ayaz also pointed out different places of importance, which he visited on 26.07.2008 namely Ajit Mill Cross roads, Naroda Gam Bhagod, AMTS Bus number 63/3, Naroda bus stand where the bus stopped and the place where witness deboarded that bus at Saijpur Bus stand. This pointing out of places is recorded in pnachnama Exh.5470 proved through panch witness Exh.5439 and I.O. Exh.8638.

16.10.24. The Court finds that accused No.27- Abdul Rajik is also involved in taking on rent House No.10-Al-Mohammadi Society, Danilimda, Ahmedabad (which was used as a hideout). It has also come on record through evidence of other witnesses more particularly from evidence of Fukhrajbanu that her house had been rented to accused through witness Mohd. Ibrahim and Arif. Considering the evidence of Arif vide Exh.6651 who is a broker and had deposed that from 05.07.2008 to 07.07.2008, two persons came to him for taking on rent a house and from these two persons, during the course of Test Identification Parade Exh.3171, witness Arif identified accused No.27-Abdul Rajik as one of the persons who visited him for the purpose of taking on rent a house. Witness Fukhrajbanu, owner of this house had identified accused No.37-Kayamuddin Kapadiya in Test Identification Parade as a person who came to her.

16.10.25. The Court finds that another important circumstance against accused No.27- Abdul Rajik is relating to him having purchased two gas cylinders named Golden Click bottles from a shop named Deluxe Gas stove, which were used for the purpose of preparing bombs and during the course of panchnama; Exh.2036 which is a panchnama of scene of offence at LG hospital Maninagar, the car in which bombs were planted and after explosion of bomb-damaged car etc were lying at the place in which one of the damaged articles was a gas cylinder in the name of Golden click gas cylinder. Two gas cylinders each weighing 5 kilos, in the name of Golden Click bottles were sold by PW-926/Exh. 6574 Muktarbhai on date 25th , who running business in the name of Deluxe Gas Stove situated at Kalupur Tower. This witness during the course of deposition has identified damage gas cylinder under the name of Golden Click gas bottle found from scene of offence which is part of Muddamal

more particularly Article No.1 of Muddamal Article List Exh.2034. This witness during the course of Test Identification Parad Exh.3136 also identified accused No.27- Abdul Rajik as a person who came to purchase Golden Click gas bottles. This Test Identification Parad is proved through Executive Magistrate Exh.3130 and scene of offence panchnama Exh.2036 is proved through panch witness Exh.2035. This place of Deluxe Gas Stove situated at Kalupur is pointed out by one another accused namely accused No.75- Mohammad Rafiq one of the conspirators through panchnama Exh.7937 proved through panch witness Exh.7936 and I.O. Exh.8014.

16.10.26. Furthermore, prosecution has examined witness namely Abdul Sajid Pathan at Exh.6668 who resides at Gomtipur and is also doing embroidery work at Hathikhayi, Gomtipur. accused No.27- Abdul Rajik also resides in Gomtipur. As per evidence of witness Pathan, he knew accused No.27- Abdul Rajik since 3 years. He further deposed that either on 24th or 25th July one person in the company of accused No.27- Abdul Rajik came to his shop and one bag containing gas cylinders was kept at his shop for some time. He also deposed that, police came to his shop on 08.12.2008 with a person with whom accused No.27- Abdul Rajik came.

16.10.27. It appears that during panchnama Exh.5622, dated 25.10.2008, accused No.27-Abdul Rajik made disclosure statement regarding taking of bomb, delivering it to Ayaz, the place from where he purchased cloth bag and where he planted cycle with bomb and he has also thereafter pointed out the place (1) Al- Mohammadi Society house, (2) place from where he sat in auto, (3) Kamdar Medan place where he left auto and took new auto, (4) place of Ajit Mill Tolnaka where he get down from auto and met Ayaz and gave delivery of cycle with bomb, (5)

place near Hathikayi Government Dispensary from where he took cycle and placed bomb on cycle, (6) one shop namely Rajesh Tailor Shop Ladies and Gents at that place one Vajubhai Kalyanbhai Chaurasiya was present, (7) Dhanvantri Hospital near Diamond Pan Parlour where he planted cycle with bomb, (8) place at Panch Kuva, Nr. Municipal School No.2 and 24 from where he purchased cycle, wherein at the relevant time, cycle repairer Ayubbhai Husseinbhai was present.

16.10.28. This panchnama (Exh.5622) was proved by prosecution through PW-833/Exh.5622 as also by Investigating Officer Exh.8638. Also, PW-1141/Exh. 8191 approver-Aiyaz gave evidence regarding delivery of cycle with bomb by accused No.27-Abdul Rajik at Ajit Mill Cross Roads. The Court has also perused the deposition of PW-828/Exh.5560-Vajubhai Kalyanbhai Chaurasiya, who was doing stitching work in the name of Rajesh Tailor Shop. In the cross-examination of this witness, he denies that he knew the name of person i.e. accused No.27-Abdul Rajik through Police hence, witness has identified accused No.27-Abdul Rajik when he was taken before him. He stated that in the year 2008, police came with one accused No.27-Abdul Rajik. He has also stated that he purchased bag from his shop.

16.10.29. The Court has thereafter perused the deposition of PW-829/Exh.5561-Ayubbhai Shaikh, who was doing business of selling and purchasing of old cycles. He has stated that, he sold one cycle to the person who came with police and the name of person is accused No.27-Abdul Rajik. This cycle was identified by witness on an earlier occasion in Crime Branch as muddamal article No.1 of muddamal article list Exh.3227 during his deposition. In cross-examination, this witness admits that he sold this cycle before three months when police arrived at his place.

16.10.30. It appears that during panchnama Exh.5545, dated 25.10.2008, accused No.27-Abdul Rajik made disclosure statement regarding hiding of cycle and other material taken and thereafter, pointed out the place inside Jameel Masjid, Mahavir Flat, on backside of Al-Aman Flat and thereafter pointed out one black cycle which is of Hercules make 22 inch having two bar and also made disclosure about the key of cycle and thereafter, from his house, from the vault (Tijori) and showed key of cycle. Thereafter, during this panchnama, the said cycle was seized alongwith the key. This panchnama was proved through PW-824/Exh. 5544 and I.O. Exh.8638. Also, accused No.27-Abdul Rajik involved accused No.37-Kayamuddin Kapadiya in his disclosure statement.

16.10.31. It appears that during panchnama at Exh.5534 dated 02.11.2008, accused No.27-Abdul Rajik made disclosure statement about recce with other accused and thereafter, pointed out the place of recce and from where he had taken the cycle on rent. Thereafter, he pointed out a shop named Janta cycle repairing works and thereafter, other place near ambulance parking, trauma centre. During this panchnama, a cycle rent register at Exh.5535 was recovered from Janta cycle repairing, in which there was a entry dated 22.07.2008 of cycle no.11, size 22, and a person named Raju was present. This panchnama Exh.5534 is proved through Exh.5526 and through the Investigating Officer at Exh. 8368.

16.10.32. The Court has perused the deposition of PW-826/Exh.5554-Rafikbhai Ansari, who was doing business in the name of Janta cycle repairing works at Gomtipur. The said witness knew Isaqbhai and had rented cycle to Raju, whose father's name is Isaqbhai. This witness has stated that in the register entry, name of a person named Raju and time

was mentioned and that register was taken by the police from him (accused No.27-Abdul Rajik's father name is Isaqbhai). This witness identified muddamal article register which is serial no.2 of muddamal list Exh.3227. The place of Janta cycle repairing works was pointed out by accused No.27-Abdul Rajik during aforesaid panchnama Exh.5534.

16.10.33. The Court finds that during panchnama Exh.5556 dated 04.12.2008, accused No.27-Abdul Rajik made disclosure regarding taking of Maruti 800 from lane of Al- Mohammadi society with bomb and planting it at LG hospital parking area. Thereafter, he pointed out the place where he sat in the car driven by co-accused being accused No.28-Afzal @ Afsar S/O Mutallib Usmani and accused No.37-Kayamuddin Kapadiya and thereafter, pointed out the place near Chandola Talav near barrel market from where he sat in Maruti car and he has also pointed out LG hospital parking area. This panchnama has been proved through PW No.827/Exh.5555 and through Investigating Office at Exh.8638.

16.10.34. The Court finds that during panchnama at Exh.6091 dated 08.12.2008, accused No.27-Abdul Rajik made disclosure regarding recce which was conducted at various places in Khadia and thereafter, he has pointed out Al-Mohammadi Society House No.10 from outside and the place from Shree Ram Tea house where they ate gutka and smoked. He has also pointed out places such as Gokhale Pan House and Sarangpur Chakla, which is crowded area where vegetable lorries were stationed. This panchnama is proved through PW No.865/Exh.6050 and through Investigating Officer vide Exh.8638.

16.10.35. The Court finds that during panchnama at Exh.5485 dated 08.12.2008, accused No.27-Abdul Rajik pointed out Attic (maliyu) inside the Al-Aman Apartment and from there he showed one orient

company fan which they have used in 10 Al- Mohammadi Society house, which was recovered during panchnama which is proved through PW No.816/Exh.5484 and through Investigating Officer vide Exh.8638. Accused No.37-Kayamuddin Kapadiya has pointed out one Jay Ambe Electric shop, situated near Isanpur Gam from where he purchased Orient company table fan which they kept at house of Al-Mohammadi Society. Even during investigation, in Test Identification Parade Exh.3142 before Executive Magistrate PW-588/Exh.3130, witness of Jay Ambe Electric shop-Ambalal Haribhai Patel has identified accused No.37-Kayamuddin Kapadiya. But prosecution was unable to examine witness Ambalal Haribhai Patel as he was dead and report regarding the same is at Exh.6877.

16.10.36. It is the contention of the defence that panchnama Exh.6051 is dated 08.12.2008 and starting time is 12:00 and ending time is 14:00. Moreover, panchnama Exh.5485 is dated 08.12.2008 and starting time is 11:00 and ending time is 13:00 and both these panchnamas are fabricated. In this regard, upon perusing the deposition of Investigating Officer at Exh.8638, at the relevant time, Investigating Officer has explained that there may be time error in panchnama. Even the trial Court with regard to the deposition of Investigating Officer (Exh.8638), made a note regarding the explanation of Investigating Officer.

16.10.37. The Court finds that during panchnama Exh.6068, dated 02.01.2009, accused No.27-Abdul Rajik made disclosure regarding purchase of cycles and use of cycles. Thereafter, he has pointed out different cycle shops situated at Sarangpur area and one cycle shop at Raipur-Gomtipur, from where he purchased old cycles. This panchnama is proved through PW No.868/Exh.6067 and through Investigating Officer vide Exh.8638.

16.10.38. The Court has perused the deposition of PW-955/Exh.6672 Allahrakha Satarbhai, who is having one small galla from where he was doing cycle repairing. This witness sold cycle at Rs.700/- to Mohammad Ismail who resides at Tolnaka. The old cycle which was sold by this witness was having govender of Hercules Company and cycle of Hero Company. This witness identified article No.9 of Muddamal Article List Exh.2065 i.e. cycle which is having Govender of Hercules Company and cycle of Hero Company. This cycle was recovered from scene of offence of Bapunagar I-C.R. No.220/08, during scene of offence panchnama Exh. 1890. Accused No.27-Abdul Rajik on 25.10.2008, during panchnama Exh.5622 pointed out Dhanvantri Hospital near Diamond Pan Parlour where bomb blast occurred.

16.10.39. The Court finds that during panchnama Exh.6064, dated 03.01.2009, accused No.27-Abdul Rajik made disclosure statement regarding planting of bomb on cycle, purchasing of old cycle and placing of cycle at different places. Thereafter, he has pointed out the following places (1) Apsara Cycle Shop, Juhapura-shop of Abdul Rahim Gulambhai Mansuri, (2) Star Cycle Shop, Sanklitnagar, Juhapura, (3) M.R. cycle works, Shop No.7, Suhana Apartment, (4) United cycle works Mansuri Masjid Shop-2, (5) shop at Rahil Park-shop of Khurshidbhai Khureshi, Fatehwadi Sarkhej, (6) Unnamed Shop near Chandola Talav, (7) closed shop at Shah-Alam, from where he purchased cycles. This panchnama is proved through PW No.867/Exh.6063 and through Investigating Officer vide Exh.8638.

16.10.40. The Court has perused the deposition of PW-1035/Exh. 7046-Abdul Rahim Gulambhai doing cycle repairing works in the name of Apsara cycle. This witness stated that on 03.01.2009, police came to his shop and at that time one accused and two other people of public

were with police. The name of accused is Mohd. Ismail Mansoori (A-27). This witness stated that he had sold cycle which was purchased by him from scrap, which was sold by him to Mohd. Ismail (A-27). PW-1036/Exh.7047-Khurshidbhai Khureshi, who was doing business at Fatehwadi Sarkhej in the name of Sadik Cycle works has stated that on 03.01.2009, police came to his shop with four police persons, two public people and one accused and at that time, that person who is referred to as accused came to him and he gave Rs.600/- and took cycle from him.

16.10.41. As stated hereinabove, the Court finds that accused No.27-Abdul Rajik had pointed out many places of relevance which would show his conduct. Over and above this, there is other evidentiary material which lends support and corroboration to such pointing out as well as places pointed out also assumes importance as the case of prosecution reveals important part of prosecution case with regards to the locations of the serial blasts. In the opinion of the Court, this aspect of the case of the prosecution is required to be considered in light of the judgment of the Apex Court in case of Mohd. Naushad v. State (NCT of Delhi), reported in (2024) 12 SCC 494, wherein the Apex Court has considered the pointing out by the accused of the shop where the duplicate key of the stolen vehicle was prepared, the shop where its fake number plates were prepared, the place where the vehicle had been parked prior to the blast, the Dulhan Dupatta shop where it had been parked on the date of the failed attempt, and the shops from where various articles used in preparing the bomb, including wire, a drill machine, a gas cylinder, soldering iron and solder, a 9V battery and a wall clock, had been procured or worked upon. Upon finding the relevant pointing out circumstances proved against the respective accused, the Apex Court treated the knowledge of the accused persons of

such places, particularly facts which were not previously known to the police, as incriminating circumstances which, together with the other evidence, established their participation in the preparation and execution of the conspiracy.

16.10.42. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.27-Mohammad Ismail @ Abdul Rajik @ Musaf @ Furkan S/O Mohammad Isaak Mansuri. The Court has therefore, no reason to interfere with the conviction recorded.

16.11. In case of Mohammadali @ Jamal @ Zia @ Yasar @ Abubakr S/O Mohramali Ansari (Madhya Pradesh) (A-26)

(Appellant in Criminal Appeal No. 1710/2023)

16.11.1. In case of accused No.26-Mohammadali @ Jamal @ Zia @ Yasar @ Abubakr S/O Mohramali Ansari, he has been convicted for various offences by the trial Court, and has been sentenced to imprisonment for life in Sessions Case No.38/2009 and others.

16.11.2. Learned advocate Mr. Somnath Vatsa appearing for accused No.26-Mohammadali Ansari submitted that the submission qua this accused is identical to the submission made for accused No.26-Mohammadali Ansari. Therefore, prayed for adopting the submissions in common. The role of this accused is to have attended the camps at Vagamon and Halol.

16.11.3. Another role attributed is to have made arrangement for accommodation for co-accused Fukran. For this though prosecution relies on evidence of PW No.1126-Navalkishor Mithulashankar Agrawal, who was examined vide Exh.8086. This witness is not naming

this accused at all nor identified and therefore, the role attributed is not established.

16.11.4. The prosecution has examined another witness PW No.1127-Mohammad Irshad Mohammed Mumtaz Ansari, who was examined vide Exh. 8087, for this same fact viz. this accused provided for accommodation for co-accused by helping in renting out of a poultry farm under the guise of doing business. However, this witness was declared hostile. Despite this, Special Court has relied upon the evidence of this hostile witness to establish the identity of this accused in this offense.

16.11.5. It is argued that even if the contradiction of the hostile witness are proved by putting proper question to the investigating officer, those contradictions cannot take place of substantive evidence. According to learned advocate, the attempt of the prosecution was exactly which the Special Court has accepted as an evidence against this accused.

16.11.6. Learned Additional Advocate General on behalf of State has submitted that the prosecution would submit that one of the alias names of accused No.27-Mohd. Rajik is Furkan, which is clearly revealed from the cause-title of appeal filed by accused No.27-Mohammad Ismail Mansuri as well as he being A-20 of Kerala Sessions Court proceedings. In the cause-title of Judgment, one of his alias names shown is Furkan. So far as, accused No.26-Mohammadali Ansari is concerned, he is one of the conspirators and therefore, it is submitted by prosecution that fountain head of conspiracy is Vagamon camp, where different activities like shooting, preparation of bomb etc. are undertaken much secretly by all the participants of Vagamon camp. It is submitted that for this particular terror camp, separate offence is also registered against the

participants of the camp at the police station in Kerala and charges under Sections 10, 20 and 38 of UAPA Act and under Section 120 B of I.P.C as well as Section 4 of Explosive Substance Act, 1908 are framed. Prosecution's case is substantiated by this particular registration of offence, framing of charge and conviction for some of the accused. Prosecution specifies here that prosecution fully relies only on the evidence led by it in the proceedings.

16.11.7. It is submitted that also considering the sequel to this fountain head of conspiracy as like conspiratorial meeting held at Halol in the month January 2008, one another conspiratorial meeting at accused No.4-Samsuddin Shaikh's Nana's house, different conspiratorial meetings right up to the day of occurrence i.e. 26.07.2008 from which it clearly established that ultimate object for hatching conspiracy was to commit an act of mass killing, taking of revenge for loss of Muslim lives in 2002 riots, doing Jihad, giving Takrir, preparation of bomb, stealing of cars, planting of bombs, staying in hotels in dummy names also stay of some accused at Sherpura Bharuch house, stay and preparation of bomb at 10 Al-Mohammadi Society Danilimda, Ahmedabad, stay at Vatva house as well as few other places, association etc of accused with SIMI and which ultimately leads to achieving of conspiratorial objects by bomb explosion at Ahmedabad at different places on 26.07.2008 and planting of bomb at different places at Surat. All these acts done separately by different accused, but achieving common object of conspiracy clearly shows from different evidentiary material and based on it making reasonable inference makes out a probable catalogue that all the conspirators have meetings of mind implied agreement to commit an offence though all the conspirators would not be knowing each other or may not be knowing acts committed by each other or even known to

each other but their acts by themselves makes them conspirators.

16.11.8. It is further submitted that while considering different conspiratorial acts, the prosecution would submit that evidence of PW No.957-Zakir (Jakir) Hussain Abdul Jabbar Kureshi vide Exh.6687, PW No.1141-Aiyaz Razakmiya Saiyed (approver) vide Exh.8191, Riyaz Hussein (though hostile but relevant), PW No.1117-Asif Usman Shaikh vide Exh.8019, PW No.1098- Asif Vora vide Exh.7769, PW No.1115-Mohd. Umar Mansoori vide Exh.8002, PW No.1097- Mehtab Shaikh vide Exh.7767and PW No.1131-Mohamaadrafik @Baba Shaikh vide Exh.8118 and confessional statements of different accused which are voluntary and truthful and their statements of retraction is false, different panchnamas falling under Section 27 of Evidence Act importantly which would include disclosure statements of accused No.1-Jahid Shaikh made on 19.09.2008, i.e. Exh.6656 which led to discover some explosive substance, chance fingerprint of accused No.38-Mohammad Saif and some pertinent objects which leads to use of this house for the purpose of preparation of bombs, stayed by different accused at this place and taking on rent this place together with disclosure statement made by accused No.63-Mohammad Tanvir on 28.08.2008 .i.e. Exh.2757 which led to discovery of certain objects from house of house D-34 River View Society, Surat, wherein from some object, discovered, explosive elements were found and different pointing out panchnamas through which places of relevance as like place of Vagamon camp, Halol camp, D34-River View Society, Surat, 10 Al-Mohammadi Society, Danilimda, Ahmedabad, Vatva house etc. all together establishes conspiracy under Section 120B of IPC and conduct under Section 8 of Evidence Act. enunciated in the case of ***Nalini (supra)***, all the standards are met and fulfilled by prosecution.

16.11.9. It is submitted that so far as accused No.26-Mohammadali Ansari is concerned, he is one of the conspirators and therefore, prosecution invokes Section 10 Evidence Act.

16.11.10. It is submitted that the prosecution has examined witness named PW No.1126-Navalkishor Mithulashankar Agrawal vide Exh.8086, who is running grocery shop in a place called Shivni of Madhya Pradesh. The police came to him in the month of November 2008. He further states that, one Mohd. Rashid came to him for the purpose of taking his godown on rent. Rashidbhai came with one person and after taking on rent, Rashidbhai and the said person started poultry farm at that place. Witness denies that person who came with Rashidbhai was Irshad @Babu. He also denies that in his police statement he had not stated about person who came with Rashid was Irshad @Babu. This omission is proved by prosecution through PW-1133-Mansinbhai Devjibhai Chaudhary vide Exh.8134. Considering the cross-examination of this witness Naval, defence has not denied nor assailed aspect of taking on rent poultry farm of this witness. In view of above, the prosecution has proved fact of Mohd. Irshad, being in a business of poultry farm and also took one place from witness Naval for the purpose of poultry farm and prior to 2 to 4 months from November 2008, the witness took poultry farm on rent.

16.11.11. The Court has considered the rival submissions of the parties. Considering this evidence and examining it in context of evidence of PW-1127/Exh. 8087 named Mohd. Irshad, it is clear that this witness Mohd. Irshad is in business of Poultry farm and was in search of poultry farm and for that purpose he contacted Rashidbhai and through

Rashidbhai witness Mohd. Irshad took on rent the place of witness Naval for the purpose of poultry farm.

16.11.12. The Court finds that the witness denies about accused No.26-Mohammadali Ansari having met him in Mosque and that accused No.26-Mohammadali Ansari's real name is Mohd. Ali and alias name is Yasir. The witness is declared hostile and after declaring him hostile during the course of cross-examination, the prosecution has brought on record relevant omission which would reveal that witness Mohd. Irshad meeting a person in Mosque is Yasir, whose real name is Mohd. Ali i.e. accused No.26-Mohammadali Ansari. He also denies that Yasir wanted to see his poultry farm. Witness also denies omission put by prosecution that Mohd. Ali came with three boys for the purpose of facilitating their stay at witness's poultry farm. Witness also denies the omission that Mohd. Ali gave name of these three boys as (1) Furkan, (2) Abid, (3) Karim. Witness also denies omission about Furkan's real name is Mohd. Ismail @Mohd Rajik, Abid's real name is Mujib and Karim's real name is Irfan Kareliwala and these three stayed at the poultry farm of Mohd Irshad from 11.08.2008 to 30.08.2008. There is no substantive cross-examination by defence. It appears that all the above referred omissions brought on record by prosecution are proved through PW-1133/Exh.8134 M D. Chaudhary. Considering the above evidence, so far as person named Furkan is concerned, whose real name is Mohd. Ismail @Mohd Rajik is accused No.27-Mohammad Ismail Mansuri of the present proceedings. Person named Abid's real name is Mujib, who is a deceased accused of the present proceedings. Person named Karim's real name Irfan Kareliwala is accused No.53-Mohammad Irfan.

16.11.13. Hence, considering the totality of above referred evidentiary material, aspect of witness Mohd. Irshad having taken place on rent for

poultry farm from witness Naval is established. Identity of person who came to witness Naval along with person Rashid was none other than Mohd. Irshad, is also established and in the fact of the matter considering Section 154 (2) of Evidence Act and the proved contradiction through Investigating Officer Shri Chaudhary. Accused No.26-Mohammadali Ansari is fully involved in providing shelter to accused No.27-Mohammad Ismail Mansuri @ Abdul Rajik, accused No.53-Mohammad Irfan and deceased accused Mujib at the poultry farm of witness Mohd Irshad.

16.11.14. The Court finds that accused No.26-Mohammadali Ansari is involved by accused No.2-Imran Ibrahim Shaikh in his confessional statement as one of the attendee-conspirator on his participation at Vagamon camp in December 2007. accused No.26-Mohammadali Ansari is from Madhya Pradesh. Many other co-conspirators are also from Madhya Pradesh, more particularly their leader accused No.12-Safdar Nagori. As this was the secret camp, an identity of each conspirator was also to be kept hidden and secret even from each other. Code name of accused No.26-Mohammadali Ansari as stated by accused No.2-Imran Ibrahim Shaikh is Abu Basar. So far as, details and activities conducted at this camp are concerned, the evidence is discussed in appreciation of the evidence of eye-witnesses and the confessional statements of co-accused.

16.11.15. Accused No.26-Mohammadali Ansari is also one of the accused in Kerala FIR proceedings, which after conclusion of investigation culminated into filing of chargesheet and also conclusion of Session's Trial after framing of charge under Sections 10, 20 and 38 of the Unlawful Activities (Prevention) Act, 1967 and 120 B of Indian Penal Code alongwith few other Penal Provisions. Mohammadali Ansari is arraigned in Kerala Proceedings at A-9, though he stands acquitted there.

16.11.16. The Court finds that accused No.2-Imran Ibrahim Shaikh has also involved accused No.26-Mohammadali Ansari as one of the participants of Halol camp. Accused No.2-Imran Ibrahim Shaikh has very clearly stated at running page (773573) that four participants were from Madhya Pradesh. These four participants of Madhya Pradesh are accused No.9-Kamruddin Nagori, accused No.10-Aamil Parvaz Shaikh, accused No.12-Safdar Hussain Nagori and accused No.26-Mohammadali Ansari. So far as, names given by accused No.2-Imran Ibrahim Shaikh is concerned, who are coming from Madhya Pradesh. These are the only four accused from Madhya Pradesh and there is no other named by accused No.2-Imran Ibrahim Shaikh from Madhya Pradesh. It is pertinent to state here that code names given by accused No.2-Imran Ibrahim Shaikh. So far as persons from Madhya Pradesh is concerned, one code name is Ali and accused No.26-Mohammadali Ansari's alias name is also Ali.

16.11.17. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.26-Mohammadali @ Jamal @ Zia @ Yasar @ Abubakr S/O Mohramali Ansari. The Court has therefore, no reason to interfere with the conviction recorded.

Usmani, he has been convicted for various offences by the trial Court, and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.12.2. According to prosecution, the role attributed to accused No.28-Afzal @ Afsar Usmani in the conspiracy is to provide for a car which was to be utilized for packing of Bomb and explosives in the car and parking it at a place, where it can strike a terror attack.

16.12.3. Learned Advocate Mr. Hriday Buch for the accused submits that the accused cannot be treated as SIMI worker as he has not participated in the camp at Halol or Vagamon. It is further submitted that to connect accused No.28-Afzal Usmani with the car, the prosecution has relied on a witness, who is employee in a Guest House. Learned Advocate referred to deposition of PW No.985-Hasan Ali Ahmedbhai Sunsara vide Exh.6852 and submits that his evidence is not reliable as he has not identified accused No.28-Afzal Usmani. Moreover, the documentary evidence in the form of register at Hotel is also doubtful as in that Register, the entry of car registration number is made only against the name of accused, whereas against other guests no car registration number is entered. Thereafter, it is also argued that the prosecution has exhibited those registers' entry only in 'pages' form and not entire register of the Hotel. Also, that this entry in Register is of no use as the same is 10 days prior to the incident.

16.12.4. The Court is of the view the argument that the entry in Hotel Register being 10 days prior to the incident is of no consequence as 10 days period is quite proximate to the crime. In fact, it appears that the period of 10 days taken for shifting the 'car' to its destination both at Ahmedabad and Surat and thereafter, stuffed it with explosive etc.

16.12.5. Learned Advocate has referred to evidence of Investigating

Officer; PW No.1075-Vijaysingh Juvansingh Jadeja vide Exh.7311, who investigated joint stay of accused No.28-Afzal Usmani and accused No.69-Amin @ Raja S/O Ayub Nazir Shaikh in the Hotel in the fake name. It is submitted that making entry in the Register in a different name does not amount to forgery.

16.12.6. Learned Advocate has thereafter argued that a panchnama Exh.6438 is relied by the prosecution to connect accused No.28-Afzal Usmani with the car, however, such panchnama cannot be accepted as the same is drawn after almost four years and there is variation in the colour of the car mentioned as grey in colour. Moreover, the witness has not identified in Court.

16.12.7. The Court has perused panchnama Exh.6438, which is exhibited by examine the panch witness being PW No.899-Shersinh Khusalsinh Mahavar vide Exh.6437, who has deposed to the voluntary disclosure by the accused about the car and its usage. The disclosure to the Court being voluntary in nature and it points out the place where it was part for explosion at the location identified the accused coincides with the panchnama of scene of offence. The Court has already discussed about the Section 27 panchnama and its acceptance as evidence in a separate chapter of 'issues'.

16.12.8. Learned Advocate has thereafter assailed evidence Exh.5321 of the 'Express-way'. It is submitted that in the aforesaid deposition, the communication Exh.5322 does not mention anything of series of registration, make of car or even colour of the car. Therefore, no connection of the car. Moreover, accused No.28-Afzal Usmani being an accused of this car theft registered at Mumbai, where he has been acquitted.

16.12.9. Learned Advocate has also assailed the other set of evidence

Exh.6349 and 6314 submitting that these panchnamas cannot be under Section 27 as it has not lead to any discovery of material object and it is a disclosure of these aspects and circumstances already known to Investigating Officer.

16.12.10. Thereafter, there is a evidence being Exh.6649 where the evidence pertains to repairing of the Maruti 800 car. The witness deposes to have repair the car, but not able to identify the accused in the Court.

16.12.11. It appears that the accused has been awarded death sentence and the case comes up for confirmation, but there is no appeal filed by him.

16.12.12. Learned Additional Advocate General has submitted that before placing evidentiary material against accused No.28-Afzal Usmani, one of the sequel to the conspiracy is stealing of cars from Maharashtra and bringing it to Surat and Ahmedabad and loading it with bombs and explosive materials and placing them at four different places namely at a place of Civil Hospital, Ahmedabad; secondly at the place of L. G. Hospital, Ahmedabad and two other places in Surat.

16.12.13. It is submitted that prosecution would rely on Panchnama Exh. 7367, which is drawn on 01.10.2011 between 12.30 hours to 13.30 hours by Surat Police at DCB Police Station, where one accused namely Mohd. Mubin @ Irfan S/o. Abdul Shakur Khan, resident of Madhya Pradesh was present, who is accused No.70-Mohammad Mobin @ Mubin @ Irfan S/O Abdul Sakurkhan of the present case. On the basis of register at Exh. 2858, disputed writings are marked as Mark D and based on it, two sample hand writings of accused No.70- Mohammad Mobin are taken through this panchnama, which are marked as Mark S1 to S6 and from the bag hold by the accused, handwriting of accused

No.70-Mohammad Mobin were found and they were also seized as Mark N and Mark N1. Panchnama Exh. 7367 is proved through PW No.1078-Yusuf Daudbhai Shaikh vide Exh. 7364. Sample handwriting of accused No.70-Mohammad Mobin is Exh. 7365 and natural handwriting of accused No.70-Mohammad Mobin is Exh. 7366.

16.12.14. The Court has perused the evidence of PW 985-Hasanali Ahmedbhai Sunsara vide Exh. 6852, who was working as Manager at Hotel Shrinath and Guest House, Valsad. He deposes that he was working at this Hotel since the year 2003 and the owner of this hotel is one Meenaben Desai. He also states about he being interrogated by the police. The witness is shown one Register which is Exh. 2858 of his hotel i.e. Hotel Shrinath and Guest House, Valsad. He is shown entry of his hotel's Register, more particularly, Entry No.424, which shows in Column No.2 three names; (1) Kishan Vanzari, (2) Amin Shaikh and (3) Usmani. Witness also states about signature of customer in the second last column of the Register and below it, number of motorcar as mentioned by writer is GJ-6-CD-3569. The witness further deposed that this Register was seized by Pardi Police and on the last page of this Register, he identifies his signature and the rubber stamp at the time of its seizure. He further deposed that customers of Entry No.424 came to his hotel on 09.07.2008 at 11.00 hours in the night and the car written in the entry is of Wagon R car, which was black in colour. They were speaking Hindi and they were allotted Room No.102 and they left the hotel on the next day i.e. on 10.07.2008 at around 09.15. hours. These persons were of age between 25 to 30. He further states that in the month of October, 2008, he was called at Killa Court for identifying persons, who stayed at his Hotel and he firstly identified one person who stayed at his hotel and, thereafter, in the year 2011, he was again called

for the purpose of identification, where he identified other two persons who stayed at his hotel. He was also further interrogated on this aspect. During the course of his deposition, he further states that he is unable to identify those three persons whom he identified successfully in test identification parade. During the course of cross-examination, he reiterates that some part of the entry are in the handwriting of the customer. He denies that entry in Register Exh. 2858 is done at the instance of police and to help police.

16.12.15. The Court find that disputed hand writings of Register Exh. 2858 alongwith sample and natural handwriting of accused No.70-Mohammad Mobin were sent for opinion of Handwriting Expert through forwarding letter Exh. 7989 and upon its examination, Handwriting Expert has given his opinion at Exh. 7990, which opines that disputed writings of Register Mark D as well as Mark D1 are written by writer of sample handwriting S1 to S6 and N. Based on this opinion, it is established that entry in Register Exh. 2858 is in the handwriting of accused No.70-Mohammad Mobin. As Hasanali Exh. 6852 was subjected to Test Identification Parade, which is at Exh. 3100 and during the course of this Test Identification Parade, he successfully identified present accused i.e. accused No.28-Afzal Usmani. The prosecution has proved this Test Identification Parade panchnama Exh. 3100 through PW No.575-Kirtanbhai Chaturbhai Patel vide Exh. 3076. Thereafter, this witness was subjected to Test Identification Parade vide Exh. 6844 and during this parade, he successfully identified accused No.70-Mohammad Mobin and accused No.69-Amin Shaikh. Prosecution has proved Test Identification Parade at Exh. 6844 through Executive Magistrate PW No.982-Kanaiyalal Dhirajlal Raja vide Exh.6842.

16.12.16. In the light of established and proved circumstances, it is established beyond doubt that on the basis of hotel Registers of Hotel Shrinath Guest House, which is Exh. 2858 and also through Entry No.424, wherein, there are two disputed writings, one marked as Mark D and other marked as Mark D1 are written by accused No.70-Mohammad Mubin as the entry relates to three persons having stayed at this hotel for a period mentioned hereinabove and there is also mention of Motorcar No.GJ-6-CD-3569, which is Black Wagon R. It is further established that these three accused i.e. accused No.28-Afzal Usmani, accused No.69 and accused No.70- Mohammad Mubin stayed at this hotel from 09.07.2008 to 10.07.2008. It further establishes that accused No.70-Mohammad Mobin personated himself so far as his name is concerned, as his real name is Mohammad Mubin but he gave his fake name Kishan Vanzari to the hotel authorities.

16.12.17. It is submitted that the prosecution would rely on evidence of panchnama Exh.6782 drawn on 07.01.2009 between 08.15 hours to 09.00 hours, through which accused No.28-Afzal Usmani led investigators to the hotel named Hotel Shri Balaji Lodge situated at Mumbai-Goa Highway, Panvel, and that after leading investigator to that place, on inquiry, Register of Occupancy was seized from the person present at the reception of the hotel. It is submitted that during the course of Panchnama, person present at the reception recognized accused No.28-Afzal Usmani as a person who stayed at Hotel Shri Balaji Lodge with two other persons, and that the relevant entry of their stay was recorded at Entry Serial No.99, which would show stay of three persons named (1) Kishan Vanzari, (2) Amin Shaikh and (3) Usmani, residents of plot No.106, Vasant Barai Road, Jalgaon. Entry is in english and they stayed in Room No.305 from 07.07.2008 from 17:15 p.m. to

Exh.6315.

16.12.23. The Court has considered the submissions of the parties. In the opinion of the Court, in all four motorcars were stolen and their registration numbers were tampered and were used for the purpose of planting bomb in it, which got exploded at two places and remained unexploded in other two places at Surat. So far as fact of four cars being stolen from State of Maharashtra is concerned, the same is established by four different FIRs, which relate to registration of offence for stealing of cars and prosecution has examined either first informant or victims whose cars are stolen. In view of above, this being one of the sequel to the conspiracy of achieving the ultimate object of mass killing through planting of bomb in the stolen car and getting it exploded and thereby causing mass killing.

16.12.24. The Court finds that one car was stolen on 7-8th July, 2008, for which FIR was registered at Panvel Police Station and FIR of theft was also submitted at Exh. 6832. Registration Book, insurance papers, etc. of the stolen car are produced at Exh. 6833. This car is silver Wagon R. Silver Wagon R car was used for the purpose of loading and planting bombs at Civil Hospital, Ahmedabad. This silver Wagon R loaded with bomb exploded, which took loss of lives of many persons and also caused injuries to many and damaged to huge property, for which FIR was registered at Shahibag Police Station. Real registration number of this stolen car is MH.06.AF.9719, whereas fake and tampered number is GJ.06.CD.9718.

16.12.25. It appears that another car was stolen for which FIR came to be registered on 7-8th July, 2008 which is submitted at Exh. 7067. Actual and real registration number of this car is MH-43-R-3569, whereas fake and tampered number is GJ-6-CD-3569. This motorcar is

black Wagon R used for the purpose of planting explosive substance and parking it at a place situated within Kapodara Police Station, Surat and FIR to that effect is also registered at Kapodara Police Station.

16.12.26. The Court finds that one other car being Maruti 800 is stolen on 14/15 July, 2008, FIR for which was registered at Navi Mumbai and the same was produced alongwith other motorcar papers at Exh.7316. The said car loaded with bomb was placed at L. G. Hospital and bombs exploded, which led to registration of offence at Maninagar Police Station. Actual registration number of this car is MH-05-H-5764, while fake and tampered number is GJ-1-HF-5764. As car was loaded with bombs and got exploded, the car was damaged and the same is proved through panchnama Exh. 2036. Damaged Chasis of the car is also seized during course of investigation.

16.12.27. The Court finds that fourth motorcar being Red Maroon Wagon R is stolen on 14/15 of July, 2008 and for the theft of this car, offence of theft is registered and FIR of theft is submitted at Exh.7070 and registration book of this car is submitted at Exh.7071. Actual and genuine number of this motorcar is MH-06-AF-8294., whereas fake number of this very motorcar is GJ-6-CD-2908. This car was parked with plantation of bomb inside the car, for which FIR was registered as C.R.No. I-176/2008 at Kapodara Police Station. As bomb remained unexploded, the car was seized through Muddamal Pavti No.6/2008 at Serial No.27, relevant would be Exh.2350 and Exh.2411.

16.12.28. It appears that for the theft of Black Wagon R, an FIR was registered at Vasi Police Station. Period of offence for theft of this car is 19.00 hours to 17.00 hours of 07.07.2008 to 08.07.2008. The prosecution has placed this FIR at Exh. 7067. Prosecution has also examined first informant of this FIR as PW No.1045-Nitaben Pradipbhai

Madhav vide Exh. 7066 and Registration Book is at Exh. 7068. This car is seized in Kapodara Police Station under I-C.R.No.175/2008 and produced through Muddamal Pavti No.3/2008 at Serial No.37 vide Exh. 2336.

16.12.29. To the Court it appears that the several set of evidences are common for A-28, A-69 and A-70 and therefore are referred to hereinbelow and for the sake of avoiding repetition, the Court has taken into consideration jointly and therefore only, the discussion qua each of the accused namely; A-28, A-69 and A-70 are dealt with by the Court in succession.

16.12.30. The Court has perused the evidence of PW 985-Hasanali Ahmedbhai Sunsara vide Exh. 6852, who was working as Manager at Hotel Shrinath and Guest House, Valsad. He deposes that he was working at this Hotel since the year 2003 and the owner of this hotel is one Meenaben Desai. He also states about he being interrogated by the police. The witness is shown one Register which is Exh. 2858 of his hotel i.e. Hotel Shrinath and Guest House, Valsad. He is shown entry of his hotel's Register, more particularly, Entry No.424, which shows in Column No.2 three names; (1) Kishan Vanzari, (2) Amin Shaikh and (3) Usmani. Witness also states about signature of customer in the second last column of the Register and below it, number of motorcar as mentioned by writer is GJ-6-CD-3569. hotel on the next day i.e. on 10.07.2008 at around 09.15. hours. These persons were of age between 25 to 30. He further states that in the month of October, 2008, he was called at Killa Court for identifying persons, who stayed at his Hotel and he firstly identified one person who stayed at his hotel and, thereafter, in the year 2011, he was again called for the purpose of identification, where he identified other two persons who stayed at his hotel. He was also further interrogated on this aspect. During the course of his deposition, he further states that he is unable to identify those three persons whom he identified successfully in test identification parade. During the course of cross-examination, he reiterates that some part of the entry are in the handwriting of the customer. He denies that entry in Register Exh. 2858 is done at the instance of police and to help police.

16.12.31. The Court find that disputed hand writings of Register Exh. 2858 alongwith sample and natural handwriting of accused No.70-Mohammad Mobin were sent for opinion of Handwriting Expert through forwarding letter Exh. 7989 and upon its examination, Handwriting Expert has given his opinion at Exh. 7990, which opines that disputed writings of Register Mark D as well as Mark D1 are written by writer of sample handwriting S1 to S6 and N. Based on this opinion, it is established that entry in Register Exh. 2858 is in the handwriting of accused No.70-Mohammad Mobin. As Hasanali Exh. 6852 was subjected to Test Identification Parade, which is at Exh. 3100 and during the course of this Test Identification Parade, he successfully identified present accused i.e. accused No.28-Afzal Usmani. Exh. 6844 and during this parade, he successfully identified accused No.70-Mohammad Mobin and accused No.69-Amin Shaikh. Prosecution has proved Test Identification Parade at Exh. 6844 through Executive Magistrate PW No.982-Kanaiyalal Dhirajlal Raja vide Exh.6842.

16.12.32. The Court finds that so far as theft of Black Wagon R is concerned, these accused persons are involved. After stealing this car, they brought to Valsad and stayed at this particular hotel mentioned above. These three persons are involved and there are many other circumstances, which would be elaborated hereunder, which would further establish that these three accused persons of whom accused No.70-Mohammad Mobin and accused No.69-Amin Shaikh are from Madhya Pradesh and accused No.28-Afzal Usmani is from Maharashtra are involved alongwith other accused persons as well. So far as seizure of Hotel Register Exh. 2858 is concerned, it is seized through panchnama at Exh. 2857 on 23.10.2008 by DCB Police Station, Surat City and proved through Panch Witness PW No. 466-Hemang Gunvantray Upadhyay vide Exh. 2856. This panchnama is drawn by investigator, who is examined by prosecution as P No.1157-Rajedrasinh Ranjitsinh Sarvaiya vide Exh. 8566.

16.12.33. It may be pertinent to observe here at the cost of repetition that, a silver coloured Wagon R was stolen, for which an FIR was registered at Panvel City Police Station, Navi Mumbai. As per the FIR, period of offence is between evening of 07.07.2008 to early morning of 08.07.2008. A black coloured Wagon R was stolen between 19:00 hours of 07.07.2008 to 17:00 hours of 08.07.2008 while the silver coloured Wagon R was stolen during the intervening night of 07.07.2008 to 08.07.2008. were stolen, as well as the registration of FIRs, it directly relates to stay of these three accused namely accused No.28-Afzal Usmani, accused No.69-Amin @ Raja and accused No.70-Mohammad Mobin at Hotel Shri Balaji Lodge as mentioned in hotel register; Exh.6783. This hotel is situated in close proximity from where the aforesaid cars were stolen, and Exh.6783 clearly shows that address of this hotel is Bombay-Goa Highway, Panvel. In the context of this circumstance, another circumstance which emerges from Exh.2858, being the hotel register of 'Hotel Shreenath and Guest House', Valsad is that Entry No.424 of this register also records the names of these very three persons in the same sequence. The register further shows that these three persons arrived from Mumbai on 09.07.2008 at 11:00 p.m. and left the hotel at 10.07.2008 at 9:15 a.m. This Entry No.424 of register also mentions car number GJ-6-CD- 3569 as well as the signature of occupant of hotel room. Though, register of Balaji Lodge at Exh.6783 is not subjected to opinion of Hand Writing Expert, but as Hotel Shreenath register at Exh.2858 was subjected to opinion of Hand Writing Expert, which clearly opined that entry of hotel Shreenath is written by accused No.70-Mohd. Mobin. The manager of Hotel Shreenath in Test Identification Parade has also identified the aforesaid three persons who came and stayed at this hotel. It is also established that, name mentioned in register is that of Kishan Vanjari which is also a fake name given by accused No.70-Mohammad Mobin, as handwriting belongs to him. The Court finds that address of these three persons i.e. accused No.28-Afzal Usmani, accused No.69-Amin @ Raja and accused No.70-Mohammad Mobin is found to be same as mentioned in both the registers i.e. Balaji and Shreenath. In both the registers address mentioned is Plot no.106, Vasant Barai Road, Jalgaon. In view of above, Exh.6783 though not

examined by Hand Writing Expert, is directly comparable with Exh.2858 and needs to be appreciated like wise.

16.12.34. The Court has perused the evidence of PW-977/Exh.6820 Kamal Thapar of Navi Mumbai. The witness deposed that he is in the business of preparing number plates and sign boards since 2003-2004 in the name of Pappu Radium. The witness further deposed that on 30.08.2011 Crime Branch Police came to him with two persons named accused No.70-Mohammad Mobin and accused No.69-Amin @ Raja. As per the witness, he knows these two persons as they were coming to him for preparing number plates. The witness further deposed that they came in the year 2008 and got prepared two number plates of Gujarat bearing GJ-6 and further deposed that they said that their cars are kept in garage and cars were Wagon R. Witness also states that they were coming regularly. In cross-examination para 3, witness states that customers, who came regularly would be known. In cross-examination para 5, witness again states that as he would know these two persons, these two persons would also know him.

16.12.35. The Court has perused the evidence of evidence of Gulam Hussein Pathan, resident of Bharuch, who is examined at PW-1138/Exh. 8165. Evidence of this witness relates to his other house at village Sherpura, which he gave on rent to a person named Rafik Shaikh in the month of July 2008. As per his deposition, this person who is Rafik Shaikh was given keys of his Sherpura house and when Rafik Shaikh came to give deposit, he came with one silver color Wagon R whose number as known to him is GJ-06. The entire evidence of this witness would establish, the case of prosecution is Sherpura house was kept on rent by person named Rafik Shaikh, but prosecution has established identity of this Rafik Shaikh as accused No.45, whose name is Fazle

Rehmaan. This witness has also deposed that all the three persons were also staying at his Sherpura house and they are accused No.43-Anik @ Khalid, accused No.44-Mohammad Akbar as well as accused No.45-Fazle Rehmaan. This case of prosecution is based on Test Identification Parade report through which this witness i.e. Gulam. identified accused No.43-Anik @ Khalid and accused No.44-Mohammad Akbar and also accused No.45-Fazle Rehmaan whose fake name is Rafik Shaikh. Therefore, the silver Wagon R was brought to Surat and gas was filled at Vanaj petrol pump on 10.07.2008 and thereafter was taken to Bharuch again and found in the possession of accused No.45-Fazle Rehmaan.

16.12.36. The Court finds that the evidence of PW-947/Exh. 6640 named Hamidbhai Memon, who is resident of Bharuch and runs a petrol pump near sherpura gam. He has deposed that on 12.12.2008, he was at his petrol pump and police came with one person whose name is Fazale Rehman and he said that he filled petrol at this petrol pump in his Wagon R motor car bearing number was either 9718 or 9719. The witness also deposed about this happened between 15.07.2008 to 17.08.2008 and he also submitted a bill book bearing bill number 162 dated 17.07.2008 of motor car number 9719, a xerox of it was given by witness to the police. This bill is submitted through list Exh.6641 and the same is on record at Mark A. During the course of cross- examination, suggestion was put to this witness about no such person having come to the petrol pump of witness. Witness replies that, it was Fazlu Rehman who said that he came during 15.07.2008 to 17.07.2008. Considering this deposition, though particular bill is mark A, but so far as evidence of witness Hamidbhai is concerned, it is established that accused No.45-Fazle Rehmaan came to this petrol pump with a car of above referred number. The evidence of this witness is required to be seen alongwith evidence

of event relating to Vanaj petrol pump as well as evidence of witness named Gulambhai of Sherpura.

16.12.37. The Court also perused the deposition of PW-948/Exh. 6642 named Irfan resident of Bharuch, who runs a garage at Sherpura, Bharuch. He has stated that police having come to him on 12.12.2008 with one accused whose name as known through police is Fazlu Rehman. Witness recognized this person (Fazlu Rehman) as a person who came to his garage for repairing of his motor car in the month of July. Witness further states about he going with this person (Fazlu Rehman) to Sherpura, where his Maruti Wagon R car was lying. Witness further states that he repaired that Wagon R car and according to witness, the car was off-white color. The defense has put suggestion about name of accused was known to witness through police. Even otherwise in examination in chief, witness has stated the same but relevant which has come in cross- examination is that witness saw accused when his car got broken down. This is suffice, that witness had known accused. The evidence of this witness Irfan, which is also required to be seen with the evidence of witness Gulam, Vanaj petrol pump and witness Hamidbhai.

16.12.38. Moreover, it has come on record by way of evidence of PW 1075/Exh.7388, Investigating Officer that accused No.69-Amin @ Raja and accused No.28-Afzal @ Afsar also stayed at hotel Shri Dutt, Panvel. During panchnama Exh.7318, Investigating Officer PW-1075/Exh. 7311 has seized register of hotel Shri Dutt Exh.7319. This panchnama and hotel register are proved through this investigating officer PW-1075/Exh.7311 Vijay Jadeja. In hotel Shri Dutt register entry number 2462 is in the name of Amin Shaikh as well as of Afzal Shaikh. The date of arrival of Amin Shaikh and Afzal Shaikh was 14.07.2008 at 11:00

a.m. and date of departure was 15.07.2008 at 11:30 a.m. In the address column, addresses of both the accused are written and it is Khajrana Palace, Indore, Madhya Pradesh. This address is of accused No.69-Amin @ Raja as accused No.69-Amin @ Raja has also given this very address in his appeal memo i.e. Criminal Appeal No.1710 of 2022. During this period, Maruti 800 car was stolen between 14.07.2008 to 15.07.2008 and F.I.R is at Exh.7316. Moreover, between 14.07.2008 to 15.07.2008, maroon-red color Wagon R was also stolen, F.I.R. of which is at Exh.7070. Maruti 800 car was ultimately used at LG hospital blast and maroon-red color Wagon R number GJ-6-CD-2908 was ultimately used for plantation of four live bombs at Sonal Bhel parking at Kapodra which was recovered during panchnama Exh.2413. F.I.R Exh.7316 was registered at Nerul Police Station, Navi Mumbai and F.I.R Exh.7070 was registered at Panvel Police Station. Hotel Shri Dutt is situated at Panvel, Navi Mumbai. It is pertinent to state that place from where marron-red color Wagon R and Maruti 800 motor car were stolen and the place where hotel Shri Dutt is situated, are near to each other. Furthermore, these three accused are also found present near to hotels which are also close to place of their stealing and most importantly, evidence of Hand Writing Expert, which clearly establishes presence of these three accused at Shreenath Hotel, Valsad alongwith one of the stolen cars. Moreover, during panchnama Exh.2789 from Vanaj Roshni Auto LPG Station, bill book contained bill number 21250 dated 25.07.2008 was recovered. This bill number 21250 dated 25.07.2008 is of vehicle number GJ-6-CD-2908 (red-maroon Wagon R), which is produced at Exh.6009. This bill is proved by PW-856/Exh.6012 and I.O. PW-1157/Exh.8566. From this evidence it reveals that, on 25.07.2008, a red-maroon color Wagon R filled Auto LPG gas at Vanaj gas pump. accused

16.12.39. The Court has perused the deposition of PW-802/Exh.5321, who was working with NHAI received letter Exh.5322 from Investigating Officer, who requested manager of Ahmedabad-Vadodara express way to provide movement of vehicles on express way. The Investigating Officer has asked for the details of different numbers of cars for movement of these cars from Vadodara to Ahmedabad as well as one car's movement of Ahmedabad to Vadodara. Moreover, Investigating Officer has asked photography as well as videography also. Witness produced in his deposition reply to the communication by police at Exh.5323. If we examined this Exh.5323, the details were provided by Ahmedabad Vadodara Express Company Limited, NHAI authority send the movement of specific vehicle on mentioned dates as asked by Investigating Officer and in that reply authority also stated that no cameras are installed at the toll plaza and details of photographs and videographs are not available. If we look to Exh.5323, which was proved by prosecution through PW-802/Exh.5321, following entries are reflected are :-

i. entry of car-2908, dated 16.07.2008, time 18:28:30 hours.

ii. entry of car-5764, dated 16-07.2008, time 18:27:56 hours.

ii. entry of car-9718, dated 23.07.2008, time 13:54:29 hours.

iv. entry of car-9719 dated 23.07.2008 time 18:21:56 hours.

16.12.40. On the lead gathered by investigator from accused No.28-Afzal Usmani, panchnama Exh.6349 is drawn on 26.12.2008 between 18:00 hours to 21:30 hours. When investigating officer as well as F.S.L officer went to parking place of Kalupur Railway station, collected

electronic material including hard disc of Samsung Company which was seized from the place of panchnama i.e. Kalupur Railway Station in the presence of person named Harishbhai Dharamchand Agrawal, who was managing and attending a fare of car parking at that place and another. On examination of this hard disc, it is revealed that vehicle bearing registration number 5764 was parked on 16.07.2008 at 23:57 hours and this car was removed from parking on 19.07.2008 at 16:14 hours. This is proved through Scientific Examination of hard disc at F.S.L office and for proving it, prosecution has examined F.S.L Officer who was present at the time of drawing of panchnama i.e. PW-851/Exh.5985. FSL opinion proved through this witness are Exh.5992 referred hard disc is mark "HA". The prosecution also examined person named Harish Agrawal, a parking contractor in whose presence computer hard disc was seized by police at PW-602/Exh.3229. A person named Virenbhai Rajeshbhai Makwana was also present at the time of drawing of panchnama and attending computer related works who actually removed hard disc from the computer, is also examined by prosecution at PW-925/Exh.6573. Hence, the case of prosecution is that the car found parked at Kalupur Railway Station parking bearing number 5764 is actually Maruti 800 bearing number GJ-1-HF-5764 which as such elaborated earlier is a fake number and the real number is MH-05-HS-5764. The combined perusal of the aforesaid evidences, establishes the movement of the car and the accused No.28, 69 and 70 being connected with it.

16.12.41. The Court has perused the deposition of the receptionist of Prince Hotel named Vijay bhai PW-920/Exh.6550. He has deposed that so far as handwritings of entry of 1326 of register Exh.6315 is concerned, it bears witness's handwritings as well as customers'

handwriting. In para 2 he deposes about the name of customers, date and time of their arrival and their departure and he also states about he being interrogated by police and his statement also being recorded. He also deposes that entry number 1326 was written in his presence. In para 6 of the cross-examination, on a suggestion made by defence, witness stated that entry was in the handwriting of Amin Shaikh, as stated by Afzal i.e. entry was in the handwritings of accused No.69-Amin @ Raja. Panchnama Exh.6316 is proved through panch witness Exh.6314. As register Exh.6315 more particularly entry number 1326 was subjected to opinion of Hand Writing Expert specimen and natural hand writing of accused No.69-Amin @ Raja were taken through panchnama Exh.6512 dated 26.09.2011. This specimen as well as natural hand writing are collectively exhibited at Exh.6511 and the panchnama is proved through panch witness Exh.6510. Specimen and natural hand writing of accused No.69-Amin @ Raja which is Exh.6511 as well as disputed entry number 1326 of hotel register Exh.6315 were sent for Hand Writing Expert's opinion through forwarding letter Exh.6863. On examination of it, hand writing expert's opinion is received and place at Exh.6864 and also proved through hand writing Expert Exh.6862 and is established that disputed writing of entry number 1326 mark as D1 is written by accused No.69-Amin @ Raja. The above referred Circumstance of Maruti 800 being parked at Kalupur Railway Station at parking place and stay of accused No.28-Afzal Usmani and accused No.69-Amin @ Raja very close to the parking place i.e. Prince Hotel and the timings of each other i.e. timing of parking and timing of staying and handwritings in the hotel register of accused No.69-Amin @ Raja establishes the case of prosecution that accused No.28-Afzal Usmani and accused No.69-Amin @ Raja are also connected with parking of Maruti 800.

independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.28-Afzal @ Afsar S/O Mutallib Usmani. The role thereddore of this accused which emerges on record is a crucial one of playing part of the conspiracy to involve stolen four wheeler vehicles and transport the same to other cities where they were to be utilized for the crime. The Court has therefore, no reason to interfere with the conviction recorded.

(Accused No.10 in Criminal Confirmation Case No. 2/2022 and Appellant No.6 in Criminal Appeal No. 1710/2022)

16.13.1. In case of accused No.10; Aamil Parvaz @ Sikandar Kaji Saifuddin Shaikh, he has been convicted for various offences by the trial Court and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.13.2. With regard to accused No.10; Aamil Parvaz @ Sikandar Kaji Saifuddin Shaikh, learned Advocate for the accused; Mr. Hriday Buch has submitted that case of this accused is identical to that of accused No.9 and has therefore, submitted the submissions made for accused No.9, be also treated as submissions for this accused. In addition to aforesaid, reference is made to confession of accused No.21; Mehndihasan @ Viki Abdul Habib Akbarkha Ansari as Exh.8623. However, such confession of Mehndihasan cannot be relied upon for the purpose of convicting the appellant and has submitted that said accused; Mehndihasan was arrested on 08-10-2008 and he applied for confessing the offense on 07-11-2008 and on the same day, he was sent to judicial custody. same as that of Exh.8621, but is recorded in Hindi.

16.13.3. Learned Advocate for the accused has also referred to retraction of Exh.9226. Learned Advocate has submitted that these statements cannot be taken into consideration as evidence as they are exculpatory in nature and do not involve maker of statement.

16.13.4. With regard to the accused No.10- Aamil Parvaz @ Sikandar Kaji Saifuddin Shaikh, the evidence against this accused is identical to that of accused No.9- Kamruddin @ Raja @ Abdulla Chandmohammad Nagori and the role attributed to accused No.10- Aamil Parvaz @ Sikandar Kaji Saifuddin Shaikh is to be the main person who had organized the terror camp at Vagamon. He being a SIMI member has participated in hatching of the conspiracy to cause blast in Ahmedabad and Surat. The holding of the Vagamon camp was established by accused No.13-Hafiz Hussain @ Adnan S/O Tajuddin Mulla who pointed out the place where the Vagamon camp for training was conducted vide panchnama Exh.8254. This panchnama is proved by panch witness PW No.1148- Joseph Joyson vide Exh.8253, which is supported by the evidence of the Investigating Officer as PW No.1163- Mayur Jagmalbhai Chavda vide Exh.8638. The panchnama being under Section 27 of the Evidence Act established the place where the camp had taken place.

16.13.5. The other set of evidence is by way of PW No.989-Raju Gopinathan Nair vide Exh. 6879, who is the Manager of one Shri Hari Tourist Home, who had produced the hotel register and the entry made in the period around 13.12.2008. The documentary evidence in the form of handwriting in the register would establish accused No.14- Mohammad Sajid @ Salim @ Sajjad @ Saad S/O Gulam Khwaja Mansuri, who had made such entries, but had entered a fake name in the

register.

16.13.6. The point out panchnama Exh.8254 at the behest of accused No.13- Hafiz Hussain @ Adnan S/O Tajuddin Mulla has established the holding of the camp at Vagamon. Use of fake name by accused No.14- Mohammad Sajid @ Salim @ Sajjad @ Saad S/O Gulam Khwaja Mansuri is established by the opinion of the handwriting expert PW No.990-Kaushikumar P. Vyas vide Exh.6886 holding that the entry made in the register in a fake name was in fact a handwriting of accused No.14. Therefore, the documentary evidence in the form of the register of the hotel at Exh.6486 and the presence of handwriting of accused No.14 in the vicinity of the camp in a fake name is established by the corroborative piece of evidence of the handwriting expert at Exh. 6886 (Report).

16.13.7. The other circumstance to establish the holding of Vagamon camp is a confessional statement by accused No.76-Manjar Imam at Exh.9021. The detail of this confessional statement is already covered under the chapter of the confessional statement. This is a statement which was recorded in the investigation of the crime registered at Kerala for the Vagamon camp and in this confessional statement, the participation and organization of the camp by accused No.10 has surfaced. The confessional statement refers to accused No.10-Aamil Parvez to be the member of the SIMI and how he instigated the confessor to indulge into the activities of SIMI and made him the member. The statement also refers to the active participation of Aamil Parvez in making the arrangements of the camp at Vagamon. Though the confessional statement was recorded during the course of investigation, the same has been duly exhibited at Exh.9021 in this trial. This evidence firmly establishes the fact of holding of terror camp at Vagamon

Ernakulam, over and above, the fact that the trial at Ernakulam has already confirmed the holding of such camp and convict many of the accused.

16.13.8. Perusal of Exh.9021 would attribute the role to accused No.10, who is from Madhya Pradesh and had invited accused No.76 to Madhya Pradesh, where the camp at Charol was held. Thereafter, accused No.10- Aamil Parvaz @ Sikandar Kaji Saifuddin Shaikh went to Ranchi and took train tickets alongwith accused No.76- Manjarimam @ Alam @ Jamil S/O Aliimam to travel to Ernakulam and from there to Vagamon, where there was meeting with other SIMI leaders. In the statement under Section 164 of Cr.P.C., it is recorded that the participants were warned from using their original names and if questioned about the camp, the participants have to refer the same to be an adventure program. The confessional statement further refers to physical training like rope climbing, rope jumping, swimming and shooting. The lectures which were organized within the camp referred to the atrocities on the Muslims, demolition of Babri Masjid, RSS activities and resorting to Jihad and therefore, the camp was organized in the direction of performing Jihad.

16.13.9. Over and above the aforesaid evidence, the Court may also refer to the panchnama Exh.8251 which was executed pursuant to the arrest of accused No.65- Mohammad Yunus @ Umar @ Khalid S/O Mohammad Shabir. Exh.8251 is exhibited through PW No.1147- Girindran Bhaskaran Nair at Exh.8250. The witness has stood a panch to an activity undertaken by the Investigating Officer for identification of those persons who had participated in the camp at Vagamon. The witness Girindran Bhaskaran Nair, who was working as hotel manager in Kerala, has deposed that two persons namely Anilkumar, who was serving near

Vagamon and another accused No.65-Mohamad Yunus were present and were shown several photographs, of which Anilkumar identified 26 photographs as the persons who had participated in the Vagamon camp. Out of these 26 photographs, accused No.65-Mohamad Yunus had identified 21 photographs alongiwth their names. These photographs were arranged and names were given as per the identification by accused No.65. One of the persons thus identified has having participated in the camp was accused No.10.

16.13.10. PW No.998-Anilkumar D.P. is examined at Exh.6950. In his deposition, he has deposed that he was working as a farmhouse supervisor at Vagamon since long and near that farmhouse approximately 500 meters away, he observed around 30 persons residing by pitching a tent and were entered into motorcycle race and were shouting slogans like Allahu Akar bolo Takbir and they were also training for crawling and walking in small areas. Therefore, this witness had seen the holding of camp and participants therein. In the cross-examination, he has withstood the questions posed, but his version in the evidence-in-chief is not deviated and therefore, when the exercise of identification under Exh.8251 was undertaken, the identification of the participants was also preliminary made by photo identity. Out of the photographs identified by this witness, accused No.65 had identified one of the photographs to be that of Aamil Parvez, accused No.10. Accordingly, the evidence as discussed for accused No.9 and to avoid repetition is not again discussed qua accused No.10, and it is fully applicable as evidence for accused No.10 over and above the evidence as discussed above separately for accused No.10 to the main organizer of the camp at Vagamon.

16.13.11. Therefore, the role of the accused No.10 to participate in the

conspiracy is clearly established by his role in organizing and participating in Vagamon terror camp and thereafter, his presence and participation in Halol terror camp. Aamil Parvez was tried as accused No.7 in Sessions Case No.2 of 2011/NIA by the Special Court for NIA Cases in Ernakulam (Exh.9421), whereas accused No.9-Kamruddin has been tried as accused No.26. Both the accused have been convicted by the Ernakulam Court for offenses punishable under Sections 10 and 38 of UAPA and Section 4 of the Explosive Substance Act and Section 120B of IPC read with Sections 10 and 38 of UAPA and Section 4 of the Explosive Act.

16.13.12. As the holding of a terror camp in Vagamon being one of the important circumstances of the conspiracy followed by another terror camp at Halol, Pavagadh also being established as an important circumstance of the larger conspiracy, the Court has no hesitation in confirming the conviction of accused Nos.9- Kamruddin @ Raja @ Abdulla Chandmohammad Nagori and accused No.10- Aamil Parvaz @ Sikandar Kaji Saifuddin Shaikh.

16.13.13. Therefore, the prosecution has led sufficient evidence to convict the accused No.10; Aamil Parvaz @ Sikandar Kaji Saifuddin Shaikh for the charges. Accordingly, the conviction of accused No.10; Aamil Parvaz @ Sikandar Kaji Saifuddin Shaikh for the offence is confirmed.

16.14. In case of Sibli @ Sabit S/O Abdul Karim Muslim (Kerala) (A-11)

(Accused No.11 in Criminal Confirmation Case No. 2/2022 and Appellant No.7 in Criminal Appeal No. 1710/2022):

Muslim, he has been convicted for various offences by the trial Court, and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.14.2. Learned Advocate Mr.Hriday Buch in so far as accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim is concerned, he submits that the submissions made for accused No.9- Kamruddin S/O Chandmohammad Nagori and accused No.10-Aamil Parvaz S/O Kaji Saifuddin Shaikh may also be treated as arguments for accused No.11-Sibli @ Sabit S/O Abdul Karim Muslim as well in view of the commonality of the allegations and to avoid repetition.

16.14.3. Accordingly, learned Advocate has submitted that evidence of approver; Aiyaz Razakmiya Saiyed, who has given role of the appellant being part of the meeting which took place at Samsudin's Nana place. Learned Advocate has submitted that previously it is argued that there is no substantial evidence of the meeting having taken place, especially when owner of the premises himself has deposed as defense witness and has falsified the fact of any meeting having taken place.

16.14.4. It is submitted that though this accused had allegedly participated in the Halol Camp, but none of the three witnesses namely shepherd and the driver of the vehicle have identified this accused to be present at Halol camp. The confessional statement of accused No.2; Imran Ibrahim Shaikh is not reliable, as is argued previously. With regard to SIMI connection, reliance is placed upon evidence of accused No.76; Mohammad Manjar Imam. Despite there being no evidence, Special Court has given incorrect finding about presence of this accused at Halol and the only evidence relied upon is that of confessional statement of Imran.

16.14.5. In the opinion of the Court, SDS Tests at Exh.9248 and the

opinion of the Expert is also relevant as confessional statement of Imran attributes the role, which is corroborated by SDS Tests report and the Expert opinion, which the Court may refer later.

16.14.6. According to learned Advocate Mr. Hriday Buch the nature of evidence is only confessional statement of accused and therefore, a weak evidence and it cannot be considered as basis for conviction, it can be used at best for corroboration.

16.14.7. He has also assailed the evidence of the approver by adopting the arguments advanced by learned Senior Advocate Mr. S. Nagamuthu and learned Advocate Dr. Yug Mohit Chaudhry. Therefore, according to him, both these evidences cannot be treated as substantive evidence. The submissions of learned Advocate Mr. Hriday Buch will have to be considered in the light of the provision of Indian Evidence Act. Section 30 specifically provides for consideration of proved confessions of the affecting persons making it and other jointly tried for same offence. The essential requirement being a joint trial of same offence. There is no manner of doubt that co-accused accused No.2 and accused No.76 are jointly tried along with accused No.11.

16.14.8. Over and above, the Court has made elaborate discussion on confessional statement and also effect of confessional statement of co-accused in a separate chapter.

16.14.9. However, the Court may quote at this stage Section 30 of Indian Evidence Act and the illustration (a) applicable:

> *"30. Consideration of proved confession affecting person making it and others jointly under trial for same offence.- When more persons than one are being tried jointly for the same offence, and a confession made by one of such persons affecting himself and some other of such persons is proved, the Court may take into consideration such confession as*

against such other person as well as against the person who makes such confession.

[Explanation.—"Offence," as used in this section, includes the abetment of, or attempt to commit, the offence.]

(a) A and B are jointly tried for the murder of C. It is proved that A said—"B and I murdered C". The Court may consider the effect of this confession as against B."

The Court may at this stage refer to yet another provision of Indian Evidence Act being Section 10, which is as under:

"10. Things said or done by conspirator in reference to common design.—Where there is reasonable ground to believe that two or more persons have conspired together to commit an offence or an actionable wrong, anything said, done or written by any one of such persons in reference to their common intention, after the time when such intention was first entertained by any one of them, is a relevant fact as against each of the persons believed to be so conspiring, as well for the purpose of proving the existence of the conspiracy as for the purpose of showing that any such person was a party to it.

Illustrations

Reasonable ground exists for believing that A has joined in a conspiracy to wage war against the Government of India.

The facts that B procured arms in Europe for the purpose of the conspiracy, C collected money in Calcutta for a like object, D persuaded persons to join the conspiracy in Bombay, E published writings advocating the object in view at Agra, and F transmitted from Delhi to G at Kabul the money which C had collected at Calcutta, and the contents of a letter written by H giving an account of the conspiracy, are each relevant, both to prove the existence of the conspiracy, and to prove A's complicity in it, although he may have been ignorant of all of them, and although the persons by whom they were done were strangers to him, and although they may

have taken place before he joined the conspiracy or after he left it."

16.14.10. Apparently, Section 10 has been enacted in order to make acts and statements of co-conspirator admissible against all the conspirators, who are acting as one machine because of the very nature of crime.

16.14.11. Therefore, if the evidence of existence of conspiracy is given and accepted then the acts and statement made by any one of the conspirator in furtherance of the common object is admissible against all conspirators.

16.14.12. With this, the Court may refer to the submissions by State on facts. Learned Additional Advocate General has submitted that accused No.11-Sibli @ Sabit S/O Abdul Karim Muslim is from Kerala and as per the confessional statement of accused No.2- Imran S/O Ibrahim Shaikh, he has attended Kerala camp. As per this statement, accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim was given the dummy name of Hidayat by co-accused; accused No.-12 Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori. As per accused No.2- Imran S/O Ibrahim Shaikh's confessional statement different accused persons including accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim gave Jihadi Takrir. Exhortation made in Jihadi speech would relate to things like they would like to do practical work, work of Jihad to be executed, division of all participants-conspirators in two groups of which one group would be doing work of execution and most importantly, exhortation on mass killing.

16.14.13. It is further submitted that accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim is also one of the accused in Kerala Session's Case proceedings, where he is arraigned as accused no.4 and as per judgment

of Kerala Court, he is convicted U/s 10, 20 and 38 of UAPA, Section 4 of Explosive Substance Act, 1908 and Section 120 B of L.P.C.

16.14.14. Considering the submissions made in this regards, the Court finds that accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim is implicated by accused No.76- Manjarimam @ Alam @ Jamil S/O Aliimam in his confessional statement Exh.9021, which was recorded during Kerala investigation proceedings by Judicial First- class Magistrate, Kochi and prosecution of this case has exhibited certified copy from Kerala proceedings and had submitted in the present proceedings. According to this confessional statement, accused No.76- Manjarimam @ Alam @ Jamil S/O Aliimam, who is also from Kerala is a friend of accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim. According to confessional statement of accused No.76- Manjarimam @ Alam @ Jamil S/O Aliimam, he refers to various activities done at Kerala camp as like airgun shooting, jihadi speech, atrocities against Muslims in Gujarat, demolition of Babri Masjid, RSS activism against Islam, Jihad in India, accumulating money, how to take money from persons who are against Muslims, by kidnapping etc., giving of dummy names, also naming of different accused persons of whom many are referred by accused No.2-Imran S/O Ibrahim Shaikh in his confessional statement.

16.14.15. So far as accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim is concerned, accused No.2-Imran S/O Ibrahim Shaikh has categorically stated that the programme was led by accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim. The aforesaid proved confessional statements of accused No.76- Manzar Imam (Exh.9021) and accused No.2-Imran Ibrahim Shaikh (Exh.8619), has to be treated as evidence invoking Section 30 of the Indian Evidence Act.

16.14.16. In this, the specific role attributed to accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim is on the 2nd day of the camp where specific knowledge of 'Maaleghanimat' was imparted i.e. methods for raising funds by methods like Zakat etc. from the Non-Muslim or against Muslims by resorting to kidnapping etc. and this programe was led by accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim.

16.14.17. The Court finds that he has also implicated accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim as the person who managed Vagamon camp activity along with other accused-conspirators. Pertinently accused No.76- Manjarimam @ Alam @ Jamil S/O Aliimam also refers to different SIMI camps. Accused No.76- Manjarimam @ Alam @ Jamil S/O Aliimam also states about certain accused visiting him after a bomb blast having taken place on 26.07.2008. Accused No.76- Manjarimam @ Alam @ Jamil S/O Aliimam in his confessional statement also involves accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim's real brother named Saduli i.e. accused No.60- Saduli @ Hariz S/O Abdul Karim Muslim. Accused No.76- Manjarimam @ Alam @ Jamil S/O Aliimam also refers to the bomb blast in Banaras, Bombay and also refers to activities of Indian Mujahidin. Brother of accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim Saduli is also convicted for above referred offences as like accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim in Kerala Session's case proceedings.

16.14.18. The Court finds that accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim is also involved by approver Ayaz in para 8 of his deposition, whereby accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim was one of the participants along with other co- accused at the conspiratorial meeting which was held at accused No.4-Samsuddin S/O Shahabuddin Shaikh's Nana's house in 2008. Witness Ayaz has also

identified accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim during course of his deposition i.e. Dock Identification. This meeting assumes importance as conspirators across India were present where different conspirators gave takrir as well as indulged in other activities of the terror training camp.

16.14.19. The Court finds that accused no.11 is also implicated by prosecution in a SIMI material literature which was part of chargesheet and investigation material which was submitted by defence, as defence relied on through Exh.9248. This literature Material Exh.9248, involves accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim as SIMI activist along with many other SIMI activists whose names are revealed through this Literature and are also accused of this case. Over and above it, there is also an evidentiary material which would demonstrate that accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim and many other accused are members of SIMI.

16.14.20. The Court finds that in addition to above referred different conspiratorial circumstances, there is one more link of circumstance in the nature of forensic evidence as accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim was subjected to Suspect Detection Test (SDS) i.e. Exh.5901 proved through PW-848 vide Exh.5894 and the opinion of it finds accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim involved and connected with different bomb blast and his association with SIMI along with other accused persons.

16.14.21. The Court having perused the report at Exh.5901 which refers to the lie-detection test to which accused No.11 is subjected and from the reactions of accused No.11, the Expert opinion is given about his involvement in various blasts including Bangalore and Hyderabad, showing him to be a part of larger conspiracy. This is an important

circumstance which corroborates the existing evidence.

16.14.22. Further, even upon considering the confessional statement of accused No.2-Imran S/O Ibrahim Shaikh and accused No.76-Manjarimam @ Alam @ Jamil S/O Aliimam which not only involves accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim but many other accused persons.

16.14.23. With the aforesaid discussions, the Court finds sufficient evidence against accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim for his participation in the hatching of conspiracy from the beginning and to record his conviction for the offences charged.

16.15. In case of Atikur Rehmaan @ Atik S/O Abdul Hakim Musalman (Rajasthan) (A-20)

(Appellant No.1 in Criminal Appeal No. 1917/2022):

16.15.1. In case of accused No.20-Atikur Rehmaan @ Atik S/O Abdul Hakim Musalman, he has been convicted for various offences by the trial Court, and has been sentenced to imprisonment for life in Sessions Case No.38/2009 and others.

16.15.2. Learned Senior Advocate Mr. Mihir Desai has made specific submissions with regard to the appellants, whom he represents by beginning his submission with regard to accused No.20; Atikurrehman @ Atik Abdulhakim Khilji. It is submitted that this accused was arrested on 31-08-2008 in Rajasthan for his involvement in some other offence and on 09-10-2008, he was arrested in the present offences with the allegations that he had participated in so called terror camp at Halol. According to learned Senior Advocate, nature of evidence against accused No.20; Atikurrehman @ Atik Abdulhakim Khilji is chance witnesses, evidence of Munjavar at Halol camp site and certain pointing

out panchnamas. It is submitted that though there are certain confessions which the prosecution has relied upon, but according to learned Senior Advocate, confession of accomplice cannot be treated to be substantial evidence to base conviction. It is submitted that Test Identification Parade at the hands of chance witnesses, had taken place on 30-08-2008, when accused No.20; Atikurrehman @ Atik Abdulhakim Khilji was not even arrested and thereafter, other Test Identification Parades were organized on 12-09-2008, where also accused No.20; Atikurrehman @ Atik Abdulhakim Khilji was yet to be arrested and again on 16-12-2008, when accused No.20; Atikurrehman @ Atik Abdulhakim Khilji was arrested, but yet was not put up for Test Identification Parade. On 16-12-2008, Test Identification Parade for accused No.37; Kayamuddin @ Musa @ Ashfak @ Abdul Kadir @ Rizwan @ Samir Sarfuddin Kapadiya was conducted, which is at Exh.3162. At that time, though accused No.20; Atikurrehman @ Atik Abdulhakim Khilji was arrested, yet he was not put up for Test Identification Parade. On 06-06-2012, Exh.4085 was Test Identification Parade of accused No.74; Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim Babukhan Maniyar, at that stage also, present accused No.20; Atikurrehman @ Atik Abdulhakim Khilji was not put up for Test Identification Parade and therefore, the prosecution has failed in establishing the presence of accused No.20; Atikurrehman @ Atik Abdulhakim Khilji at the hands of the chance witnesses in front of whom, accused No.20; Atikurrehman @ Atik Abdulhakim Khilji has not been put up for Test Identification Parade.

16.15.3. Learned Senior Advocate has thereafter referred to another witness of the camp examined at PW No.981- Pravinbhai Hamirbhai Katariya, Exh.6835, who also is chance witness and was plying the

vehicle in the area at the relevant time. Accused No.20; Atikurrehman @ Atik Abdulhakim Khilji has not been put to Test Identification Parade by this accused nor is he been identified by this witness in the Court. Chance witness has identified many in the Court, as to be part of the Halol camp, but has not identified Accused No.20; Atikurrehman @ Atik Abdulhakim Khilji. Similarly, arguments have been advanced qua PW No.972-Ramkabhai Devkaranbhai Kesariya, Exh.6802, who also is chance witness and PW No.1067-Ambalal Vechatbhai Bariya, Exh.7231. Both of whom, being chance witnesses have not identified accused No.20; Atikurrehman @ Atik Abdulhakim Khilji in the Court.

16.15.4. Learned Senior Advocate has thereafter referred to evidence of PW No.1105-Idrish Gulabsha Fakir Diwan, Exh.7923, who is Munjavar of Khundpir Dargah, where the alleged camp had taken place and submitted that this witness though according to the prosecution, was present throughout, has not been able to identify accused No.20; Atikurrehman @ Atik Abdulhakim Khilji.

16.15.5. Learned Senior Advocate has thereafter referred to another set of evidence in the form of pointing out panchnama, which took place at the behest of co-accused and submitted that in this panchnama, though the accused have named several participants of the camp, but present accused No.20; Atikurrehman @ Atik Abdulhakim Khilji has not been named in any of such panchnama. He thereafter, has taken this Court through Exh.6480 pointing out panchnama at the hands of the accused No.1-Jahid S/O Kutubuddin Shaikh. Exh.7053 is the pointing out panchnama at the behest of accused No.16; Abbas Umar Sameja and Exh.6443 at the behest of accused No.35; Rafiuddin Sarfuddin Kapadia and Exh.7252 at the hands of the accused No.66; Mohammad Safiq @ Dadabhai @ Thakur @ Rafiq @ Ali, nowhere accused No.20;

Atikurrehman @ Atik Abdulhakim Khilji is being mentioned.

16.15.6. Learned Senior Advocate has thereafter particularly pointed out to Exh.7392, which is pointing out panchnama by accused No.78; Tausifkhan @ Atik Sagir Ahmedkhan Pathan. This accused in the panchnama has named certain accused, who were part of the camp, but has definitely not named accused No.20-Atikurrehman @ Atik Abdulhakim Khilji.

16.15.7. Learned Senior Advocate has submitted therefore, only evidence available with the prosecution to involve accused No.20-Atikurrehman @ Atik Abdulhakim Khilji in the offence are confessional statement of accused No.21-Mehndihasan @ Viki Abdul Habib Akbarkha Ansari and accused No.35-Rafiuddin Sarfuddin Kapadia.

16.15.8. It is submitted that Exh.8623 is confessional statement of accused No.21-Mehndihasan @ Vikki, which was recorded on 12-11-2008, but the same has been retracted immediately on 25-11-2008 and on 27-11-2008. Similarly, another Confessional statement at the hands of accused No.35-Rafiuddin Sarfuddin Kapadia, which is recorded at Exh.8631 can also not be taken into consideration, as the same has been recorded on oath and rightly the Special Court has not taken the same into consideration at the time of impugned judgment. Though learned Senior Advocate has taken this Court through Exh.9351, which is retraction of accused No.35-Rafiuddin Sarfuddin Kapadia, which by the reasoned order was not accepted by the Special Court. However, any further reference to such confessional statement or its retraction would not be necessary as the Special Court has itself not treated the same as evidence under consideration.

16.15.9. However, learned Senior Advocate has submitted that by virtue of contents of Exh.9351, content of pointing out panchnama,

Exh.6443 dated 17-11-2008 at the hands of very accused No.35-Rafiuddin Sarfuddin Kapadia can be disproved. It is narrated that accused No.20- Atikurrehman @ Atik Abdulhakim Khilji was in the camp for a period of 2 days, whereas in confessional statement, he has stated that accused No.20-Atikurrehman @ Atik Abdulhakim Khilji was in the camp only for two hours and likelihood of accused No.35-Rafiuddin Sarfuddin Kapadia within short span of two hours, being able to interact and remember name of accused No.20-Atikurrehman @ Atik Abdulhakim Khilji, is highly doubtful.

16.15.10. Learned Senior Advocate has thereafter referred to decision of the Apex Court particularly in case of ***Bhuboni Sahu v/s. The King,*** judgment of Privy Council reported in ***1949 SCC OnLine PC 12*** in connection with utilizing of confessional statement of accomplice. He has also referred to decision of the Apex Court in case of ***Kashmira Singh v/s. State of Madhya Pradesh*** reported in ***(1952) 1 SCC 275*** on the same issue. Yet another judgment in this regard is in case of ***Chandrakant Chimanlal Desai v/s. State of Gujarat*** reported in ***(1992) 1 SCC 473***. By relying upon the aforesaid judgments, learned Senior Advocate has submitted that approach towards confessional statement of accomplice, the Court has to first marshal evidence, by excluding confession and after having found that other evidence on the record is sufficient to satisfy the Court, then the Court may utilize the confessional statement in the form of corroboration.

16.15.11. Thereafter, learned Senior Advocate has taken this Court to relevant part of the impugned judgment, where the Court has discussed the nature of evidence and appreciated the same. He has also referred to Page-6864 of the impugned judgment, where the Court has recorded that in connection with arrest of this accused No.20; Atikurrehman @ Atik

Abdulhakim Khilji, in Rajasthan, wherein accused No.20; Atikurrehman @ Atik Abdulhakim Khilji has been acquitted in that case.

16.15.12. Learned Senior Advocate has lastly submitted that confessional statement of co-accused No.21; Mehndihasan @ Vikki at Exh.8623 being exculpatory in nature, as maker of the confession himself disassociates himself from the participation in the offence and therefore, when confession at behest of accused No.35; Rafiuddin Sarfuddin Kapadia, the Court itself has not taken into consideration while confession of accused No.21; Mehndihasan @ Vikki being exculpatory in nature, therefore, the prosecution is left with no evidence against the present accused No.20; Atikurrehman @ Atik Abdulhakim Khilji.

16.15.13. Lastly, for accused No.20-Atikurrehman @ Atik Abdulhakim Khilji, learned senior advocate has submitted that non holding of Test Identification Parade of this accused has to be treated as fatal to the prosecution as the only evidence possible for involving the appellant in this offense could have been the test identification parade through the witnesses, which deliberately the prosecution has not carried out though the opportunity and resources available to the prosecution. In this connection, learned senior advocate has relied upon the decision of the Apex Court in case of ***Rajesh Govind Jagesha v/s. State of Maharashtra, reported in, (1999) 8 SCC 428***, particularly to the observations made in para-4, wherein the Apex Court has held that when offender is not known previously to the witness, it is obligatory on the part of the Investigating Agency to hold identification parade and the evidence of identifying an accused at the trial for the first time is an inherently a weak evidence.

16.15.14. The Court may further observe that in the very judgment,

absence of Test Identification Parade by itself may not be fatal where the accused is known or is sufficiently described, which is sufficient for the Court to be satisfied with regard to the involvement of the offender.

16.15.15. The very judgment also holds that holding of identification proceedings may not be a substantive evidence, but the proceedings may be used for corroborative purpose to believe or not to believe the involvement of a person tried before the Court and the holding of Test Identification Parade being a rule of prudence and is required to be strictly followed in accordance with the settled principle of law and that too expeditiously. However, if there is any delay in holding the Test Identification Parade, the same can be accepted, if such delay is satisfactorily explained.

16.15.16. Learned Additional Advocate General on behalf of the State has submitted that accused No.20-Atikur Rehmaan is from Rajasthan and is involved by accused No.21-Mehandihasan @ Vikki who is also from Rajasthan. In his confessional statement, accused No.21-Mehandihasan @ Vikki states about his intimate relationship with accused No.20-Atikur Rehmaan and his involvement and participation at Halol camp. In the statement of accused No.21- Mehandihasan @ Vikki, there is reference of topography of Halol camp which is surrounded by Khundpir Dargah, Minar Masjid, mountains etc.

16.15.17. It is submitted that insofar as Halol camp is concerned, the prosecution has examined important witness like Munjawar Idris, Ambalal, Ramkabhai and Pravinbhai, who not only fully supports the case of prosecution about Halol camp being one of the sequels to the conspiracy, but these witnesses have identified many accused in Test Identification Parade and some during course of their deposition. There is also evidentiary material of certain objects-articles being found from

the place of Halol camp which also substantiate conducting of Halol camp as stated by accused No.21-Mehandihasan @ Vikki in his confessional statement.

16.15.18. It is submitted that there are different pointing out panchnamas by different accused persons as they attended Halol camp, which also supports the case of prosecution. The prosecution has fully established that Halol camp is the sequel to the fountain head of conspiracy i.e. Vagamon camp. There are many accused who are found to be common as they attended both Vagamon and Halol camp. They are, accused No.1-Jahid Shaikh, accused No.2-Imran Ibrahim Shaimkh, accused No.6-Mohammad Aarif, accused No.7-Mohammad Usman, accused No.10-Aamil Parvaz, accused No.12-Safdar Hussain Nagori, accused No.14-Mohammad Sajid, accused No.26-Mohammadali @ Jamal @ Zia @ Yasar @ Abubakr S/O Mohramali Ansari, accused No.37-Kayamuddin Kapadiya, accused No.59-Mohammad Ansar and absconder Abdul Shuban @Taukir Qureshi.

16.15.19. The Court has considered the rival submissions of the parties. In the opinion of the Court, accused No.21-Mehandihasan @ Vikki states that in the month of December 2007, they had a lunch meet where accused No.22-Imran Pathan and accused No.14-Sajid Mansoori, were present alongwith three other persons whose last name was Qureshi. In this meet, accused No.20-Atikur Rehmaan and accused No.22- Imran Ahmed were from Kota, Rajasthan like accused No.21-Mehandihasan @ Vikki also from Kota, Rajasthan. Other three persons whose last name as submitted earlier is Qureshi of whom one appears to be absconder Taukir Qureshi.

16.15.20. The Court finds that after this lunch meet, accused No.14-Sajid Mansoori gave tickets (railway) to accused No.21-Mehandihasan

@ Vikki, accused No.20-Atikur Rehmaan and accused No.22- Imran Ahmed and on 12.01.2008, these three i.e. accused No.21-Mehandihasan @ Vikki, accused No.20-Atikur Rehmaan and accused No.22-Imran Ahmed started their journey from Kota to Surat and for the reasons stated in the confessional statement, ticket was found faulty and for that they were fined. These three accused dropped at Godhra and at that time, accused No.14-Sajid Mansoori called accused No.22-Imran Ahmed. After these three accused dropped at Godhra, they also booked their tickets for their backward journey to Kota and as they received phone from accused No.14-Sajid Mansoori, ultimately, they went to Halol for attending camp and they were received by accused No.7-Usman Agarbattiwala. There is also reference in the statement of accused No.21- Mehandihasan @ Vikki that after they got down at Godhra, and after they having received phone from accused No.14-Sajid Mansoori, they thereafter got down at the later station; Piplod and from there they went to Halol. After reaching there, they attended camp and actively participated in the camp. So far as, Halol camp activities are concerned, detailed narration has been made by prosecution earlier. The most important feature of this case is declaration of mass killing. At Halol camp all participants were given dummy names. Accused No.20-Atikur Rehmaan was also given a dummy name and his dummy name was Abu Bakar.

16.15.21. It appears that accused No.20-Atikur Rehmaan is also involved by accused No.35-Rafiuddin Kapadiya in his confessional statement as one of the accused-conspirators who attended Halol camp. Accused No.35-Rafiuddin Kapadiya has clearly stated that three persons by name accused No.21- Mehndihasan @ Vikki, accused No.22-Imran Ahmed and accused No.20-Ateek-Ur-Rehman are from Rajasthan and

were present in the Camp. Accused No.35-Rafiuddin Kapadiya addresses this Halol camp as SIMI camp. He also referred to stay of certain persons at Dargah. The confessional statement of A-35 though may not be accepted as an evidence however, having been given an Exhibit no., this Court has only referred to the same and the Court finds that the content of this confessional statement is in the same line of the other admissible evidence.

16.15.22. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.20-Atikur Rehmaan @ Atik S/O Abdul Hakim Musalman. The Court has therefore, no reason to interfere with the conviction recorded.

No.69-Amin @ Raja, according to prosecution alongwith accused No.70-Mohammad Mobin has played a very crucial role of procuring four wheeler for the purpose of loading with bomb and explosive material. This was a part of the conspiracy to cause blast in an identified place near Civil Hospital and to create a big impact of bigger vehicle in which more explosive material can be stalled to give maximum effect.

16.16.3. The role attributed to accused No.69-Amin @ Raja is to be part of the conspiracy to provide for four wheeler vehicles (car) for the purpose of loading the Bomb and explosives in bigger quantity and to park it in a crowded area.

16.16.4. According to learned Advocate Buch, the role attributed to accused No.69-Amin @ Raja is quite identical to that of accused No.28-Afzal Usmani. He therefore submitted to avoid repetition would directly focus on the case of accused No.69-Amin @ Raja Shaikh and submissions for accused No.28-Afzal Usmani may also be considered in common.

16.16.5. It is pertinent to observe herein that the task for procuring the car was undertaken by the set of accused who are not directly in contact with other accused, but as a part of modus to avoid any contact to and thereby to avoid any tracking back the accused.

16.16.6. Learned Advocate has argued that the main case of the prosecution is that a car theft is committed in Bombay and then this car was used in crime. Therefore, there was an offence registered for theft of the car, but accused No.69-Amin @ Raja is not convicted in the said offence of the car theft. Therefore, no connection of the car could be established with accused No.69-Amin @ Raja.

16.16.7. The other evidence relied upon by the State is the travel from Mumbai to Surat or Ahmedabad. To prove these witnesses who are

employees of the Hotels on the way have been examined to establish their stay enroute. It is argued that in absence of any evidence of actual travel by accused No.69-Amin @ Raja alongwith the car, a Hotel register of Hotel Prince in Ahmedabad is not sufficient to establish that accused travelled in the very stolen car to reach Ahmedabad and then stayed in the Prince Hotel.

16.16.8. Though the prosecution has relied on the Hotel Register and Hand writing expert opinion to compare and conclude that the handwriting in the register is of accused No.69-Amin @ Raja, still it only established the accused No.69-Amin @ Raja was in the vicinity. However, the said evidence is upto 17-07-2008 almost 10 days prior to the incident and hence not believable.

16.16.9. It is further submitted that prosecution has placed reliance on evidence of panch witness being PW No.976-Shoeb Shaikh vide Exh.6818 on the issue of pointing out of a spot in Surat when the car is parked or at the Mumbai when it was parked, is not a circumstance relevant to the offence hence, this evidence does not connect accused No.69-Amin @ Raja.

16.16.10. According to learned Advocate, the only evidence of an incriminating circumstance is the evidence of PW No.977-Kamal Jaswantlal Thapar vide Exh.6820, who deposed about role of accused No.69-Amin @ Raja in making of a vehicle register number plate. However, there is no evidence to connect said number plate with the car, which was used in crime. Therefore, the prosecution wants the Court to presume, a circumstance on the basis of this circumstance.

16.16.11. It is lastly submitted that though the prosecution may rely upon the circumstance of pointing out panchnama of the scene of offence from where this car was seized, but the same cannot be treated

as an evidence against accused No.69-Amin @ Raja. He referred to the panchnama Exh.1992, which is of panchnama of scene of offence of blast site at Civil Hospital and also to panchnama Exh.2385 by which bomb/ explosive laden car was seized from Puna General Hospital and submitted that there is nothing in panchnama, which will connect accused No.69-Amin @ Raja to the car.

16.16.12. Similarly, it is submitted that oral and documentary evidence of the Hotel Staff also does not go on to establish the travel of accused No.69-Amin @ Raja alongwith the car. It is therefore, prayed for clear acquittal.

16.16.13. Learned advocate Mr. Somnath Vatsa has thereafter, submitted with regard to accused No.70-Mohd. Mobin. The role attributing to this accused is in relation with bringing of vehicles from Bombay to outskirts of Bombay and collectively then bringing it to Surat and parking it in railway parking and later on handing over this vehicle to the co-accused for using the same at Surat and Ahmedabad.

16.16.14. The major incriminating evidence is the investigation at Hotel Shrinath, where the register of the hotel entries were seized on 23.10.2008. It is PW No.1157-Ranedrasinh Ranjitsinh Sarvaiya, who has carried out the investigation in connection with stay at Hotel and in his deposition at Exh.8566, this witness has said that he has no information prior to executing of panchnama about the connection of this accused with Hotel Shrinath and the Investigating Officer, N.B.Parmar had only assigned him the task of executing the panchnama of seizure. It is submitted that as on 23.10.2008, the other three co-accused were yet to be arrested and though the question is as to how the Investigating Officer, Shri N.B.Parmar received the information regarding the stay at Hotel Shrinath and seizing of the register. Learned advocate has also

indicated by drawing attention to Exh.2857 panchnama to submit that though the panchnama was executed after considerable period, the register was readily available at the time of panchnama which creates doubt about the genuineness of such register.

16.16.15. Moreover, the Investigation Officer himself; N. B. Parmar is not able to clarify as to on what basis he was able to identify Hotel Shreenath as a place for his investigation and to seize the register. In this regard, the Court has considered the register and its content of the Register of the Hotel as the Hotel Register refers to the vehicle number, which is mentioned and which connects with the accused. The Register bears the registration number of the very vehicle, which is connected to the Surat offence and therefore, the Investigation Officer who already had the vehicle number with him and with the arrest of the accused, would easily lead to the movement of such vehicle, which has led the Investigation Officer to the Shreenath Hotel.

16.16.16. Learned Advocate has also assailed the evidence of Hotel Register which the prosecution connects by using the hand writing firstly as the Register had remained in unsealed manner, he refers to Exh.2336; Muddamal item 43. It is submitted that panchnama vide Exh.7367 removes only one page to use the sample for natural hand writing of this accused creating a doubt that such a sample can really be treated as a correct sample for natural hand writing. There is no corroboration to the effect, which ought to have been by some C.D.R.

16.16.17. Considering the commonality of the role of A-28, A-69 and A-70, the Court has already recorded in the preceding para that the discussion qua theses three accused is taken up consecutively and therefore, the association of these accused with the stolen four wheeler vehicles and the movements in detail has been referred to alongwith the

evidence while discussing the role of A-28. Still, to maintain continuity, wherever necessary cursory reference is made to that set of evidence.

16.16.18. The Court has perused the panchnama vide Exh.7367 drawn at the behest of accused; Mobin (accused No.70) at Hotel Shreenath on 01-10-2011. The prosecution witness records the process of identifying the hand writing of the accused himself in the Hotel Register, which is marked by circling the same and thereafter, sample signature in due process were taken on blank paper. The panchnama also records the information written by accused; Mobin in the Register regarding other accompanying person, the co-accused. The panchnama is duly proved by examining a panch-witness as well as the I.O. The deposition of these witnesses does not indicate that the Register muddamal was tampered in any manner, so as to falsify the content of the panchnama. Therefore, in the opinion of the Court, the panchnama vide Exh.7367 is correctly appreciated as an evidence to establish the presence of the accused No.70-Mohammad Mobin at the Hotel.

16.16.19. Learned Advocate has thereafter assailed the identification of this accused through the Hotel employee; Hasan Ali. It is submitted in the deposition, the witness has not given any description of the accused or any specific feature of identification. Therefore, the prosecution has failed to establish the identity of accused; Mobin for this particular circumstance.

16.16.20. The Court has perused Exh.6844, which the Test Identification Panchnama drawn on 30-10-2011. After the offence in 2008, this accused was arrested in 2011 and was put up for Test Identification. Exh.6843 is the Yadi sent. The perusal of the panchnama vide Exh.6844 would indicate all necessary parameters being followed and necessary precaution regarding protecting identity were taken and

was being conducted by ensuring complete absence of Police. The panchnama does record correct identification of the accused; Mobin. Therefore, the Test Identification Panchnama is an evidence establishing the identity of Mobin at Hotel Shreenath.

16.16.21. The Court has also perused the evidence of PW No.985-Hasanali Ahmedbhai Sunsara, vide Exh.6852 of Hotel Shreenath employee; Hasanali. His deposition supports the prosecution though in the cross examination, doubt is sought to be created about the parking of the offence vehicle bearing registration number; GJ-6-EB-3569 and entry of such vehicle number in the register by putting to him that except for entry number 424 vehicle number in other entry is not mentioned. However, Exh.2858; the part of the register indicates that against each entry, the vehicle number is mentioned and to the question of previous pages of the register i.e. page-1 to 42, though the answer is in the negative by witness, but there is nothing to show that the witness was shown during deposition all the previous pages before recording such answer. The Court is therefore of the opinion that PW No.985- Hasanali Ahmedbhai Sunsara, vide Exh.6852 cannot be doubted in any manner and the argument of the learned Advocate is therefore not required to be accepted.

16.16.22. Another circumstance against this accused is the circumstance of his association with the four wheeler vehicle; the car theft from Bombay and brought to Surat for its use in planting bomb. Exh.6537 is a point out panchnama of the place, where the vehicle was parked near Railway Station in Surat after being brought from Bombay. Learned Advocate has argued that the panchnama only establishes the location of the parking and nothing more can be attributed. Moreover, PW No.1146-Vajesinh Vakhatsinh Rathod vide Exh.8231, I.O. who has

drawn the panchnama mentions about recording of statement of one Hitesh Modi, the Manager of Parking area, but he is not examined as a witness, thereby, doubting the execution of panchnama.

16.16.23. PW No.1146- Vajesinh Vakhatsinh Rathod vide Exh.8231, at Page-7 does indicate the investigation he carried out during the remand period of this accused in offence C.R. No.176/2008; Kapodara Police Station carried out on 02-10-2011. It is the argument that already the panchnama was executed on 02-10-2011, then what was the need of panchnama dated 25-11-2011, Exh.6537. However, what is referred to in Page-7 of PW No.1146 is the activity done on 02-10-2011, which was a panchnama vide Exh.7370 executed by this very accused of a place, where he had handed over the delivery of stolen cars to the co-accused; Afzal Mutallib Usmani, whereas the panchnama Exh.6537 executed on 25-11-2011, which is the panchnama of the place, where the stolen cars were parked in Railway Station parking at Surat after being brought from Mumbai. Panchnama vide Exh.6537 is proved by the independent panch PW No.916- Sureshkumar Ramcharan Sharma vide Exh.6536, who is an employee at the parking place of Surat Railway Station. This witness has supported the prosecution and the panchnama is exhibited through him and there is no cross examination of this witness.

16.16.24. The Court has perused Exh.6537; panchnama pointing out the location of the stolen cars from Bombay being part at Surat Railway Station. During the panchnama, it is recorded that the accused; Mobin has expressed desire to voluntarily disclose the places, where the stolen cars were parked. This panchnama records the manner in which the accused led the team to said location. The car mentioned there is a 'Wagon R' car stolen from Mumbai.

16.16.25. The Court does not find any anomaly in the two panchnamas

vide Exh.6537 and Exh.7370 as the same was executed at different point of time for different purpose altogether and in fact are of different locations, though such locations are in close vicinity, the same are for completely different objective and therefore, cannot be treated as creating doubt on the investigation. Therefore, the argument of the learned Advocate is not accepted.

16.16.26. Learned Advocate has lastly referred to the statement of accused under Section 313 of Cr.P.C. (Exh.958) to submit that this accused Mobin was tried in Mumbai Local Court for the offence of the car theft related to these very cars and has been acquitted, therefore he invoked the principle of estoppel. Hence, the circumstance of the role of Mobin in connection with the car theft cannot be accepted. Accordingly, learned advocate has prayed for clear acquittal of this accused.

16.16.27. Considering the commonality of role and evidence as per the State, the common submissions are advanced for accused No.69-Amin @ Raja S/O Ayub Nazir Shaikh and accused No.70-Mohammad Mobin.

16.16.28. Learned Additional Advocate General for the State has submitted that as evidences against accused No.28-Afzal Usmani, which are discussed earlier are also equally applicable against accused No.69-Amin @ Raja and accused No.70-Mohammad Mobin. Hence, summary of evidentiary material is discussed hereunder. As like accused No.28-Afzal Usmani, accused No.69-Amin @ Raja and accused No.70-Mohammad Mobin are also involved in conspiracy. The accused are also involved in obtaining car for planting of bomb with accused No.28-Afzal Usmani and handedover the cars to other accused for planting of bomb .During conspiracy, accused No.69-Amin @ Raja and accused No.70-Mohammad Mobin also stayed in different hotels with accused No.28-Afzal Usmani together.

16.16.29. It is submitted that it has come on record that accused No.69-Amin @ Raja and accused No.28-Afzal Usmani stayed at Hotel Shri Dutt, Panvel. During panchnama Exh.7318, Investigation OFficer PW-1075/Exh.7311 has seized register of Hotel Shri Dutt, there is entry No.2462 vide Exh.7319, which is in the name of Amin Shaikh and Afzal Shaikh and date of arrival of Amin Shaikh and Afzal Shaikh was 14.07.2008 and departure date was 15.07.2008. The address in the entry is Khajrana Palace, Indore Madhya Pradesh, which is the address of accused No.69-Amin @ Raja, as stated in memo of Criminal Appeal No.1710 of 2022. During this period, Maruti 800 car and red-maroon colour Wagon R were stolen. Maruti 800 car was used for blast at LG hospital and maroon-red colour Wagon R number GJ-6CD-2908 was used for plantation of four live bombs at Sonal Bhel parking, Kapodra. Further, the place of Hotel Shri Dutt and stolen car, both are nearer to each other.

16.16.30. It is submitted that during panchnama Exh.2789 from Vanaj Roshni Auto LPG Station, bill book contained bill number 21250 dated 25.07.2008 was recovered, which is of vehicle number GJ-6-CD-2908 (red-maroon Wagon R) produced at Exh.6009. From this evidence, it reveals that on 25.07.2008 red-maroon colour Wagon R filled with LPG gas at Vanaj gas pump. Earlier accused No.45-Fazle Rehmaan has pointed out this Vanaj gas pump vide panchnama Exh.6502 and at that time, bill of vehicle number GJ-6-CD-9719 was recovered.

16.16.31. It is submitted that looking to the evidence of witness Exh.5321 who gave car movement from Vadodara to Ahmedabad Express way and produced documentary evidence Exh.5323. 16.16.32. The Court has considered the submissions of the parties. Though the Court has already given some of the findings individually for both accused No.69-Amin @ Raja S/O Ayub Nazir Shaikh and accused No.70-Mohammad Mobin on the points which are common, the Court may discuss their roles jointly.

16.16.33. The Court has perused the deposition of PW-1138/Exh. 8165 Gulam Hussein Pathan, who is resident of Sherpura had rented his house to Rafik Shaikh in the month of July 2008, which has connection with accused No.45-Fazle Rehmaan. The said witness identified accused No.45-Fazle Rehmaan as a person named Rafik Shaikh, who stayed in his house on rent with other accused. Witness also identified accused No.43-Anik @ Khalid and accused No.44- Mohammad Akbar. who have also stayed at his house. The witness also deposed that Rafik Shaikh is actually accused No.45-Fazle Rehmaan and when he had come to give deposit, he came with one silver colour Wagon R, whose number as known to him as GJ-6.

16.16.34. The Court has perused the evidence of PW-947/Exh.6640 Hamidbhai Memon, who runs petrol pump near Sherpura gam. He deposed that accused No.45-Fazle Rehmaan, has filled petrol in Wagon R car bearing either 9719 or 9718 to show his involvement. PW-948/Exh. 6642-Irfan, who runs a garage at Sherpura, Bharuch also involved accused No.45-Fazle Rehmaan as a person who came to his garage for repairing of Wagon R car during the month July. evidence of PW-1138/Exh.8165-Gulam Hussein Pathan and PW-947/Exh.6640 Hamidbhai Memon with pointing out panchnama Exh.6502 of Vanaj Gas Pump and recovery of bill from Vanaj Gas Pump. Moreover, house at Sherpura of Gulam Pathan pointed out earlier by accused No.14-Mohammad Sajid from where articles-objects used for preparation of bombs like explosive substance are also recovered. If all the evidences may be seen together, it shows the involvement of accused No.69-Amin @ Raja, accused No.70-Mohammad Mobin, accused No.28-Afzal Usmani with other accused accused No.45-Fazle Rehmaan, accused No.14-Mohammad Sajid, accused No.44-Mohammad Akbar, accused No.43-Anik @ Khalid, accused No.63-Mohammad Tanvir, accused No.37-Kayamuddin Kapadiya and accused No.27-Mohammad Ismail in deep rooted hatched conspiracy, whose ultimate object was of mass killing.

16.16.35. The Court finds that when silver colour Wagon R car number MH-06-AF-7919, which was ultimately used for the purpose of blast was stolen between 07.08.2008 to 08.08.2008 and when black colour Wagon R car number MH-43-R-3569, which was ultimately used for the purpose of planting of explosive material was stolen between 07.08.2008 to 08.08.2008. Accused No.69-Amin @ Raja, accused No.28-Afzal Usmani and accused No.70-Mohammad Mobin have stayed together at Balaji Lodge Shirdon, Panvel. This hotel and the places of theft are close to each other. Balaji Lodge Shirdon, Panvel was pointed out by accused No.28-Afzal Usmani. During pointing out panchnama by accused No.28-Afzal Usmani, hotel register entry of stay from 07.07.2008 at 17:15 p.m. to 09.07.2008 at 8:30 a.m. was recovered. Moreover, accused No.69-Amin @ Raja, accused No.70-Mohammad Mobin and accused No.28-Afzal Usmani have also stayed together at Hotel Shreenath and Guest House, which is situated at Valsad. This hotel register entry No. 424 was also in similar name and sequence as entry of Hotel Balaji Lodge, Shirdon Panvel. If the said entry No.424 of Hotel Shreenath and Guest House is perused, it appears that the same is in the name of (1) Kishan Vanzari, (2) Amin Shaikh and (3) Usmani. In entry said No.424 in signature column, under the signature of visitor, number GJ-6-CD-3569 is also written. Names written in the said entry are same and are in same sequence so also the address in the entry of Hotel Balaji Lodge and Hotel Shreenath and Guest House are same.

16.16.36. Moreover, as per the Hand Writing Expert opinion, entries in the register of Hotel Shreenath and Guest House are proved to be written by accused No.70-Mohammad Mobin Mohd. Mobin. It appears from this, the said proved false entry is in the name of Kishan Vanzari was made by accused No.70-Mohammad Mobin. All the three accused have stayed in Hotel Shreenath and Guest House. From entry of Hotel Shreenath and Guest House, which was proved to be written by accused No.70-Mohammad Mobin, it also proves that number which was written in the column of signature is fake number of black colour Wagon R which was recovered during panchnama Exh.2385 of scene of offence of II-C.R No.175 of 2008 registered with Kapodra Police Station, Surat. From this scene of offence, black colour Wagon R car number GJ6-CD-3569 was recovered, as pointed out by accused No.63-Mohammad Tanvir during panchnama Exh.2794.

Identification Parade, but he was unable to identify accused in the Court due to lapse of time. Accused No.69-Amin @ Raja and accused No.70-Mohammad Mobin went to witness Kamal Thapar for preparing number plate and got prepared two number plates of Gujarat bearing GJ6 by saying that their cars are kept in garage. Accused No.69-Amin @ Raja and accused No.70-Mohammad Mobin made disclosure statement regarding parking of car and pointed out the place, behind Indian Oil colony, Mumbai during panchnama Exh.6819. Moreover, accused No.69-Amin @ Raja and accused No.70-Mohammad Mobin made disclosure regarding parking of stolen car from Mumbai and thereafter, pointed out the place of Surat Railway Station parking, which is opposite of main building of Surat Railway Station during panchnama Exh.6537.

16.16.38. The Court finds that during panchnama Exh.6502, accused No.45-Fazle Rehmaan made disclosure regarding filling of gas by him and accused No.63- Mohammad Tanvir in silver colour Wagon R number GJ-6-CD-9719 and thereafter, pointed out Vanaj Roshni Auto LPG, situated at Sarthana Surat and from there bill book containing bill number 18654 in which vehicle number GJ6-CD-9719 was written and was recovered. This circumstance as also other circumstance as discussed above connect accused No.70-Mohammad Mobin, accused No.69-Amin @ Raja, accused No.28-Afzal Usmani with accused No.45-Fazle Rehmaan as also connect all these four accused with silver colour Wagon R.

16.16.39. The Court has perused the evidence of PW-892/Exh.6348-Ramanbhai Chauhan, panchnama produced, deposition of PW No.851-Shri H P. Sanghvi vide Exh.5985, deposition of PW No.602-Harishbhai Agrawal vide Exh.3229 who is Contractor of Kalupur Railway Station

car parking and deposition of PW No.925-Viren Makwana vide Exh.6573, who is computer in charge of Kalupur Railway Station car parking. The prosecution has proved that Kalupur Railway Station car parking computer hard disc was seized, and from the F.S.L report, it appears that vehicle bearing registration number 5764 was parked on 16.07.2008 at 23:57 hours and this car was removed from parking on 19.07.2008 at 16:14 hours. The Court finds that this car found parked at Kalupur Railway Station parking bearing number 5764 is actually Maruti 800 bearing number GJ-I-HF-5764 which was a fake number and the real number is MH-05-HS-5764. The Court has also considered the evidence relating to Prince Palace Hotel situated near Jakariya Masjid, Kalupur. Hotel register entry Exh.6315 containing Entry No.1326 dated 17.07.2008 in the names of accused No.28-Afzal Usmani and accused No.69-Amin @ Raja has been proved through PW-920/Exh.6550 Vijay Vadikar, PW-884/Exh.6314, panch witness, the panchnama Exh.6316 and the evidence of Handwriting Expert PW-987/Exh.6862. The handwriting opinion at Exh.6864 establishes that the relevant entry was written by accused No.69-Amin @ Raja. The Court finds that the circumstance of parking of the Maruti 800 at Kalupur Railway Station and the stay of accused No.28-Afzal Usmani and accused No.69-Amin @ Raja at Prince Palace Hotel during the relevant period establishes the connection of accused No.28-Afzal Usmani and accused No.69-Amin @ Raja with the said Maruti 800.

16.16.40. The Court finds that above circumstance may be appreciated together with disclosure statement of accused No.28-Afzal Usmani acting as corroboration regarding placing of bomb etc in car number GJ-6CD-9718 and point out panchnama of place of Al-Mohammadi Society and Trauma Centre; Exh.6438 which was proved by prosecution through

PW-899/Exh.3467. Moreover, above circumstances may be appreciated with disclosure statement of accused No.28-Afzal Usmani regarding planting of car loaded with explosive at Civil hospital and thereafter, going to Kalupur Railway Station and staying at AC waiting room in the name of Sanjay which was supported by register of Kalupur Railway Station waiting room which was seized during investigation and in it, there is entry in the name of Sanjay. This panchnama Exh.6451 dated 10.12.2008 is proved by prosecution through PW-901/Exh.6450 and I.O. Exh.8638.

16.16.41. The aforesaid discussion would lead this Court to a conclusion that the accused nos.69 and 70 together with accused no.28 have played a crucial role as assigned to them as a apart of conspiracy for procurement of the cars which were to be used for committing the crime.

16.16.42. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.69-Amin @ Raja S/O Ayub Nazir Shaikh (Madhya Pradesh) and accused No.70-Mohammad Mobin @ Mubin @ Irfan S/O Abdul Sakurkhan The Court has therefore, no reason to interfere with the conviction recorded.

16.17.2. Learned advocate Shri Yug Chaudhry assisted by learned advocate Ms. Payoshi Roy has made submissions on behalf of accused No.35 Rafiyuddin Sarfuddin Kapadiya, who has been awarded imprisonment for life for the offences charged against him. The case of the prosecution against the present accused is of having participated in the conspiracy by taking part in the terror training camp held at Pavagadh in Halol, Gujarat. It is a case where accused No.35-Rafiyuddin Sarfuddin Kapadiya was arrested on 13.11.2008 in connection with the offence bearing C.R. No.236/2008 registered with Shahibagh Police Station and thereafter, was taken in police custody in various other offences registered at various Police Stations and was, ultimately, sent to judicial custody on 11.02.2009 having spent around 60 days of custody with the police.

16.17.3. Learned advocate submitted that there are no circumstances, which could be said to establish case against this accused and the only reason why he is implicated in the offence is because he is the brother of accused No.37-Kayamuddin Kapadiya.

16.17.4. Learned advocate submitted that the prosecution has relied upon the confessional statement of this accused. However, such a statement cannot be treated as an evidence in view of the fact that the confessional statement under section 164 of Cr.P.C., admittedly, has been recorded on oath and therefore, the trial Court has rightly discarded such evidence. Moreover, it is submitted that even if the confessional statement is taken into consideration, it is evident that he had proceeded to accompany his brother as he was misled by his brother to accompany him for a trip / picnic but the moment he realized that the purpose of the camp at Halol was something else, he had dissociated himself.

16.17.5. Learned advocate submitted that the prosecution relies upon

the evidence of Munjavar of Khundpir Dargah, PW No.1105 Idrish Gulabshah Fakir Divan vide Exh.7923. This witness, though has identified the accused in the Court but, such identification cannot be treated as reliable as the same had taken place after a period of almost 11 years and that no test identification parade was undertaken to support the dock identification. Moreover, the very witness who had identified yet another accused has wrongly identified accused No.68-Mohammad Habib as accused No.2 Imran Shaikh and hence, this witness cannot be treated as wholly reliable witness.

16.17.6. Another evidence relied upon is the point out panchnama purportedly under section 27 of Cr.P.C. being Exh.6443, by which accused No.35 Rafiyuddin Sarfuddin Kapadiya has voluntarily disclosed the place where the camp was located.

16.17.7. Learned advocate submitted that this panchnama cannot be treated as an evidence in view of the fact that earlier, through accused No.1-Jahid Kutubuddin Shaikh Exh.6480, panchnama was drawn on 27.08.2008. Similarly, on 28.09.2008, panchnama Exh.7053 was drawn at the behest of accused No.16-Abbas Umar Sameja and both of them had drawn the investigating officer to the same place and therefore, the location identified by accused No.35-Rafiyuddin Kapadiya was already known to the investigating officer and as this panchnama did not lead to any new discovery, it cannot be treated as panchnama under section 27 of Cr.P.C. Learned advocate, by comparing the contents of the statement of accused No.35-Rafiyuddin Kapadiya made under section 164 of Cr.P.C. Exh.8631 with the contents of Panchnama Exh.6443, has submitted that the contents of both these documents, though are attributable to accused No.35-Rafiyuddin Kapadiya, are self-contradictory. According to the learned advocate, in Exh.8631, which is

the confessional statement of the accused, the role attributed to the accused himself is of having accompanied accused No.37-Kayamuddin Kapadiya to Pavagadh camp in his capacity as brother only, though in the very statement, the witness has confessed to have become a member of SIMI organization at the instance of his brother and other co-accused; whereas, in Exh.6443, the narration is as if accused No.35-Rafiyuddin Kapadiya is one of the organizers.

16.17.8. In this connection, the Court has perused Exh.8636, which is the confessional statement of accused No.35-Rafiyuddin Kapadiya made under section 164 of Cr.P.C. and the same would indicate that it is recorded as if the oath has been administered to accused No.35-Rafiyuddin Kapadiya before recording it. Therefore, the Court may only consider the contents of this document to appreciate the submissions of the defence counsel. In this statement, the accused admits to have gone to the camp at Pavagadh and having realized that the purpose behind the camp is for giving training for terror activities, he had asked his brother to leave the place and he himself also left the place. However, in the very document, he admits that he had become a member of SIMI organization at the behest of co-accused.

16.17.9. The Court, having perused Exh.6443, wherein the voluntary disclosure made before the Panch witness was only to the extent that accused No.35-Rafiyuddin Kapadiya had disclosed that Imran, Kayamuddin, Sajid Mansuri and five people from Madhya Pradesh and four people from Rajasthan had organized a terror training camp, which involved training of trekking, swimming, firing, etc. and was participated by other co-accused, where he does identify himself to be one of the oganizers. This Panchnama is proved by PW No.900 Himesh Pravinchandra Mehta Exh.6442. A perusal of this Panchnama would

clearly indicate that while the accused was in custody, he preferred to make a voluntary disclosure. The Panch witness has deposed in such voluntary disclosure wherein, the accused had disclosed that between 13th and 15th of January, he himself along with Imran, Kayamuddin, Sajid Mansuri and others from Madhya Pradesh and Rajasthan had organized terror training camp for imparting training of trekking, swimming, firing, etc. wherein, other co-accused had also participated by delivering instigating speeches. Pursuant to such disclosure, the investigating officer and panch witnesses were led by this accused to the locations where the camp site had existed. He had also taken to various places within the camp sites where the training were imparted.

16.17.10. Learned advocate has lastly submitted that confession of accused No.2-Imran Shaikh recorded under section 164 of Cr.P.C. may also not be treated as an evidence as it is a confession of co-accused and since there is no independent evidence against accused No.35-Rafiyuddin Kapadiya, the confessional statement of co-accused is of no consequence.

16.17.11. The Court is of the view that over and above the confessional statement of Imran Shaikh (accused No.2), there are other evidences like, the deposition of PW No.1105 Idrish Gulabshah Fakir Divan Exh.7923 who has deposed that accused No.35-Rafiyuddin Kapadiya had participated in the terror training camp and has also identified accused No.35-Rafiyuddin Kapadiya in the Court and therefore, this is a substantive evidence of participation in the camp. Moreover, the point out panchnama at Exh.6443 is also an evidence in view of the fact that the same has been drawn under section 27 of the Indian Evidence Act. The Court has, in detail, dealt with the reasons as to why this panchnama is required to be treated as substantive evidence in a separate sub-

chapter of "Panchnamas under Section 27 of Indian Evidence Act" in the chapter of "issue". In view of the aforesaid two substantive evidences, the evidence of confessional statement of co-accused accused No.2-Imran Shaikh, if now perused as evidence, then Exh.8619, the accused has named accused No.35-Rafiyuddin Kapadiya as one of the individuals from Baroda who had participated in the camp.

16.17.12. One more evidence that the Court may take into consideration is the evidence of PW No.1115 Mohammad Umar Usman Mansuri Exh.8002, who has deposed to have facilitated a call between accused No.35- Rafiyuddin Kapadiya and accused No.37-Kayamuddin Kapadiya.

16.17.13. Learned Additional Advocate General for the State has submitted that accused No.35-Rafiyuddin Kapadiya is the real brother of accused No.37-Kayamuddin Kapadiya. Accused No.35-Rafiyuddin Kapadiya is involved by accused No.2-Imran Shaikh in his confessional statement as a person who attended Halol camp alongwith many other accused including accused No.37-Kayamuddin Kapadiya his real brother as well as one another accused No.3-Iqbal Shaikh from Vadodara.

16.17.14. It is submitted that law of conspiracy is that, apart from it being a distinct offence, all the conspirators are liable for the act of each other's crimes which had been committed to achieve ultimate object of conspiracy. It is not necessary to prove and establish that all the accused came together and actually agreed to commit offence. If a conspiracy had already formed and other person joins it afterwards, then person joined subsequently is also liable for all the acts committed by other conspirators. Moreover, Section 10 of Evidence Act provides special rule of evidence followed in the case of conspiracy, if conditions of Section 10 of evidence act are fulfilled. If we look to the evidence of this

case, the conditions of Section 10 of Evidence Act are fulfilled. Therefore, what was said or done by the member of conspiracy in the present case by the accused in reference to their intention would be evidenced against other co-conspirator i.e. co-accused of the case…...

on the point of application of Section 10 of Evidence Act, para 4 for A-18.

16.17.15. It is submitted that on the issue of accused No.35-Rafiyuddin Kapadiya being made to take oath, prosecution would submit that on bare reading of the provisions of Section 164 of Cr.P.C together with Section 281 of Cr.P.C, when the recording Magistrate is Metropolitan Magistrate, there is no legal prohibition for not administering oath to confessor. Further submissions are made for accused No.6-Mohammad Aarif. After giving this statement of confession, accused No.35-Rafiyuddin Kapadiya gave statement of retraction on 17.06.2009 through Exh.9351, which was sent by accused No.35-Rafiyuddin Kapadiya from jail, which is in Gujarati. The relevant part of his statement reveals that he was brought to Ahmedabad Crime Branch on 12th August 2008 and he was kept confined illegally for 18 days and was tortured by P.S.I J M. Bharvad. Thereafter, he was released and repeatedly called by Crime branch police and lastly called on 13.11.2008 and was not permitted to go back thereafter. He has stated that he was falsely involved in serial bomb blast case of Ahmedabad and he had nothing to do with this case nor he knew anything about it.

16.17.16. The accused further stated that during the course of police remand, he was mentally and physically broken down and he was told to give statement before Metropolitan Magistrate and his mental condition

was broken down to an extend that he could not say no to it. Therefore, he made an application before him and also gave his statement which he was withdrawing. Further, presently his mental condition was good and therefore, he was giving this application. Even now his physical condition was not good and he detached himself from the signatures made by him on blank papers during the course of remand as he was made to put his signatures on it. He further stated that, he had no concerned with Ahmedabad bomb blast and Surat bomb plantation case and it is his request that no papers bearing his signature be accepted and lastly, he has stated that Metropolitan Magistrate would give sufficient attention to his request. After completion of this statement, accused No.35-Rafiyuddin Kapadiya has put his signature. This statement of retraction of accused No.35-Rafiyuddin Kapadiya is considered by Magistrate and the prayer made by accused No.35-Rafiyuddin Kapadiya is rejected. It is submitted that the only relevant part of the order is that learned Metropolitan Magistrate had observed that accused No.35-Rafiyuddin Kapadiya was produced before him along with his Advocate on different production and on every such time, accused No.35-Rafiyuddin Kapadiya was asked about any physical torture harassment etc, to which he had not complained and the same was observed in the contemporaneous record, which also bore his signatures. The Metropolitan Magistrate had also observed about different Court sitting being held in Sabarmati Central Jail and recording Magistrate had also occasioned to meet different accused, but no such complaint was made by accused No.35-Rafiyuddin Kapadiya. Even inquiry was made about any such complaint against jail authority, however, it appears that no such complaint has been made by accused No.35-Rafiyuddin Kapadiya nor even during video conference, appearance etc. It is submitted that

regardless of the outcome of statement of retraction of accused No.35-Rafiyuddin Kapadiya, which had legal consequences, but observation made by Metropolitan Magistrate which goes to the root of the matter about physical torture made by particular Police Officer, after almost more than four months of the confessional statement, would certainly take away the credibility of statement of retraction on the ground of physical torture being caused to him and most importantly accused No.35-Rafiyuddin Kapadiya is not denying version made by him in his confessional statement. In statement of retraction, he only says that he is withdrawing his confessional statement.

16.17.17. It is submitted that the torture made by PSI J M. Bharvad is not relating to compelling him to give confessional statement and he only blames his weak and failing mental and physical condition which made him to give confessional statement at Exh.8631. The allegation made by accused No.35-Rafiyuddin Kapadiya in his statement of retraction about he being illegally confined by Crime Branch Police from 12th August 2008 for 18 days, is also a got-up version, as till his arrest on 13.11.2008, accused No.35-Rafiyuddin Kapadiya has not whispered to anyone in any manner about he being kept under illegal confinement from 12th August 2008 for 18 days and released thereafter, as well as he being physically tortured during the said period. It is not only that, on arrest of accused No.35-Rafiyuddin Kapadiya on 13.08.2008, he did not complaint about his illegal confinement and physical torture to anyone, but even after his arrest till the date of statement of retraction which is almost seven months, he did not complaint about it to the concerned Metropolitan Magistrate Court on his various production etc. Hence, his allegation about he being in illegal confinement-detention and physical torture is a got-up version and that

there is no material either on record or otherwise that what use police did out of such illegal confinement.

16.17.18. In view of above, statement of retraction is required to be discarded.

16.17.19. The Court has considered submissions of the parties. In the opinion of the Court, the prosecution has examined PW-1115/Exh. 8002 named Mohd. Umar Mansoori from Vadodara, who knew accused No.37-Kayamuddin Kapadiya, accused No.7-Usman Agarbattiwala, accused No.2-Imran Shaikh as also accused No.35-Rafiyuddin Kapadiya, since childhood. This witness has deposed that he was interrogated by Crime Branch Police on 07.12.2008. He has also stated that Kayamuddin having absconded and during that time accused No.37-Kayamuddin Kapadiya called witness on phone from Vapi and told him that he wanted to talk with his family and he would again call at 8 o'clock in night. Accused No.37-Kayamuddin Kapadiya called at the given time and had talked with his brother accused No.35-Rafiyuddin Kapadiya Rafiyuddin. Witness also deposed that on the other day accused No.37-Kayamuddin Kapadiya called again and asked for telephone number of Dilawar Gheevala, which he has given. This witness has also given his statement under Section 164 of Cr.P.C, which is produced at Exh.8003. The witness was cross-examined about accused No.37-Kayamuddin Kapadiya's call and talked with accused No.35-Rafiyuddin Kapadiya and has stated about distance between the house of witness and the house of accused No.35-Rafiyuddin Kapadiya is 300 feet and he denies that he had not arranged telephonic call between accused No.37-Kayamuddin Kapadiya and accused No.35-Rafiyuddin Kapadiya.

very important witness who is Munjawar of Khundpir Dargah, where some of the accused persons had stayed was examined by prosecution at Exh.7923 who has fully supported the case of prosecution. This witness has identified accused No.35-Rafiyuddin Kapadiya, when he was taken to him in the month of November and also during the course of deposition he has identified accused No.35-Rafiyuddin Kapadiya.

16.17.21. The Court finds that accused No.35-Rafiyuddin Kapadiya has also pointed out this place of Halol camp through panchnama dated 17.11.2008 at Exh.6443 and the said panchnama is proved through panch witness at Exh.6443 and Investigating Officer at Exh.7626. Accused No.35-Rafiyuddin Kapadiya is arrested on 13.11.2008. Accused No.35-Rafiyuddin Kapadiya gave application Exh.8629 on 19.01.2009 to Metropolitan Magistrate, Ahmedabad while in judicial custody, stating that he intends to give his statement and confessed to the facts known to him about the incident. He also stated that he has given this application without anyone's duress. He also stated that he should be heard on it. After stating this, he puts his signature and date. Thereafter, on 20.01.2009, through Exh.8360, the Court of Chief Metropolitan Ahmedabad, given application Exh.8629 to Metropolitan Magistrate Court No.11 to record the statement under Section 164 of Cr.P.C. As per the record submitted through Exh.8631, it clearly appears and establish that on 29.01.2009 accused No.35-Rafiyuddin Kapadiya was produced before Metropolitan Magistrate Court No.11 from Sabarmati Central jail. Upon his production, Metropolitan Magistrate Court No.11 observed and complied with safeguards for taking statements under Section 164 of Cr.P.C as learned Judge explained to accused No.35-Rafiyuddin Kapadiya that there is no compulsion for him to make any confession and his confession can be used against him. The learned Judge also

verified that whether accused No.35-Rafiyuddin Kapadiya is making his confession voluntary without anyone's duress, without any promise allurement, to which accused No.35-Rafiyuddin Kapadiya replied in affirmative**.** Learned Magistrate also verified that whether police has promised him for his exoneration and upon verifying about it, learned Magistrate gave him time of reflection. Thereafter, accused No.35-Rafiyuddin Kapadiya was produced before Metropolitan Magistrate Court No.11 from Sabarmati Central Jail on 04.02.2009. On the very day, the learned Magistrate again verifies about intention of accused No.35-Rafiyuddin Kapadiya to give statement, to which he said yes and upon his consent, statement of accused No.35-Rafiyuddin Kapadiya was recorded in open Court, on verifying about no police persons remained in Court except two security guards and accused No.35-Rafiyuddin Kapadiya was again made to know about safeguards as observed by Metropolitan Magistrate Court on 29.01.2009. Thereafter, accused No.35-Rafiyuddin Kapadiya had put his signature alongwith the date.

16.17.22. Further, accused No.35-Rafiyuddin Kapadiya started giving his statement and clearly stated about accused No.37-Kayamuddin Kapadiya being his real young brother. He also stated that all the persons in family believes in 'Sufism' and his brother accused No.37-Kayamuddin Kapadiya believing in 'Ahele-Hadees. He has further clarified that accused No.37-Kayamuddin Kapadiya is not a believer in dargah and he is believer in Dargah. He stated that he became SIMI activist because of his brother accused No.37-Kayamuddin Kapadiya, accused No.7-Usman Agarbattiwala and accused No.-4-Shamsuddin Shaikh, who are SIMI activists. In the year December 2007, accused No.37-Kayamuddin Kapadiya left home without informing anyone in the house and came after 5 to 6 days and conveyed that he had went to

training camp in Kerala state.

16.17.23. The Court finds that on reaching to camp, accused No.37-Kayamuddin Kapadiya introduced him to others which would include accused No.7-Usman Agarbattiwala, accused No.14-Sajid Mansoori, accused No.3-Iqbal Shaikh, accused No.2-Imran Shaikh from Vadodara and accused No.6-Arif Kagzi, accused No.8-Unus Mansoori, accused No.75-Alam Jeb Afridi, Mujib (now deceased), accused No.78-Tausifkhan @ Atiq, accused No.1-Jahid Shaikh, accused No.16-Abbas Sameja of Bhuj and accused No.22-Imran Ahmed, accused No.21-Mehandihasan @ Vikki and accused No.20-Atikur Rehmaan who were from Rajasthan. Accused No.35-Rafiyuddin Kapadiya also stated that absconder Taukir, accused No.12-Safdar Nagori, accused No.9-Kamruddin S/O Chandmohammad Nagori, accused No.10-Amil Parvaz, accused No.59-Mohammad Ansar @ Siddik, accused No.74-Mohammad Abrar, Afroz Shaikh, accused No.66-Mohammad Safiq were also present at Champaner Dargah. After going back to home, accused No.35-Rafiyuddin Kapadiya stated that he had not informed to his father as accused No.35-Rafiyuddin Kapadiya was confident that his brother accused No.37-Kayamuddin Kapadiya would understand the things and would leave his engagement from such activities. In the month of March, Madhya Pradesh police alongwith Vadodara police, came in search of accused No.37-Kayamuddin Kapadiya knowing that accused No.37-Kayamuddin Kapadiya left the house and he ran away with the aid of accused No.7-Usman Agarbattiwala and accused No.2-Imran Shaikh. Thereafter, accused No.37-Kayamuddin Kapadiya used to call sometimes. Based on it, accused No.35-Rafiyuddin Kapadiya realized that his brother accused No.37-Kayamuddin Kapadiya is in Ahmedabad, but at what place was not known. On completion of statement of

accused No.35-Rafiyuddin Kapadiya, accused No.35-Rafiyuddin Kapadiya read over the statement and as the same was as per his say, he put his signature as well date as 04.02.2009.

16.17.24. The Court finds that on completion of this statement, recording Metropolitan Magistrate has noted that accused No.35-Rafiyuddin Kapadiya was explained for there being no compulsion on accused No.35-Rafiyuddin Kapadiya to make any confession and if any confession is made, it would be used against him and upon verification, the Magistrate certified that confessional statement is made voluntarily by accused No.35-Rafiyuddin Kapadiya which was reduced in writing by him and also read over to accused No.35-Rafiyuddin Kapadiya as the same was found to be true and as per his say. On completion of this note, recording Magistrate has put his signature and date. It is established that statement of accused No.35-Rafiyuddin Kapadiya is voluntarily given by him and the same also is truthful. As per confessional statement of accused No.35-Rafiyuddin Kapadiya, Halol camp was a SIMI camp and his participation alongwith many other accused named in the statement establishes his involvement in this SIMI camp.

16.17.25. Accused No.35-Rafiyuddin Kapadiya gave his further statement under Section 313 of Cr.P.C on 03.03.2020, which is after almost 14 years to his giving statement of retraction, is completely different, contrary and full of improvements. Hence, accused No.35-Rafiyuddin Kapadiya has also given false explanation which would be an additional link to a chain of circumstances placed by prosecution against him and others. It is submitted that accused No.35-Rafiyuddin Kapadiya had observed silence on his statement of retraction during the course of examination of witnesses and during this period, he had not attempted to place his statement of retraction even at the time of

recording of his further statement. Accused No.35-Rafiyuddin Kapadiya has not placed his statement of retraction before Court. Unlike to some other accused, more particularly, accused No.2-Imran Shiakh, accused No.21- Mehandihasan @ Vikki and accused No.24-Umar @ Ashok Kalabhai Kabira having placed their statement of retraction (certified copy) only at the time of recording of their further statement.

16.17.26. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.35-Rafiyuddin S/O Sarfuddin Kapadiya. The Court has therefore, no reason to interfere with the conviction recorded.

16.18. In case of Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori (Ujjain, M.P.) (A-12)

(Accused No.12 in Criminal Confirmation Case No. 2/2022 and Appellant No.8 in Criminal Appeal No. 1710/2022)

16.18.1. In case of accused No.12; Safdarhussain @ Hussainbhai @ Iqbalbhai Jahiruddin @ Jaharulhasan Nagori, he has been convicted for various offences in Sessions Case No.38/2009 and others, and has been awarded death penalty.

16.18.2. With regard to accused No.12; Safdarhussain @ Hussainbhai @ Iqbalbhai Jahiruddin @ Jaharulhasan Nagori**,** learned Advocate Mr. Hriday Buch has submitted that evidence of prosecution against him is that of approver; PW No.1141-Aiyaz Razakmiya Saiyed, three witnesses of Halol Terror Camp and Test Identification Parade through these witnesses and evidence of PW No.1073-Mohammadyunus Abdulatif Sumra at Exh.7298; who has performed Test Identification Parade about internet activity from Cybercafe. It is submitted that evidence of Aiyaz is

not believable, as it cannot be treated to be evidence to undertake serial blast.

16.18.3. Learned Advocate Mr. Hriday Buch has submitted that in general submissions, he has already argued the reasons why evidence of Aiyaz cannot be treated as admissible evidence on account of discrepancies argued by him.

16.18.4. The Court is of the opinion that in so far as accused No.12; Safdarhussain @ Hussainbhai @ Iqbalbhai Jahiruddin @ Jaharulhasan Nagori is concerned, PW No.1141-Aiyaz Razakmiya Saiyed has deposed regarding activities of SIMI and the object behind it, which is evident in Para-2 and Para-7 of his chief examination. In Para-8, he has specifically mentioned with regard to program held at residence in Dariyapur about which, he was informed by co-accused; Arif Kagzi, where he was introduced to other co-accused including accused No.12;Safdarhussain @ Hussainbhai @ Iqbalbhai Jahiruddin @ Jaharulhasan Nagori. He has deposed that this accused played important role in delivering lectures (hate speeches), referring to violent activities in different countries for imposing Islamic rule and also advocated for Islamic rule in India by resorting to practical 'Jihadi' activities and these activities continued for 2-3 days, wherein propaganda was made with the help of Colour TV, VCD players and Video Cassettes of Suicide bombing, Gorilla attack, bomb explosions carried out through Taliban Al-Qaeda and Hamas. Demonstration was also shown on Video CD about preparing of explosives.

16.18.5. With regard to argument of carrying out explosions, it is pertinent to observe that in Para-13 of his deposition, he has referred to 23rd July, when one of the co-accused had taken him to place and identified the same asking this witness to place the bomb upon being

instructed. He was also asked to make call on 25th July for further instructions. Even in Para-12 of deposition, he has referred to co-accused, who had conveyed to him about plan to cause bomb explosions and asking him to participate. Therefore, argument of learned Advocate that evidence of Aiyaz for the offense is not believable as he does not refer to causing of bomb explosions, is not accepted. During the meetings, which took place, this witness has definitely pointed out to the present accused to have instigated practical 'Jihadi' activities and therefore, this accused cannot be absolved on the argument that during meeting, there is no reference to causing bomb explosions, as it is a matter of fact that the bomb explosion did take place immediate to such a meeting. It is too much of an argument that at the time of the explosion itself the presence of the accused is necessary at the scene to convict him of such offence.

16.18.6. With regard to identification by three witnesses about participation in Halol Terror Camp, learned Advocate has referred to his arguments in connection with previous accused about non-reliability of three witnesses. However, from evidence of these three witnesses, their presence at the place was natural as they were attending their day-to-day work in the vicinity and the Court does not see any reasons to doubt their credentials or finds no reason from the cross examination to treat these witnesses as planted witnesses which is discussed in detail under the Chapter of "Appreciation of deposition of relevant witnesses".

16.18.7. Learned advocate submitted that the prosecution has relied upon PW No.1073-Mohammadyunus Abdulatif Sumra at Exh.7298; a cybercafe operator to establish the activity of this accused on internet. Learned advocate submitted that this witness has not given any detail about the activity nor has any documentary evidence like ID Proof of

accused No.12 visiting his cafe. He is also unable to identify accused No.12 to connect him with visit to his cybercafe in the year 2008. Moreover, the register seized from the witnesses also had the name within "Irfan" against the usage of his cybercafe. Therefore, it is contended that this witness in no manner is useful to the prosecution.

16.18.8. In this connection, the Court may find useful to refer to the evidence of the investigating officer PW No.1089-Pravinsinh Gatorsinh Vaghela at Exh.7626 and panch witness PW No.1074-Osman Abdul Siddi at Exh.7300 in whose presence the muddamal hard disc was seized and sent to FSL and the FSL officer PW No.851-Hitesh Pramodukumar Sanghvi at Exh.5985 gave report Exh.5998 in this connection.

16.18.9. Learned advocate has thereafter taken the Court to PW No.1097-Mehtab Ibrahim Shaikh at Exh.7767 on attending the SIMI meeting at Limbayat, Surat with co-accused Hanif. It is argued that the evidence of this witness does not disclose the details or discussion in the meetings and he could not identify this accused.

16.18.10. Learned Advocate has submitted by drawing attention of this court to the judgment rendered by the Ernakulam Court in connection with the conducting of terror camp at Vagamon in Kerala being Exh.9421 and submitted that as the Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori is already convicted in the previous trial, the prosecution is estopped from using the same set of evidence as in the present case also as the accused is being tried for participating in the very camp.

16.18.11. In this connection, the Court observes that the trial for the present offence is not identical to that of the trial conducted for participating in the Vagamon camp, but the holding of the Vagamon camp is only one of the circumstances in the entire chain of events

establishing the larger conspiracy to commit terror attack. Moreover, the court has already found that the evidence laid before this court is not common evidence as was laid before the Vagamon camp, and there are witnesses to the activities attributed to the Accused No.12- Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori, even subsequent to the Vagamon camp.

16.18.12. Learned advocate has submitted that the prosecution has also relied upon the Suspect Detection Test (SDS), which the learned advocate submits cannot be treated as evidence at all and is merely an opinion based on certain tests.

16.18.13. Learned advocate has drawn attention of this court to PW No.1041 at Exh.7056 Talib Abdul Maniar and submitted that though the prosecution has examined this witness to connect Accused No.12- Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori with the SIMI, this witness has been declared hostile and therefore, the attempt of the prosecution to establish the Accused No.12- Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori being General Secretary of SIMI has failed.

16.18.14. In this connection, it would be pertinent to point out that apart from the evidence of the hostile witness Talib, there are other witnesses who have named Accused No.12- Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori to be the part of SIMI and these witnesses have deposed with regards to the connection of Accused No.12- Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori with SIMI. Therefore, it is sufficient when it is projected to a witness and other accused persons that the Accused No.12- Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori represents the SIMI, in that case it is not expected to have any documentary

evidence to support the case of prosecution, particularly when the organization itself is working as undercover.

16.18.15. Learned advocate for the accused has lastly submitted with regards to the educational qualification acquired by the accused while in jail undergoing the sentence. It is submitted that the accused has done various courses and is presently undertaken PG Diploma in Human Rights and has also received GSD MS certificate and this circumstance be treated as mitigating circumstance while considering the sentence.

16.18.16. Learned Additional Advocate General on behalf of the State, submitted that accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori is one of the accused in Kerala-Vagamon Terror Training camp and was arraigned as Accused no.3-Iqbal S/O Kasam Shaikh in Kerala Proceedings. As per the Kerala Session's Court Judgment, Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori is convicted U/s 10, 20 and 38 of UAPA and Section 4 of Explosive Substance Act, 1908 and Section 120 B of I.P.C.

16.18.17. It is also submitted that accused No.12-Safdar Hussain @Manjarimam @ Alam @ Jamil S/O Aliimam Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori is also involved by Accused No.76-Manjarimam @ Alam @ Jamil S/O Aliimam who is from Ranchi, in his confessional statement Exh.9021. So far as, his confessional statement is concerned, prosecution has stated in detail about different facts as revealed and stated by Accused No.76- Manjarimam @ Alam @ Jamil S/O Aliimam.

16.18.18. It is further submitted that accused No.76- Manjarimam @ Alam @ Jamil S/O Aliimam also disclosed about an organization named Muslim Student Federation other than SIMI. He also elaborated about ban on SIMI and most importantly about Accused No.76- Manjarimam

@ Alam @ Jamil S/O Aliimam stating about him having met a top SIMI leader named Safdar Nagori i.e. Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori, Accused No.76-Manjarimam @ Alam @ Jamil S/O Aliimam and has also stated about Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori directing all participants to not reveal their real name and also not to speak much. He has also stated about Vagamon camp being arranged by Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori alongwith Accused no.10- Aamil Parvaz S/O Kaji Saifuddin Shaikh, Accused No.11- Sibli @ Sabit S/O Abdul Karim Muslim and Accused No.60- Saduli @ Hariz S/O Abdul Karim Muslim.

16.18.19. It is stated that accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori is also implicated by prosecution in a SIMI material literature which is part of investigation material as well as chargesheet as defence relied on it, and submitted through Exh.9248. This SIMI literature Material Exh.9248, by name involves Accused No.1- Jahid S/O Kutubuddin Shaikh, Accused No.4-Samsuddin S/O Shahabuddin Shaikh, Accused No.6-Mohammad Aarif S/O Mohammad Iqbal Kagzi, Accused No.8-Yunus S/O Mohammad Mansuri and Accused No.14- as SIMI activist along with many other SIMI activists whose names are revealed through this Literature, and are also accused of this case. Over and above it, there is also an evidentiary material which would demonstrate that Accused No.12-Mohammad Sajid @ Salim @ Sajjad @ Saad S/O Gulam Khwaja Mansuri and many other accused are members of SIMI. This literature Exh.9248 gives details about activities of SIMI and also gives details about different SIMI activist by their name and by their position in SIMI across India. It further includes activities conducted by SIMI across India, one pertinent

aspect of this literature at (pg.779549), where details about SIMI activist of Rajasthan Zone is given at Serial No.67, about Savai Mansingh Stadium bomb blast case (1996), Jaipur. Therefore history of SIMI in bombing activities.

16.18.20. It is submitted that PW No.1073/Exh.7298 Mohd. Unus Sumra, running Cyber Cafe at Bhuj involved Accused No.16- Abbas bhai and other 2-3 persons who came with Accused No.16 for surfing at his Cyber Café, and this witness has also identified Accused No.16 in court. This witness identified Accused No.1 in TIP Exh-3068 and Accused No.12 in TIP Exh-3065 but was unable to identify in Court due to lapse of time and change in body and facial appearance. As deposed by witness Mohd. Unus Sumra, that Accused No.16-Abbas S/O Umar Sameja was coming with 2-3 persons and considering the evidence of witness in totality, these 2 other persons are Accused No.1- Jahid S/O Kutubuddin Shaikh and Accused No.12- Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori. This witness was running Cybercafé at Bhuj and the accused who was identified by this witness i.e. Accused No.16- Abbas S/O Umar Sameja was a local person i.e. from Bhuj but other 2 accused namely Accused No.1- Jahid S/O Kutubuddin Shaikh is from Ahmedabad and Accused No.12- Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori is from Madhya Pradesh. Therefore, it was submitted that at the Cyber Cafe at Bhuj, three different accused, i.e. a local person Accused No.16- Abbas S/O Umar Sameja and the other two from Ahmedabad and Madhya Pradesh were found surfing together at Bhuj.

16.18.21. In the opinion of the Court, it appears that Accused No.12- Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori attended Halol Terror Training camp along with many other co-

conspirators, for which there is evidentiary materials in the nature of certain witnesses namely; (1) Ramkabhai Kesariya, (2) Pravinbhai Hamirbhai Katariya and (3) Ambalal Vechatbhai Bariya and few other witnesses of Halol who had occasioned to see some of the activities conducted at Halol Terror Training camp as they being a local witness who could have seen that, and are therefore, natural witnesses to Halol camp. When Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori was subjected to TIP before these three witnesses, accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori was successfully identified by all the three witnesses before Executive Magistrate and the Test Identification Report of Executive Magistrate for such identification is also proved by prosecution by examining Executive Magistrate who had testified that at the time of drawing identification report, accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori was mixed with many dummy persons and when these witnesses were called upon to identify Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori amongst other dummy persons, these witnesses have successfully identified Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori by holding his hand and drawing him out from the line of different persons. Upon doing that, Executive Magistrate confirmed the name of the person who was drawn out by all the three witnesses by holding his hand and the person on asking about his name by Executive Magistrate answered that he is Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori. All these three witnesses have also identified Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori while deposing in Court. Therefore, over and above there being

successful TIP, there is also successful dock identification.

16.18.22. This Court also finds that approver Aiyaz also involves Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori at the conspiratorial meeting held at the house of Accused No.4-Samsuddin S/O Shahabuddin Shaikh's Nana's house as a prominent person who gave takrir. This witness has also involved accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori as activist of SIMI group led by him, arrested from Madhya Pradesh, Indore which had started preparing for doing practical activities. There is a reference in the investigation where a Moduleof SIMI is named as Nagori Group. This witness Aiyaz also identified Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori, during his deposition in the Court.

16.18.23. It also appears that one another witness Mehtab Shaikh also involved Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori in one another SIMI meeting which took place at Limbayat, Surat in the year 2008. This meeting was also attended by other accused as like Accused No.6-Mohammad Aarif S/O Mohammad Iqbal Kagzi, Accused No.4-Samsuddin S/O Shahabuddin Shaikh and Accused No.8-Yunus S/O Mohammad Mansuri. This witness also identified Accused No.4-Samsuddin S/O Shahabuddin Shaikh in court during his deposition. Witness also assertively deposed about Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori being connected with SIMI. Considering the evidence of this witness, it appears that accused persons including Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori attended SIMI meeting though SIMI is a banned terrorist organization.

Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori is involved by accused No.2-Imran S/O Ibrahim Shaikh in his confessional statement. From the statement of accused No.2-Imran S/O Ibrahim Shaikh, accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori is found to be one of the leaders of the camp and active activist of banned organization name SIMI. Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori himself made takrir and exhorted that, they would be doing practical work, executing jihad, as well as targetting mass killing and had shown his pleasure whenever explosion had taken place. Accused No.2-Imran S/O Ibrahim Shaikh also had stated about Accused No.2-Imran S/O Ibrahim Shaikh, Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori and Accused No.14- Mohammad Sajid @ Salim @ Sajjad @ Saad S/O Gulam Khwaja Mansuri having stayed in a guest house. It would be pertinent here to state that, during the course of investigation, police found one guest house named Shri Hari tourist and on collecting relevant registers and other document related to guest house, occupancy of the relevant period i.e. the period when Kerala Vagamon Camp took place. One pertinent entry was found which was forensically investigated and it has been established that person named by Accused No.2-Imran S/O Ibrahim Shaikh in his statement, i.e. Accused No.14-Mohammad Sajid @ Salim @ Sajjad @ Saad S/O Gulam Khwaja Mansuri did stay at this guest house named Shri Hari tourist in a dummy name Salim Shaikh and address Kota, Rajasthan. The handwriting of Accused No.14-Mohammad Sajid @ Salim @ Sajjad @ Saad S/O Gulam Khwaja Mansuri was subjected to forensic investigation, and the hand writing expert had given opinion that the entry which is disputed as referred here in above, is in the hand writing of Accused No.14-

Mohammad Sajid @ Salim @ Sajjad @ Saad S/O Gulam Khwaja Mansuri. Accused No.2-Imran S/O Ibrahim Shaikh also had stated about Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori gave dummy names to the person-conspirator present at Vagamon camp. The name of Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori was Iqbal.

16.18.25. This Court finds that Accused No.2-Imran S/O Ibrahim Shaikh also involved Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori in one another conspiratorial terror camp where Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori decided that place of camp should be Gujarat, Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori inspected the place and chose it which is Halol, Pavagadh. Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori also chose the place of Khundpir Dargah for the purpose of place of stay for the participants of Halol camp and camp was also arranged accordingly. Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori nominated accused No.14-Mohammad Sajid @ Salim @ Sajjad @ Saad S/O Gulam Khwaja Mansuri, as manager of this camp and accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori as well as accused No.14-Mohammad Sajid @ Salim @ Sajjad @ Saad S/O Gulam Khwaja Mansuri decided as to who should be the participants of this camp and all logistics were managed by Accused No.14-Mohammad Sajid @ Salim @ Sajjad @ Saad S/O Gulam Khwaja Mansuri. Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori also decided about participants belonging from Madhya Pradesh. Nagori also stated about dummy names being given to all participants at Halol camp, name of Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori remained Iqbal. Accused No.2 also stated that Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori exhorted about taking of revenge of loss suffered by Muslims in the year 2002 in riots. Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori also exhorted about training must be taken keeping in mind that, everything done is only because of taking revenge, he also declared that they should keep in mind that Mosque, which were deserted, are now flourishing. Accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori also stated about ensuring that identity of participants remained secret even amongst and within the Group. Accused No.2 also states about accused No.12- Safdar Hussain and accused No.13- Hafiz Hussain @ Adnan S/O Tajuddin Mulla came to him of whom accused No.13- Hafiz Hussain @ Adnan S/O Tajuddin Mulla came from Karnataka, and they disclosed about accused No.57- Dr. Asadullah H.A. @ Aslam @ Asad S/O Abubakr H. and accused No.19- Rajiuddin Nasir @ Riyajuddin Nasir @ Alaur Rehmaan @ Abujaj @ Mohammad Daud @ Abdul Razak @ Rashidkhan Mohammad Nasiruddin @ Maulana Nasiruddin, are apprehended and they are dismayed for that, as both were intending to commit blast. Accused No.2-Imran S/O Ibrahim Shaikh also states that, when accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori and accused No.13- Hafiz Hussain @ Adnan S/O Tajuddin Mulla were at his place Shibily also came and they also stayed for some days and then they left for Rajasthan and Madhya Pradesh. Adnan S/O Tajuddin Mulla and accused No.7-Mohammad Usman Agarbattiwala also went to Vapi. According to accused No.2-Imran S/O Ibrahim Shaikh on 27th March, accused No.12-Safdar Hussain Nagori and some 12 persons got arrested.

16.18.26. It also appears that accused No.21-Mehandihasan @ Vikki S/O Abdul Habib Ansari (Julaha Sunni) also gave his confessional statement Exh.8623 and he also involved accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori as a conspirator who made takrir- speeches of prominence most importantly, establishing Islamic rule and executing mass killing.

16.18.27. It is pertinent to note that accused No.35-Rafiyuddin S/O Sarfuddin Kapadiya had also given his confessional statement which is Exh.8631. Accused No.35-Rafiyuddin S/O Sarfuddin Kapadiya admitted that he attended Halol Terror Training Camp and he described this camp as SIMI camp, having attended by lot many persons and from different regions. Accused No.35-Rafiyuddin S/O Sarfuddin Kapadiya also involves accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori as one of the attendees of Halol camp along with many other conspirators who are also accused in the present case. Accused No.35-Rafiyuddin S/O Sarfuddin Kapadiya also pointed out place of Halol camp through panchnama dated 17.11.2008. As the statement of A-35 (Rafiuddin Kapadiya), is on affidavit, it may not be treated as evidence, however, the Court has referred to the same as such statement under Section 164 Cr.P.C. has now been exhibited.

16.18.28. In addition to above referred different conspiratorial circumstances, it appears that there is one more link of circumstance in the nature of forensic evidence as accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori was subjected to

Suspect Detection Test (SDS). And the opinion of it, founds accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori involved and connected with different bomb blast as like Banglore-Samjota Railway bomb blast and his association with SIMI along with other accused persons and his association with one another organization named Huji.

16.18.29. The court has perused the report of Suspect Detection Test (SDS) at Exh.5091, wherein the expert has opined that accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori was subjected to Suspect Detection System, and his reaction to several questions were observed on the basis of which the opinion was given by the expert that: (1) Accused No.12- Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori was involved with SIMI and SIMI organization; (2) He was involved with HUJI organization; (3) He is acquainted with the people involved in causing bomb blasts in future; (4) He is involved in the Bangalore blast and Samjhauta Railway bomb blast; (5) With regards to causing of bomb blast after a periodic interval, the reaction of Accused No.12- Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori was on the lower side.

16.18.30. Thus, considering the reaction given, the expert has formulated an opinion that accused No.12- Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori is involved in the aforesaid instances. Of course the expert opinion as above for accused No.12- Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori is only an opinion, however, such an opinion formulated on the basis of scientific examination can certainly be considered as an evidence, if not to base the conviction, but at least to corroborate the other evidences, where the witnesses have deposed before the court that

accused No.12- Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori was associated with SIMI and other terror organizations and therefore, this circumstance strengthens the case of the prosecution of accused No.12- Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori having played an important role in mobilising the locals of Gujarat though himself coming from Madhya Pradesh to commit the offence.

16.18.31. In view of the aforesaid discussion, the court finds that sufficient evidence has been led to establish the role of Accused No.12- Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori beyond reasonable doubt in convicting him of the charges against him, the conviction therefore is hereby confirmed.

16.19. In case of Hafiz Hussain @ Adnan s/o Tajuddin Mulla (Karnataka) (A-13)

(Accused No.13 in Criminal Confirmation Case No. 2/2022 and Appellant No.9 in Criminal Appeal No. 1710/2022):

16.19.1. In case of Accused No.13- Hafiz Hussain @ Adnan s/o Tajuddin Mulla, he has been convicted for various offences in Sessions Case No.38/2009 and others, and has been awarded death penalty.

16.19.2. With regard to this accused No.13-Hafizhussain @ Adnan @ Tamim Tajuddin, learned advocate has submitted that the accused was arrested while in Indore Jail by way of Transfer warrant on 28-03-2008. However, as on that day, the Investigating Officer did not have any material to show his involvement in this offence.

16.19.3. The role, as per the prosecution, is participation in Vagamon Camp and Halol Camp and the organiser of these camps.

16.19.4. Learned advocate submits that the nature of evidence against

accused No.13- Hafizhussain is the confessional statements, particularly of Imran, Ibrahimbhai Shaikh-Accused No.2, Exh.8619. However, there is perversity in the impugned Judgment, when reliance is placed on Exh.8631 confession of Co-accused Rafiuddin, however, this co-accused does not even name accused No.13-Hafizhussain. Similarly, the statement of the other co-accused Exh.8623-Mehandi Hasan, Exh.8627-Umarbhai @ Ashok Kalabhai, and Exh.9021-Manzar Iman, all do not name this accused, if their confessions are to be believed, then confession of the accused would have contained the name and role of this accused also the fact that no role is appearing in this confessional statement.

16.19.5. With respect to Exh.8619 of co-accused; Imran, Ibrahimbhai Shaikh, the confessional statement refers to only one Adnan. Thereafter, the prosecution has failed to bring on the record any evidence to establish that Adnan is Hafiz or Adnan is alias name of Hafiz. Therefore, the identity of Hafiz as Adnan or Vice-Versa is not clearly established.

16.19.6. He has also submitted confession of Imran Ibrahimbhai Shaikh; Exh.8619 is not voluntary in nature. He refers to date 07-11-2008 on which Imran expressed his desire to confess and this date coincide with period to confess of Mahendi Hasan and accused Umarbhai @ Ashok Kalabhai, Exh. 8627. Learned advocate submitted that therefore, by a common Javak No. (Outward No.) on same day accused persons were brought before the Magistrate for recording of the confessional statement.

16.19.7. The submission is that the enmass declaration by various accused to get their confessional statement recorded is a matter of suspicion which the prosecution must explain. Furthermore, these accused have retracted their statements, therefore it no more remains a

evidence to support conviction.

16.19.8. Even if statement of Imran confessing the guilt is considered, still he does not refer to any bomb blast or explosive in Gujarat during these camps and if the role of this accused is only restricted to attending camps, still there is no nexus with causing Bomb Blast.

16.19.9. With great emphasis, it is argued that the confessional statement of co-accused cannot be treated as a substantive evidence, as it is not an evidence adduced in the Court during the course of the trial, only manner it can be used is under Section 30 of the Evidence Act to lend support or assurance to the cogent and proved evidence on the record and that too against the maker. In any case, such evidence can not be treated as sole evidence to convict after receiving corroboration from other evidence.

16.19.10. The Court is of the opinion that though the outward communication for recording the confessional statement of co-accused is common, even the date of forwarding the accused to the Magistrate is the same, however, the Magistrate has recorded the statement on different dates and have given different time period for reflection and then recording the statement on various dates and not on the same dates and during this period the accused is in Judicial Custody and not in police . Moreover, the sending of communication is a mere administrative exercise by keeping in mind application of Section 268 of Cr.P.C. at the relevant point of time. Moreover, the argument of not treating the confessional statement as evidence is dealt with in detail in the sub-chapter “Confessional Statement and statement under Section 164 Cr.P.C.” and “Confessional statement of co-accused” in Chapter-“Issues”.

16.19.11. Learned Advocate thereafter argued that PW No.1105-

Idrish Gulabsha Fakir Diwan, who was examined vide Exh.7923 is the Munjavar at Halol, who is cited as a witness to those who participated at Halol Terror Camp. This witness does not name present accused nor any Test Identification Parade is carried or nor any dock identification. There is no identification established by connecting the accused-Hafiz with Halol.

16.19.12. Learned Advocate has also doubted the credibility of this witness as he has identified Mohd. Habib Shaikh as Imran and accused Mohd. Habib Shaikh being accused No.68 has been acquitted. The role of accused No.68 was to the extent of being present at Vagamon Camp.

16.19.13. Learned Advocate has then assailed evidence in the nature of pointing out panchnama under which this accused-Hafiz was taken to Vagamon. Though there was no basis with the Investigating Officer to do so. Moreover, the panchnama is argued to be in the nature of confession and that too in presence of the Investigating Officer and hence, no evidentiary value can be attached to such evidence panchnama.

16.19.14. It is argued that the panchnama was drawn on 19-11-2008, whereas the Vagamon Camp FIR was registered at Ernakulam Police Station in June 2008, therefore, the panchnama without the same leading to any discovery or recovery has to be treated as a statement barred under Sections 25 and 26 of the Indian Evidence Act.

16.19.15. It is pertinent to observe that the terror camp period of Vagamon was between 10-12-2007 to 12-12-2007 and the present accused-Hafiz was accused No.2 in the trial before Ernakulam Court, where this accused Hafiz is convicted.

16.19.16. Learned advocate has submitted that PW No.1148-Joseph Joyson vide Exh.8253 is a panch witness of panchnama at Exh.8254. It

is only pointing out a place, where the camp was held with various activities, but there is no investigation to connect the activity at the camp with present offence.

16.19.17. The Court find Exh.8253 is the deposition, which deposes about executing of the panchnama with the co-panch. He has deposed that Hafiz wanted to point out a place where he had "created a problem" the accused himself stated that some places are to be seen and took the police party to 2-3 places identifying the place where accused took training.

16.19.18. In cross, he has denied that the activity of drawing panchnama never took place and that he had simplicitor put his signature.

16.19.19. Learned advocate submitted that PW No.998-Anilkumar Damodran Pottananiyil, who was examined vide Exh.6950 has deposed about the camp at Vagamon and a photo identification of this accused is done vide Exh.8251, the panchnama drawn in this regard. The police statement of this accused is recorded on 19.11.2008, if he is treated to be independent witness, no Test Identification Parade is organized at his behest. This is a lacuna in the investigation that creates doubt. Moreover, the place identified in the panchnama is a regular tourism place with resort, which cannot be identified as a terror camp.

16.19.20. Therefore, with the nature of identification by a panchnama of photo identification and that too vide Exh.8251 dated 13.01.2010 after 14 months of the panchnama first drawn at Vagamon and during that period no steps were taken to protect the identity of this accused, the identity of this accused is not established by the prosecution.

16.19.21. Learned advocate thereafter, dealing with the point out panchnama of co-accused Rafiuddin and his confessional statement at

Exh.8631, he does not name this accused-Hafiz being present at Halol Camp. Had Hafiz been present, his reference would have been made in Exh. 8631. Similarly, in point out panchnama at Exh,6443, there is no presence of Hafiz or his alias Adnan. Learned advocate has lastly claimed that case of Hafiz is similar to Manzar Imam-accused No.76 and he has been acquitted and therefore, this accused also needs to be acquitted.

16.19.22. Learned Advocate has cursorily also argued on the nature of investigation by submitting that had the investigation been made properly on the mobile phones then, it would have established innocence of the appellant. It is submitted that in today's life, mobile phones are integral part of the life. The prosecution has not brought anything on record to submit that the participants of the camps were prohibited from bringing mobile phones. The proper investigation on mobile location could have established the presence of appellant at the camps.

16.19.23. Learned Advocate has then submitted that the submissions made regarding the S.D.S. test for Hafizhussain be treated as argument for this appellant as well.

16.19.24. Learned Advocate has lastly submitted that this appellant has been acquitted in the trial conducted in Ernakulam in connection with the Vagamon camp. It is submitted that accused no.65; Mohammad Yunus @ Umar @ Khalid S/O Mohammad Shabir and accused no.68 Mohammad Habib @ Habib Falahi @ Mohammad Taiyab s/o Abuljais Shaikh, both were the accused in present trial as well as Ernakulam case and both are acquitted in Ernakulam trial as well as the present trial. Therefore, the appellant should also be treated at par and be acquitted.

16.19.25. Learned Advocate has thereafter referred to relevant part of the judgment to submit that the conviction recorded at Page-6540 of the

judgment remains unsubstantiated.

16.19.26. Learned AAG on behalf of the State has submitted that Accused no.13-Hafiz Hussain @ Adnan S/O Tajuddin Mulla is implicated by prosecution in a SIMI material literature which is part of investigation material as well as chargesheet. As defence relied on it, and submitted through Exh.9248. This SIMI literature Material Exh.9248, involves many other SIMI activists whose names are reveal through this Literature and are also accused of this case. Over and above it, there is also an evidentiary material which would demonstrate that Accused no.13-Hafiz Hussain @ Adnan S/O Tajuddin Mulla and many other accused are members of SIMI.

16.19.27. It is also submitted that Accused no.13-Hafiz Hussain @ Adnan S/O Tajuddin Mulla also pointed out place of Vagamon Camp through pointing out panchnama dated 19.11.2008, which is proved through panch witness as well as Investigating Officer.

16.19.28. The Court finds that Accused no.13-Hafiz Hussain @ Adnan S/O Tajuddin Mulla is involved by Accused No. 2-Imran S/O Ibrahim Shaikh in his confessional statement as one of the participants of Vagamon Terror Training Camp. Accused No.2-Imran S/O Ibrahim Shaikh had stated that Accused no.13-Hafiz Hussain @ Adnan S/O Tajuddin Mulla along with other accused persons including him were present and have participated in this camp. Accused no.13-Hafiz Hussain @ Adnan S/O Tajuddin Mulla have actively participated in this camp as he gave taqrir along with many other leaders. Accused no.13-Hafiz Hussain @ Adnan S/O Tajuddin Mulla also instructed that no one should talk about they having attended this camp and no one should also disclose the same to any other. He further explained it by saying that if someone asks about us then we should say that we have come for

adventure for our organization. Accused no.13-Hafiz Hussain @ Adnan S/O Tajuddin Mulla was also one of the organizers of this camp and his dummy name was Tamim. Accused no.13-Hafiz Hussain @ Adnan S/O Tajuddin Mulla is described by Accused No.2-Imran S/O Ibrahim Shaikh in his statement, as close associate of Accused No.12-Safdar Nagori, who came together at his place and thereafter Accused no.13-Hafiz Hussain @ Adnan S/O Tajuddin Mulla with Accused No.12-Safdar Nagori, Accused No. 14- Sajid Mansuri and Accused No.7-Usman Agarbattiwala went to Vapi. And is also one of the accused in Kerala Session's case proceedings which relates to Vagamon camp in which he is arraigned as Accused No.2. His name as recorded in Kerala Session's case proceedings is Hafiz Husain @ Adnan@ Adnan @ Jaid, S/o Tajuddin Gausamohidin and is convicted for the offences punishable U/s 10, 20 and 38 of UAPA read with 120 B of I.P.C and Section 4 of Explosive Substance Act, 1908.

16.19.29. An important evidence against Accused No.13- Hafiz Hussain @ Adnan S/O Tajuddin Mulla, which is substantive in nature is the point out Panchnama Exh.8254 drawn on 1911-2008 in the presence of two panch witnesses- Sony Thomas and Joseph Joyson at Vagmon. In presence of the panch witnesses, the accused has made a voluntary disclosure to identify the location of the camp at Vagamon and accordingly, led the Investigating Officer from T-point near Mukhiyuddin Jamaat Bandar to the place where the camp was conducted. Following the directions were given by Accused No.13-Hafiz Hussain @ Adnan S/O Tajuddin Mulla, the team was led to an isolated place approximately 1 k.m. away from the motorable road, which was identified as a Mazar. Accused No.13- Hafiz Hussain @ Adnan S/O Tajuddin Mulla also identified the place, where firing was

practiced and the training for rock climbing took place from there on. Again through the vehicle, they went to another site, which was an under construction house, where in the nearby place, tents were erected for the purpose of staying while conducting of the terror camp. Accused No.13- Hafiz Hussain @ Adnan S/O Tajuddin Mulla took them yet to another site, which was half a kilometer away of road to identify the location, where bike training was given. This area was also identified by a Mazar nearby.

16.19.30. The accused thereafter took the police party one kilometer ahead in the vehicle and after stopping the vehicle, one kilometer off-road, the party was taken to a grassland containing a lake filled with water, where training for swimming was given. Yet another location was taken to by Accused No.13- Hafiz Hussain @ Adnan S/O Tajuddin Mulla, which was approximately 100 meters away from one Summer Sand Resort and identified a location of two tall pine trees, between which ropes were tied for practice of tight rope crossing. The Panchnama was proved by the evidence of Joseph P.N., PW No.1148 at Exhibit 8253. Perusal of Exh. 8253 would indicate that the accused being from Kerala understood Malayalam and English and therefore, with the help of translator (Exh.8249- application), the evidence of this witness was recorded. The witness has deposed the manner, in which he was summoned at Tea point in Vagamon, from where Accused No.13- Hafiz Hussain @ Adnan S/O Tajuddin Mulla, in front of him, made a disclosure of showing certain places connected with an offence and along with him, another panch witness was also present and accordingly, the accused had led the police party to various places. The witness has identified his own signature as well as signature of first panch (Sunny) and accordingly was exhibited at Exh.8254. This evidence is also

supported by the evidence of the Investigating Officer PW No.1163 at Exh.8638.

16.19.31. The Court may refer to the deposition of the investigating officer, particularly in Para No.7, where there is a complete narration of the manner, in which the Panchnama was executed, beginning from summoning of the panch witnesses, and the disclosure made by Accused No.13- Hafiz Hussain @ Adnan s/o Tajuddin Mulla, identified the location voluntarily, where the camp had taken place and thereafter, the accused taking to six different places in the jungles of Vagamon, where different training has been imparted thereby confirming to exhibiting of Exh.8254- the point out Panchnama, executed on 19.11.2008 at the behest of this accused by Investigating Officer M.J. Chavda, Dy.S.P.

16.19.32. The court has no hesitation in holding that the pointing out Panchnama satisfies the requirement of Section 27, and therefore be admissible as an evidence against Accused No.13- Hafiz Hussain @ Adnan s/o Tajuddin Mulla.

16.19.33. The Court finds that in addition to above referred conspiratorial circumstances, there is one more link of circumstance in the nature of forensic evidence as A-13 was subjected to Suspect Detection Test (SDS) i.e. Exh.5901 3 proved through PW-848/5894 and the opinion of it founds A-13 involved and connected with different bomb blast and his association with SIMI along with other accused persons.

16.19.34. The Court has perused Exh.5901, which is the opinion of an expert on the Suspect Detection System Test, to which Accused no.13-Hafiz Hussain @ Adnan S/O Tajuddin Mulla was subjected to. The opinion is given by the expert on the basis of the reaction given by the Accused no.13-Hafiz Hussain @ Adnan S/O Tajuddin Mulla to several

questions put to him and the reaction was recorded to conclude that the accused person is involved in the offence. The question put to him to which a positive reaction has been recorded that he is involved in SIMI, he is an operative of SIMI. He is aware of the people involved in causing the bomb blast and lastly the cities, in which the bomb blast had occurred in future again in those very cities again bomb blast would take place. Therefore, based on the aforesaid evidence is on record about the special knowledge of this accused with regards to his being connected with SIMI activities and the bomb blasts.

16.19.35. The holding of the terror camp at the Vagamon being an important circumstance to the initiation of the conspiracy for the objective set by the accused persons jointly. The participation of the Accused No.13- Hafiz Hussain @ Adnan S/O Tajuddin Mulla in this camp would indicate his participation in the conspiracy. He has been identified to be one of the organizers of the camp, on the basis of the confessional statement of Accused No.2- Imran S/O Ibrahim Shaikh. In view of the application of Section 10 of the Evidence Act as well as the Section 30 of the Indian Evidence Act, discussed elsewhere, the court is of the view that the conviction recorded by the Special Judge does not need any interference.

has made submissions for accused No.16-Abbas S/O Umar Sameja. Insofar as accused No.16-Abbas S/O Umar Sameja is concerned, upon perusal of record, it appears that he came to be arrested on 04.09.2008 in connection with Shahibaug Police Station C.R. No.236 of 2008 as is reflected in the arrest memo at Exh.9206. The total duration of the police custody undergone by accused No.16-Abbas S/O Umar Sameja is a period of 88 days, spanning over periods from 04.09.2008 to 17.11.2008, from 01.12.2008 to 20.12.2008, and from 09.02.2009 to 11.02.2009. It is further noted that as on date, the accused has undergone incarceration for a period of more than 17 ½ years.

16.20.3. The trial Court while recording the conviction of accused No.16-Abbas S/O Umar Sameja has considered the various circumstances which include: (i) the participation of accused No.16-Abbas S/O Umar Sameja in the training camp held from 13.01.2008 to 15.01.2008 held at Halol-Pavagadh in Gujarat, (ii) the use of cybercafe along with other co-accused persons and (iii) the seizure of a paper from the house of accused No.16-Abbas S/O Umar Sameja which bore the mobile number, on the lower part of which, “mobile number of SIMI, Pakistan” was written.

16.20.4. According to learned Advocate for the accused, only for attending Halol camp, he has been awarded death penalty and the evidence for his attending Halol camp is not substantial evidence. Only confessional statements of co-accused have been relied upon, but there is no independent evidence. It is submitted that prosecution has to establish his presence by sufficient independent evidence and then only can rely upon confessional statement of co-accused. The attempt of prosecution is to convict accused solely on the basis of confessional statement of co-accused.

16.20.5. It is submitted that merely presence is not sufficient, there must be something more than the presence, active participation and agreement to commit the offence is also required to be established.

16.20.6. Learned Advocate for the accused further submitted that even if his presence is established, still there is no evidence of any discussion or agreement on planting of bombs in Ahmedabad and Surat.

16.20.7. However, the prosecution has based its case against accused No.16- Abbas S/O Umar Sameja on the evidence of eye-witness to the Halol terror camp. PW No.981-Pravinbhai Hamirbhai Katariya vide Exh.6835, is the driver of Jeep, who saw group of persons. His evidence is assailed by defense by submitting that he is merely a chance witness, who has not given description of accused and also not mentioned about specific role to accused. He only had a chance of fleeting glance that too, from some distance. It is contended that the Test Identification Parade is highly doubtful in view of improper procedure adopted in Test Identification Parade.

16.20.8. Perusal of Exh.6835 would indicate that the prosecution witness has deposed the exact reason for his presence. He being a daily driver on the shuttle route had suffered break down (puncture) and therefore, he along with co-prosecution witness describes how he overhead voices. It was a forest area usually uninhabited and there the group of persons were undertaking training activity of the nature, which is unusual and it was in broad day light. He deposes that during his statement, he informed that he will be able to identify those people, if shown. Accordingly, the prosecution witness was summoned with other witnesses to Ahmedabad where he undertook the Test Identification Parade and identified accused No.16-Abbas S/O Umar Sameja in Test Identification Parade held on T.I. dated 12-09-2008 and the identified

person gave his name as Abbas from Bhuj. The prosecution witness also identified accused No.16- Abbas S/O Umar Sameja in the Court in his deposition on 03-03-2018.

16.20.9. The exercise of dock identification adds to the genuineness of the prosecution witness version as in many rows of accused, he has not identified any accused but has identified accused No.16-Abbas S/O Umar Sameja. The prosecution witness has been cross-examined about his presence as a chance witness. However, from the deposition in cross, he is consistent in explaining the reason for his presence over there and his version is also supported by another witness. The Court sees no reason to doubt his presence at the site. With regard to identification in cross-examination in Para-28, this witness does say that when he gave the statement to the Police for the first time, he did not give description of accused, but before undertaking the Test Identification Parade, he had given description of accused to the Police in a statement form.

16.20.10. Learned advocate for the accused has thereafter tried to give mathematical explanation about the percentage success in accurate identification. However, such a mathematical exercise by taking out percentage cannot be adopted to discount what is deposed on oath.

16.20.11. Thereafter, PW No.1067-Ambalal Vechatbhai Bariya vide Exh.7231 is also an eye-witness to the camp activity in Halol-Pavagadh Forest area. Learned advocate submits that evidence of this prosecution witness may not be believed as he has failed to correctly identify accused No.16- Abbas S/O Umar Sameja during his deposition in the Court. In evidence in chief, this prosecution witness has deposed the reason how he was at the place where the camp was held and in broad day-light seen the group of persons. He is accurately able to identify the place, where the camp is located (Valley like area near Helikal Vav) and

Kamlesh Quarry area. He also describes the activity being undertaken by the group of people. He deposed that they watched the activity for almost half an hour and the activity stopped the moment the witness was spotted. The prosecution witness has deposed in the most natural form.

16.20.12. He has deposed about the manner in which he went before the Magistrate for identification on 12-09-2008, wherein he identified accused No.16- Abbas S/O Umar Sameja; as Abbas from Bhuj.

16.20.13. This witness does explain about dock identification after lapse of time as they have changed in appearance. The extensive cross does not raise any doubt about his presence on the day and his reason to be there for long enough is also acceptable to the Court. Of course, he has denied that Police had tutored him for his deposition or given him description to identify. In fact, the deposition of this witness also comes out as a natural deposition.

16.20.14. The prosecution has examined PW No.588-Laxman Keshavlal Pagri vide Exh.3130, who has proved the Test Identification Parade dated 12-09-2008. The perusal of Exh.3130 will show that the Executive Magistrate has completely followed procedure, taken precaution to keep identity of accused confidential till brought out to stand among similar type of dummies and from that both the prosecution witnesses have consistently identified accused No.16- Abbas S/O Umar Sameja. Hence, there is uniformity of the evidence of identification.

16.20.15. One more prosecution witness, PW No.1105-Idrish Gulashal Fakir Diwan vide Exh.7923, who is a Munjavar of the Khundpir Dargah located in Pavagadh area of Halol where accused have stayed during the terror camp. Learned advocate for the appellant has also titled this witness as unreliable as he has identified accused No.16-Abbas S/O Umar Sameja after 11 years in the Court. In absence of Test

Identification, the dock identification is of no consequence. However, the Court having perused the evidence of this prosecution witness, he comes out as truthful witness and his presence at the site of camp is natural as narrated by him. His evidence is reliable and he has identified present accused with name in the Court, which is substantial evidence. The defense has not put any question in cross with regard to identification of accused No.16- Abbas S/O Umar Sameja in the Court.

16.20.16. Learned Additional Advocate General for the State has submitted that accused No.16- Abbas S/O Umar Sameja is involved by accused No.2-Imran Ibrahim Shaikh in his confessional statement, as one of the participants of Halol camp.

16.20.17. It is submitted that accused No.35-Rafiuddin Kapadiya in his confessional statement also involves accused No.16-Abbas S/O Umar Sameja as one of the participants of Halol camp. accused No.35-Rafiuddin Kapadiya in his statement has stated that, his brother accused No.37-Qayamuddin introduced accused No.35-Rafiuddin Kapadiya with other participants- co-conspirators in which accused No.16-Abbas S/O Umar Sameja was one of them. accused No.35-Rafiuddin Kapadiya has termed this camp as SIMI camp.

16.20.18. It is submitted on behalf of the State that accused No.2-Imran Ibrahim Shaikh and accused No.35-Rafiuddin Kapadiya both had involved accused No.16-Abbas S/O Umar Sameja as one of the participants in Halol camp, evidence of witness named Idris Exh.7923 would assume importance and considering the evidence of Idris, more particularly para 6 of his deposition on 28.09.2008 Crime Branch Police went to the Khundpir Dargah of this witness Idris, with one accused and Police shown this accused and inquired whether this accused had stayed here, to which witness Idris replied that during the time of Uttarayan on

13.01.2008, this accused stayed at this Dargah with one Imran of Taiwada, Vadodara. And witness came to know through the police that the accused identified by witness is named Abbas of Kutch, Bhuj. Witness Idris also identifies accused No.16-Abbas S/O Umar Sameja Abbas during the course of giving his deposition i.e. dock identification. This witness; Idris has also given his statement U/s 164 of Cr.P.C, which is Exh.7924. Like accused No.16-Abbas S/O Umar Sameja, witness Idris has also identified many other accused who attended Halol camp and some accused whom he could not identify, he stated that their physical appearance has changed substantially and therefore he cannot identify. So far as, cross-examination on behalf of accused No.16-Abbas S/O Umar Sameja is concerned, it is of two lines in para 9 and accused No.16-Abbas S/O Umar Sameja has not even attempted to challenge any part of the examination in chief of this witness.

16.20.19. With the aforesaid evidence, the Court finds that the confessional statement of accused No.2-Imran Ibrahim Shaikh at Exh.8619 the presence of accused No.16-Abbas S/O Umar Sameja is clearly shown. This evidence is discussed in detail under the chapter of "Confessional Statement and statement under Section 164 Cr.P.C.".

16.20.20. Exh.8631 is a confessional statement of accused No.35-Rafiyuddin Kapadiya. Though the Court has discarded the same as being evidence on oath, nonetheless the statement under Section 164 of Cr.P.C. of accused No.35-Rafiyuddin Kapadiya is recorded and the same has been exhibited. Though this may not be substantive evidence in itself, it at least can be used to lend credence, where this co-accused also mentions about presence of accused No.16-Abbas Sameja.

16.20.21. The Court may now refer to PW No.1039-Laxmanbhai Popatbhai Bharwad vide Exh.7052, who is a panch witness to prove

Exh.7053; a panchnama under Section 27 executed on 28.09.2008, where accused No.16- Abbas S/O Umar Sameja points out the site in the forest of Pavagadh where terror training camp was held. Learned advocate for the accused argues that his evidence may not be believed as he has failed to identify accused No.16- Abbas S/O Umar Sameja in Court. In opinion of the Court, during panchnama the Investigating Officer has brought the accused before the panch for introduction, therefore identification by such panch witness is of no consequence. Through the panchnama, the mental fact of knowledge of accused No.16-Abbas S/O Umar Sameja of place of terror camp in forest area of Pavagadh comes on record. Therefore, the panchnama can be taken as a corroborative piece of evidence against accused No.16- Abbas S/O Umar Sameja.

16.20.22. As discussed hereinbefore, it appears that there are two other witnesses of Halol who had occasioned to oversee the real time activities of Halol camp and they are PW No.981-Pravinbhai Hamirbhai Katariya vide Exh.6835 and PW No.1067-Ambalal Vechatbhai Bariya vide Exh.7231. Both these witnesses during the course of TIP, have identified accused No.16-Abbas S/O Umar Sameja through TIP report Exh.3133 and Executive Magistrate is examined at Exh.3130. So far as PW No.981-Pravinbhai Hamirbhai Katariya is concerned, over and above he having identified accused No.16-Abbas S/O Umar Sameja during TIP has also identified accused No.16-Abbas S/O Umar Sameja during course of giving deposition i.e. dock identification.

16.20.23. The Court finds that accused No.16-Abbas S/O Umar Sameja during the course of investigation on 28.09.2008, has also pointed out place of Halol camp and panchnama to that effect is also drawn at

Exh.7053 and also proved through panch witness as well as investigating officer.

16.20.24. Another supporting , evidence of PW No.1073-Mohammadyunus Abdullatif Sumra vide Exh.7298, who is owner of cybercafe and witness to use of internet cafe for surfing by accused No.16- Abbas S/O Umar Sameja in company of accused No.1-Jahid Shaikh. This witness is shown one register Exh.7223 more particularly pg. 153 at Serial no.5 and 8. These entries shows name of Irfan and Abbasbhai. These entries are in the handwriting of witness, who has stated that at the time when the entry in the register was made, Abbas was coming with 2-3 persons to his Café for the purpose of surfing. This witness has identified accused no.16-Abbas during the course of his deposition in Court on 14.09.2018. This witness has been subjected to TIP which is Exh.3068 and Exh.3069. This witness has also deposed before the court about having identified two other persons who were coming with accused No.16-Abbas S/O Umar Sameja Abbas, but during the course of deposition, witness is unable to identify those two persons because of lapse of time and change of facial appearance and body. But witness had identified accused No.1-Jahid Shaikh and accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori in TIP report Exh.3068 and Exh.3051.

16.20.25. The Court finds that PW-1063/722 Munaf-Ali gave evidence regarding seizure of register of Infinity Cyber Café Exh-7223, vide panchnama Exh-7224. PW-1069/Exh.7256; who is an investigating officer has given evidence in respect of this panchnama at page no.3 of his deposition. Moreover, during panchnama Exh-7301 hard disc of Infinity Cyber Café of Bhuj was seized, which was proved through PW-1074/Exh.7300 Osman Sidi and Investigation Officer PW-

1089/Exh.7626-Pravinsinh Vaghela.

16.20.26. It is pertinent to state here that, Cyber Café is at Bhuj. accused No.16-Abbas S/O Umar Sameja; one of the conspirators is a local person but accused No.12-Safdar Nagori is from Madhya Pradesh and accused No.1-Jahid Shaikh is from Ahmedabad, so remaining co-conspirators though of different city and states but all the three together were doing surfing.

16.20.27. The Court finds that accused No.16-Abbas S/O Umar Sameja is also involved in one another panchnama Exh.6605 drawn on 04.09.2008, drawn at the instance of accused No.16-Abbas S/O Umar Sameja who took Police to his residence at Bhuj and on search of that place some articles-objects were found and seized and one particular article which is one chit of paper, in which mobile number-0092212527248 was written and below that number, it is further written that the mobile number is of SIMI Pakistan. This panchnama is proved through panch witness Exh.6604 and I.O. Exh.6806.

16.20.28. Upon appreciation of evidence regarding accused No.16-Abbas S/O Umar Sameja, the Court is of the view that there is sufficient evidence to implicate the accused in the offense and therefore, does not deem fit to interfere with the decision of Special Court and hereby confirms the conviction of accused No.16- Abbas S/O Umar Sameja.

and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.21.2. The role attributed to accused No.60-Saduli @ Hariz S/O Abdul Karim Muslim is to be part of the conspiracy by participating in the terror training camps, both at Vagamon in Kerala and also in the forest of Pavagadh in Halol (Gujarat). According to the prosecution, considering the activities undertaken in these camps, accused No.60-Saduli @ Hariz also shared common object with other co-accused in striking terror by bomb blasts or any other means with an object to take revenge and bringing in Islamic Rule. Hence, this accused has participated in the camps with other accused at a place away from his ordinary residence.

16.21.3. Learned advocate Shri Hriday Buch has though assailed the evidence against accused No.60-Saduli @ Hariz the nature of evidence is very weak. There is evidence of an approver which in itself a weak evidence as the approver is himself part of the offence and therefore, to save himself of the consequences of his act has become approver. He submits that other counsels have made elaborate submissions as to why the evidence of the approver may not be an evidence on which conviction could be based. He has adopted those arguments as well. Learned advocate further submitted that the evidence of an approver is not reliable as he has not identified accused No.50-Saifur Rehmaan @ Saifu @ Saif Abdul Rehmaan in the Court.

16.21.4. The other nature of evidence in the form of a confessional a statement of co-accused being accused No.76-Manjarimam @ Alam @ Jamil S/O Aliimam vide Exh.9021. According to the evidence of Section 164 statement of accused No.76-Manjarimam, accused No.60-Saduli @ Hariz has participated in the camp at Vagamon. It is submitted that the

confessional statement of the co-accused cannot be the basis of the conviction, especially when accused No.76-Manjarimam who made the confessional statement himself being acquitted from this offence. Therefore, it is argued that this evidence is not sufficient to support the charge.

16.21.5. The Court is of the view that as discussed earlier, the prosecution has well established that the two camps for terror training that had been organized with specific motive and the activities undertaken have also been established.

16.21.6. This Court has considered several evidences of prosecution regarding holding of such a camp including the point out panchnama by co-accused, which establishes this circumstance.

16.21.7. With regard to the argument of the evidence of confessional statement of co-accused, the Court has discussed in great details about the acceptability of the confessional statement of co-accused and also the decision of the Apex Court on the issue of Confessional statement of co-accused, who is acquitted in the Sub-chapter of 'Confessional statement of co-accused' in the chapter of 'Issues'. Accordingly, the evidence of confessional statement of co-accused A-76-Manjarimam @ Alam @ Jamil S/O Aliimam is an admissible evidence. Therefore, as per this evidence, accused No.50-Saifur Rehmaan has participated in the Terror training camp which is part of the conspiracy.

16.21.8. Similarly, PW No.1141-Aiyaz Razakmiya Saiyed vide Exh.8191 is the deposition of the 'Approver'. By a separate order, the trial Court has granted pardon to accused No.23-Ayaz Razakmiyan Saiyed and this Court has under the separate chapter of 'Approver' in the chapter of 'Issues' discussed in detail and therefore, considering the role thus assigned, the Court finds that the participation of accused No.60-

Saduli in conspiracy is established.

16.21.9. Learned Additional Advocate General for the State has submitted that the prosecution has relied upon the evidence of witness PW No.1141-Aiyaz vide Exh.8191. The witness after giving his substantial deposition was called upon to identify accused persons known to him and while doing so he has identified A-60-Saduli, but, before doing so, he had identified one person named Sibli, who on verification was not Sibli but accused No.60-Saduli. Thereafter, this witness explained that as Saduli and Sibli both are real brothers, their face and beard are similar.

16.21.10. The prosecution has relied on confessional statement of A-76 at Exh.9021, which involves A-60 as "Saduli" as brother of Sibli as he alongwith others, had attended Kerala Camp.

16.21.11. It is submitted that A-60 had also been arraigned as one of the accused in Kerala Court proceedings, wherein he has been convicted for the offences punishable under Sections 10, 20 and 38 of UAPA as also under Section 120(B) of IPC and Section 4 of Explosive Substance Act, 1908.

16.21.12. The Court finds that according to the prosecution, the role attributed to this accused is to be the part of the conspiracy by participating in the terror camp at Vagamon. In this connection, the accused was tried in Sessions Case No.2 of 2011 by the NIA Court at Ernakulam and he has been convicted. The fact that he was the participant in the terror camp is also evident from the deposition of PW No.1141-Aiyaz (Approver) vide Exh.8191. During the deposition, when PW No.1141-Aiyaz volunteered to identify those accused, who have played role, as per his deposition he has proceeded to identify accused No.60- Saduli @ Hariz S/O Abdul Karim Muslim though he named

accused No.60-Saduli wrongly as 'Sibli'. It is pertinent to observe that accused No.60-Saduli and Sibli are brothers. The aforesaid evidence of the witness PW No.1141-Aiyaz can be corroborated by the confessional statement of co-accused No.76- Manjarimam @ Alam @ Jamil S/O Aliimam, who in his statement at Exh.9021 has stated that the Vagamon camp was managed by accused No.10-Aamil Parvaz S/O Kaji Saifuddin Shaikh, accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori, accused No.11-Sibli @ Sabit S/O Abdul Karim Muslim and Sibli's brother Saduli (Accused No.60).

16.21.13. It is further stated in the statement under Section 164 of Cr.P.C. that accused No.76-Manajimam while in the camp came to know that camp was conducted to decide on "Jihad in India". Therefore, the evidence against this accused as per the confession, being one of the organizers of the camp and the evidence of approver-Aiyaz established the role of this accused in the conspiracy. In connection with the issue of evidence of approver identifying accused No.60-Saduli, to be one of the accused, the Court has perused the cross-examination on behalf of accused No.60-Saduli in Exh.8191, which begins with para-68, wherein the witness has not been confronted with regard to the mistaken identity of accused No.60-Saduli. It appears that the witness has identified accused No.60-Saduli in the Court, who had wrongly given the name as Sibli (his brother). This would not dispute the deposition of the approver identifying A-60 to be one of the participants in the conspiracy.

16.21.14. Therefore, in the opinion of the Court, the identification of the accused No.60-Saduli in the Court by PW No.1141-Aiyaz stands as accused being one of the participants in the conspiracy. This aspect is then corroborated by the confessional statement of accused No.76-Manjarimam, who has named accused No.60-Saduli as one of the

organizers of the terror camp at Vagamon and for which the accused No.60-Saduli has been convicted.

16.21.15. On the issue of confessional statement, the Court has already dealt in detailed for acting upon the confessional statement of the co-accused even for conviction. However, in the facts of the case and the case of accused No.60-Saduli, there appears to be an evidence against him which is corroborated by the confessional statement of co-accused. Even considering the provision of Sections 10 and 30 of the Evidence Act, as discussed, in the opinion of the Court, the trial Court has rightly recorded the conviction of this accused.

16.21.16. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.60-Saduli @ Hariz S/O Abdul Karim Muslim. The Court has therefore, no reason to interfere with the conviction recorded**.**

(Accused No.7 in Criminal Confirmation Case No. 2/2022 and Appellant No.4 in Criminal Appeal No. 727/2024):

16.22.1. In case of Accused No.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala, he has been convicted for various offences in Sessions Case No.38/2009 and others, and has been awarded death penalty.

16.22.2. Learned Senior Advocate Mr. S. Nagamuthu submitted that Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala has been arrested on 16.08.2008 and after undergoing police custody for various offences registered in connection with several blasts at

Ahmedabad and recovery of unexploded bombs in Surat, was finally in judicial custody on 11.02.2009. According to learned Senior advocate, the case of the prosecution hinges on flimsy evidence more in the nature of confessional statement of the co-accused. Learned senior advocate submitted that the confessional statement of the co-accused cannot be the base for convicting Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala, more particularly, when consequences of evidence is as serious as death penalty.

16.22.3. It is submitted that evidence relied upon by prosecution in the form of depositions of eye witnesses PW No.981/ Exh.6835- Pravinbhai Hamirbhai Katariya, PW No.1067/Exh.7231- Ambalal Vechatbhai Bariya and PW No.571/ Exh.3051- Ramabhai Sendhabhai Solanki. Their evidence is not believable as they are chance witnesses, whose presence at the place of site of alleged terror camp is not explained. Moreover, all these witnesses have not identified Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala during the course of their depositions.

16.22.4. It is therefore submitted that the important circumstance of the Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala attending the so called terror camp in Pavagadh at Halol based on the aforesaid evidence, cannot be said to have been established by cogent evidence.

16.22.5. Learned senior advocate has therefore submitted that the recovery of the motorcycle at the hands of the father of Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala, even if is established by drawing panchnama, still the prosecution has not been able to establish that the very motorcycle recovered, has been utilized at the training camp at Halol.

16.22.6. The Court having perused the evidence in the form of panchnama at Exh. 3256 proved by PW No.617- Hemantbhai Kapurchand Khandelwal at Exh.3255, wherein the motorcycle has been produced by the father of Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala and this motorcycle is connected to this evidence in view of deposition of PW No.1105/ Exh.7923-Idrish Fakir, caretaker of Khundpir Dargah, where the participants of terror training camp had resided at the place of Idrish Fakir, who has deposed that for the purpose of transporting the participants in the the camp Tata Sumo and motorcycle were utilized.

16.22.7. For Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala, it is argued that this panchnama may not be believed as PW No.617 has not identified Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala and that the father of the accused no.7, who has produced the motorcycle has not been examined. PW No.617 himself being a panch witness at the time of drawing of panchnama of Exh.3256 was introduced to Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala and therefore, his identification is of no consequence.

16.22.8. Another circumstance relied upon against Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala is seizure of air gun, pistol, pipe bomb in the house of his uncle near Bawamanpura, Baroda. The reference is made to Panchnama at Exh.6370 approved by panch witness Prakash Manoharlal Tolani- PW No.895, which according to the learned Senior Advocate need not to be added as evidence, as this witness did not identify Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala in the Court, nor the prosecution has examined the uncle of accused no.7 or taken signature of the uncle of

accused no.7 on the seizure panchnama.

16.22.9. In this connection it would be pertinent to peruse Exh.6370, which was executed on 19.08.2008 under section 27 of the Indian Evidence Act, wherein Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala had made voluntary disclosure, wherein, air gun, country made pistol, two cartridges, a pipe bomb, a Rampuri knife, 19 CD/ DVDs and 2 plastic bags containing balloon bags were recovered. This panchnama is duly approved by examining PW No.895-Prakash Manoharlal Tolani at Exh.6369, who has also deposed with regards to voluntary disclosure made by the accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala.

16.22.10. Over and above, the Court has also perused the evidence of PW No.849/ Exh.5908- G. D. Sharma, Assistant Director, FSL, Gandhinagar, who has submitted a report at Exh.5911, as he had undertaken the preliminary inspection of the house of the uncle of Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala. Similarly, FSL report of Chemical Analyzer is also recorded at Exh.5874 approved by Scientific Officer, Hemantkumar B. Bhatt, PW No.846 at Exh.5838, which shows the presence of potassium nitrate, free Sulphur, free Aluminum and Carbon in the pipe bomb seized. According to the opinion in the FSL report, the presence of potassium nitrate, Sulphur and carbon are constituents of the gunpowder. Another report of the FSL, Physical Department at Exh.5790 is established through PW No.841 at Exh.5783. The Scientific Officer, Kundanbhai J. Golaniya, who has given the report regarding the dimension of the pipe bomb and the quantities of potassium and manganese, found in minor quantities.

16.22.11. As per the report at Exh.5689 by Scientific Officer, FSL Surendrabhai Purushottambhai at Exh.5685 by PW No.838 establishes

the air gun and the pistol in working condition and therefore, the evidence of the Panchnama at Exh.6370 cannot be seen in isolation. The combined reading along with the voluntary of disclosure made by the Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala, while in custody goes on to establish that Panchanama at Exh.6370 as a discovery Panchanama under Section 27 and therefore, the statement deposed to by the punch witness regarding the participation of the accused in the offence has to be admitted as an evidence.

16.22.12. Learned Senior advocate has though submitted that there is no reference of usage of any air gun, pistol in commission of the offence, for which Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala is tried. It would be pertinent to refer to the panchnama of the scene of offence at Halol, which goes on to show that there is recovery of the bursted balloon directly connecting the usage of air gun for practice by the accused during their presence in camp.

16.22.13. Learned Senior advocate has submitted that there is no direct or indirect evidence to connect Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala with the activities of SIMI, wherein the prosecution has failed to place on record any material regarding SIMI activities and material has come on record only by way of some documents placed on record by Accused no.38- Mohammad Saif @ Rahul Sabad Ahmed @ Mr. Sheikh during his statement under section 313. In this connection it would be pertinent to refer to the evidence of PW No.1115/ Exh.8002- Mohammad Umar Usman Mansuri, who has referred Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala to be projecting to be member of SIMI. The prosecution has argued that sufficient evidence has placed on record with regards to his participating in the training camp at Halol, where he has played an

active role including travelling from Baroda to the camp using his motorcycle.

16.22.14. The evidence of voluntarily disclosure where the panchnama at Exh.6370 has been drawn, whereby the accused has led evidence to the house of his uncle in Bawamanpura, Vadodara, from where several articles have been seized, which can directly be connected to the terror activities. It is also submitted that from the house of accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala, one Hard disk, laptop and pen drive had also been recovered and panchnama at Exh.6290 has been drawn, which is proved by PW No.879 / Exh.6289 – Kamlesh Sureshbhai Gohil and the consequential report of the FSL at Exh.595. However, the report may not contain any incriminating material regarding connect with SIMI or terrorist activities but still the case of the prosecution is that the accused was acquainted with the usage of this, as PW No.1062 at Exh.7219- Abdul Azim Abdul Hamid Saudagar, who is an employee of iNet cyber cafe located at NID has deposed that Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala has learnt computer and therefore acquainted with browsing activity. Moreover, the connection of Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala with other accused is established by PW No.1115/Exh.8002- Mohammad Umar Usman Mansuri, who has deposed that Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala is in continuous acquaintance of Accused No.2- Imran S/O Ibrahim Shaikh and Accused No.37- Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya and had a meeting, where Accused No.37- Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya had discussed of taking revenge by causing bomb blasts in various places in Gujarat like Ahmedabad,

Baroda and Surat.

16.22.15. Considering the rival submissions of both the sides in connection with accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala, the Court finds that as accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala attended Halol Terror Training camp along with many other co-conspirators, there is evidentiary materials in the nature of certain witnesses named Pravinbhai Hamirbhai Katariya and Ambalal Vechatbhai Bariya and few other witnesses of Halol who had occasioned to see some of the activities conducted at Halol Terror Training camp as they being a local witness who could have seen that. So far as, Pravinbhai is concerned, he had seen Halol camp activity has also elaborated about it in his evidence and had deposed about, he having seen mob of 15-20 persons at camp place where they were taking training of crawling, he also saw practice of firing by targeting balloons and they were Hindi speaking unknown persons.

16.22.16. The Court finds that witness Pravinbhai is subjected to TIP, this Parade report is proved through examining Executive Magistrate and during the course of, witness Pravinbhai has successfully identified accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala but in the course of dock identification, which happened after years together witness Pravinbhai could not identity accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala, because of lapse of time and change of facial appearance of accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala. The court has assigned reasons, in detail under the sub- chapters of “Identification” under chapter “Issues”.

16.22.17. It transpires that similarly, another witness Ambalal had occasioned to see this camp and he was also subjected to TIP and during

the course of it he identified accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala in TIP. Prosecution has also examined Executive Magistrate, before whom accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala and other accused have identified by these witnesses.

16.22.18. It appears that during the course of investigation, accused No.1- Jahid S/O Kutubuddin Shaikh voluntarily pointed out place of Halol Terror Training camp on 27.08.2008 and the panchnama to that effect was drawn in presence of panchas as well as presence of F.S.L Officers. During the course of panchnama accused No.1- Jahid S/O Kutubuddin Shaikh pointed out place of Halol camp where different articles as like 12 pellets stained with mud, bursted rubber balloons, iron bolt fix on tree, piece of metal, pellets used in air gun etc. All these articles-objects as well other articles which were seized during the course of panchnama are subject matter of forensic examination and F.S.L report.

16.22.19. This Court finds that accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala voluntarily led police the house of his uncle Mohd. Usman Mohd. Anees Agarbattiwala of Vadodara and from the house of his uncle he discovered certain articles as like (1) air gun, (2) one Rampuri knife, (3) one country made pistol loaded with cartridges, (4) rubber balloons, (5) CD/DVD, (6) pipe bomb and from it gun powder. From out of these articles, articles like air gun which was given mark A, pistol with cartridges mark B, CD/DVD mark C, pipe bomb which is defuse which is mark D and gun powder which is mark E were sent for scientific examination. This panchnama is carried out in the presence of panch witnesses, F.S.L Officers and Police Officers on 19-08-2008 through panchnama Exh.6370. Thereafter, the articles were

sent for F.S.L opinion and F.S.L had given its opinion through Exhs. 5689, 5790 and 5874 which opines that articles-objects i.e. air gun, pistol were found to be functional and gun powder was found to be potassium nitrate and pipe bomb was found to be containing pellets. This evidence establishes the training rendered at the terror camp of preparing of Bomb (pipe).

16.22.20. It also appears that so far as, this evidence is concerned, it is also supported by evidence of investigating officer as well as evidence of panch witness. So far as, F.S.L evidence is concerned, primary report Exh.5911 is proved through F.S.L Officer PW No.849/ Exh.5908, forwarding letter Exh.5872, insofar as F.S.L opinion Exh.5689 is concerned, it is proved through PW No.838/Exh.5685, insofar as F.S.L opinion Exh.5790 is concerned, it is proved through PW No.841/Exh.5783 and insofar as F.S.L opinion Exh.5874 is concerned, it is proved through PW No.846/Exh.5838.

16.22.21. This Court finds that on 20.08.2008 accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala voluntarily led Police, panchas and F.S.L persons to his house at Taiwada, Vadodara and during the search of his house following articles/objects were found: (1) Hard disc of CGET company, (2) Laptop of intel company and (3) Pen drive. The articles seized were sent for forensic examination through forwarding letter Exh.5993 and the opinion received about it is Exh. 5995. Forwarding letter Exh. 5993 relates to muddamal articles seized from three other different places which would include Cyber Cafe name Shraddha Communication at Vadodara, over and above, the place of accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala.

16.22.22. It also appears that accused no.37- Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya, accused no.2- Imran S/O Ibrahim

Shaikh and accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala were resident of Taiwada, Vadodara and accused No.3-Iqbal S/O Kasam Shaikh is resident of Yakutpura and were childhood friends as deposed by PW No.1115/Exh.8002. Moreover, Accused No.37- Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya, Accused No.2- Imran S/O Ibrahim Shaikh and accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala did their computer course at Shraddha communication at Vadodara. Accused No.1- Jahid S/O Kutubuddin Shaikh and accused no.37- Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya also used i-Net Cyber Cafe at NID, Ahmedabad for surfing during March, 2008 as deposed by PW No.1062/Exh.7219. Therefore this is an evidence connecting the accused with each other being an important circumstance for conspiratorial meeting.

16.22.23. This Court also finds that accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala is also involved by PW No.1115-Mohammadumar Usmanbhai Masnuri at Exh.8002 as this witness as well as Accused No.37- Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya, Accused No.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala and Accused no.2- Imran S/O Ibrahim Shaikh all are from Taiwada and are childhood friends. In para 3 of the deposition, witness states about in the month of July 2008, Kayamuddin met witness and talked about taking of revenge for Godhra incident and also talked about explosion of bomb blast to be done in Vadodara and some places within Gujarat, for which Accused No.37- Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya sought help of witness and also asked witness to do recce- surveillance for the purpose of finding out crowded places dominated by Hindu community to which witness

denied. In para 4 of the deposition, witness states about after commission of bomb blast incident he came to know even through news involvement of Accused no.37- Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya, Accused No.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala, Accused No.2-Imran S/O Ibrahim Shaikh and accused no.3- Iqbal S/O Kasam Shaikh in the incident, as it emerged from news. This witness has also given his 164 Cr.P.C statement at Exh. 8003.

16.22.24. This Court finds that Accused no.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala is involved in the confessional statement of Accused No.2- Imran S/O Ibrahim Shaikh in relation of Vagamon camp. Accused No.2- Imran S/O Ibrahim Shaikh has stated in his statement that he joined SIMI along with Accused No.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala and they both i.e. Accused No.2 - Imran S/O Ibrahim Shaikh and Accused No.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala were attending different programmes of SIMI. After ban on SIMI, they used to attend SIMI programmes secretly. Accused No.2 - Imran S/O Ibrahim Shaikh also states that accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala was arrested in 2001. He also states that through accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala he met other big leaders of SIMI named Sajid Mansuri (Accused No.14), Safdar Nagori (Accused No.12) and Amil Parvaz (Accused No.10). He also states about accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala having come to railway station on 07.12.2007 to drop them at railway station and that some other accused persons as named in the statement were present and they boarded Marusagar Express for Ernakulam Railway station. So far as accused No.7-Mohammad Usman

S/O Mohammad Anis Agarbattiwala is concerned, he was arraigned as accused no.8 in Kerala Session's Court proceedings.

16.22.25. It appears that Accused No.2- Imran S/O Ibrahim Shaikh in his confessional statement also involves accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala in Halol camp which was conducted during 12th to 13th January, 2008. He also states that accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala was present along with other accused persons as already stated earlier activities conducted at Halol camp were same as like conducted at Kerala camp. He states that on completion of this camp persons from Madhya Pradesh, Rajasthan etc went to their respective places and persons from Ahmedabad, Vadodara went to their respective places. He further states that, somewhere in March, 2008, some SIMI activists of Madhya Pradesh were arrested and at that time accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala and three other accused as named in the statement have gone to Vapi. It appears that Accused No.2- Imran S/O Ibrahim Shaikh also states in his statement in June 2008, more particularly on 14.06.2008 in the laptop of accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala absconding accused Taukir and A-15 Abu Basar, saw Islamic CD which was on Qayamat and they also saw Film Black Friday which was on blast. The Section 164 statement of Accused No.2- Imran S/O Ibrahim Shaikh is also dealt with for its admissibility in a separate sub-chapter of "Confessional Statement" under chapter of "Issues".

16.22.26. It also appears that accused no.35- Rafiyuddin S/O Sarfuddin Kapadiya in whose confessional statement, role and participation of accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala is stated, has also pointed out this place of Halol Terror Training camp

on 17.11.2008.

16.22.27. This Court also finds that accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala is also involved by Accused No.21-Mehandihasan @ Vikki S/O Abdul Habib Ansari (Julaha Sunni) in his confessional statement. As Accused No.21- Mehandihasan @ Vikki S/O Abdul Habib Ansari (Julaha Sunni) in his statement has stated that through accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala they reached Dargah at Halol. So far as activities of Halol camp is concerned, Accused No.21- Mehandihasan @ Vikki S/O Abdul Habib Ansari (Julaha Sunni) has stated that those activities were like giving of Takrir, establishing Islamic regime, Hindustan to be made Islamic regime and for doing the same to execute mass killing, and has also stated about taking of revenge of 2002 riots, etc.

16.22.28. It appears that accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala is also involved by Accused No.35-Rafiyuddin S/O Sarfuddin Kapadiya in his confessional statement for the purpose of accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala having attended Halol camp. He also states that he became SIMI activist as his brother Accused No.37 - Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya and Accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala were SIMI activist. He also states in his statement about there being SIMI camp in January 2008 where he went with his brother Accused No.37 - Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya, and upon going there, he saw Accused No.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala and other accused persons as stated by him in his statement. He saw them at Champaner Dargah.

16.22.29. It also appears that Accused No.35- Rafiyuddin S/O

Sarfuddin Kapadiya also states that somewhere in March of 2008, Madhya Pradesh police came to his house for search of his brother Accused No.37 - Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya and as his brother Accused No.37 - Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya came to know about it, he left the house. He also states that Accused No.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala and Accused No.2- Imran S/O Ibrahim Shaikh facilitated escape of his brother Accused No.37 - Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya and that his brother Accused No.37 - Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya is of fanatical ideology. The Court is only referring to the confessional statement of Accused No.35- Rafiyuddin S/O Sarfuddin Kapadiya though not treating it to be an evidence either for conviction or corroboration, as the statement under section 164 of Cr.P.C. is recorded on oath administered during such recording. However, since the evidence is on record in the form of exhibited documents, same is referred.

16.22.30. This Court finds that through panchnama Exh.3256 drawn on 27.08.2008 wherein father of accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala produced one motorcycle of a description as narrated in the panchnama as used in Halol camp, stands proved through the evidence of the panch witness being PW No.617/Exh.3255, as well as Investigating officer PW No.1070/Exh.7264.

16.22.31. The overall analysis of the evidence against Accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala, Court finds that is sufficient evidence and reason to uphold the conviction of the Accused No.7- Mohammad Usman S/O Mohammad Anis Agarbattiwala

for the offences charged against him in the Chapter of 'Charges framed and Sections invoked'.

16.23. In case of Yunus S/O Mohammad Mansuri (Ahmedabad) (A-8)

(Accused No.8 in Criminal Confirmation Case No. 2/2022 and Appellant No.4 in Criminal Appeal No. 1710/2022):

16.23.1. In case of accused no.8- Yunus S/O Mohammad Mansuri, he has been convicted for various offences by the trial Court, and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.23.2. Learned Senior Advocate Mihir Desai has made submissions on behalf of accused no.8- Yunus Mohammadbhai Mansuri, who came to be arrested on 16-08-2008 and was sent to judicial custody on 09-02-2009. According to learned Senior Advocate, allegations against accused no.8-Yunus Mohammadbhai Mansuri are threefold being present at Halol, present in the meetings at Ahmedabad and present in the meeting at Surat.

16.23.3. Learned Senior Advocate has submitted that present accused no.8- Yunus Mohammadbhai Mansuri was not accused in Kerala and therefore, at the outset, learned Senior Advocate has taken this Court to Page No.6456 of impugned judgment to submit that perverse finding is recorded by holding that accused no.8- Yunus Mohammadbhai Mansuri is present at Vagamon. Learned Senior Advocate has submitted that the prosecution has relied upon three confessional statements being Exh.8619 by accused No.2-Imran Ibrahim Shaikh, Exh.8631 by accused No.35-Rafiuddin Sarfuddin Kapadia and one Exh.8623; confession of accused No.21-Mehndihasan @ Viki Abdul Habib Akbarkha Ansari. Abdul Habib Akbarkha Ansari does not name present appellant to be part of Halol camp, whereas statement of accused No.35-Rafiuddin Sarfuddin Kapadia at Exh.8631, the Special Court has not considered it to be evidence.

16.23.4. Learned Senior Advocate has thereafter argued that in all, seven point out panchnamas have been executed in connection with Halol Camp, but it is only one point out panchnama at Exh.7053, where the name of the present accused no.8- Yunus Mohammadbhai Mansuri is appearing, whereas in other five point out panchnama, the present accused no.8- Yunus Mohammadbhai Mansuri is not even named. It appears that Exh.6840 being pointing out panchnama at behest of Jahid, present accused no.8- Yunus Mohammadbhai Mansuri is also named. Thereafter, learned Senior Advocate has submitted that with regard to Test Identification Parade at Exh.3061, wherein accused no.8- Yunus Mohammadbhai Mansuri has been identified to be part of the camp.

16.23.5. Learned Senior Advocate has submitted that Test Identification Parade at Exh.3061 was conducted on 30-08-2008 by witnesses, who can be termed to be chance witnesses, whereas there is discrepancy inter-se between this chance witnesses as witness; Ambalal mentions about accused no.8-Yunus Mohammadbhai Mansuri being present in the group, but does not mention anything to do with fire arm training or crawling and physical exercise, whereas other witnesses are mentioning about some activities.

16.23.6. The Court is of the view that the panchnama of scene of offences would indicate that the camp area was spread out at different places and visibility of different area for different witnesses would be different and therefore, any non-mentioning of so called activities being undertaken by one of the witnesses, cannot be falsified, because other

witness may not have witnessed the same and therefore, not mentioned in his deposition.

16.23.7. The Court also finds that PW No.972-Ramkabhai Devkaranbhai Kesariya at Exh.6802 has identified accused no.8- Yunus Mohammadbhai Mansuri in dock identification.

16.23.8. Learned senior advocate submitted that one of the evidences by prosecution connecting this appellant-Yunus Mohammadbhai Mansuri is that the purchase of the utensils which were found in Al Mohamadi Society and therefore, the presence of the appellant-Yunus Mohammadbhai Mansuri alongwith other accused persons in the very house of Al Mohamadi Society. The point out panchnama vide Exh.6656 was executed at the behest of accused No.1-Jahid @ Javed Kutubuddin Shaikh and during this panchnama alongwith other articles, no vessels was seized. Therefore, in absence of vessels being found at the very first panchnama, the appellant cannot be connected with the house at Al Mohamadi Society. It is submitted that a subsequent panchnama dated 19.09.2008 at Exh. 5538 cannot therefore be believed as to the vessels were found in the house after the first panchnama was executed. Therefore, the attempt on the part of the prosecution in connecting the appellant on the basis of the vessels through panchnama at Exh.5538 as well as evidence of PW No.938-Mahamad Farooq Ajijbhai Memon, who was examined vide Exh.6617, should not be treated as a sufficient evidence.

16.23.9. It is also argued that even if the appellant-Yunus Mohammadbhai Mansuri is connected to the vessels, still there is nothing on record to establish that such vessels are in any manner utilized for the purpose of preparing bomb or any explosive. It is submitted that even from the bare reading of the panchnama, it is

coming out that vessels are kept in a unsealed manner and therefore, such evidence cannot be treated as a reliable evidence. He has drawn attention to Exh.2131, the muddamal list, where at item No.40, it is recorded that the vessels were found seal.

16.23.10. The Court is of the view that though for establishing the panchnama at Exh.5538 dated 19.09.2008, panch witness PW No.823-Bhavin Shaileshkumar Oza, was examined vide Exh.5537. The Court is of the view that Exh.6656 and Exh.5538 are found executed in the span of two days. Exh.5538 is a point out panchnama at the behest of accused No.1-Jahid @ Javed Kutubuddin Shaikh is executed on 21.09.2008, whereas Exh.6656 is a panchnama executed at the behest of accused No.1-Jahid @ Javed Kutubuddin Shaikh on 19.09.2008. Therefore, Exh.6656 was executed, first in point of time and it is during this panchnama several articles were seized, but that panchnama was discovering various articles directly connecting with preparation of explosive bomb and in para-14 of the panchnama, even the vessels, 15 in number have been enumerated. Exh.5538 is again a panchnama at the behest of accused No.1-Jahid @ Javed Kutubuddin Shaikh of house No.10-Al Mohamadi Society, which also is seizure of utensils 13 in number. This panchnama was with a specific purpose of carrying out identification of those utensils which were already part of panchnama at Exh.6656 and in presence of one PW No.938-Mahamad Farooq Ajijbhai Memon, who has identified these vessels to have been purchased from him by the present appellant-Yunus Mohammadbhai Mansuri. The identification of Yunus Mansuri vide Exh.3061, which was conducted on 30.08.2008 which is prior to the panchnama vide Exh.5538 dated 19.09.2008 and panchnama vide Exh.6656 dated 21.09.2008. As this witness had identified the appellant-Yunus Mansuri in the Test

Identification Parade, as a person who had purchased vessels from his shop, the panchnama was held for the purpose of identifying the vessels (Exh.5538).

16.23.11. The aforesaid procedure has been established by examining panch witness PW No.823-Bhavin Shaileshkumar Oza at Exh.5537, who has supported the case of the prosecution to the extent that witness PW No.938-Mahamad Farooq Ajijbhai Memon had correctly identified the vessels which were purchased by the appellant-Yunus Mansuri. Therefore, in the opinion of the Court, the circumstance of the vessels which were found in house being No.10-Al Mohamadi Society, where other items of making bombs were also seized, the vessels were found therein, which were purchased by the appellant-Yunus Mansuri, thereby strongly establishing the connection of the appellant-Yunus Mansuri with the house No.10 of Al Mohamadi Society.

16.23.12. With regard to the contention that the vessels are not sealed, the Court is of the opinion that by combined reading of Exh.5538, Exh.6656 and Exh.6617, it appears that there is no question of vessels having been identified satisfactorily, non sealing of the same is not of any consequence. Muddamal articles vessels are not of the type, where the form of the utensils would change over the period nor is there any question put to either panch witness, or the Investigating Officer so as to justify that as the vessels had remained unsealed, the same have been tampered with or later on introduced in the panchnama.

16.23.13. Learned senior advocate has submitted that the prosecution has relied upon Exh.5488, a point out panchnama of the own house of this appellant-Yunus Mansuri, which led to discovery of several articles connected with the preparation of bombs however, learned senior advocate submitted that this panchnama cannot be relied upon as no

explosive has been found from the residence of the appellant-Yunus Mansuri. He has particularly drawn attention to Exh.5957 and Exh.5955, which are Ravangi Nodh (Outward Note), wherein, specific questions were put by the Investigating Officer, but no answers are available on record to the same. Another point raised for not believing this panchnama is by drawing attention to time of drawing this panchnama. According to learned senior advocate, Exh.5492 is the panchanama of the very date on which Exh.5488 was drawn however, Exh.5492 was concluded at 1:00 a.m., whereas Exh.5488 was commenced at 1:30 a.m., meaning thereby in the midnight and therefore, it is ordinarily difficult to find out the panch witnesses at this late hours, still for both Exh.5492 and Exh.5488, panch witnesses are completely different and therefore, execution of panchnama itself is doubtful.

16.23.14. The Court has perused Exh.5488, which is panchnama dated 19.08.2008, the first part of it, was commenced at 1:30 a.m., wherein the appellant-Yunus Mansuri has made voluntarily disclosure for search of his residence, because of which personnel of FSL were summoned forthwith and the team was led to the house at the behest of the appellant-Yunus Mansuri from 2:00 onwards. Upon reaching the house, several articles were seized, which included ball-bearings, bolts, Cello tape, various colours, electrical wires and for initial inspection, the FSL Officers had utilized an equipment known as Polire Kit which would display the presence of sticky material at various places of the house, clothes, the ball-bearing etc. When the panchnama has been established by PW No.817-Chirag Govindbhai Varsda, who was examined vide Exh.5487, who in his deposition, has made a complete narration of the content of the panchnama and upon identifying the signatures thereon, the panchnama came to be exhibited. He has also mentioned with regard

to the various articles in great detail which would include the ball-bearings, bolts, wires etc. This witness has been extensively cross-examined initially for the purpose of physical appearance of the accused at whose behest the panchnama was drawn to which he has answered that he had not made any particular observation of his physical appearance. This witness was also questioned with regard to the circumstance upon his arrival at the residence to which he has appropriately described. Though the several questions have been put to this witness regarding the manner in which he was took up as panch witness at the late house, he has appropriately explained the reason for him to be there as his friend had been hospitalized and was returning from hospital.

16.23.15. The Court having perused this evidence of the witness does not find anything objectionable to disbelieve the witness and therefore, holds that Exh. 5458, a point out panchnama has been duly exhibited and can be treated as an admissible evidence.

16.23.16. This panchnama undoubtedly is either of the residential premises of the appellant-Yunus Mansuri and there is discovery of several articles which can be connected to the bomb blast and therefore, by applying Section 27, the Court is of the view that relevance as described in the panchnama about the voluntarily disclosure pertaining to the offense of bomb blast, thereby leading to the discovery of actual articles which is corroborated by the evidence of the panch witness, who in his deposition has deposed that voluntarily, the appellant-Yunus Mansuri wanted to take the Investigating Officer to his residence to be disclosed something regarding the offense. Therefore, the Court finds that the circumstance of articles discovered during Exh.5488 directly connecting with the articles which were found as part of explosive is

16.23.17. Learned Additional Advocate General has submitted that accused no.8- Yunus S/O Mohammad Mansuri is involved by accused No.2- Imran S/O Ibrahim Shaikh and accused No.35-Rafiyuddin S/O Sarfuddin Kapadiya, in their confessional statements as one of the participants of Halol camp. As per accused No.2- Imran S/O Ibrahim Shaikh's statements, the dummy name of accused no.8- Yunus S/O Mohammad Mansuri is Amin.

16.23.18. It is further submitted that accused No.35-Rafiyuddin S/O Sarfuddin Kapadiya has also involved accused No.8-Yunus S/O Mohammad Mansuri in his confession as one of the participants from Ahmedabad along with many others who came from Vadodara, Rajasthan and from other places. One more aspect which is emerging from the statement of accused No.35-Rafiyuddin S/O Sarfuddin Kapadiya is that Halol camp is also identified as SIMI's camp.

16.23.19. It is further submitted that accused no.8-Yunus S/O Mohammad Mansuri is also involved by accused No.24-Umar @ Ashok Kalabhai Kabira in his confessional statement, when accused No.8-Yunus S/O Mohammad Mansuri attended one meeting on 20.07.2008 which was held at the place of one secret witness, Yakubbhai Memon. Accused no.8-Yunus S/O Mohammad Mansuri actively participated in this meeting, as confessor very categorically stated that Shamshubhai and few other conspirators spoke on Jihad. Confessor, i.e. accused No.24-Umar @ Ashok Kalabhai Kabira had specified about the meaning of Jihad and had explained, jihad means to take revenge for loss suffered by Muslims in 2002 Godhra riots.

16.23.20. It is submitted that accused No.8-Yunus S/O Mohammad Mansuri is also implicated by prosecution in a SIMI material literature

which was part of chargesheet and investigation material which was submitted by defence as defence relied on it through Exh.9248. This literature Material; Exh.9248, involves accused No.8-Yunus S/O Mohammad Mansuri as SIMI activist along with many other SIMI activists whose names are revealed through this Literature and are also accused of this case.

16.23.21. It is submitted that through panchnama dated 19.09.2008, accused No.1- Jahid S/O Kutubuddin Shaikh volunteered to point out a place known as house no.10 Al-Mohammadi Society, Danilimda. This panchnama is drawn in presence of panchas, Investigators and F.S.L Officers on pointing out this house. One of the articles which has been mentioned at item no.14 in panchnama are certain steel and aluminum utensils, along with many other articles and objects of relevance. This panchnama is proved through a panch witness as well as an Investigating Officer.

16.23.22. It is submitted that one another panchnama is drawn on 21.09.2008, which relates to above referred different utensils which were seized from above house no.10 were taken to the Crime Branch office and the person named Mohd. Faruq Ajijbhai Memon resident of Rakhiyal identified these utensils as utensils purchased by accused no.8-Yunus S/O Mohammad Mansuri from a shop named ‘Evergreen’ situated at Kalupur. Accused no.8-Yunus S/O Mohammad Mansuri is identified by this witness, Shri. Memon in the TIP before Executive Magistrate.

16.23.23. The Court has considered the rival submissions of the parties. In the opinion of the Court, the star witness of the prosecution, Jakir Hussein has also involved accused no.8-Yunus S/O Mohammad Mansuri at the meeting at accused No.4-Samsuddin S/O Shahabuddin Shaikh's Nana's house. Witness Jakir also involves accused no.8-Yunus S/O

Mohammad Mansuri for the activities done in the month of June, i.e. proximate to the incident where some accused persons have gathered at the place of secret witness (1) Ibrahim Ansari and at this time accused No.7-Mohammad Usman S/O Mohammad Anis Agarbattiwala was instructed by accused No.27- Mohammad Ismail @ Abdul Rajik @ Musaf @ Furkan S/O Mohammad Isaak Mansuri to take accused No.15-Mufti Abubasar @ Abdul Rashid @ Abdulla S/O Abubakar Shaikh to his house and drop there. Witness Jakir also deposed that, one week thereafter certain accused persons had gathered at the house of accused no.8-Yunus S/O Mohammad Mansuri where accused No.15-Mufti Abubasar @ Abdul Rashid @ Abdulla S/O Abubakar Shaikh, was also present and at the place of accused no.8-Yunus S/O Mohammad Mansuri, accused No.15-Mufti Abubasar @ Abdul Rashid @ Abdulla S/O Abubakar Shaikh exhorted that all preparations are made for establishing Islamic regime. Accused no.8-Yunus S/O Mohammad Mansuri also organized food for all, at his place and they disbursed thereafter. Witness Jakir also involves accused no.8-Yunus S/O Mohammad Mansuri, in one another meeting which took place at Dariyapur, Limdi on 25th July (one day earlier to bomb blast). Witness Jakir also involves accused no.8- Yunus S/O Mohammad Mansuri, in one another meeting on 27th (a day after bomb blast) which involves accused no.8- Yunus S/O Mohammad Mansuri and other accused who had gathered at the place of accused no.8- Yunus S/O Mohammad Mansuri. One aspect of this meeting is that accused No.75- Mohammad Rafiq @ Javed @ Alam Jeb Afridi S/O Maskur Ahmed, was also present there. Thereafter, they went to the house of one Altafbhai who is the maternal uncle of accused No.75- Mohammad Rafiq @ Javed @ Alam Jeb Afridi S/O Maskur Ahmed, and they were seeing T.V. and this

accused Yunus was frightened. The witness also identified accused no.8-Yunus S/o Mohammad Mansuri during his deposition.

16.23.24. The Court finds that the Prosecution has examined witnesses from Halol for the purpose of supporting the case about there being a camp at Halol in the month of January 2008 for which they have examined the following prosecution witnesses namely; Ramkabhai Kesariya, Pravinbhai and Ambalal Bariya, who are resident of the area where the camp was held and their presence at the place of Halol camp, when such a camp was in progress is natural as their visit to that place as deposed by them is natural and therefore when they were interrogated by police they substantiated about Halol and some of the activities done at Halol camp. It is also pertinent to state here that, not only that they supported conducting of camp at the particular place but they also identified a number of accused to be the person who participated in the activities which they saw. One amongst many accused who was identified is accused no.8-Yunus S/O Mohammad Mansuri. When accused no.8- Yunus S/O Mohammad Mansuri was subjected to TIP before these three witnesses, accused no.8-Yunus S/O Mohammad Mansuri was successfully identified by all the three witnesses before Executive Magistrate and the Test Identification Report of Executive Magistrate for such identification is also proved by prosecution by examining Executive Magistrate who had testified that at the time of drawing identification report, accused no.8- Yunus S/O Mohammad Mansuri was mixed with many dummy persons and when these witnesses were called upon to identify accused no.8- Yunus S/O Mohammad Mansuri amongst other dummy persons, these witnesses successfully and rightly identified accused no.8-Yunus S/O Mohammad Mansuri by holding his hand and drawing him out from the line of

different persons and on doing it, Executive Magistrate asked the name of the person who was drawn out by all the three witnesses by holding his hand and the person on asking about his name by Executive Magistrate answered that he is accused no.8- Yunus S/O Mohammad Mansuri. This Test identification report would also be admissible U/s 291/A of Cr.P.C which was introduced in the year 2006. TIP report proved through Executive Magistrate is Exh.3061 through which witness identified accused no.8-Yunus S/O Mohammad Mansuri.

16.23.25. Over and above these three witnesses, one another witness named Idrish, who was Munjawar at Khundpir Dargah where some 20 to 22 accused have stayed during the time of Halol Terror Training Camp is also examined by prosecution who had fully supported the case of prosecution as at the place of Dargah, certain accused have stayed there. He also states that accused persons staying at Dargah have come to him on reference of one Dr. Sadab of Vadodara, under the reason that they would be doing trekking activity in the jungle. This witness has also given his statement U/s 164 before Metropolitan Magistrate which is Exh.7924. During the course of his deposition, he also identified certain accused and, on his failure, to identify a few others, he gave an explanation about there being substantial change in the physical appearance of the accused persons. It is also pertinent to state here that witness Idrish is very clear and categorical with regard to fact that he permitted accused persons to stay at Dargah on reference of Dr.Sadab, but Dr.Sadab has not supported the case of prosecution and was treated hostile. Even then, the evidence of Dr. Sadab is required to be seen and examined in context of newly introduced Sub-section 2 of Section 154 of Cr.P.C which came into force somewhere in April, 2006. Considering the evidence of Dr. Sadab, more particularly, his cross- examination by

defense it appears that subsequent to his police interrogation more particularly at the time of his deposition, he was won over by the defense but his evidence to a certain extent can be relied upon, which he did not deny and certain part of witness Idrish's evidence which deposes about Dr.Sadab. So far as evidence of these witnesses is concerned though it is not against accused no.8-Yunus S/O Mohammad Mansuri in particular but in general it fully testifies conducting of Halol camp and participation of accused persons in it.

16.23.26. The Court has also considered the confessional statement of accused no.2-Imran Ibrahim Shaikh, wherein he has stated that the arrangement of tents at Halol Camp was done by accused no.8-Yunus S/O Mohammad Mansuri, who came with a bike. In the said camp, accused No.12-Safdar Nagori was assigned the duty of an organizer to accused No.14- Mohammad Sajid @ Salim @ Sajjad @ Saad S/O Gulam Khwaja Mansuri and for the purpose of supporting him, accused No.37-Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya, accused No.1-Jahid and accused no.8- Yunus S/O Mohammad Mansuri were made his supporters. Accused No.37-Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya and accused no.8-Yunus S/O Mohammad Mansuri were also assigned the duty of bringing any articles-things etc from outside. Furthermore accused No.2-Imran S/O Ibrahim Shaikh also states that on 26th i.e. on the day of the bomb blast, accused No.14- Mohammad Sajid @ Salim @ Sajjad @ Saad S/O Gulam Khwaja Mansuri called accused No.2-Imran S/O Ibrahim Shaikh for the purpose of getting telephone number of accused no.8-Yunus S/O Mohammad Mansuri, which was not with accused No.2-Imran S/O Ibrahim Shaikh. Considering the statement of accused No.2-Imran S/O Ibrahim Shaikh over and above, accused no.8- Yunus S/O Mohammad

Mansuri's secret participation in such kind of a camp, many other activities are done and assigned to accused no.8-Yunus S/O Mohammad Mansuri which deeply involves accused no.8- Yunus S/O Mohammad Mansuri in the activities conducted, arranged and organized at this camp.

16.23.27. Moreover, apart from the confessional statement of accused No.35- Rafiyuddin S/O Sarfuddin Kapadiya, he had also pointed out the place of Halol camp through panchnama dated 17.11.2008 which is supported by the evidence of panch as well as Investigating Officer.

16.23.28. Further, accused no.8-Yunus S/O Mohammad Mansuri through panchnama dated 19.08.2008 also led police to a place which is a residential house no. C/132, Ajit Mil Row House, Ajit Mill Char Rasta, Bapunagar which is a residential place. At the time of drawing of this panchnama, accused no.8- Yunus S/O Mohammad Mansuri took investigator, panchas and F.S.L officers to this place where his family members were present and some articles in the nature of pellets, bolt, entangled wires, tangle of cello-tape, cloth, pieces of polyethylene and sample of fluid laden marks found from a wall and marked as mark A etc. were collected and sent for forensic examination. This panchnama is proved through panch witness as well as investigating officers. Articles seized were sent for F.S.L examination through forwarding letter Exh.5955 and the report of it is received at Exh.5957. On the examination, F.S.L has found one of the articles which is marked 6 and 16 having presence of Petroleum Hydro Carbons and few other articles having presence of calcium. The F.S.L. opinion is proved through F.S.L Officer PW-849 at Exh.5908.

16.23.29. Moreover, the Court has perused the evidence of PW No.938-Shri Memon at Exh.6617, who has deposed that he works in a

shop named 'Evergreen' situated at Kalupur. He was interrogated somewhere in August of 2008. He further deposed that he was subjected to TIP for the purpose of identifying accused no.8-Yunus S/O Mohammad Mansuri, which took place on 30.08.2008 and during the course of TIP, he has successfully identified accused no.8- Yunus S/O Mohammad Mansuri as a person who purchased the utensils from his shop. He also states that he was taken to Crime Branch office and was subjected to identify the utensils which were seized from house no.10 Al- Mohammadi Society and at Crime Branch office, he identified the utensils shown to him as utensils belonged to his shop and the person who is identified by him i.e. accused no.8-Yunus S/O Mohammad Mansuri, as the person who purchased those utensils. It is pertinent that this witness also identified accused no.8- Yunus S/O Mohammad Mansuri in the court as well as he also identified these utensils which are part of muddamal list Exh.2131.

16.23.30. Also, one another witness namely; Mehtab Shaikh also involved accused no.8- Yunus S/O Mohammad Mansuri in one another SIMI meeting which took place at Limbayat, Surat in the year 2008, which was also attended by other accused like accused No.6-Mohammad Aarif S/O Mohammad Iqbal Kagzi, accused No.4-Samsuddin S/O Shahabuddin Shaikh and accused No.12-Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori. These witness also identified accused no.8- Yunus S/O Mohammad Mansuri in court during his deposition. Considering the evidence of this witness, accused persons including accused no.8-Yunus S/O Mohammad Mansuri had attended SIMI meetings though SIMI is a banned terrorist organization.

16.23.31. Therefore, the prosecution has led sufficient evidence to convict the accused No.8-Yunus S/O Mohammad Mansuri for the

charges. Accordingly, the conviction of accused No.8-Yunus S/O Mohammad Mansuri for the offence is confirmed.

16.24. In case of Mohammad Sajid @ Salim @ Sajjad @ Saad S/O Gulam Khwaja Mansuri (Bharuch) (A-14)

(Accused No.14 in Criminal Confirmation Case No. 2/2022 and Appellant No.10 in Criminal Appeal No. 1710/2022)

16.24.1. In case of accused No.14-Mohammad Sajid @ Salim @ Sajjad @ Saad S/O Gulam Khwaja Mansuri, he has been convicted for various offences by the trial Court, and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.24.2. On behalf of accused No.14-Mohammad Sajid, learned advocate Dr.Yug Chaudhary has pointed out the basic facts of his conviction and sentenced to death penalty. He was arrested on 16-08-2008 initially in connection with Shahibaug FIR bearing CR No.I-236/2008 and thereafter in other cases and in all, he was in Police custody till 11-02-2009.

16.24.3. According to Shri Chaudhary, the case of prosecution against accused No.14- Mohammad Sajid is that he has participated in the Terror camp of Vagamon (Kerala), thereafter in Pavagadh at Halol, Gujarat and also, in the meetings later on organized. He is also alleged to be associated with the houses, which were used for the offence and from where, articles relating to bomb making were traced.

16.24.4. Learned Advocate however, has assailed this evidence by arguing that all such evidences are corroborative in nature and cannot be basis for conviction. One by one he has assailed each of such evidences.

16.24.5. Learned Advocate submitted that for the circumstances of Vagamon camp, the prosecution has relied on evidence of Manager of

Shri Hari Tourist Home, who deposed that accused No.14-Mohammad Sajid was staying in Hotel under the name of Salim Shaikh. However, there is no Test Identification Parade nor accused No.14-Mohammad Sajid was identified in Court. Therefore, allegation of accused No.14-Mohammad Sajid going to Vagamon is not established.

16.24.6. However, the Court finds that the prosecution is also relying on the hand writing expert report, which establishes the presence of hand writing of accused No.14-Mohammad Sajid in the Register of the Hotel. Firstly, the PW No.905-Kalpeshbhai Ratilal Gajjar at Exh.6484, the panch witness to the specimen signature of accused No.14-Mohammad Sajid is examined. Though it is argued that the witness does not identify in Court, however, same is of no consequence as the accused at the time of the panchnama itself was introduced to the witness.

16.24.7. The opinion of the expert PW No.990-Kaushikkumar Punjalal Vyas vide Exh.6886, has opined at Exh.6888, 6889, 6890. The Court has perused Exh.6887, the letter of Investigating Officer sending the documentary evidence to Expert and the consequential report. The close perusal of Exh.6888 and 6889 being the Report and Reasons of expert clearly would establish that it is the handwriting of accused No.14-Mohammad Sajid in the Register though the entry made is not in real name, but in fake name of accused No.14-Mohammad Sajid. Therefore, the stay of accused No.14-Mohammad Sajid in Vagamon Hotel in a fake name is established. The combined reading of PW No.989-Raju Gopinathan Nair vide Exh.6879 and expert opinion establishes this circumstance.

16.24.8. At this stage, the Court may refer to fact that accused No.14-Mohammad Sajid was also an accused in Vagamon case in trial at Ernakulam Court and was acquitted. However, this aspect will not affect

the present case in view of the evidence against accused No.14-Mohammad Sajid in this case and also as dealt with in a separate sub-chapter of 'Section 300 of Cr.P.C. and Issue estoppel' in the Chapter of "Issues".

16.24.9. Learned Advocate for the accused has then assailed the evidence regarding participation in Halol Training camp. It is submitted that only confessional statement of co-accused forms the basis to prove this circumstance and as submitted in general submission on the 'confessional statement', are weak evidences, which cannot be relied upon.

16.24.10. The Court has extensively dealt with the evidence of 'confessional statement' under a separate chapter. Over and above 'confessional statement', there are eye-witnesses PW No.981-Pravinbhai Hamirbhai Katariya vide Exh.6835 and PW No.1067-Ambalal Vechatbhai Bariya vide Exh.7231. However, learned Advocate has submitted that their evidences also not reliable as they are the chance witnesses and they have not identified accused No.14-Mohammad Sajid in Court, though they have, in Test Identification Parade.

16.24.11. The other evidence is that of point out panchnama of the House in Sherpura in Bharuch. According to learned Advocate, this is not a panchnama under Section 27 of the Evidence Act. The panch witness has not identified accused No.14-Mohammad Sajid in the Court.

16.24.12. PW No.1138-Gulamhussain Abdulrashid Pathan vide Exh.8165 is the witness to renting of the house. He has also not identified the accused nor there is any Test Identification Parade. Though there is evidence of FSL Officers, who submitted their preliminary and final report at Exh.5585 and 5963 respectively, but as accused No.14-Mohammad Sajid is not connected with the house in

Sherpura, this evidence is of no use against accused No.14-Mohammad Sajid.

16.24.13. Similarly, it is argued that the evidence in the form of panchnama under Section 27 of Evidence Act regarding an apartment viz. Akmal Apartment at Baroda may also not be treated as evidence to connect accused No.14-Mohammad Sajid. It is argued that to connect accused No.14-Mohammad Sajid to the house, there has to be evidence like fingerprint or DNA samples of accused No.14-Mohammad Sajid in the house, which can be treated as clinching evidence. In absence, no other evidence is sufficient. Moreover, it is argued that even if the connection is established, there is no explosive substance.

16.24.14. To the Court, it appears that house located in Akmal Apartment is the house (hide out) meant for meeting and hatching conspiracy. Therefore, it is not necessary that the pointing out of a house as a location for conspiracy must lead to discovery of any explosive substance. In this regard, reference be made to yet another point out panchnama of a House No.33 in a Lukman Society in Bharuch, where panchnama Exh.6359 is proved through PW No.894-Hitesh Apabhai Patel vide Exh.6358. In the search of this house, petroleum hydrocarbon presence was detected through the FSL Report at Exh.5957 proved by PW No.849-Gauridatt Dayanidhi Sharma, Assistant Director, FSL vide Exh.5908. In connection of this house then it is argued that the panch witness was also not able to identify the accused in the Court and hence, accused No.14-Mohammad Sajid cannot be connected to House No.33 in Lukman Society in Bharuch.

16.24.15. It is argued that the prosecution is unable to establish connection of accused No.14-Mohammad Sajid with SIMI or any of its meetings. It is submitted that the prosecution examined PW No.1103-

Mohammadfaruk Abdulrashid Master vide Exh.7799, but he is hostile. Similarly, other witness PW No.1041-Talib Abdul Gafar Maniar vide Exh.7056 and PW No.881-Adnan Mohammad Khalid Gujarati vide Exh.6299 have also been declared hostile, also PW No.1099-Mohammad Shoeb vide Exh.7774 is also hostile.

16.24.16. As submitted by the State, the Court may observe here that all the aforesaid witnesses have deposed in uniform pattern and turned hostile. The Court having perused the respective cross examination conducted by Defense counsel, it follows the pattern of questions, which are identical and pointed towards putting the investigation in doubt by asking that whether they were detained illegally and pressured to give such statements, to which the witnesses appear to have very readily answer in affirmative. However, when question was put by State Counsel in the cross examination that whether the witness made any complaint, even after passage of 10 years period, the witnesses have answered in negative indicating the fact how the witnesses have been won over for obvious reasons and later on utilized to cast doubt on investigation.

16.24.17. However, the Court finds that in so far as the circumstance of accused No.14-Mohammad Sajid association with SIMI, there is evidence in form of confessional statement of co-accused, who have stated that accused No.14-Mohammad Sajid was also participating despite his knowledge of other accused known to be SIMI workers.

16.24.18. Learned Additional Advocate General has submitted that the prosecution has stated that earlier as examined, the owner of this Sherpura house at Exh.8165 who had clearly stated that, he had rented this house to a person named Rafik Shaikh of Maharashtra and this person named Rafik Shaikh was spotted on 7th or 8th with Silver Wagon

R car and was also spotted before 2-3 days of occurrence of blast with red colour Wagon R car. This witness successfully identified in Test Identification Parade accused No.43-Anik @ Khalid S/O Shafik Saiyed, accused No.44- Mohammad Akbar @ Said @Yakub @Vinod S/O Ismail Chaudhari and Accused No.45- Fazle Rehmaan @ Rafik @ Salauddin S/O Musaddik Durrani. Accused No.14-Mohammad Sajid has also pointed out this very hide out house and from there explosive substances were found from this place together with the fact that as per the case of prosecution, motor cars used for planting bomb were also spotted along with concerned accused at this house. It is also pertinent to state here that Accused No.45- Fazle Rehmaan @ Rafik @ Salauddin S/O Musaddik Durrani has also pointed out Sherpura house on 12.12.2008 as well as house of Lukman park i.e. the house belonging to accused No.14-Mohammad Sajid.

16.24.19. It is further submitted that explanation given by accused No.14-Mohammad Sajid in his further statement, that the Guest House entry register at Exh.6486 is a document created subsequently. He had never gone to Kerala, pages of register are created subsequently and he denies about his own sample handwritings as well as natural hand writings. However, according to State, there is a strong evidentiary material to counter the claim made by the accused in the F.S.

16.24.20. It is submitted that further statement of accused No.14-Mohammad Sajid runs fully contrary to cross-examination of relevant witnesses namely Manager of Shri Hari Tourist Home Kerala, Raju Nair PW-989/Exh.6879 and relevant panch witness as well as deposition of Hand Writing Expert.

16.24.21. The Court has considered the rival submissions of the parties. In the opinion of the Court, two important witnesses of Halol named

Pravinbhai and Ambalal who saw some activities of Halol camp were subjected to Test Identification Parade for the purpose of identifying persons-accused who attended Halol camp. In these Test Identification Parades, these two witnesses identified many accused of whom accused No.14-Mohammad Sajid was one amongst them. Though accused No.14-Mohammad Sajid was identified in Test Identification Parade by these two witnesses, these witnesses could not identify accused No.14-Mohammad Sajid before Court for which appropriate explanation is given about lapse of time and change of facial appearance. It would be pertinent to note here that these witnesses had identified one another accused i.e. Accused No.12-Safdar Nagori in Test Identification Parade as well as dock identification. For the reasons mentioned in the sub-chapter of "Identification" in chapter "Issues", the identification of A-14 by this witness is accepted as an evidence.

16.24.22. The Court finds that accused No.14-Mohammad Sajid volunteered to show one residential place and pursuant to which Police drew panchanma on 03.09.2008 in presence of panchas and FSL Officers. This house belongs to person named Gulab Hussein Abdul Rasid Pathan and is situated at Sherpura, Bharuch. This is the place which was taken on rent by then absconder Taukir and also visited by accused No.14-Mohammad Sajid within the proximate period of occurrence of bomb blast. While examining this panchnama, it would be necessary to look into the evidence of landlord Gulab, who is examined at PW-1138/Exh.8165. While drawing this panchnama, this witness was called by informing him on telephone. During the course of panchnama, more particularly, second part of it, different articles which are marked A, B, C, D, E were seized. This panchnama is proved through examining panch witness at Exh.6539, seized articles A, B, C and D were sent

through forwarding letter at Exh.5961 and opinion thereof is received at Exh.5963. Considering this opinion, item marked B and C would contain Ammonium Nitrate and Petroleum Hydrocarbon Oil and the final opinion states about this substance being high explosive and to explode it, detonator is used.

16.24.23. It appears that investigator had also drawn one panchnama Exh.6359 dated 19.08.2008, at the place of accused No.14-Mohammad Sajid i.e. House No.33 Lukman Park, Jambusar Road, Bharuch and certain articles were seized during the drawing of panchnama. This panchnama was drawn in presence of F.S.L Officers. This panchnama is proved through examining panch witness. So far as articles seized at the time of drawing of panchnama are concerned, they were sent for scientific examination through forwarding letter at Exh. 5955. Relevant articles as mentioned in forwarding letter are Item Nos.15 to 18. Final F.S.L opinion for these articles is placed at Exh.5957 and out of item Nos.15 to 18, relevant is item No.16, for which the opinion says that it contains Petroleum Hydro Carbons. This opinion is proved through FSL Expert PW No.894-Hitesh Apabhai Patel vide Exh.6358. Prosecution has examined owner of this Lukman park house PW-1084/Exh. 7395 named Saiyed, who has stated about he has given his house on rent i.e. above referred house no.33 to a person named Saiyed, but as it was happened ten years back, he cannot identify that person.

16.24.24. The Court finds that accused No.14-Mohammad Sajid is involved by accused No.2-Imran Ibrahim Shaikh in his confessional statement. According to his statement, accused No.2-Imran Ibrahim Shaikh refers accused No.7-Usman Agarbattiwala, with whom he joined in the activities of SIMI. Accused No.2-Imran Ibrahim Shaikh also states about accuse No.7- Mohammad Usman S/O Mohammad Anis

Agarbattiwala being apprehended in the year 2001. Accused No.2-Imran Ibrahim Shaikh states that accused No.7-Usman introduced him (accused No.2-Imran Ibrahim Shaikh), to accused No.14-Mohammad Sajid and other big leaders named accused No.12-Safdar Nagori and accused No.10-Amil Parvaz. Accused No.14-Mohammad Sajid was given dummy name of Usman. Accused No.2-Imran Ibrahim Shaikh also states that accused No.12-Safdar Nagori and accused No.14-Mohammad Sajid stayed at Hotel Guest house down way to mountain. Accused No.14-Mohammad Sajid is one of the accused arraigned in Kerala Session's Court trial and he was accused No.16 in this trial. During course of investigation, it is found that accused No.14-Mohammad Sajid stayed at Shri Hari tourist home, when he and others attended Vagamon Training Camp. The prosecution examined PW-989/Exh.6879 Raju Nair, who was Manager of Shri Hari Tourist Home and who had deposed on the basis of hotel register at Exh.6486, which shows a person named Salim Shaikh, having stayed at this guest house during relevant period i.e. period of Vagamon camp. Entry of occupancy which was disputed entry was subjected to forensic examination and the opinion of Hand Writing Expert based on sample and natural handwritings of accused No.14-Mohammad Sajid, is established to be of accused No.14-Mohammad Sajid. Hence, it is established that accused No.14-Mohammad Sajid stayed at this guest house. It is pertinent to note here that accused No.14-Mohammad Sajid stayed at this guest house under the fake name of Salim Shaikh and he also gave his fake address of Kota, Rajasthan. Fake Register entry of guest house register is Exh.6486 and is for a period of 13.12.2007 to 14.12.2007. Sample handwritings etc. are sent to Hand Writing Expert through Forwarding Letter Exh.6887 and the opinion of Hand Writing Expert is Exh.6888.

Sample hand writings of accused No.14-Mohammad Sajid were taken under panchnama Exh.6487 and proved through panch witness PW-905/Exh.6484. Opinion of Hand Writing Expert is proved through PW-990/Exh.6886. Opinion of Hand Writing Expert is also required to be seen in context of Section 45 of Evidence Act as it is relevant fact.

16.24.25. The Court finds that as per statement of accused No.2-Imran Ibrahim Shaikh, accused No.14-Mohammad Sajid was one of the accused along with many other accused who chose the place of Gujarat camp at Halol and also decided for keeping some participants at Khundpir Dargah, which was situated near the camp. Accused No.2-Imran Ibrahim Shaikh also states that some accused persons including accused No.12-Safdar Nagori came to the house of accused No.14-Mohammad Sajid and accused No.12-Safdar Nagori made accused No.14-Mohammad Sajid organizer of the camp. Accused No.14-Mohammad Sajid was also given responsibility for deciding the participants of the camp and providing logistics namely railway tickets for them and also distribution of it. Dummy name of accused No.14-Mohammad Sajid, was Sehjad. Accused No.2-Imran Ibrahim Shaikh also states that, after completion of Halol camp, different persons-accused left for their respective States and some of the participants-accused who came on motor cycle also stayed for two days at the house of accused No.14-Mohammad Sajid. Accused No.2-Imran Ibrahim Shaikh also states that, some leader like accused No.7-Usman Agarbattiwala, accused No.12-Safdar Nagori, Accused No.13-Hafiz Hussain @ Adnan S/O Tajuddin Mulla and accused No.14-Mohammad Sajid went to Vapi, prior to arrest of some persons-accused by Madhya Pradesh Police in March. On 26th March, absconder Taukir and accused No.14-Mohammad Sajid went to Surat. On the day of occurrence i.e.

26th July 2008, accused No.14-Mohammad Sajid contacted accused No.2-Imran Ibrahim Shaikh and asked for telephone number of accused No.4-Shamsuddin which accused No.2-Imran Ibrahim Shaikh gave and then accused No.14-Mohammad Sajid also asked for telephone number of accused No.8-Yunus Mansuri which accused No.2-Imran Ibrahim Shaikh was not having and he could not give.

16.24.26. The Court finds that accused No.21-Mehandihasan @ Vikki S/O Abdul Habib Ansari in his confessional statement at Exh. 8623 involves accused No.14-Mohammad Sajid in Halol Terror Training camp but he also states about one lunch party in the month of December 2007, where different persons along with some accused persons named accused No.20- Atikur Rehmaan @ Atik S/O Abdul Hakim Musalman and accused No.22-Imran Ahmed @ Raja were present was also attended by accused No.14-Mohammad Sajid. Accused No.21-Mehandihasan @ Vikki S/O Abdul Habib Ansari has addressed accused No.14-Mohammad Sajid while referring him in context of this lunch party as accused No.14-Mohammad Sajid whose alias name is Salimbhai. It would be pertinent to state here that accused No.14-Mohammad Sajid when stayed at Shri Hari Tourist Home, he gave his name as Salim Shaikh of Kota. It would be further pertinent to note that accused No.14-Mohammad Sajid is to intimate to above referred Kota accused. Accused No.21-Mehandihasan @ Vikki S/O Abdul Habib Ansari also states about accused No.14-Mohammad Sajid being intimated to almost all participants-accused and was leading group of accused persons-conspirators.

16.24.27. It appears that accused No.35-Rafiyuddin S/O Sarfuddin Kapadiya in his confessional statement at Exh.8631 has also involved accused No.14-Mohammad Sajid as one of the participants of Halol

Camp. Pertinently Accused No.35-Rafiyuddin S/O Sarfuddin Kapadiya has termed this camp as SIMI camp and it was also attended by accused No.21- Mehandihasan @ Vikki S/O Abdul Habib Ansari, accused No.22-Imran Ahmed @ Raja S/O Siraj Ahmed Haji Pathan and accused No.20-Atikur Rehmaan @ Atik S/O Abdul Hakim Musalman who are from Kota, Rajasthan. These three accused persons are relevant as accused No.14-Mohammad Sajid was guest of accused No.21-Mehandihasan @ Vikki S/O Abdul Habib Ansari in a lunch party in the month of December, 2007 where accused No.14-Mohammad Sajid also met accused No.20-Atikur Rehmaan @ Atik S/O Abdul Hakim Musalman and accused No.22-Imran Ahmed @ Raja S/O Siraj Ahmed Haji Pathan. It is also pertinent to note that accused No.35-Rafiyuddin S/O Sarfuddin Kapadiya in his confessional statement had clearly stated that accused No.37-Kayamuddin Kapadiya when came to know that Madhya Pradesh Police is in search of accused No.37-Kayamuddin Kapadiya, accused No.37-Kayamuddin Kapadiya left his home (this is fully contrary to the evidence of accused No.37- Kayamuddin Kapadiya as he examined himself as defence witness has stated that he remained in illegal confinement of Madhya Pradesh Police). Accused No.35-Rafiyuddin S/O Sarfuddin Kapadiya who is also real brother of accused No.37-Kayamuddin Kapadiya has also clearly stated that his brother accused No.37-Kayamuddin Kapadiya is SIMI fundamentalist, he is a staunch SIMI activist and adhered to fundamentalist ideology. Accused No.35-Rafiyuddin S/O Sarfuddin Kapadiya also pointed out place of Halol camp, for which panchnama is drawn at Exh. 6443 dated 17.11.2008. The Court is aware that the confessional statement of A-35 having been recorded after administering oath, the Court is referring to the same only as the documents have been exhibited.

16.24.28. Therefore, the prosecution has led sufficient evidence to convict the accused No.14- Mohammad Sajid @ Salim @ Sajjad @ Saad S/O Gulam Khwaja Mansuri for the charges. Accordingly, the conviction of accused No.14- Mohammad Sajid @ Salim @ Sajjad @ Saad S/O Gulam Khwaja Mansuri for the offence is confirmed.

16.25. In case of Mufti Abubasar @ Abdul Rashid @ Abdulla S/O Abubakar Shaikh (Azamgarh, Uttar Pradesh) (A-15)

(Accused No.15 in Criminal Confirmation Case No. 2/2022 and Appellant No.11 in Criminal Appeal No. 1710/2022):

16.25.1. In case of accused No.15-Mufti Abubasar @ Abdul Rashid @ Abdulla S/O Abubakar Shaikh, he has been convicted for various offences by the trial Court, and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.25.2. Learned Senior Advocate Shri Mihir Desai representing the case of accused No.15-Mufti Abubasar made submission at the outset that accused No.15-Mufti Abubasar is convicted by Ernakulam Sessions Court in connection with Vagamon camp (Exh.9421). It is submitted that there the conviction is recorded for being a participant in that training camp, however, he being a member of SIMI is not proved. It is also submitted that an Appeal is preferred to higher forum and is pending. He has however, pleaded 'issue estoppel', which the Court has dealt in a separate sub-chapter titled "Section 300 Cr.P.C. and issue estoppel" in the chapter "Issues".

16.25.3. Learned Senior Advocate submitted that accused No.15-Mufti Abubasar has even as per the case of the prosecution not participated in Halol camp, therefore, factual error is committed by the trial Court by concluding that he was a participant in Halol camp. The

Court has independently considered the evidence against accused No.15-Mufti Abubasar in entirety and therefore, factual error by the trial Court will be subsumed in the finding now being recorded.

16.25.4. It is submitted that in so far as participating in meeting at Surat, the case of prosecution is based on two witnesses; PW No.1103-Mohammadfaruk Adbdulrashid Master vide Exh.7799 and PW No.881-Adnan Mohammad Khalid Gujarati vide Exh.6299, both of whom have been declared hostile. Therefore, there is no evidence for Surat against accused No.15-Mufti Abubasar.

16.25.5. It is submitted that, at best, there is evidence with prosecution for participating in the meetings at Ahmedabad. However, such evidence is that of PW No.957-Zakir Hussain vide Exh.6687. According to Counsel, Zakir is not reliable witness as he himself has participated in the meetings. It is therefore contended that he ought to be treated as an accomplice. So, if his evidence as accomplice is to be relied upon, the legal requirements governing the appreciation of accomplice evidence needs to be fulfilled. If evidence of PW No. 957-Zakir Hussain is not to be believed, then there is no evidence of accused No.15-Mufti Abubasar participating in the Takrir or inciting co-accused.

16.25.6. With regard to the role attributed for providing for residential accommodation in Umraonagar, the evidence is point out panchnama vide Exh.6434 by accused No.15-Mufti Abubasar of Umraonagar house. According to learned Senior Advocate, the panchnama cannot be treated as under Section 27 of Evidence Act, but a confessional statement before the Police. Moreover, there is a time gap as according to witness, the rented premises was secured in the year 2007, whereas point out panchnama is of August, 2008.

16.25.7. In this connection, the Court observes that in point out

panchnama, the material objects were seized and point out panchnama was proved by independent panch witness (Exh.6433), who has deposed to voluntary disclosure of the house displaying the knowledge of the fact of the house being used as a part of conspiracy. Moreover, the material objects seized were sent to FSL and FSL report Exh.5395 is on record as exhibited document.

16.25.8. Thereafter, learned Senior Advocate has cursorily referred to the opinion in the SDS Tests submitting that such evidence is no evidence in the eye of law. Therefore, even if the report demonstrates his participation, the same is of no consequence.

16.25.9. Learned Additional Advocate General has submitted that accused No.15-Mufti Abubasar is involved by secret witness named Firoz Dilawar Shaikh Exh.7929, owner of Umraonagar house, Vatva. This house was kept on rent by accused No.37-Kayamuddin Kapadiya and was visited by absconder Taukir and accused No.15-Mufti Abubasar. This house of witness is also subjected to search at the instance of accused No.15-Mufti Abubasar during which bolt, wires, pellets etc. were found which is also deposed by witness Firoz. As per the case of prosecution for getting this house on rent, help of person named Sayeedu Rehman was taken and accused No.27-Abdul Rajik is also connected with accused No.37-Kayamuddin Kapadiya for the purpose of taking the house on rent. Witness Firoz has given his statement under Section 164 of Cr. P.C, which is Exh.7930. Witness Firoz identifies accused No.15-Mufti Abubasar, when Police took accused No.15-Mufti Abubasar at witness's place and witness identified him.

16.25.10. It is submitted that the defence has tried to discredit this witness by citing deposition of witness in some other case, wherein he is declared hostile. Merely on this aspect about witness having been

declared hostile in some other case, more particularly any action being taken against witness for perjury etc. evidence of this witness in the present proceedings cannot be discredited. More particularly, when the evidence of witness in the present case has remained unshaken and that witness has also given his statement under Section 164 of Cr.P.C. The witness also identifies original accused No.23-Ayaz Razakmiyan Saiyed now approver Ayaz as a person coming to his house with other above referred accused during the course of his deposition. Witness also identifies accused No.37-Kayamuddin Kapadiya, during the course of his deposition. accused No.37-Kayamuddin Kapadiya pointed out this house of witness Firoz Shaikh on 18.12.2008 through panchnama Exh.6083 proved through panch witness Exh.6082. The prosecution has also examined witness named Rafikbhai Husseinbhai Exh.6587, a person running a Hotel by the name of 'Garib Nawaz', which used to be visited by three persons. This witness is subjected to Test Identification Parade for the purpose of identifying persons who used to visit his Food Court and during the course of Test Identification Parade Exh.3054 drawn on 27.08.2008, witness Rafikbhai identified accused No.15-Mufti Abubasar as a person who used to visit his Food Court. This Test Identification Parade is proved through Executive Magistrate Exh.3051.

16.25.11. It is further submitted that in addition to above referred conspiratorial circumstances, there is one more link of circumstance in the nature of forensic evidence as accused No.15-Mufti Abubasar was subjected to Suspect Detection Test (SDS) i.e. Exh.5901 proved through PW-848/Exh.5894 and the opinion of it, it was found that accused No.15-Mufti Abubasar was involved and connected with different bomb blasts and his association with SIMI alongwith other accused persons. accused No.15-Mufti Abubasar also knows other persons who are

involved in bomb blasts.

16.25.12. The Court has considered the rival submissions of the parties. In the opinion of the Court, accused No.15-Mufti Abubasar is involved by Jakir Hussein in the meeting which took place at accused No.4-Samsuddin Nana's house, wherein accused No.15-Mufti Abubasar gave Takrir about SIMI having become strong and their presence is across all cities in India and therefore, we all together must do Jihad against the regime who is anti-Muslim. Witness Jakir, while deposing about such meeting, had also deposed that during this meeting, he realized that persons-activists gathered at accused No.4-Samsuddin Nana's house, are SIMI activists and are Anti-Government and Anti-Nation. Witness Jakir Hussein involves accused No.15-Mufti Abubasar, in one another meeting, which took place in the month of June in the house of secret witness (1) Ibrahim Ansari where many other accused persons were present and accused No.15-Mufti Abubasar exhorted that as SIMI activists are apprehended, they were not to be frightened about it and will establish Islamic regime. Witness Jakir also involves accused No.15-Mufti Abubasar who is from UP, who came again to Gujarat after June 2008 to the house of accused No.8-Yunus Mansuri where few other accused persons were also present and accused No.15-Mufti Abubasar exhorted that everything is ready for establishing Islamic regime. Witness Jakir Hussein also identifies accused No.15-Mufti Abubasar, at the time of giving deposition i.e. dock identification.

16.25.13. The Court finds that accused No.15-Mufti Abubasar is also involved by approver Aiyaz in the meeting at accused No.4-Samsuddin Nana's house, where other accused persons were also present. Details about this meeting is eloquently narrated in para-8 of the deposition. Witness Aiyaz states that about sometime in May 2008, accused named

accused No.27-Abdul Rajik and two of his SIMI friends named accused No.37-Kayamuddin Kapadiya and absconder Taukir are in search of house to be taken on rent and ultimately with the help of a person named Sayeedu Rehman, house of person named Firoz Shaikh was taken on rent. Witness also states about he visiting this house of Firoz shaikh and once he saw accused No.15-Mufti Abubasar at this house, whom he very clearly recognizes as a person whose name is Mufti Abu Bashar and he is also known as Mufti Saheb. Witness also states about that they are discussing about taking of revenge of Gujarat riots and these three persons were also discussing about the same. Witness Aiyaz also identified accused No.15-Mufti Abubasar during his deposition i.e. dock identification.

16.25.14. The Court also finds that witness Riyaz Hussein vide Exh.8265 has involved accused No.15-Mufti Abubasar in his statement which was recorded under Section 164 of Cr.P.C as participant-co-conspirator in the meeting, which took place at accused No.4-Samsuddin Nana's house and activities which were done there as like watching D.V.Ds on Al-Queda, speech of Osama Bin Laden, training to do explosion as well as preparation of bomb and to do explosion through NHO3, Nitrocellulose and Cylinder. Though this witness has not supported the prosecution and is declared hostile still, the statement of this witness recorded under Section 164 Cr.P.C vide Exh.8266 go on to establish the fact about the activities done by the accused as a part of the conspiracy like, watching DVDs, collecting information of Al-Qaeda and speeches of terrorists like Osama Bin Laden and also, learning about repairing of bombs by using explosives.

16.25.15. It appears that accused No.15-Mufti Abubasar is involved by accused No.2-Imran Ibrahim Shaikh in his confessional statement as he

having attended Vagmon camp. Accused No.2-Imran Ibrahim Shaikh while describing many other participants-conspirators have stated that accused No.15-Mufti Abubasar Abu Bashar came from Uttar Pradesh. Dummy name of accused No.15-Mufti Abubasar was Abdul Rasheed. So far as, conspirators who gave instigative Jehadi Takrir are concerned, accused No.15-Mufti Abubasar was amongst other conspirators named accused No.12-Safdar Nagori, accused No.10-Amil Parvaz, accused No.11-Sibli @ Sabit, accused No.13-Hafiz Hussain @ Adnan and absconder Taukir. Accused No.2-Imran Ibrahim Shaikh also states that on 24th and 25th of March, accused No.15-Mufti Abubasar came to his house and on 26th of March accused No.15-Mufti Abubasar left for UP. In the month of June 2008, accused No.15-Mufti Abubasar again came to the house of accused No.2-Imran Ibrahim Shaikh and states about absconder Taukir also came to his house. He further states that, in the night of 12th July, accused No.15-Mufti Abubasar again came to his house and on the next day i.e. on 13th absconder Taukir came to his house. Thereafter, on 14th in the house of accused No.2-Imran Ibrahim Shaikh on the laptop of accused No.7-Usman Agarbattiwala, accused No.2-Imran Ibrahim Shaikh, accused No.7-Usman Agarbattiwala, absconder Taukir and accused No.15-Mufti Abubasar together saw Islamic CD. This Islamic CD was on Qayamat which would mean End of time. They saw film named Black Friday which was on blast and in the night of 14th July Mufti went back to UP. accused No.15-Mufti Abubasar is also arraigned as accused in Kerala Session's Case proceedings and in this Session's Case proceedings, he is accused No.15 as like in the present case and Kerala Court has convicted him for the offences punishable under Sections 10, 20 and 38 of UAPA and 120 B of I.P.C as well as Section 4 of the Explosive Substance Act, 1908.

16.25.16. It also appears that accused No.15-Mufti Abubasar is involved by accused No.76-Manzer Imam, who is from Ranchi in his confessional statement Exh.9021. He also states about he having joined SIMI and got associated with accused No.10-Amil Parvaz and absconder Taukir. Accused No.76-Manzer Imam during his participation in the Vagamon camp also met top leaders of SIMI. Accused No.76-Manzer Imam was given dummy name of Hanif. Accused No.76-Manzer Imam states about lecture being given by accused No.10-Amil Parvaz in Urdu and which was explained by accused No.15-Mufti Abubasar. It was like question and answer programme. Accused No.76-Manzer Imam also states about this camp was being conducted to decide Jihad in India. Accused No.76-Manzer Imam also states that after completion of camp, he was given two railway tickets to reach secretly back to Ranchi. He further states that after one month of the camp, accused No.10-Amil Parvaz came to accused No.76-Manzer Imam and took him to Calcutta to meet person named Harun Rasheed and there they had discussed about benefit of camp and thereafter, accused No.10-Amil Parvaz left for Madhya Pradesh and accused No.76-Manzer Imam returned to Ranchi.

16.25.17. The Court finds that accused No.15-Mufti Abubasar through panchnama dated 18.08.2008, pointed out house of prosecution witness Firoz Shaikh, i.e. the house no.3 Umraunagar Chawl, Vatva which accused No.15-Mufti Abubasar visited. This pointing out of place as well as seizure of certain articles at the instance of accused No.15-Mufti Abubasar took place in presence of panch as well as F.S.L Officers. During the course of drawing of second part of the panchnama articles as like newspapers (mark A), wires, bolt, pellets etc. (mark B), cardboard, and few other articles were found and they all were seized and collected. The articles used for making a bomb. Panchnama

Exh.6434 is proved through panch witness Exh.6433. So far as, these articles are concerned, they were sent for Forensic Scientific Examination through Forwarding letter Exh.5933 and the opinion of which was received through Exh.5935 and Exh.7954, which supports the case of prosecution.

16.25.18. The Court has perused Exh.5901, the report of suspect detection test, which is an opinion of an expert. This report dated 20.10.2008 (page No.755143) demonstrates that accused No.15-Mufti Abubasar was subjected to suspect detention system and was questioned on various circumstances and the reaction of the accused is recorded under the test is indicative of his involvement. This accused, as per the report has given positive reaction to the issues like (a) his involvement in SIMI, (b) being members of SIMI, (c) blasts in future in Delhi and Varanasi, (d) repeat of Blasts in the Cities where blasts have already taken, (e) acquainted with those persons, who have caused bomb blasts. According to the Court, though this Report is an only an opinion of an Expert, but the conclusion is in consonance with the evidence led against accused No.15-Mufti Abubasar and therefore, it only strengthens the evidence against accused No.15-Mufti Abubasar.

16.25.19. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.15-Mufti Abubasar. The Court has therefore, no reason to interfere with the conviction recorded.

16.26.1. In case of accused No.30-Mohammad Sadik @ Yasir @ Imran @ Sadakat S/O Israr Ahmed Shaikh, he has been convicted for various offences by the trial Court, and has been sentenced to imprisonment for life in Sessions Case No.38/2009 and others..

16.26.2. Learned Senior Advocate has made submissions qua accused No.30-Mohammad Sadik @ Yasir @ Imran @ Sadakat @ Sahadat Ishrar Ahmed Shaikh, who according to learned senior advocate was arrested on 24.09.2008 in a different offense under Maharashtra Control of Organised Crime Act (MCOCA) in Mumbai and in the present offense he was arrested in connection with the offenses registered at Ahmedabad on 05.11.2008 and in connection with the Surat offense on 21.01.2009. According to learned senior advocate, Shri Mihir Desai the allegations against the present accused No.30-Mohammad Sadik are two fold, the first being the involvement at the hands of accused no.29-Mohammad Jakir @ Ayub S/O Abdul Hak Shaikh, who in a point out panchnama had pointed out a PCO Call Booth and in that panchnama had indicated that upon the instructions of the present accused No.30-Mohammad Sadik, he had made a phone call from the said booth for receiving the instructions as to where the car bombs are to be placed. Secondly, being the point out panchnama where the accused No.30-Mohammad Sadik had pointed out the shop where time piece/clocks were purchased which were used in the explosion in Ahmedabad. It is submitted that except for the above role, there is no other role attributed to the accused No.30-Mohammad Sadik including any role of participating in any of the meetings.

16.26.3. Learned senior advocate has therefore, taken this Court to three evidences in connection with the first allegation. Exh.6742 is a point out panchnama executed at the behest of accused No.29-

Mohammad Jakir @ Ayub S/O Abdul Hak Shaikh, which was proved by evidence of panch witness PW No.960-Abbasbhai Ismailbhai Multani, who was examined vide Exh.6741. In his deposition, this witness has deposed that when summoned as a panch witness, Mohammad Jakir was present in custody and upon being asked, he has stated that he had a telephonic conversation with these two friends with regard to the placing of four wheeler vehicle and the said vehicle contained some substance of crime. He has also mentioned the names of the friends being Sadiq and Arif. This accused thereafter, pointed out the place being a shop named 'Ajva Sweets' and pointed out the place from where the phone call was made. In the cross-examination of this witness, he has deposed that while he was mending his motorcycle for puncture, the police people came there and took him to Chowkbazar Police Station. He has also explained the time period required for reaching the place as per the panchnama and has answered the questions put to him with regard to the sweet shop and the phone booth to which he has deposed that upon their visit they did not find any equipments of STD PCO and he had not examined any documents from the occupier of the shop. The perusal of the entire evidence does not create any doubt upon the execution of the panchnama or that this witness not being a truthful witness.

16.26.4. According to learned senior advocate, from joint reading of the panchnama as well as deposition of the panch witness, the only portion that would be admissible as evidence would be the pointing out of the shop from where the alleged phone call was made however, any narration with regard to making of the phone call and acting thereon cannot be treated as a part of admissible evidence.

16.26.5. The prosecution has examined the Investigating Officer PW

No.1119-Kantilal Narayanbhai Patel, who was examined at Exh.8048, who carried out the aforesaid panchnama. In his evidence in chief, he has deposed that he was assigned with the work of executing of the panchnama at the behest of accused No.29-Mohammad Jakir @ Ayub S/O Abdul Hak Shaikh, who was Hindi speaking and upon being asked, had voluntarily disclosed that at the behest of one Raju @ Tanvir and on the instructions of Tanvir, Sadiq and Arif to identify the place where the car containing explosive is to be placed. For this purpose, the panchnama was to be executed. This witness has also deposed that as per the instruction of the accused-Mohammad Jakir, the team consisting of police personnel and the panch witnesses proceeded to the place and the direction given by the accused and halted at a place where there was a shop consisting of two shutters with the name 'Ajva Sweets' and from that PCO, the accused had called Tanvir. From the deposition, it appears that the panchnama was completed in two parts as per the requirement. This witness has identified his own signature as well as that of the panchas and thereby confirming the preparation of the panchnama. This witness was extensively cross-examined on behalf of some of the accused. The perusal of the evidence in chief does not create any doubt on what has been deposed by this witness in the chief regarding procedure for execution of the panchnama. However, the Court finds that no questions have been put to this witness with regard to what has been deposed by the witness in the chief about the purpose of executing of panchnama and what has been mentioned by the accused in front of the panch witness to make a phone call to identify the place where the cars filled with explosive are to be placed and for that he had followed instructions of Tanvir, Sadik and Arif. Considering the evidence of this witness and placing it alongwith the first part of the panchanama

Exh.6742, wherein it is noted that the accused-Mohammad Jakir on the say of his accomplice Sadik and Arif, on 18.07.2018, he got the instructions from one Raju as to where to place the cars with explosive and when he arrived at such place, he had utilized a PCO coin box for contacting one Raju @ Tanvir. Therefore, as the disclosure made led to the coin box, which existed as was declared in the first part of the panchnama, the information disclosed regarding the location identified, being a place where he received the instruction for planting of cars, such information is admissible under Section 27.

16.26.6. With regard to another allegation against this accused No.30; Mohammad Sadik, which pertains to purchase of clocks / time pieces, which were used ultimately as a timer in the bombs. In this regard, evidence is point out panchnama at Exh-8093 executed at behest of the very accused No.30; Mohammad Sadik to point out the shop from where clocks were purchased in bulk.

16.26.7. Learned Senior Advocate has argued that from the very beginning execution of panchnama is in great doubt, as the manner in which the panchas were appointed in casual manner and that too from amongst the passengers traveling in the train between Surat to Mumbai. Doubt is also created as to how the panch witnesses reached the Crime Branch Police Station at Pydhonie at Mumbai. Second doubt created is that though the panchas were from Gujarat, in the panchnama, it is narrated that contents of the panchnama were explained in Hindi.

16.26.8. It is also submitted that in the panchnama, the shop has been identified by its location from amongst other shops, whereas when the panch witness was examined vide Exh.8092, PW No.1128- Sunil Rasiklal Shah, in his deposition, he has mentioned that the shop was numbered as 58. This discrepancy creates doubt about panch witness

being genuine panch witness and therefore, execution of panchnama and the panch witness itself is doubtful.

16.26.9. Learned Senior Advocate has thereafter submitted that contents of the panchnama though exhibited, cannot be utilized for any purpose, as it cannot be said to be panchnama under Section 27 of the Evidence Act. There is no fresh discovery of fact as the Investigating Officer prior to execution of panchnama already knew about the fact of the shop and this fact is clear from the evidence of the Investigating Officer vide Exh.8340, where he has stated that on 23-12-2008 prior to panchnama at Exh.8092 dated 27-01-2009, statement of person concerned with the clock shop was recorded.

16.26.10. Another instance is deposition of PW No.1155 –N. B. Parmar at Exh.8517, who is an another Investigating Officer, who has referred to recording of statement of the Shop Owner and workers therein on 29-11-2008. In view of the aforesaid, the panchnama at Exh.8092 is of no evidentiary value.

16.26.11. Learned Senior Advocate has submitted that evidence of clock purchase is also not sufficient to connect the present accused No.30; Mohammad Sadik as from the reading of the evidence of the Shop Owner; Exh.6823, PW No.978- Mohammadhanif Abdulkayum Roshan, it is coming out on record that clocks, which were found during the course of investigation to be part of explosive device, cannot be identified only from the shop, but could be available in open market as well. Moreover, the prosecution has itself put up the case that the present accused No.30; Mohammad Sadik, who had accompanied accused No.31-Mohammad Arif had never entered into the shop and therefore, it cannot be established that the accused No.30-Mohammad Sadik had played any role for purchase of the clock. At best, he can be said to have

accompanied the co-accused.

16.26.12. Learned Senior Advocate has thereafter referred to Exh.6828, PW No.979- Dashrath Vishnubhai Patil, the witness, who had worked as helper in the Clock Shop, though has identified accused No.31-Mohammad Arif, but his evidence also does not indicate that the accused No.30-Mohammad had entered into the shop for the purchase of clock.

16.26.13. Learned Senior Advocate has argued that one more reason to doubt the selection of panch witnesses, is because the Investigating Officer; Mr. N. B. Parmar, in his deposition at Exh.8517, has deposed that he had met the panch witnesses for the first time at the Crime Branch Office and thereafter, there is nothing on record by the prosecution as to how and who had selected the panch witness for this panchnama, as the Police Officer referred to by the panch witnesses, have not been examined.

16.26.14. Learned Senior Advocate has submitted that if the panchnama does not meet requirement of Section 27 of the Evidence Act, then the same cannot be utilized with the aid of Section 8 of the Evidence Act.

16.26.15. In this connection, learned Senior Advocate has relied upon Para-66 and 73 of the decision of the Apex Court in case of ***Mohmed Inayatullah v/s. the State of Maharashtra reported in (1976) 1 SCC 828***. Learned Senior Advocate has also relied upon the decision of the Apex Court in case of ***Bahadul Alias Ghanshyam Padhan v/s. State of Orissa reported in (1979) 4 SCC 346*** and has thereafter extensively relied upon the latest decision of the Apex Court in case of ***Subramanya v/s. State of Karnataka repored in (2023) 11 SCC 255***. For the purpose of implication of Section 27 vis-a-vis Section 8 of the Evidence Act,

learned Senior Advocate has relied upon the decision of the Apex Court in case of ***Narayan Yadav v/s. State of Chattisgarh reported in 2025 SCC Online SC 1603***.

16.26.16. Learned Senior Advocate has thereafter referred to relevant paras in the impugned judgment in connection with present accused No.30- Mohammad Sadik (See Page No.3796) and submitted that accused No.29; Mohammad Jakir @ Ayub, who was an accused only for Surat and not for Ahmedabad, has been acquitted and the case of the present accused No.30-Mohammad Sadik is similarly situated and therefore, is required to be acquitted.

16.26.17. With regard to antecedents, learned Senior Advocate has submitted that the accused No.30-Mohammad Sadik was originally arrested in Mumbai for the case under the MCOCA, has now been discharged, whereas another case in Delhi, is pending. Learned Senior Advocate has submitted that it is the case of accused No.30-Mohammad Sadik that he was never taken to Mumbai for the panchnama and the panchnama is an entirely got up story. There is no preliminary panchnama, which ought to have been executed at Surat and even if the panchnama is to be believed, then also the prosecution has not established role of accused No.30- Mohammad Sadik, as to how the said clocks had reached in the hands of the co-accused and were thereafter, utilized as time pieces in the explosive devices.

16.26.18. Learned Additional Advocate General for the State has submitted that accused No.30-Mohammad Sadik and accused No.31-Mohammad Arif both are from Maharashtra.

16.26.19. It is submitted that the panchnama Exh.1839 is drawn on 27.07.2008 between 10:30 hours to 11:15 hours, which would relate to a place known as Hateshwar, Baag-a-Firdosh Police Line Division 2,

where from garbage box, live bomb was found. This live bomb was appropriately disabled and objects and articles found from it were collected, which are appropriately described in panchnama of which one article is Alarm clock of Prince Company containing 9-volt cell and also setting of time of 12:00 and connected with Electric detonator. All the items including this clock was sent by forwarding letter to F.S.L by Police Inspector, Ramol Police Station, Ahmedabad City and the panchnama is also drawn by Police Inspector, Ramol.

16.26.20. It is submitted that these articles referred hereinabove were sent for Scientific Examination through forwarding letter vide Exh.5918 and it would include at Serial No.4 and Marked D. The above referred seized alarm clock of Prince Company and the opinion of these articles given by F.S.L is Exh.5920 is that those articles mark A, B and C found from live bomb would contain Ammonium, Potassium Sodium and Nitrate as also Petroleum Hydro Carbon Oils which are high explosive substance.

16.26.21. Before referring to the factual aspect of this accused, the Court may observe a detailed discussion has been made under the sub—chapter of “Panchnamas under Section 27 of Indian Evidence Act” under Chapter “Issues” to deal with the admissibility of the panchnama referred to hereinabove.

16.26.22. The Court finds that before considering the evidentiary material against accused No.30-Mohammad Sadik, the prosecution would place reliance on panchnama Exh.2080. This panchnama relates to a place known as Main Gate of Arvind Mill Khatraj, from where one live bomb was found. This panchnama is drawn on 26.07.2008, from 22:30 hours to 2:00 hours on 27.07.2008 by Police Inspector of Kalol Taluka Police station. This panchnama also relates to finding out of live

hours at the place of Bombay Crime Branch Police Station. Panchnama is drawn by C Division, Surat City Police Station. The panchnama relates to accused No.30-Mohammad Sadik being present at Police station and leading police to show a place-shop from where, accused No.30-Mohammad Sadik and his companion accused No.31-Mohammad Arif purchased timer clock. Thereafter, accused No.30-Mohammad Sadik led police and panchas to a shop at Mohd. Ali road, Abdul Rehman Street and pointed out a shop which was below old building of Javeri House and few other shops. Accused No.30-Mohammad Sadik also stated that accused No.31-Mohammad Arif went to purchase clocks and accused No.30-Mohammad Sadik stood outside the shop. The prosecution has proved this panchnama vide Exh.8093 through panch witness Exh.8092 as well as Investigating Officer vide Exh.8517.

16.26.24. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against 30-Mohammad Sadik @ Yasir @ Imran @ Sadakat S/O Israr Ahmed Shaikh. The prosecution has established that the accused has played a role, as a part of conspiracy in procuring the time-piece which was used in the explosive device. The Court has therefore, no reason to interfere with the conviction recorded.

Ladan S/O Badruddin @ Jumman Shaikh, he has been convicted for various offences by the trial Court and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.27.2. On behalf of accused No.31-Mohammad Arif @ Arif Badar @ Ladan, learned Senior Advocate Mr. Abhay Thipsay has argued that the role attributed to the accused is to have purchased clocks/time pieces in bulk, which were used as a timer in the explosive device. It is argued that to connect accused No.31-Mohammad Arif with such purchase witnesses like the shop-keeper have been examined. However, both the witnesses have failed to identify accused No.31-Mohammad Arif during their deposition. Their Test Identification Parade is also under great doubt in fact there is no Test Identification Parade conducted at all. For this, learned Senior Advocate has taken this Court through the evidence of PW No.978-Mohammadhanif Abdulkayum Roshan vide Exh.6823 and PW No.979-Dashrath Visnubhai Patil vide Exh.6828, who have deposed that Test Identification Parade was conducted on 06-01-2009 and after the Test Identification Parade, they left for Bombay. However, in fact it is on record that Test Identification Parade was conducted only on 07-01-2009. He referred to Exh.3174, a letter from Police to postpone the Test Identification Parade scheduled on 06-01-2009 by a day as the accused No.31-Mohammad Arif could not be brought to Executive Magistrate from the judicial custody. Therefore, when the Test Identification Parade was drawn, PW No.978-Mohammadhanif Abdulkayum Roshan and PW No.979-Dashrath Visnubhai Patil had already left for Mumbai and hence, the entire Test Identification Parade is a fabricated document.

16.27.3. It is further argued that Post Test Identification Parade usually a statement is recorded by Investigating Officer and the

Investigating Officer, PW No.1154-Usha Bachubhai Rada in Exh.8340 has admitted to recording of a statement on 06-01-2009.

16.27.4. Moreover, it is argued that from the evidence of Investigating Officer, it is not clear that on what basis the Investigating Officer was able to identify the shop from where the clocks were purchased. By referring to deposition of PW No.978-Mohammadhanif Abdulkayum Roshan and PW No.979-Dashrath Visnubhai Patil, it is submitted that there is some role of Mumbai Crime Branch to name accused No.31-Mohammad Arif, but deliberately nothing is brought on record.

16.27.5. Learned Senior Advocate has submitted that on the basis of deposition of PW No.978-Mohammadhanif Abdulkayum Roshan and PW No.979-Dashrath Visnubhai Patil regarding identification a doubt is created from the deposition as to how on basis of small paper (summons), they were able to travel to Ahmedabad and reach the Court of Executive Magistrate on their own.

16.27.6. From the record it appears that, accused No.31-Mohammad Arif was arrested in Surat case prior in point of time, therefore, during the investigation his role surfaced. In this regard, while investigating bulk sale of clocks around the time period led to the shop and therefore the statement of the shop owner and the employee of shop was recorded. The witnesses have deposed about the purchase in bulk of the clocks and in phased manner both the witnesses have consistently deposed about the purchase, the Bill book and identification parade at Ahmedabad. The witnesses have identified the muddamal clocks in the Court to be the clocks purchased from their shops. Though in cross, questions are put as to how without using specific identification mark, the clocks have been identified. However, the fact that shop-keeper and employee have consistently stated about the sale, the product make being sold and

supported by documents like Bill. The fact of purchase of muddamal clock is established and therefore, the bulk purchase of the clock is also established.

16.27.7. With regard to Test Identification, Exh.3172 is the letter of Investigating Officer on 31.12.2008 to Executive Magistrate in response to which Exh.3173 is addressed by the Executive Magistrate scheduling the Test Identification Parade on 06.01.2009 at 16:30 hours. Thereafter, Exh. 3174 has been addressed by the Investigating Officer to the Executive Magistrate that for some reasons, accused could not be brought from judicial custody for identification parade on 06.01.2009 at 16:30 hours and hence, the Test Identification Parade by the Executive Magistrate was rescheduled to the next date i.e. 07.01.2009 by communication dated 06.01.2009 vide Exh.3175. Exh.3176 is the panchnama of Test Identification Parade. The said panchnama records the date as 07.01.2009 on which the Test Identification Parade has been carried out. The deposition of Investigating Officer being PW No.1154-Usha Bachubhai Rada at Exh.8340, in which in para 2(68) has also deposed to the extent that during the course of investigation, the Test Identification Parade was organized on 07.01.2009. The Executive Magistrate is also examined as a witness as PW No.589-Indravir Vajubhai Zala vide Exh. 3159. He has deposed with regard to Test Identification Parade at Exh. 3176, in para-23 of his deposition that the Test Identification Parade of this accused was conducted on 07.01.2009 at 16:30 hours. This witness has in detail indicated the procedure adopted for protecting identity of the accused from the witness and has also given the liberty of change in clothes, appearance and standing in the line of dummies. Thereafter, the identification has taken place. The witness has been extensively cross-examined and the only question that

is put to this witness regarding Exh.3176 in para-50 is with regard to the dummy persons gathered from Ramol area. The defense has not put any relevant question in cross-examination about the Test Identification being conducted on 06.01.2009. This witness has also in his deposition referred to Exh.3173, 3174 and 3175 to show that though original schedule of Test Identification Parade was on 06.01.2009, but was rescheduled to 07.01.2009.

16.27.8. The deposition of the identifying witness PW No.978-Mohammadhanif Abdulkayum Roshan vide Exh.6823 in para-22 of the cross-examination, a reference is made to arrival in Ahmedabad on 06.01.2009 by boarding train from Bombay on 05.01.2009. In para-24, he has denied the question put to him that on 06.01.2009, he has not identified anybody in the Test Identification Parade, but is giving false evidence on the say of the police. The contention of the defense by drawing attention to para-29 of the cross-examination, wherein the witness has answered that on 06.01.2009, he alongwith other witness Dashrathbhai returned to Bombay. Meaning thereby, they were not available for the scheduled Test Identification Parade on 07.01.2009. Considering the aforesaid documents relating to holding of Test Identification Parade and the Executive Magistrate himself having deposed about the holding of Test Identification Parade, cannot be set at naught merely because in a cross-examination date of 06.01.2009 is recorded. Upon closer examination of para-29 of the cross-examination, the purpose of putting the question appears to be that on the date when the Test Identification Parade has taken place, the witnesses have returned to Mumbai. The Court is of the opinion that such a mention of date 06.01.2009 to be the date of return to Mumbai in cross examination cannot falsify the entire evidence of Test Identification Parade.

16.27.9. Similarly, the evidence of PW No.979-Dashrath Visnubhai Patil vide Exh.6828, who is an employer in the shop from where clocks were purchased. In his deposition, he has given detailed narration of the identification parade. The evidence of PW No.979-Dashrath Vishnubhai Patil vide Exh.6828 is confirmed with the evidence of Test Identification Parade being conducted and the witness having participated in the Test Identification Parade.

16.27.10. The Court may now take into consideration the evidence of PW No.978-Mohammadhanif Abdulkayum Roshan vide Exh.6823 insofar as it connects the accused No.31- Mohammad Arif to the purchase of clocks/time pieces. In his evidence, witness has indicated that in the month of July there was a bulk sale of 50 time pieces (Alarm Clock) from his shop and upon verifying through his bill book, he came across a bill of 4th July for 30 time pieces. It is deposed that customer had arrived at his shop, he had ordered for total 50 time pieces however, only 16 time pieces were readily available in the shop and he would provide 14 time pieces on the following day. Accordingly, payment of 30 time pieces were received with the understanding that if further 20 time pieces are available from the distributor, then the same would also be sold. It is deposed that on the following day, customer came to collect the 14 time pieces for which payment was made and as the additional time pieces were also available, the customer willingly collected. However, regarding the bill for the remaining 20 pieces, the customer left the shop before the bill could be drawn and given to him. It is deposed that for the bulk purchase, the witness had given discount of 15%.

16.27.11. The witness has also deposed that at the relevant time he had given description of such customer with regard to his body built, colour,

height and approximate age.

16.27.12. The witness has deposed that on 2nd January, the police officer had visited his shop and asked him to remain present on 6th at Gheekanta Court, Ahmedabad and accordingly, witnesses alongwith his employer Dashrath came to Ahmedabad alongwith the paper given to him about the detail. He remained present in the office of Magistrate in the Court compound and after the Magistrate having ascertained his identity, proceeded to conduct the Test Identification Parade and the witness was able to identify the individual, who has purchased 50 time pieces from his shop. His name was recorded by the Magistrate to be Mohammad Arif Shaikh of Mumbai. The witness has produced the bill book at Exh. 6824 bearing No.22981 which was identified through the carbon copy of the bill containing his handwriting and signature. The witness admitted to identify the accused during the course of his deposition from Video Conferencing however, he has not been able to identify and has deposed that with the passage of more than 10 years and there being significant changes in the body of the accused, he was not able to identify.

16.27.13. The witness is able to identify time piece of Prince make which was sold from his shop which is article 05 of the muddamal list No.3351. Similarly, another time piece being Article 10 of muddamal list No.2078 is also identified to be the time piece sold from his shop.

16.27.14. The witness has been extensively cross-examined and he has admitted that from his shop, many people are purchasing articles in retail and in stock. He has also admitted that from his shop, clocks of various makes are being sold and that the clocks that he identified can be sold by many other shopkeepers. He has admitted that there is no specific mark of his shop on the clock identified by him. However, in para-15 of the

cross-examination, the witness deposes that he has given proper description of the person, who purchased clocks from him and there was no variation in the appearance of that person at the time of Test Identification Parade. The witness has been cross-examined on the issue of any serial number on the clock as it is argued by the defense that the company manufacturing clock would have some unique identification number on its product to which the witness has categorically answered that manufacturing company does not put any serial number and the warranty period starts from the date of stamp applied by the dealer on the warrant card. This witness confirms in para-17 that it is not true that on the date of purchase of the clock, bill was not given to the customer, meaning thereby, the fact of purchase of the clocks from this witness is established. The witness was also questioned as to how he was able to produce such an old bill book before the Court to which he has answered that on account of the requirement by the Sales Tax Department, they have to maintain in their record. The cross-examination with regard to production of bill book as an evidence of purchase has been appropriately answered by the witness and therefore, the factum of sale of the clocks in bulk is positively established by this witness. The questions put in this regard in para-32 further confirms the sale of clocks in bulk.

16.27.15. To question the ability of the witness to identify, one customer out of the several customers that he had attended, a reference was made to the very bill book which referred to the sale of 30 calculators under the bill of 23029, to which the witness has categorically answered that at the relevant time he would have easily identified the customer. Thereby, confirming the ability of this witness to identify his customer and substantiated it by producing the relevant bill

book regarding the sale of the clocks in bulk. One more aspect that comes out on record is that the clock/time piece which was found to be the part of explosive devise, are identified to be the clock from his shop. Over and above, identifying the accused No.31- Mohammad Arif as a person who is a purchaser of the time piece from his shop clearly connects accused No.31-Mohammad Arif with the offense of preparing and planting of the explosive devise.

16.27.16. The Court may thereafter, peruse the evidence of 979-Dashrath Visnubhai Patil vide Exh.6828, who is a employee of PW No.978-Mohammadhanif Abdulkayum Roshan in his shop being Vali Mohammad Roshan and Company. This witness has also deposed that in the month of July from his shop 50 time pieces with alarm were sold which is supported by the relevant bill book of the shop and out of 50, 16 clocks were handed over immediately and 14 pieces were to be handed over on the following day after receiving the money for entire 30 pieces of such clocks and it was assured that if 20 more clocks were available from the distributor, then the same would also be sold to the customer. Accordingly, on the next day, as per the say of his employer, who had gone for offering 'Namaz', at the time when the same customer arrived, 14 clocks out of 30 were handed over and additional 20 were also sold by receiving payment of Rs.2960/-. This witness has deposed that the customer left without taking the bill of additional 20 clocks. In para-4, witness has deposed that he at the time of recording the statement has given the description of the accused person on the basis of his colour, height, age and his body built.

16.27.17. The witness has thereafter deposed about the Test Identification Parade being carried out upon being summoned by the police to remain present before the Executive Magistrate at Ahmedabad

and he had alongwith his employer travelled to Ahmedabad and reached the Court compound and after proper identification of himself participated in the Test Identification Parade and was able to identify the customer, who had purchased 50 clocks from his shop whose name was recorded as Arif Badruddin Shaikh.

16.27.18. With regard to the identification during the deposition, this witness has deposed that with the passage of almost 10 years and there being a change in appearance and body of the accused, he may not be able to identify however, an attempt was made to identify the accused through Video Conferencing, where the accused was lodged in jail. This witness has proceeded to identify the Article No.5 of Exh.3351 to be the Prince Brand Alarm Clock purchased from his shop and immediately Article No.10 of Exh.2078 also to be Prince Brand Alarm Clock sold from his shop. The witness has been cross-examined with regard to his ability to identify to which he has deposed that as the customer had purchased in bulk, therefore he was able to remember the appearance and when question about the other customers who may have purchased in bulk from his shop, witness has deposed that at the relevant time, he would be able to identify such customer. This witness has been also cross-examined about his visit to Crime Branch, Mumbai to which witness has answered that he had occasion to visit Crime Branch, Mumbai and each time he had gone in company of his employer PW No.978-Mohammadhanif Abdulkayum Roshan. It appears that this line of questioning was objected as the argument of the defense is that the witnesses PW No.978-Mohammadhanif Abdulkayum Roshan and PW No.979-Dashrath Visnubhai Patil are got up witnesses with the aid of Crime Branch, Mumbai as the arrest of the present accused was made when he was in custody of Mumbai police in MCOCA case. The Court

is unable to accept such argument when the witnesses have clearly produced sufficient evidence regarding the purchase of the clocks substantiated with the bill book and confirmed by the Test Identification Parade. It was also argued to create doubt on the proceedings of identification that the witnesses took 10 to 15 minutes in the Test Identification Parade to identify accused No.31-Mohammad Arif. It is argued that it is unusual for a genuine witness to take 15 minutes to identify. The Court is unable to accept this argument as well as it is only a case of witness being extra cautious before he conclusively points out a person who was his customer. The Court is therefore, of the opinion that the prosecution has sufficiently established accused No.31-Mohammad Arif has purchased the time pieces in bulk from the shop of PW No.978-Mohammadhanif Abdulkayum Roshan and PW No.979-Dashrath Visnubhai Patil which were found as a part of explosive device.

16.27.19. Learned Additional Advocate General for the State has submitted that accused No.31-Mohammad Arif is also involved in panchnama Exh.5587, which is drawn on 13.12.2008, from 13:00 hours to 14:00 hours. The panchnama is drawn by Crime Branch Police station, Ahmedabad. Panchnama relates to presence of accused No.31-Mohammad Arif at Police station and accused No.31-Mohammad Arif demonstrating connection of timer device in bomb. This was done in presence of panchas as well as F.S.L Officers. For the purpose of demonstration, accused No.31-Mohammad Arif asked for clock, battery, bulb and adaptor as described in the panchnama, which was also provided to accused No.31-Mohammad Arif. On asking by accused No.31-Mohammad Arif, he was also provided with blank paper, pencil etc. for drawing picture of circuit diagram and on the basis of which, the

accused drew a picture of circuit diagram which was kept alongwith panchnama. On the basis of articles provided, he prepared timer device and demonstrated that at a particular time, bulb used for the experiment lighted up. It was explained that in place of bulb, if detonator was connected, it would cause explosion. All the articles used were sent to F.S.L through forwarding letter vide Exh.4645 and the report thereof was received vide Exh.5647. The said report opines that the above articles used by accused No.31-Mohammad Arif during the course of demonstration panchnama, description about it as well as, usability and utility of it and most importantly similarity of articles used by accused No.31-Mohammad Arif with articles used for the purpose of preparing bomb. Panchnama Exh.5587 is proved through panch witness at Exh.6871 together with investigator at Exh.8638. The opinion of FSL vide Exh.5647 is proved through witness Exh.5631 and presence of F.S.L Officers at the time of demonstration, is examined at Exh.5566.

16.27.20. In view of the aforementioned evidence, in the opinion of the Court, relevant circumstance against accused No.30- Mohammad Sadik is him having pointed out shop from where Prince Company clocks were purchased as well as, use of prince Company clock for the purpose of preparation of bomb which have been found during two panchnamas from where live bombs were found, from live bombs Prince Company clock was recovered. The prosecution has examined PW-978/Exh. 6823, owner of a shop namely Wali Mohammad Roshan & Company, situated at Abdul Rehman Street, Bombay Masjid Bandar, who had deposed that he and his family members were in business of clocks since years. He stated that Crime Branch Police Ahmedabad came to his shop and inquired about sale of 50-time piece i.e. alarm clock. He also deposed that there being a bill of sale of 30 clocks, of which 16 clocks were

given to the customer on the day on which customer came and on the other day, 14 pieces of clock were also given as customer wanted to purchase 50 clocks and on the next day, when he came to take remaining 14 clocks, this witness also gave remaining 20 pieces of clock. Therefore, on the first day, 16 pieces were given, on the next day 34 pieces were given and total 50 pieces were given of which there is a bill of 30 pieces of clock and customer took remaining piece without getting the bill from shop. The witness gave the description of the person, who came to his shop as dusky of medium body and height and age also. The said witness also gave xerox copy of the bill and also put his signature. The witness was also interrogated and his statement was recorded.

16.27.21. The Court finds that witness was called for Test Identification Parade at Executive Magistrate's Court Ahmedabad and he identified accused No.31-Mohammad Arif vide Exh.3176, a person to whom 50 clocks were sold.

16.27.22. The Court finds that the witness was also shown copy of Bill No.22981, which bears handwriting and signatures of witness. Witness also brought purchase bill showing purchased of clocks and the said bill was sought to be exhibited and original bill book was sought to be taken back by the witness and xerox copy of bill was exhibited at Exh.6824. The witness clarified about particulars of bill by deposing the name of manufacturers of clock as ‘Samay’ and the product name is ‘Prince’.

16.27.23. It appears that witness is shown article No.5 of Muddamal list Exh.3351 of Session's Case No.365 of 2009 and witness identifies that the article ‘Prince brand clock’ made by Samay Company and he also identifies article No.10 of Muddamal list Exh.2078 of Session's Case No.348 of 2009, which is also a same kind of clock. The above referred clock of article Nos.5 and 10 relate to one of the articles found

from live bomb in the matter of Ramol and Kalol Police Station respectively. This again relates to panchnama Exh. 1839 and Exh.2080.

16.27.24. The Court finds that accused No.31-Mohammad Arif is also involved by PW-979/Exh.6828 Dashratbhai, resident of Mumbai, who working in the shop of witness Exh.6823-Mohd. Hanif Roshan. The said witness has fully supported the case placed by witness Mohd. Hanif Roshan and reiterated about accused No.31-Mohammad Arif having come to his shop and had taken in all 50-piece clocks of Prince brand which were manufactured by Company namely Samay. During the course of Test Identification Parade vide Exh.3176, the witness identifies accused No.31-Mohammad Arif as a person who came to his shop for purchase of clocks. He also identifies both the clocks as identified by witness Mohd. Hanif Roshan Exh.6823. The witness due of lapse of years and change of physical appearance, could not identify accused during course of deposition. The Test Identification Parade vide Exh.3176 is proved through examination of Executive Magistrate at Exh.3159.

16.27.25. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused 31-Mohammad Arif @ Arif Badar @ Ladan S/O Badruddin @ Jumman Shaikh. The Court has therefore, no reason to interfere with the conviction recorded.

with accused No.10; Aamil Parvaz @ Sikandar Kaji Saifuddin Shaikh (Ujjain, M.P.):

16.28.1. Learned Advocate Shri Hriday Buch has made a joint submission for accused No.9- Kamruddin @ Raja @ Abdulla Chandmohammad Nagori and accused No.10- Aamil Parvaz @ Sikandar Kaji Saifuddin Shaikh as according to him the role and evidence in connection of these accused is identical. He has combined his arguments along with the general submissions that he has made. According to learned Advocate the role of these accused was to participate in the camp held at Halol.

16.28.2. In case of accused No.9-Kamruddin @ Raja @ Abdulla Chandmohammad Nagori, he has been convicted for various offences by the trial Court, and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.28.3. It is submitted that the evidence in support to participation in Halol camp is in the form of evidence of three witnesses who can be termed as chance witnesses. The manner in which the prosecution witnesses were identified as eye-witnesses, makes their evidence doubtful.

16.28.4. Learned Advocate for the accused has also argued that as during the deposition these chance eye-witnesses have not identified these accused, their evidence is further weakened. He has also assailed the Test Identification Parade submitting that there are many procedural lapses in conducting the Test Identification. According to him, proper safe guard was not observed in selecting the dummies and maintaining the ratio. Therefore, as the identification also was not established the evidence of eye-witnesses regarding their participation may not be believed.

16.28.5. Learned Advocate has assailed evidence in the form of confessional statement of accused No.2–Imran Ibrahim Shaikh vide Exh.8619. It is assailed on the ground that the confessional statement is not recorded immediately after the arrest of accused No.2, but after almost three months. Moreover, the accused No.2 has retracted it within 12 days of making it. Therefore, it is not safe to rely on the evidence of confession of co-accused either to base the conviction or as the corroborative evidence.

16.28.6. The other set of evidence is SDS test of these accused. According to learned Advocate Exh.5901 is the report of the expert on SDS tests. Such evidence can only be corroborative evidence to the substantive evidence. When there is no substantive evidence, the corroborative evidence cannot stand alone to support conviction.

16.28.7. Learned Advocate has thereafter submitted that prosecution has also not been able to establish membership of the accused of SIMI. There is no documentary evidence or otherwise. Reliance on Exh.9248 is also not sufficient as this document has come on record through accused No.68- Mohammad Habib @ Habib Falahi @ Mohammad Taiyab S/O Abuljais Shaikh, who himself has been acquitted. It is submitted that the accused is convicted for the offence registered and tried by Ernakulam Sessions Court and therefore, the accused cannot be tried again for the same offence, as it would be barred under Section 300 of Cr.P.C.

16.28.8. The additional evidence against this accused according to learned Advocate is the confessional statement of accused No.21-Mahendi Hasan vide Exh.8623. This cannot be relied for the present accused as it is a confessional statement of co-accused. The confessional statement was recorded after a long time after the arrest of accused

No.21-Mehandihasan @ Vikki S/O Abdul Habib Ansari. Moreover, the confessional statement has been retracted. It is also argued that the application to confess dated 07-11-2008 is verbatim to Exh.8621 of another co-accused creating doubt over the genuineness of the confession and indicates Police informer.

16.28.9. It is also submitted that the confessional statement still cannot be relied as the same is exculpatory and does not involve the maker in the crime.

16.28.10. With regard to accused No.9; Kamruddin @ Raja @ Abdulla Chandmohammad Nagori, learned Advocate has submitted that evidence relied for against this accused are three chance witnesses, who were examined for purpose of Camp at Halol. Learned Advocate has submitted that manner in which Investigating Officer has introduced them as witness on the basis of Investigating Officer reaching spot to carry out panchnama and stumbling upon this witness, does not inspire confidence. However, in the opinion of the Court, their presence cannot be questioned as they have stood cross examination. Moreover, their presence at vicinity has been quite natural, as these witnesses were present in the due course of their working like shepherd and regular person plying a vehicle in that area. It is submitted that identification of this accused through this witness is also not reliable, as there is no dock identification. Identification is also questioned on the ground that evidence of Executive Magistrate would indicate that dummy witnesses were brought in great haste and there was no proper safeguard and the steps taken was not as per requirement of Gujarat Police Manual. Other evidence against this accused is confession by accused No.2; Imran Ibrahim Shaikh in addition to what has been submitted earlier. Learned Advocate has submitted that confession has been recorded after period

of three months of application and the same has been retracted 12 days later.

16.28.11. Learned Advocate has drawn attention of this Court to Exh.5901, which is report through PW No.848- Vasantbhai Hathibhai Patel (Exh.5894). It is submitted that it is only an opinion of Expert, which can be used as corroboration. However, in the facts of present case, when there is complete lack of substantive evidence, there is no question of corroboration by Report at Exh.5901. Learned Advocate has submitted that finding given by the Court in the judgment that the participation of this accused was from inception, is not established by any concrete evidence or even from confessional statement. Moreover, there is no evidence to establish any role, which the confessional statement refer to causing serial blasts in Ahmedabad. Confession of the act of causing serial blasts cannot be treated as admissible evidence. It is submitted that only evidence to connect the appellant to the banned terror organization; SIMI is Exh.9248. The prosecution has failed to establish as to how Exh.9248 appeared on the record. Even if this document is taken into consideration, then there is only reference of the name of appellant, but no other mention about his connection. According to learned Advocate, the document has come on record in connection with accused No.68; Mohammad Habib @ Habib Falahi @ Mohammad Taiyab Abuljaish Shaikh and accused No.68 Mohammad Habib @ Habib Falahi @ Mohammad Taiyab Abuljaish Shaikh has been acquitted. Exh.9248 was never put to the accused No.9 during recording of statement under Section 313 of Cr.P.C.

16.28.12. Against these arguments, the State has argued that the prosecution has proved the participation of these accused in the Terror camps organized at Vagmon as well as in the forest of Halol, Pavagadh.

It is submitted that being part of such Terror camp they have became the part of conspiracy. The activities undertaken at both these Terror camps have been duly established by the prosecution.

16.28.13. According to prosecution by a set of evidence which includes eye-witnesses the holding of both the camps have been established. The prosecution has established their participation in these camps by three eye-witnesses to have identified them in the Test Identification Parade and the fact that they are not identified in Court, the witnesses have offered valid explanation.

16.28.14. According to the State, the role attributed to accused No.9-Kamruddin @ Raja @ Abdulla Chandmohammad Nagori and accused No.10- Aamil Parvaz @ Sikandar Kaji Saifuddin Shaikh is to be the part of the conspiracy and in furtherance of the conspiracy have participated in the terror camp organized at Vagamon in Kerala and Halol and Pavagadh-Halol. It is submitted that on the basis of the various circumstances established by the State, including the holding of terror camp at Vagamon and Halol by way of various witnesses who proved the travelling of accused persons to the camp by hiring of Tata Sumo and motorcycle, making arrangement for pitching tents by use of bamboo and on the basis of the point out panchnama executed under Section 27 of the Evidence Act. Moreover, the presence of accused No.9 and accused No.10 is also established by eye-witnesses who have identified these accused persons in the Test Identification Parade and therefore, the State has successfully established the participation of accused No.9 and accused No.10 in the conspiracy, thereby the conviction is justified.

16.28.15. Considering the submissions made by both the sides, as discussed in the preceding paras, the circumstance of holding of the terror camp at Vagamon as well as forest area of Pavagadh in Halol has

been established. The evidence of PW No.1105-Idrish Gulabsha Fakir vide Exh.7923 being the care taker of the Khundpir Dargah has established that the accused persons had stayed at Khundpir Dargah while they participated in various camp activities. The factum of the camp being held at the site is also established by the witnesses whose Tata Sumo was hired for transportation, the material for tent was taken on hire and the point out panchnama under Section 27 of the Evidence Act.

16.28.16. Learned Advocate has thereafter made some additional submission qua Aamil Parvez. Accused No.10-Aamil Parvaz S/O Kaji Saifuddin Shaikh as his case is identical to accused No.9-Kamruddin @ Raja @ Abdulla Chandmohammad Nagori.

16.28.17. The presence of the accused Nos.9 and 10 in the camp at Halol is established by the eye-witness PW No.972-Ramkabhai Devkaranbhai vide Exh.6802, whose evidence has already been discussed in preceding paras and has identified accused Nos.9 and 10 in the test identification parade vide Exh.3061. The test identification panchnama has been exhibited by the Executive Magistrate PW No.571-Ramanbhai Senghabhai Solanki vide Exh.3051. Similarly, another eye-witness whose evidence has been discussed in the preceding paras being PW No.981-Pravinbhai Kantariya vide Exh.6835 is also a witness to the holding of the camp at Pavagadh-Halol and in the test identification, he has identified both accused Nos.9 and 10 in Exh.3061 exhibited through Executive Magistrate PW No.571-Ramanbhai Senghabhai Solanki vide Exh.3051.

16.28.18. The third witness who has identified both accused Nos.9 and 10 to be present in the camp is PW No.1067-Ambalal Bariya vide Exh.7231, who has also in Exh.3061 has identified accused Nos.9 and

The camp was a terror camp could be easily established on the basis of the articles recovered during the scene of offense panchnama. Exh.6480 drawn at the behest of accused No.1-Jahid Shaikh and proved by the evidence of panch witness being PW No.904-Dilipkumar Dalwadi vide Exh.6479. While drawing the panchnama, FSL Officer being PW No.830-Amratlal Vasrambhai Hinglajiya was also present and had given a report vide Exh.5582. The articles recovered from the site consisted of pellets, cap of pipe, bursted balloons which matches with the version of the three eye witnesses and final report of the FSL produced through PW No.849- Gauridatt Dayanidhi Sharma vide Exh. 5908 confirms that the articles recovered from the scene of offense pertain to some kind of terrorist related training being imparted. It would be pertinent to point out that like accused No.1-Jahid Shaikh, other accused post their arrest being accused No.16- Abbas S/O Umar Sameja, accused No.35- Rafiyuddin S/O Sarfuddin Kapadiya, accused No.66-Mohammad Safiq @ Dadabhai @ Thakur @ Rafiq @ Ali S/O Abdulbari Ansari, accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar, accused No.75- Mohammad Rafiq @ Javed @ Alam Jeb Afridi S/O Maskur Ahmed and accused No.78- Tausifkhan @ Atiq S/O Sagir Ahmedkhan Pathan have made disclosure pursuant to which panchnana under Section 27 has been executed at different point of time, but this accused persons have led the Investigating Officer to the very same place indicating that though the accused persons were arrested at different point of time and panchnama was executed at different point of time, they confirmed the same place which was a site for holding Halol

terror camp.

16.28.19. Another important evidence which implicates accused Nos.9 and 10 in the offense of having participated in the terror camp at Halol is the confessional statement of accused No.2-Imran Ibrahim Shaikh. This confessional statement gives out the detail of the activities which were conducted while all the accused persons were together in Halol camp. Under the chapter of confessional statement, the Court has already appreciated the evidence of the confessional statement of accused No.2-Imran Ibrahim Shaikh. Therefore, suffice it to say that even as per the confessional statement of accused No.2-Imran Ibrahim Shaikh, accused Nos.9 and 10 both were present in the camp. In the confessional statement, the activities which had taken place in the camp have also been confessed. The terror training camp activity involved inflammatory speech, inciting revenge for 2002 riots, resorting to Jihad and activities like making of bomb. From the evidence, it is also established that accused persons from different parts of the State and country had gathered for the training at Halol camp. The holding of the camp at Halol being a continuation of the conspiracy in the line of camp held at Vagamon.

16.28.20. Another evidence is that of accused No.21-Mahendi Hasan Abdul Habib whose statement under Section 164 of Cr.P.C. has been recorded and the evidence in the nature of confessional statement has already been discussed in detail in the chapter of confessional statement. In the confessional statement, the contents would reveal the manner in which they reached Khundpir Dargah in Halol. He also mentioned about the other accused who were participants in the camp which included accused No.10. With regard to the activities being conducted in the camp, it is narrated in the confessional statement that the participants

were incited for Jihad to take revenge and a specific attribution to one accused Taukir, who is an absconder reportedly now arrested, who had given lectures to inspire Islamic rule and resorting to mass killing. Training for preparing bomb was also imparted. The confessional statement of accused No.35-Rafiuddin Kapadia which has been discarded by the Sessions Court in view of the fact that the confessional statement was recorded on oath. This document exhibited vide Exh.8631 also refers to the participation of accused Nos.9 and 10 alongwith other accused persons. The evidence is only in addition to the evidence of confessional statement of accused No.2-Imran Ibrahim Shaikh and accused No.21.

16.28.21. The Court may briefly refer to an application Exh.8278 filed by the prosecution invoking Sections 80 and 114 of the Evidence Act to exhibit the confessional statement recorded by the Magistrate, wherein the trial Court has passed separate order giving exhibit to the confessional statement. In the opinion of the Court, the aforesaid sets of evidence are sufficient to establish participation of accused Nos.9 and 10 in conspiracy which led to the present offense of serial blast.

16.28.22. In connection with accused No.9, the Court may also refer to the SDS test (Suspect Detection Test). The report of the test is exhibited vide Exh.5901 and was proved by PW No.848-Vasant Patel vide Exh.5894 of Forensic Science Laboratory. The opinion expressed in the report connects accused No.9 with SIMI and other organizations. The SDS report would indicate that accused No.9 had given reaction to points of SIMI and being involved in SIMI activities, involved with activities of HUJI and bomb site in future to be in Delhi to which he had given very high reaction, receiving of fund for bomb explosion from Lashkar-e-Taiba and SIMI and the blast being carried out in Mumbai

train and Samjota Express train. According to the expert, the reaction given by accused No.9 to the aforesaid point is indicative of his involvement in the aforesaid activities. Of course, the opinion of the expert is to be used only for the corroboration. The Court having found that there is sufficient evidence against accused No.9 in participation of the Halol terror camp, the evidence of the expert opinion is corroborative to the aforesaid facts. The argument that there is no substantive evidence which could be supported by corroborative evidences required to be rejected. With regard to the connection of accused No.9 with SIMI, the Court may refer to Exh.9248. The set of documents which are placed on record pertaining to the SIMI activity, wherein on page-21 of the aforesaid document, a report of Government authority which is a procedure undertaken for banning a terror organizations like SIMI and such report consisted of the name of accused No.9 associated with the SIMI activity which was banned for its secessionist movement.

16.28.23. The defense has questioned the manner in which these documents have come on record stating that exhibiting of these documents has not been done after following a procedure required and it is only from the custody of the accused at a later stage of trial that the documents have been produced and therefore, cannot be taken into consideration. In this regard, the Court may therefore refer to an order passed by the Sessions Court during the course of trial below Exh.9176. Exh.9176 is an application to exhibit the list of documents submitted with the list on behalf of accused No.38, 40 and 68. Amongst the list i.e. produced at item No.9 is a certified copy of the document titled connection of SIMI which were the documents given as a part of charge-sheet to accused No.68. A prayer was made in application Exh.9176 to

exhibit these documents by taking the same on record and therefore, it is in this fashion the document has been exhibited by assigning a reasoned order dated 09.09.2020 and therefore, the document is the part and parcel of the evidence before the Court. Therefore, considering the documentary evidence regarding his name appearing in connection with SIMI and the report of the expert of SDS test is sufficient for the Court to believe the connection of accused No.9 with SIMI. In turn, the role of SIMI is also evident in the organization of the terror camp. The Court may thereafter, refer to the camp at Vagamon, wherein accused No.9 has been convicted by the Ernakulam Court for the participation of accused No.9 in the Vagamon camp. The effect of such conviction has already been dealt with by the Court in a separate chapter dealing with the issue of applicability of Section 300 of Cr.P.C. and issue estoppel. Accordingly, the Court is of the view that the evidence before this Court in the form of confession by accused No.76-Imam Manjar is sufficient to establish the circumstance of participation of accused No.9 in Vagamon coupled with the conviction by the Sessions Court at Ernakulam.

16.28.24. Therefore, the prosecution has led sufficient evidence to convict the accused No.9- Kamruddin @ Raja @ Abdulla Chandmohammad Nagori for the charges. Accordingly, the conviction of accused No.9- Kamruddin @ Raja @ Abdulla Chandmohammad Nagori for the offence is confirmed.

by the trial Court and has been sentenced to imprisonment for life in Sessions Case No.38/2009 and others.

16.29.2. Learned Senior Advocate Shri Asim Pandya commenced his hearing for accused No.46-Mohammad Naushad @ Mohammad Irshad Saiyed. In present offence, he is arrested on 05-01-2009.

16.29.3. At the outset, learned Senior Advocate took this Court to the past by submitting that the appellant-Mohammad Naushad is also an accused in a trial conducted by Sessions Court, Mangaluru in Sessions Case No.60 of 2009, wherein accused No.1-Jahid @ Javed Kutubuddin Shaikh with other 12 accused was convicted by judgment and order dated 10-04-2017 and was sentenced for life imprisonment.

16.29.4. The judgment in Sessions Case No.60 of 2009 was challenged in Appeal being Criminal Appeal No.1206 of 2017 with Criminal Appeal No.820 of 2017, which came to be partly allowed by judgment and order dated 14-11-2022.

16.29.5. The Sessions Court convicted him for various offences of UAPA, Explosive Act, IPC and Arms Act and was sentenced to rigorous imprisonment under various punishing sections, the maximum being rigorous imprisonment for life. The High Court in Appeal though set aside the conviction for offences under UAPA, Arms Act and IPC, but upheld the conviction of the appellant-Mohammad Naushad for offences under Section 5(a) of the Explosive Substances Act and was sentenced to 10 years of rigorous imprisonment.

16.29.6. Learned Senior Advocate has therefore argued that the allegations against the appellant-Mohammad Naushad in the present case are very much the same as he faced in the Mangaluru trial. He faced the same section of UAPA, Explosive Act, IPC and Arms Act and the allegations being identical like holding of explosive material, waging

war against the Nation, being member of a banned group SIMI. All these allegations being tried, the appellant-Mohammad Naushad may not be called upon to face the same accusation again, and invoked Section 300 of the Code of Criminal Procedure as well as Article 20(2) of the Constitution of India.

16.29.7. The Court is of the opinion that before adverting to the facts regarding this appellant-Mohammad Naushad, it would be appropriate to examine this issue. For this, the Court has taken into consideration the judgment rendered, both by the Mangaluru Sessions Court and Karnataka High Court, which the learned Senior advocate has made available for the Court's perusal. The fact that the prosecution was launched against all the accused on the ground that all the accused being members of SIMI or I.M. had conspired at various places in Karnataka, collected jihadi material using book, pamphlets, C.D., DVD etc. and possessed illegal explosive and explosive substances in a house Haleyangadi in Mangaluru Taluka and planned to cause bomb-blast in various places throughout India including Ahmedabad and Gujarat. The Sessions Court did convict the appellant-Mohammad Naushad for all the offences charged with however, the High Court interfered to uphold the conviction for possession of the explosive substance and therefore, the case against the appellant-Mohammad Naushad to be in possession of the explosive substance was clearly established.

16.29.8. The argument invoking Section 300 of the Code of Criminal Procedure and Article 20(2) of the Constitution of India needs to be outright rejected as the conviction in Mangaluru case was for a complete different facts alleged than the incidents of bomb explosion in Ahmedabad and planting in Surat. Merely because, the allegations in Mangaluru case, touches upon a conspiracy hatched there referred to one

of the objects to cause bomb blast in Ahmedabad and Gujarat does not bring about the commonality of charges between the two different and completely unrelated incidents by facts as well as by timings.

16.29.9. The Court is of the opinion that the investigation in present case is completely on different set of facts and also different set of witnesses to prove the charge and the role. Therefore, the acquittal by the Karnataka High Court for offences under UAPA or other provisions will have no bearing on present proceedings.

16.29.10. Learned senior advocate has thereafter, submitted that arrest of the appellant-Mohammad Naushad itself is questionable as according to learned senior advocate when appellant-Mohammad Naushad was arrested, there was no credible information or evidence with the Investigating Officer connecting the appellant-Mohammad Naushad with the present offence and only because he was arrested in Mangaluru case, he has been arraigned as accused in this case.

16.29.11. The Court finds that on this issue, it would be pertinent to consider the evidence of the Investigating Officer who has affected the arrest, the Investigating Officer has deposed about the reasons for affecting the arrest however, in the cross-examination of the Investigating Officer, no question on behalf of the appellant-Mohammad Naushad is put to the Investigating Officer regarding there being no credible information for supporting arrest.

16.29.12. Thereafter, learned senior advocate has submitted that there is absolutely no role attributed to the appellant-Mohammad Naushad as no specific act is mentioned either in conspiracy, or collecting of material for bomb or planting of bomb. Therefore, chain of circumstances is not complete for the appellant-Mohammad Naushad.

16.29.13. Learned senior advocate has thereafter, assailed the nature of

evidence against the appellant-Mohammad Naushad, it is submitted that the evidence of point out panchnama at Exh.8529 cannot be treated as a panchnama which can be considered as relevant evidence under Section 27 and/or under Section 8 of the Evidence Act.

16.29.14. It is submitted that the panchnama at Exh.8529 was executed at the behest of two accused i.e. the present appellant-Mohammad Naushad and accused No.47-Ahmedbava @ Abbu Abubkar Barelvi. They were taken in same jeep at a same time. Therefore, the execution of this panchnama is unknown to the procedure of investigation.

16.29.15. This panchnama is also not good evidence as the panchnama has not lead to discovery of any material connecting the offence. Moreover, prior to panchnama at Exh.8529 already through a co-accused, the panchnama Exh.2757 is executed on 28.08.2008.

16.29.16. By the panchnama, the prosecution has tried to connect the appellant-Mohammad Naushad with the house being house No.D/34, River view Society, from where bomb explosion materials were found.

16.29.17. The only fact established by the panchnama is about his pointing out a particular house otherwise, there is no evidence about him staying in the house with other accused. Hence, according to learned senior advocate, the prosecution has not established anything on the basis of this evidence. The Court has dealt with the issue regarding admissibility and relevance of the panchnama in a separate sub-chapter titled “Panchnama under Section 27 of Indian Evidence Act” under the Chapter “Issues”.

16.29.18. Another set of evidence is pertaining to stay of the appellant-Mohammad Naushad in Abhilash Guest House in Kunnur in a fake name. It is submitted even if this fact is accepted to be proved, still there is no connection of Kunnur stay with the offence. There is no conspiracy

alleged in Kunnur, or any part of any offence committed there. There is no connection of Kunnur with Vagamon where alleged conspiracy took place and that the appellant-Mohammad Naushad is not even accused in the trial at Ernakulam. The fact of his presence in the area where the terror camp was organized, is an important circumstance.

16.29.19. Another evidence is pertaining to travel from Puna to Surat. According to prosecution, the appellant-Mohammad Naushad travelled on 25.07.2008 from Pune to Surat, which is nearby date to incident of blast. The panchnama at Exh.8532 is pointing out the Satnam Travels from where the ticket was purchased for travel. This panchnama is not exhibited by examining the independent panch witness and hence, the fact of travel from Puna to Surat is not established.

16.29.20. Learned senior advocate has therefore, argued that all the evidences and circumstances put together do not prove the case of prosecution against the appellant-Mohammad Naushad. There is no evidence that the appellant-Mohammad Naushad is involved in meeting with co-accused for conspiracy or procuring of any articles for making the bombs or also for spreading any hatred or jihadi material to wage war against the State. It is argued that it was the duty of the prosecution to get the best evidence. The fact that the prosecution has not put any evidence in the form of electronic or document to establish the offence and adverse inference be drawn that the prosecution had no credible evidence and therefore, put up this case based on inadmissible evidence.

16.29.21. Learned Senior Advocate has once again reiterated his submission regarding the trial at Mangaluru and the offence alleged in the present case ought to have been tried alongwith trial at Mangaluru. For this, learned senior advocate has referred to Section 221 of the Code of Criminal Procedure and submitted that when the trial/investigation of

Mangaluru case was in progress, the present offence was also registered and therefore, as the investigators of both offences were aware of the ongoing procedure in Mangaluru case, the investigators ought to have clubbed the investigation so that the appellant- Mohammad Naushad would have faced a single trial as the same is provided in Section 221 as well as Section 300 of the Code of Criminal Procedure.

16.29.22. The Court is of the opinion that in preceding paras, the argument has already been dealt with in connection with Section 300 of Code of Criminal Procedure and Article 20(2) of the Constitution of India. Similarly, the argument invoking Section 221 is also not accepted, as the said trial can be invoked only when the offence is arising out of a single act or series of acts of such nature. The nature of offence and the facts which can be proved would constitute a single offence and in that case, accused may be charged with having committed all or any of such offences. Here in the facts of the present case, as is observed by this Court in the preceding paras, the prosecution in Mangaluru case was launched on a complete different set of facts and different set of evidence and witnesses, whereas the present offence of conspiracy has its root in terror camp organized at Vagamon and later on various other meetings constituted conspiring, where the act amounting to offence which was tried by Mangaluru was not in question. Only because the nature of offences are identical does not mean that both the incidents investigated and tried at Mangaluru and the incidents which were investigated and tried in Ahmedabad and Surat blast are tried as one incident or series of the same incidents.

16.29.23. With regard to the point out panchnama vide Exh.8529, learned senior advocate has reiterated that no value can be attached to such panchnama as it is a ready-made panchnama. The panch witness'

evidence cannot be treated as credible evidence because the timings mentioned by the witness in his deposition does not match with the timing mentioned in the panchnama.

16.29.24. The Court finds that with regard to the timing, questions that were posed to the witness, there is no specific mention with regard to which of the panchnama the question is posed as the witness was also a panch witness in the panchnama being Exh.2814. Moreover, the questions that were posed were not with regard to the timing of the panchnama, but with regard to which session of the day that he was summoned for witnessing the panchnama, the Court has perused the evidence of this witness as PW No.458-Dipak Ramchandra Mali, who was examined vide Exh.2814. This witness has in his deposition given detailed content of the panchnama. and both, Exh.2814 and Exh. 8529 have also been extensively cross-examined. The Court may observe that earlier also when the witness was examined, inadvertently, panchnama Exh.8529, was not mentioned for which vide an order passed below Exh.8518, witness was recalled to prove panchnama Exh.8529. On both the occasions, the witness has been extensively cross-examined, but the Court does not find anything objectionable to disregard the evidence of this witness, especially on the basis of timing of execution of panchnama.

16.29.25. Learned senior advocate has thereafter, reiterated his arguments with regard to the panchnama vide Exh.8532, which is executed at the behest of appellant- Mohammad Naushad to point out the place, from where he had travelled from Pune to Surat and recovery of handwriting.

16.29.26. The Court may consider the submissions made by learned Additional Advocate General for the State that House No.D-34, River

view assumed importance as accused No.63-Mohammad Tanvir led police to this house and when this house was searched through panchnama at Exh.2757 on 28.08.2008, relevant articles/objects were found including plastic barrels-Can smelled like petrol amongst other articles as mentioned in the panchnama. Upon examination, it was opined that there was presence of highly explosives.

16.29.27. It is submitted that other relevant aspect of House No.D-34 is that the owner of this house namely Liyakatali was examined at Exh.8078 and during the course of Test Identification Parade, he had identified accused No.44-Mohammad Akbar Chaudhari through Test Identification Parade at Exh.3090 and Executive Magistrate being PW No.576-Kirtanbhai Chaturbhai Patel vide Exh.3076. The case of the prosecution is that accused No.44-Mohammad Akbar Chaudhari has taken this house on rent from witness. It is submitted that accused No.43-Anik Saiyed and accused No.44-Mohammad Akbar Chaudhari are also connected with House No.D-34, River View society, the submissions with respect to this house have also been made in the submissions of accused No.43-Anik Saiyed and accused No.44-Mohammad Akbar Chaudhari. It is submitted that accused No.43-Anik Saiyed, accused No.44-Mohammad Akbar Chaudhari and accused No.45-Fazle Rehmaan have also been implicated by the prosecution on the ground that they stayed at Sherpura House and were spotted with Silver Coloured Wagon R and Black Coloured Wagon R. As per the case of prosecution, the case reflects different sequels of conspiracy starting from Vagamon Camp and even prior thereto, and continuing thereafter. In that regard, both House No.D-34, River View house and the Sherpura House of witness Gulam constitute and important link in the chain of conspiracy. It is submitted that accused No.46-Mohammad Naushad as

well as accused No.47-Ahmed Bava were brought from Mangalore Jail and were arrested on 05.01.2009.

16.29.28. It is submitted that accused No.32-Asif Shaikh was connected with House namely Ashoka Muse, situated at Pune and submissions with respect to this house have already made in submissions of accused No.32-Asif Shaikh. It is further submitted that accused No.45-Fazle Rehmaan, who is from Maharashtra, is also connected with house of Ashoka Muse. It is submitted that accused No.32-Asif Shaikh is from Pune, Maharashtra, whereas accused No.46-Mohammad Naushad is from Karnataka. Hence, considering the travel details of Satnam Travel, Pune, travel of accused No.46-Mohammad Naushad with accused No.32-Asif Shaikh from Pune to Surat gets support from each other and are also consistent with each other.

16.29.29. The Court has perused the panchnama Exh.8531 drawn at Abhilash Tourist Home, Station Road, Kunnur City (Kerala) on 14.01.2009. During the said panchnama, owner of Hotel Abdula Haji Yusuf was present when pages of room register were seized including relevant entry. It is submitted that entry of room No.201 is relevant, which shows the name of S. Ismail, who is resident of Mangalore. The said entry is in the handwriting of accused No.46-Mohammad Naushad and bore signature of occupant as S. Ismail, recorded in Room Register, which was made by accused No.46-Mohammad Naushad. This Register was seized. As panch witnesses were not found and explained about it in the dropping Pursis. This panchnama stands proved through Investigating Officer being PW No.1155-Narayansih Bhavansinh Parmar vide Exh.8517.

16.29.30. It appears that above-referred disputed room register of Abhilash Tourist Home, Kerala was sent for Forensic examination. The

FSL Officer had taken specimen of accused No.46-Mohammad Naushad at Exh.7981 as well as natural handwriting of accused No.46-Mohammad Naushad at Exh.7983. The disputed room register at Exh.7980 as well as specimen at Exh.7981 and natural handwriting of accused No.46-Mohammad Naushad were sent through forwarding letter at Exh.7979 to handwriting expert and upon receipt of opinion of handwriting expert at Exh.7984, it is proved that disputed handwriting and signature in Room Register of Abhilash Tourist Home were found to be of accused No.46-Mohammad Naushad. The handwriting expert's opinion is proved by handwriting expert being PW No.1113-Maheshkumar Manubhai Vadgama vide Exh.7970. This would further establish that accused No.46-Mohammad Naushad though from Karnataka had stayed at Kerala in a fake name from 14.07.2008 to 16.07.2008, which is proximate period to the occurrence of bomb-blast dated 26.07.2008. This would also assume importance as many conspirators belong to State of Kerala. The above evidentiary material is also supported by evidence of investigating officer as PW No.1155-Narayansih Bhavansinh Parmar vide Exh.8517.

16.29.31. The Court has perused the panchnama at Exh.8530 drawn on 10.01.2009. The first part of panchnama was drawn at Bird Garden Police Station, Pune City, Maharashtra. During the said panchnama, panchas, police personnel as well as accused No.46-Mohammad Naushad were present. Accused No.46-Mohammad Naushad agreed to make voluntary disclosure and to point out traveller's office, etc. and pursuant to it, second part of panchnama was drawn. During the course of second part of panchnama, accused No.46-Mohammad Naushad led all to a place Traveler's office namely Satnam Travels through Sasun Hospital, Pune Railway Station, Ruby Hall, etc. area. accused No.46-

Mohammad Naushad also made disclosure that that he and accused No.32-Asif Shaikh got tickets from there and boarded luxury bus and went to Surat. Person of Satnam Travels named Vijaykumar Bajirao was interrogated about travel details of these two persons i.e. accused No.46-Mohammad Naushad and accused No.32-Asif Shaikh dated 23.07.2008, to which he has stated that he would give his deposition later. Accused No.46-Mohammad Naushad also pointed out a place opposite to Satnam Travel's office, from where he boarded luxury bus at night on 23.07.2008, which was near to Kalyani Medical Store and Rockline Bar and Restaurant. This panchnama stands proved through investigating officer; PW No.1155-Narayansinh Bhavansinh Parmar vide Exh.8517. Therefore, the circumstance of travel of the accused from his native to the cities where the blasts were planned and that too, in proximate period to the incident is proved. This circumstance will have to be seen with the other set of evidence to establish the participation of the accused in the conspiracy.

16.29.32. The Court has also perused the panchnama Exh.8529 drawn on 07.01.2009. The first part of Panchnama was drawn at DCB Police Station, Surat, where accused No.46-Mohammad Naushad as well as accused No.47-Ahmed Bava were present and they disclosed about relevant fact relating to the incident, which they would like to divulge. Pursuant to it, second part of the panchnama was drawn. During the course of drawing of this Panchnama, accused No.46-Mohammad Naushad led police and panchas to a house, identified as D-34, River View Society (hideout) through Saiyadpura Pumping Station, Variyali Bajar, Dhastipura, Khadipul. On pointing out this place, accused No.46-Mohammad Naushad disclosed that he, Riyaz, accused No.43-Anik Saiyed, accused No.44-Mohammad Akbar Chaudhari Akbar and accused

No.45-Fazle Rehmaan stayed at this place before 26.07.2008.

16.29.33. The Court finds that this panchnama Exh.8529 was proved through panch witness being PW No.458-Dipak Ramchandra Mali vide Exh.2813, who in paragraph 4 of his deposition deposed that after he was recalled on application made at Exh.8518, he being one of the panchas to a panchnama as narrated hereinabove i.e. Exh.8529. This panch witness has fully supported the panchnama. This witness was cross-examined by defence and in paragraph-15, he has deposed that accused No.46-Mohammad Naushad and accused No.47-Ahmed Bava had taken House No. D-34 on rent prior to 5 to 6 months. This panchnama stands further proved and supported by evidence of investigating officer being PW No.1155-Narayansih Bhavansinh Parmar vide Exh.8517. This panchnama therefore, draws connection of the accused with the hideout.

16.29.34. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.46-Mohammad Naushad @ Mohammad Irshad Saiyed. The prosecution has been able to establish the role of the accused in the conspiracy by establishing the circumstances of his connect with the hideout and his presence there in the proximate time of the incident as discussed above. The Court has therefore, no reason to interfere with the conviction recorded.

16.30.1. In case of accused No.47-Ahmed Bava @ Abu S/O Abubakr Barelvi, he has been convicted for various offences by the trial Court, and has been awarded death penalty in Sessions Case No.38/2009 and others. The role attributed to this accused is to be the part of conspiracy and the evidence of the prosecution is of his connection with the hideouts, both at Surat and Ahmedabad.

16.30.2. Learned advocate Shri Dr. Yug Mohit Chaudhry appearing for accused No.47-Ahmed Bava @ Abu Abubakr Barelvi submitted that the accused was arrested on 05.01.2009 by way of transfer warrant from Mangalore and he has been in police custody in each of the offences till 15.06.2009. It is submitted that the accused, in fact, is in custody from 03.10.2008 when he was arrested in Mangalore in connection with another offence registered at Panambur Sub Division Police Station, Mangalore. According to the learned advocate, the only evidence against accused No.47-Ahmed Bava is the so-called discovery panchnamas, which led to pointing out of two houses, (i) House No.10, Al-mahamadi Society, Ahmedabad and (ii) House No. D/34, River View Society, Surat. According to the learned advocate, these two evidences are not even sufficient to frame a charge against accused No.47-Ahmed Bava, yet, sentence with serious consequences has been inflicted.

16.30.3. Learned advocate has directly taken this Court to the panchnama Exhibit-7950 and submitted that though the panchnama was written in Gujarati, the accused had no knowledge of Gujarati language. Moreover, in the very document, there is no mention that the writing of panchnama was at the behest of accused No.47-Ahmed Bava and that he had made the narration in Hindi and the same was reduced in Gujarati. There is no mention in this document that accused No.47-Ahmed Bava was given to understand about the contents of the document in Hindi

language. Therefore, the pointing out panchnama Exhibit-7950 appears to have been done in a mechanical manner and therefore, cannot be treated as an evidence.

16.30.4. Learned advocate also submitted that this panchnama cannot be treated to be panchnama under section 27 of Cr.P.C. at all as the requirement to attract section 27 is the discovery of a new fact connected with the offence. Such discovery necessarily must be beyond the knowledge of the Investigating Officer. However, the very house, namely, House No.10, Al-mohamadi Society, even before accused No.47-Ahmed Bava had pointed it out to the Investigating Officer, nine other accused over the period between 19.09.2008 to 16.01.2009, had disclosed details with regard to the very house to the Investigating Officer. Therefore, the Investigating Officer was very much aware of the existence of this house and its connection with the offence. It is further submitted that even after the present Panchnama Exhibit-7950, later on also, panchnamas of similar nature have been executed at the behest of three other accused.

16.30.5. It is argued that even if the disclosure is made voluntarily by accused No.47-Ahmed Bava on the basis of which Exhibit-7950 is executed, still, it does not fulfil the requirements of section 27 of Cr.P.C. as there is no recovery of any material object connecting the disclosure made by accused No.47-Ahmed Bava. It is submitted that neither the panch witness nor the Investigating Officer have identified accused No.47-Ahmed Bava during the course of their deposition.

16.30.6. The other set of evidence is panchnama Exhibit-8529 where accused No.46–Mohammad Naushad @ Mohammad Irshad Saiyed and accused No.47-Ahmed Bava had jointly pointed out House No.D-34, River View Society. The first challenge to such document, according to

the learned advocate, is the joint execution of panchnama though different exhibit numbers are given but the narration in the panchnama itself would indicate upto a point that both the accused were taken jointly and from thereon to the house identified they were taken separately, which is an artificial difference, which cannot be accepted. Here also, neither the panch witness nor the Investigating Officer have identified. Learned advocate submitted that prior to the voluntary disclosure of this house as the place of conspiracy and preparation of bombs, on two occasions, through accused No.63 – Mohammad Tanvir @ Talha Mohammad Akhtar Pathan and accused No.43 – Anik @ Khalid Shafik Saiyed and accused No.44 – Mohammad Akbar @ Said @ Yakub @ Vinod Ismail Chaudhari, the panchnamas were drawn at Exhibits-2757 and 7946 respectively. Therefore also, there is no new disclosure to the Investigating Officer.

16.30.7. Learned advocate has, thereafter, submitted about procedural discrepancies by submitting that panchnama Exhibit-8529 was drawn on 07.01.2009 where PW-458 Dipak Ramchandra Mali was the panch witness and was examined at Exhibit-2813. However, during his examination in chief on 28.04.2015, this witness has not referred to Exhibit-8529. It is only after an application was given for recalling him on 29.09.2019 that the evidence in connection with Exhibit-8529 was led through this witness. Learned advocate has submitted that even if Exhibit-8529 is to be believed as voluntary disclosure, there is no seizure of any material object, which would link the disclosure statement to the crime.

16.30.8. It is submitted that the landlord of the house has been examined at Exhibit-8087; however, he does not identify accused No.47-Ahmed Bava to be one of the occupiers of the house and therefore, there

is no substantive evidence to directly link accused No.47-Ahmed Bava with both the houses.

16.30.9. Lastly, it is submitted that the Court needs to consider that the pointing out panchnama of accused No.47-Ahmed Bava of house No.D-34, River View Society was jointly executed with accused No.46-Mohammad Naushad @ Mohammad Irshad Saiyed, who has been awarded life sentence. Simillar treatment is required to be given to accused No.47-Ahmed Bava. Learned advocate has referred to the decision in case of Prakash Nishad reported in 2023 (16) SCC 357 that in case where the recording of disclosure by the accused is not made in the language understood by the accused, then the correctness of such statement is doubtful.

16.30.10. Learned Additional Advocate General for the State has submitted that both the accused i.e. accused No.46-Mohammad Saiyed and accused No.47-Ahmed Bava are from state of Karnataka and both were apprehended through transfer warrant from Mangalore jail as both were in judicial custody with respect to trial, pending before concerned Court Dakshina Kannada, Mangaluru in Sessions Case No.60 of 2009, wherein accused No.46-Mohammad Saiyed and accused No.47-Ahmed Bava were convicted for the offence punishable under Sections 16 (1) (b), 17, 18 of Unlawful Activities (Prevention) Act, Explosive Act, 1884, Indian Penal Code and Arms Act. It is submitted that accused No.46-Mohammad Saiyed and accused No.47-Ahmed Bava had preferred Criminal Appeal before the High Court of Karnataka at Bengaluru, which came to be decided on 14.11.2022, whereby, High Court of Karnataka had convicted accused No.46-Mohammad Saiyed and accused No.47-Ahmed Bava for 10 years for offence under Section 5 (a) of the Explosive Substance Act 1908. Judgment delivered by High Court

of Karnataka is also placed on record by accused persons. It is submitted that the judgment is required to be seen in the context of provisions of Evidence Act as well as scheme of Cr.P.C, which had been elaborated earlier for accused persons who are convicted by Kerala Court. Further, accused No.47-Ahmed Bava has also pointed out house D 34 River View Society as accused No.46-Mohammad Naushad @ Mohammad Irshad Saiyed.

16.30.11. It is submitted that evidentiary material against accused No.47-Ahmed Bava is same as accused No.46-Mohammad Saiyed. It is submitted that accused No.43-Anik Saiyed and accused No.44-Mohammad Akbar Chaudhari are from Puna, Maharashtra. accused No.44-Mohammad Akbar Chaudhari is also identified by Liyakat Ali, owner of House No.D-34 River View in Test Identification Parade at Exh.3090. accused No.43-Anik Saiyed and accused No.44-Mohammad Akbar Chaudhari as well as accused No.45-Fazle Rehmaan who are from Maharashtra are also connected with Sherpura house, as well as silver coloured Wagon R and black coloured Wagon R. In view thereof, accused No.47-Ahmed Bava, who is from Karnataka has strong connection with accused No.43-Anik Saiyed and accused No.44-Mohammad Akbar Chaudhari as they also disclosed and pointed out house no. D 34 River View Society, Surat. accused No.43-Anik Saiyed and accused No.44-Mohammad Akbar Chaudhari are also connected with Sherpura house so also with silver coloured Wagon R and black coloured Wagon R and this circumstance equally applies to accused No.45-Fazle Rehmaan.

16.30.12. The Court has considered the rival submissions of the parties. In the opinion of the Court, the Court having perused the panchnama Exh.7950 dated 17.02.2009 drawn between 15:15 hours to 16:40 hours

by Crime Branch Police Station, Ahmedabad City. The first part of the panchnama was drawn at Crime Branch Police Station in the presence of accused No.47-Ahmed Bava, where he disclosed about what had happened during conspiratorial period and during the said panchnama two police personnel and panchas were present. The second part of the panchnama was drawn, where he led all from Gaikwad Haveli Compound to Jamalpur cross roads passing Sabarmati River, Sardar bridge, Paldi cross roads, Paldi AMTS bus stand and stopped the vehicle near parking of Paldi AMTS bus stand. accused No.47-Ahmed Bava has disclosed that on 14.07.2008, at the said place, he and Yasin came from Puna in luxury bus and arrived in the noon and stayed there for around 3 to 4 hours. When they deboarded the bus, one person was present to receive them, who accused No.47-Ahmed Bava and Yasin in a rickshaw to one house.

16.30.13. Thereafter, accused No.47-Ahmed Bava led Police panchas and others through Paldi cross roads, Sabarmati River, Sardar bridge, Jamalpur cross roads, Chandola, Goodluck Barrel market and ultimately, he pointed out house of Al- Mohammadi Society and disclosed that on 14.07.2008 from Paldi bus stand, they came to this house and stayed for two three days in Al-Mohammadi house. Further, on the same day, other persons (two to three) also came there. accused No.47-Ahmed Bava also disclosed that person, who came to receive them at Paldi bus stand was person known as Rizwan, whom he later known as Kayamuddin Kapadia (accused No.37) and the house of AL-Mohammadi society as pointed out by accused No.37-Kayamuddin Kapadiya, is house No.10. This panchnama Exh.7950 stands proved through panch witness as PW No.1111-Satish Vamanrao Pavnikar at Exh.7949 and Investigating Officer being PW No. 1163-Mayur Jagmalbhai Chavda at Exh.8638.

16.30.14. The Court finds that there is relevance of House No.10, Al-Mohammadi house as when this house was pointed out by accused No.1- Jahid Shaikh on 19.09.2008 vide panchnama Exh.6656, different articles were seized including broken CD (computer disc) bearing chance print. Upon examination by FSL officer, it was opined by finger print expert at Exh.6727 that the same was of accused No.38-Mohammad Saif Sheikh. It is also pertinent to state here that over and above the broken CD, few other articles like article Mark J1, J2 and K were also found containing Nitrate and Nitrate radicals so also utensils which were found to be purchased by accused No.8-Yunus Mansuri. It is also pertinent to note that accused No.37-Kayamuddin Kapadiya also has also pointed out 10 Al-Mohammadi Society house. The court is not inclined to believe this argument that since the investigating officer knew about this house due to previous panchnama through previously arrested accused therefore the fact of pointing out of this hide out can not be treated as a circumstance against the accused, these arguments have been consistently made by the defence. However if such an argument is to be accepted then it is the repsonsibility of the defence to put necessary questions to the panch witnesses as well as the I.O. In the Cross examination of the panch it is not coming out at all that the I.O. virtually coaxed or forced the accused in to voluntary disclosure of the hide out or that the I.O himself imported his personal knowledge of the Hide out and managed to make the entry in the panchnama by putting words in the mouth of the accused or the panch witness. In absence of even any question on this line merely putting a question to the I.O. about his knowledge of the hide out due to previous panchnama will not automatically lead the court to presume that the panchnama was created by the I.O. without really executing it. More over the hide out being a

common place pointed out by various accused at different point of time when they were respectively arrested only strengthens the case of the prosecution about the pointed out place being used as a hide out. Even in the cross examination of the panchwitness there is no line of questioning about the panchnama being creation of the I.O. (see sub-chapter "Panchnamas under Section 27 of Indian Evidence Act")

16.30.15. The Court finds that House No.D-34, River view constitute an importance circumstance as accused No.63-Mohammad Tanvir Pathan led police to this house and this house was searched through panchnama at Exh.2757 on 28.08.2008. The articles seized therein, were sent for Forensic examination, wherein articles marked as A9 and C2 contained Ammonium, Nitrate and Nitrite as well as Petroleum Hydro Carbons Oil, which are highly explosive. During the said search, other articles like kerba, smelling like petrol were also found. In view thereof, so far as house no. D 34 is concerned, accused No.46-Mohammad Saiyed, accused No.47-Ahmed Bava and accused No.63-Mohammad Tanvir Pathan are directly connected with this house, so also accused No.44-Mohammad Akbar Chaudhari and accused No.43-Anik Saiyed, as they also pointed out D 34 River View house of Surat through panchnama Exh.7946 dated 28.11.2008.

16.30.16. The Court finds that these three places referred to hereinabove, namely, D-34 River View House, Sherpura House and House No.10 Al-Mohammadi Society, constitute important links in the chain of conspiracy. Therefore, the connection of a conspirator with any of these sequels to the conspiracy, is a relevant circumstance. Once participation in the conspiracy is established, the act committed by few of the conspirators in furtherance would be attributable to all the conspirators connected, directly or indirectly, with the various

circumstances forming part of the conspiracy and would make them liable.

16.30.17. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.47-Ahmed Bava @ Abu S/O Abubakr Barelvi. The Court has therefore, no reason to interfere with the conviction recorded.

16.31.1. In case of accused No.49-Sarfuddin @ Sarfu S/O E.T. Sainuddin @ Abdul Sattar @ Abdul Salam @ Salim, he has been convicted for various offences by the trial Court and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.31.2. Learned Senior Advocate Tejas Barot has submitted on behalf of accused No.49-Sarfuddin @ Sarfu S/o E.T. Sainuddin @ Abdul Sattar @ Abdul Salam @ Salim in Sessions Case No.38 of 2009, who is the appellant in Criminal Appeal No.1710 of 2022 and accused No.31 in Criminal Confirmation Case No.2 of 2022. By the impugned judgment and order, the appellant- Sarfuddin @ Sarfu S/o I.T. Sainuddin @ Abdul Sattar @ Abdul Salam @ Salim has been sentenced to capital punishment and has preferred present Appeal.

16.31.3. Learned Senior Advocate for the appellant has thereafter referred to the charge at Exh.32 and has submitted that the allegation as against this accused is that of preparation of timer chip for the timer bomb and that the only evidence as against such allegation is Exh.8592;

a demonstration panchnama in the form of a confessional statement of the accused who is a resident of Kerala and is conversant in Malayalam and English. In the said panchnama, he has stated in English about the preparation of the timer circuits and he has demonstrated the same before the F.S.L. Officers, and the circuit and the hand drawn diagram were seized. The accused with respect to the preparation of timer bombs apart from him and his father; Abdul Sattar @ Iti Sainuddin has named two persons, namely, Abdul Rahim @ Maftaf and Umar Haji @ Nasir who had helped in preparation of timer chips however, they have not been named as accused and even his father; Abdul Sattar has been acquitted.

16.31.4. Thereafter, the Learned Senior Advocate for the appellant has drawn attention of the Court to Exh.8594; being a diagram and submitted that it is prepared in English and that there is no reference, 'identifier' mark or any other marking on the diagram by the F.S.L. Officer or by the accused. It is further submitted that there is no correction in the diagram and it appears to have been made in one go. It is also submitted that there appears to be no endorsement or statement indicating that the contents of the diagram had been explained to the accused.

16.31.5. Thereafter, reference has been made to Exh.5588 which is the letter of the Investigating Officer wherein the FSL Officer was summoned for the purpose of carrying out the demonstration panchnama which is followed by the report of the FSL Officer wherein it appears that the whole process had been videographed. It is contended that although such videography had been carried out, it was not brought on record.

No.1136-Sujata Prakash Majmudar at Exh.8149 who is the investigation officer with respect to the Surat incidents and it is submitted that she was in discussion with BHEL around nine months before the arrest. In this regard, reference has been made to Exh.8099; the report received from the Central Research Laboratory of BHEL and Exh.8594; the diagram prepared. It is submitted that for the panchnama, the parts required for assembling the device had been obtained by the police and that the panchnama itself had been jointly prepared in the presence of four to five persons. It is submitted that the diagram was made during the course of the panchnama and that thereafter the Investigating Officer brought the necessary components upon being asked by him, upon which he built the device which came to be sent to FSL for examination. Exh.5644 is the opinion of the FSL and it is contended that the component namely, 16F 628A PIC chip had not been asked for by the accused. Therefore, it is contended by the Learned Senior Advocate for the appellant that the said chip had been brought by the Investigating Officer allegedly on the basis of the BHEL letter.

16.31.7. It is further submitted by referring to the cross examination at Para 7 and Para 17 of the deposition of the Investigating Officer; PW No.1136-Sujata Prakash Majmudar at Exh.8149 that although the diagram prepared by this Investigating Officer had been sent to BHEL, but such diagram has not been exhibited. It is also submitted on the basis of the aforesaid paragraphs of the cross examination that it clearly appears that the microchip and other components had been obtained at the instance of the accused and that the Investigating Officer does not recollect the source from which it was obtained.

16.31.8. Learned Senior Advocate for the appellant has thereafter drawn attention of the Court to the deposition of the panch witness; PW

No.1162-Jay Harshadrai Panchal at Exh.8591. It is submitted that although the panchnama records the presence of FSL Officers and that they made observations after the circuit was made, the said FSL officers have not signed thereby casting doubt with respect to their participation in the said procedure. It is further submitted that the said panchnama at Exh.8592 was not recorded in a language that was known to the accused and that no testing of the circuit had been carried out at the spot. Learned Senior Advocate for the appellant has thereafter drawn attention of the Court to Para 12 of the deposition of this panch witness; PW No.1162-Jay Harshadrai Panchal and it is submitted that no rough sketch had been prepared by the accused and that it was made in the first attempt itself. By referring to Para 15 of the deposition, it is submitted that the panch witness was unable to identify all the individual components and it clearly appears that no marking was made on the chip to establish that it was made in the presence of the panch witness nor there was any record of the sequence or time taken for its preparation. It is also submitted that there is no explanation with respect to the procurement of various components or with respect to who procured the same and it is submitted that even the bills for procurement have not been produced. It is also contended that there is no signature by the panchas in order to establish that the said chip had been prepared by the accused in the presence of the panch witnesses.

16.31.9. It is submitted that the 16F 628A PIC is a programmable microcontroller which would require coding, however, there is no evidence on record to show that this accused No.49-Sarfuddin @ Sarfu actually possessed the technical knowledge required in order to write the code to programme such a chip.

16.31.10. It is further submitted that a link is required to be established

so as to connect the accused with the offence however, in the present case, there appears to be a break in the said link which is as under:

i. There is no evidence to show that the accused possessed requisite knowledge of coding which is necessary in order to programme the chip.

ii. There is lack of evidence to prove as to how the chip and other components had been procured,

iii. There is no evidence on record to show as to whom the chip was handed over by this accused once it had been allegedly prepared.

iv. Although the accused had clearly stated in the panchnama that apart from himself and his father; Abdul Sattar @ Iti Sainuddin two other persons, namely, Abdul Rahim @ Maftaf and Umar Haji @ Nasir had helped in preparation of timer chips however, they have not been named as accused and even his father; Abdul Sattar has been acquitted.

v. Moreover, the diagram appears to be accurate and it becomes difficult to believe that it had been made by a person who was uneducated.

vi. Supervision of FSL expert throughout the whole procedure of drawing of the diagram and making of the circuit.

vii. It clearly appears from the document at Exh.5588; being the letter of the Investigating Officer wherein the FSL Officer was summoned for the purpose of carrying out the demonstration panchnama followed by the FSL report that, the whole process had been videographed. However, the same has not been brought on record.

16.31.11. Therefore, it is submitted that in view of the aforesaid, it cannot be said that the diagram was drawn by the accused and it is contended that the role of the FSL appears to be that of creating supporting evidence on the basis of the BHEL Report at Exh.8099. Further, it is also submitted that although the presence of FSL Officers is

clearly coming out from the evidence of the Invesigating Officers, panchas and other witnesses, there is no signature on the documents by the FSL Officers which raises a suspicion.

16.31.12. It is further contended by drawing attention of the Court to the BHEL report at Exh.8099 and the additional observation therein, that the knowledge of programming was compulsory for designing a timer using PIC chip. However, the panchnama does not record that the said 16F 628A PIC chip had been programmed by the accused. In this regard, it is submitted that although in the FSL Report at Exh.5644, an opinion is given that the IC is programmable and can be used as a timer device; there is no material to establish that any such programming had been carried out by the accused. Therefore, it is contended that in the absence of such programming, mere presence of a programmable IC cannot establish that the circuit was functional and that it had been prepared by the accused.

16.31.13. In this regard, reference has been made to the deposition of Investigating Officer; PW No.1163-Mayur Jagmalbhai Chavda at Exh.8638, particularly to Para-14 of the deposition and has submitted that during the panchnama, the preparation of circuit was carried out wherein materials were procured by the police and the circuit was assembled in the presence of Investigating Officer, panch witnesses and FSL officers. However, there is no reference with respect to the programming of the chip having been carried out by the accused.

16.31.14. It is further submitted that at the time of calling the panch witnesses, they were not informed about the preparation of such a diagram. Also, if the accused did possess the requisite technical skill, there was no necessity to first prepare a diagram and he could have directly assembled the said device. Therefore, it is contended that the

preparation of the diagram appears to be an afterthought and cannot be attributed to have been made by the accused. It is further submitted that the Investigating Officer had already obtained the opinion of BHEL regarding the nature of the device as early as August 2008. It is also contended that although the said procedure is said to have been videographed, the same has not been produced on record.

16.31.15. Thereafter, reference has been made to Exh.5644; being the FSL Report and it is submitted that although there is an opinion in the report that programming is essential for such a device, there is no evidence on record to show that such programming had been carried out by the accused. It is further submitted that even as per the FSL report, the circuit contained in the sample prepared during the panchnama is of a different type from the circuit which had been used in the Ahmedabad serial blasts and therefore, the said circuit has no nexus with the said blasts. It is further submitted that even with respect to the IC used in the Surat incidents, there is no material on record to establish similarity in its programming and therefore, no nexus is established between the circuit prepared during panchnama and the device which has been used in the offence.

16.31.16. Learned Senior Advocate for the appellant has thereafter referred to the deposition of the FSL Officer; PW No.835-Hitesh Jayantilal Trivedi at Exh.5631 wherein it is deposed that the electronic components mounted on PCB of Parcel No.1 was examined alongwith the circuit diagram which had been forwarded alongwith the forwarding note by the Investigating Officer. It is submitted that the diagram was part of the material that was forwarded by the Investigating Officer and that the report was thereafter forwarded to the Investigating Officer. Therefore, it is contended that as the opinion of the FSL is based upon

the material that was provided during investigation and when the preparation of such a diagram is itself in dispute, the opinion of FSL cannot be considered so as to connect the accused to the offence.

16.31.17. Learned Senior Advocate has thereafter referred to the findings of the trial Court regarding the applicability of Section 27 of the Indian Evidence and has submitted that an error has been committed by the trial Court by placing reliance on the panchnama under Section 27 of the Indian Evidence Act, as the requirements for application of Section 27 have not been fulfilled qua this accused.

16.31.18. It is further submitted by drawing attention to the findings qua this accused at Page 6638 of the impugned judgment that the trial Court has recorded absence of direct evidence with respect to several allegations qua this accused and has proceeded on the basis of 'anumaan' (inference) that the accused might have been present at the meetings and might have had some role in preparation of the device. Therefore, as such finding is on the basis of inference (anumaan) and not on the basis of any substantive evidence produced on record, it is submitted that there is no evidence so as to connect the accused to the offence. It is further submitted that there is no evidence to establish a link between this accused and other co accused to sustain the finding that the accused was a part of the conspiracy and to hold this accused collectively liable.

16.31.19. It is further submitted that there is no evidence on record to establish as to how this accused came to be implicated in the offence, and that no incriminating evidence was available at the time when he was arraigned as an accused in the offence. It is submitted that when this accused was apprehended in Bangalore, the Investigating Officer had undertook investigation and that no recovery or discovery of any article

or any material connected with the offence had taken place from his house or place of work. It is submitted that there is no evidence on record apart from the demonstration panchnama and the circuit diagram and that, even insofar as the panchnama is concerned, it is merely corroborative in nature and not a substantive piece of evidence. Further, neither any investigation had been conducted at his hometown nor any evidence has been produced in order to establish the visit with the co-accused so as to connect this accused to the offence.

16.31.20. It is submitted that each incriminating circumstance should be established conclusively however, in the facts of the present case, the only evidence which is relied upon is the demonstration panchnama, FSL Report, and a comparison with the chip of the Surat device. It is submitted that therefore, there is no inquiry or evidence which is sufficient so as to implicate the present accused in the offence.

16.31.21. Thereafter, with respect to circumstantial evidence, Learned Senior Advocate for the appellant has placed reliance on the judgment of the Apex Court in the case of ***Hanumant Govind Nargundkar v/s. State of M.P.*** reported in ***1952 SCR 1091*** to submit that in a case consisting of circumstantial evidence, each circumstance from which the conclusion of guilt is to be drawn should be fully established and that all the facts so established, must be such as to exclude every other hypothesis except the guilt of the accused. In this regard, reliance has also been placed on the judgment of the Apex Court in the case of ***Sharad Birdichand Sharda v/s State of Maharashtra*** reported in ***1984 (4) SCC 116*** wherein the five golden principles with respect to circumstantial evidence have been laid down in Para 153 of the said judgment. Thereafter, reference has been made to the decision of the Apex Court in the case of ***Aftab Ahmad Anasari v/s State of Uttaranchal*** reported in ***2010 (2) SCC 583***,

particularly Para 12, wherein it was held that suspicion howsoever strong, cannot take the place of proof and that conjectures cannot take the place of legal proof in a case which is based on circumstantial evidence. Lastly, in this regard, reliance has been placed on the decision of the Apex Court in the case of ***Satye Singh and Anr. v/s State of Uttarakhand*** reported in ***2022 (5) SCC 438*** particularly, Para 16 and 17 of the said judgment. And by placing reliance on these aforesaid judgments, it is submitted that in the facts of the present case, the incriminating circumstances have not been conclusively established so as to exclude every other hypothesis other than the guilt of the accused and to connect the accused with the offence.

16.31.22. Thereafter, Learned Senior Advocate for the appellant with respect to the contention that the videography which was conducted has not been produced, has placed reliance on the judgment of the Apex Court in the case of ***Tomaso Bruno and Anr. v/s State of Uttar Pradesh*** reported in ***2015 (7) SCC 178***, particularly, Para 26 to Para 28 of the said judgment, wherein it was held that in case of withholding of best evidence, the Court should draw an adverse inference and conclude that the evidence was withheld as it was not in favour of the prosecution and the defence would have been strengthened. It is further submitted that the evidence against the accused would be put under serious doubt and that the accused cannot be sentenced on the basis of such doubtful evidence.

16.31.23. Thereafter, reliance has also been placed on the judgment of the Apex Court in the case of ***Mohammad Inayatullah v/s State of Maharashtra*** reported in ***1976 (1) SCC 828***, wherein it was held that for the purpose of Section 27 of the Indian Evidence Act, only 'so much of the information' is admissible as relates distinctly to the fact thereby

discovered and that in the facts of the present case, the demonstration panchnama does not lead to a discovery of a new fact and therefore, the same cannot be considered to be an admissible piece of evidence under Section 27 of the Indian Evidence Act.

16.31.24. Lastly, Learned Senior Advocate for the appellant has advanced submissions with respect to granting of sanction under Unlawful Activities Prevention Act (UAPA) contending that it has been granted without due application of mind. It is submitted that sanction under Section 45 of UAPA has to be granted "only after considering the report of the authority" and upon "independent review of the evidence" by such authority and that such a requirement is not an empty formality and requires objective consideration. In this regard, reliance has been placed on the judgment of the Apex Court in the case of ***Fuleshwar Gope v/s Union of India*** reported in ***2024 (0) AIR (SC) 4684***, particularly Para 37 and Para 40 onwards wherein the term "independent review" has been interpreted as a "re-examination, scrutiny or critique of something which is not dependent or subject to control by any other factor or authority" and it has been further observed that granting of sanction under UAPA requires due application of mind and is not an empty formality and that the sanctioning authority is required to consider the material which has been collected during the process of investigation and should satisfy itself before granting such sanction.

16.31.25. It is further submitted that the time prescribed under Rule 3 of NIA Rules, 2008 has not been adhered to and it thereby vitiates the sanction which has been granted.

16.31.26. It is to be noted that although the issue of sanction has been raised, Learned Senior Advocate for the appellant has not taken this Court through the evidence as to how the sanction has been brought on

record or as to how the witness has deposed regarding the subjective satisfaction. The issue of sanction has been argued by other senior advocates for the defence and the same has been answered in the separate sub-chapter of "Grant of Sanction" in the Chapter "Issues".

16.31.27. A very specialized role has been attributed to this accused of possessing a special knowledge of assembling an important component of the explosive device.

16.31.28. Learned Additional Advocate General for the State has submitted that as per appeal preferred by accused No.49-Sarfuddin @ Sarfu he has mentioned his two addresses namely Kerala and Hyderabad. accused No.49-Sarfuddin @ Sarfu was arrested on 15.04.2009 with respect to an FIR bearing C.R. No.I-203 of 2008 registered with Maninagar, Police Station, and for few days he had remained under police remand. He was also arrested in connection with other FIRs. He was produced before the Court of Magistrate, however, he was continued on police remand until 07.05.2009.

16.31.29. The prosecution has relied upon Yaadi which was sent to FSL office for attending panchnama proceedings at Crime Branch Police Station, which was produced on record vide Exh.5588. Furthermore, on the back side of the Yadi, FSL Officer namely Mr. Hingrajiya and Mr. Trivedi, also confirmed the preparation of the diagram and timer circuit by accused No.49-Sarfuddin @ Sarfu in their presence, and the same was also signed by both officers.

16.31.30. The prosecution has relied upon the deposition of FSL officer being PW No.830-Amrutlal Hingrajiya vide Exh.5566, who in para-21 of his deposition at Page-37 has deposed that the panchnama at Exh.5588 was drawn at the instance of accused No.49-Sarfuddin @ Sarfu on 04.05.2009 at Crime Branch Police Station. of the aforesaid panchnama, accused No.49-Sarfuddin @ Sarfu had prepared timer circuit diagram and also prepared PCB (Printed Circuit Board). He has deposed that he and other FSL officer namely Mr. Trivedi had signed on it. The case of the prosecution is that the above referred timer circuit i.e. Muddamal Article was prepared by accused No.49-Sarfuddin @ Sarfu, is programmable. If such type of circuits are programmed, then with the aid of detonator and explosive substance, it would make complete IED i.e. Improvise Explosive Devise.

16.31.31. It is submitted that the defence has challenged the acts of accused No.49-Sarfuddin @ Sarfu on various grounds, of which one ground is non-production of videography, depicting the acts of accused No.49-Sarfuddin @ Sarfu regarding his preparation of the diagram and timer circuit. It is submitted that so far as videography is concerned, there is no mention about it in the panchnama, and during the course of cross examining either the panch, the investigator or the FSL officer, no questions have been put to them regarding the videography of acts of accused No.49-Sarfuddin @ Sarfu. In view thereof, the non-production of the videography, by itself, would not be sufficient to discredit the acts of accused No.49-Sarfuddin @ Sarfu.

16.31.32. It is submitted that the acts of accused No.49-Sarfuddin @ Sarfu relating to drawing of diagram and making circuit, are nothing but providing information, which signifies the act or fact of informing, and would thus fall within the ambit of Section-27 of Evidence Act. It is submitted that that amongst the conspirators, accused No.11- Sibli @ Sabit is a Computer Engineer from Kerala, accused No.12-Safdar Nagori is an Engineer from Madhya-Pradesh and accused No.13- Hafiz Hussain is Civil Engineer from Karnataka. In view of the above, accused No.49-Sarfuddin @ Sarfu is conspirator, par with other conspirators in

the present case.

16.31.33. The Court finds that the the timer circuit prepared by accused No.49-Sarfuddin @ Sarfu was found from live bombs, which were recovered from Surat. Pursuant to which, the FSL officer had opined that live bomb containing, such timer circuit has supported the case of prosecution. The only difference is that, for the purpose of executing the blast, the timer circuit is required to be programed, except this, there is no difference between the timer circuit prepared by accused No.49-Sarfuddin @ Sarfu and those recovered from the live bombs bombs in Surat proceedings.

16.31.34. The Court has perused the panchnama at Exh.8592 drawn on 04.05.2009 between 14:30 to 17:30hrs at Crime Branch Police Station, in one of the FIRs proceedings registered at Maninagar, police station. The said panchnama was drawn in the presence of accused No.49-Sarfuddin @ Sarfu, FSL officers, panchas and police, whereby, accused No.49-Sarfuddin @ Sarfu had disclosed his name and address and thereafter, showed his voluntariness to prepare electric timer chips, for which articles/objects such as micro controller, diode and others as asked by accused No.49-Sarfuddin @ Sarfu were brought and given to him. accused No.49-Sarfuddin @ Sarfu had also asked for blank papers, pencil and scale, which were given to him. Upon receiving it, accused No.49-Sarfuddin @ Sarfu had prepared circuit diagram on the blank paper, and thereafter, with the help of such articles/objects, accused No.49-Sarfuddin @ Sarfu had prepared timer circuit. The Timer circuit prepared by accused No.49-Sarfuddin @ Sarfu was put in a closed plastic box and at that time, signatures of panchas and police were taken on slips as well as on circuit diagram.

16.31.35. The aforesaid panchnama at Exh. 8592 stands proved

through the deposition of the panch witness being PW No.1162-Jay Panchal at Exh.8591, who has fully supported the acts done by accused No.49-Sarfuddin @ Sarfu as mentioned in the panchnama. He had also admitted their signatures on panch slips affixed to box, in which timer circuits were placed on record vide Exh. 8593. He was also shown the Muddamal list, Exhibit 2034, whereby Serial No. 1 is the timer circuit prepared by accused No.49-Sarfuddin @ Sarfu, which was seized under the panchnama. The panch witness also admitted the signature of the other panch, Aamirbhai, as well as the signature of the police personnel, Shri Chavda. The panch witness was further shown the diagram of the timer circuit, which was also included in the Muddamal list. Muddamal Article-2 also bears the signatures of both the panch witnesses as well as the police officer, Shri Chavda, and the same has been placed on record vide Exh. 8594.

16.31.36. Thereafter, the panch witness was subjected to cross examination, and nowhere in the cross examination his credibility was impeached. He confirmed in the cross examination that the articles required and asked by accused No.49-Sarfuddin @ Sarfu for preparation of timer circuit were brought by police persons. He was asked which articles were used by accused No.49-Sarfuddin @ Sarfu for preparation of timer circuit, to which he answered that wires, solders and circuit were used. He further confirmed the preparation of the timer circuit diagram in the presence of panch witness, the panch witness was also confronted to spell out the full name of COB, to which he answered 'Chip On Board' and 'Clock On Board'. Similarly, he explained I.C. means Internal Circuit and as on today he did not remember the meaning of I.C is Integrated Circuit. Lastly, he empathetically denied that it is not true that timer circuit and diagram were not prepared in his presence.

16.31.37. The Court finds that the defence has tried to confuse the act of accused No.49-Sarfuddin @ Sarfu of preparing timer circuit and diagram with the correspondence of the Investigating Officer at Exh.8098 with Ms. Majmudar, who forwarded the timer circuit diagram to Bharat Electronic for the purpose of obtaining their opinion, pursuant to which the opinion was also received from Bharat Electronics, which is on record vide Exh.8099.

16.31.38. The defence has contended that the act of preparation of accused No.49-Sarfuddin @ Sarfu is based on photograph of timer circuit forwarded by the Investigating Officer to Bharat Electronics. The act of accused No.49-Sarfuddin @ Sarfu is entirely independent of the confusion raised and advanced by the defence during the course of their arguments.

16.31.39. The defence has raised contentions regarding the number specified on the Integrated Circuit (IC). It appears that all the articles required, asked, and instructed by accused No.49-Sarfuddin @ Sarfu were provided to him, and therefore, the number mentioned on the IC pales into insignificance, as whatever was asked for, was provided to accused No.49-Sarfuddin @ Sarfu. Therefore, attributing any specific number to the IC would not be sufficient to impeach or discredit the act and fact of information provided by accused No.49-Sarfuddin @ Sarfu through the preparation of the diagram and timer circuit.

16.31.40. The Court finds that accused No.49-Sarfuddin @ Sarfu has given his statement dated 17.03.2020, wherein he had stated that he did not know any language other than his mother tongue i.e Malayalam. He has also stated that it is shocking and surprising that allegation levelled against him is for preparing some electronic themes, for which he is ignorant. Accused No.49-Sarfuddin @ Sarfu was further asked to

explain panchnama at Exh.8592 and circuit diagram at Exh.8594, to which he replied that it is not true and that, the panchnama was not made in his presence and he has also denied making of timer circuit. The defence of accused No.49-Sarfuddin @ Sarfu with respect to the making of timer circuit as well as preparing of diagram runs counter to his cross-examination of relevant witnesses like panch witness, FSL officers and investigating officer and most importantly, his written further statement, as referred above, wherein he has stated that he did not know any language, except his mother tongue, is false, as during the course of deposition of panch witness being PW No.1162-Jay Panchal vide Exh.8591, it has come on record that accused No.49-Sarfuddin @ Sarfu knows English. It has also come on record that accused No.49-Sarfuddin @ Sarfu gave application in English and has also made his signature in English, which is placed on record at Exh.0113. The same falsifies his further statement that he did not know any language other then his mother i.e. Malayalam. Furthermore, in his further statement at Exh.0171 at Page 4604, there is an endorsement in English signed by accused No.49-Sarfuddin @ Sarfu in English. In view thereof, accused No.49-Sarfuddin @ Sarfu's explanation denying his authorship regarding the preparation of the timer circuit and diagram is false. IN the opinion of the court the accused has played an important role in the conspiracy due to his technical knowledge of preparing the most important part of the explosive device by which the explosion device or the bomb can be triggered and blown of. This highly technical knowledge of the accused is demonstrated by the panchnama. This panchnama been exhibited through the witness and its evidentiary value is discussed under a different chapter of “Panchnamas under Section 27 of Indian Evidence Act”.

16.31.41. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.49-Sarfuddin @ Sarfu S/O E.T. Sainuddin @ Abdul Sattar @ Abdul Salam @ Salim. The Court has therefore, no reason to interfere with the conviction recorded.

16.32. In case of Saifur Rehmaan @ Saifu @ Saif Abdul Rehmaan (Uttarpradesh) (A-50)

(Accused No.32 in Criminal Confirmation Case No. 2/2022 and Appellant No.26 in Criminal Appeal No. 1710/2022):

16.32.1. In case of accused No.50-Saifur Rehmaan @ Saifu @ Saif Abdul Rehmaan, he has been convicted for various offences by the trial Court, and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.32.2. Learned Senior Advocate Shri Thipsay submits that the role attributed to accused No.50 is of plainting a bomb laden bicycle at Mittal Chambers near Naroda Circle, Ahmedabad, which is one of the locations where the bomb had exploded in Ahmedabad. At the outset, learned Senior Advocate submitted that the accused was arrested after almost a year on 04.07.2009 by way of transfer warrant. The accused was lodged in Jaipur Jail, Rajasthan for his involvement in an offence registered with Manekchowk Police Station. It is submitted that the accused was also one of the accused in Jaipur bomb blast case; however, in Criminal Appeal No.216 of 2022 and allied cases, the Rajasthan High Court has decided the death reference wherein, this accused has been acquitted.

16.32.3. Learned Senior Advocate submitted that the entire case of the

prosecution is based on two panchnamas. However, none of the panchnamas, viz. Exhs.6070 and 5549, can be treated to be panchnama under Section 27 of the Evidence Act and therefore, the voluntary disclosures made therein cannot be treated as admissible evidence.

16.32.4. Learned Senior Advocate has, thereafter, assailed the point out panchnama Exh.6070. By this panchnama, the prosecution has tried to establish the connection between accused No.50 and the hide-out house being House No.10, Al-Mohammadi Society. According to the disclosure, this house was used as a hide-out and accused No.50 had also resided there. However, this disclosure cannot be believed since prior to execution of Exh.6070 on 08.07.2009, the disclosure so made is without discovery of any physical object and has been reduced to mere statement in presence of the police and is, thereby, hit by sections 25 and 26 of the Indian Evidence Act. It is also argued that sub-section (2) of section 162 of Cr.P.C. will also not save this statement made under the garb of panchnama.

16.32.5. It is submitted that the panchnamas may also not be relied upon by invoking section 8 of the Indian Evidence Act as the pointing out of the house does not constitute a conduct, which is connected with the offence and there is no recovery or discovery, which would lend confirmation to the conduct recorded under the panchnama.

16.32.6. It is argued that the police had prior knowledge of House No.10, Al-Mohammadi Society as on multiple occasions (for ten times) point out panchnamas of various accused have been executed, which has led the Investigating Officer to the same house. Therefore, the voluntary disclosure would not amount to any fact as contemplated under Section 27 of the Evidence Act.

16.32.7. In this connection, it would be appropriate to mention here

that the Court has dealt with in detail the issue of panchnama under Section 27 in a separate sub-chapter titled “Panchnamas under Section 27 of Indian Evidence Act” under the chapter “Issues”. The Court observes that the incident having taken place on 26.07.2008 and the arrest of the accused having been made on 04.07.2009 and admittedly, the accused is not a native of Ahmedabad and his pointing out of the very same house being House No.10, Al-Mohammdi Society as one of the hide-outs displays the mental fact of knowledge of the place. The voluntary disclosure has led the panch team to House No.10 where PW No.869 Nitesh Mohanbhai Vaishya Exh.6069, who is the panch witness of panchnama Exh.6070, has deposed before the Court about the disclosure made volutarily by accused No.50 and leading the panch team to House No.10, Al-Mohammdi Society, which co-incidentally happened to be the same house pointed out by other co-accused.

16.32.8. The fact that the panch witness has deposed about the disclosure of a mental fact of knowledge of the house cannot be neutralized by the submission that the Investigating Officer was already aware of this house. In the beginning of the panchnama, it is unknown to the Investigating Officer as to where the accused, who is making the voluntary disclosure, would lead unless in the second part of the panchnama, it is recorded where the accused has led the panch team. It is only at that stage that the Investigating Officer becomes aware of the mental fact of knowledge of the accused of House No.10. In absence of anything to the contrary, even after the cross-examination of the panch witness as well as the Investigating Officer, the Court cannot be led to presume that as the Investigating Officer knew about House No.10, Al-Mohammadi Society and hence the Investigating Officer has created the panchnama Exh. 6070.

16.32.9. On a combined reading of Exh.6070, the deposition of PW No.869 Nitesh Mohanbhai Vaishya at Exh.6069 and the deposition of PW No.1163 Mayur Jagmalbhai Chavda at Exh.8638 who is the Investigating Officer, the voluntary disclosure of the fact of knowledge of the house situated in Al-Mohammadi Society being one of the hide-outs is established. The Court has also discussed elsewhere as to how the house in Al-Mohammadi Society is connected with the offence and is established as a house, which was used by the co-accused and the articles discovered from accused No.10, Al-Mohammadi Society are connected with the offence and bomb blasts.

16.32.10. Learned Senior Advocate has then assailed in similar fashion Exh.5549, which also is a point out panchnama at the behest of accused No.50 under which he pointed out the location situated at Mittal Chambers at Naroda Circle in Ahmedabad where he has parked a bomb laden bicycle, which also exploded. It is argued that though there is an explosion but, no death is reported out of this explosion. Learned Senior Advocate has assailed this panchnama by submitting that accused No.50 is a non-Gujarati and knows only Hindi and Urdu whereas, the panchnama is recorded in Gujarati and therefore, the voluntary disclosure recorded under this panchnama is doubtful. It is also submitted that the site of the blast was within the public domain and therefore also, under the panchnama Exh.5549, accused No.50 leading the panch team to this very location cannot be treated as a new disclosure so as to attract section 27 of the Evidence Act.

16.32.11. Here also, it is pertinent to observe that the blast having taken place at Mittal Chambers on 26.07.2008 whereas, the accused was arrested on 04.07.2009 and despite the accused being an outsider, under the panchnama, he has voluntarily disclosed to lead the panch team to

the exact site even after a period of about one year. Therefore, the argument that the accused has not led to a new discovery will have to be discarded. Again, as per the deposition of PW No.825 Bharatkumar Shankarlal Parmar at Exh.5548, the panch witness has deposed about voluntary disclosure in the first part of the panchnama and it is only at the stage of recording of second part of panchnama that the accused, who is not acquainted with Ahmedabad, has been able to lead the panch team to the exact location of the blast near Mittal Chambers, which is a disclosure of mental fact of knowledge of accused No.50 to a place (a location) and therefore, the required criteria, as discussed under the sub-chapter of "Panchnama under Section 27 of Indian Evidence Act" are fulfilled and therefore, the voluntary disclosure of the mental fact about his knowledge will have to be treated as an evidence under Section 27 as well as Section 8 of the Indian Evidence Act.

16.32.12. The submission that no deaths were reported as a result of the explosion at Mittal Chambers is out-rightly fortuitous. Otherwise, as a part of the very conspiracy, on the same day, blasts have occurred at various places in Ahmedabad resulting into 56 deaths for which the accused is also responsible.

16.32.13. Learned Additional Advocate General for the State has submitted that the importance of House No.10-Al-Mohammadi Society has already been submitted earlier and therefore, to put it again briefly, house No.10 of Al-Mohammadi Society is another sequel to conspiracy where, as per case of prosecution, bombs were prepared, different cars used in commission of the offence were brought here and loaded with bombs, and prepared bombs were given to different accused in bags which were ultimately tied to cycles for the purpose of commission of offence. On search to this house, relevant objects such as, a broken

compact disc (CD) bearing a chance print of accused No.38-Mohammad Saif was found and some other objects-articles containing nitrate and Nitrate radicals were also recovered. Several accused persons are connected with this house, some pointed out this house and they had shown their relevant conduct with respect to this important circumstance. Certain articles as such, utensils found from this house also indicate the involvement of accused No.8-Yunus Mansuri. There is also an evidentiary material of owner of this house and two other witnesses implicating accused No.37-Kayamuddin Kapadiya and others for the purpose of taking this house on rent, as well as the circumstance of identification such accused in Test Identification Parade proved through Executive Magistrate.

16.32.14. It is submitted that the place pointed out by accused No.50-Saifur Rehmaan where the bomb laden cycle was parked is the scene of offence, for which FIR came to be registered at Vatva Police Station through I-C.R No.218 of 2008, pursuant to information given by Kadarbhai Karimbhai Ajmeri.

16.32.15. The Court has considered the panchnama Exh.5549 drawn on 17.07.2009 by Crime Branch Police station, Ahmedabad City. During the course of first part of the panchnama drawn at Police station, accused No.50-Saifur Rehmaan disclosed that he could point out the place where he and one another of his native place named Mohd. Arim khan @ Junaid (absconder) of UP had placed a bomb laden cycle. He further voluntarily disclosed that if he was taken to Al-Mohamadi Society, he could point out the relevant place. Pursuant thereto, the second part of panchanama was drawn and accused No.50-Saifur Rehmaan led the police party to house no.10 of Al-Mohammadi Society. Accused No.50-Saifur Rehmaan disclosed that he and Amir khan

(absconder) had taken bomb laden bags from the said house and thereafter, proceeded towards the main road. Thereafter, accused No.50-Saifur Rehmaan then led the police party through Barrel Market and nearby places and pointed out the route by which they travelled in a shuttle rickshaw to Narol Circle. He also pointed out the place from where Arim Khan (absconder) had brought a cycle and thereafter, the bomb laden bag carried by accused No.50-Saifur Rehmaan was tied to the Govender of the cycle. Accused No.50-Saifur Rehmaan and Arim khan (absconder) then proceeded to another place and parked the bomb laden cycle there. One examination, the place was found to be near Mittal Sales and Service, Mittal Chamber, the National Highway Road and ATM of Axis Bank. The aforesaid panchanma Exh.5549 stands proved through panch witness being PW No.825-Bharatkumar Shankarlal Parmar vide Exh.5548 and the Investigating Officer being PW No.1154-Usha Rada vide Exh.8340.

16.32.16. The Court has also considered the panchnama at Exh.6070 drawn on 08.07.2009 by Crime Branch Police station, Ahmedabad City. The first part of the panchnama was drawn at Crime Branch Police station, where accused No.50-Saifur Rehmaan voluntarily disclosed that he would like to state and show relevant aspects relating to bomb blast incident which took place in Ahmedabad in July, 2008. Accused No.50-Saifur Rehmaan further disclosed that he had travelled from Delhi to Ahmedabad and that he could point out a house, if he was taken to the Railway Station. Pursuant thereto, the police party and the panch witnesses proceeded to Ahmedabad Railway Station Compound. Upon reaching this place, accused No.50-Saifur Rehmaan disclosed that he alongwith one Mohd. Saif (acquitted accused) and others had arrived there from Delhi and were taken from there in a rickshaw to a house by

one person whose name he does not recollect. Thereafter, accused No.50-Saifur Rehmaan led the police party to Sarangpur, New Cloth Market, Kankaria Football ground and other places and ultimately reaching to Al-Mohammadi Society and pointing out one house where he had stayed alongwith other accused and prepared bomb. The fact that the house is connected with the bomb making activity is ofcourse established by other set of evidene, the deposition of the witnesses, the confessional statement and also the discovery of the material objects. Accused No.50-Saifur Rehmaan further disclosed that on the day of incident, a silver coloured Wagon R car and a While coloured maruti Fronti were parked near the said house and these cars were used for planting bombs and were thereafter taken by other persons whose name is not known to accused No.50-Saifur Rehmaan. Accused No.50-Saifur Rehmaan also disclosed that he had subsequently returned to Delhi by train and the tickets for the travell were managed by Ateek Bashar (absconder) and his associates. The house pointed by accused No.50-Saifur Rehmaan was found closed. The aforesaid panchanma stands proved through evidence of panch witness being PW No.869-Nitesh Mohanbhai Vaishya vide Exh.6069 and the Investigating Officer as PW No.1163-Mayur Jagmalbhai Chavda vide Exh.8638. This entire sequence is required to be appreciated in the context of larger conspiracy of engaging accused from out station for this particular task. Several witnesses have deposed to this fact

16.32.17. Considering the aforesaid evidence on record, the Court finds that accused No.50-Saifur Rehmaan had not only pointed out house no.10-Al-Mohamadi Society, which was used by the accused persons in furtherance of the conspiracy, but he had also pointed out the place where the bomb laden cycles were parked. These circumstances

establish the role of accused No.50-Saifur Rehmaan in the conspiracy which was in furtherance of a common object of mass killing by causing blasts. For fulfilling and achieving the ultimate object of mass killing, all the conspirators acted on the instruction of their masters and like accused No.50-Saifur Rehmaan, the other co-conspirators also fulfilled their respective role by doing one or the other act for the purpose of achieving the object of conspiracy.

16.32.18. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.50-Saifur Rehmaan @ Saifu @ Saif Abdul Rehmaan. The Court has therefore, no reason to interfere with the conviction recorded.

16.33. In case of Mohammad Ansar @ Siddik @ Nadvi S/O Abdul Razak Muslim (Kerala) (A-59)

(Appellant No.8 in Criminal Appeal No. 1917/2022)

16.33.1. In case of accused No.59-Mohammad Ansar @ Siddik @ Nadvi S/O Abdul Razak Muslim, he has been convicted for various offences by the trial Court and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.33.2. The case of prosecution against accused No.59- Mohammad Ansar @ Siddik @ Nadvi S/O Abdul Razak Muslim is that this accused has participated in the Terror camps organized at Vagamon and also in Forests of Pavagadh in Halol, Gujarat. This accused has been convicted by the Ernakulam Sessions Court for the terror camp at Vagamon.

16.33.3. Learned Advocate Shri Hriday Buch has submitted that mere presence is not sufficient to convict accused for the offence. It is submitted that the prosecution has failed to attribute any overt act for

making or planting of bombs or participation in any of the meetings alleged as conspiratorial meeting.

16.33.4. Learned Advocate has then argued that there is no admissible evidence even to establish the participation of accused No.59-Mohammad Ansar in the camp. It is submitted by learned Advocate Shri Buch that only evidence is the confessional statement of the co-accused, which is not an admissible evidence on which conviction can be based.

16.33.5. Therefore, according to learned Advocate though there are more than one co-accused, who have given confessional statement, still it cannot form basis of conviction especially for such a serious sentence. It is also submitted that confessional statement of co-accused being accused No.35-Rafiyuddin Kapadiya cannot be considered as an evidence at all as the confessional statement under Section 164 of Cr.P.C. was recorded by the Magistrate after administering oath, hence, even the trial Court has discarded this evidence.

16.33.6. Referring to the evidence in the form of confessional statement under Section 164 of Cr.P.C. given by the co-accused being accused No.2-Imran Shaikh, accused No.21- Mehandihasan @ Vikki and accused No.35- Rafiyuddin Kapadiya. The Court may take into consideration Sections 10 and 30 of Indian Evidence Act, which are the provisions specifically to deal with the factual situation.

16.33.7. Admittedly, the Ernakulam Court has recorded conviction of accused No.59- Mohammad Ansar (see Exh.9421), where the Ernakulam trial Court has tried accused No.59- Mohammad Ansar as accused No.5 and has convicted for offence under UAPA as well as IPC and Explosive Act. Thereby, establishing his presence in the terror training camp at Vagamon.

chapter of 'Confessional statement of co-accused' has assigned a detailed reason that in the facts of this case, confessional statement of the co-accused will be treated as admissible in evidence and therefore, perusing the evidence of confessional statement of the co-accused. The participation of the co-accused was found to be established in the terror training camp at Vagamon and also at the similar camp in forest of Pavagadh in Halol.

16.33.9. The confessional statement refers to the nature of terror training imparted and also the participants participating in fanatic disclosure of taking revenge against Hindus. The presence and participation in the opinion of the Court is sufficient to make the accused a 'conspirator' to the offence (see Sub-chapter conspiracy under Chapter 'Issues').

16.33.10. The fact that the camp in the forest of Pavagadh in Halol for terror training is well established by plethora of evidence over and above the confessional statement of co-accused.

16.33.11. The Court may refer to Exh.6443, which is the pointing out panchnama of Halol camp, where accused No.35-Rafiyuddin Kapadiya has made a voluntary disclosure and pointed out the Halol camp site. This panchnama Exh.6443 is proved by the deposition of the panch witness being PW No.900-Himesh Pravinchandra Mehta vide Exh.6442.

16.33.12. Learned Additional Advocate General for the State has relied on confessional statement of accused No.2-Imran Shaikh vide Exh.8619 to implicate accused No.59-Mohammad Ansar as one of the participants of Vagmon Terror Training Camp. It is submitted that accused No.59-Mohammad Ansar is from the State of Kerala and that several other participants of the camp were also from Kerala. So far as the activities conducted at Vagamon camp are concerned, it is submitted that the

prosecution has already elaborated upon the same while making submissions against accused No.2-Imran Shaikh and few other accused.

16.33.13. On the basis of the very evidence the court finds that accused No.2-Imran Shaikh has referred to accused No.59-Mohammad Ansar as "Nadwi Ansar",and that accused No.59-Mohammad Ansar has also played an active role in the camp alongwith other accused namely, accused No.12-Safdar Nagori, accused No.10-Amil Parvaz, Taukir (absconder), accused No.11-Shibily, accused No.15-Mufti and accused No.13-Adnan, who delivered Jehadi speeches and also gave training regarding survival in the jungle. It is evident that like accused No.11-Shibily, even accused No.59-Mohammad Ansar is from Kerala. and that accused No.59-Mohammad Ansar was also arraigned as A-5 in Kerala Court proceedings and came to be convicted for offences punishable under Sections 10, 20 and 38 of UAPA, Section 120 B of I.P.C and Section 4 of Explosive Substance Act, 1908.

16.33.14. The Court has considered the confessional statement of accused No.2-Imran Shaikh for the purpose of examining the participation of accused No.59-Mohammad Ansar in Halol Terror Training camp. It clearly states that accused No.59-Mohammad Ansar Nadvi, who had attended the Kerala camp, had also attended the Halol camp. So far as the activities carried out by participants of the Halol camp are concerned, the same had already been discussed earlier while making considering the case against accused No.21-Mehandihasan and other accused persons.

16.33.15. The Court finds that in so far as the holding of Halol camp is concerned, it is established not only through confessional statements of accused persons, but also through independent evidence of Idris, who is the Munjavar of Khundpir Dargah and three other local witnesses

namely, Ambalal, Pravin Bhai and another. There is also evidence regarding the identification of certain accused during Test Identification Parade, proved through the Executive Magistrate. Witness Idris has also identified certain accused during the course of his deposition and has also deposed regarding he having permitted to provide stay at Khundpir Dargah on reference of one Dr. Sadab. Therefore the holding of the terror camp in forests of pavagadh is well established by evidence.

16.33.16. The Court has also considered the confessional statement of accused No.76-Manjarimam, which is on record at Exh.9021, given by accused Manzar Imam from Ranchi, Jharkhand. Upon perusal of the confessional statement, the Court finds that accused No.76-Manjarimam has named accused No.11-Shibily as one of the active participants of the Vagamon Camp. He has also named Taukir (absconder), accused No.10-Amil Parvaz and also accused No.15-Mufti. It appears that these persons are also named by accused No.2-Imran Shaikh in his confessional statement as persons who delivered Jehadi speeches during the camp. It also appears that accused No.76-Manjarimam was also arraigned as A-34 in Kerala Court proceedings and came to be convicted therein like accused No.59-Mohammad Ansar.

16.33.17. The Court has also perused the confessional statement of accused No.35-Rafiyuddin Kapadiya at Exh.8619, who has implicated accused No.59-Mohammad Ansar in Halol camp by referring to him as 'Ansar @ Nadwi'. Accused No.35-Rafiyuddin Kapadiya has also termed this camp as a SIMI camp, which is a relevant circumstance. The Court finds that accused No.35-Rafiyuddin Kapadiya pointed out the place of Halol camp through panchnama Exh.6443 drawn on 17.11.2008, which has already been discussed while considering the case against accused No.35-Rafiyuddin Kapadiya. Though the confessional statement of A-35

Rafiyuddin Kapadiya is recorded by the Ld. Magistrate after administering Oath and therefore cannot be treated as an substantive evidence yet for the reasons given the court would rely upon it as it has been exhibited and also corroborated by other evidence, for the purpose of strenghtening the relience on the other set of evidence.

16.33.18. The Court also finds that the place of Halol camp constitutes one of the sequels to conspiracy. Upon perusal of the record, it also appears that accused No.1-Jahid Shaikh led investigators to the said place and upon search, many objectionable articles were found and seized, supporting the case of the prosecution that the camp had actually been conducted there.

16.33.19. The Court has also considered the confessional statement of accused No.21-Mehndi Hasan who is from Rajasthan. Accused No.21-Mehndi Hasan has specifically stated in his confessional statement that when participants started arriving to attend the Halol camp and came to the Dargah, accused No.59-Mohammad Ansar was assigned the duty of receiving the participants. Accused No.21-Mehndi Hasan has also stated about accused No.59-Mohammad Ansar, by referring to him as 'Nadwi Sahab', and stated that he alongwith others imparted training such as trekking and was actively participating in the Halol Camp, as in the Kerala camp. Accused No.21-Mehndi Hasan has also stated that accused No.59-Mohammad Ansar delivered takrir during the camp. The role therefore of this accused was a Trainer in the camp.

16.33.20. Thus, upon considering the evidence on record i.e., the confessional statements of various accused, which state about the presence and active participation of accused No.59-Mohammad Ansar in both the camps, it is sufficiently established that accused No.59-Mohammad Ansar had not merely attended the camps, but had also

actively participated by receiving the participants, imparting training and delivering speeches. Therefore, the role of accused No.59-Mohammad Ansar in the conspiracy which was with a common object of mass killing by causing bomb blasts stands sufficiently established.

16.33.21. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.59-Mohammad Ansar @ Siddik @ Nadvi S/O Abdul Razak Muslim. The Court has therefore, no reason to interfere with the conviction recorded.

(Accused No.21 in Criminal Confirmation Case No. 2/2022 and Appellant No.5 in Criminal Appeal No. 727/2024):

16.34.1. In case of accused No.32-Asif @ Hasan S/O Bashiruddin Shaikh, he has been convicted for various offences by the trial Court, and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.34.2. Learned advocate Mr. Somnath Vatsa in connection with accused No.32-Asif @ Hasan Shaikh submitted that the first arrest is in a Bombay case from where he was arrested in C.R. No.236 of 2008 at Shahibaug Police Station. The role is that of hiring of the hideouts and as a part of conspiracy, to use the I.C. and program it for the explosive device. This accused has accompanied co-accused i.e., accused No.51-Dr. Anvar Bagvan with agent Akhtar to land lord Reza. He submits that with regard to this accused, he advances the same arguments as that for previous accused-Fazal-E-Rehman. In this case, two prosecution

witnesses have identified accused No.32-Asif @ Hasan Shaikh in Test Identification Parade (Exh.3179) on 09.01.2009 as a person, who accompanied Anwar Bagvan for the purpose of hiring of the premises of Ashok Muse. It is though submitted that even if accused No.32-Asif @ Hasan Shaikh is believed to be associated with the house, there is no evidence on record as to how the house is connected to the offense. There is no recovery or discovery of any incriminating material or any activity that has come on record which took place within that house.

16.34.3. Thereafter, learned advocate has submitted that the present accused is attributed with the role of integrated circuit (I.C.) which was important component of the bomb. However, the evidence in this regard is not an admissible evidence to establish the same. The evidence is the panchnama Exh. 6508 dated 29.11.2008 which only records what the accused No.32-Asif @ Hasan Shaikh orally describes about his knowledge of functioning of I.C., but mere knowledge is not sufficient to implicate. The prosecution ought to have established actual putting into use such knowledge and how the accused has transmitted it on such a large scale basis. There is no evidence as to how and when the I.C. was procured.

16.34.4. The prosecution also ought to have established that the I.C., which is of no use unless programmed then in this case how and who programmed the I.C. so as to make it effective.

16.34.5. Exh.6507 is evidence of PW No.910; Ushakant Chimanlal Mistri, who is the panch of the panchnama of the I.C. which was preserved, according to learned advocate, there is no purpose of this panchnama as for what reasons Police Constable-Fulsingh came to the spot with I.C. in a sealed jar is not known.

16.34.6. However, the Court having perused Exh.6507, it is deposed

by witness that what was shown is the circuit in which there is an I.C. and in that I.C., time has to be set by use of digital timer machine and the accused orally explained the manner in which digital timer machine is connected to the I.C. and the time can be set after setting of the time in the I.C. a detonator and explosives are connected and then a 9 volt battery connected, the power of which will be supplied as per the time set to trigger the detonator and the blast.

16.34.7. Though witness has been cross examined with regard to language, sealing and about the witnesses' own knowledge about the circuit and battery operation however, nothing substantial is coming out to doubt the deposition or to consider him as a tutored or biased witness. What this witness has demonstrated is the disclosure of the knowledge of the accused as to effective use of various components and his knowledge specifically to set a time for device to explode.

16.34.8. Learned advocate has submitted that the investigation had already sent questionnaire to Bharat Electronics Limited vide Exh. 8098 and in response to the questionnaire, BEL had submitted its reply vide Exh.8099 and the entire questionnaire is pertaining to the I.C. The argument, therefore, is that considering the date on which the Investigating Officer at Surat received the response from BHEL, the investigation officer was aware about several facts regarding I.C., particularly, the chip being programmable and containing the program and therefore, the investigation qua the present accused, nothing new was discovered and therefore, the panchnama Exh.6508 is hardly of any relevance. It is submitted that even if the panchnama is to be believed, then also, there is a gap qua the investigation about how the chip was programmed and whether the appellant is having any role in it. Therefore, the fact that the chip is programmable is an information

which was already available on the basis of BHEL report and FSL report.

16.34.9. Learned advocate has further argued in this context that 78 accused were tried however, it is only the present appellant is attributed to have a knowledge and has been chosen for the task of programming the chip. Therefore, the prosecution ought to have brought on record the fact of actual programming of the chips in large quantity and association with co-accused so as to put such chip in active use.

16.34.10. According to learned advocate, the only connection that the prosecution draws is the point out panchnama vide Exh. 8530, which is drawn at behest of co-accused Naushad and during this panchnama, he points out the place where he had boarded the travel bus alongwith the present appellant for travelling from Pune to Surat. Apart from this, there is no further investigation though the contemporaneous material would have been available from the travel's office still there is no investigation about recording statement for the travel office or seizure of any documents pertaining to such travel.

16.34.11. It is also submitted that the point out panchnama without there being any recovery or discovery and that too such panchnama being executed post arrest, cannot be treated as a relevant evidence by usage of Section 10 of the Indian Evidence Act and therefore, learned advocate submitted that insofar as the present accused No.32-Asif @ Hasan Shaikh, there is no evidence connecting him with the offense and for the role that the prosecution is attributing to the appellant there are in fact contradictory evidences attributing similar roles to different accused persons by different set of evidences. This makes the case of prosecution unreliable.

16.34.12. In this very regards, learned Advocate has referred to

Exh.6508, which is a document by which the prosecution attributes the act of setting of "time" in the explosive devise in the I.C. by referring to Prince make clock. It is argued that erroneously the Sessions Court has taken into consideration Exh.6546; panchnama attributing the Mechanism of time setting to this appellant; Asif whereas Exh.6546 is the panchnama drawn at the behest of accused No.31-Mohammad Arif.

16.34.13. In this regard, the Court has taken into consideration Page-6570 of the judgment. The Court was referring to the evidence of the PW No.1155-N.B. Parmar; I.O. vide Exh.8517 what got the panchnama executed through accused No.31-Mohammad Arif and the actions recorded in the panchnama is also that of accused No.31-Mohammad Arif. This fact is referred in the judgment at Page-6566 while referring to the evidence of PW No.988; Nimesh Bhanuprasad Brahmbhatt vide Exh.6871, PW No.835- Hitesh Jayantilal Trivedi vide Exh.5631 and therefore, on Page-6570 mentioned to accused No.32-Asif @ Hasan Shaikh in discussion of evidence of the Investigation Officer has to be a 'typo' and in place of accused No.31-Mohammad Arif, accused No.32-Asif @ Hasan Shaikh is mentioned. Such a mention was made only to give a continuity to the role, which was attributed to this accused. Both the panchnamas Exh.6546 and Exh.6508 are executed on the same day and demonstrate the similar actions of the accused, but both are drawn independently on separate times and have different panch witnesses. These panchnama in facts demonstrate a 'fact' of knowledge, which was within special knowledge of the accused, which has come on record. This evidence therefore cannot be discarded as being irrelevant.

16.34.14. This is an important circumstance of meeting of minds, with commonality of the knowledge to prepare the explosive device is on record and therefore, the argument that there has to be direct evidence on

the record that the accused actually committed an act of setting the time with the use of digital time setting device, cannot be accepted as the 'act' of setting up the device with explosive with use of I.C. and clock, which amounts to offence in fact, is an act towards the conspiracy and not be expected to be done in full public view, but obviously be done in a clandestine manner.

16.34.15. Learned Advocate has also reiterated his argument about the accused being from Maharashtra and not acquainted with Gujarati and the panchnama being in Gujarati and there being no noting within the panchnama about what is recorded in panchnama is being explained to accused in language known to him has put the investigation and also the content of the document in doubt. So, can such a document be used as a admissible piece of evidence?

16.34.16. Learned Additional Advocate General for the State has submitted that accused No.32-Asif @ Hasan Shaikh is involved by PW-967/Exh.6780 namely Reza resident of Puna. The witness is a owner of a flat situated in Ashoka Muse Society Puna bearing flat No. Sh-302 and through this witness another witness Akhtar Hanif has given his flat on rent to a person namely Doctor Anwar Bagvan (accused No.51). Accused No.51-Doctor Anwar Bagvan has taken on rent this flat for its occupation by his family members and agreement to that effect was also executed. When accused No.51-Doctor Anwar Bagvan came for rental arrangement, he was accompanied by one another person, who he introduced as his brother. On completion of rental term, the witness instructed accused No.51-Doctor Anwar Bagvan to vacate flat premises but under the guise of Ramzan, accused No.51-Doctor Anwar Bagvan requested for extension of the agreement and during the period of extension, Bombay Police searched his flat and he came to know from

them that his tenants were arrested. He was also told that jihadi material and material for preparation of bomb was seized from them. Bombay Police recorded his statement and he was also handed over rent agreement to them. Ahmedabad police also came to witness and they instructed witness to come over to Ahmedabad. Ultimately, the witness had gone to Ahmedabad at the address given to him which was a place known as old Collector Office Compound, Ahmedabad. He had participated in the Test Identification Parade and gave his identity card to the Saheb, who was present there. During the course of Test Identification Parade, he had identified a person, who came to his place alongwith accused No.51-Doctor Anwar Bagvan when he came for the purpose of execution of an agreement. The person was identified by witness namely Asif @Hasan shaikh as recorded by the Magistrate. It is submitted that the said person Asif is accused No.32-Asif @ Hasan Shaikh in the present proceedings and accused No.32-Asif @ Hasan Shaikh was introduced by accused No.51-Doctor Anwar Bagvan as his brother. Subsequent to it, he was subjected to interrogation by Ahmedabad Police. The witness was also called upon to examine xerox copy of the rental agreement, which he examined on the basis of terms of agreement as well as photo of him and accused No.51-Doctor Anwar Bagvan alongwith signatures of them. This agreement is submitted through application Exh.6779 and Mark A. Though witness identified accused No.32-Asif @ Hasan Shaikh in the course of Test Identification Parade, which is Exh.3179, but failed to identify accused No.32-Asif @ Hasan Shaikh during the course of deposition on the explanation of lapse of time.

16.34.17. It is submitted that accused No.32-Asif @ Hasan Shaikh is also involved by PW-965/Exh. 6776 namely Akhtar Hanif, a resident of

Puna. This witness was interrogated by Ahmedabad Police who has deposed that he was caretaker of flat No.302 Ashoka Muse, a flat owned by above witness Reza Exh.6780. The witness further deposed that this flat was took on rent by a person named Dr. Anvar Bagvan (accused No.51) and his brother accused No.32-Asif @ Hasan Shaikh. The witness also stated that person named accused No.32-Asif @ Hasan Shaikh, who was taken by witness to the above flat and the flat was shown to him. Also, accused No.32-Asif @ Hasan Shaikh was taken to witness Reza and accused No.32-Asif @ Hasan Shaikh was introduced by accused No.51-Doctor Anwar Bagvan as his brother. During the course of rental arrangement, accused No.51-Doctor Anwar Bagvan told that he was going out and his brother would occupy the rental flat. The witness further stated that on phone call from witness Reza on 21.12.2008, he learnt about police alongwith one madam having come to their flat. The police arrested persons as blasting material was found from the flat. The witness was subjected to interrogation by Bombay police and police sealed the flat. In January, the witness was instructed to come to Ahmedabad Court, where he gave his identity proof as asked and the witness was subjected to Test Identification Parade and during the course of such Test Identification Parade, the witness identified person whose name was accused No.32-Asif @ Hasan Shaikh who took on rent flat of Ashoka Muse. Though witness successfully identified in Test Identification Parade Exh.3179 which is also proved through Executive Magistrate Exh.3159, witness failed to identified accused No.32-Asif @ Hasan Shaikh during the course of his evidence but could not identify.

16.34.18. The Court has considered submissions of the parties. In the opinion of the Court, so far as, this house i.e. flat No. 302 of Ashoka

Muse is concerned, the above referred witnesses clearly stated about this flat being occupied by accused No.51-Doctor Anwar Bagvan and has introduced accused No.32-Asif @ Hasan Shaikh as his brother and there is one more person who is introduced by accused No.51-Doctor Anwar Bagvan, as his friend. It is submitted that the Court has perused deposition of PW-966/ Exh.6777, Asfaq Ahmed Saiyaed of Puna. The witness is Real Estate Consultant and is interrogated by Ahmedabad Police on 21.12.2008, The witness has stated that for the purpose of rental arrangement of the above referred flat of Ashoka Muse, accused No.51-Doctor Anwar Bagvan, whose name is Anvar Bagvan came with one person who was fair in skin and of medium height was introduced as friend of accused No.51-Doctor Anwar Bagvan.

16.34.19. The Court finds that this witness was subjected to Test Identification Parade in January 2009 and was called upon to identify a person, to whom the witness knew as person and to whom the flat was given. During the course of Test Identification Parade, according to witness, accused No.51-Doctor Anwar Bagvan was not present and the person who came as a friend of accused No.51-Doctor Anwar Bagvan was identified by witness as a person whose first name is F and last name is Durani as a person who came with accused No.51-Doctor Anwar Bagvan as his friend. This person who is identified by witness as a person whose first name is F and last name is Durani is as such accused No.45-Fazale Rehman @ Saluddin Musaddikkhan Durani of Pune, Maharashtra.

16.34.20. The Court finds that though witness successfully identified him in Test Identification Parade, but failed to identified him during the course of his deposition because of lapse of time and growing of beard. During the course of cross-examination, more particularly in para 7., the

witness has reiterated about accused No.51-Doctor Anwar Bagvan, who came with his friend. All these three accused, who are connected with flat No. 302 of Ashoka muse, from where explosive material for making bomb was found as well as one article identified as electronic circuit was found from a motorcar i.e. black Wagon R, referred hereinabove loaded with substantive explosive substance and this electronic circuit was one of them and being shown to accused No.32-Asif @ Hasan Shaikh, who then demonstrated and described functioning of this electronic circuit, till the stage of explosion.

16.34.21. It appears that above referred evidence of witness Exh.6777 named Asfaq Saiyeed, who has identified accused No.45-Fazale Rehman during the course of Test Identification Parade as a person who came as a friend of accused No.51-Doctor Anwar Bagvan was compelled to give an explanation under Section 313 of Cr.P.C. about his identification to which accused No.45-Fazale Rehman explained that the witness identified with the aid of police and the witness and accused No.45-Fazale Rehman, both came together from jail to the place of Executive Magistrate. This explanation was given at the stage of further statement, is nowhere brought on record during the course of cross-examination to any relevant witness by accused No.45-Fazale Rehman.

16.34.22. The prosecution would rely on the evidence of witness Akhtar Hanif Exh.6776, named Reza at Exh.6780 so far as, arrangement of rental agreement of flat No. 302 of Ashoka muse by accused No.51-Doctor Anwar Bagvan as well as his brother accused No.32-Asif @ Hasan Shaikh. So far as, accused No.32-Asif @ Hasan Shaikh is concerned, there is one more circumstance of panchnama Exh.6508, but evidence of Akhtar at Exh. 6776 and Reza at Exh.6780 would be equally applicable to accused No.51-Doctor Anwar Bagvan and accused No.32-

Asif @ Hasan Shaikh. However, the Sessions Judge has not believed the case on this count against accused No.51-Doctor Anwar Bagvan and State has not challenged the acquittal of accused No.51-Doctor Anwar Bagvan. Even then, State would strongly rely on the evidence of these two witnesses, which cannot be discarded, merely because on the basis of this, accused No.51-Doctor Anwar Bagvan is acquitted. On this legal aspect prosecution would rely on the decision of Supreme Court in case of ***Brathi Alias Sukhdev Singh Versus State Of Punjab reported in 1991 (1) SSC 519***. Relevant part of the judgment is reproduced here under:

"8. ....In the matter of appreciation of the evidence the powers of the appellate court are as wide as that of the trial court. It has full power to review the whole evidence. It is entitled to go into the entire evidence and all relevant circumstances to arrive at its own conclusion about the guilt or innocence of the accused. ***I****n Sunder Singh's case (AIR 1962 SC 1211) (supra), this Court has held that the provisions of sec. 423(1)(a) do not create a bar against the appellate court considering indirectly and incidentally a case against the person who was acquitted, if that becomes necessary when dealing with the case in the appeal presented on behalf of the other accused who are convicted. In considering the evidence as a whole, the appellate court may come to the conclusion that the evidence against the person acquitted was also good and need not have been discarded. When several persons are alleged to have committed an offence in furtherance of the common intention and all except one are acquitted, it is open to the appellate court to find out on a reappraisal of the evidence that some of the accused persons have been wrongly acquitted, although it could not interfere with such acquittal in the*

absence of an appeal by the State Government….."

16.34.23. The Court finds that the prosecution has also placed and proved panchnama Exh.6508 against accused No.32-Asif @ Hasan Shaikh. This panchnama is dated 29.11.2008 which was drawn by C Division Police Surat at DCB Police Station, Surat between 12:00 to 13:00 hours demonstrating time setting-timer in IC Circuit. During the course of this panchnama, in a transparent plastic jar-cover which was sealed in condition containing electronic circuit was produced. Accused No.32-Asif @ Hasan Shaikh was present in police station, who referred object containing in plastic jar-cover as programmable circuit and gave other particulars about it based on shown programmable circuit. He had explained in detailed regarding working and functioning of this circuit made with battery, detonator etc, till the time of its explosion. Panchnama Exh.6058 is proved through PW-910/Exh. 6507 and Investigating Officer PW-1155/Exh.8517. The Investigation Officer also deposes about sealed plastic jar-cover as referred in the panchnama having being brought by Police person named Phulsingh Makanbhai.

16.34.24. It appears that the prosecution has also placed reliance on above referred police person named Phulsingh bhai Makanjibhai Chaudhary who was examined as PW-1020/Exh. 7021. As per the evidence of this witness, in July 2008 he was working with Kapodra Police station as Police Constable and in November 2008, he was working as Crime writer Head. On 26.07.2008, because of explosion of bomb in Ahmedabad, alert was declared in Surat and on 27.07.2008 witness was in patrolling team headed by P.S.I B R. Halpati. On 29.11.2008, on telephonic instruction received by witness, Muddamal articles like programmable IC circuit chips in sealed condition which was seized in the matter of F.I.R registered with Kapodra Police Station

vide C.R. No.175/2008, was given to Assistant Police Commissioner and the same was returned to him as it is and was given back and deposited in Police Station.

16.34.25. The Court finds that prosecution has also placed reliance on panchnamna Exh.2385 drawn by Kapodra Police Station, Surat city on 27.07.2008 between 16:00 to 20:25 hours at Sitanagr Chokdi, Opp. Puna General Hospital, Main Road, which clearly states about one black colour Wagon R motorcar number GJ-6-CD-3569 was found at that place and in presence of officers of Bomb Disposal Squad, window panes of motorcar were broken and doors of motorcar were open. The said panchnama was drawn in the presence of F.S.L Officers as well as panchas. From the motorcar, different objects-articles more than 32 were found which would include articles like detonator, Prince Company clock, Ammonia Nitrate paste, wires, petrol, multimetre for the purpose of checking wires, printed circuit board, integrated circuit with timer programmer lock, batteries and many such objects and articles. Recital of panchnama also states about the articles found from inside the car and some articles were collected for the purpose of its scientific examination by F.S.L Officers which would include item Mark A-11, described as electronic circuit. The case of the prosecution that the item Mark A-11 is the same which was subjected to demonstration during panchnama Exh.6508 through accused No.32-Asif @ Hasan Shaikh.

16.34.26. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.32-Asif @ Hasan S/O Bashiruddin Shaikh. The Court has therefore, no reason to interfere with the conviction recorded.

16.35. In case of Mohammad Arif Nasim Ahmed Mirza Azamgadh (U.P.) (A-36)

(Accused No.22 in Criminal Confirmation Case No. 2/2022 and Appellant No.16 in Criminal Appeal No. 1710/2022):

16.35.1. In case of accused No.36-Mohammad Arif Nasim Ahmed Mirza, he has been convicted for various offences by the trial Court and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.35.2. Learned Senior Advocate Shri Abhay Thipsay has made submissions on behalf of accused No.36-Mohammad Arif Nasim Ahmed Mirza. The role of accused No.36-Mohammad Arif is to be part of conspiracy by undertaking recce and planting the bombs in the Khadia area, where serial blasts took place at approximately same time as other serial blasts in Ahmedabad.

16.35.3. According to learned Senior Advocate, the evidence against this accused is merely in the form of point out panchnama and the witness whose evidence is not reliable considering the seriousness of offence.

16.35.4. Learned Senior Advocate assailed the evidence of eye-witness PW No.936-Sunil Patel vide Exh.6613 as the statement of this witness was recorded on 07-12-2008 coincidentally, the same date on which the panchnama Exh.6024 was drawn. It is submitted that on the very day the accused was taken to the location of the business of the witness and therefore, there is a doubt there the witness must have been made acquainted with the accused. It is also argued that the deposition in all cannot be relied as the location of business of PW No.936 is such that it is unlikely to see the activities in a crowded area. The witness deposed that he saw two outsiders moving around on two occasions. Moreover,

the area is so crowded that witness cannot be be sure of seeing these to accused. He submits that as the witness has failed to identify the accused in the Court, the evidence is of no consequence even if the Test Identification is conducted successfully.

16.35.5. In this connection with the identity of accused, the Court has discussed in detail the evidence of Test Identification, is admissible in the facts of present case under the sub-chapter of "Identification" under the chapter of "issues".

16.35.6. Learned Senior Advocate also submitted that the process of Test Identification is also doubtful as for the identification five dummy persons were brought. The process was conducted in haste on 10.12.2008 which was the day on which remand period of the accused to expire. From the evidence of Investigating Officer, PW No.1154-Usha Bachubhai Rada vide Exh.8340, a report for Test Identification was made on 10.12.2008 and the witness was summoned to remain present at 2.30 p.m. through the sub-oridinate. The Test Identification Parade conducted by 3.15 p.m.. According to learned senior advocate, it is too less a time and that the remand period was to expire at 3.30 p.m. The Court has therefore, considered the deposition of PW No.588-Laxman Keshvalal Parghi, the Executive Magistrate vide Exh.3130. He has referred to Exh.3149 and 3150, the communication for Test Identification Parade. The Court does not find anything unusual to caste doubt on holding of Test Identification particularly, where an Executive Magistrate has deposed to holding of Test Identification and it is also in consonance with evidence of eye witness and the evidence of Investigating Officer in support merely on timings of panchnama, the genuineness of t Test Identification cannot be doubted.

16.35.7. The other evidence being panchnama Exh.6062 where

accused No.36-Mohammad Arif wanted to disclose something voluntarily and therefore, PW No.866-Ramesh Gabbubhai Shah vide Exh.6061 and co-panch Laxinarayan were summoned. The panch team was led by accused No.36-Mohammad Arif to the three locations where blast had taken place. It is argued that the bomb sites were in common knowledge. It is required to be noted that accused is of Azamgadh. The bomb-blast is on 26.07.2008 and accused No.36-Mohammad Arif was arrested on 21.11.2008 only if he is aware of the sites on account of his role that he will be able to identify the exact place of blast location after five months of the incident. Merely because Investigating Officer is aware of such location, cannot create a doubt that contents of the panchnama is manipulated by Investigating Officer to make it appear as a disclosure panchnama in absence of any such questions put either to Investigating Officer or the panch witnesses and answered as such to caste any suspicion. The Court is inclined to believe the voluntary disclosure under which accused No.36-Mohammad Arif has identified the location of three blasts within Khadia area of Ahmedabad.

16.35.8. It is also observed that within the same panchnama, accused No.36-Mohammad Arif has also led the team to the house No.10 of Al-Mohamadi Society which is the hideout use by the accused. The accused being an outsider, was still able to lead the panch team from this house through the exact route which it took for recce and thereafter, ended the trip near a shop Durga Foot Ware in Sarangpur, where three bicycles were parked by co-accused.

16.35.9. According to learned senior advocate, as there was no seizure of material object, it is not a panchnama under Section 27 of the Indian Evidence Act. The Court has already discussed about the pointing out panchnama in the nature of offence the “material object” recovery is not

absolute the "fact" discovered as per the requirement of Section 27 can be a "mental fact" about the knowledge of the accused about the place and its association of the place with the offence. As in a offence of conspiracy, there would obviously be no "recovery" of any "physical object".

16.35.10. The other panchama assailed by defence is panchnama vide Exh.6024 by which accused No.36-Mohammad Arif voluntarily disclosed the exact location of where he had planted the bomb laden bicycle at three different spots, where the bomb exploded.

16.35.11. It is submitted that panchnama vide Exh.6024 is drawn to fill up the lacuna of Exh.6062 as Exh.6062 was exhibited on 06.12.2008 and Exh.6024 on 07.12.2008. Therefore, whatever disclosure was made on 06.12.2008 ought to have been covered under the panchnama of that day only. Therefore, it is doubtful why the panchnama on next day was necessary. For this, the Court may refer to these two panchnamas vide Exh.6062 and Exh. 6024. The contents itself would demonstrate the variation in voluntarily disclosure which is the panchnama vide Exh. 6062 on 06.12.2008. The discovery was for the hide out and the route undertaken for conducting recce. It is pertinent to observe here that the accused are from Azamgagh and not from Ahmedabad. Therefore, it is relevant to bring on record the knowledge of accused No.36-Mohammad Arif about the route for recce and it will be covered under Section 27 of the Evidence Act. Exh.6024 is proved by PW No.860-Jagatsing Javansingh Rajput vide Exh.6023. PW No.860, a panch witness alongwith co-panch Anna Jagannath has deposed about the contents of panchnama and the voluntarily disclosure. Accused No.36-Mohammad Arif first wanted to be taken to house No.10-Al Mohamadi Society from there he led the team to shop named Durga Footware in

Sarangpur. It is from this spot, where three bicycle were parked by co-accused, out of which one was taken by accused No.36-Mohammad Arif alongwith the bag of bomb to another spot. Accused No.36-Mohammad Arif therefore led the team to Raipur Chakala Police Chowki and identified a location near Everest Auto Centre where the bicycle with bomb was parked.

16.35.12. Referring to his general arguments on Section 27 panchnama, it is submitted that these two panchnamas are hit by Sections 25 and 26 of the Indian Evidence Act and also by Section 162 of Cr.P.C.

16.35.13. From the record, it appears that the accused is a native of Azamgadh in U.P. and as a part of conspiracy was to undertake recce of crowded places in Ahmedabad and then parked the bomb laden bicycles and return. The accused was arrested from Lucknow where he was arrested in another offence at Wazirganj Police Station. It is therefore, prayed that a case is made out for clear acquittal.

16.35.14. Learned Additional Advocate General for the State has submitted that before placing evidentiary material against accused No.36-Mohammad Arif, who is from Uttar Pradesh, the prosecution would rely on evidence of eye-witness being PW No.936-Sunil Shantilal Patel, who was examined vide Exh.6613 and was doing business of phenyl near to Gokhale Pan House.

16.35.15. It is submitted that the prosecution would also rely on panchnama Exh. 6062 drawn on 06.12.2008 from 13.00 hours to 15.00 hours. On this day and time, accused No.36-Mohammad Arif was at Crime Branch Police Station and voluntarily intended to show certain places. He referred to doing recce while mentioning name of accused No.27-Abdul Rajik and two other persons Mohammad Khalid and Mohammad Salman (both absconder). During the course of second part

of this panchnama, accused No.36-Mohammad Arif led police to show through Chandola Talav and Beral market and also passing through Nabi Nagar, R. M. Pan Parlor and pointed out one house, which is House No.10 Al-Mohamdi society. He also referred to this house in context of accused No.27-Abdul Rajik and other two absconders as well as accused No.75- Mohammad Rafiq. Thereafter, accused No.36-Mohammad Arif led police and panchas to a place called Bhut Ni Ambli near Petrol Pump, Astodia and a place called Shri Ram Cha Ghar and Shree Ram Pan Ghar, where accused No.36-Mohammad Arif took tea and smoke Cigarette and thereafter, also led to a place named Gokhale Pan House, Raipur Darwaja, where absconder Khalid ate pack of Gutkha and accused No.36-Mohammad Arif also led to a place called Sarangpur Chakla, a crowded area where vegetable lorries used to gather to sell vegetables. accused No.36-Mohammad Arif also led to a place near to Sarangpur Bridge and going further towards Ashirvad Shoe Market pointed out a shop named Durga Footwear, where three cycles were dropped. Panchnama Exh.6062 is proved through PW No.866-Rameshbhai Gabbubhai Shah, vide Exh.6061 and Investigating officer PW No.1154-Usha Bachubhai Rada, vide Exh.8340.

16.35.16. It is submitted that prosecution would also rely on one another panchnama Exh.6024 drawn on 07.12.2008 from 09.00 hours to 11.00 hours. The first part of this panchnama was drawn at Police Station in presence of accused No.36-Mohammad Arif during which, accused volunteered to show places from where he took cycle and planted cycle loaded with bomb. During the course of second part of the panchnama, witness volunteered and said that on 26.07.2008, he came to House No.10, Al-Mohmadi Society and from there, he and other two absconders Khalid and Salman took bags of bomb and from Beral

Market went to Sarangpur in rickshaw and from there he went to a place known as Durga Footwear from where out of three cycles, one cycle was taken from there. Thereafter, accused No.36-Mohammad Arif led police to a place where other cycles were planted, which is place called M. Narandas Medical Store. The prosecution has proved this panchnama Exh.6024 through PW No.866-Rameshbhai Gabbubhai Shah vide Exh.6061 and Investigating Officer PW No.1154-Usha Rada vide Exh.8340.

16.35.17. The Court has considered the submissions of the parties. In the opinion of the Court, on 26.07.2008, bomb blast occurred near Gokhale Pan House and M. Narandas Medical Store and an FIR was registered at Khadia Police Station, which include third place where third bomb blast has also occurred at a place within Sarangpur Chakla. Pursuant to this incident, investigator drew panchnama of scene of offence at Exh.1718 on 27.07.2008 between 00.15 hours to 03.30 Hours. On bare reading of this panchnama, it clearly appears that at the scene of offence which are two different places, two damaged cycles are found near Gokhale Pan House and M. Narandas Medical Store, which is primarily relevant for submission against accused No.36-Mohammad Arif. The panchnama also includes area where third blast also took place almost at the same time at a place called Sarangpur Chakla in the same manner and this third place is also near to earlier two places. Consequent to the incidents of Khadia Police Station, as per the investigation material, five persons lost their lives and 46 persons suffered injury besides property loss.

16.35.18. The Court also perused deposition of PW No.936-Sunil Shantilal Patel vide Exh.6613, who deposed that on 26.08.2008, he was at the place Gokhale Pan House, Raipur Chakla and at around 12

O'clock, he saw two boys, which he knew that they are from other States. Thereafter, on the same day, in the post noon at around 4 to 5 O'clock, witness was near to Gokhale Pan House and he saw those two boys, whom he saw in the morning with cycle. From these two boys, one boy parked his cycle near Gokhale Pan House and the other boy parked his cycle near M. Narandas Medical Store. The witness stated that post bomb blast, people ran helter-skelter and witness also was frightened. The witness distinctly deposed that blast had happened through these two cycles. Some persons were injured, ambulance was called and witness left the place and went home informing his mother about it and mother responded not to involve himself in all these and hence, the witness did not talk on it.

16.35.19. The witness deposes that after around four months, he knew through newspaper that persons involved in Raipur Chakla bomb blast are apprehended and hence witness told about what he saw on the day of blast to some elders and also said to them that he had seen two boys involved in it and witness was advised to inform about it to the Crime Branch and, hence, witness and the elders went to the police station and informed about it. The witness saw one lady police officer and he communicated to her about the things which he saw on the day of incident, which ultimately led to bomb blast. The police inquired whether he can identify those two persons, to which the witness replied that two persons whom he saw were of 20 to 22 years of age and were looking like collegians.

16.35.20. It appears that few days thereafter, police informed witness for attending Court of Executive Magistrate on 10.12.2008 and thereafter witness was subjected to Test identification parade and he was called upon to identify person, whom he saw on the day of incident and

dropped cycle at the two places referred hereinabove. The witness successfully identified one person who was brought out from dummy persons by holding his hand and on inquiry from Executive Magistrate, his name was Mohammad Arif Mirza of Uttar Pradesh. Witness was also subjected to police interrogation thereafter.

16.35.21. The Court finds that though witness successfully identified above-referred person who is accused No.36-Mohammad Arif from UP, he could not identify accused No.36-Mohammad Arif during the course of his deposition and the reason assigned by it is described by the witness is that when he saw two persons, they were young and without beard and mustaches and today accused persons shown to him are mostly having beard are also wearing specs and caps and hence, he is unable to identify.

16.35.22. The Court finds that witness was subjected to cross-examination and during it, to a suggestion that it is not true that witness has not disclosed appearance of persons, their skin colour, clothes, height and hence, witness had disclosed about persons, he saw on the day of blast.

16.35.23. Hence, credibility of witness is challenged by suggesting that witness is doing wrong in his business and to save himself from police proceedings for doing wrong in business, the witness has given false evidence and he has denied about it. The defence had simply made allegation about doing wrong in business by witness without putting on record, as such, what was the scale of business of witness, etc., but, regardless of the fact that witness was doing business of phenyl standing near to these two shops itself shows that witness is doing business on very small scale who would hardly be scared of police.

16.35.24. So far as one aspect of witness not immediately reporting to

the police, the prosecution would rely on the observation made in the case **Kartar Singh v/s. State of Punjab, reported in, (1994) 3 SCC Page 569.** Relevant para-288 of the judgment is extracted and reproduced hereunder:

> "*Generally speaking, when the accused persons are of dead character, the witnesses are unwilling to come forward to depose against such persons fearing harassment at the hands of those accused. The persons who are put for trial under this Act are terrorists and disruptionists. Therefore, the witnesses with all the more be reluctant and unwilling to depose at the risk of their life……*"

16.35.25. The Court finds that the defence has tried to discredit evidence of this witness by relying upon Map Exh.3415 collectively. The witness Exh.6613-Sunilbhai is not asked any question based on this map. By relying on such Map, defence has argued about placement of witness is such place that he could not have seen two persons planting cycle at the place of bomb blast. However, the credibility of witness can be impeached by cross-examining him and asking him whether he was in a position to actually see those two persons or not. When witness was not even shown any Map, then defence cannot pre-suppose based on Map that witness would have stood at a particular point as pointed from and therefore, he could not have seen the incident. Such type of arguments are to be treated as absolutely vague and the only way to appreciate evidence of witness Sunilbhai is to examine it in its entirety and not on any other piece of material namely Map.

16.35.26. Though defence has relied on the Map, which according to prosecution, is totally unwarranted as witness has not asked anything based on the Map, more particularly in context to showing of Map and based on it placement of accused. Even otherwise, prosecution has examined PW No.696-Pravinbhai Bhagvanbhai Muliyana vide

Exh.3413, a Revenue Officer, who actually prepared Map vide Exh.3415 and no substantive cross- examination on it from any of the accused.

16.35.27. There is an evidence of an eyewitness against his accused who has deposed that it was the accused who had planted the bomb laden bicycle at the location where the blast took place. Despite the cross examination, the Court find the evidence of the eyewitness to be reliable.

16.35.28. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.36-Mohammad Arif Nasim Ahmed Mirza. The Court has therefore, no reason to interfere with the conviction recorded.

16.36.In case of Mohammad Saif @ Rahul Sabad Ahmed @ Mr. Sheikh (Uttar Pradesh) (A-38)

(Accused No.24 in Criminal Confirmation Case No. 2/2022 and Appellant No.18 in Criminal Appeal No. 1710/2022)

16.36.1. In case of accused No.38-Mohammad Saif @ Rahul Sabad Ahmed @ Mr. Sheikh, he has been convicted for various offences by the trial Court, and has been sentenced to death penalty in Sessions Case No.38/2009 and others.

16.36.2. Learned Senior Advocate Mr. Abhay Thipsay has argued on behalf of accused No.38- Mohammad Saif @ Rahul Sabad Ahmed @ Mr. Sheikh. The role attributed to the accused is that he has played active role in conspiracy and staying in the hide out for making bombs and placing the cycle laden with bomb/explosives at certain locations.

16.36.3. According to learned Senior Advocate, the case is based on (a) a point out panchnama Exh.5794 where accused No.38-Mohammad

Saif pointed out House No.10 of Al-Mohamadi Society, as a place where bombs were made and accused has stayed, (b) point out panchnama (Exh.6087), the locations where the bomb laden cycle were parked, (c) PW No.933-Shaikh Mohammad Rashid vide Exh.6602 identifying this accused as person, who came to his shop and was residing in the area though outsider and (d) finger print on a broken CD recovered from House No.10 of Al-Mohamadi Society. It is the argument for accused No.38- Mohammad Saif that none of the above has been established by leading a cogent evidence, but are the evidences created post arrest.

16.36.4. Reverting to the general submissions made in the context of Section 27 panchnama, it is submitted that Exh.5794 cannot be treated as panchnama under Section 27 as there was no discovery of any new 'material fact' as the Al-Mohamadi house was already within the knowledge of Investigating Officer and being in presence of Investigating Officer, is clearly hit by Section 25 and 26 of Evidence Act as well as Section 162 of Cr.P.C. and also, no recovery of physical object was made during the panchnama.

16.36.5. In this connection, the Court has already dealt extensively with the reasons for treating the voluntary disclosure in the point out panchnama as an admissible evidence, still adverting to the two point out panchnamas, which contain voluntary disclosure of a fact directly connecting the accused. PW No.842-Harish @ Bholu Mahadevbhai Pursani is examined vide Exh.5793 and he has deposed about the voluntary disclosure of accused No.38- Mohammad Saif, who offered in front of prosecution witness to disclose the house in which he had resided alongwith his friends; Chota Sajid and Bada Sajid with whom he came to Ahmedabad. He being outsider asked the Police Party to first take him to Railway Station from where he will take the party to the

location of the house. He deposes that according to wish of accused No.38-Mohammad Saif, he was taken to the Railway Station from where he led to the House No.10 of Al-Mohamadi Society. Of-course, accused No.38- Mohammad Saif did disclose about the bombs being prepared there, which even if excluded from the voluntary disclosure, still there were sufficient evidence in the form of discovery panchnama under which bomb making articles have been seized from the same house albeit a separate panchnama, which is also proved by leading evidence. According to the Court, the voluntary disclosure by the accused deposed to by a panch witness lead to the disclosure of place existing in real i.e. House No.10 of Al-Mohamadi Society, as also mental fact of knowledge of the accused of the very location and hence, voluntary disclosure connecting to the discovery, will have to be accepted as an evidence. Therefore, the prosecution has been able to establish the connection of the accused to House No.10 of Al-Mohamadi Society and the activity conducted therein.

16.36.6. Similarly, Exh.6087 is the point out panchnama of the accused identifying the location, where bomb laden cycles were parked. It is pertinent to observe here that serial blast took place on 26-07-2008. Accused No.38-Mohammad Saif was arrested on 27-10-2008 and the point out panchnama at Exh.6087 was drawn on 05-11-2008. Therefore, the site where the blasts took place was in the knowledge of Investigating Officer, but the question is whether the accused who planted this bomb is leading to the same site is this purpose of the pointing out panchnama. It cannot be presumed that because the site was in knowledge of Investigating Officer, it is automatically in knowlege of accused of the same place or when the accused made voluntary disclosure, the Investigating Officer was confident or knew that accused

No.38-Mohammad Saif is going to lead him to the very place of which he has a knowledge. It is only after the accused lead him in the second part of panchnama (Exh.6087) to the same site that it came on record that the blast site which is on record by the scene of offence the panchnama is identical to the location led to by accused No.38-Mohammad Saif.

16.36.7. PW No.873-Shailesh Prabhudasbhai Dabhi vide Exh.6086 has deposed about the voluntary disclosure by accused No.38-Mohammad Saif. In their presence, he gave his own name and discovery to show the exact location, where exchange of cycle laden with bomb took place with co-accused. He also proceeded to disclose the very location, where the bomb laden cycles were located and locations were identical to the places where the bombs had exploded or discovered. Learned Senior Advocate has tried to point out that there is a discrepancy in the location as the point of location in the panchnama referred to 'Ashapura Travels' while the Investigating Officer; PW No.1163-Mayur Jagmalbhai Chavda vide Exh.8638 has referred to the spot as near to 'Jyoti Mobile'. In the opinion of the Court, there is variation only on the name in the point of reference, but the location where the bomb blast site is located is the same.

16.36.8. The argument advanced by learned senior advocate is that there is a specific act attributed of planting of bomb at Firdosh Baugh police line, which is not proved but the Court is of the opinion that the very offence is an outcome of a conspiracy. Therefore, the accused being a part of conspiracy and his role cannot be seen in isolation as an individual offence.

16.36.9. Learned senior advocate thereafter, argued to discard the evidence of a witness PW No.933-Shaikh Mohammad Rashid vide

Exh.6602 and the Test Identification Parade panchnama vide Exh.3412 of this accused through PW No.933-Shaikh Mohammad Rashid on the ground that it was only on the inquiry made by same Investigating Officer that the prosecution witness stated that as he may have seen the accused for six or seven times, he will be able to identify.

16.36.10. In this connection, it is necessary to refer to a background deposed by the very PW No.933-Shaikh Mohammad Rashid, who runs a shop in the vicinity of Al-Mohamadi Society and knew the people of the locality and accused No.38-Mohammad Saif being from Delhi and not from the locality, the prosecution witness would in natural course isolate out an outsider. It is in this background, PW No.933-Shaikh Mohammad Rashid has deposed that during the investigation he had indicated that he will be able to identify such person pursuant to which, the prosecution witness was summoned for the Test Identification Parade vide Exh.3142 and prosecution witness was able to identify accused No.38-Mohammad Saif. This is an important circumstance to support the case of prosecution about accused No.38-Mohammad Saif being an occupant of House No.10 of Al-Mohamadi Society.

16.36.11. Here the arguments by learned senior advocate that the land lady has not produced any documentary evidence of renting out premises or identifying accused No.38-Mohammad Saif as a person with whom she dealt with, is of no assistance to accused No.38-Mohammad Saif, as the work of procuring premises was assigned to some other accused.

16.36.12. Learned AAG on behalf of the State has placed reliance on the panchnama at Exh.6656 dated 19.09.2008, recorded at House No.10, Al-Mohammadi Society, Danilimda, Ahmedabad. This panchnama was drawn pursuant to voluntariness shown by accused No.1-Jahid S/O

Kutubuddin Shaikh to point out aspects relating to bomb blast which occurred in Ahmedabad on 26.07.2008. During the course of the panchnama, accused No.1-Jahid S/O Kutubuddin Shaikh took all persons to House No.10 Al- Mohammadi Society and as the house was found locked, the lock was broken open and on opening it, all persons entered the house and search was carried out. Among the articles recovered during the search, item no.12 which is a broken computer disc (CD) found on the floor, was found bearing marks of chance finger print.

16.36.13. The prosecution has also relied on the evidence of PW No.958-Anil Bhai Prajapati at Exh.6720, Senior Fingerprint Expert working with FSL Gandhinagar who has deposed that he was present at the time of above referred panchnama at House no.10 Al-Mohammadi Society and that during the search at this place, among the articles recovered, a broken CD was found on the floor bearing a chance print and it was marked as Mark A and was signed by him. On one another article, which is steel tin, on which another chance print was found, was marked as Mark B. It is submitted that on both these objects i.e. Mark A and B, photographer Nilesh Patel on instruction of Joshi Saheb, took photographs and witness received these photographs and the negative of it on 24.09.2008. This witness has also deposed about he having examined both the chance print i.e. Mark A and Mark B (photographs). It is submitted that the said panchnama through which broken CD was found (Exh.6656) is proved through PW-953/Exh.6655 and through the deposition of the Investigating Officer; PW-1154/Exh.8340.

16.36.14. In this regard, the prosecution has also placed reliance on the evidence of PW-1160/Exh.8585 named Rafikbhai Mansoori who works as finger operator at Crime Branch Ahmedabad and had taken finger prints of 47 accused persons and also on the evidence of PW-

1161/Exh.8588; Bhupendra Singh who was working as finger print operator at Crime Branch Ahmedabad at relevant point of time.

16.36.15. It is further submitted that, accused No.38-Mohammad Saif @ Rahul Sabad Ahmed @ Mr. Sheikh, in his further statement at Exh.0160 had given threefold explanation to the finger print impression taken by witness Exh.8588. The first explanation given by accused No.38-Mohammad Saif is about his denial of his finger print impression, the second explanation given by him is finger impressions are not taken abiding with the provisions of law (that would amount to admission that fingerprints are taken), and the third explanation given is police persons used to take finger impression by instructing accused persons to put their finger impressions on different objects. It is submitted that the third explanation is vague and not understandable, and that no police officer have been cross- examined on this third explanation which is that the police persons were taking finger print impressions by instructing accused persons to put their fingers on different flat objects. Therefore, it is submitted that in so far as further statement is concerned, there is no explanation at all about witness Exh.8588 having taken finger print impression of accused No.38-Mohammad Saif @ Rahul Sabad Ahmed @ Mr. Sheikh, which according to prosecution would be an additional link in the circumstances alleged and established against accused No.38-Mohammad Saif @ Rahul Sabad Ahmed @ Mr. Sheikh.

16.36.16. The prosecution has placed reliance on the panchnama at Exh.6656 relating to House No.10, Al-Mohammadi Society, from where broken CD bearing the chance fingerprint was recovered alongwith other articles and objects.

16.36.17. The prosecution has also placed reliance on the panchnama at Exh.5794, dated 03.11.2008, drawn by Crime Branch, Ahmedabad

City. During the panchnama, accused No.38-Mohammad Saif @ Rahul Sabad Ahmed @ Mr. Sheikh led investigator through different places i.e., accused No.38-Mohammad Saif pointed out place inside Kalupur Railway Station from where accused No.38-Mohammad Saif and two other persons Chota Sajid and Bada Sajid (absconder) boarded rickshaw and went to Gita mandir ST stand. Thereafter, accused No.38-Mohammad Saif directed police towards Sarangpur circle, ST circle, Khadia Darwaja and led police to ST (state transport) cross roads, a place from where accused No.38-Mohammad Saif was picked by accused No.37-Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya, and further led police to Shalam Dargah Darwaja, Chandola lake barrel market, a place from where accused No.38-Mohammad Saif was taken to Al-Mohammadi Society by accused No.37-Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya and thereafter, accused No.38-Mohammad Saif led police through Nabi Nagar, R M Pan Parlour and to Al- Mohammadi Society and pointed out House no.10. The prosecution has proved this panchnama through PW-842/Exh.5793 and also through the Investigating Officer; PW-1163/Exh.8638. This panchnama therefore establishes the activity of this accused in furtherance of their role in the conspiracy which has been deposed to by an independent witness thereby, drawing connection of the accused with the house as well as the co-accused. It is pertinent to observe that accused being an outsider is able to lead the panch team to various locations amounts to recording of the mental fact of knowledge and association with the crime.

16.36.18. The prosecution has also relied on panchnama Exh.6087 drawn on 05.11.2008, by Crime Branch Ahmedabad. During the course of the said panchnama, accused No.38-Mohammad Saif led the police

and panch persons to various places connected with the blasts which took place on 26.07.2008. accused No.38-Mohammad Saif led panchas and police from Gaikwad Haveli to Raipur Darwaja, Sarangpur bridge, Rakhiyal cross road and to Ajit mill Cross roads and at a place Neelkanth Restaurant, wherein he instructed police to stop car and pointed out place known as Ajit mill cross roads wherein he had allegedly received a cycle for the purpose of loading bomb from a boy of thin appearance; who is known to accused No.38-Mohammad Saif as Alam Jeb Afridi (accused No.75). Accused No.38-Mohammad Saif has also stated that, at this place there were two other persons with him i.e., Chota Sajid and Bada Sajid (absconder). Thereafter, accused No.38-Mohammad Saif led police to Hatkeshwar circle, Bag-e-Firdoz Police Line and after dropping out from police motor car and pointed out a place where accused No.38-Mohammad Saif, dropped cycle loaded with bomb. Thereafter, accused No.38-Mohammad Saif led police and panchas to Hatkeshwar road and on instruction as given by accused No.38-Mohammad Saif, car was driven further, and on instruction of accused No.38-Mohammad Saif, car was stopped at a place opposite to bus stand and after deboarding the car, accused No.38-Mohammad Saif pointed out bus stand where he and chota Sajid and bada Sajid (absconder) got gathered and this place is bus stop named Hatkeshwar Mahadev and near to it, he pointed out a shop name Ashapuri travels and opposite to it vegetable market where chota Sajid (absconder) parked cycle loaded with bomb and also pointed out a bus stand near Hatekeshwar circle from where accused No.38-Mohammad Saif as well as chota Sajid and bada Sajid (absconder) went to Ahmedabad Railway Station in rickshaw. The said panchnama Exh.6087 is proved through panch witness; PW-873/Exh.6086 and I.O. PW-1163/Exh.8638.

16.36.19. The Court has perused the deposition of PW No.958-Anil Bhai Prajapati at Exh.6720 who has examined the chance prints and has deposed that for examining chance print mark A, he received finger print impression of both the hands of 47 accused persons and as per his Scientific Examination, has opined that the chance print found on the broken CD (Mark A) is that of Accused No.38-Mohd. Saif @Rahul S/o Shadab Ahmed @Mister Shaikh. This witness has also deposed that the other chance print found on the steel tin was found not fit for examination. The opinion of this witness was concurred by other Fingerprint experts namely; Shrimati N J. Soni, Shri. RR. Gameti, Shri. M K. Jaisar and Shri. S M. Joshi who also counter signed the opinion. This witness was also shown photograph of mark A along with negative and the enlarged photographs. On the back of this photograph, particulars about the FIR proceedings in which photograph was taken is noted as well as other details like the job number, date on which photo was taken i.e. 19.09.2008, etc were mentioned and all these photographs which were submitted have been duly exhibited at Exh.6722. This witness has also deposed about having received finger print impression of both the hands of 47 accused persons in which, finger print of accused No.38-Mohammad Saif is at serial no.34, and all other particulars received are shown to him and thereafter, exhibited at Exh.6725. This witness has also deposed about his opinion at Exh.6728.

16.36.20. This witness has also identified the broken CD which was seized as Muddamal article no.341 at serial no.38 and upon examining this broken CD, he identified the CD to be the same CD which bore his signature and handwriting and he has also identified the photographs of this CD. Inspite of extensive cross-examination, defence has failed to impeach the credibility of the witness and has not suggested anything to

the witness about photographs (mark A) bearing finger impression (chance print) as not that of accused No.38-Mohammad Saif.

16.36.21. The Court has perused the evidence of P.W. No.1161-Bhupendra Singh at Exh.8588, who was working as a Fingerprint Operator, and has identified Exh.6725 which is the fingerprint impression of different accused persons and has deposed that the said finger prints shown to him were taken by him and bear the signature of himself and P.S.O. He has also specifically identified Serial No.32 of Exh.6725 as the fingerprint impression of accused No.38-Mohd. Saif @Rahul S/o Shadab Ahmed @ Mister Shaikh which was taken by him in the same manner like the fingerprints of other accused persons. It appears that inspite of extensive cross examination by defence, nothing substantial has come on record so as to impeach the credibility of this witness. Except a bare denial regarding taking of fingerprints of accused No.38-Mohammad Saif, there appears to be no material contradiction and the evidence of this witness clearly establishes that the fingerprints of accused No.38-Mohammad Saif were duly obtained and formed part of Exh.6725.

16.36.22. The Court finds that during the search of House No.10 Al-Mohammadi Society, the Fingerprint Experts, photographers and other officials were present, and the photographs of chance print found on broken CD were taken, enlarged for the purpose of examination and subjected to examination. Upon examination, the witness has given opinion that the chance fingerprint matched with the fingerprints of accused No.38-Mohammad Saif and the opinion of this witness was also concurred by all other Fingerprint Experts and the defence has failed to establish any illegality regarding the procedure or the opinion given by the expert. The presence of this fingerprint as per the expert's opinion

strongly establishes the connect of this accused with the hideout house.

16.36.23. The Court has perused the evidence of Shaikh Mohd. Rashid PW-933/Exh.6602 who was running R.M. Paan Parlour near Barrel Market, Chandola Lake, which is near House No.10 Al-Mohammadi Society. The witness has deposed that he was acquainted with persons who were residing in the locality and that he could identify the customers who visited his paan parlor frequently. He has deposed that he told the police that he could identify such persons. He has deposed that he participated in the Test Identification Parade which was conducted at the Collector Office premises. He has deposed that during the Test Identification Parade, he identified one person by holding his hand and brought him out from the line of persons and stated that the person identified by him used had visited his parlour 6 to 7 times for purchasing ice cream and water pouch. Upon the witness identifying this person, Magistrate on asking his name person replied that his name is Mohd. Saif @ Shadab (accused No.38) of Delhi and thereafter this witness was subjected to police interrogation. Though the witness could not identify accused No.38-Mohammad Saif in Court, he explained that when he had seen accused No.38-Mohammad Saif earlier, he was much younger and the accused persons had undergone change in appearance, including growth of beard and hence, he could not identify. The witness has also deposed that he would be able to identify the accused, if he was shown a contemporaneous photograph.

16.36.24. The Court finds that the explanation given by this witness with respect to his inability to identify accused No.38-Mohammad Saif during trial is sufficient as he had already identified accused No.38-Mohammad Saif during the Test Identification Parade and by the time of his deposition, significant time had passed and there was a change in the

appearance of the accused persons.

16.36.25. In the opinion of the Court, the circumstances alleged and proved against accused No.38-Mohammad Saif @ Rahul Sabad Ahmed @ Mr. Sheikh, as referred herein above, establish his connection with other accused persons namely accused No.37-Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya, accused No.27-Mohammad Ismail @ Abdul Rajik @ Musaf @ Furkan S/O Mohammad Isaak Mansuri, accused No.1-Jahid S/O Kutubuddin Shaikh, accused No.8-Yunus S/O Mohammad Mansuri and other accused persons. The Court finds that accused No.38-Mohammad Saif @ Rahul Sabad Ahmed @ Mr. Sheikh was a conspirator and was involved in achieving the ultimate object of conspiracy i.e. mass killing.

16.36.26. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.38-Mohammad Saif @ Rahul Sabad Ahmed @ Mr. Sheikh. 'Charges framed and Sections invoked' for his role in parking of bomb laden bicycle in a crowded area of 'Om Pan Parlour' in Maninagar, Ahmedabad. This accused has handed over the bicycle to absconding accused Mirza Sadabbeg, which ultimately exploded leading to filing of C.R. No.I-205 of 2008.

16.37.3. According to learned Senior Advocate Mr. Abhay Thipsay, the only evidence against accused No.39-Zishan Ahmed is the two pointing out panchnamas, one pointing out spot, where the bomb laden cycle was parked and another evidence is the panchnama of identifying the cycle involved in the blast in the office of FSL. It is submitted that the panchnama of identifying the spot cannot and is rightly not relied by the trial Court.

16.37.4. Learned Senior Advocate has therefore, assailed Exh.8648 panchanama drawn on 02.11.2008 as the panch witnesses are not examined and therefore, proved by the Investigating Officer PW No.1163-Mayur Chavda, which is impermissible. It is argued that the panchnama which is supposedly recorded by a panch cannot corroborate the theory of an investigating officer if the panch is not examined at all.

16.37.5. It is also argued that panchnama is inadmissible under Section 27 of the Evidence Act as there is no discovery of physical object rendering the content of panchnama hit by Sections 25 and 26 of Indian Evidence Act and Section 162 of Cr.P.C.

16.37.6. Therefore, the circumstance of accused No.39-Zishan Ahmed's connection with the parking of cycle laden with bomb is not established. Moreover, the spot identified by the accused No.39-Zishan Ahmed was within the knowledge of the Investigating Officer as the scene of offence panchnama was already drawn vide Exh.1752 and Exh. 1741.

16.37.7. Also, the circumstance that accused No.39-Zishan Ahmed performed recce with co-accused and the spot from where bicycles were picked was already known to Investigating Officer through a panchnama made at behest of accused No.42-Mohammad Shakil Yaminkhan Luhar on the same day i.e. 02.11.2008.

16.37.8. Learned senior advocate has offered similar arguments in connection of the 2nd panchnama relied against accused No.39-Zishan Ahmed being Exh.6079 of identification of the cycle in the office of FSL as the panchnama Exh.6079 only mentions that accused No.39-Zishan Ahmed identified the bicycle placed by them in Maninagar are being statement before the police is hit by Section 162 of Cr.P.C. Also, as there is no discovery of any material object, hence no confirmation of the facts narrated in panchnama, it is also hit by Sections 25 and 26 of Indian Evidence Act.

16.37.9. Learned Senior Advocate went to the extent of arguing that this particular panchnama is a fabricated one and went onto compare the timings of two panchnamas, Exh.6318 where time is of 10.30 to 12.30 pm, whereas panchnama Exh.6079 was executed in Gandhinagar at 1.00 pm and considering the distance between Ahmedabad and Gandhinagar, it is not possible to reach within half hour for the Investigating Officer; PW No.1163-Mayur Chavda. Attention is drawn to deposition of PW No.871-Mohanbhai, who deposed that PW No.1163 was already present when he was summoned and it took 5-10 minutes in preliminary conversation. Further, casting doubt on drawing of panchnama.

16.37.10. It is further argued that there is a discrepancy in sealing of the cycle even while inter-departmental transfer. FSL Officer PW No.837-Nikunj Narharibhai Brahmbhatt vide Exh.5677, who has deposed that when one department examined the cycle (Physician

Department) and sent to another Department (Chemistry Department), a seal is applied. Both the cycles, a black one and blue one were examined by both the Departments before 04-11-2008 (date of panchnama), however, there is no mention of removing of departmental seals in panchnama and when brought to the Court as muddamal, there were seals applied. Moreover, to access the cycle in FSL custody, written authorization from FSL is necessary, but there is no reference to such authority before the panchnama.

16.37.11. In this connection, reference is also made to panch witnesses PW No.871-Mohanbhai Vardhraj Naykar vide Exh.6078 stating that the cycle was lying in one room to which access was provided by FSL Officer; PW No.840-Janmohammad Fakirbhai Mansuri vide Exh.5700 and PW No.840 has deposed, but has not referred to this activity at all. Moreover, PW No.871-Mohanbhai Vardhraj Naykar has failed to identify the accused in the Court.

16.37.12. In the opinion of the Court, the execution of the panchnama cannot be doubted on the basis of the timing mentioned in the two panchnamas and the travel time from Ahmedabad to Gandhinagar particularly when the panch witness has deposed about the execution of the panchnama and even from the cross examination, the Court does not find panchnama to be fabricated.

16.37.13. With regard to deposition of PW No.840 not mentioning his act of leading the Investigating Officer to the room where cycles were kept at FSL Office, it was only a ministerial work performed of unlocking and showing them the store room, which does not mean the panchnama is fabricated.

16.37.14. Learned Additional Advocate General for the State has relied on the panchnama at Exh.1741 drawn on 27th July, 2008 between 3:30

hours to 5:00 hours. This panchnama is drawn at Maninagar Railway station near to AMTS bus stand. This is the panchnama of scene of offence and pointing out of different articles-objects, wherein one cycle of Chetak Industries was found. This panchnama is proved through panch witness being PW No.335-Montu Damodarbhai Sharma vide Exh.1740. The prosecution has also relied on panchnama Exh.1731 drawn on 27.07.2008 which also is a scene of offence panchnama drawn within Maninagar Area, near to Jawahar Chowk, Shivani Complex, wherein Avon company's ranger cycle was found in a damaged condition. This panchnama is proved through panch witness PW No.334-Hiteshbhai Prajapati vide Exh. 1730.

16.37.15. It is submitted that during panchnama Exh.1752 which was carried out at Om Pan House, near Asopalav tree, which is opposite to Anna Tea Stall, Maninagar, wherein two cycles (1) blue coloured Ranger Hero cycle and (2) black coloured old cycle in a damaged condition were recovered. This panchnama is proved through panch witness being PW No.336-Kavaljitsing Jogindarsing Arora vide Exh. 1751.

16.37.16. The prosecution has also submitted that the application given by accused No.28-Afzal @ Afsar S/O Mutallib Usmani which is brought on record through Exh.6620, a communication from Ahmedabad Central Jail to Session's Court which relates to accused No.28-Afzal, states about harassment and physical assault by I.M. (Indian Mujahideen) persons. It is further submitted that this circumstance is required to be seen in the context of Email communication Mark A, produced in the deposition of PW-1150/Exh.8263, received almost at the time of bomb blasts, wherein Indian Mujahideen claimed responsibility for the bomb blast.

16.37.17. In the opinion of the Court, considering the above

evidentiary material, more particularly regarding the two cycles, one Ranger of blue colour and the other of Chetak make, both found from the scene of offence, and those very cycles having been identified by accused No.39-Zishan Ahmed as same cycles which he had parked at the scene of offence loaded with bombs and which ultimately exploded, for which FIRs came to be registered, is sufficient to hold accused No.39-Zishan Ahmed as a conspirator. Therefore, the findings with regard to conspiracy recorded earlier for different accused persons would also be equally applicable to this accused No.39-Zishan Ahmed.

16.37.18. Furthermore, the above referred circumstances of recce of particular places, planting of bomb laden cycles resulting in bomb blasts, are required to be seen in the context of the evidence of PW No.957-Jakir Hussein vide Exh.6687, wherein during the course of conversation in the nature of an extra judicial, accused No.27-Abdul Rajik is stated to have informed this witness that persons belonging to Indian Mujahideen would provide the materials required for the bomb blasts. This evidence also referred to certain accused being in contact of persons of Indian Mujahideen, recce of places done by certain accused for the purpose of placing cycles, and the role played by certain persons belonging to Indian Mujahideen and from UP in placing cycles loaded with bombs. In view thereof, the circumstances referred to hereinabove fully supports the case of prosecution against accused No.39-Zishan Ahmed and also implicates him as a conspirator.

16.37.19. The Court has perused the evidence of panchnama at Exh.6079 drawn on 04.11.2008 between 13:00 hours to 14:15 hours at the office of F.S.L. Gandhinagar, wherein cycles were seized from different scenes of offence and were sent to F.S.L for examination. accused No.39-Zishan Ahmed, alongwith two other accused, were

present and have volunteered to identify the cycles kept at the office of F.S.L. accused No.39-Zishan Ahmed identified one blue coloured Ranger cycle bearing distinct marks on it and stated that it was the cycle which was placed by him, loaded with bomb at Maninagar Cross Roads near to Pan galla and also near Asopalav tree. accused No.39-Zishan Ahmed also identified another cycle of Chetak make and stated that the same had been placed, loaded with a bomb, by accused No.39-Zishan Ahmed and person named Mirza Sadab Beg (absconder) near New Maninagar AMTS Bus stand. This panchnama was drawn in the presence of F.S.L Officers and stands proved through panchwitness PW No.871-Mohanbhai Naykar vide Exh.6078 as well as the Investigating Officer PW No.1136-Mayur Jagmalbhai Chavda vide Exh. 8638, and this is another incriminating circumstance against accused No.39.

16.37.20. The Court has also perused the evidence of panchnama at Exh.8648 dated 02.11.2008 drawn between 15:00 hours to 17:00 hours. The first part of the panchnama is drawn at Crime Branch Police Station, wherein accused No.39-Zishan Ahmed made a disclosure statement. During the course of second part of panchnama, accused No.39-Zishan Ahmed led police party and panchas to various places. He first led them to a place near Maninagar Railway Station and pointed out a cycle stand, from where on 26.07.2008 one black coloured cycle was taken by Mirza Sadab Beg (absconder) and accused No.39-Zishan Ahmed had also taken one blue coloured Ranger cycle. Thereafter, accused No.39-Zishan Ahmed led all near AMTS building and pointed out a place from where accused No.40- Ziyaur Rehmaan and accused No.42-Mohammad Shakil Yaminkhan Luhar had taken two cycles. Thereafter, accused No.39-Zishan Ahmed pointed out one electric post near AMTS building, where a bomb laden cycle was planted by Mirza Sadab Beg (absconder). He

also pointed out the place near Maninagar Railway Station, near one pan galla and a Asopalav tree, where one blue coloured Ranger cycle was planted by Mirza Sadab Beg (absconder) after being handed over the cycle by accused No.39-Zishan Ahmed. The panchnama further records that accused No.39-Zishan Ahmed had conducted recce of this area and after that after planting the aforesaid two cycles, accused No.39-Zishan Ahmed and Mirza Sadab Beg (absconder) left the place in a rickshaw and went towards Kalupur Railway Station. Though the panch witnesses could not be examined inspite of serving summons, the panchnama stands proved through evidence of Investigating Officer PW No.1163-Mayur Chavda vide Exh.8638. The service of summons report has been produced at Exh.6076 and the details regarding non availability of panch witnesses are placed on recorded vide purshis Exh.9366. This evidence further supports the case of prosecution regarding role of accused No.39-Zishan Ahmed in conducting recce, transporting and placing of bomb laden cycles at different places of offence.

16.37.21. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.39-Zishan Ahmed @ Zishan Isan Ahmed Shaikh. This accused being an outsider of ahmedabad has conducted recce to identify the crowded spot for planting of bomb and then planted the bomb laden cycles leading to the blasts. The Court has therefore, no reason to interfere with the conviction recorded.

16.38. In case of Ziyaur Rehmaan @ Montu @ Ziya Abdul Rehmaan Teli (Uttarpradesh) (A-40)

(Accused No.26 in Criminal Confirmation Case No. 2/2022 and Appellant No.20 in Criminal Appeal No. 1710/2022):

16.38.1. In case of accused No.40-Ziyaur Rehmaan @ Montu @ Ziya Abdul Rehmaan Teli, he has been convicted for various offences by the trial Court and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.38.2. Accused No.40-Ziyaur Rehmaan @ Montu @ Ziya Abdul Rehmaan Teli, as per the case of prosecution is assigned role in the conspiracy to receive the bomb laden cycle from a particular place and plant the same in a crowded place in Mahalaxmi Area.

16.38.3. According to learned Senior advocate Mr. Abhay Thipsay, the prosecution has based their case on the two panchnamas identical to the case of accused No.39-Zishan Ahmed being panchnama at Exh.6318 dated 04.11.2008, wherein accused No.40-Ziyaur Rehmaan points out a location where he planted one bicycle and other being panchnama vide Exh.6079 dated same, where accused No.40-Ziyaur Rehmaan alongwith accused No.39-Zishan Ahmed and accused No.42-Mohammad Shakil Yaminkhan Luhar identified the bicycles used by them in the FSL office.

16.38.4. Learned Senior Advocate Mr. Abhay Thipsey has argued that Exh.6318, wherein accused No.40-Ziyaur Rehmaan pointed out the blast site cannot be treated as evidence by invoking Section 27 of the Indian Evidence Act as the disclosure made in the panchnama is in fact a statement before the police, therefore, hit by Sections 25 and 26 of Indian Evidence Act and also by Section 162 of Cr.P.C.

16.38.5. In this connection, this Court has already under the sub-

chapter of 'Panchnamas under Section 27 of Indian Evidence Act' in chapter of 'issues' dealt with and assigned reasons as to why such pointing out panchnama would fall under Section 27 and how Sub-Section (2) of Section 162 would permit it to be treated as admissible evidence.

16.38.6. However, the Court may record the submission made by the defence in this regard that Exh.6318 has not led to discovery of any physical object hence, Section 27 is not applicable as the recovery of a physical object would have lend credence to the voluntary disclosure. It is submitted that in view of this fact, even Section 8 cannot be invoked.

16.38.7. Learned senior advocate has referred to Exh.1731, which is the scene of offence panchnama of Maninagar Police Station and has contended that in this panchnama, the Investigating Officer had knowledge of the exact place of blast and also the make of the cycle which was recorded in the panchnama itself. Therefore, Exh.6318 has not led to any new discovery unknown to Investigating Officer.

16.38.8. Learned senior advocate has then assailed Exh.6422, another pointing out panchnama where the location for picking up the bicycle bomb from near Roop Complex and performing recce of the area to identify the place of plant as the same is at behest of accused No.42-Mohammad Shakil and therefore, not applicable to accused No.40-Ziyaur Rehmaan. Accused No.42-Mohammad Shakil has made disclosure on 02.11.2008. It is argued that the panchnama Exh.6422 are verbatim and therefore, there is a clear indication of it being fabricated.

16.38.9. Reverting back to Exh.6318, learned Senior Advocate has drawn attention of the Court to Exh.6317, deposition of PW No.885-Narendrabhai Bechardas Kahar vide Exh.6317 and submitted that PW No.885 is a stock panch witness, who has stood as a panch witness in

Exh.6318. For this attention is drawn to para-17 of the deposition to point out that the brother of PW No.885 was also a panch witness in another contentious matter of Akshardham Terror attack.

16.38.10. Learned Senior Advocate also doubted the process of panchnama as accused No.40-Ziyaur Rehmaan does not understand Gujarati, whereas panchnama is in Gujarati and therefore, it is doubtful that the so called voluntary disclosure is recorded appropriately.

16.38.11. Reiterating the arguments made for accused No.39-Zishan Ahmed even for accused No.40-Ziyaur Rehmaan, learned Senior Advocate has questioned the process of panchnama Exh.6079 the identification of the bicycle Avon in the custody of the FSL. It is submitted that the said cycle was in custody of the Physics Department of the FSL on 04.11.2008. PW No.843-Naimeshbhai Manubhai Soni vide Exh. 5799, FSL Officer of Physics Department deposed that he received the cycle as muddamal on 11.08.2008 and the same remained in his custody till 11.11.2008. Therefore, without his knowledge on 04.11.2008, the cycle lying in his custody could not be accessed, still in his deposition, he has claimed ignorance about Investigating Officer taking his authorization to execute panchnama at the same time, when it is the case of the prosecution that PW No.840-Janmohammad Fakirbhai Mansuri vide Exh. 5700 provided the access to cycle. The same cannot be believed as PW No.840 is from the Chemistry Department of FSL.

16.38.12. It is therefore, submitted that both the circumstances connecting accused No.40-Ziyaur Rehmaan to the receiving of bomb laden cycle and planting it in crowded area could not be established. Therefore, in both the cases of accused No.39-Zishan Ahmed and accused No.40-Ziyaur Rehmaan, the Court is prayed for clear acquittal.

16.38.13. Learned Additional Advocate General for the State has relied

on the scene of offence panchnama Exh.1731 dated 27.07.2008 drawn within Maninagar Area, near Jawahar Chowk, Shivani Avenue Complex and opposite Laxmi Jewellers, from where, amongst different articles, one Avon company's ranger cycle in a damaged condition was found. This panchnama is proved through panch witness being PW No.334-Hiteshbhai Piraji Prajpati vide Exh. 1730.

16.38.14. Alongwith it, the prosecution has also submitted that application given by accused No.28-Afzal, which is brought on record through Exh.6620, a communication from Ahmedabad Central Jail to Sessions Court relating to accused No.28-Afzal, states about harassment and physical assault by I.M. (Indian Mujahideen) persons. It is further submitted that this circumstance is required to be further seen in the context of Email communication mark A, produced in the deposition of PW-1150/Exh.8263, received almost at the time of the bomb blast, wherein Indian Mujahideen claimed responsibility for the bomb blast. During the deposition of PW- 1150/Exh. 8263, the defence relied upon the said Email communication and cross-examined the witness on certain aspects. At that time, the prosecution has prayed that Email (Mark A) be exhibited. However, the trial Court did not exhibit the Email (Mark A). The prosecution has urged that since Email (Mark A) was referred to by the defence in cross-examination, the email as well as evidence of PW-1150/Exh.8623 ought to be considered. According to the prosecution, all these circumstances fully support its case regarding accused No.40- Ziyaur Rehmaan and many others as conspirators in the present incident.

16.38.15. In the opinion of the Court, there is commonality in the role attributed to accused No.39- Zishan Ahmed and accused No.40- Ziyaur Rehmaan and the evidences against them. The findings recorded in the

case of accused No.39- Zishan Ahmed is common and applicable to accused No.40- Ziyaur Rehmaan. However, at the cost of repetition, the same are being referred to separately herein for independent evaluation of the role attributed to accused No.40- Ziyaur Rehmaan.

16.38.16. The Court finds that accused No.40- Ziyaur Rehmaan had volunteered to show the place from Maninagar Railway Station where he had planted the cycle and thereafter, pointed out the place at Maninagar Jawahar Chowk, Shivani Avenue Complex, opposite Laxmi Jewellers shop, during panchnama Exh.6318 dated 04.11.2008. This panchnama stands proved through the evidence of PW- 885/Exh.6317. The accused is an outsider, he has been arrested later in point of time still during the drawing of the panchnama he has led the panch team to the exact spot where bicycles were parked this voluntary disclosure in front of the independent panch and deposed to as such is an admissible evidence for the circumstance of mental fact of Knowledge of such locations which were in special knowledge of the accused. This special knowledge of the accused can come on record only by way of the panchnama and therefore the prosecution has been able to establish the connect between the place, the incident and the knowledge of the accused. Therefore proving the voluntary disclosure.

16.38.17. The Court has perused the evidence of panchnama at Exh.6079 drawn on 04.11.2008 between 13:00 hours to 14:15 hours at the office of F.S.L. Gandhinagar, wherein cycles were seized from different scenes of offence and were sent to F.S.L for examination. accused No.40- Ziyaur Rehmaan, alongwith two other accused, were present and have volunteered to identify the cycles kept at the office of F.S.L. accused No.40- Ziyaur Rehmaan identified Avon Company's Ranger Cycle and stated that it was the cycle which he had placed,

loaded with bomb, near Jawahar Cross Roads, Jawahar Chowk, Shivani Building. This panchnama stands proved through panch witness PW No.871-Mohanbhai Naykar vide Exh.6078 as well as the Investigating Officer PW No.1136-Mayur Jagmalbhai Chavda vide Exh. 8638.

16.38.18. Considering the above evidentiary material, more particularly the recovery of cycle found from Maninagar Area, near Jawahar Chowk, Shivani Avenue Complex and the identification of that cycle by accused No.40- Ziyaur Rehmaan as the same cycle which he placed at scene of offence loaded with bombs and which ultimately exploded, the Court finds it sufficient to hold accused No.40- Ziyaur Rehmaan as a conspirator. Therefore, the findings with regard to conspiracy recorded earlier for different accused persons would equally apply to accused No.40- Ziyaur Rehmaan.

16.38.19. Moreover, the above referred circumstance of planting of bomb laden cycles and the explosion from it, is required to be seen in the context of evidence of PW No.957-Jakir Hussein vide Exh.6687, wherein during the course of conversation in the nature of an extra judicial, accused No.27-Abdul Rajik is stated to have informed this witness that persons belonging to Indian Mujahideen would provide the materials required for the bomb blasts. This evidence also referred to certain accused being in contact of persons of Indian Mujahideen, recce of places done by certain accused for the purpose of placing cycles, and the role played by certain persons belonging to Indian Mujahideen and from UP in placing cycles loaded with bombs. In view thereof, the circumstances referred to hereinabove fully supports the case of prosecution against accused No.40- Ziyaur Rehmaan and also implicates him as a conspirator.

16.38.20. Thus, in light of the aforesaid evidence, the Court finds that

accused No.40- Ziyaur Rehmaan participated in the conspiracy by procuring, transporting and placing bomb laden cycles at different places of offence. The recovery of cycle from scene of offence, its identification by accused No.40- Ziyaur Rehmaan and the aforementioned panchnamas constitute as incriminating circumstances against accused No.40-Ziyaur Rehmaan establishing his involvement in achieving the object of larger conspiracy which is causing of bomb blasts.

16.38.21. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.40-Ziyaur Rehmaan @ Montu @ Ziya Abdul Rehmaan Teli. And the role of this accused to have planted the bomb laden bicycle as a part of the conspiracy in the crowded location and causing one of the bomb blast in the series. The Court has therefore, no reason to interfere with the conviction recorded.

prosecution has relied upon the point out panchnama Exh.6421. The place where the cycle was parked by accused No.42-Mohammad Shakil is popularly known as "Maha Lakshmi". Learned advocate has submitted that over and above the general submissions made for not treating the point out panchnama as evidence against this accused, it is submitted that the panchnama drawn on 02.11.2008 was drawn after almost four months of the blast and therefore, the site of the blast was already known to the Investigating Officer.

16.39.3. Learned advocate has, thereafter, taken the Court through the evidence of PW-896-Durgesh Kanubhai Patel at Exh.6421 and assailed the same by submitting that the narration in the panchnama is in the nature of a confessional statement recorded in presence of police and is, therefore, not admissible. It is submitted that the cross-examination of this witness would indicate that the witness is either created or tutored as during the long gap of four months, no other evidence was available against accused No.42-Mohammad Shakil. Moreover, even prior to executing the panchnama Exh.6422, the panchnama for the very place was also drawn. Learned advocate has, thereafter, assailed the evidence of PW-871-Mohambhai Vardhraj Naykar Exh.6078, who is the panch witness of identifying three cycles which were used in the blast. According to the learned advocate, the joint panchnama itself is not a reliable piece of evidence and that from the perusal of the panchnama itself, it appears that no procedure was followed in applying the seal at the time of seizure or removal of the seals from the cycles, which were identified jointly by three accused persons. It is submitted that three cycles are planted. It is submitted that the cross-examination of the witness would indicate that the three different bicycles which were shown in the FSL were in open condition. Ordinarily, they should have

been kept in sealed condition and there are no specific identification mark/s which would connect the accused having identified the very bicycle being the bicycle which was used for planting bomb. According to the learned advocate, except for these two point out panchnamas against this accused, there is no other evidence against the accused and therefore, the role attributed to accused No.42-Mohammad Shakil is not established.

16.39.4. It appears from the record that accused No.42-Mohammad Shakil was arrested on 27.10.2008 and has continued in remand between 27.10.2008 to 24.12.2008 and the role attributed to the accused is of having planted the bomb laden bicycle at "Maha Lakshmi". The evidence against the accused No.42-Mohammad Shakil is the panchnama Exh.6422 drawn on 02.11.2008, which was proved by the prosecution by examining PW No.896-Durgesh Kanubhai Patel Exh.6421, who has deposed about the voluntary disclosure of the place where accused No.42-Mohammad Shakil has received and planted the bomb laden bicycle. A perusal of Exh.6421 would indicate the complete narration of the manner of voluntary disclosure and thereafter, leading the team of investigation to the place. Though it is argued that the place was known to the Investigating Officer, it is pertinent to point out that the blast had taken place on 26.07.2008 whereas, the arrest of accused No.42-Mohammad Shakil was on 27.10.2008 and the panchnama was drawn on 02.11.2008 and therefore, when the first part of the panchnama was drawn, it was not within the knowledge of the Investigating Officer that the voluntary disclosure by the accused would lead him to the very spot where the blast had taken place. There is no line in the cross-examination either to PW No.896- Durgesh Kanubhai Patel Exh.6421 or the Investigating Officer which would suggest that even before the

voluntary disclosure was made in front of this witness, the Investigating Officer had revealed as to where the team of investigation would be led to. It is only at the stage when accused No.42-Mohammad Shakil led the investigator to the point, which, according to the accused, was the site of blast, which was recorded in the second part of the panchnama, it became evident that the location indicated by accused No.42-Mohammad Shakil is identical to the one where the blast had taken place. Therefore, the mental fact of knowledge about the place where the blast took place was revealed only upon the recording in the second part of the panchnama, which was in consonance with the first part of the panchnama and therefore, in the opinion of the Court, the panchnama Exh.6422 is a panchnama which meets the requirement of section 27 of the Indian Evidence Act and therefore, deemed to be proved against the accused.

16.39.5. The prosecution has also relied on the panchnama Exh. 1752 drawn on 26-27 July, 2008 between 22:00 to 1:00 hours. The said panchnama is a scene of offence panchnama, drawn at Maninagar cross roads near Om pan house and near Asopalav tree, where bomb blast had actually occurred. This panchnama was drawn in the presence of panchas, police, Bomb Disposal Squad personnel and FSL officers. Amongst various articles-objects recovered and seized from this spot, a black coloured cycle in a damaged condition because of bomb explosion was recovered from near Mahalaxmi Market. This panchnama is proved through panch witness being PW No.336-Kavaljitsing Jogindarsing Arora vide Exh. 1751.

16.39.6. The prosecution has further submitted that, since accused No.42-Mohammad Shakil is from UP and two other accused i.e. accused No.39- Zishan Ahmed and accused No.40- Ziyaur Rehmaan are also

from UP, the evidence of Jakir Hussein as well as the circumstance relating to communication made by accused No.28- Afzal @ Afsar S/O Mutallib Usmani from Jail to Sessions Judge regarding persons belonging to Indian Mujahideen, and the email which was received by Office of INDIA TV Ahmedabad from the source of unsecured Wi-Fi and IP address belonging to Ken Haywood, are also relevant. It is submitted that during the course of investigation, more particularly from the evidence of the Investigating Officer vide Exh.8340, it is revealed that sending of Email, claiming responsibility of bomb blast by Indian Mujahideen and sent to INDIA TV was an act of hacking unsecured Wi-Fi of IP address belonging to Ken Haywood, Bombay. Though the investigator interrogated Ken Haywood and recorded his statement, the prosecution could not examine him during trial as he was not available at his known address. However, this circumstance is sufficient for the court to reasonably infer about the involvement of the of an organisation Indian Mujahideen (IM).

16.39.7. The Court has considered the panchnama at Exh.6079 drawn on 04.11.2008 at FSL Office, Gandhinagar, in the presence of FSL Officer Shri. J F. Mansuri. From the panchnama, it appears that damaged cycles recovered from different scene of offence and seized under respective scene of offence panchnamas were kept at FSL Office, Gandhinagar. As accused persons had volunteered to identify the cycles, they were taken to the said place. During the course of panchnama, accused No.42-Mohammad Shakil was taken to that place and in presence of FSL persons, panchas and others, accused No.42-Mohammad Shakil identified an old black coloured Avon cycle in a bomb exploded damaged condition which was placed by him at Manianagar Cross Roads near Tea Stall and also near one tree. As per

the case of prosecution, the said cycle was the very cycle which was recovered during the course of scene of offence panchnama. This panchnama stands proved through the evidence of Investigating Officer being PW No.1163-Mayur Jagmalbhai Chavda vide Exh.8638.

16.39.8. The Court has also perused the panchnama Exh.6422 drawn on 02.11.2008 by the Crime Branch Police, Ahmedabad City. The first part of the panchnama was drawn at the Crime Branch Police Station, where accused No.42-Mohammad Shakil was present and volunteered to show places relevant to the incident which took place on 26.07.2008. Accused No.42-Mohammad Shakil disclosed that if taken to Maninagar Railway Station, he could point out the relevant places. Pursuant thereto, the second part of the panchnama was drawn and accused No.42-Mohammad Shakil led panchas and police persons to Maninagar Railway Station, near AMTS bus stand. Accused No.42-Mohammad Shakil pointed out a complex, and stated that at this place, two cycles were placed earlier of which, one old black coloured cycle was taken by him. He further pointed out a place near Roop Complex where the said black coloured cycle was to be planted. Thereafter, accused No.42-Mohammad Shakil pointed out the place near Maninagar Railway Station and a tree where he had planted the black coloured bomb laden cycle on 26.07.2008. Accused No.42-Mohammad Shakil also disclosed that on 12.07.2008, he had conducted recce of the Maninagar are in Ahmedabad for the purpose of placing bomb laden cycle on 26.07.2008. The said panchnama stands proved through panch witness PW No.896-Durgeshbhai Kanubhai Patel at Exh.6421 as well as the evidence of Investigating Officer being PW No.1163-Mayur Jagmalbhai Chavda vide Exh.8638.

16.39.9. Therefore, the evidence on record establishes that accused

No.42-Mohammad Shakil had conducted recce of the places, obtained and placed the bomb laden cycles at the scene of offence and has also identified both, the place and the cycles used for the purpose of causing the blasts. Therefore, in the opinion of the Court, his role in the larger conspiracy which was with a common object to cause bomb blast has been sufficiently established.

16.39.10. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.42-Mohammad Shakil Yaminkhan Luhar. The Court has therefore, no reason to interfere with the conviction recorded.

16.40.2. Learned advocate Shri Hriday Buch has submitted that the role attributed to accused No.43-Anik @ Khalid is of being a part of the conspiracy by residing along with co-accused in one of the hide-outs located at Sherpura, Bharuch and by purchasing explosive article like petrol which was used for explosion. Learned advocate submitted that the evidence against accused No.43- Anik @ Khalid is that through him the point out panchnama was drawn being Exh.7936 purportedly under Section 27 of the Evidence Act, pointing out the house being D-34, River View Society, for which the prosecution has examined PW No.1110 Jignesh Himmatlal Shah Exh.7945. However, it is contended that this evidence cannot be treated to be under section 27 as other accused being accused No.44-Mohammad Akbar and accused No.63-Mohammad Tanvir, have also shown the same house in their respective point out panchnamas. Moreover, there is no recovery of any material object which would connect accused No.43- Anik @ Khalid with the offence.

16.40.3. The other evidence relied upon is that of PW No.1129 Bhavesh Bhupatbhai Thakkar Exh.8094, who is an auto consultant and a witness to the sale agreement of a two-wheeler at Exh.2804. However, there is nothing on record to connect the use of this two-wheeler in the offence.

16.40.4. Another evidence is that of PW No.1138 Gulam Rashid Pathan Exh.8165, who is the owner of Sherpura house, which also is another hide-out. However, according to the learned advocate, the evidence of PW No.1138 Gulam Rashid Pathan Exh.8165 connecting the house with the accused cannot be relied upon as in his cross-examination he has admitted that no document was executed for renting out the premises or for ownership. He has also deposed that he had not

disclosed that three persons were residing in the house and has admitted that no rent receipt was issued. It is argued that from the evidence of this witness, it cannot be established that the house which was searched at the time of the panchnama was in the exclusive possession of accused No.43-Anik @ Khalid.

16.40.5. Another evidence relied upon against the accused is of PW No.1108 Abhishek Hrishikesh Shukla Exh.7938, in whose presence, a voluntary disclosure to show the shop from where the plastic can (kerbo) was purchased and the auto oil shop at Rampura. According to the learned advocate, the evidence of PW No.1108-Abhishek Hrishikesh Shukla at Exh.7983 is not reliable as neither there is any connection of purchase of plastic can or petrol with the plantation of bomb in Surat or the explosion of bomb in Ahmedabad. In any case, in absence of any documentary evidence regarding the purchase of said items, the accused cannot be connected to the circumstance of purchase of either items.

16.40.6. The Court has found that accused No.43-Anik @ Khalid was initially, arrested on 12.11.2008 in connection with the offence registered at Kapodara Police Station for planting of bomb and was later on arrested on 24.12.2008 in connection with the Ahmedabad blast case. The accused No.43- Anik @ Khalid is connected with this offence through the two hide-outs, one being the house at Sherpura and the other being the house in River View Society. Both these houses were hide-outs where the accused had conspired for preparing and planting the bombs and therefore, material objects were seized from Sherpura house through the panchnama Exh.6540 drawn on 02.09.2008 (prior to the arrest of accused No.43-Anik @ Khalid) at the behest of accused No.14-Mohammad Sajid Gulam Khwaja Mansuri, who, first in point of time, had identified and located the house under panchnama Exh.6540, which

was proved through the panch witness. The articles which were seized in due course of investigation were sent to FSL, which submitted its report at Exh.5963 and from the report, it appears that traces of explosive material was found in the house.

16.40.7. To connect the present accused with the house, PW No.1138-Gulam Rashid Pathan has been examined vide Exh.8165 and through this witness, test identification parade was also conducted. Therefore, this witness establishes the fact that the Sherpura house, from where traces of explosive material was found, was shared by accused No.43-Anik @ Khalid with other co-accused.

16.40.8. The Court has also perused the evidence in the form of deposition of PW No.1108-Abhishek Hrishikesh Shukla Exh.7938, who is the panch witness to point out panchnama Exh.7939, by which accused No.43-Anik @ Khalid had pointed out the shop from where he had purchased the plastic can (kerbo). Thus, the plastic cans were found from the car which was laden with bomb and were found under the panchnama Exh.2413, for which FIR being II-C.R. No.176 of 2008 with Kapodara Police Station is registered. The plastic cans recovered from the car were forwarded to FSL along with other items and the FSL has given a report which is exhibited vide Exh. 5847. It appears that similar plastic cans were also found from another hide-out, i.e. house being D-34, River View Society during the panchnama Exh.2757, which was also sent for FSL and the report Exh.5776 is on record.

16.40.9. Learned advocate Shri Buch submitted that the role attributed to accused No.44-Mohammad Akbar is of being associated with the two hide-outs, one being at Sherpura, Bharuch and the other at River View Society, Surat, which he had occupied in the proximate period along with accused No.43–Anik @ Khalid and accused No.45–Fazle Rehmaan

Musaddik Durrani. Learned advocate has submitted that his submissions qua accused No.44-Mohammad Akbar is identical to that of accused No.43–Anik @ Khalid in view of the similarities in the nature of role attributed and the evidence led. Learned advocate submits that reliance is placed by the prosecution on the evidence of PW No.1138 Gulamhussain Abdulrashid Pathan Exh.8165 to connect accused No.44-Mohammad Akbar with the Sherpura house as PW No.1138 Gulamhussain Abdulrashid Pathan Exh.8165, in his cross-examination, has admitted that there is no documentary evidence to establish his ownership or the fact of his renting out the premises to any of the accused as there are no rent receipts as well. It is submitted that the prosecution is trying to connect the articles found in the house, like electrical wires, etc. to the preparation of bombs; however, it is pertinent to point out that PW No.1138 Gulamhussain Abdulrashid Pathan Exh.8165 himself is an electrician by profession and therefore, when the house was searched, electrical goods and books lying thereto can be traced to PW No.1138 Gulamhussain Abdulrashid Pathan Exh.8165 and not to the accused having used the house as hide-out for preparing bombs.

16.40.10. Learned advocate has, thereafter, assailed the evidence of the prosecution in the form of point out panchnama where the accused has pointed out house No.D-34, River View Society vide panchnama Exh.7946. It is submitted that as it is a joint panchnama, the same cannot be treated as an evidence at all. It is submitted that this point out panchnama was executed along with accused No.43–Anik @ Khalid, who also pointed out the same house. It is submitted that merely pointing out of the house is of no consequence as it is an admitted position that during the point out panchnama, no one has entered the

house to search the premises for recovering any material object connecting the accused with the crime.

16.40.11. Learned advocate has, thereafter, assailed the evidence of PW-1123 Liyakatali Gulamrasulhusain Shaikh Exh.8078, who is the landlord of the house of River View Society, Surat. The prosecution has tried to connect the house to accused No.44-Mohammad Akbar through one Yakub, whom the prosecution has not examined at all though he is a relevant witness. Moreover, even from the deposition of the landlord, PW-1123 Liyakatali Gulamrasulhusain Shaikh Exh.8078, it could not be established that accused No.44-Mohammad Akbar has occupied this house of River View Society and therefore, even if the said house is proved to be a hide-out, for the present offence, accused No.44-Mohammad Akbar cannot be connected to this house through any cogent evidence. Learned advocate has, thereafter, assailed the evidence of PW No.1123 Liyakatali Gulamrasulhusain Shaikh Exh.8078 with regard to identification of accused No.44-Mohammad Akbar as, according to the learned advocate, during the test identification parade, the witness has merely pointed out the finger towards the person but has not given any details. Moreover, during the course of deposition, the witness has failed to identify accused No.44-Mohammad Akbar and therefore, the prosecution has failed to establish the identity of accused No.44-Mohammad Akbar and to connect him with the house in River View Society.

16.40.12. It is the case of the prosecution which is established by cogent evidence that the house being No.D-34, River View Society was one of the hide-outs where conspiracy has taken place and bomb manufacturing articles were found. A point out panchnama, at the behest of accused No.44-Mohammad Akbar, is at Exh.7946 which was

drawn on 28.11.2008, after the arrest of accused No.44-Mohammad Akbar on 12.11.2008, initially, in connection with the bomb plantation case registered with Kapodara Police Station and had continued in police custody for various offences till 12.12.2008 and thereafter, was arrested in connection with the Ahmedabad bomb blast case as well. The point out panchnama, therefore, was drawn when accused No.44-Mohammad Akbar was in police custody and wanted to make voluntary disclosure with regard to the hide-outs, which is recorded in the first part of the panchnama Exh. 7946. This exhibit is proved by examining PW No.1110 Jignesh Himmatlal Shah at Exh.7945 and after the voluntary disclosure recorded in the first part of the panchnama, the accused has led the investigating team to a place, which is recorded to be house No. D-34, River View Society in the second part of the panchnama. It is pertinent to observe that on 28.08.2008, accused No.63–Mohammad Tanvir Mohammad Akhtar Pathan, who was arrested prior to the arrest of accused No.44-Mohammad Akbar, had also in the point out panchnama under section 27 of the Evidence Act at Exh.2757 pointed out the very house and during this point out panchnama, various articles were recovered when the house was searched, which is evident from the primary report of the FSL at Exh.2767 and the final report of the FSL at Exh.5776 wherein, the presence of highly explosive material was found. Therefore, the mental fact of knowlege of house No.D-34, River View Society is a hide-out was the special knowledge of the accused, which came on record by drawing the point out panchnama under section 27 of the Evidence Act. The argument that accused No.63–Mohammad Tanvir Mohammad Akhtar Pathan, in the previously drawn panchnama, has also shown the same house is of no consequence in view of the fact that the present accused was arrested at a much later stage and he would not

be aware of the panchnama drawn at the behest of accused No.63–Mohammad Tanvir Mohammad Akhtar Pathan. Moreover, till the drawing of the second part of the panchnama, the Investigating Officer would also not be aware of the fact as to what accused No.44-Mohammad Akbar is to lead by making voluntary disclosure, till, in the second part of the panchnama, the Investigating Officer was co-incidentally led to the same house being D-34, River View Society.

16.40.13. The Court may also take into consideration the evidence of PW No.1123 Liyakatali Gulamrasulhusain Shaikh at Exh.8078, who is the owner of house No.D-34, River View Society through whom the test identification parade has been conducted and in the test identification panchnama Exh.3090, accused No.44-Mohammad Akbar has been identified. His identification has been confirmed by the evidence of Executive Magistrate, PW No.575 Kirtanbhai Chaturbhai Patel Exh.3076.

16.40.14. The Court has found that prosecution has established the connect of accused No.44-Mohammad Akbar with the Sherpura house in view of the evidence of PW No.1138 Gulamhussain Abdulrashid Pathan at Exh.8165. This witness has not only deposed about the occupancy of the house by accused No.44-Mohammad Akbar but has also gone on to identify this house in the test identification parade at Exh.3165. A perusal of Exh.3165 would establish the identity of a accused No.44-Mohammad Akbar and it is further confirmed by the evidence of the Executive Magistrate PW No.589 Indraveer Vajubha Jhala Exh.3159.

16.40.15. The Court may also observe that Sherpura house was searched at the first instance when accused No.44-Mohammad Akbar had also identified the very house under Exh.6540, which was proved by PW No.917 Pinkesh Naginbhai Desai Exh.6539. During this

panchnama, there is a preliminary report of the FSL at Exh.5586 and the final report of the FSL at Exh.5963.

16.40.16. The Court may also give due regards to the submission of the Learned Additional Advocate General for the State wherein the prosecution has relied on panchnama Exh.2413 drawn on 27.07.2008 between 18:15 hours to 22:30 hours by Kapodra Police Station for offence registered vide C.R.No.II-176 of 2008. This panchnama was drawn at Baroda Prestige, Dr. House building, Sonal Bhel shop, Varacha road. On bare reading of this panchnama, it appears that the same was drawn in the presence of panchas, police personnel, FSL Officers, from where, one maroon coloured Maruti Wagon R motor car bearing number GJ-6-CD-2908 was parked and on searching the car, different articles like three plastic kerba-can each containing petrol, relevant for accused No.43-Anik @ Khalid were found, which were narrated in the panchnama at serial No.10. During the course of panchnama, sample liquid i.e. petrol was also taken from this kerba which are mark ABC. The above referred articles namely sample liquid-petrol mark A B C from mark A9 alongwith other relevant articles were sent for Forensic Examination through forwarding letter vide Exh.5845, pursuant to which, opinion was received at Exh.5847, which establishes that sample liquid A B C as petrol.

16.40.17. It is submitted that the prosecution has also relied on panchnama at Exh.2757 drawn on 28.08.2008 between 12:15 hours to 16:40 hours drawn by Surat Police. The first part of this panchnama was drawn at Police Station in the presence of accused No.63-Tanvir Mohd. Akhtar Pathan and he wanted to disclose and point out some relevant places and articles. Pursuant to it, second part of the panchnama was drawn, during which he led all to one house through Variyari Bazaar,

Paliya ground and few other places. The house pointed out by accused No.63-Mohammad Tanvir was found locked and upon verifying details of house, it was found that house is D 34 River View Society in the name of Liyakhat Ali Shaikh. As this house was to be searched and accused No.63-Mohammad Tanvir was not having keys, it was broken open. F.S.L persons and Finger Print Experts were also called and various articles were found, of which relevant article like three white coloured kerba having smell of petrol from it. During this search, many other articles were found which were subjected to forensic examination and some of the articles were found, which contained high explosive. The prosecution has also relied on panchnama Exh.7946 drawn on 28.11.2008 at the instance and behest of accused No.43-Anik @ Khalid, who has pointed out house of River view Society D 34. This panchnama is proved through panch witness PW No.1110-Jignesh Himatlal Shah vide Exh.7945 and Investigating Officer being PW No1155-Narayansinh Bhavansinh Parmar vide Exh.8517.

16.40.18. It is submitted that as both the accused No.44-Mohammad Akbar is connected with Sherpura house, the submissions made by the State with respect to accused No.43-Anik @ Khalid are made in common. Accused No.44-Mohammad Akbar is also connected with two particular cars and other two motor cars (stolen cars), the submissions made with respect to accused No.43-Anik @ Khalid are also applicable to accused No.44-Mohammad Akbar. Accused No.43-Anik @ Khalid is directly connected with house No. D 34 River View and hence, all the circumstances which would relate to D 34 River View, more particularly, on search of this house high explosive substance was found, would be applicable to accused No.44-Mohammad Akbar. So also, different accused persons, who are connected with house No. D 34 River View,

would be equally be connected with accused No.44-Mohammad Akbar.

16.40.19. The Court has considered the submissions of the parties. As seen in the aforesaid paras regarding discussion of accused No.43 and accused No.44, the role attributed is identical and the evidence also is more or less identical and therefore, finding with regard to both the accused are recorded herein below.

16.40.20. The Court has perused the deposition of the Gulam Hussein of Bharuch examined at PW-1138/Exh.8165. The witness has stated that he has given his house on rent in the month July 2008 at Sherpuira village to a person namely Rafik Shaikh, for which Rafik Shaikh has given deposit money as well as keys of the house. Rafik Shaikh has come to witness with one silver coloured Wagon R, whose number as known to witness is GJ-06. From the evidence of witness Gulam Shaikh, it is established that person who gave his name as Rafik Shaikh, as such his real name is Fazle Rehman, who is accused No.45-Fazle Rehmaan from Maharashtra like accused No.43. It is also established from the evidence of this witness that the said house was used and occupied in the month of July 2008 by accused No.43-Anik @ Khalid and accused No.45-Fazle Rehmaan and one more accused i.e. accused No.44-Mohammad Akbar of Maharashtra. Identity of these three accused i.e. accused No.43-Anik @ Khalid, accused No.44-Mohammad Akbar and accused No.45-Fazle Rehmaan is established on the basis of Test Identification Parade vide Exh.3165 and also proved through Executive Magistrate being PW No.589-Indravir Vajubha Zala vide Exh.3159.

16.40.21. It appears that the said house was subject to search on 03.09.2008 at the behest of accused No.14-Mohd. Sajid @Saleem @Azamd @Saad S/o Gulam Khwaja Mansuri, resident of Surat as well as Bharuch. It is deposed that the witness went to Sherpura house upon

being called by the police, where he found that the house was locked and keys were with the person to whom house was rented and hence, the lock was required to be broken to search the house. It is further deposed that Gulam, two police personnel and F.S.L officers were present and upon search of it, different articles were found as narrated in panchnama vide Exh.6540 and distinct marks like A, B, C,D and E were given, out of which articles A,B,C and D were sent for Forensic Examination and on the basis of opinion of Forensic, articles Mark A, B, C and D contained Ammonium Nitrate and Petroleum Hydro Carbon oil being high explosive and using it with detonators would cause explosion.

16.40.22. The Court has perused the evidence of witness-Bhavesh, who was examined at PW-1129/Exh.8094, who is resident of Katar Gam Road, Surat and in business of purchase and sale of second-hand two-wheeler scooters under the name of 'Jay Jalaram Auto Consultant'. Police interrogated this witness. The witness has two persons in his office namely Dinesh and Mukesh, through whom one person came to him on 23.07.2008 and he sold Honda Kinetic Scooter bearing number 3801 in a sum of Rs. 10,000/-to that person, for which sale note was executed. The said person had put his signature however, upon being asked in whose name the said scooter to be transferred, he replied that he would inform the witness tomorrow. The witness was shown document Exh.2804, which is a book containing documents in the hand writing of witness and the signature on revenue ticket is that of a person, who paid money and purchased scooter. The witness deposited the said book to the Police. As submitted by witness, Exh.2804 is a sale note of Kinetic scooter was seized and collected through panchnama vide Exh.2803 dated 29.08.2008 and this panchnama stands proved through Investigating Officer being PW No.455-Kishanbhai Govindbhai Tijvij

vide Exh.2802.

16.40.23. The witness has described the appearance of purchaser of scooter as, aged between 22 to 25 years, of a particular height, black in colour, thin in body and having curly hair. The witness was subjected to Test Identification Parade for the purpose of identifying purchaser of Kinetic scooter. During the course of Test Identification Parade, witness identified one person, whose name was not known to him and deposed that he was unable to identify that person because of lapse of time. The prosecution has relied on Test Identification Parade Exh.3094, which established witness-Bhavesh identified a person, whose name is Anique S/o Shafeeq Sayyed @Khalid (accused No.43-Anik @ Khalid) as inquired by Executive Magistrate. This Executive Magistrate is also examined at PW-575/Exh. 3076 and during the course of his deposition, Executive Magistrate has deposed that witness Bhavesh has identified accused No.43-Anik @ Khalid.

16.40.24. The prosecution has also relied on panchnama Exh.7942 dated 16.11.2008 through which specimen signature vide Exh. 7943 of accused No.43-Anik @ Khalid was taken. The said panchnama stands proved through panch witness being PW No.1109-Vikas Balubhai Bhoi vide Exh.7941 and same is also further proved through Investigating Officer PW No.1155-Narayansinh Bhavansinh Paramar vide Exh.8517. The above referred specimen signature alongwith disputed signature of purchaser in sell note Exh.2804 were sent for Hand Writing Expert's opinion through Forwarding Letter Exh.7973 and pursuant to which, hand writing expert's opinion was received at Exh.7977 and also proved through evidence of Hand Writing Expert Shri Vadgama Exh. 7970. The prosecution has proved that disputed signature on sale note Exh.2804 is of accused No.43-Anik @ Khalid. In the opinion of the Court, it is

sufficiently established that accused No.43 is the purchaser of Kinetic Scooter from witness Bhavesh.

16.40.25. So far as accused No.43 is concerned, the Court may refer to panchnama Exh.7939 drawn by Surat TO. Police on 20.11.2008 between 13:00 hours to 14:30 hours. The first part of the panchnama was drawn at DCB Police Station, Surat in presence of accused No.43-Anik @ Khalid, which contained relevant disclosure made by accused No.43-Anik @ Khalid. Accused No.43-Anik @ Khalid led panchas and police to a Rampura Auto Sales and Service through Sayeedpura Pumping Police Chowki, Lal Darwaja (Lal Gate), where accused No.43-Anik @ Khalid has made a disclosure statement that on 25.07.2008, he purchased 10 litres of petrol filled in one white colour can. Thereafter, accused No.43-Anik @ Khalid also led all to one unnamed shop through Lal Darwaja (Lal Gate) and Delhi Gate, which has been run by a person namely Pravinchand was present there, where plastic canes and other plastic articles were kept. On pointing out this place, accused No.43-Anik @ Khalid disclosed that on 25.07.2008 he purchased 5 to 6 Kerba of 10 litres. This unnamed shop was beside Modi Stores and a Rasna Traders. Thereafter, accused No.43-Anik @ Khalid led all and pointed out a petrol pump namely Nilam Petroleum, situated at Gotala Wadi, Bal Anath Ashram, which was run by one Jalal Bhai who was present at that time and disclosed that on 25.07.2008, he purchased further 10 litres of petrol which was filled in one another white can (kerba). The panchnama Exh.7939 is proved through panch witness being PW No.-Abhikesh Rushikesh Shukla vide Exh.7938 and through Investigating Officer being PW No.1120-Salimuddin Jalaluddin Tirmizi vide Exh.8049.

No.43-Anik @ Khalid, it appears that accused No.43-Anik @ Khalid is one of the key conspirators having link with many sequels to the conspiracy. Accused No.43-Anik @ Khalid, as recorded hereinabove is connected with Sherpura House of witness Gulam and thereby he is connected with accused No.45-Fazle Rehmaan, accused No.28-Afzal @ Afsar, accused No.14- Mohammad Sajid and accused No.44-Mohammad Akbar. As accused No.43-Anik @ Khalid is connected with other accused, is connected with Sherpura House is equally connected with one silver coloured Wagon R, whose number, according to witness Gulam, is GJ-06 and red coloured Wagon R. The case of the prosecution is that these two cars are stolen from Maharashtra and their registration number were tempered and ultimately these two cars were used for purpose of planting of bomb. The case of prosecution is that the stolen silver car after being loaded with bomb, parked at Civil Hospital which got exploded and other red coloured Wagon R was used for loading bombs and parked in the area namely Dr. House, Kapodra Police Station, which did not explode. Thereby, accused No.43-Anik @ Khalid is connected with not only these two cars, but two other cars as well. Accused No.43-Anik @ Khalid on the basis of evidentiary material referred hereinabove, is connected with purchase of plastic kerba and petrol which were found from one red coloured Wagon R parked in Surat containing three plastic kerba filled with petrol and three other kerbas which were found from the house no. D 34 River View Society, which smelled like petrol. Thereby, accused No.43-Anik @ Khalid is also connected with house No. D 34 and all other accused more particularly, accused No.63-Mohammad Tanvir and all others like accused No.46-Mohammad Naushad and accused No.47-Ahmed Bava, who are also connected with house No. D 34.

16.40.27. In so far as accused No.44 is concerned, evidence of witness-Liyakat Ali as PW 1123/Exh.8078 is perused, who is a resident of Surat and owner of one house in River View Society. The witness has produced sale document vide Exh.8077/1 and 2 of River View house and 2 on record as mark A and mark B. The witness has deposed that in the year 2008, first floor of this house being House No.D 34 of River View society was given on rent to one Rashid Bhai and ground floor to one Marathi family, which was vacated within three month and thereafter, the said part of the house was given on rent and one Shareefbhai running grocery shop had brought tenant, whose name is Yakub as told and known by witness. The said tenant was around 25 to 30 years and told that his family is staying at Bombay. They decided the monetary terms for the giving the house on rent and the tenant was asked about photographs, but he told that he would give it when he would come with his family. Thereafter, the witness gave keys of his house to him and since then he did not come. The tenant has given the witness Rs.7000/- as deposit and told that he would give remaining amount later. The witness also stated that he has visited his tenant for 2 to 4 times, but he found the house locked. The witness was subjected to interrogation, witness is also subjected to Test Identification Parade and during the course of it, he identified one person-Yakub (accused No.44), whom he could not identify during the course of his deposition.

16.40.28. During the course of cross-examination, the witness firmly denies that it is not true that he has not given his house on rent to a person named Yakub and also firmly denies that it is not true that witness has not identified any such person (Yakub) during Test Identification Parade. It is pertinent to state here that, accused No.63-Mohamamd Tanveer has chosen not to cross-examine this witness. As

per the evidence of this witness-Liyakat that he has identified one person (Yakub) during Test Identification Parade, prosecution has relied on this Test Identification Parade at Exh.3090 and during the course of Test Identification Parade, witness Liyakat was called upon to identify person, who has taken house of witness on rent. The witness identified one person and by holding his hand, the person was brought forward. The Executive Magistrate inquired about name of the person identified by witness and upon inquiry, it is found that person identified is accused No.44-Mohammad Akbar @ Yakub. The panchnama of Test Identification Parade stands proved through witness as well as Executive Magistrate as PW No.575-Kirtanbhai Chaturbhai Patel vide Exh.3076.

16.40.29. The Court finds that accused No.44-Mohammad Akbar is also connected with Sherpura house as he stayed and occupied Sherpura house and therefore, evidence of witness Gulam referred above for accused No.43-Anik @ Khalid, is required to be made applicable for accused No.44-Mohammad Akbar as well. Similarly witness Gulam also identified accused No.44-Mohammad Akbar alongwith two other accused, more particularly accused No.43-Anik @ Khalid.

16.40.30. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led, that there is sufficient evidence to support the charges framed against accused No.43-Anik @ Khalid S/O Shafik Saiyed and accused No.44-Mohammad Akbar @ Said @Yakub @Vinod S/O Ismail Chaudhari. The Court has therefore, no reason to interfere with the conviction recorded.

16.41.1. In case of accused No.66-Mohammad Safiq @ Dadabhai @ Thakur @ Rafiq @ Ali S/O Abdulbari Ansari, he has been convicted for various offences by the trial Court for being part of the conspiracy by participating in the terror camp in the forests of Pavagadh in Halol, and has been sentenced to imprisonment for life in Sessions Case No.38/2009 and others.

16.41.2. Learned advocate Shri Hriday Buch submits that the evidence against this accused only in the form of deposition of one witness, who is Munjawar of a Dargah located in Pavagadh where the accused person with co-accused had stayed during the training. However, it is submitted that the evidence of this witness cannot be relied upon for conviction as the witness has not identified this accused in the Court. Moreover, there is no Test Identification Parade through this witness.

16.41.3. The other evidence being confessional statement of accused No.35-Rafiuddin Kapadiya, where it is stated that accused No.66-Mohammad Safiq was part of the terror training camp. It is argued that this confessional statement may not be taken into consideration as it is recorded on oath.

16.41.4. Yet another evidence against accused No.66-Mohammad Safiq is the point out panchnama at Exh.7252, which accused No.66-Mohammad Safiq had recorded his voluntary disclosure to lead the police to a place, where the training camp had taken place. Learned advocate has argued that this panchnama is not a panchnama under Section 27 of the Evidence Act as it was not lead to disclosure of any material object.

16.41.5. Moreover, the camp site led by accused No.66-Mohammad Safiq is not for the first time, but each time also upon arrest of other co-

accused, the Investigating Officer was led to this same camp. Therefore, the Investigating Officer was aware of the very place. So there is no discovery of a new fact.

16.41.6. Learned Additional Advocate General for the State has relied on confessional statement of accused No.35-Rafiyuddin S/O Sarfuddin Kapadiya at Exh.8631, wherein he involves accused No.66-Mohammad Safiq as one of the participants of Halol Camp by giving his name as 'Shafiq'. He has stated that other participants from Madhya Pradesh are accused No.12-Safdar Nagori, accused No.9-Kamaruddin, accused No.10-Amil Parvaz, accused No.74- Abrar and others who were from different states. Accused No.35-Rafiyuddin Kapadiya has described this camp as SIMI Camp.

16.41.7. The prosecution has also relied upon panchnama Exh.6443 drawn on 17.11.2008 by Crime Branch Police, Ahmedabad City. Accused No.35-Rafiyuddin Kapadiya in his confessional statement has also pointed out a place of Halol Camp, which is proved through Panchnama Exh.6443.

16.41.8. It is submitted that the evidence of witness Idrish has to be considered in context of the confessional statement of accused No.35-Rafiyuddin Kapadiya, which involves accused No.37-Kayamuddin and accused No.16-Abbas from Bhuj, and the naming of these two accused in the said confessional statement of accused No.35-Rafiyuddin Kapadiya, is required to be seen in context of evidence of Idrish who had identified these two accused namely accused No.37-Kayamuddin Kapadiya and accused No.16-Abbas S/O Umar Sameja.

16.41.9. The Court has already discussed about the terror camp in forests of Pavagadh and the evidence to establish the same to be a part of conspiracy. The accused participating were subjected to various training

including making of the bomb, firing etc. This circumstance has been well established by evidence of eye-witness discussed in chapter of "Appreciation of deposition of relevant witnesses". Therefore, the evidence of a witness Zakir to the conspiracy with an object to take revenge and as a part of conspiracy held camps and meetings. The point out panchnama under Section 27 of the Indian Evidence Act discussed under the chapter of 'Panchnamas under Section 27 of Indian Evidence Act'.

16.41.10. Point out panchnama vide Exh.7252 is proved by panch witness. PW No.1068-Pragneshbhai Govindbhai Rajput vide Exh.7251, wherein the witness has deposed to the voluntary disclosure by accused No.66-Mohammad Safiq to disclose the location, where the camp had taken place for training. Accused No.66-Mohammad Safiq thereafter, led the team to the exact spot where the training had taken place. As the accused had led the team, subsequent to an another accused having led Investigating Officer to same spot and discovery of various incriminating articles connecting to holding of training were seized. Of course, the subsequent panchnama would obviously not lead to recovery of the same articles again and again and therefore, the material objects recovered during the previous panchnama will have to be treated as recovery of this panchnama as well. Moreover, the voluntary disclosure would lead to the same place can only be known where accused No.66-Mohammad Safiq lead the team to the very identical spot. It would be pertinent to observe that this accused is not a local person but from M.P. therefore his knowledge of the location would certainly amount to discovery of a place where part of the offence of conspiracy has taken place. Merely because the police was aware of the spot, cannot discredit the panchnama, which otherwise brings on record the 'mental fact' of

the knowledge of the location of the terror camp. The Court is therefore, inclined to accept the panchnama Exh.7252 as a panchnama under Section 27 of the Indian Evidence Act and the disclosure made of his participation in the very camp to be admissible and not hit by Sections 25 and 26 of the Indian Evidence Act or Section 162 of Cr.P.C. in view of exception carved out by Sub-Section 2 of Section 162 of Cr.P.C.

16.41.11. The Court has perused the evidence of one important witness from Halol Camp being PW No.1105-Idrish Gulabsha Fakir Diwan, at Exh.7923, who was the Munjavar of Khundpir Dargah, where the camp was held. In para-7, he has deposed that somewhere in the month of November, 2008, police officer namely Mr. Chavda came to him alongwith one accused named accused No.66-Mohammad Safiq. He further deposed that arrangement of participants for stay at Dargah was made at the instance of one Imran Shaikh, who is a resident of Taiwada, Vadodara as on 13.01.2008, accused No.2-Imran Shaikh came to him and upon Imran giving the reference of Dr. Sadab, arrangement was made by this witness, whereby he permitted 20 to 22 persons to stay at Dargah. They stayed there for two nights under the pretext of doing trekking in the Jungle. The witness also deposed that on 15th i.e. two days thereafter, Imran came and gave gift and charity. The witness further deposed that he was interrogated by police and he also deposed about accused No.66-Mohammad Safiq having stayed alongwith Imran at Dargah.

16.41.12. This witness has deposed that he would try to identify the persons, whose names were given by him in Court namely accused No.1-Jahid Shaikh, accused No.66-Mohammad Shafiq Ansari, accused No.74-Mohd. Abrar, accused No.16-Abbas Sameja of Bhuj. Upon being shown the accused persons, this witness was unable to identify accused

No.66-Mohammad Safiq due to change in physical appearance however, he identified accused No.37-Kayamuddin Kapadiya and accused No.16-Abbas Sameja in Court. The witness Idrish has also given his statement under Section 164 of Cr.P.C, which has been dealt with by the Court under the chapter "Appreciation of deposition of relevant witnesses".

16.41.13. The Court has perused the panchnama at Exh.7252 drawn on 24.11.2009 through which accused No.66-Mohammad Safiq has pointed out Ek Minar Masjid to be the place where Halol camp was conducted and during the said camp, accused No.66-Mohammad Safiq and other accused offered Namaz and stayed at this place. The aforesaid panchnama stands proved through panchwitness being PW No.1068-Pragneshbhai Govindbhai Rajput vide Exh.7251 and also through investigating officer being PW No.1163-Mayurbhai Jagmalbhai Chavda at Exh.8638.

16.41.14. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.66-Mohammad Safiq @ Dadabhai @ Thakur @ Rafiq @ Ali S/O Abdulbari Ansari as the prosecution has been able to establish on record the participation of this accused in the terror camp at Pavagadh as a part of the conspiracy. The Court has therefore, no reason to interfere with the conviction recorded.

Alam Jeb Afridi S/O Maskur Ahmed, he has been convicted for various offences by the trial Court, and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.42.2. Learned advocate Shri Yug Chaudhry has made submissions on behalf of accused No.75. The case of the prosecution against accused No.75 is of participation in the terror camps held in the forests of Pavagadh in Halol in Gujarat; of taking part in the conspiracy and planning for storing of bicycles prior to the blast and thereafter, planting the bomb laden bicycles. The other role attributed to the accused is of purchase of gas cyclinders along with accused No.27 – Mohammad Ismail Mohammad Isaak Mansuri which were used as explosives. While accused No.27 had purchased those cylinders, this accused had waited outside the shop. Accused No.75 has been convicted for his participation in the terror camp at Vagamon and has been convicted under the judgment and order dated 14.05.2018 by the Special Court of NIA, Ernakulam in Sessions Case No.02/2011. He has been convicted under Sections 10 & 38 of the U.A.P.A., Section 4 of the Explosive Substances Act and Section 120B of IPC r/w. Sections 10 & 38 of the U.A.P.A. Amongst the various punishments, he has been convicted to undergo rigorous imprisonment for 07 years.

16.42.3. According to the learned advocate, the only evidence relied upon is of the point out panchnamas executed at the behest of the accused and confession of co-accused. It is submitted that the panchnama of co-accused have also been relied upon, as if the same have been executed under section 27 of the Evidence Act by accused No.75.

16.42.4. Learned advocate submitted that the accused was arrested on 21.04.2016, i.e. after about 08 years of the offence. He was taken in

police custody for the various offences and was, thereafter, transferred to judicial custody on 15.05.2016. According to the learned advocate, the circumstances against the accused is the point out panchnama of the spots where the accused had stored the bicycles and the spots where he had planted the bomb laden bicycles; the other circumstance is the point out panchnama of the gas shop from where accused No.27-Mohammad Ismail Mohammad Isaak Mansuri had purchased the gas cylinder for use in the explosion and to which place the accused No.75 had accompanied; the other circumstance is the point out panchnama of the location from where the accused had received the bicycle; the circumstance of the role attributed by co-accused *(approver*) (sic.), PW No.957 Zakirhussain Abduljabbar Kureshi Exh.6687 the circumstance of the accused having attended Halol camp on the basis of evidence of PW No.981 Pravinbhai Hamirbhai Kataria Exh.6835 and lastly, the evidence against the accused in the form of confessional statement of accused No.2–Imran Ibrahim Shaikh and accused No.35– Rafiyuddin Sarfuddin Kapadiya.

16.42.5. Learned advocate has assailed the point out panchnama Exh.7387, which is proved by evidence of PW No.1082 Nalinbhai Jayantilal Jadawala Exh.7386. According to the learned advocate, his evidence cannot be taken into consideration in view of the fact that when PW No.1082 Nalinbhai Jayantilal Jadawala Exh.7386 was examined, accused No.75 was not in the Court and under exemption application Exh.7383, the accused was exempted from appearance, as he was in custody in Bangalore in connection with some other case. It is pointed out that in the cross-examination, the question with regard to identity was raised and application Exh.7388 was filed, which came to be allowed, thereby, requiring the production of accused No.75 in the

Court; however, PW No.1082 Nalinbhai Jayantilal Jadawala Exh.7386 was never summoned and therefore, there was no cross-examination on behalf of accused No.75 in this regard. It is also submitted that the panchnama is highly unreliable as the same has been executed after about 08 years of the incident. Moreover, other accused have already pointed out the very spots under a separate panchnama. According to the learned advocate, the panchnama Exh.6808 was executed for the same spot. This was the spot where the bicycles which were used for planting of bombs were stored. According to the learned advocate, as there is no seizure of any material object, hence also, this panchnama cannot be treated as a panchnama under section 27 of the Evidence Act. Learned advocate has submitted that there is variation in the number of cycles mentioned in various documents. According to him, PW No.1082 Nalinbhai Jayantilal Jadawala Exh.7386 refers to one cycle being given to Kayamuddin, whereas, the panchnama refers that accused No.75, accused No.23–Aiyaz Razakmiyan Saiyed and accused No.27–Mohammad Ismail Mohammad Isaak Mansuri had given three cycles to Kayamuddin. Similarly, the panchnama refers to three cycles in Ambar Towers.

16.42.6. Learned advocate has, thereafter, assailed the other point out panchnama where accused No.75 has pointed out the shop from where accused No.27-Mohammad Ismail Mohammad Isaak Mansuri had purchased the gas cylinder. It is submitted that it was after a period of about 08 years of the incident. Not only that, the panch witness has not identified accused No.75 in the Court nor there is any seizure for linking the gas cylinder with the accused. It is submitted that even the case of the prosecution is that when accused No.27 - Mohammad Ismail Mohammad Isaak Mansuri had entered the shop, accused No.75 was

waiting outside and therefore only, the witness (shop-keeper) has not been able to identify the accused to be one of the purchasers of the gas cylinder. He has referred to the entire case of associating accused No.75 with the gas cylinder shop as an after-thought and as the concerned witness was unable to identify the accused, a narration is built that the accused had waited outside.

16.42.7. Learned advocate has, thereafter, assailed the evidence of the panch witness by which two locations were identified being panchnama Exh.8000 proved by the prosecution through PW No.1114 Rajesh Jadavbhai Chauhan Exh.7999. Under this panchnama, there is a voluntary disclosure whereby accused No.75 had led the panch team to House No.10, Al-Mohammadi Society and two spots in the jurisdiction of Odhav Police Station where the bomb laden cycles were parked. Again, it is submitted that there is great delay and the pointing out of House No.10, Al-Mohammadi Society, being a hide-out, was already pointed out by several accused earlier. The pointing out of the spot of bomb laden bicycle is also of no consequence, as the spot of bomb blast, which was within the jurisdiction of Odhav Police Station, was known to the public at large and therefore, there was no new discovery by the accused which was unknown to the investigation. Over and above, no seizure was made during the panchnama and therefore, it cannot be treated as a panchnama under section 27 of the Evidence Act.

16.42.8. Learned advocate has, thereafter, assailed the point out panchnama Exh.7798, which is proved by PW No.1102 Santoshsingh Vishramsingh Rajput Exh.7797. Under this panchnama, the accused has made voluntary disclosure to lead the panch team to the place in Halol where the training camp was conducted. However, previously also, on several occasions, the very spot has been pointed out under various

panchnamas and therefore, the location of training camp having been pointed out several times, the panchnama Exh.7798 cannot be treated as a discovery under section 27 of the Evidence Act.

16.42.9. The other set of evidence is the confessional statements of accused No.2 - Imran Ibrahim Shaikh and accused No.35– Rafiyuddin Sarfuddin Kapadiya. It is submitted that though the witnesses referred to holding of training camps at Vagamon and Halol, yet, accused No.2-Imran Ibrahim Shaikh, in his confessional statement, has not named accused No.75 as one of the participants in the training camp at Vagamon. Moreover, the confesssional statement of accused No.35–Rafiyuddin Sarfuddin Kapadiya has been discarded by the trial Court itself on the ground of it having been recorded on oath. Therefore, the confessional statement of accused No.35 will not fall in the definition of evidence at all. It is submitted that confessional statements, as argued during the general submissions, would be a very weak piece of evidence so much so that on the basis of such statements, conviction cannot be recorded and at best, it can be used only for corroboration of substantive evidence. It is submitted that as the substantive evidence against accused No.75 is only the point out panchnama, it also cannot be considered as a panchnama under section 27 of the Evidence Act as there is no substantive evidence which can be corroborated.

16.42.10. Lastly, learned advocate has assailed the vital evidence in the form of deposition of PW No.957 Zakirhussain Abduljabbar Kureshi Exh.6687 to submit that considering the deposition of this witness, he is required to be treated as an accomplice and therefore, no weightage can be attached to the evidence of PW No.957 Zakirhussain Abduljabbar Kureshi Exh.6687 though PW-957 Zakirhussain Abduljabbar Kureshi Exh.6687, in his deposition, has identified accused No.75 in the Court.

It is submitted that there is a lacunae in the case of the prosecution even on the ground that the charge framed against accused No.75 being Exh.6944 was on 21.04.2018 whereas, the deposition of PW No.957 Zakirhussain Abduljabbar Kureshi Exh.6687 was recorded on 08.12.2017.

16.42.11. Learned advocate has, thereafter, assailed the evidence of PW No.981 Pravinbhai Hamirbhai Kataria Exh.6835. According to the learned advocate, this witness though has identified accused No.75 to be part of Halol terror camp, his deposition cannot be relied upon as the identification of the accused in the Court is after a period of about 10 years and through PW No.981 Pravinbhai Hamirbhai Kataria Exh.6835 there is no test identification parade to support the dock identification.

16.42.12. In view of the aforesaid submissions, learned advocate has prayed for clear acquittal, as according to him, there is no evidence on record to support his conviction.

16.42.13. Learned Additional Advocate General for the State has submitted that accused No.75-Mohammad Rafiq is from Juhapura, Ahmedabad. He was arrested on 21.6.2016 and subsequently he has been charge sheeted. Accused No.75-Mohammad Rafiq was in judicial custody alongwith other charge sheeted accused. During the course of the trial, while the recording of evidence was going on and prosecution witness No. 957-Zakir Hussain vide Exh.6687 was deposing before the Court on the aspect of identification, the said witness identified accused No. 75-Mohammad Rafiq, while he was sitting alongwith other charge-sheeted accused.

16.42.14. It is submitted that as this witness already identified accused No.75-Mohammad Rafiq, the Court has also put note in the deposition of this witness in para no.24. Thereafter, charges were framed against

accused No.75-Mohammad Rafiq and he adopted entire evidence adduced by prosecution, till the date on which charges were framed, against him by filing purshis vide Exh.7241. It is submitted that the defence has in futility challenged this procedure as there is no illegality done or committed when accused No.75-Mohammad Rafiq voluntarily admitted recording of evidence and production of documents, prior to framing of charges against him. It is submitted that though the trial had proceeded for a long period, however, accused No.75-Mohammad Rafiq did not mention anything about there being any illegality of recording of evidence nor any prejudice being caused to him. The entire episode has taken place at the time of arguments on behalf of accused No.75-Mohammad Rafiq.

16.42.15. It is submitted that accused No.75-Mohammad Rafiq was also involved by witness being PW No.1151-Riyazhussain Siddiqui vide Exh.8265. The witness has given statement under Section 164 of Cr.P.C. vide Exh.8266. The witness was declared hostile, but submission with regard to admissibility of the evidence of this witness, more particularly, when this witness has given statement under Section 164 of Cr.P.C., which is supported by case law. This witness has involved accused No.75-Mohammad Rafiq at different places/gathering, when accused No.75-Mohammad Rafiq as well as other accuses persons i.e. Absconder-Taukir, accused No.15-Mufti Abubasar, accused No.37-Kayamuddin Kapadiya, accused No.27-Abdul Rajik, Mujeeb (deceased) and others were present.

16.42.16. It is submitted that accused No.75-Mohammad Rafiq is one of the principal conspirators, as he was involved through confessional statement of accused No.2-Imran Shaikh. Accused No.35-Rafiyuddin Kapadiya was also involved by witness Zakir, as on disclosure made by

him, he led police and panchas and pointed out different places, where he and other co-accused placed bomb laden cycles. Upon placing reliance on the aforesaid evidence it is submitted that, accused No.75-Mohammad Rafiq was deeply involved in hatching of conspiracy as well as executing it and ultimately achieving the object of conspiracy i.e. successfully causing bomb blast which caused large scale disaster. The role of this accused would also fall within the ambit of Section 10 of the evidence**.**

16.42.17. The submissions regarding evidence of Zakir Hussain has been made in connection with other accused also. This witness has implicated accused No.75-Mohammad Rafiq in a meeting/gathering, which took place on 27.07.2008 i.e. after occurrence of bomb blast at Ahmedabad. Upon visiting the house of maternal uncle of accused No.75-Mohammad Rafiq by accused No.27Abdul Rajik, accused No.75-Mohammad Rafiq was watching TV and appeared to be frightened for the news of facial identification of some culprits was being telecasted. The witness has also deposed that the said gathering was kept at a distance and Abdul Rajik and accused No.75-Mohammad Rafiq talked with each other. The witness further deposed that on the instruction being given by Abdul Rajik, he dropped accused No.75-Mohammad Rafiq at accused No.1-Jahid Shaikh's house. The witness also involved accused No.75-Mohammad Rafiq in a conversation (extra judicial confession) which happened in railway coach when both were travelling together to Gwalior. Accused No.27-Abdul Rajik told to witness that recce had been conducted for choosing places of bomb blasts and that accused No.27-Abdul Rajik, accused No.75-Mohammad Rafiq, Mujeeb-deceased accused, accused No.37-Kayamuddin Kapadiya and Aiyaz (Approver) had placed bomb laden cycles.

16.42.18. The Court finds that accused No.2-Imran Shaikh, in his confessional statement at Exh.8619, has involved accused No.75-Mohammad Rafiq in Halol Camp as of the participant amongst others by referring to him "Alamjeb Afridi" and details whereof have been submitted earlier. Likewise, accused No.75-Mohammad Rafiq was also involved by accused No.35-Rafiyuddin Kapadiya in his confessional statement at Exh.8631, as one of the participants of Halol camp. The confessional statement of Rafiuddin being on oath, may only be referred to by the Court to strengthen the existing evidence against the accused.

16.42.19. The Court has considered the panchnama Exh.7387 dated 23.04.2016 drawn by Crime Branch Police, Ahmedabad City. The first part of panchnama was drawn at police station in the presence of panchas, police and accused No.75-Mohammad Rafiq. Accused No.75-Mohammad Rafiq has disclosed about his voluntariness to point out different places where he and other accused persons placed cycles which were used in bomb blasts. Pursuant to it, the second part of panchnama was drawn, whereby accused No.75-Mohammad Rafiq led panchas and police to different places such as, (1) Unique Apartment (2) Amber Tower (3) Narol Circle (4) Hanumanji Temple passing through different areas. While pointing out these places, accused No.75-Mohammad Rafiq disclosed that these are the places, where he, co-accused No.37-Kayamuddin Kapadiya, accused No.23-Ayaz Razakmiyan Saiyed (approver) and deceased accused Mujib Shaikh had placed cycles which were used for commission of bomb blasts. The aforesaid panchnama Exh.7387 was proved through panch witness being PW No.1082-Navinbhai Jayantilal Jadawala vide Exh.7386 and through Investigating Officer being PW No.1116-Kanubhai Narotamdas Patel vide Exh. 8014.

16.42.20. The Court has also considered the panchnama Exh.8000

drawn on 26.04.2016 by Crime Branch Police, Ahmedabad City, wherein accused No.75-Mohammad Rafiq has made a voluntary disclosure to point out certain places, from where he obtained bomb and cycle as well as planted cycle and thereafter, he pointed out House of Al-Mohammadi Society and place near Gomtipur Shital Cinema and also place of vegetable market near Rajendra Park Canal i.e. place of 'Pakodi Ni Laari'. During this panchnama, accused No.75-Mohammad Rafiq also pointed out place near Khodiyarnagar opposite Mayur Dairy. The aforesaid panchnama stands proved through panch witness being PW No.1114-Rajeshbhai Jadvabhai Chauhand vide Exh. 7999 and Investigating Officer being PW No.1116-Kanubhai Narotamdas Patel vide Exh. 8014.

16.42.21. The Court finds that accused No.75-Mohammad Rafiq during panchnama Exh.7937 dated 27.04.2016 pointed out a place namely ‘Deluxe Stove Shop’, situated near Kalupur Gujarati Municipal School and has made disclosure that Abdul Rajik has purchased Gas Cylinder from the said shop. Further, Abdul Rajik has also purchased Golden Click Gas Bottle from the said shop and Mukhtyarbhai Primaswala PW-926/Exh.6574, who is doing business in the name of ‘Deluxe Stove shop. During the Test Identification Parade at Exh. 3136.

16.42.22. The Court finds that in the panchnama at Exh. 6087 dated 05.11.2008, wherein accused No.38-Mohammad Saif has made voluntary disclosure about planting of bombs, he involved accused No.75-Mohammad Rafiq. Moreover, when accused Mujib Shaikh (deceased) has made disclosure during panchnama at Exh. 6808 dated 11.08.2008, he also involved accused No.75-Mohammad Rafiq for handing over cycle by accused No.75-Mohammad Rafiq and other accused. The aforesaid panchnama stands proved through panch witness

being No.873-Shaileshbhai Prabhudasbhai Dabhi vide Exh.6086 and Investigating Officer being PW No.1163-Mayurbhai Jagmalbhai Chavda vide Exh.8638.

16.42.23. The Court also relies upon panchnama at Exh.7798, which is point out panchnama executed on 01-05-2016 upon belated arrest of this accused. This panchnama is proved by examining panch witness being PW No.1102-Santoshsingh Rajput vide Exh.7797, who has deposed in conformity with the content of the panchnama by deposing regarding willingness of himself and his co-panch; Jyotisingh Tomar to be the panch to the voluntary disclosure made by accused No.75-Mohammad Rafiq @ Javed @ Alam Jeb Afridi S/O Maskur Ahmed. In the first part of the panchnama, voluntary disclosure is made to reveal the place, where Terror training camp had organized in the forests of Pavagadh. In the second part of panchnama, it is recorded and as deposed by the panch witness that the accused lead the panch team within the forests of Pavagadh to places, where activities had taken place, which included the Khundpir Dargah and other sites, where different activities had taken place. Though it is argued that the same site was pointed out in other panchnama, the Court has already under the chapter of "Panchnamas under Section 27 of Indian Evidence Act" discussed the admissibility of panchnamas, which are drawn subsequently and connecting the same to the previous panchnama, discussion of which has already been done elsewhere and previous panchnama leading to recovery of material object connecting to the conspiracy to commit the crime. The Court would therefore, hold that disclosure panchnama vide Exh.7798 would fall within the bracket of Section 27 of the Evidence Act and therefore, disclosure made whether it amounts to confession or not will have to be acted upon as admissible

evidence.

16.42.24. The Court finds that though the panch witness has been extensively cross examined, there is nothing to doubt the deposition of this witness, which in turn also is supported by evidence of the Investigating Officer; Mr. K. N. Patel (P.W. 1116/ Exh.8014). Though an attempt has been made by the prosecution that Investigating Officer was already in know of the location, however, as discussed elsewhere, knowledge of Investigating Officer would not automatically lead the Court to presume that the panchnama is fabricated by putting the information out of knowledge of Investigating Officer. Particularly, when independent panch witness has deposed to contents of the panchnama, which clearly records that it was only at the time of executing of second part of the panchnama that it comes on record about the knowledge of the accused about very place, where Terror camps were organized, which coincidentally is the same place, which were lead by the other co-accused during their respective pointed out panchnama.

16.42.25. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against a accused No.75-Mohammad Rafiq @ Javed @ Alam Jeb Afridi S/O Maskur Ahmed. The accused has therefore played an important role in the conspiracy and has acted in furtherance in parking the bomb laden cycles at the scene of offence leading to bomb blasts The Court has therefore, no reason to interfere with the conviction recorded.

16.43. In case of Tausifkhan @ Atiq S/O Sagir Ahmedkhan Pathan (Gujarat and Maharashtra) (A-78)

(Accused No.38 in Criminal Confirmation Case No. 2/2022 and Appellant No.30 in Criminal Appeal No. 1710/2022)

16.43.1. In case of accused No.78-Tausifkhan @ Atiq S/O Sagir Ahmedkhan Pathan, he has been convicted for various offences by the trial Court and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.43.2. With regard to accused No.78-Tausifkhan @ Atiq S/o Sagir Ahmedkhan Pathan, learned Senior Advocate Shri Mihir Desai submitted that the appellant-Tausifkhan @ Atiq is origin of Gaya in Bihar and was arrested on 13.09.2017 and was thereafter, sent to judicial custody after police custody in various offences on 02.01.2018. Learned senior advocate submitted that against the present appellant-Tausifkhan @ Atiq, the role attributed is to have remained present in Halol Camp and one meeting in Ahmedabad at the residence of Samuddin's Nana. However, with regard to his presence in Vagamon, there is no evidence against him. Moreover, he is not even made an accused in a separate trial which took place in Ernakulam Court in connection with the alleged terror camp at Vagamon.

16.43.3. Learned Senior Advocate has then referred to relevant portion of the judgment Exh.9521 on Page No.4756 and particularly Page No.4767 to submit that a wrong finding of fact is written that role of accused no.78-Tausifkhan @ Atik S/O Sagir Ahmedkhan Pathan is based on confessional of accused No.2-Imran Ibrahim Shaikh. However, the entire evidence of accused No.2-Imran Ibrahim Shaikh does not name the accused no.78-Tausifkhan @ Atik S/O Sagir Ahmedkhan Pathan having played any role.

16.43.4. Learned senior advocate submitted that there is no credible evidence to establish the presence of appellant- Tausifkhan @ Atiq in Halol Camp as there is no Test Identification Parade of this accused, perhaps his arrest being made almost after a period of nine years. The prosecution has relied upon three chance witnesses, none of them have identified the present appellant-Tausifkhan @ Atiq to be the person who was present at the Halol Camp nor the Munjavar of the Dargah at Halol has named or identified the appellant- Tausifkhan @ Atiq. Learned senior advocate has therefore, taken us to the deposition of Munjavar PW No.1105-Idrish Gulabsha Fakir Divan, who was examined vide Exh.7923 and submitted that there is no reference to the name of appellant-Tausifkhan @ Atiq though this witness has given name and identity of other accused, who according to the witness were genuinely present at the Camp in Halol, but the name of the appellant-Tausifkhan @ Atiq is not being given which established that the presence of the appellant-Tausifkhan @ Atiq is doubtful.

16.43.5. At the outset, the submission of the accused that no one refers to his name as being present in the Halol camp, the Court may refer to the confessional statement of accused No.2-Imran Shaikh at Exh.8619, where clearly accused No.78-Tausif is shown to be present at the Halol camp. This will have to be viewed in conjunction with the disclosure panchnama (Exh.7398) drawn at the behest of the accused about holding of the terror training camp at Halol.

16.43.6. Another evidence which is relied upon is a point out panchnama at Exh.7392, which is attributed to the present appellant-Tausifkhan @ Atiq. According to learned senior advocate, this point out panchnama cannot be treated as a panchnama under Section 27 of the Evidence Act as it is the 7th panchnama in the line and such panchnama

has not led to any discovery of a new fact as the Investigating Officer already had the knowledge of this place. Learned senior advocate has therefore, referred to panchnama at Exh.6480, which is the point out panchnama attributed to accused No.1-Jahid and Exh.6443 a point out panchnama attributed to accused No.35- Rafiyuddin, both of which were undertaken much prior to the point out panchnama at Exh.7392 by the present appellant-Tausifkhan @ Atiq.

16.43.7. Exh.7391 is the panch witness, who was examined as PW No.1083-Mahendrabhai Vishnubhai Patil to prove the point out panchnama at Exh.7392. Learned senior advocate submits that this witness though has narrated the activities which were recorded in the panchnama and repeated by the panch witnesses in his deposition will have to be excluded from being an admissible evidence.

16.43.8. The prosecution has relied upon the evidence in the form of Exh.8631, which is the confessional statement of accused No.35-Rafiuddin. It is submitted by the defence that even if the confessional statement is regarded as an evidence, it cannot be treated as an evidence against the appellant-Tausifkhan @ Atiq as even as per the statement, Rafiuddin was at the Halol Camp for only two hours and therefore, within these two hours, it is highly unlikely that he would have come across with all the participants of the Halol Camp and would know them by name despite meeting for the first time.

16.43.9. Referring to Exh.6480, a point out panchnama of accused No.1-Jahid, is taken into consideration still this panchnama does not refer to any activity undertaken by the appellant-Tausifkhan @ Atiq as in the very panchnama in para-2, acts have been attributed to the co-accused. It is submitted that in para-2, the name of the appellant-Tausifkhan @ Atiq does not appear to have undertaken any activity

including delivering of religious discourse or instigation.

16.43.10. Learned senior advocate has thereafter, referred to Exh.7053, which also is a point out panchnama at behest of accused no.16-Abbas s/o Umar Sameja and submit that in this point out panchnama also, no role is attributed to the appellant-Tausifkhan @ Atiq for delivering any lecture or instigation, but the same has only been attributed to one of the accused Safdar Hussain @ Hussainbhai @ Iqbal s/o Jaharul Hasan Nagori. Similarly, learned senior advocate has pointed out to Exh.7252, point out panchnama of accused No.66-Mohammad Safiq @ Dadabhai @ Thakur @ Rafiq @ Ali S/o Abulbari Ansari, Exh.6528, point out panchnama of accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/o Babukhan Maniar, Exh.7798 point out panchnama of accused No.75-Mohammad Rafiq @ Javed @ Aslam Jeb Afridi S/o Maskur Ahmed and Exh.7392 point out panchnama by accused No.78-Tausifkhan @ Atiq S/o Sagir Ahmedkhan Pathan and submitted that in all these panchnamas there is no allegation of delivering provocative speech attributed to the appellant-Tausifkhan @ Atiq though all these panchnamas attributes delivery of provocative speeches to co-accused Nagori. It is also submitted that the wordings contained in all the aforesaid point out panchnamas are so identical to each other that actual execution of the panchnama can be doubted.

16.43.11. In this connection, the Court finds that such submission need not be accepted at the outset as each of the panchnama has been executed in presence of different panch witnesses at different period of time and have been proved before the Court by examining the different panch witnesses and confirmed by the concerned Investigation Officer. The Court also finds that when panch witnesses were being cross-examined, there is no line of cross-examination to suggest that the panch

witnesses were the stock panch witnesses and could create doubt on the actual execution of panchnama.

16.43.12. Submission of learned advocate entirely proceeds on the footing of comparative evidence with the co-accused person namely point out panchnama regarding the delivery of provocative speeches though mention the name of co-accused person, but does not mention the name of the present appellant- Tausifkhan @ Atiq. However, this is not an argument sufficient to overlook the evidence which otherwise is available on record and which supports the case of the prosecution of the appellant-Tausifkhan @ Atiq having delivered provocative speeches.

16.43.13. Learned Senior Advocate has argued that though the Court has believed that this accused no.78-Tausifkhan @ Atik S/O Sagir Ahmedkhan Pathan was present in the meeting at Ahmedabad at residence of Samsuddin's Nana, there is no credible evidence in this regard.

16.43.14. It is submitted that there are witnesses, who have deposed about such meetings and also named, who participated in these meetings, but accused no.78-Tausifkhan @ Atik S/O Sagir Ahmedkhan Pathan is not named. Learned Senior Advocate has referred to deposition of PW No.957-Zakirhussain Abduljabbar Kureshi at Exh.6687 and PW No.1141-Aiyaz Razakmiya Saiyed at Exh.8191, both of whom have extensively mentioned about this meeting, but both the witnesses do not name accused no.78-Tausifkhan @ Atik S/O Sagir Ahmedkhan Pathan to be part of the meeting.

16.43.15. It is also submitted that entire theory of a meeting at residence of Samsuddin's Nana is a got up theory, as there is no evidence to connect accused no.78-Tausifkhan @ Atik S/O Sagir Ahmedkhan Pathan, a different set of evidence in the form of point out

panchnama is got up against accused no.78-Tausifkhan @ Atik S/O Sagir Ahmedkhan Pathan being Exh.7385. This panchnama was executed on 05-12-2017. Though for the first time, the place was mentioned to the Investigating Officer by this witness; PW No.957-Zakirhussain Abduljabbar Kureshi way back in 2008, as also by way of Section 164 statement of only witness; Riyazhussain at Exh.8266, but was declared hostile. Therefore, much before 2017, the prosecution was aware of this place, but waited till 2017 to carry out point out panchnama at Exh.7385 by the present accused no.78-Tausifkhan @ Atik S/O Sagir Ahmedkhan Pathan. This creates doubt of this evidence.

16.43.16. Learned Senior Advocate has submitted that even if the panchnama at Exh.7385 is proved by the panch witness, the only admissible part is his pointing to the house, but no one has entered the house and there is nothing to indicate how accused no.78-Tausifkhan @ Atik S/O Sagir Ahmedkhan Pathan has played any role.

16.43.17. Moreover, Exh.9263 is the evidence of defence witness No.1, who is the occupier of the said house and he has deposed that no such meeting ever took place.

16.43.18. Learned Additional Advocate General for the State has relied upon the confession statement of accused No.2-Imran Shaikh vide Exh.8619. It is submitted that detailed submission regarding the confessional statement of accused No.2-Imran Shaikh has been made earlier. It is submitted that accused No.2-Imran Shaikh has implicated accused No.78-Tausifkhan @ Atiq S/O Sagir Ahmedkhan Pathan in his confessional statement as one of the participants of Halol Camp by referring to him as ‘Tauseef’.

16.43.19. The prosecution has also relied upon the evidence of witness Idrish vide Exh.7923. It is submitted that detailed submission regarding

the evidence of Idrish has been made earlier. It is submitted that the witness has also given his statement under Section 164 of Cr.P.C., which is on record at Exh.7924. The prosecution has further submitted that this witness in his deposition has referred to accused No.78-Tausifkhan as the person who was brought to him by a police officer named Zala Saheb in the year 2007.

16.43.20. The Court may discuss the evidence of panchnama Exh.7385 drawn on 05.12.2017 by Crime Branch Police Station. First part of panchnama is drawn at police station in presence of police and panchas as well as in presence of accused No.78-Tausifkhan. On disclosure of accused No.78-Tausifkhan about he intending to say and show something relating to July, 2008 bomb-blast of Ahmedabad and also indicating about showing place. Second part of the panchnama is drawn and as per instruction and direction given by accused vehicle was drove and accused No.78-Tausifkhan took all concerned to a place Dariyapur. Tambu Choki and going ahead of it, accused No.78-Tausifkhan pointed out house of two floors where meetings were held. The place shown by accused No.78-Tausifkhan was found open and person named Amid Husenbhai Shaikh resident of same house i.e. Dariyapur, Limbdi Chawk, Dhalgarvad was also present. Panchnama Exh.7385 is proved through panch witness Exh.7384 and investigating officer Exh. 8576.

16.43.21. The Court has also perused the panchnama Exh.7392 drawn on 01.12.2017 by Crime Branch Police, Ahmedabad City. The first part of panchnama was drawn at police station in presence of police, panchas and accused No.78-Tausifkhan. During the course of Panchnama accused No.78-Tausifkhan voluntarily disclosed that he could point out the place of the camp if he is taken near to Pavagadh. Pursuant to it, the second part of panchnama was drawn and accused No.78-Tausifkhan

was taken towards Halol-Pavagadh Road through Vadodara Express. Near Halol Crossroads, accused No.78-Tausifkhan directed to stop the vehicle and got down from the vehicle with police and panchas and, thereafter, he directed vehicle to drove further. After driving vehicle further, accused No.78-Tausifkhan led the concerned persons to Khundpir Dargah. Inside the Dargah, a person named Gulabsha was found present. He also pointed out the Dharamshala inside Dargah and disclosed that in the year 2008, accused No.78-Tausifkhan and his companions have stayed at this place. He also pointed out another Dharamshala, the handpump, the place where they used to bath and offer Namaz. Thereafter, from that place accused No.78-Tausifkhan drove all concerned persons towards Minar Masjid, where a person named Narvatbhai was found working. Thereafter, accused No.78-Tausifkhan also led them to a place where makeshift tents were put up. Furthermore, he also pointed out Helical Vav and few other places as described in the Panchnama Exh.7392. The aforesaid panchnama stands proved through panch witness vide Exh.7391 and investigating officer vide Exh.8576.

16.43.22. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.78-Tausifkhan @ Atiq S/O Sagir Ahmedkhan Pathan, where the accused has participated in the terror camp at Halol as a part of conspiracy and has also remained present in the meetings at Ahmedabad which is established by the prosecution on the basis of the evidence as discussed. The Court has therefore, no reason to interfere with the conviction recorded.

Musaddik Durrani (Maharashtra) (A-45)

16.44.1. In case of accused No.45-Fazle Rehmaan @ Rafik @ Salauddin S/O Musaddik Durrani, he has been convicted for various offences by the trial Court, and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.44.2. Learned advocate submitted that Learned advocate Mr. Somnath Vats appears for accused Nos.1, 3, 13, 26, 32, 45 and 70.

16.44.3. Learned advocate Vats has initiated his arguments for accused No.45-Fazal-E-Rehman @ Salauddin @ Rafik Musaddikkhan Durani, who has been awarded capital punishment. He submits that even as per the case of prosecution his name does not appear in any of the confessional statements. His presence is not there in any of the terror camps at Vagamon, Halol or meetings at Ahmedabad. Moreover, there is no role in planting of bomb.

16.44.4. The appellant was arrested in present offense by way of transfer warrant as he was already in custody in Bombay.

16.44.5. The role attributed to the appellant is purchase of various hardware articles like nails, nuts and bolts and galvanized metal sheets and purchase of cloth. Moreover, some role in staying or renting of premises, knowledge of the activity of co-accused, stay at three hotels with co-accused and seen with offensive vehicles cars in Ahmedabad.

16.44.6. It is submitted that all these circumstances are established on very weak pieces of evidence. The nature of evidence are the ‘pointing out’ panchnama and test identification.

16.44.7. With regard to association of appellant with the car, it is submitted that evidence in this connection is the evidence of Vanaz Fuel Pump, whose employee was examined as witness and the bill book was seized by investigating officer. He drew attention to bill at Exh.6501

pertaining to vehicle with registration number 9719 and submitted that such bill is not an evidence to connect vehicle with fuel station as there is a mismatch in the rate of fuel, the quantity filled and overall payment made. Other issue raised is that employee of fuel station PW No.856-Shirishkumar Thakorbhai Gami was examined on 02.02.2017 vide Exh.6012 whereas, bill at Exh.6501 was produced on record by a list at Exh.6493 on 09.08.2017, therefore, after the evidence of PW No.856-Shirishkumar Thakorbhai Gami. This witness does not refer to Exh.6501 though it is a bill from the same fuel station. Another argument is that there is no explanation of the investigating officer as to what information they possessed about connection with Vanaz. As the police witness PW No.1157-Rajendrasinh Ranjitsinh Sarvaiya, who was examined vide Exh.8566 only states that he was assigned the duty to collect the bill from Vanaz by his superior Shri Parmar and said Shri Parmar is either not examined or has not revealed anything about it.

16.44.8. One more reason why Shri Vats argues that the connection between the accused and Vanaz fuel pump remains unestablished is the broadcast of the detail of vehicle was only for one of the vehicles, whereas there may be some clue from during investigation but no other clue to involve the other vehicles. Therefore, there is no reason for investigating officer to take accused No.45 (Fazal-E-Rehman) to Vanaz. However, it is pertinent to observe that the accused when arrested was subjected to interrogation and the investigating officer already had the details of the cars which were involved in the offense and their credentials. The natural cause was to trace the car movement with the help of fuel station which in the present case was a gas filling.

16.44.9. In this regard, this Court may refer to evidence of Investigating Officer PW No.1155-Narayansinh Bhavansinh Parmar,

who was examined vide Exh.8517. In para-31 he refers to arrest of accused no.45 (Fazal-E-Rehman) on 12.11.2008 and remand upto 24.11.2008. On 17.11.2008, as yadi (Exh.3083) forwarded to Executive Magistrate, Surat to hold Test Identification Parade of accused No.45 with other two accused through witnesses Radheshyam, Jayesh Manu, Abbas Ibrahim and Anwar Ali and Test Identification Parade was organized on 18.11.2008 (Exh.3084). Exh.3086 is the Test Identification Parade which is held on 18.11.2008 and concluded at 13:00 hours. Therefore, the real identification of accused No.45 was through these witnesses.

16.44.10. Learned advocate appears to have been confused with the Test Identification Parade held at behest of the hotel staff. It is a fact that on 18.11.2008 the accused No.45 as a part of investigation was taken to the hotels however, the same is done after the Test Identification Parade through the witnesses for sale of hardware and cloths. Moreover, the identification at the hands of the witnesses; employees of the hotel is of no consequence as it was the accused who had led the panchas to the hotels where the panchnamas were also drawn.

16.44.11. So far as the arguments of defense that the accused was taken around the town without covering his identity, the panchnamas drawn do indicate that the face of the accused was covered when being taken for the Test Identification Parade.

16.44.12. At this stage, learned advocate has relied on two decisions of the Apex Court, first being in case of ***Prakash Nishad @ Kewat Zinak Nishad v/s. State of Maharashtra, reported in, 2023 (16) SCC 357*** relying on para-44 on the issue of Test Identification Parade emphasizing the opportunity available to witness to observe the accused and where accused has been shown to witness even by photo, the Test

Identification Parade is not of any use to prosecution.

16.44.13. He has argued that the witness has referred to presence of police during Test Identification Parade therefore, any narration in the panchnama including the identification part would be hit by Section 162 of the Cr.P.C.

16.44.14. Further, emphasizing the point, learned advocate has referred to decision of Apex Court in the case of ***Ramkishan Mithanlal Sharma v/s. State of Bombay, reported in, AIR 1955 SC 104***, referring to para-08 and 14. According to learned advocate, anything that transpires during the execution of the panchnama including the fact of pointing out anything or recovery or discovery, anything even if it is by a signed language then also, it is a communication recorded in the panchnama executed in presence of the police and thus, hit by Section 162 of the Cr.P.C. this is an interesting argument is advanced to interpret the panchnamas drawn be it a test identification panchnama, pointing out panchnama or discovery panchnama etc. If this argument is to be accepted and applied to facts then it would mean that the accused during executing the panchnama leads the team to any place or premises while signaling the directions to reach the place then the recording of the entire process to reach the spot will become a statement of fact hit by Section 162 of the Cr.P.C. Such a narrow interpretation rendering Section 27 of Indian Evidence Act meaningless is not envisaged by the Legislature.

16.44.15. The main thing the Court may consider is that, the judgment in case of **Ramkishan** (**Supra**), where the facts of the case pertain to executing of the Test Identification panchnama in the presence of the police. Therefore, the observation made by the Apex Court in para-20 and 21 would be more relevant for our case. The Apex Court observes that in para-21 as under:-

"21. This argument would have availed learned Attorney-General if after arranging the test identification parade the police had completely obliterated themselves and the panch witnesses were left solely in charge of the parade. The police officers would certainly arrange the parade, would call the persons who were going to be mixed up with the accused in the course of the parade and would also call the Panch witnesses who were to conduct the parade. But once the Panch witnesses were called for the purpose the whole of the process of identification should be under the exclusive direction and supervision of the Panch witnesses.

If the Panch witnesses thereafter explained the purpose of the parade to the identifying witnesses and the process of identification was carried out under their exclusive direction and supervision, the statements involved in the process of identification would be statements made by the identifiers to the Panch witnesses and would be outside the purview of sec. 162.

In the case of the identification parades in the present case however the police officers were present all throughout the process of identification and the Panch witnesses appear only to have been brought in there for the purpose of proving that the requirements of law in the matter of holding the identification parades were fully satisfied. Not only were the police officers present when the identifying witnesses were brought into the room one after the other and identified the accused, they also prepared the Panchnama, read out and explained the contents thereof to the Panch witnesses, and also attested the signatures of the Panch witnesses which were appended by them at the foot of the Panchnama.

The whole of the identification parades were thus directed and supervised by the police officers and the Panch witnesses took a minor part in the same and were there only for the purpose of guaranteeing that the requirements of the law in regard to the holding of the identification parades were satisfied. We feel very great reluctance in holding under

those circumstances that the statement, if any, involved in the process of identification were statements made by the identifiers to the Panch witnesses and not to the police officers as otherwise it will be easy for the police officers to circumvent the provisions of sec. 162 by formally asking the Panch witnesses to be present and contending that the statements, if any, made by the identifies were to the Punch witnesses and not to themselves.

We are therefore of the opinion that the test identification parades in regard to the accused 4 which were held between the 16th January and the 22nd January 1952 attracted the operation of sec. 162 and the evidence of identification at those parades was inadmissible against accused 4."

16.44.16. Accused-Fazal-E-Rehman is also known by alias name and prosecution has sought to prove this by producing on record the registers of the three hotels being Exh.6517 of Hotel Narmada for period between 02.07.2008 to 04.07.2008, Hotel Harimangla, Exh. 6516 between 04.07.2008 to 05.07.2008 and hotel Reven Exh.6518 between 08.07.2008 to 09.07.2008.

16.44.17. He then referred to point out panchnama at Exh.6857, which pertains to travel of appellant from Pune to Ahmedabad or Pune to Baroda. Three tickets were seized and on such tickets, two different names are reflected, Rafik and Prateek. Therefore, prosecution has not been able to clarify about the names on ticket. Moreover, the very ticket bears a mobile number which the investigating officer ought to have investigated the mobile number, such investigation could have pointed towards the innocence of accused and therefore, the investigation does not appear to be fair. Moreover, there is complete mismatch of travel dates and the date of entries made in the hotel register as also the destination. There is no explanation by prosecution that though the tickets of travel on dates between 04.07.2008 to 09.07.2008 from Pune

to Ahmedabad or Baroda how come the presence of accused is shown at Bharuch through the entry in hotel register, therefore, only fact is believable.

16.44.18. Another aspect argued is the connection between the silver coloured car with accused which is also doubtful as the theft of the vehicle is on 07.07.2008 from Mumbai, but on same day accused is shown to travel from Pune to Ahmedabad.

16.44.19. It is also argued that the prosecution has brought on record the travelling of the car from Mumbai to Ahmedabad on the basis of the communication of the investigation officer which National Highway Authority of India. He referred to Exh.5322, the letter of investigating officer and Exh.5323, the reply of National Highway Authority of India. He drew attention of the Court to a particular entry pertaining to vehicle No.2908. This vehicle was shown to be seized on 27.07.2008 however, the entries show movement of the vehicle No.2908 on Expressway on 30.07.2008 clearly indicating that the vehicle No.2908 entry given to prosecution is of a different vehicle. Therefore, qua other vehicles also in absence of the registered series the case of prosecution of vehicle movement is not believable.

16.44.20. One more argument on the issue of evidence of Exh.5323 pertaining to other vehicle also cannot be accepted as the admissible evidence is that Exh.5323 is a computer system generated entry-exit details of specified vehicles and therefore, would need Section 65B of Information Technology Act certificate. There is no such certificate under Section 65B of the IT Act. Therefore, clearly evidence is inadmissible. He has referred to PW No.802-Kamlesh Ramniklal Vasant, who was examined vide Exh.5321 who is the representative of National Highway Authority of India and admitted Exh.5323 to be a computer

printout. Even from the evidence of investigating officer-Chavda, Exh. 8638 in para-53 of cross he has been questioned about the vehicular movement of specified vehicles between Ahmedabad and Baroda, but no investigation for travel between Mumbai to Ahmedabad or Baroda, though there were several toll booths in between. Therefore, the investigation is left halfway. Therefore, there is a gap in investigation for bringing the vehicles from Bombay to Ahmedabad or Surat or using the same for the crime.

16.44.21. In the opinion of the Court, the fact that the vehicle was used and the same was theft vehicle from Mumbai is established, on basis of evidence and therefore, the travel of the vehicle from Mumbai to Ahmedabad is really not a relevant circumstance. Moreover, the movement of the car on highway is not to be associated with the movement of the appellant with the car on the highway as the case of the prosecution is that the work of procuring the vehicle was with the other co-accused.

16.44.22. Thereafter, learned advocate has submitted on the issue of hideouts allegedly used as a part of conspiracy. Prosecution relies on the pointing out panchnama at the behest of accused No.45-Fazal-E-Rehman. Exh. 6816 on 12.12.2008 of the houses at Sherpura and Lukman Society, it is argued that there is inconsistency in theory of prosecution itself. In Exh.6540 a panchnama dated 02.09.2008 by co-accused Mohammad Sajid arrested on 16.08.2008, stated that Sherpura house was rented by co-accused Taukir. Moreover, the investigating officer while executing Exh. 6816 did not enter the premises to recover a discover any article and the previous panchnama at Exh.6540 was already within knowledge of same investigating officer who executed Exh.6816 on 12.12.2008, therefore, no new fact is discovered by

investigating officer. Therefore, the panchnama at Exh.6816, taking the investigating officer to Sherpura house and then to Lukman, where these accused meet Mohammed Sajid is no new discovery. He has referred to decision in case of ***Renuka Prasad v/s. The State Represented by Assistant, Superintendent of Police (supra), reported in, 2025 SCC OnLine SC 1074***, wherein the Supreme Court has held in para-39 as under:

> *"39. The clothes and machetes allegedly, worn by A5 & A6 and used by them to commit the crime, were recovered on the confession statement of A3, the alleged conspirator. True, there were blood stains on the clothes and the machetes, which were found to be of 'O' group, matching the blood group of the accused as found from the post-mortem report. A3, we have pertinently observed is not alleged to have committed the crime proper, i.e. the hacking of the deceased victim. There is also no independent evidence to prove that A5 & A6 handed over the clothes and the machetes to A3. The confession statement of A3 that the clothes and machetes were handed over to him by A5 & A6 is the history, which has to be cogently proved by evidence aliunde. The fact discovered is the concealment of the clothes and the machetes, by A3, which fact of concealment has to be connected to the actual crime. In the present case neither are the clothes or machetes connected to A5 & A6 who are alleged to have committed the crime nor is A3, an alleged conspirator even accused of having been involved in the crime proper, that is the murder of the deceased. Further, it was not even verified whether the clothes recovered fit A5 & A6, in which context they owe no explanation insofar as the blood found on the clothes. Confessions allegedly made by A1 regarding the sites where the conspiracy was hatched and the money transacted does not lead to any discovery of fact. The narration about the conspiracy and the money transactions are not admissible and the mere pointing out of*

two sites does not lead to any discovery of fact, when the narration is eschewed."

16.44.23. PW No.1084-Saeed Mohammad Hayat, who was examined vide Exh.7395 is the witness for renting of the premises at Lukman-33 and Test Identification Parade of Fazal-E-Rehman through this witness. It is argued that though there is reference to an individual name "Saad" and "Makbul" who played role in renting, there is no investigation qua these persons.

16.44.24. Similarly, for the premises of Sherpura PW No.1138-Gulamhussain Abdulraseed Pathan, who was examined vide Exh.8165, who is also witness for the Test Identification Parade vide Exh.3165. This prosecution witness connects Rafik with the silver car but his deposition is not reliable as he mentions three persons in Exh.3165, but in deposition he says that only one person is responsible for hiring. Therefore, there is a discrepancy in the version of same witness.

16.44.25. He has argued that even if silver car which was seized there is no immediate investigation for finding contemporaneous documentary evidence connecting the vehicle with some identity papers.

16.44.26. Learned advocate has again submitted that investigation officer has not taken care of following the leads to investigate important and relevant aspects. It is submitted that owner of one of the premises at Sherpura is PW No.1138-Gulamhussain Abduraseed Pathan, who was examined vide Exh.8165 specifically mentioned about been contacted by mobile phone on at least two occasions, once even after the blast by Rafik also known as Fazal-E-Rehman. The investigating officer ought to have investigated the mobile numbers to ascertain that Rafik is same as Fazal or Rafik is a separate individual. This witness did mention in deposition about his phone being taken and all his mobile numbers were

given to investigating officer. Therefore, failure to investigate has left a gap in correct identity of accused Fazal.

16.44.27. In this regard, the Court is of the opinion that when the person was identified during the test identification parade during investigation and even without name he is identified with conformity, there was no need to inquire about the mobile connectivity of the witness with the accused. This witness also connects the accused with the Red Wagon R Car in para-4 of the deposition.

16.44.28. It is argued that though attempt is made to connect the appellant with the Wagon R Car, the witness in para-3 has stated about presence of Rafik on 8th or 9th of July, 2008, but at the same time the travel date on the ticket of Neeta Travels from Pune is also of approximately same day. However, the Court finds that Exh.6800 the tickets show the travel date of 01.07.2008, 07.07.2008 and 18.07.2008, and therefore, do not overlap with the date mentioned by PW No.1138-Gulamhussain Abduraseed Pathan.

16.44.29. Learned advocate submitted that the test identification by witness Nazir in Exh.3165 is also doubtful though according to Gulamhussain, it was Nazir who took Fazal-E-Rehman to Gulamhussain for renting the premises. Nazir did not identify the three individuals for renting, but as individuals who used to visit for tea. In this connection, if the content of Exh.3165 is perused, then it is recorded that the reason why Nazir was able to identify them was because they used to regularly visit to have tea at his tea stall. Hence, he had sufficient opportunity to observe the accused whom he identified.

16.44.30. It is also argued that there is inconsistency in connecting the accused with the car as according to PW No.1138-Gulamhussain Abduraseed Pathan, when accused came to give deposit, he referred to

Silver Wagon R car and thereafter, to Red Wagon R Car on two three days prior to blast. This in itself is not sufficient to doubt the deposition of witness or substantiate discrepancy as the two cars seen by witnesses were several days apart. Moreover, no question are put in this regard in the cross-examination.

16.44.31. Learned advocate has thereafter, referred to PW No. 947-Hamidbhai Umarbhai Memon, who was examined vide Exh. 6640., who is a petrol pump owner, who connects the accused to the vehicle as he came there to fill petrol. According to learned advocate, how name of Hamid as witness surfaced is not answered by investigation. It is submitted that the Investigating Officer ought to have interrogated the pump attendant as a witness, who is more likely to interact with accused, when he filled petrol and not this witness; owner of pump. Moreover, the fuel was filled on 15.07.2008 to 17.07.2008 whereas this accused is shown travelling from Pune to 18.07.2008 and therefore, he is not the accused who went to petrol pump. The Court has considered the deposition of this witness who clearly deposed that this accused had come to his pump to fill petrol in Wagon R Car 9718 between 15.07.2008 to 17.07.2008. He has also produced the bill book in xerox and has produced from his bill book the dates mentioned by this witness does not overlap with the dates mentioned in the ticket of Neeta Travels.

16.44.32. The Court may refer to PW No.948-Irfan Gulammoyoddin Shaikh, who was examined vide Exh. 6642, who runs a garage near the petrol pump. The accused Fazal-E-Rehman had led the police to the garage and PW No.948-Irfan deposed that he had repaired the car for Fazal-E-Rehman. This prosecution witness had taken Fazal-E-Rehman on his scooter to the place where the car broke down at the bungalow in Sherpura. It is this witness, who informed accused that the tank had no

petrol and hence, he asked the accused to get the petrol filled.

16.44.33. Learned Advocate has thereafter submitted regarding the renting of master house and connection with Fazal-E-Rehman, Exh.6544 is a pointing out panchnama executed on 28-11-2008. The prosecution relies on this panchnama that the master house was rented by Fazal-E-Rehman, it is submitted that panchnama at Exh.2806 was executed on 04-09-2008, which also is a pointing out panchnama attributing accused No.63; Tanvir with the role of renting of the master house. Further, there is no recovery or discovery from this master house to be treated as panchnama under Section 27 of Indian Evidence Act.

16.44.34. He further submitted that prosecution has executed Test Identification Panchnama Exh.3108 through the owner and the son of the owner of master house, and in this Test Identification Panchnama, another co-accused Kayamuddin was identified. Therefore, the theory that the house used for master house was rented by the appellant; Fazal-E-Rehman is under doubt.

16.44.35. He also pointed out one more lapse of investigation as Exh.2851 in the pointing out panchnama by Tanvir pointing out 8 P.C.O. from where he has contacted Rafik on a particular mobile number. The investigation failed to follow the lead of the mobile number, which could have ascertained whether the individual contacted by Tanvir was actually Rafik and that Rafik and Fazal-E-Rehman are the same person.

16.44.36. Learned Advocate has thereafter argued regarding renting of the premises known as ‘Ashoka Muse’. This premises was rented by Accused No.51-Dr.Bagvan, who is acquitted. Three witnesses examined in this connection is the owner PW No.967-Reza Aamad Nabatiyan, Exh.6780 and two agents/ brokers PW No.965-Akhtarmohammad Hanif Memon, Exh.6776 and PW No.966-Asfaq Ahmed Saiyed, Exh.6777.

16.44.37. PW No.967-Reza Aamad Nabatiyan, Exh.6780 in his deposition has deposed that he had rented the premises 'Ashoka Muse' flat to Anwar Bagvan through Agent; Akhtar Memon and an agreement for 11 months was made, when he first met Bagvan there was another boy with him whom he introduced as his brother. He was paid monthly rent for 10 months and for 11th month, he was to deduct from deposit, but due to reasons conveyed to him about children's exam and Ramzan, he extended the period by two months and before expiry of said two months, the Bombay Police ordered to seal the flat. He was called for Test Identification Panchnama and has identified Asif Anwar Husain as the boy who accompanied Anwar Bagvan.

16.44.38. Thereafter, the Court has perused deposition of PW No.965-Akhtarmohammad Hanif Memon, Exh.6776, who acted as a broker, his deposition is identical to that of PW No.967-Reza Aamad Nabatiyan, Exh.6780 and has identified accused; Asif. Similarly, evidence of Agent; PW No.966-Asfaq Ahmed Saiyed, Exh.6777 is also consistent with house owner Reza and broker Akhtar. In Test Identification, he has identified the boy accompanying Anwar Bagvan.

16.44.39. All the three witnesses are consistent in their depositions that they were informed about Mumbai Police activity and recovery of Jihadi material and bomb making material from that house which is indicating a larger conspiracy. The Court is making this observation in view of the fact that there was some coordination between the three groups, the Indian Mujahideen of Azamgarh, Indian Mujahideen Pune group and SIMI, Gujarat.

16.44.40. It is submitted that the panchnama Exh. 6857 was drawn on 21.12.2008 by Crime Branch Ahmedabad city. The first part of panchnama was drawn at Police station in the presence of A-45, wherein

he volunteered to point out a place, from where he booked ticket for travelling from Puna in the month of July i.e. on 01.07.2008, 07.07.2008 and 18.07.2008. During the course of the second part of the panchnama, A-45 led Police through BMW's showroom and upon his instruction, the police vehicle was stopped, where they found around 10 to 11 offices of travel booking. A-45 also pointed out office namely 'Nita volvo'. On entertaining into the office, person namely Rahul Kumar Parriyani was present, who gave details about travel of A-45 on 01.07.2008, 07.07.2008 and 18.07.2008. The witness has also stated that A-45 had booked tickets of luxury bus for Vadodara and Ahmedabad. During the second panchnama, xerox copies of tickets dated 01.07.2008, 07.07.2008 as well as18.07.2008 were produced. The carbon copy of tickets were collected from a travel office and the name of travel company is 'A K Travels', where panch witness found showroom of BMW. It is submitted that Panch witness being PW No.986-Akbar Sorathiya, who was examined vide Exh. 6856 for the purpose of proving panchnama Exh.6857. For proving aforesaid pnchanama, Investigating officer being PW No.1154-Usha Rada has been examined vide Exh. 8340.

16.44.41. However, learned Advocate for the accused has argued that this evidence cannot be treated as an evidence against accused; Fazal-E-Rehman.

16.44.42. Learned advocate has referred to Exh. 2816 which is a panchnama though submitted as being a point out panchnama, but in fact being a panchnama of seizing the bill book of purchase of cloth. According to learned advocate, the muddamal Pavti bears date of 29.08.2008, whereas the panchnama is drawn on 30.08.2008 referring Bill No.67 (Exh. 6027) by referring to Exh.6026 deposition of PW

No.861-Ramesh Manelal Jindal, who was examined vide Exh.6026, who is working at Jindal Cloth, argument is advanced that, it is the prosecution witness, who has given page number on bill book at the time of preparing panchnama. In the opinion of the Court, the deposition actually mentions that at the time when the bill book was handed over the page numbers appearing were written by him. Same is the meaning if the panchnama is also perused in so far as the date is concerned, the muddamal pavti does contain a date of 29.08.2008, whereas the panchnama is on 30.08.2008. However, the Court is of the opinion that this mismatch does not make the seizure doubtful, especially where fact of seizure of the bill book and its time is established by way of oral evidence of witnesses and the panchnama.

16.44.43. Learned Additional Advocate General for the State has relied on the evidence of witness being PW No.971-Rahul Parriyani vide Exh. 6799. The witness was from Kolhapur Maharastra and working in a travel company name 'Nita volvo' at Puna. The witness was booking tickets of Nita Travels and Patel Travels. This ticket is in two copies, whereby original ticket handed over to the the concerned passenger and the he kept remaining copy (carbon copy) in his record. He deposed that the police came to his office on 21.12.2008 consisting of one lady officer, two three other officers, two persons in civil dress and one accused were present. The name of the accused is accused No.45-Fazle Rehman. He further deposed that the police inquired about the procedure of ticket booking and mentioned three dates. Thereafter, he checked tickets and found carbon copies of it, where upon he produced carbon copy of three tickets, which was booked in the name of Rafik. The witness identified three tickets- at Serial No.1 to 3 of muddamal list of SC No. 393 of 2009. The witness has also identified his handwriting on

a tickets at Exh. 6800 dated 01.07.2008, 07.07.2008 and 18.07.2008. He deposed that due to lapse of 9 years, he was not in a position to identify the person, who was brought by police, if he was shown to him.

16.44.44. It is submitted that as discussed earlier in the evidence of A-28 and A-14, A-45 had also rented the house of PW-1138/Exh.8165, Gulam Pathan at Sherpura and stayed in the house in the name of 'Rafik Shaikh'. He deposed that that A-45 met him subsequent to the 2nd day 7th or 8th of July, 2008. According to this witness, A-45 came with silver coloured Wagon R No. GJ-06. He further deposed that two to three days prior to the bomb blast, he has seen Rafik in possession of a red-colored Wagon R. He also identified A-45, A-44 and A-43 as persons who stayed in his house. It is submitted that if the evidence adduced against A-37 concerning the procurement of multiple SIM cards through the utilization of forged documents, is perused, it appears that the prosecution has established that A-45 and other accused were in contact with each other during the conspiracy. Moreover, if evidence against accused No.14-Sajid Mansuri is perused, then he made voluntary disclosure and pointed out a house of Gulam Pathan i.e Sherpura. The panchnama at Exh.6540 was drawn, wherein certain articles were found and FSL Officer vide Exh. 5963 had opined that there was a presence of Ammonium nitrate and petroleum hydrocarbon Oil.

16.44.45. The prosecution has also relied upon the deposition of PW-962/Exh.6747, who is a salesman of Metro Shoes company has implicated accused No.63-Mohammad Tanvir and A-45 as his customer, who used to purchase from his shop. The witness was unable to identify both the persons due to lapse of time. However, this evidence connects both the accused to be in company of each other during the proximate time. In view thereof, A-45 was deeply involved in carrying stolen

motor cars used for loading bomb in it for the purpose of bomb blast. A-45 was also implicated in flat, situated at Ashoka Muse, Puna and was also concerned with purchase of different articles used for the purpose of preparing bomb, some of bombs were also recovered from the stolen motor cars which were used for loading bomb, which remained unexploded. Evidentially material against A-45 connects him with different other conspirators as like A-43, A-44, A-37, A-28, A-69, A-70 and A-63.

16.44.46. It is submitted that the defense has raised the issue with regard to Challan/Billbook, wherein reference is made specifically to Indigo Cloth, whereas, the cloth Takas recovered from the vehicle comprised Yellow, Maroon, Brown and Blue colours, however, all Takas are not of Indigo colour. If the cross examination of witness PW-861/Exh.6026 Ramesh Bhai Jindal, who is a partner of 'Jindal Silk Mill; is perused, wherein he had identified the Indigo cloth being sold at his shop. This witness in Para No. 6 has also deposed that the said cloth is manufactured at his shop. From the aforesaid, it clearly appears that Indigo is the quality and not the colour and therefore arguments of defense is not believable.

16.44.47. The Court has perused the deposition of PW-861/Exh.6026 Ramesh Bhai Jindal. He has deposed that when Police came to him, he checked old cash memo of Jindal Silk Mills in the name of one Rafik Bhai, which he gave to Police, which was seized during panchnama at Exh. 2816 dated 30.08.2008. This witness has identified handwriting of his partner Radheshyam Bhai on the said bill, which is on record at Exh. 6027. This witness had identified his writing on Page No 1 to 91 of billbook (cash memo), when Serial No. 73 of Muddamaal Article list at Exh. 2350 was shown to him. He deposed that on Page No. 67, name of

Rafik Bhai, Indigo 248, Rs. 9.75 meter, Rs. 2418 were written in the handwriting of his partner Radheshyam Bhai. The witness also identified his signature on last page of billbook/cashbook. He also identified Muddamaal Article Serial No. 19 of list at Exh. 2350 i.e. indigo quality cloth, which is of his shop. It is pertinent to note that this Muddamaal cloth Taka was found from the car during Panchnama of scene of offence at the time of drawing of panchanama at Exh. 2413. Billbook/cashbook of Jindal Silk Mill was seized under panchnama at Exh. 2816. The said panchnama stands proved through panch witness being PW No.459-Shankarbhai Badane vide Exh.2815 and Investigating Officer being PW No.1155-Narayansinh Bhavansinh Parmar vide Exh.8517.

16.44.48. The Court finds that during the drawing of the panchnama at Exh.2789, the cashier of Vanaj Auto LPG Gas Station, namely Shirishbhai Thakorbhai had produced the relevant invoice book containing Bill No. 21250, dated 25.07.2008, issued in respect of vehicle bearing Registration No. GJ-06-CD-2908. The said bill was produced on record vide Exh.6009, which was proved by evidence of PW-856/Exh.6012 Sirish Bhai. The aforesaid panchnama of recovery of bill stands proved through deposition of panch witness being PW No.450 Alpesh Ambubhai Valand vide Exh. 2788 and Investigating Officer being PW No.1157-Rajendrasinh Ranjitsinh Sarvaiya vide Exh.8566.

16.44.49. Furthermore, the Maruti Wagon-R vehicle, bearing registration number GJ-06-CD-2908, the bill whereof was recovered from Vanaj auto, is Maroon in colour. The said vehicle was found containing four live bombs, with three plastic Kerba filled with petrol, Yellow, Maroon, Brown, Blue cloth Takas measuring 48 meters

alongwith and other material. The said recovery was affected from scene of offence situated beneath the doctor's residential premises, opposite the parking area of Sonal Bhel Shop, during the course of the drawing of the Panchnama at Exh. 2413.

16.44.50. The said Vanaj auto LPG Station was pointed out by A-45, during the course of panchnama at Exh. 6502 dated 21.11.2008. During this panchnama, in presence of the panch witnesses, A-45 has made disclosure about he and accused No.63-Mohammad Tanvir filled up gas in Wagon-R car bearing registration No. GJ-6-CD-9719 and carbon copies of bill including bill no. 18654 dated 10.07.2008 of vehicle no. GJ-6-CD-9719 were recovered from Vanaj auto LPG Gas Station. The said point out panchnama of recovery of bill at Exh. 6502 was proved by prosecution through panch witness being PW No.909-Brijesh Bhupendrabhai Dudhwala vide Exh. 6500. The Car bearing number No.GJ-6-CD-9719 was ultimately used for blast at Trauma Centre, Civil Hospital. Further, the car bearing No.MH-06-AF-9719 was stolen, for which an FIR at Exh. 6832 came to be registered. FSL report of car plate is produced on record vide Exhs. 6456, 6457 and 6459.

16.44.51. The Court has perused the deposition of witness being PW No.966-Asfaq Saiyed vide Exh.6777, who is a real estate consultant and runs a firm in the name of 'Alfa Communication Real Estate Consultant. The said witness was interrogated on 21.12.2008. He deposed that in the year 2007, a customer namely Dr. Anvar Baghban (A-51) alongwith one fair skin and tall person had come there, inquiring to take flat on rent. The said witness has deposed that he went to Akhtar Meman office alongwith doctor and his companion. They have been shown Ashoka Mues flat in H block, which was was liked by accused No.51-Dr. Anvar baghban and his friend like and hence, they decided to take the said flat

on rent. Dr. Anvar told this witness that he was a doctor by profession and a person of family. Thereafter, the terms of rent were fixed, registered agreement was prepared and the keys of the flat were given to Dr. Anvar bhai. According to accused No.51-Dr. Anvar baghban, the fair-complexioned person who accompanied him was his friend. After interrogation of this witness, he was called upon for test identification parade and was asked to identify two persons with whom he discussed and finalized the rent. During the course of the identification parade, this witness has identified one person, was brought out from line of dummy persons, by holding his hand and the witness mentioned that his name would start from Alphabet "F" and his surname was Durani, however the witness did not know his full name. Though the witness has identified this person as A-45 however, he could not identify A-45 on the ground of lapse of 10 years as the said person had grown his beard. The witness has already known accused No.51-Dr. Anvar baghban. The Test identification parade is on record vide Exh. 3182 and the same was proved through Executive Magistrate being PW No.589-Indravir Vajubha Zala vide Exh. 3159.

16.44.52. The Court has perused the deposition of PW-949/Exh.6643, Valibbhai Noorbhai Mansuri, who is a broker. The witness has deposed that police came to him on 12.12.2008 alongwith one accused and asked him whether he could recognize the said accused?, to which the witness told the police that he had received a call for a flat and hence, he recognized him. Upon receiving the call, the witness took him to Vaddala from Hotel Narmada to show house, but he did not like the house and he mentioned his name as 'Rafik'. The Court find that there is no substantial cross examination of this witness and credibility of this witness is not impeached by defense. The presence of A-45 was

established in Bharuch. Moreover, A-45 has made disclosure about renting of house and thereafter, pointed out one house namely master house, situated at Surat during the course of panchnama at Exh. 6544 on 28.11.2008. The aforesaid panchnama stands proved through witness being PW No.918-Amar Sureshsinh Rajput vide Exh. 6543 and investigating officer being PW No.1155-Narayansinh Bhavansinh Parmar vide Exh.8517.As discussed in evidence against A-37, PW No.864-Abdulfarid Abdulrashid Shaik (owner of master house) and PW-1016-Mohammad Shakir Shaikh (son of Abdul Rashid) have identified A-37 as a person, who rented their house.

16.44.53. The Court has considered the deposition of PW.984/Exh. 6851 Radheshyam Thakkar, who is doing business of clothes in the name of 'Jindal Silk Mills' at Hariom Market, Surat. The name of his partner is Ramesh Bhai Jindal, who was examined as PW-861 vide Exh.6026. He deposed that the police came to him on 2.10.2008 inquiring that whether two persons had purchased clothes from his shop, to which he replied that several people had purchased clothes, however, he would be able to identify him, if produced before him. The witness was shown Exh. 6027, which he identified as Challanbook-billbook. He deposed that he had handed over the first page of the Challan to the customer and that this is the carbon copy thereof, bearing his own handwriting, which he identifies.

16.44.54. The witness deposed that name of Rafik Bhai was written in the Challan book and that he had sold 248 meters of Indigo cloth to the said Rafik Bhai at the rate of Rs. 9.75 per meter worth Rs.2418. During the said transaction, two persons had come to him, one was small with pimple marks on his face and of Wheaties colour and other person was long and tall. identification parade at Exh. 3082 carried out on 06.10.2008 and Exh. 3086 carried out on 18.11.2008, who purchased clothes from him. The aforesaid identification parade panchnamas are proved by prosecution through Executive Magistrate being PW No.575-Kirtanbhai Chaturbhai Patel vide Exh. 3076. The witness identified the cloth sold by him, which are Yellow, Brown, Maroon and Blue in colour and were recovered from car loaded bombs during the course of panchnama at Exh. 2413.

16.44.55. The Court finds that the first travel ticket Exh. 6800 is dated 01.07.2008 for travelling to Baroda is in the name of accused No.45-Fazle Rehmaan. Upon perusing the record, the presence of A-45 was established in Hotel Narmada, situated at Bharuch, Narmada cross road. Hotel register of Hotel Narmada is on record at Exh. 6517, which was proved through PW-945/Exh.6637 Irfan Dauva, who at the relevant time was serving in Hotel Narmada, who has given evidence with regard to hotel register at Exh. 6517, wherein entry No. 966 was of Rafik Shaikh. The witness has identified his own handwriting and the signature of Rafik Habbi Shaikh. The date of arrival Rafik Habib Shaikh mentioned in Exh. 6517 in entry No. 966 is 02.07.2008 and the date of departure is 04.07.2008.

16.44.56. Further, upon perusing the record, the presence of A-45 was also established in Hotel Hari Mangala, situated at GNFC Cross Road, Bharuch. Hotel register of Hotel Hari Mangala is on record at Exh. 6516 which is proved through PW-944/Exh.6636 Bhavin Baria, who at the relevant time, was working in Hotel Hari Mangala, who has given evidence with regard to the aforesaid hotel register at Exh. 6516, wherein entry No. 8946 was in the name of S K Rafik and the date of arrival is mentioned as 04.07.2008 and the date of departure is

05.07.2008.

16.44.57. Upon perusal of second travel date mentioned in the ticket vide Exh. 6800, it appears that the same pertains to Ahmedabad dated 07.07.2008. Thereafter, presence of A-45 was established at Hotel Revan, situated at Kasak, Bharuch. Hotel register of Hotel Revan is on record at Exh. 6518, which was proved through PW-946/Exh.6638 Gulam Bhai Patel,w who is an owner, who has given evidence with regard to hotel register Exh. 6518, wherein entry serial No. 219 was in the name of Rafik S K. and the date of arrival is mentioned as 08.07.2008 and the date of departure is 09.07.2008.

16.44.58. The Court finds that hotel registers of Hotel Hari Mangala, Hotel Revan and Hotel Narmada were seized during the course of panchnama which is placed on record at Exh. 6519. The aforesaid panchnama stands proved through PW-912/Exh.6515 Yogesh Pandya, who has identified his signature and the signature of the other Panch witness on the hotel register at Exhs. 6516, 6517 and 6518. The Mamlatdar has affixed his seal on the aforesaid hotel registers, which were seized by the investigating officer Mr. Mayur Chavda on 12.12.2008. With respect to the xerox copies of the aforesaid hotel registers, which were taken by PW-1077/Exh.7352 Mr. Sindhi on 17.10.2008. The defense has contended that the prosecution has not produced the xerox copy and that even the original is not compared with xerox copies. However, upon perusal of Exhs. 6516, 6517 and 6518 , the Court finds that there is endorsement of Police Inspector, Crime Branch Ahmedabad City dated 17.10.2008 on the aforesaid three register pages. Therefore, it can be said that when xerox copies of aforesaid three registers were taken by PW-1077/7352 Mr. Sindhi on 17.10.2008, the original registers had been examined.

16.44.59. The Court finds that during the course of panchnama at Exh. 6526, specimen handwriting and signature of A-45 Fazle Rehman were taken. The aforesaid panchnama Exh. 6526 was proved by prosecution through PW-913/Exh.6524 Ramesh Bhai Ahir, before whom specimen handwriting and signature of A-45 were taken. Moreover, during the course of the aforesaid Panchnama, a specimen handwriting comprising one paragraph was taken from A-45, as his natural handwriting. The disputed documents i.e. entries in registers of Hotel Hari Mangala, Hotel Revan and Hotel Narmada as well as specimen writing and signature as also natural handwriting of A-45 were sent for opinion of handwriting expert through forwarding letter vide Exh. 6892, who gave his opinion vide Exh. 6893 that the person who made standard writing and signature is the same person who made the disputed writing and signature. The aforesaid opinion was proved by prosecution through handwriting expert Mr. KP Vyas-PW-990/Exh. 6886. Thus, it is established that A-45, after travelling from Pune in a different name, had stayed at these three hotels, made entries and signed in the Hotel registers.

16.44.60. The Court has perused the deposition of PW-983/6846 Naresh Bhai Ambalal Mehta who at the relevant time was doing his business in the name of 'Hardik Ply and Hardware' at Bharuch, situated in Patel super market, station road Bharuch. The witness was selling plywood, hardware, nails, sheets and building related goods. This witness has deposed that when Surat Police came to him and inquired about the person who had purchased sheet from his shop, he answered that several customers used to come to his shop and hence, he could not recognize everyone, however, he could recognize, if he is shown to him. Thereafter, the said witness went to Magistrate in Killa at Surat and during the test identification parade, this witness identified A-45 from

amongst the persons standing in line, as the person who purchased sheet as well as nails. This witness has deposed that the name of person identified by him is Fazle Rehman (A-45). The Defence has contended that no metallic residue was found from the River View Society and therefore it could not be said that the witness has sold the sheet. However, upon perusing the evidence of Bomb Defusal Squad witness at Exh.8156, particularly Para Nos. 2 to 8, there is reference to metallic sheet. Moreover upon perusing the FSL report at Exh.5714 and other FSL report of Surat case, a boat shaped wooden structure was found along with metallic sheet and therefore, argument of the defence hereby stands rejected.

16.44.61. The Court has also perused the evidence of PW-947/Exh.6640 Hamid Bhai Memon, who runs a petrol pump near Sherpura Gam, Bharuch, who has deposed that Police came to his petrol pump on 12.12.2008 along with one accused namely Fazle Rehman (A-45). The witness has further deposed that this witness said that he had filled up petrol of Rs.300/- in Wagon-R car, from there bearing Registration No.9718 or 9719. This witness has produced copy of page from the Billbook and upon being shown he has identified the petrol pump Bill No. 162 dated 17.07.2008 in which car No. 9719 and Rs.300 is written, which is on record at 'Mark-A'. In the cross examination, suggestion was put forth to this witness regarding no such person having come to the petrol pump, this witness has replied that it was Fazle Rehman (A-45) who told him that he had come during 15.07.2008 to 17.07.2008.

16.44.62. Thereafter, the Court has also perused the evidence of PW-948/Exh.6642 Irfan Shaikh, who was running a garage at Sherpura, Bharuch and has deposed that when the police came to him on

12.12.2008 along with one accused namely Fazle Rehman (A-45). This witness has recognized this accused-Fazle Rehman as the person who had came to his garage for repairing of motor car in the month of July. He has deposed that he had went along with this accused-Fazle Rehman to Sherpura, where his Maruti Wagon-R car was lying. This witness had repaired the said Wagon-R car which was off white in colour. During his deposition, he has deposed that if the person who came alongwith the Police was shown to him, he would be unable to identify due to lapse of time.

16.44.63. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.45-Fazle Rehmaan @ Rafik @ Salauddin S/O Musaddik Durrani. The Court has therefore, no reason to interfere with the conviction recorded.

16.45. In case of Gyasuddin @ Gyasu Abdulsalim Ansari (Ahmedabad) (A-5)

(Accused No.5 in Criminal Confirmation Case No. 2/2022 and Appellant No.2 in Criminal Appeal No. 1710/2022)

16.45.1. In case of accused No.5-Gyasuddin @ Gyasu Abdulsalim Ansari, he has been convicted for various offences by the trial Court, and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.45.2. Learned Senior Advocate has then proceeded to make submissions in connection with accused no.5-Gyasuddin @ Gyasu Abdulsalim Ansari. According to learned Senior Advocate the facts of present appellant is identical to that of accused no.18-Javed Ahmed Sadir Ahmed Shaikh. He is arrested on 16-08-2008 and after remand in

connection with several FIRs, was sent to Judicial custody on 29-01-2009.

16.45.3. The allegations against accused no.5-Gyasuddin @ Gyasu Abdulsalim Ansari are that he was present at the Terror camp at Vagamon in Kerala. He is also shown to have participated in several meetings held in Ahmedabad.

16.45.4. It is then submitted that accused no.5-Gyasuddin @ Gyasu Abdulsalim Ansari as named as accused No.17 in the trial in Ernakulam Court being Sessions Case No.2/2011/NIA in the Special Court for NIA Cases, Ernakulam, Kerala (Exh.9421) and has been acquitted by Ernakulam Court. Learned Senior Advocate has drawn attention of this Court to Exh.9421 at Page No.186 where the Ernakulam Court has recorded benefit of doubt on the ground that accused no.5-Gyasuddin @ Gyasu Abdulsalim Ansari is identified by only one witness.

16.45.5. The evidence cited against accused no.5-Gyasuddin @ Gyasu Abdulsalim Ansari is the Confessional statement of accused No.2-Imran Ibrahim Shaikh at Exh.8619. Learned Senior Advocate has submitted that accused No.2-Imran Ibrahim Shaikh names him to have seen this accused twice in his statement and that too at station and that a fake name is allotted to him, but he is not shown to be present at Halol camp.

16.45.6. It is submitted that Exh.8631 is a confessional statement of accused No.35- Rafiuddin Sarfuddin Kapadia and he does name 15 accused who were present at Halol camp, but does not name accused no.5- Gyasuddin @ Gyasu Abdulsalim Ansari. Moreover, the chance witnesses have not identified as to have seen the accused no.5-Gyasuddin @ Gyasu Abdulsalim Ansari in the group at the camp in Halol. Therefore, the prosecution has not established the presence of

accused no.5- Gyasuddin @ Gyasu Abdulsalim Ansari at Halol camp. Accused no.5- Gyasuddin @ Gyasu Abdulsalim Ansari therefore, cannot be attributed for any action in Halol camp.

16.45.7. For presence of accused no.5- Gyasuddin @ Gyasu Abdulsalim Ansari in Ahmedabad meetings, the evidence of PW No.957-Zakirhussain Abduljabbar Kureshi at Exh.6687 is relied upon. The witness says that he was present at the meeting at Samsuddin Nana's residence, but this witness does not name accused no.5- Gyasuddin @ Gyasu Abdulsalim Ansari to be present there, but he is shown to be present at four other meetings and in this meeting also, he is not attributed with any role of delivering speech or instigating religious sentiments, only his presence is shown.

16.45.8. In this regard, it is submitted that the theory of meetings in Ahmedabad itself is not acceptable, as the prosecution had recorded statement of two witnesses for establishing presence in meeting, both witnesses were labeled as Secret witnesses and have not been examined as witnesses at all.

16.45.9. Out of the 10 meetings, accused no.5- Gyasuddin @ Gyasu Abdulsalim Ansari is shown to be present only in four meetings and the last meeting being in June and thereafter, there is a long gap.

16.45.10. It is also submitted that PW No.957-Zakirhussain Abduljabbar Kureshi himself having participated in the meetings at Ahmedabad, still he is treated as witness, therefore, this accused no.5- Gyasuddin @ Gyasu Abdulsalim Ansari should also be treated as a witness only.

16.45.11. It is also submitted that in fact in one meeting allegedly taken place under a bridge, accused no.5- Gyasuddin @ Gyasu Abdulsalim Ansari has played a role of pacifying the co-accused.

16.45.12. Learned Senior Advocate has submitted that the impugned judgment is erroneous as there is complete miss-appreciation of evidence in so far as holding that accused no.5-Gyasuddin @ Gyasu Abdulsalim Ansari was present in Halol camp despite no evidence at all.

16.45.13. It is submitted that though evidence in form of confessional statement of accused No.2-Imran Ibrahim Shaikh and accused No.35-Rafiuddin Sarfuddin Kapadia are relied, but accused No.35- Rafiuddin Sarfuddin Kapadia has not named accused no.5-Gyasuddin @ Gyasu Abdulsalim Ansari.

16.45.14. Lastly, learned Senior Advocate has taken this Court through the relevant portion of the impugned judgment on Page No.3277 and Page No.6431 regarding the nature and appreciation of evidence. He also took this Court to Page Nos.6764 and 6852 for the mitigating circumstances and the antecedents.

16.45.15. He has therefore, prayed for clear acquittal of this accused no.5-Gyasuddin @ Gyasu Abdulsalim Ansari.

16.45.16. Learned Additional Advocate General for the State submitted that accused No.5-Gayasuddin of Ahmedabad, is one of the conspirators along with other accused persons.

16.45.17. It is submitted that accused No.5-Gyasuddin @ Gyasu S/O Abdulsalim Ansari is involved by witness Jakir Hussein in the initial conspiratorial meeting which took place in November, 2007 at the place of secret witness one Ibrahim Ansari. This meeting took place at a place called Kamdar Medan during night hours and this meeting was attended by few other accused like accused No.18-Javed Ahmed S/O Sagir Ahmed Shaikh and accused No.27- Mohammad Ismail @ Abdul Rajik. During this meeting, accused No.18-Javed Ahmed S/O Sagir Ahmed Shaikh read the Quran and also talked about Qayamat and Jehad.

16.45.18. It is submitted that according to the witness, one another meeting also took place at the same place i.e. at the place of Secret witness one Ibrahim Ansari in January, 2008. This meeting was attended by other accused like accused No.4-Samsuddin S/O Shahabuddin Shaikh, accused No.23-Ayaz Razakmiyan Saiyed, accused No.2-Imran S/O Ibrahim Shaikh, accused No.1-Jahid S/O Kutubuddin Shaikh and also accused No.5-Gyasuddin @ Gyasu S/O Abdulsalim Ansari. During this meeting, accused No.27-Mohammad Ismail @ Abdul Rajik did taqrir and during this taqrir, accused No.27-Mohammad Ismail @ Abdul Rajik exhorted that in the year 2002 many Muslims have lost their lives for which they should take revenge and he also talked about Jehad.

16.45.19. It is submitted that this witness further states that somewhere in the month of March, another meeting took place at the end of Sarangpur bridge, which was attended by accused No.27- Mohammad Ismail @ Abdul Rajik, accused No.1-Jahid S/O Kutubuddin Shaikh, accused No.5-Gyasuddin @ Gyasu S/O Abdulsalim Ansari, accused No.18-Javed Ahmed S/O Sagir Ahmed Shaikh and one absconder Mujib. At the time of meeting, accused No.1-Jahid S/O Kutubuddin Shaikh and accused No.27- Mohammad Ismail @ Abdul Rajik were crying and stating that our brothers are arrested but you are (persons present in the meeting) not doing anything and we should show our strength to Police and we should also conduct an explosion in public against the Government. On the way back to home, accused No.27-Mohammad Ismail @ Abdul Rajik was asked by witness as to what happened to which accused No.27- Mohammad Ismail @ Abdul Rajik told to witness that SIMI activist are apprehended in Indore and therefore, for these atrocities committed on Muslims we have to take revenge.

16.45.20. It is submitted that this witness further deposed that in the

month of June 2008, another meeting took place at the place of secret witness, Ibrahim Ansari during the night hours. This witness has stated that this meeting was attended by accused No.5-Gyasuddin @ Gyasu S/O Abdulsalim Ansari, accused No.15-Mufti Abubasar @ Abdul Rashid @ Abdulla S/O Abubakar Shaikh, accused No.18- Javed Ahmed S/O Sagir Ahmed Shaikh and accused No.27- Mohammad Ismail @ Abdul Rajik. During this meeting, accused No.15-Mufti Abubasar @ Abdul Rashid @ Abdulla S/O Abubakar Shaikh exhorted that there is no need to be afraid as SIMI activists are apprehended and we would establish Islamic regime.

16.45.21. It is submitted that so far as evidence of witness Jakir is concerned, he involves many other accused including accused no.5-Gyasuddin @ Gyasu S/O Abdulsalim Ansari as like accused No.1-Jahid S/O Kutubuddin Shaikh, accused No.4-Samsuddin S/O Shahabuddin Shaikh, accused No.6-Mohammad Aarif S/O Mohammad Iqbal Kagzi, accused No.8-Yunus S/O Mohammad Mansuri, accused No.15-Mufti Abubasar @ Abdul Rashid @ Abdulla S/O Abubakar Shaikh, accused No.18- Javed Ahmed S/O Sagir Ahmed Shaikh, accused No.27-Mohammad Ismail @ Abdul Rajik, accused No.37-Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya, accused No.75-Mohammad Rafiq @ Javed @ Alam Jeb Afridi S/O Maskur Ahmed, accused No.80 (Mujib now deceased), absconder Abdul Shubhan Taukir, accused No.23-Ayaz Razakmiyan Saiyed (approver) and Riyaz (hostile witness).

16.45.22. It is submitted that out of these accused named by this witness, some have attended Halol camp and there are also accused persons who have attended both the camps.

16.45.23. The Court finds that PW-957/Exh.6687 Jakir Hussein Qureshi, involved accused No.5-Gyasuddin @ Gyasu S/O Abdulsalim

Ansari in a initial meeting in November 2007. In this meeting accused No.5-Gyasuddin @ Gyasu S/O Abdulsalim Ansari, accused No.18-Javed Ahmed S/O Sagir Ahmed Shaikh and accused No.27-Mohammad Ismail @ Abdul Rajik were present and accused No.18-Javed Ahmed S/O Sagir Ahmed Shaikh read the Quran as well as talked about Qayamat and Jehad. Thereafter, in January 2008, there was another conspiratorial meeting in which accused No.4-Samsuddin S/O Shahabuddin Shaikh, accused No.23-Ayaz Razakmiyan Saiyed, accused No.27-Mohammad Ismail @ Abdul Rajik, accused No.5-Gyasuddin @ Gyasu S/O Abdulsalim Ansari and accused No.1-Jahid S/O Kutubuddin Shaikh were present. At that time, accused No.27-Mohammad Ismail @ Abdul Rajik gave speech about the revenge of 2002 for death of Muslims and thereafter talked about jehad. After about 20 to 25 days, from accused No.4-Samsuddin S/O Shahabuddin Shaikh's Nana's house meeting there was another meeting wherein accused No.27- Mohammad Ismail @ Abdul Rajik, accused No.1-Jahid S/O Kutubuddin Shaikh, absconder Mujib, accused No.5-Gyasuddin @ Gyasu S/O Abdulsalim Ansari and accused No.18-Javed Ahmed S/O Sagir Ahmed Shaikh were present. The witness further stated that in June 2008, when accused No.27- Mohammad Ismail @ Abdul Rajik called him at Ibrahim Ansari's house, accused No.27-Mohammad Ismail @ Abdul Rajik, accused No.5-Gyasuddin @ Gyasu S/O Abdulsalim Ansari, accused No.18- Javed Ahmed S/O Sagir Ahmed

Shaikh, accused No.15-Mufti Abubasar @ Abdul Rashid @ Abdulla S/O Abubakar Shaikh were present. At that time, accused No.15-Mufti Abubasar @ Abdul Rashid @ Abdulla S/O Abubakar Shaikh told that though SIMI workers are arrested, we will establish Islamic Rule.

16.45.24. The Court also finds that this witness Jakir has also given evidence regarding other meetings in which the most important meeting which he had referred to is at the house of accused No.4-Samsuddin S/O Shahabuddin Shaikh's Nana's house which took place in March 2008. This witness Jakir has also given evidence about the conversation which would be in the nature of extra judicial confession of accused No.27-Mohammad Ismail @ Abdul Rajik which happened somewhere on 07.08.2008, when witness was travelling to Gwalior for picking up his wife and accused No.27- Mohammad Ismail @ Abdul Rajik met him at Ratlam and on his way to Naagda they both had conversation wherein accused No.27- Mohammad Ismail @ Abdul Rajik confessed so many things about present incident as deposed by this witness. This witness has also stated that while he remained in company of accused No.27-Mohammad Ismail @ Abdul Rajik on lot many occasions, accused No.27- Mohammad Ismail @ Abdul Rajik and other accused along with him used to keep distance from witness and that would be sufficient to believe prosecution though witness Jakir had a chance to go along with accused No.27- Mohammad Ismail @ Abdul Rajik whereby accused No.27- Mohammad Ismail @ Abdul Rajik attended lot many meetings which therefore was known to witness and on the basis of very categorical evidence of witness Jakir, he cannot be termed privy to the conspiratorial acts committed by accused No.27- Mohammad Ismail @ Abdul Rajik in the company of other accused. This witness in his deposition has also categorically refused about his involvement or

participation in any of the conspiratorial meetings or acts. Even after the commission of bomb blast on 26.07.2008, he did visit some other accused persons with accused No.27- Mohammad Ismail @ Abdul Rajik but he categorically states that accused No.27- Mohammad Ismail @ Abdul Rajik and other accused persons were keeping distance from him and they were talking at a little distance from this witness.

16.45.25. The Court finds that the defence has termed this witness as accused, as investigators ought to have taken him as accused from the very beginning and even at the later point of time by arraigning him as accused but submission of defence are not acceptable. As witness himself on many occasions has either distanced him from others or others have distanced this witness on crucial occasions and events, considering the same witness cannot be termed as an accused.

16.45.26. One issue raised by the defence for assailing the reliability of this witness is delay of certain days to interrogate this witness by the I.O. This witness has rightly explained the circumstance about what caused the delay in his interrogation. Firstly, in a matter like this, where the crime is related to terror and terrorists are the perpetrators of crime, witnesses would be reluctant to come forward and subject themselves to the police investigation as either they are frightened, worried for them and for their family members and this witness has justifiable reason for not volunteering himself in the initial days as his wife was pregnant and was in the last stage of pregnancy. So far as delay of two months as alleged by defence is concerned, for recording of his statement by Police, prosecution has rightly explained that somewhere in the month of August or in the first week of the travel of this witness to Madhya Pradesh for getting back his wife, who was pregnant to Ahmedabad at her matrimonial home. And after he came back, he himself volunteered

and visited the police station and subjected himself to interrogation after his interrogation by police which happened on 17.10.2008 and his statement before the Metropolitan Magistrate U/s 164 of Cr.P.C which came to be recorded on 24.10.2008 i.e. Exh.6688.

16.45.27. Defence has tried to suggest and put forth their defence that the brother of witness Abbasbhai is the informer of Crime Branch Police and therefore witness is planted by police. This suggestion and defence is firmly denied by the witness. Prosecution is right in saying that, if the case of defence was that, brother of witness Abbasbhai being an informer of Crime Branch Police, investigator would not have taken 2 to 3 months to interrogate him as, if witness was to be planted in October 2008, he could have been very easily planted at the earlier opportunity time.

16.45.28. The Court finds that the witness has further denied suggestions put forth by the defence that from 20.08.2008 to 25.11.2008, the witness was in illegal custody of crime branch police. The witness has also denied the suggestion of defence that prior to six months from the time of his deposition in the court, he was under the surveillance of police persons and he had deposed on the instructions of police. Prosecution has rightly submitted that if the case of defence is that the witness was planted because of his brother Abbasbhai being informer of Crime Branch then where is the question of putting surveillance prior to six months of the deposition of the witness. The witness in para 50 of the cross-examination, was asked a question by defence as to what talk accused No.27- Mohammad Ismail @ Abdul Rajik had with him and the answer given by the witness is that the talk relates to taking revenge for the human loss suffered by Muslims in the year 2002 and to commit Jehad.

16.45.29. The Court is of the opinion that considering the entire deposition of witness Jakir Hussein, there is no reason to believe that he should have been an accused of the case nor that he is a planted witness. Credibility of the evidence of witness could be impeached while cross-examining witness and as referred herein above. Defence has tried their best by putting a volley of questions to discredit him as he being a planted witness, pocket witness, purchase witness but defence has miserably failed to impeach even little credibility of the witness. Hence, prosecution is right in submitting that he is a natural witness and even if submissions of defence are to be accepted about him being an accomplice then even evidence of this witness gets broad corroboration from other evidentiary material. The evidence of witness Jakir Hussein is also required to be seen with his statement which he gave before Metropolitan Magistrate U/s 164 of Cr.P.C. The witness has fully supported the statement given by him before Metropolitan Magistrate.

16.45.30. The Court also finds that accused No.5-Gyasuddin @ Gyasu S/O Abdulsalim Ansari is involved by accused No.2-Imran S/O Ibrahim Shaikh in his Confessional Statement Exh-8619, U/s 164 of Cr.P.C. As per accused No.2-Imran S/O Ibrahim Shaikh, accused No.5-Gyasuddin @ Gyasu S/O Abdulsalim Ansari attended Vagamon Training Camp.

@ Gyasu S/O Abdulsalim Ansari is also one amongst many accused in the Kerala Session's Court proceeding and he is arraigned as accused no.17 in Kerala proceedings. Though acquitted, the acquittal appeal is pending.

16.45.32. In view of the aforesaid discussion and evidence against accused No.5-Gyasuddin @ Gyasu S/o Abdul Saleem Ansari it is established that accused No.5-Gyasuddin @ Gyasu S/o Abdul Saleem Ansari has been participant in the conspiracy even from the stage of initial conspiracy, which took place at Vagamon, Kerala and thereafter, as discussed hereinabove, consistently, presence of accused No.5-Gyasuddin @ Gyasu S/o Abdul Saleem Ansari is established during the period of offence.

16.45.33. The Court finds that there is sufficient evidence on record to support the conviction of accused No.5-Gyasuddin @ Gyasu S/o Abdul Saleem Ansari and therefore, conviction recorded by the Special Judge qua accused No.5-Gyasuddin @ Gyasu S/o Abdul Saleem Ansari is not interfered with. The conviction is therefore confirmed.

Abdulla @ Ibrahim S/O Babukhan Maniar, who is awarded life sentence. According to learned senior advocate, there are two types of evidences against this appellant-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim, a test identification by the chance witness and another a point out panchnama by the accused himself.

16.46.3. At the outset, he has submitted based on decision of Apex Court, the five principles for test identification.

(1) The time lapse between the incident and the test identification parade.

(2) Period between the arrest and the test identification parade.

(3) Witness having given description beforehand.

(4) The identification in the Court being the substantive evidence and not the test identification parade.

(5) The ratio between the accused against dummy person must be 1:9.

It is submitted that in the facts of this case, the witness had seen the accused in casual manner as a part of the group and not as committing of any offense on 13/14.01.2008. The appellant-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim was arrested on 03.04.2012 and even after the arrest, the test identification parade took place on 06.06.2012, therefore, its almost after four years after witness saw accused for first time; that too briefly and not in the act of committing any crime and two months after the arrest.

16.46.4. Therefore, according to learned senior advocate, the test identification parade is not a reliable evidence to establish the identify of the appellant- Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim to be present at the Halol Camp beyond doubt.

16.46.5. It is submitted that as per Exh.4085, the ratio of accused to dummy is 1:5. He has relied upon the decision of this Court in case of ***State of Gujarat v/s. Rajput Anil Mangaldas, reported in, 2018 SCC***

Online Guj 436 and submitted that the Gujarat Police Manual also prescribes proportion to be 9:1 and the test identification parade must be conducted in accordance with such Rules prescribed, if not, then it can not be treated as reliable evidence.

16.46.6. The test identification parade is a step of an investigation and is a corroborative piece of evidence. The ratio prescribed under the manual only provides for observing the same as a guideline and a matter of prudence. For this, the Court may refer to the observation of the Apex Court in case of ***State of Mahrashtra vs. Suresh Thomas reported in 2000 (1) SCC 471*** wherein para-22 it is observed that, if the potholes are to be fettered out from the proceedings of the Magistrate's holding such parades, possibly no Test Identification Parade can escape from one or two lapses. Therefore, if a scrutiny is to be made from that angle alone, the resultant parade will be treated as vitiated and every TIP would be rendered unusable. Therefore, it is provided in the same para, it is observed that it is for the officer conducting the tip to ensure that the object of holding tip which is, to enable witness to satisfy themselves that the accused whom they suspect is really the one who is seen by them and at the same time satisfy the I.O. that, the suspect is the real person whom the witness has seen and in this process, if there is dilution of modality in holding the Parade, then such relaxation would not impact the purpose for which the parade is held. In this context, the Court has also referred to the judgment of Budhsen v/s. State of U.P. reported in 1970 (2) SCC 128. Therefore, the Court has to look at the test identification panchnama and the evidence of the witness together to decide on the credibility of the evidence.

16.46.7. The Court may take into consideration PW No.981-Pravinbhai Hamirbhai Katariya, who was examined vide Exh.6835, who

is the Jeep driver plying the Jeep on that road and his presence on the route being natural. He has explained the reason for him being there at the place which is a valid reason. He has deposed that when they heard noises, they went towards it by crossing a fencing and found 15 to 20 persons engaged in activity of training of crawling on elbow and firing towards the ballon targets; speaking in Hindi and this was in broad day light.

16.46.8. This witness has deposed about undertaking test identification parade on various occasions including on 06.06.2012 (Exh.4085) and has properly deposed as to how he has undertaken the identification when six persons were standing in line. It is pertinent to observe when the witness removed the appellant-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim from the line, the accused disclosed his name to be Mohammad @ Munno, which is not the correct name of the accused and discloses that the accused had deliberately mislead.

16.46.9. The deposition further records that upon being asked as to how he was able to identify to which he answered to the Magistrate that the appellant- Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim is the person, who was there near the Tent at Helical Vav.

16.46.10. Of course, this witness did not know the appellant by name and he did not identify the appellant in the Court, where he made an attempt to identify virtually on the screen.

16.46.11. However, the Court finds the evidence of the test identification panchnama and this witness reliable. The reason is that, in the cross-examination of this witness, he was questioned about the description which was given by him or not, to which a specific answer was given in para-28 that before undertaking test identification parade,

he had given the description of the accused persons. Through cleverly the question was posed as to whether at the very first time when police asked him whether he had given the description of persons, he had identified to which he answer that at first time description was not given. However, immediately thereafter he has narrated that about the appearance of these persons in the statement he had given to police prior to the test identification parade.

16.46.12. Learned Senior Advocate has thereafter submitted that evidence of PW No.972-Ramkabhai Devkaranbhai Kesariya at Exh.6802 can also not been considered to be reliable evidence, as he is chance witness and had wandered into site of the camp in search of his cattle. Learned Senior Advocate has drawn attention to Para-26 of the deposition and contended that very specific question was asked that for the first time in the year 2008, when he met certain Police persons, who had questioned him about tent at the site and at that time there were five to six Police persons, but presently, he would not be able to give description of any of such five Police persons. Therefore, when the witness is not able to describe Police persons, who had met him in the year 2008 during investigation, this witness cannot be relied upon for the Test Identification Parade. Deposition of this witness had taken place in the year 2018, whereas Test Identification Parade at Exh.4085 had taken place on 06-06-2012, which is much nearer to the period when the witness had seen the accused persons.

16.46.13. The Court may once again refer to Exh.4085, where PW No.972-Ramkabhai Devkaranbhai Kesariya at Exh.6802 has also undergone Test Identification Parade and the Court has perused contents of Exh.4085, wherein amongst six dummy persons; accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O

Babukhan Maniar was made to stand and was given opportunity to stand in the place with clothes of his choice. The care was taken that the dummy persons were of approximately the same age and structure and outwardly appearance. Despite this, accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar was correctly identified in the panchnama.

16.46.14. The Court may also take into consideration deposition of PW No.784- Danaji Bhuraji Rajput at Exh.4082, who is Executive Magistrate, who had conducted Test Identification Parade vide Exh.4085. In Para-9 of evidence in chief, he has identified content as well as signature on the panchnama. In Para-4 of the deposition, he has given details of present accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar being summoned for Test Identification Parade and also having passed on the instruction to his peon for calling for five individuals of similar age, height and appearance, as well as clothing and were accordingly brought. As PW No.972-Ramkabhai Devkaranbhai Kesariya at Exh.6802 was called for identification and after recording his details, he was called upon to identify the accused, whom he correctly identified from amongst the persons standing in queue. The witness also deposes in Para-5 to indicate as to why the witness PW No.972-Ramkabhai Devkaranbhai Kesariya at Exh.6802 was able to identify accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar. At that time, PW No.972-Ramkabhai Devkaranbhai Kesariya at Exh.6802 narrated to him that in January, 2008 around Uttrayan Season, while he was grazing his cattle and was looking for strayed buffalo, he came across the group of persons, who were undergoing some training and upon seeing PW No.972-Ramkabhai Devkaranbhai Kesariya at

Exh.6802 they threatened him to go away. This version is confirmed even by the deposition of PW No.972-Ramkabhai Devkaranbhai Kesariya at Exh.6802 in his deposition.

16.46.15. In the opinion of the Court, considering the evidence of PW No.972-Ramkabhai Devkaranbhai Kesariya at Exh.6802 along with Test Identification Parade at Exh.4085 and the deposition of Magistrate of Test Identification Parade at Exh.4082, the Court is inclined to believe identification of this accused being established by the prosecution as an individual, who was part of the group at Halol.

16.46.16. Learned Senior Advocate has thereafter referred to Exh.6528, which is pointing out panchnama attributed to accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar and submitted that same cannot be treated as panchnama under Section 27, as accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar is fifth person in the sequence, who had led the Police Team to the camp allegedly conducted at Halol and previously other accused persons through whom the pointing out panchnama executed, had already shown the site of this camp and therefore, there is no discovery of new fact, which was not known to Investigation Team.

16.46.17. It is submitted that in any case of the matter, only portion of pointing out to site, where allegedly Terror training camp had taken place, can be treated as an admissible, whereas portion of the panchnama, which refers to the fact of undergoing of any training, cannot be treated to be as an admissible part of the panchnama. It is submitted that the panchnama refers to various activities, which included delivery of Jihadi lectures. However, even from the panchnama, it is not coming out that this accused No.74-Mohammad Abrar @ Munna @

Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar had participated in delivering any Jihadi lectures or participated in any other activities.

16.46.18. It is submitted that even if accused's presence is there at the camp, thereafter accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar had left for Ujjain never to return or participate in any other offence.

16.46.19. Exh.6528 was exhibited vide PW No.914- Mukundbhai Jivanlal Jadav at Exh.6527, learned Senior Advocate has submitted that execution of panchnama is in great doubt, as in the Court, PW No.914-Mukundbhai Jivanlal Jadav was unable to identify this accused, though throughout execution of panchnama, accused and the panch witness were together and therefore, there is a chance that the panchnama was executed not in presence or at behest of the accused himself, but by someone else. The Court may take into consideration pointing out panchnama at Exh.6528 proved by PW No.914- Mukundbhai Jivanlal Jadav and for this purpose, the Court may take into consideration deposition at Exh.6527, PW No.914- Mukundbhai Jivanlal Jadav, who in his deposition, has deposed the manner in which, he was summoned for carrying out the panchnama, while he was on walk with his friend and co-panch; Prathmesh Patel. This witness has deposed as to what has transpired in the office of the Crime Branch, where the present accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar aged about 32 years was present and had made disclosure that in January, 2008, there was Terror Training Camp in the forest of Pavagadh, place which he will be able to disclose. Accordingly, the Police Party had proceeded in the Government vehicle as per the directions given by the present accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar. This

witness also stated that the first part of the panchnama was signed by both the panchas as well as the Police and proceeded as per the directions given by the accused. The accused had signaled directions till they reached the Dargah namely "Khundpir Dargah", which was identified by the board placed there. It is also recorded in his deposition that the accused took them over to various places in that area, where they used to undertake their routine activities and offer 'Namaz' and that they used Tata Sumo Vehicle for traveling to and fro and on the last day of the Training, Safdar Nagori had given Jihadi lecture. It is also deposed that the accused had taken them to another spot known as Ekminar Masjid, where they used to offer 'Namaz' during the camp and yet another place at 'Helikel Vav', which was a quarry like area, where they had established camp and trained for crawling on stone surface and shooting by air gun. They had also trained for swimming in the lake and rope climbing.

16.46.20. Submission of learned Senior Advocate regarding non-identification by this witness of accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar is of no consequence, as he is panch witness, who during the course of panchnama, accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar was introduced to him at the time of disclosure.

16.46.21. Learned Senior Advocate has thereafter taken this Court through portions of the impugned judgment, wherein discussion of evidence against accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar has been narrated and submitted that the Court has committed an error in holding that in considering the knowledge of the accused about the places, where the

training camps were held as an admissible evidence. Learned Senior Advocate has thereafter submitted that another set of evidence, which the prosecution has put up against this accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar is confessional statement of accused No.35-Rafiuddin Sarfuddin Kapadia at Exh.8631. It is submitted that no further submissions for confessional statement of accused No.35-Rafiuddin Sarfuddin Kapadia is necessary as the Special Court itself has discarded confessional statement at Exh.8631 of accused No.35-Rafiuddin Sarfuddin Kapadia on the ground that the same was recorded on Affidavit and therefore, cannot be admitted as evidence. Other evidence at the behest of the accused No.35-Rafiuddin Sarfuddin Kapadia is pointing out panchnama at Exh.6443. Even Exh.6443 cannot be treated as an evidence against accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar as in this panchnama, nowhere name of accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar is appearing. Moreover, there is discrepancy of the period during which accused No.35-Rafiuddin Sarfuddin Kapadia has stayed at the camp site, as in Exh.6443, it is recorded that accused No.35-Rafiuddin Sarfuddin Kapadia had stayed for two days from 13-01-2008 to 15-01-2008, whereas in Exh.8631, confessional statement, accused No.35-Rafiuddin Sarfuddin Kapadia has stated that he was at the camp only for two hours. Both Exh.6443 and Exh.8631 are within a span of short duration as Exh.6443 was dated 17-11-2008, whereas Exh.8631 was dated 04-02-2009.

16.46.22. Learned Senior Advocate has therefore submitted that looking to the overall evidence placed on record in so far as the present accused is concerned, except for the presence at Halol, no other

evidence is appearing and even presence at Halol is highly doubtful, as the evidence is not sufficient to establish his presence. It is submitted that even if his presence is established, still there is nothing to link accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar to have undertaken any action particularly. The issue has cropped up with regard to Exh.8631 being confession of accused No.35-Rafiuddin Sarfuddin Kapadia on Affidavit, where the prosecution has drawn attention to Exh.8157 being application by the prosecution to summon the Hon'ble Judges, who have recorded statement under Section 164 of Cr.P.C. including the Hon'ble Judge, who had recorded confession at Exh.8631. This application was allowed, however, from the record, it appears that evidence of Hon'ble Judge has not been recorded and that there was application at Exh.9018 by the defence for the same purpose that is to examine the Hon'ble Judge, who had recorded Exh.8631, which application came to be rejected.

16.46.23. The Court may consider Exh.8278 being an application given by the prosecution to exhibit all the statements recorded under Section 164 of Cr.P.C. Below such application, the Special Court had passed the detailed order, which has attained finality and accordingly, the document; Exh.164 statements have been thereafter exhibited. The Court has also taken into consideration Exh.9367, which is Dropping Pursis by the prosecution, wherein for the reasons stated therein, the prosecution witnesses have been dropped. However, the Court does not find name of the Hon'ble Magistrate Mr. G. M. Patel, who is amongst witnesses, whose names have been dropped.

16.46.24. Learned Additional Advocate General for the State has relied upon panchnama Exh.6528 drawn by the Crime Branch Police. It is submitted that the first part of panchnama was drawn at the Police

Station in the presence of panchas, police and accused No.74-Mohammad Abrar @ Munna. Upon the disclosure made by accused No.74-Mohammad Abrar @ Munna that he could point out the place of the camp if he was taken to Halol crossroads, the second part of panchnama was drawn. accused No.74-Mohammad Abrar @ Munna was thereafter, taken to Halol Crossroads and, as per the directions given by accused No.74-Mohammad Abrar @ Munna, he led the police party towards Pavagadh and stopped the vehicle near a Dargah. He further led them inside Dargah, where there was signboard of Hajrat Khundpir Dargah Trust. Upon entering Dargah, a person named Idrish Gulabsha Fakir was found present. accused No.74-Mohammad Abrar @ Munna led them to the Mazar and a Dharamshala, where he and others stayed. He also pointed out a place where they used to bathe, which was near a handpump and washrooms. Thereafter, accused No.74-Mohammad Abrar @ Munna also pointed out one Minar Masjid and further led them towards a place like jungle where makeshift arrangement like tent was made. He also pointed out the place known as Helical Vav and ultimately to a place where the camp was arranged. The aforesaid panchnama stands proved through panch witness vide Exh.6527 and investigating officer vide Exh.8638.

16.46.25. The prosecution has also relied on the confessional statement of A35, which is at Exh.8631, wherein accused No.74-Mohammad Abrar @ Munna has been involved by accused No.35-Rafiuddin Kapadiya as one of the participants in Halol Camp by naming him as ‘Abrar’. It is submitted that the detailed submissions on confessional statement of accused No.35-Rafiuddin Kapadiya have been made earlier.

Idrish vide Exh.7923, who has implicated accused No.74-Mohammad Abrar @ Munna as one of the persons who came along with accused No.2-Imran Shaikh and others. The witness has deposed to this effect in para-8 of his deposition. This witness has also identified certain accused persons namely accused No.37-Kayamuddin Kapadiya and accused No.16- Abbas S/O Umar Sameja as persons, who had come alongwith accused No.2-Imran at Khundpir Dargah. During cross-examination of this witness, particularly in paragraph 16, it has come on record that some of the persons named by this witness were also visiting Khundpir Dargah prior to January, 2008 and during January, 2008. However, the witness could not state the names of all such persons or the exact time during which they stayed at Dargah.

16.46.27. The Court further finds that the witness has denied the suggestion put to him in paragraph 22 of his cross-examination that Imran Shaikh had not come to the Dargah in January, 2008 on the reference of Dr. Sadab. In paragraph 27, the witness has deposed that he had informed the police regarding handing over the keys and in para-28 he has confirmed that he permitted the concerned persons to stay at Khundpir Dargah, when Imran from Taiwada came with the reference of Dr. Sadab. The Court has under the Chapter of "Appreciation of deposition of relevant witnesses" has given a finding that PW Idris at Exh.7923 is a reliable witness to the circumstance of holding of terror camp in forests of Pavagadh and participation of accused persons in this camp.

16.46.28. The Court has also considered the evidence of PW No.972-Ramkabhai Devkaranbhai Kesariya vide Exh.6802, who has implicated accused No.74-Mohammad Abrar @ Munna. The deposition of this witness has been discussed in detail by the Court under the

chapter of 'Appreciation of deposition of relevant witnesses. So far as, accused No.74 is concerned, this witness has deposed that he was subjected to test identification parade and that during the course of test identification parade, he identified a person named Munna, whom he had seen near the tent. However, so far as accused No.74-Mohammad Abrar @ Munna is concerned, though this witness has not identified him during the course of Test Identification Parade, but he has correctly identified accused No.12-Safdar Nagori and accused No.8-Yunus Mansuri. The aforesaid test identification parade is placed on record at Exh.3061 and stands proved through evidence of Executive Magistrate being PW No.784-Danaji Bhuraji Rajput vide Exh.4082.

16.46.29. The Court has also perused the evidence of witness Pravinbhai, vide Exh.6835. The deposition of this witness has been discussed in detail by the Court under the chapter of 'Appreciation of deposition of relevant witnesses'. The Court finds that like witness Ramkabhai, this witness was also subjected to a test identification parade. During the course of test identification parade, he identified one person from the line of persons and stated that he had seen the said person near Helical Vav besides the tent. Upon inquiry by the Executive Magistrate, the person who was identified, disclosed his name as Mohd. @ Munno. The said Test Identification Parade is on record at Exh.3061 and stands proved through the evidence of Executive Magistrate being PW No.784-Danaji Bhuraji Rajput vide Exh.4082.

16.46.30. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.74-Mohammad Abrar @ Munna @ Ismail @ Abdulla @ Ibrahim S/O Babukhan Maniar that the accused has participated in the Halol terror

camp as a part of conspiracy. The Court has therefore, no reason to interfere with the conviction recorded.

16.47. In case of Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya (Vadodara) (A-37)

(Accused No.23 in Criminal Confirmation Case 2 of 2022, Accused No.17 in Criminal Appeal No.1710 of 2022)

16.47.1. In case of accused No37-Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya, he has been convicted for various offences by the trial Court, and has been awarded death penalty in Sessions Case No.38/2009 and others.

16.47.2. Accused No.37-Kayamuddin Kapadiya is represented by learned Advocate Dr. Yug Chaudhary. The role attributed to this accused is to be in thick conspiracy, where in each stage, this accused has played a crucial role. His role seen in hiring of hide outs in Al-Mohamadi Society and Umraonagar in Vatva, purchase of bomb making material, staying connected with co-accused by using coin telephone boxes, cyber cafe instead of routine mobile phone to avoid being traced, planting bomb at identified locations and also participating in Terror camp and meetings.

16.47.3. According to learned Advocate the evidence led by the prosecution against this accused is point out panchnama of places of hide out, training camps as well as the bomb sites, evidence of the witnesses and evidence of approver.

16.47.4. Learned Advocate has argued that accused No.37-Kayamuddin Kapadiya was first arrested in these offences on 04-12-2008 in Shahibaug Police Station Case and after being arrested in various other offences, he was sent to judicial custody on 03-07-2009.

The charge-sheet was filed post 31-12-2008 the date on which Section 45 (2) was made effective still the first charge-sheet was filed on 17-01-2009, which was with the Sanction under Section 45. However, there was no report of review authority as contemplated under Section 45(2). In this connection of applicability of Section 45(2), the Court has dealt with the issue raised in sub-chapter of 'Grant of sanction' under Chapter of 'Issue'. The Court does not find any illegality in the grant of sanction so as to vitiate the trial.

16.47.5. Learned Advocate has assailed evidence of eye-witness being PW No.1115-Mohamadumar Usmanbhai Mansuri vide Exh.8002, PW No.1117-Asif Usmanbhai Shaikh vide Exh. 8019 and PW No.1131-Mohammadrafiq alias Baba Iqbalbhai Shaikh vide Exh.8118, firstly on the ground that they are close friend of one Bherubhai, who is Police informer and known for making arrangements in getting such witnesses. However, though questions were posed to the witnesses in this regard, the answer given by witnesses in the deposition does not suggest role of said Bherubhai for this Court to conclude that they were got-up witnesses. Another argument offered is lapse of five months before the witness surfaced. It is argued that on 07-12-2008, the Investigating Officer accidentally came across these witnesses and Investigating Officer is unable to state the manner in which these witnesses were identified. Obviously, the reason apparent is the investigation was going on, as on 07-12-2008, when the statement of the witnesses were recorded and these accused were arrested on 04-12-2008 and therefore, it was only upon the interrogation of this accused that the names of the witnesses surfaced. Therefore, the defence has clearly tried to raise the contention that there is no explanation of six months delay in finding out these witnesses and such argument therefore need to be rejected

outrightly. Moreover, though it is argued that Investigating Officer is unable to answer about how he came to know about this witness, the perusal of Exh.8287 particularly Para-104, no question to that effect has been posed to the Investigating Officer.

16.47.6. Learned Advocate has also argued to discard the evidence of PW No.1115-Mohamadumar for no identification of accused No.37-Kayamuddin Kapadiya in Court nor holding of the Test Identification Parade. It is pertinent to observe that the witness has deposed that he knew accused No.37-Kayamuddin Kapadiya from childhood and therefore, at the relevant time, there was no question of Test Identification Parade as he knew the accused by his name. Moreover, in so far as Identification in Court again for the same reason of being childhood friend and that too after gap of 10 years, the issue of identification is of no consequence.

16.47.7. Similarly, learned Advocate has assailed evidence of another witness PW No.1117-Asif on the ground that this witness has himself participated in the crime, therefore, being an accomplice, his evidence be discarded. If this submission is made by learned Advocate then the Advocate on behalf of accused No.37-Kayamuddin Kapadiya is accepting the fact as narrated by PW No.1117-Asif to have taken place where PW No.1117-Asif is also participating, meaning thereby the role of accused No.37-Kayamuddin Kapadiya automatically gets confirmed. This is only from an argument perspective. This witness has given this version under statement recorded under Section 164 of Cr.P.C., however, the Court finds that Exh.8020 statement under Section 164 is recorded after administering the oath. However, thereafter, since the witness has deposed on oath as a witness and covering the narration of the statement under Section 164 as well and has withstood the cross examination.

16.47.8. The Court has already discussed the evidence of both PW No.1115-Mohamadumar and PW No.1117-Asif is detailed under the Chapter of 'Appreciation of deposition of relevant witnesses' and their versions are also in conformity with the other witnesses and supporting the case of prosecution.

16.47.9. Learned Advocate has thereafter assailed the evidence of PW No.1131-Mohammadrafiq and submitted that his evidence also cannot be believed or required to be discarded as this witness after the evidence in chief had not returned to the Court for being cross examined. It is submitted that even trial Court has discarded the evidence. According to the Court, the evidence to whichever extent has been recorded on oath, if perused, is supporting version of other witnesses and is not damaging their version in any manner. Both PW No.1117-Asif and PW No.1131-Mohammadrafiq giving their depositions have identified accused No.37-Kayamuddin Kapadiya thereby establishing direct evidence of accused No.37-Kayamuddin Kapadiya with the offence. The Court in a separate Chapter of 'Appreciation of deposition of relevant witnesses' has in detail recorded the version of a witness and therefore, the role is clearly established.

16.47.10. With regard to the renting and occupying the hideouts, House No.10 Al-Mohammadi Society in Ahmedabad, PW No.943-Kukhrajbanu (sic.) Mohammadyakub Sheikh is examined vide Exh.6629. She is the land lady of House No.10 Al-Mohammadi Society and has identified in the Test Identification Parade proved through Executive Magistrate PW No.589-Indravir Vajubha Zala vide Exh.3159. Learned Advocate submitted that this witness cannot be believed as she has not identified accused No.37-Kayamuddin Kapadiya in the Court. Also in the deposition, she has admitted that no document for rent was there nor she

has produced any evidence to establish that she is the owner of the house. She has also denied that she has checked about the identities of the accused, who had rented the premises. Thereafter, other evidence connecting accused No.37-Kayamuddin Kapadiya with the house is PW No.928-Mohammed Ibrahim Afzal Shaikh vide Exh.6586 who has acted as a broker for renting the premises. Learned Advocate has referred to the cross-examination to submit that in July, the house was given and in September, it was seized. Therefore, he deposed wrongly that the house was given on rent for five to six months. Moreover, there was no Test Identification Parade or Identification in the Court. This witness being the broker and having played the role as such his evidence to the circumstance of hiring of the hideout is sufficient to corroborate the evidence of land lady, who has identified accused No.37-Kayamuddin Kapadiya as her tenant and the deal struck through the broker. Of course, there are other witnesses to the circumstance of hiring and occupying House No.10 Al-Mohammadi Society as an hideout such as, PW No.939-Mohammed Amin vide Exh.6619, the Tea Stall owner in whose shop the meetings with the broker and sub-broker took place and the evidence of PW No.952-Mohammed Arif vide Exh.6651, who acted as a sub-broker and also played a role in brokering the deal for the House No.10. The combined reading of the evidence of PW No.943-Fukhrajbanu, PW No.928-Mohammad Ibrahim Mohammad Afzal Shaikh vide Exh.6586, PW No.939-Mohammed Amin and PW No.952-Mohammed Arif mentioned herein above connect the accused with the house used as hideout.

16.47.11. Similarly, for the hideout house in Umraonagar, Vatva, the prosecution has examined PW No.1106-Firoz Dilawar Shaikh vide Exh.7929. He is the house owner and had rented upper floor of the

house. This witness according to the learned Advocate is not reliable as he has wrongly identified accused No.1-Jahid Shaikh as accused No.37-Kayamuddin Kapadiya and that there was no Test Identification Parade. Also in cross, he is not able to confirm his ownership of the house.

16.47.12. It is pertinent to observe here that when this very house was searched, articles connecting to bomb making was recovered. Moreover, this witness has deposed clearly giving description of accused No.37-Kayamuddin Kapadiya as Kayamuddin, the fat man who came with co-accused Shuban Taukir with reference of Said-ur Rehman. This witness also deposes about their routine activities and other accused who used to visit them. Moreover, though he identified accused No.1-Jahid Shaikh as accused No.37-Kayamuddin Kapadiya, perusal of the deposition would indicate that immediately he has rectified and then identified accused No.37-Kayamuddin Kapadiya correctly. Therefore, his evidence is sufficient to establish the connection of accused No.37-Kayamuddin Kapadiya with this house used as a hideout.

16.47.13. Yet another house being the Master House in Surat the prosecution has examined PW No.864-Abdul Farid Abdul Rashid Shaikh vide Exh.6037. It is submitted that there has been no material found in the Master house in Surat to connect it in any manner with the explosion or bomb making. It is argued that the witness did not identify accused No.37-Kayamuddin Kapadiya in the Court and Test Identification Parade is also not reliable as accused No.37-Kayamuddin Kapadiya was shown to witness before being identified in the Test Identification Parade.

16.47.14. Firstly, the Court finds that the witness has deposed about accused No.37-Kayamuddin Kapadiya taking the room on rent in Surat. PW No.864-Abdul Farid Abdul Rashid Shaikh is the owner of the house.

The argument about witness being shown to accused No.37-Kayamuddin Kapadiya before Test Identification Parade is not substantiated. Perusal of the Test Identification panchnama vide Exh.3108 was proved by examining the Executing Magistrate PW No.579-Dharmesh Kanaiyalal Patel vide Exh.3106. Even perusal of Exh.6037, the deposition of house owner would establish that he has identified accused No.37-Kayamuddin Kapadiya amongst seven dummies as a person who hired the premises. In the cross-examination, it is evident that no question was posed by learned Advocate Mr. M. M. Shaikh for accused No.37-Kayamuddin Kapadiya, about he being shown repeatedly. In fact, the question posed and answered to the effect that during the investigation of the serial blasts, the Police were showing him several photographs of many persons.

16.47.15. With regard to the evidence of occupying the hotel in Pune where prosecution has examined PW No.930-Kishorbhai Somabhai Ravat vide Exh. 6590, learned advocate submits that even if the defence admits to all the evidence still it has no connection with the blast and that the stay in Pune is recorded on 19.10.2008 which is after the blast. This evidence demonstrates the conduct that accused No.37-Kayamuddin Kapadiya being from Vadodara is not available for investigation but appears to be on the run and in Pune. This establishes the conduct of A-37 post the offence.

16.47.16. Learned advocate then assailed the point out panchnama drawn at the behest of accused No.37-Kayamuddin Kapadiya, over and above the arguments advanced on the issue of panchnama under Section 27 covered under the Chapter of “Panchnama under Section 27 of Indian Evidence Act”. It is submitted that the panchnama may not be treated as a disclosure under Section 27 as the panch witness has not identified the

fact which was previously known to the Investigating Officer. It is also submitted that Section 8 of Indian Evidence Act also cannot be invoked. Panchnama vide Exh.6083 was drawn on 07.12.2008, where accused No.37-Kayamuddin Kapadiya led the panch team to House No.10-Al Mohamadi Society (hideout) and two other shops from where articles were purchased to assemble the bomb. It is submitted that PW No.872-Karnav Hemantbhai Patel who was examined vide Exh.6082. However, he has not identified accused No.37-Kayamuddin Kapadiya in Court. The disclosure made and recorded in panchnama cannot be treated as admissible in evidence. When accused No.37-Kayamuddin Kapadiya disclosed "the house where he stayed" and "the house where the bombs were made", the panchnama was drawn, but there was no recovery of "material object". Similarly, in connection with purchase of articles from shops where panchnama records "the place from where cylinders were bought to a place in Wagon R and parked in L.G.Hospital and Civil Hospital" cannot be treated as disclosure which can be admitted. It is also submitted that though various shop keepers have deposed to purchase but they have not identified accused No.37-Kayamuddin Kapadiya in Court nor have they been called for Test Identification Parade.

16.47.17. However, the Court finds that insofar as identity is concerned, two witnesses PW No.924-Sarfaraj Abdulrahim Ajmerwala vide Exh.6569 and PW No.927-Mohammad Rizwan Mohamad Hanif Dudhwala vide Exh.6583 have identified accused No.37-Kayamuddin Kapadiya. These two witnesses are the witness to procurement of barrels (carboy) and gas cylinders. Both these materials, were recovered from the scene of offence. Now, insofar as disclosure statement recorded in panchnama can be treated as evidence, the Court may put it in the

bracket of requirement of Section 27 of Indian Evidence Act which requires a "fact" which is deposed. Here, the "fact" disclosed is deposed by the panch witness as has been recorded in panchnama. If there is variation in version narrated in panchnama and deposition, then such "fact" may not be considered by Court but when the "fact" narrated in panchnama and the "fact" deposed to are same then even if it is confession or not such fact can be proved. This being the language of Section 27, therefore, only the voluntary disclosure which are quoted hereinabove will have to be treated as proved fact which is discovered.

16.47.18. The other argument of non recovery of any physical object, the Court is of the view that the word "fact" which appears in Section 27 will have to be understood as is defined under Section 3 of the Evidence Act, which the Court has already reproduced more than once herein. Therefore, the "mental fact" of the knowledge of accused No.37-Kayamuddin Kapadiya which is his own special knowledge has come on record in the form of disclosure recorded in the panchnama and deposed to by the panch witness in the Court, assumes a form of evidence which the Court can act upon.

16.47.19. Therefore, when accused No.37-Kayamuddin Kapadiya points out the house No.10-Al Mohamadi Society as a hideout then the existence of such house at the location led to by the accused No.37-Kayamuddin Kapadiya by drawing panchnama vide Exh.6083, the existence of the house and the use of the same as a hideout is a circumstance proved and can be acted upon.

16.47.20. Learned advocate has thereafter, referred to panchnama Exh.3232, by which the application form of a swimming pool was recovered and PW No.603-Pintu Piraji Solanki vide Exh.3231. In the same sequence, PW No.923-Mudikkhan Muikkhan Pathan vide

Exh.6566, who is the owner of the photo studio has deposed that the photo on the application form was taken in his studio. Though he identified the photograph, he has not identified accused No.37-Kayamuddin Kapadiya. It is argued that this set of evidence is not relevant as it has no connection with the bomb-blasts.

16.47.21. The Court having perused Exh.3232, the application form having photo of accused No.37-Kayamuddin Kapadiya, but bearing some other name (muddamal article Exh.3233 slip) and the panchnama proved by panch witness being PW No.603-Pintu Piraji Solanki and another witness PW No.923-Mudikkhan Muikkhan Pathan, who identified the photograph on the application form as having being taken from his studio. Upon perusal of form vide Exh.3234, it appears that the application form having photograph of accused No.37-Kayamuddin Kapadiya, carried the fake name of "Asfak Shaikh". The combined reading of this evidence may not have a direct connection with the serial blast, but the fact that accused No.37-Kayamuddin Kapadiya attempted to hide his true identity is clearly established.

16.47.22. The other set of evidence relating to the attempt of accused No.37-Kayamuddin Kapadiya to hide his identity is the panchnama vide Exh.6353, drawn during the search of his father in law's house from where driving licence in the name of Pradhyuman Pandya was seized, which was used to buy mobile phone. It is submitted that this set of evidence is not reliable as both PW No.801-Azadahmad Sardarahmad Sheikh vide Exh.5319, the owner of mobile shop, did not identify accused No.37-Kayamuddin Kapadiya nor were the handwriting of accused No.37-Kayamuddin Kapadiya matched with the application form at Exh.8999. Similarly, PW No.893-Jitendra Babulal Jaiswal who was examined vide Exh. 6352 has not identified accused No.37-

Kayamuddin Kapadiya through panchnama Exh.6353.

16.47.23. The Court may first consider the panchnama vide Exh.6353 which is proved by PW No.893-Jitendra Babulal Jaiswal. Through this witness, a driving licence in some other name, bill and a diary have come on record, which is then supported by evidence of PW No.801-Azadahmad Sardarahmad Sheikh, who produced bill of purchase of Classic Reliance 702 Model Mobile Phone at Exh.5302 and purchase of sim card. Though as argued, there is no deeper investigation still the circumstance of identity, producing phone/sim in some other name has been established for the Court to infer that the reason for such conduct is suggesting involvement in crime.

16.47.24. The prosecution has relied on another pointing out panchnama vide Exh.6075, which pertains to purchase of Batteries, Bulbs, wires, etc. Learned Advocate has assailed this panchnama on the ground that it does not lead to any disclosure of fact relevant to the offence. It is argued that the panchwitness PW No.870-Vishank Balavantbhai Patel vide Exh.6074 has not identified accused No.37-Kayamuddin Kapadiya in the Court and has not been called for Test Identification Parade. It is submitted that the panchnama was executed after 32 days of Police custody and items allegedly purchased are regular household articles and during the panchnama, there is no material object recovered. This argument is repelled by the State submitting that the disclosure of the knowledge of the place, which has connection with the offence, which is deposed by a witness is sufficient to connect the accused on the basis of such disclosure statement.

16.47.25. Panchnama vide Exh.6075 is executed on 12-12-2008, where it is recorded that accused No.37-Kayamuddin Kapadiya wanted to make voluntary disclosure of the places/shops from where certain

articles were purchased to be used in assembling a bomb.

16.47.26. Of course, it has been argued that the articles so purchased are regular household articles. In the opinion of the Court, it is the part of the conspiracy where the regular household articles were to be used in such a manner which has devastating effect. Articles like nuts, bolts, ball bearing etc. were to be used as projectiles and also to avoid any attention being drawn that such household articles be put to such a use and for which there was already a training.

16.47.27. Upon the disclosure made by accused No.37-Kayamuddin Kapadiya, a panch team has been led by accused No.37-Kayamuddin Kapadiya to each of such shops and thereafter, in course of investigation, the statement of the shop keepers have been recorded, who have supported the fact of purchase of these articles. This disclosure has been deposed by the panch witness; PW No.870-Vishank Balavantbhai Patel. The witness deposed that accused No.37-Kayamuddin Kapadiya, who was in custody, made voluntary disclosure that he would identify the shops and from where he has purchased such articles. Thereafter, he has led the panch team to these shops. Therefore, the disclosure made regarding procurement of various articles is proved by his deposition. Of course, these articles have then been connected to the crime of bomb explosions by independent evidence, namely, the scene of offence from where such articles were recovered and the FSL Report. Therefore, the combined reading would lead the Court to conclude that the panchnama Exh.6075 is a disclosure of fact, which is evidence under Section 27.

16.47.28. Submission of the panch witness not identifying in the opinion of the Court is not relevant as there is no question of misidentity of accused No.37-Kayamuddin Kapadiya being tried. Moreover, it is during the panchnama itself that the PW No.870-Vishank Balavantbhai

Patel was introduced to accused No.37-Kayamuddin Kapadiya at the Police station, therefore, his identification is of no relevance.

16.47.29. Learned Advocate has thereafter assailed evidence of PW No.927-Mohammad Rizwan vide Exh.6583, who is the owner of Royal Gas Stove and whose shop was disclosed in panchnama and from where gas cylinder which was used in the explosion was purchased. According to learned Advocate, this evidence is lacking, as there is no documentary evidence to support purchase nor accused No.37-Kayamuddin Kapadiya is identified in the Court. The perusal of the deposition vide Exh.6583 establishes the purchase of gas cylinder. Moreover, accused No.37-Kayamuddin Kapadiya is identified in the Test Identification Parade held on 15-12-2008 and proved by PW No.588-Laxman Keshavlal Pargi vide Exh.3130. The Court is therefore inclined to accept the evidence of purchase of gas cylinder against accused No.37-Kayamuddin Kapadiya and gas cylinder has been found at the site of explosion in the Hospitals.

16.47.30. The other shop pointed by accused No.37-Kayamuddin Kapadiya is the shop of PW No.1017-Vinod Jumani vide Exh.7010, who is the owner of S.K. Electrical from where 13 batteries and 50 bulbs were purchased. The perusal of Exh.7010 does not reflect anything against the accused nor does it establish that there was a purchase of 13 batteries from his shop. He has not identified accused No.37-Kayamuddin Kapadiya as purchaser of those 13 batteries. Similarly, for purchase of wire, in the opinion of the Court, evidence of PW No.1018-Mohanbhai Korani vide Exh.7011 is not useful as he claimed ignorance about accused No.37-Kayamuddin Kapadiya having made the purchase.

16.47.31. With regard to the evidence of participation of accused No.37-Kayamuddin Kapadiya in Pavagadh Halol Terror camp, learned Advocate has considered the evidence of three eye-witnesses of the

camp being PW No.981-Pravinbhai Hamirbhai Katariya vide Exh.6835, PW No.1067-Ambalal Vechatbhai Bariya vide Exh.7231 and PW No.1105-Idrish Gulabsha Fakir Divan vide Exh.7923 by submitting that they are the chance witnesses and their deposition is full of discrepancies. The Court has already dealt with their evidence in detail under the Chapter of 'Appreciation of deposition of relevant witnesses".

16.47.32. Learned Advocate has also argued that the confessional statement of accused No.2-Imran Shaikh being Exh.8169 and confessional statement of accused No.35-Rafiyuddin Kapadiya (brother of accused No.37-Kayamuddin Kapadiya) at Exh.8631 cannot be relied upon being the confessional statement of co-accused. It is submitted that as the same have been retracted, the same cannot be used even for corroboration. Here also, the Court has already discussed in detail about the reliability of the confessional statement of co-accused as also retracted statement of co-accused in the separate Sub-Chapter of 'Confessional Statement and statement under Section 164 Cr.P.C.' under the Chapter "Issues".

16.47.33. With regard to Vagamon camp, learned Advocate submitted that only evidence is confessional statement of accused No.2-Imran Shaikh, however, such confessional statement is of no consequence as accused No.37-Kayamuddin Kapadiya was tried as accused No.22 in trial as NIA Court, Ernakulam and he has been acquitted. He referred to Exh.9421 in this regard.

16.47.34. Learned Advocate has thereafter assailed two vital evidences i.e. PW No.957-Zakirhusain Kureshi vide Exh.6687, this witness in fact an accomplice so his evidence cannot be relied. Another evidence of PW No.1141-Aiyaz Saiyed vide Exh.8191, who has turned approver. Learned Advocate has relied on the arguments made on the issue of

approver. The Court has dealt with both the evidences in the subjects of 'Appreciation of evidence of eye-witness' and 'Approver' respectively. In overall submissions made by learned Advocate he has prayed that the prosecution has failed to establish any case against accused No.37-Kayamuddin Kapadiya and therefore, he deserves to be acquitted.

16.47.35. The Court at the outset in connection with this accused may refer to Exh.9338, where accused No.37-Kayamuddin Kapadiya has been examined as defence witness No.8. The perusal of the entire deposition of defence witness/accused No.37 does not inspire any confidence as it is running contrary to the version given by so many witnesses and in fact, appears to be admitted to disassociate himself from the offence completely and in this regard, he has deposed in the beginning of his deposition itself that on 31.03.2008 in the night hours, he was picked up by the Crime Branch, Vadodara and he was informed that the police officer from Madhya Pradesh are there to pick him up and thereafter, he was taken to a unknown place at Madhya Pradesh and was subjected to mental and physical harassment and Madhya Pradesh State, I.B. pressurized him to work on their behalf and that he would get chance to leave the country and earn money and if refuses, then he will be encountered. He thereafter, refers to being transferred to police of one jurisdiction to another and ultimately on 09.11.2008, he was brought from Bhopal to Ujjain by a DIG of STF, M.P. and when he was produced in the Court at Ujjain, he came to know that he has been wrongly associated with SIMI when he thought of bringing his illegal detention to the notice of the Court at Ujjain. He remembered threats given to him and therefore, did not raise the issue. The witness-accused has thereafter, referred to his transferred from M.P.Police to the Gujarat Police on 01.12.2008 through Delhi, where he came to know that his name has

reflected in Delhi bomb blast also and therefore, he was taken in custody by Delhi Special Cell under the remand order passed by Delhi Court and therefore, taken to Tihar Jail. From there on 03.12.2008, he was brought to the Ujjain Court, where he was accompanied to the Gujarat Police and was brought to Ahmedabad. This deposition is completely against the evidence which is brought on record because if this deposition is to be believed, then accused No.37-Kayamuddin Kapadiya claims that when the incident took place on 26.07.2008, he was in custody on same police or the other, whereas there is plethora of evidence in the form of eye-witness who have deposed in the Court about not only the presence of the accused, but also his role in procurement of various articles. Not only that, his younger brother accused No.35-Rafiyuddin Kapadiya who has given confessional statement under Section 164 of Cr.P.C. being Exh.8631, wherein also, it is mentioned that accused No.35-Rafiyuddin Kapadiya himself being accompanied to accused No.37-Kayamuddin Kapadiya to the Halol Camp which was allegedly held in the month of January 2008. The Court having considered Exh.9338 in its entirety does not find any reason to rely upon the same for or against the prosecution of this accused.

16.47.36. The closer reading of Exh.9338, the Court also finds that accused No.37-Kayamuddin Kapadiya has deposed as Defence Witness No.8 that he was subjected to illegal detention by the Madhya Pradesh Police. From the evidence produced by the prosecution, it clearly established that since March 2008, when the Madhya Pradesh police came to apprehend A-37, he went underground and was absconding. The arrest of A-37 in the Madhya Pradesh case in November 2008 is not proved through any evidence, nor is there even a prima facie case against him that he was in illegal confinement of either Madhya Pradesh

police or any other police. In view thereof, the evidentiary material regarding fraudulent procuring of sim cards, which is proved to have been fraudulently purchased by accused No.37-Kayamuddin Kapadiya on the basis of various evidences such as the application form for purchase of sim cards and writings found, which were compared with specimen and natural writings of accused No.37-Kayamuddin Kapadiya alongwith the opinion that accused No.37-Kayamuddin Kapadiya has forged this writing is an important circumstance. More particularly, such fraudulently purchased sim cards and mobile phone mark A to E were found to be in contact with each other, and mark A phone was also in contact with witness Gulam of Sherpura. These are the circumstance emerging against A-37 which require an explanation from the said accused. Considering the evidence of accused No.37-Kayamuddin Kapadiya in the context of his further statement and the cross-examination of relevant witnesses, there is is either no explanation or there is a mere denial, which now stands established beyond doubt as a false explanation. Hence, this constitutes as an additional link not only against accused No.37-Kayamuddin Kapadiya but also an additional circumstance against the defence at large, as neither accused No.37-Kayamuddin Kapadiya has explained the users of mobile phones mark A to E, nor has any other accused person attempted to detach themselves from this circumstance, more particularly accused No.43-Anik Saiyed, accused No.44-Mohammad Akbar Chaudhari and accused No.45-Fazle Rehmaan. Hence, this circumstance becomes one more sequel to the conspiracy. This circumstance against accused No.37-Kayamuddin Kapadiya is so strongly established by the prosecution that accused No.37-Kayamuddin Kapadiya, through his Ld. Advocate, ultimately ended up submitting that even if these circumstances are admitted, he

cannot be implicated with the incident of bomb blast at Ahmedabad and bomb plantation at Surat.

16.47.37. Learned Additional Advocate General for the State has submitted that activities which took place at Kerala camp are elaborated including jehadi taqrir-speeches by different leaders, exhortation of doing practical work, one group doing execution of things and also keeping identity of each other absolutely secret and most importantly execution of mass killing. It is submitted that as all SIMI activists have participated in Kerala and Vagamon camp, these camps are to be designated as SIMI camps. The prosecution has also examined witness PW-998/Exh. 6950 namely Anil, who supports the case of prosecution by deposing that there being a camp at Vagamon, as stated by accused No.2-Imran Shaikh in confessional statement.

16.47.38. It is submitted that accused No.2-Imran Shaikh, in his confessional statement, has referred accused No.37- Kayamuddin Kapadiya, as one among eight persons, who attended the camp from Ahmedabad, including himself and accused No.37-Kayamuddin Kapadiya, accused No.14-Sajid Mansoori, accused No.6-Arif Kagzi, accused No.1-Jahid Shaikh, accused No.27-Abdul Rajik, accused No.5-Gayasuddin and accused No.18-Javed Ahmed. The confessional statement also states that secret name of accused No.37- Kayamuddin Kapadiya was Musa in the camp. So far as, admissibility, legality, acceptability of accused No.2-Imran Shaikh's confessional statement is concerned, detailed submissions on it are made in the submissions of accused No.2-Imran Shaikh.

16.47.41. It is submitted that the evidence of PW No.923-Mukidkhan Muidkhan Pathan vide Exh.6566, who is a photographer and running his photo studio in Manan Complex, Vatva in the name of 'Taskil Garden Studio' has deposed that when any person came to take photo, he handed over the photo and its negative to his customer and that the police has recorded his statement. He has deposed that again when police came to him and showed him one form alongwith a photo, to which after looking at the background of photo, he stated that the said photograph has been taken in his studio. During the course of the deposition, the witness was confronted with Exh.3234 (the Swimming Pool Membership Form, alongside the photograph annexed thereto), which was recovered and seized under the seizure Panchnama vide Exh.3232, the witness has identified the photograph, deposing that the same was captured in his studio. The witness conclusively identified the individual depicted in the photograph as accused No. 37, namely Kayamuddin Kapadiya. The approver gave evidence with respect admission in Swimming Pool by accused No.37-Kayamuddin Kapadiya. The approver also gave evidence regarding this form, which contained his handwriting and bore signature of accused No.37-Kayamuddin Kapadiya. Kayamuddin Kapadiya's friend Abdul Shubhan came and stayed at the house of witness. Few months thereafter, accused No.37- Kayamuddin Kapadiya and his friend Abdul Shubhan whose alias name is Taukir again came and both stayed at the place of witness. The witness was interrogated by police and his statement under Section 164 of Cr.P.C. is also recorded at Exh.7770. The witness was called upon to identify accused No.37- Kayamuddin Kapadiya, but he could not identify as he was not recognizable because of his beard and physical appearance. However, this would establish the association amongst the accused.

16.47.43. Thereafter, with respect to the connection of this accused with the STD/PCO at Surat, the prosecution has relied upon the panchnama at Exh.6495, wherein A-37 made a disclosure that he made a call to Taukir from STD PCO and thereafter, he had voluntarily pointed out Minaz Telephone, STD PCO booth situated at Nuttan Nagar Old Railway crossing, Vapi. PW-907/Exh.6094 Irshad Pathan, one of the panch witnesses to Exh.6495 has turned hostile. However, the aforesaid panchnama stands proved through the evidence of PW-1155/Exh.8517.

16.47.44. The prosecution has also relied upon the evidence of PW-1043/Exh.7060 Sirajuddin Ansari, who was running pan galla (stall) at Mungalisara, Surat and has deposed that during the year 2008-2009, one coin box phone of BSNL Company was kept at his stall and that on 12.02.2009, the police had come to his stall alongwith one person named Kayamuddin and inquired about the coin box phone, and recorded his statement. However, this witness was unable to identify the said person.

16.47.45. The prosecution with respect to the arrangement of hotel by A-37, has relied upon the panchnama at Exh.6497 dated 04.03.2009, wherein A-37 made a voluntary disclosure that he had booked a hotel room for stay of accused Taukir (now facing trial) and thereafter, pointed

out hotel Vapi Intercontinental situated on National Highway, GIDC Vapi. During the said panchnama, PW-1122/Exh.8068 Ismail Bagga, who was serving at the reception of Hotel Vapi Intercontinental, produced the hotel register (Exh.6498), entry No. 1739 records the arrival date of Taukir A Shaikh on 19.05.2008 at 8:30 p.m. and his departure on 20.05.2008 at 10:00 a.m., and the said entry came to be seized under the panchnama. Though the panch witness of the aforesaid panchnama namely PW-908/Exh.6496 was declared hostile, but the prosecution has relied upon the evidence of the Investigating Officer PW-1155/Exh.8517.

16.47.46. It is submitted that A-37 in his examination in chief has deposed on the basis of what was told to him by his brother (A-35) and that the version of A-37 is nothing less than story telling as except the fact that A-37 as an accused was stating on oath, which is not only unbelievable but even incomprehensible, more particularly as A-35 at no point of time ever stated about what A-37 is saying in the name of A-35. It is also submitted that A-37, who is conscious about human rights and also aware the provisions of Right to Information Act, had such torture and illegal confinement actually taken place, would have not missed any opportunity of stating what is stated in his deposition at the earlier possible time.

16.47.47. The Court has considered the rival submissions of the parties. In the opinion of the Court, three very important witnesses namely Idris, Ambalal Baraiya and Pravin Bhai Katariya, who are natural witnesses for involving accused No.37- Kayamuddin Kapadiya and many others for participating in Halol camp. Also, one witness named Idris (Munjawar) had identified accused No.37- Kayamuddin Kapadiya during the course of his deposition i.e. dock identification. Witness Idris

had also given his statement under Section 164 of Cr.P.C, which is proved by prosecution at Exh.7924 and other two witnesses Ambalal and Pravin Bhai who have identified accused No.37- Kayamuddin Kapadiya in Test Identification Parade.

16.47.48. The Court has perused the deposition of one another witness relating to Halol camp namely Mohd. Yunus Suleman Bhai of Vadodara, who was examined at PW-942/Exh.6625. He has deposed that he being in business of decoration under the name of Milan Farazkhana, and knew the work of repairing rubber stamp. He deposes that accused No.37- Kayamuddin Kapadiya came to him for taking bamboo stick and some 7 to 8 bamboo sticks were given to accused No.37- Kayamuddin Kapadiya and witness know Kayamuddin since 2-3 years. Though witness knew Kayamuddin, but he could not identify accused No.37- Kayamuddin Kapadiya in the Court and explained that back then, accused No.37- Kayamuddin Kapadiya had no beard and moustache, but today when the persons are shown to him, most of the persons had beard and mustaches and hence, he could not identify accused No.37- Kayamuddin Kapadiya.

16.47.49. The Court has also perused the deposition of PW-957/Exh. 6687- Jakir Hussein Qureshi, who would involve accused No.37- Kayamuddin Kapadiya in meeting, which took place at accused No.4- Samsuddin Shaikh's Nana's house. The witness would implicate many other accused namely accused No.4-Samsuddin Shaikh, accused No.6- Mohammad Aarif, accused No.8-Yunus Mansuri, accused No.15-Mufti Abubasar, accused No.27-Abdul Rajik, absconder Taukir and accused No.37- Kayamuddin Kapadiya in this meeting. The witness has also identified accused No.37- Kayamuddin Kapadiya during the course of his deposition. Witness Jakir also involves accused No.37- Kayamuddin

Kapadiya, accused No.75-Afridi, Mujib (deceased accused) and accused No.27-Abdul Rajik based on extra judicial confession of accused No.27-Abdul Rajik in the incident of recce being conducted for choosing sites of bomb blast and placing bomb laden cycles.

16.47.50. With regard to use of cycle, the Court has perused the deposition of witness-Mohd. Rafik Shaikh as PW-950/Exh.6645, who runs a cycle repairing shop in the name of 'Shalam cycle repairing works'. The witness is interrogated by police on 01.02.2009 and subject of interrogation of witness relates to person who came to his shop for the purpose of cycle repairing. This witness was subjected to Test Identification Parade and during the course of Test Identification Parade, witness identified a person, who came to him for the purpose of cycle repairing and as that person was identified, Magistrate asked his name to, which he replied that he is Kayamuddin Kapadiya of Vadodara i.e. accused No.37- Kayamuddin Kapadiya. Though witness could not identify accused No.37- Kayamuddin Kapadiya during the course of his deposition, he has given valid and appropriate explanation for it, as lapse of time and growing of beard and mustaches.

16.47.51. In same sequence, panchnama Exh.5628 was drawn on 16.01.2009 between 13:00 hours to 14:30 hours, during which accused No.37- Kayamuddin Kapadiya pointed out two relevant places (1) a place known as Kamdar Medan from where accused No.27-Abdul Rajik gave a cycle loaded with bomb to accused No.37- Kayamuddin Kapadiya and (2) the place which is a place know as 'Janta Pan house' near Sarangpur Darwaja, from where this cycle was loaded with bomb which was parked and planted and ultimately exploded on 26.07.2008, for which F.I.R has been registered at Khadia Police Station. This panchnama Exh.5628 was proved through panch witness Exh.5627, who

deposed about initial panchnama being drawn at Crime Branch Police Station, Ahmedabad City in presence of Investigating Officer Shri. Asari and also in presence of accused No.37- Kayamuddin Kapadiya and panch witness, who have fully supported the contents and case of prosecution as stated in Exh.5628. This panchnama further proved Investigating Officer Shri. Asari at Exh.8287. During the panchnama Exh.5534, accused No.27-Abdul Rajik pointed out place of recce as well as the place from where he rented cycle and made disclosure and involved of accused No.37- Kayamuddin Kapadiya. Moreover, during panchnama at Exh.6808, Mujib (deceased accused) pointed out place, where he parked cycle, who also made disclosure and involved accused No.37- Kayamuddin Kapadiya. Similarly, during panchnama Exh.7387, accused No.75-Mohammad Rafiq pointed out place, where he parked cycle. During this panchnama accused No.75-Mohammad Rafiq made disclosure and involved accused No.37- Kayamuddin Kapadiya. Moreover, during panchnama Exh.7597, accused No.75-Mohammad Rafiq also pointed out the place of Bapunagar Diamond Market where he planted cycle. During this panchnama accused No.75-Mohammad Rafiq made disclosure and also involved accused No.37- Kayamuddin Kapadiya. The case of prosecution is to see this circumstance in context of accused No.27-Abdul Rajik's extra judicial confession before witness Jakir, which relates to making of recce and planting of bomb laden cycle by confessing accused No.27-Abdul Rajik himself, accused No.37-Kayamuddin Kapadiya, accused No.75-Mohammad Rafiq and Mujib (deceased accused).

16.47.52. Evidence of approver Ayaz PW-1141/Exh/8191, who has given evidence against accused No.37- Kayamuddin Kapadiya. This witness himself being original accused has deposed about his association

with many SIMI activists which would include accused No.6-Arif Kagzi. The witness also states about meetings of SIMI and post ban on SIMI, meetings of SIMI at secret places. Witness has also stated about different such SIMI meetings between 2005 to 2008. Witness also states about one important meeting in 2008 (March) at accused No.4-Samsuddin Shaikh's Nana's house at Dariyapur which was attended by SIMI persons across the country which would include accused No.6-Arif Kagzi, accused No.12-Safdar Nagori, accused No.11-Sibli, then absconder Taukir, accused No.37- Kayamuddin Kapadiya, accused No.15-Mufti Abubasar, accused No.27-Abdul Rajik and accused No.4-Samsuddin Shaikh. Witness Ayaz also involved accused No.37-Kayamuddin Kapadiya with other accused for the purpose of taking on rent one house, situated at Umraunagar, Vatva owned by person named Firoz Shaikh (PW-1106/Exh.7929). This house is visited by witness Ayaz and used by accused No.37- Kayamuddin Kapadiya, accused No.15-Mufti Abubasar and then absconder Taukir. During the course of investigation, this house was searched and articles like ball-bearing balls, bolts, wires and newspaper dated 22.05.2008 etc were found. Witness also deposes about Lal Darwaja swimming pool admission form filled in the fake name to get the admission having photograph of accused No.37- Kayamuddin Kapadiya and forged signature of fake person. This form bore handwriting of witness and also identified by witness and forged signature in the name of applicant forged by accused No.37- Kayamuddin Kapadiya also identified by witness. This forged document i.e. swimming pool admission form is seized from office of Lal Darwaja swimming pool and is also proved through vide Exh.3232. The witness also involves accused No.37- Kayamuddin Kapadiya as accused No.37- Kayamuddin Kapadiya stated about they having plan of

bomb explosion. Witness also involves accused No.37- Kayamuddin Kapadiya in an event happened on 23rd July 2008, as on that day, accused No.37- Kayamuddin Kapadiya showed a place at Naroda Gam, where bomb was to be planted. accused No.37- Kayamuddin Kapadiya also instructed witness that 'when you are instructed to plant bomb witness has to plant bomb' at the place shown by accused No.37- Kayamuddin Kapadiya. Accused No.37- Kayamuddin Kapadiya thereafter, directed witness by giving him number for the purpose of contacting him (accused No.37- Kayamuddin Kapadiya) on 25th date for further plan. Witness also deposed that on the night of 25th July 2008, witness contacted through PCO on the number given by accused No.37- Kayamuddin Kapadiya and upon contact, phone was received by accused No.37- Kayamuddin Kapadiya and accused No.37- Kayamuddin Kapadiya instructed witness to stay there as he would come there. Thereafter, accused No.37- Kayamuddin Kapadiya came to the place of witness i.e. Gita Mandir bus stand and instructed that tomorrow i.e. 26th July is the day fixed for bomb blast. Accused No.37- Kayamuddin Kapadiya further instructed witness to come on the next day at 4 o'clock at Sarangpur and called him (accused No.37- Kayamuddin Kapadiya) on the same number. As instructed, witness came and through PCO contacted accused No.37- Kayamuddin Kapadiya on the number given which was picked by accused No.37- Kayamuddin Kapadiya and on instruction, witness went to Ajit Mill cross roads. The witness thereafter went to Ajit mill cross roads and again on instruction of accused No.37- Kayamuddin Kapadiya, he contacted on the same telephone number of accused No.37- Kayamuddin Kapadiya and this time phone was picked by accused No.27-Abdul Rajik. Thereafter, the deposed incident which happened

also relates to accused No.27-Abdul Rajik, which would also implicate accused No.37- Kayamuddin Kapadiya. Witness also identifies accused No.37- Kayamuddin Kapadiya and other accused persons during the course of his deposition.

16.47.53. The Court has also perused the deposition of witness-Asif Shaikh of Vadodara as PW-1117/Exh.8019, who knows accused No.3-Iqbal Kasam Shaikh. He also deposed that through accused No.3-Iqbal Kasam Shaikh he knew accused No.37-Kayamuddin Kapadiya and they also used to meet. He further deposed that before 15 days from the bomb blast, accused No.3-Iqbal Kasam Shaikh called witness and informed witness that accused No.37- Kayamuddin Kapadiya has come to Vadodara and accused No.37- Kayamuddin Kapadiya wants to meet witness as well as Rafik (PW-1131) and thereafter, witness and Rafik went to meet accused No.37- Kayamuddin Kapadiya and accused No.3-Iqbal Kasam Shaikh at Gotri-Vadodara and from there to one another place at the matrimonial home of witness at Tandalja and on the terrace of house, accused No.37- Kayamuddin Kapadiya told witness about bomb blast planned to take place in Ahmedabad, Vadodara and Surat. accused No.37- Kayamuddin Kapadiya insisted for involvement of witness and Rafik which was denied. Witness also states that he and accused No.3-Iqbal Kasam Shaikh went to Ahmedabad and accused No.3-Iqbal Kasam Shaikh contacted accused No.37- Kayamuddin Kapadiya and they talked with each other and thereafter, accused No.3-Iqbal Kasam Shaikh took witness to Lal Darwaja, where Kayamuddin was present and all of them went to a garden. Thereafter, accused No.37-Kayamuddin Kapadiya purchased 50 shirts. The witness asked him that why this much shirts he purchased, to which accused No.37-Kayamuddin Kapadiya replied that he purchased 50 shirts as there is a

function in the house of accused No.37- Kayamuddin Kapadiya and to give gifts to the guests, who are coming there. Then, they went to CTM and Kayamuddin dropped them. Thereafter, he did not know where accused No.37- Kayamuddin Kapadiya had gone. Thereafter, accused No.3-Iqbal Kasam Shaikh gave witness a packet for the purpose of handing over to accused No.37- Kayamuddin Kapadiya at Ahmedabad. The witness was also given telephone number of accused No.37-Kayamuddin Kapadiya. Witness and Rafik went to Ahmedabad and through PCO contacted accused No.37- Kayamuddin Kapadiya and upon contacting accused No.37-Kayamuddin Kapadiya told them to come at Narol and hence, witness and Rafik went to Narol and handover the packet to accused No.37-Kayamuddin Kapadiya. Thereafter, witness and Rafik went to the place of address given by accused No.37-Kayamuddin Kapadiya, where they heard some voices, to which accused No.37- Kayamuddin Kapadiya told them that they are guests of accused No.37- Kayamuddin Kapadiya and they would be staying in Ahmedabad for some days. Thereafter, they saw 2 cars stationed at that place. Witness and Rafik were told to help accused No.37- Kayamuddin Kapadiya, which was refused. Witness also gave his statement under Section 164 of Cr.P.C, which is provided through the deposition of the witness and which is duly exhibited vide Exh. 8020. During the course of the deposition, the witness has identified both accused No.3-Iqbal Kasam Shaikh and accused No.37- Kayamuddin Kapadiya. Witness, in the cross-examination, stated that whatever happened between witness Rafik, accused No.3-Iqbal Kasam Shaikh and accused No.37-Kayamuddin Kapadiya was known by his mother. The witness also states that he was subjected to Police interrogation and his statement was recorded. Witness is also subjected to cross-examination on the fact that

why he did not disclose to the police about what happened to him even after bomb blast, to which he replied that he was frightened. Witness in the cross-examination also disclosed the fact that accused No.3-Iqbal Kasam Shaikh intimidated witness for implicating him and therefore, also the witness was scared. The witness also denies that he was kept in illegal confinement for 20 days by police.

16.47.54. The Court finds that PW-1097/Exh.7767-Mehtab Shaikh stated about one SIMI meeting, which took place at Limbayat, Surat, wherein accused No.4-Samsuddin Shaikh, accused No.8-Yunus Mansuri, accused No.6-Mohammad Aarif and accused No.12- Safdar Nagori were present. Moreover, witness stated that in the year 2008, accused No.37- Kayamuddin Kapadiya met him and at that time Taukirbhai (then absconder) was with him. He stated that they were looking for rented house. Even though witness knew accused No.37- Kayamuddin Kapadiya and other accused, he is unable to identify other accused, except accused No.4-Samsuddin Shaikh due to reason that there is no much contact with them. Looking to the evidence of this witness, it appears that this accused were members of SIMI and were present in the SIMI meeting though SIMI is banned terrorist organization and in the year 2008, accused No.37- Kayamuddin Kapadiya and absconder Taukir were looking for rented house.

16.47.55. The Court has considered the panchnama Exh.6083 drawn on 08.12.2008 between 00:30 hours to 05:30 hours by Crime Branch Police Station Ahmedabad City. The first part of panchanma was drawn at Police station situated at Gaikwad Haveli, where accused No.37-Kayamuddin Kapadiya, panchas and police persons were present. During the course of drawing of first part of panchanma, accused No.37-Kayamuddin Kapadiya volunteered to show certain relevant places

which would be relevant to the case of prosecution and hence, pursuant to it second part of panchnama was draw and during the course of it, accused No.37- Kayamuddin Kapadiya first led panchas and police from Gaikwad Haveli through Behrampura Chawki, Chandola Lake to Goodluck barrel market and a place known as Jaybharat Process House in it. After deboarding the vehicle, accused No.37- Kayamuddin Kapadiya pointed out a (1) closed Godown, from where accused No.37- Kayamuddin Kapadiya and one another absconder chota Sajid purchased two barrel and other barrels were purchased by Salauddin, who is accused No.45-Fazle Rehmaan. So far as these barrels are concerned, they were used for the purpose of storing explosive substance and detonators. Thereafter accused No.37- Kayamuddin Kapadiya again led panchas and police persons to a place through Nabi Nagar and through R M pan Parlour to Al- Mohammadi society first lane and stopped the vehicle and after deboarding the vehicle, accused No.37- Kayamuddin Kapadiya pointed (2) one closed house which was found locked and was taken on rent and used for the purpose of preparation of bomb. Thereafter, accused No.37- Kayamuddin Kapadiya led panchas and police to a place which was situated outside Al-Mohammadi society, (3) a shop named Nilam electrical and services of this shop were taken for the purpose of electric work undertaken at Al-Mohhamdi Society. Thereafter, accused No.37- Kayamuddin Kapadiya again led all to Isanpur cross roads and from there to Vatva Saiyad Vadi and stopped at a place known as Silicon City and near to it, a complex-building named Manan Complex, wherein there is shop labelled (4) Taskil Garden Studio, this is the place where accused No.37- Kayamuddin Kapadiya got his photograph which were ultimately used for accused No.37- Kayamuddin Kapadiya's swimming pool application form. Thereafter,

accused led all to a house situated at (5) Umraunagar, Vatva, which is house no.3 and this house was occupied by accused No.37- Kayamuddin Kapadiya, accused No.15-Mufti Abubasar and absconder Taukir. At this place, on the ground floor of this house, on inquiry, a person named Firoz Dilawar Shaikh was present through whom it was known that this house was given by him and he also identified accused No.37-Kayamuddin Kapadiya as a person occupying it. Thereafter, accused through Vatva cross roads led all to Isanpur village and pointed a shops named (6) Dharti Belt house and Chashma Ghar together with Evergreen Belt House. From these shops on 15.07.2008, mobile phones were purchased and sim cards of IDEA and Vodafone company were also purchased. It was also known that sim cards were purchased in the name of Desai Navinchandra and Navin Mohanlal Patel. Thereafter, accused No.37- Kayamuddin Kapadiya also led a place called Hari OM complex at Isanpur Gam and a shop named (7) Jay Ambe electric shop, from where table fan of Orient Company was purchased. Thereafter, accused No.37- Kayamuddin Kapadiya also led police persons to Bhulabhai Cross roads, Gita Mandir ST stand and up to Kalupur Police Station and pointed out a shop which was closed named (8) Royal Gas Stove from where two gas cylinders were purchased on 24.07.2008 and used for planting in two different motor cars. Thereafter, accused further led all to Swaminarayan Temple passing through Kalupur Police Station and oriental building and pointed out a shop from where one sim card of Vodafone, two sim cards of Airtel on 07.07.2008 by accused No.37-Kayamuddin Kapadiya and accused No.27-Abdul Rajik and one mobile phone of Nokia in the name of Raj Marketing were purchased from the shop named (9) OK Selection and thereafter, a place near to it as well as near Roopam Cinema from a shop named (10) Rajdhani Electronics,

from where three mobile phones in the name of Raj Marketing were purchased. This panchnama Exh.6083 is proved through panch witness Exh.6082 and also through Investigating Officer at Exh.8638.

16.47.56. Accused No.37-Kayamuddin Kapadiya is involved by accused No.2-Imran Shaikh in his confessional statement as one of the participants of Vagamon camp. Accused No.2-Imran Shaikh in his confessional statement has also involved accused No.37- Kayamuddin Kapadiya as one of the participants of Halol training camp amongst many others as stated in confessional statement. In Halol camp, secret name of accused No.37- Kayamuddin Kapadiya was Abdul Kadir. The confessional statement also states about participation in Halol camp of accused No.37- Kayamuddin Kapadiya's brother accused No.35-Rafiyuddin Kapadiya. Confessional statement also states about all participants first went to Khundpir Dargah and the arrangement of staying there was being made by friend of accused No.2-Imran Shaikh namely Sadab Panwala through Munjawar of this Dargah named Idris Bhai. The statement further states about Munjawar Idris bhai not knowing anything motive of the camp much less about camp. Statement also refers to activities of Halol training camp similar to Kerala camp. Confessional statements clearly state about accused No.37- Kayamuddin Kapadiya having taught other participants as to how to prepare pipe and petrol bomb and also exhorted all to have intent to take revenge and most importantly statement clearly states about accused No.37-Kayamuddin Kapadiya went absconding from 31st March (2008).

16.47.57. The prosecution has also relied rightly on confessional statement of accused No.76-Manjarimam Aliimam at Exh.9021. accused No.76-Manjarimam Aliimam is one of the participants of Kerala camp and he clearly states that he joined SIMI and hence, he is a SIMI activist.

Kapadiya with many other participants of Ahmedabad and Vadodara as well as from Rajasthan. accused No.35-Rafiyuddin Kapadiya also stated that in the month of March, 2008 police of Madhya Pradesh came in search of his brother accused No.37- Kayamuddin Kapadiya at Vadodara and upon knowing it, accused No.37- Kayamuddin Kapadiya left home and ran away. accused No.35-Rafiyuddin Kapadiya further states that his brother accused No.37-Kayamuddin Kapadiya had studied in Science up to standard 12th and he is having staunched ideology of SIMI. Through panchnama Exh.6443 dated 17.11.2008, accused No.35-Rafiyuddin Kapadiya also pointed out place of Halol camp.

16.47.58. The Court finds that accused No.37- Kayamuddin Kapadiya is involved by Mohammadumar Usmanbhai Mansuri (PW-1115/Exh.8002). The said witness as well as accused No.37-Kayamuddin Kapadiya, accused No.7- Mohammad Usman and accused No.2-Imran Shaikh are from Taiwada and are childhood friends. In para-2 of his deposition, witness also states that in the month of March-April, when Madhya Pradesh police came to Vadodara, accused No.37-Kayamuddin Kapadiya was wanted. He has also stated that accused No.37- Kayamuddin Kapadiya called him from Vapi and he said that he wanted to talk to his house and thereafter, he talked to witness that he would call at 8 p.m. Then at 8 p.m. accused No.37- Kayamuddin Kapadiya called witness again and witness gave phone to accused No.37- Kayamuddin Kapadiya's brother Rafiyuddin (accused No.35-Rafiyuddin Kapadiya) and his brother talked to accused No.37-Kayamuddin Kapadiya. In para-3 of the deposition, witness states that in the month of July 2008, accused No.37- Kayamuddin Kapadiya called him at Old Padra Road, Tandalja and in one restaurant accused No.37-Kayamuddin Kapadiya talked about taking of revenge for Godhra

incident and also talked about explosion of bomb blast to be done in Vadodara and some places in Gujarat, for which accused No.37-Kayamuddin Kapadiya sought help of witness and also asked witness to do recce-surveillance for the purpose of finding out crowded places dominated by Hindu community, to which the witness denied. In para-4 of the deposition, the witness states that after commission of bomb blast incident, he saw in news involvement of accused No.37- Kayamuddin Kapadiya, accused No.7-Mohammad Usman, accused No.2-Imran Shaikh and accused No.3-Iqbal Shaikh in the incident. The witness has also given his statement under Section 164 of Cr.P.C at Exh.8003.

16.47.59. The Court finds that the evidence of PW-1131/Exh.8118-Mohd. Rafik of Vadodara is like evidence of PW-1117/Exh.8019, as they are paired witness. This witness has also given his statement under Section 164 of Cr.P.C at Exh.8119. The defence has purposely and intentionally frustrated their own rights of cross-examining of this witness, for which examining different applications vide Exh.8101, 8104, 8114, 8115, 8120 and 8124. Upon close examination the sequence of events as unfolded through these applications, the Court finds that defence was already aware about examining this witness, in spite of that, repeatedly they asked for adjournments immediately after examination-in-chief was finished, and the purpose of seeking such adjournment was only to ensure that witness could not stay in India as he was actually residing outside India and was running out of time and that was also known to defence. Hence, defence itself is responsible for not cross-examining this witness, as examination-in-chief involves accused No.37- Kayamuddin Kapadiya and others, also a case of conspiracy, therefore, examination in chief cannot be kept out of consideration from appreciation. Accused No.37- Kayamuddin Kapadiya is also prosecuted

in a distinct offence registered at Kerala for arranging Vagamon camp alongwith many other participants like accused No.37- Kayamuddin Kapadiya from across the country, on the basis of FIR registered for this distinct offence at Ernakulam which was investigated by National Investigation Agency (NIA) through F.I.R bearing number (R.C. No.4/2010/NIA/DLI). Upon completion of investigation, Session Case was registered bearing Sessions Case No.2 of 2011/NIA. This case was conducted in the Special Court for NIA cases at Ernakulam, Kerala and judgment came to be delivered on 14.05.2018 (Exh.9421).

16.47.60. The Court has perused the evidence of PW No.924-Sarfaraz Abdulrahim Ajmerwala vide Exh. 6569, who runs business of plastic barrels in Goodluck Barrel Market. This witness was interrogated by police in relation to purchase of drums from his shop, upon which he stated that if someone had purchased drums from his shop, he could identify him. Therefore, this witness was subjected to Test Identification Parade on 17.12.2008, wherein he was called to the Court of Magistrate. During the course of Test Identification Parade, this witness has successfully identified accused No.37-Kayamuddin Kapadiya as the person who came to his shop for purchase of drums. However, during the course of deposition, he could not identify accused No.37-Kayamuddin Kapadiya, upon being shown to him as he had grown a long beard and also because of lapse of time. Test Identification Parade of this witness is Exh.3168 and Test Identification Parade is proved through Executive Magistrate being PW No.589-Indravir Vajubha Zala, who is examined vide Exh.3159.

16.47.61. The Court has perused the evidence of PW No.943-Kukhrajbanu vide Exh.6629, PW No.928-Mohammad Ibrahim vide Exh.6586 and PW No.952-Mohammad Arif vide Exh.6651. Out of

aforesaid witnesses, witness-Kukhrajbanu is the owner of House No.10 of Al-Mohammadi Society, which was taken on rent by accused No.37-Kayamuddin Kapadiya. While taking this house on rent, other two witnesses i.e. Mohd. Ibrahim and Arif are also involved, as Arif, is the broker and Mohd. Ibrahim is the person, who is working in the Al-Mohammadi Society. Witness- Kukhrajbanu gave her house No.10 of Al-Mohammadi Society on rent to accused No.37-Kayamuddin Kapadiya through these two other witnesses. Witness-Kukhrajbanu identified accused No.37-Kayamuddin Kapadiya in Test Identification Parade at Exh.3168 as the person who took on rent her house and witness Mohd. Ibrahim has also deposed about he having gone with witness Arif bhai alongwith Kayamuddin for the purpose of giving House no.10 on rent and terms of rent were also decided to the knowledge of witness. This witness has described the appearance of Kayamuddin to be good looking, with straight hair, fair complexioned and wearing Jabbho Lengho. However, this witness could not identify accused No.37-Kayamuddin Kapadiya owing to lapse of time and as the physical appearance of the person shown to him during the course of his deposition has drastically changed, due to which this witness is unable to identify.

16.47.62. PW No.952-Mohammad Arif has also given evidence like PW No.928-Mohammad Ibrahim and has also deposed about himself going with Mohd. Ibrahim to Kukhrajbanu for the purpose of taking on rent, House no.10 of Al-Mohammadi Society by two persons who visited on 05.07.2008. PW No.952-Mohammad Arif had been subjected to Test Identification Parade wherein he identified accused No.27-Mohammad Ismail Mansuri as the person who had come to him for the purpose of taking on rent, House no.10 of Al-Mohammadi Society. Test Identification Parade panchnama has been exhibited at Exh.3171 and stands proved through the evidence of the Magistrate; PW No.589-Indravir Vajubha Zala, who is examined vide Exh.3159. As per the case of the prosecution, witness Arif was visited by two persons namely; accused No.37-Kayamuddin Kapadiya and accused No.27-Mohammad Ismail Mansuri.

16.47.63. The Court has considered the panchnama at Exh.6656, which was drawn on 19.09.2008, upon the voluntary disclosure of accused No.1-Jahid Shaikh which led to pointing out of House No.10 of Al-Mohammadi Society. The aforesaid panchnama has been dealt with in the case against various accused such as; accused No.1-Jahid Shaikh, accused No.8-Yunus Mansuri and accused No.38-Mohammad Saif Sheikh**,** wherein utensils were recovered alongwith the recovery of a chance print on a broken CD, which was photographed and subjected to scientific examination. Upon finding presence of explosive substance, it was subjected to FSL Opinion, wherein it was opined that there was a presence of Nitrite and Nitrate Radicals from the articles seized and recovered from House No.10, Al-Mohammadi Society.

16.47.64. The Court has perused the evidence of PW No.1004-Mohammad Kaushar Mohammad Ibrahim Saiyed vide Exh.6978 (Secret witness T), who is doing business in the name of 'Nilam Electric', opposite Al-Mohammadi Society. He has deposed that police had come to him alongwith one person namely Rizwan Bhai. He also stated that he went to Al-Mohammadi Society to do electric and repairing work, for which Rizwan Bhai gave him Rs.40/- to Rs.50/- for labour. He further states that Rizwan Bhai himself has called this witness for this repairing work. The witness has given his statement under Section 164 of Cr.P.C before the Magistrate, which is on record at Exh.6979 and the witness

identified his signature made on it. Due to lapse of time of 10 years, the witness was unable to identify the accused. The alias name of Accused No.37-Kayamuddin Kapadiya is 'Rizwan'. As stated earlier, accused No.37-Kayamuddin Kapadiya made disclosure and pointed out a place namely Nilam Electric Shop situated near Al-Mohammadi Society. The case of prosecution is that accused No.37-Kayamuddin Kapadiya went to Nilam Electric and witness Mohd. Kaushar went to house No.10 of Al-Mohammadi Society for the purpose of doing electric work. It establishes connection of A-37 with the House No.10 Al-Mohamadi Society.

16.47.65. Another circumstance is the pointing out of house at Umraonagar, Vatva by accused No.37-Kayamuddin Kapadiya. The owner of this house is PW No.1106-Firoz Dilawar Shaikh, who has been examined vide Exh.7929 has involved accused No.37-Kayamuddin Kapadiya, absconder Taukir and accused No.15-Mufti Abubasar as they occupied and stayed in this house. The witness has identified accused No.37-Kayamuddin Kapadiya and approver (accused No.23-Aiyaz Razakmiyan Saiyed) in Test Identification Parade also in the Court. The case of the prosecution is that accused No.37-Kayamuddin Kapadiya actually stayed at this house with other accused and accused No.23-Aiyaz Razakmiyan Saiyed (now approver) also visited this house. Evidence of Firoz Dilawar Shaikh at Exh.7929 was discussed in detail in the Chapter on "Appreciation of deposition of relevant witnesses". The approver also gave evidence about Umraonagar, Vatva House in detail. Moreover, during Panchnama at Exh.6434, accused No.15-Mufti Abubasar voluntarily pointed out House No.3 of Umraonagar, Vatva, where articles like nut, bolt, wires, ball-bearing balls, etc. were seized.

16.47.66. For the purpose of association of A-37 with the hideout, the

Court may peruse the evidence of PW No.929-Rafikbhai Hussainbhai Abadal vide Exh.6587, who is running veg and non-veg food hotel in the name of 'Garib Nawaz'. The case of the prosecution is that accused No.15-Mufti Abubasar and two other companions had visited the said place for food. The witness has identified accused No.15-Mufti Abubasar in Test Identification Parade at Exh.3054 dated 27.08.2008. Executive Magistrate PW No.571-Ramanbhai Senghabhai Solanki vide Exh.3051 gave evidence with respect to Test Identification Parade however, witness was unable to identify accused No.15-Mufti Abubasar in Court due to growing of beard and change in physical appearance.

16.47.67. The Court has perused the evidence of PW No.927-Mohammad Rizvan vide Exh.6583, who is in business of gas cylinder since 1990 at Kalupur in the name of 'Royal Gas Stove Centre'. He has deposed that he used to deal in gas bottle weighing 2kg and 5kg of the company namely Power king and Bajaj. He has also deposed that on 05.08.2008, his shop was visited by Crime Branch police persons and he was interrogated with regard to the blast, which took place at Civil hospital and LG hospital as well about his dealing in gas bottles, to which the witness recollected that few days back, a person of a particular height, fair in skin and thin came to him and purchased two bottles worth Rs.1500/- as normally the customer would purchase only one bottle, whereas this person purchased two bottles. He has also deposed that that if the said person is shown to him, he could identify. Pursuant thereto, he was called at the Court of Executive Magistrate, situated in the compound of Collector office on 15.12.2008, where he was subjected to Test Identification Parade and he pointed out the said person who had purchased two 5Kg. gas bottles by holding hand. Thereafter, upon an inquiry being made by the Executive Magistrate, the

said person was identified as accused No.37-Kayamuddin Kapadiya. He has deposed that due to lapse of 8 years and as there is change in physical appearance as well as the person having grown beard and also wearing spectacle, he could not identify accused No.37-Kayamuddin Kapadiya, however he has identified one gas bottle, produced at Muddamal List vide Exh.461 at serial No.60 as he was dealing in such types of bottles. During the cross-examination, it has also come on record that the reason for identifying accused No.37-Kayamuddin Kapadiya is that he had purchased two bottles and gave full money. On question being put to this witness that why he was unable to identify accused No.37-Kayamuddin Kapadiya, to which he replied that because at the relevant point of time, the person had grown beard. Even considering cross-examination, credibility of the witness is not impeached. The witness has identified gas cylinder as articles No.60 vide Exh.461. This damaged cylinder was seized from scene of offence panchnama being carried out at Civil hospital through Exh.1992. The witness was subjected to Test Identification Parade panchnama at Exh.3142 and the same was proved through panch witness being PW No.588-Laxman Kesvhalal Pargi vide Exh.3130.

16.47.68. The Court has also perused the panchnama at Exh.6075 dated 12.12.2008. Through this panchnama accused No.37-Kayamuddin Kapadiya identified the following different places, from where he purchased certain articles-objects, which were used for the purpose of making bombs as well as few other relevant articles used by him during the period of conspiracy and these places are as follows:

(1) Gujarat Tools, situated at Biscuit Gali, Pankor Naka, from where he purchased scissors and person of Gujarat tools was examined as witness being PW No.1037-Sabbirbhai Hussainibhai Rangwala vide Exh.7048.

following witness:

16.47.71. PW No.956-Nayeemahmed Shaikh vide Exh.6673, who is running a Cyber Cafe at Suhana Apartment, Vejalpur in the year 2008. The police has interrogated this witness and thereafter, during Test Identification Parade at Exh.3154, the witness identified accused No.37-Kayamuddin Kapadiya as a person who has come to his Cyber Cafe. The witness identified accused No.37-Kayamuddin Kapadiya in Court also.

16.47.72. PW No.1062-Abdul Ajeem vide Exh.7219 of Inet Cyber Cafe situated near NID, Ahmedabad has implicated accused No.37-Kayamuddin Kapadiya and accused No.1-Jahid S/O Kutubuddin Shaikh for using his Cyber Cafe. The witness was unable to identify accused No.37-Kayamuddin Kapadiya and the person who came earlier with accused No.37-Kayamuddin Kapadiya in Court because as he had grown of beard and due to lapse of time. This witness has produced his Cyber Cafe register at Exh.3208, which was seized during panchnama Exh.3207. This witness, in his deposition, has stated that accused No.37-Kayamuddin Kapadiya, accused No.2-Imran Shaikh and accused No.7-Mohammad Usman Agarbattiwala have done their computer course when he was working at Vadodara.

16.47.73. The Court has also considered the evidence on record relating to the connection of A-37 with the master house (hideout). It appears from the record that on 28.11.2008, A-45 voluntarily disclosed before panch during panchnama Exh.2806 that, "I will show you the house in which I am staying on rent". Thereafter, during this panchnama, the accused pointed out master house building and after climbing the stairs, A-45 reached the 3rd floor of the building and pointed out a closed room at the end of lobby and disclosed that it had been taken on rent. The aforesaid panchnama stands proved by prosecution through

PW-918/Exh.6543 Amar Rajput and the evidence of Investigating Officer being PW No.1155-Naryansinh Parmar vide Exh.8517.

16.47.74. Thereafter, in connection with the said master house (hideout), the Court has perused the evidence of PW-864/Exh.6037 Abdul Rashid Shaikh, who is the owner of said house, which is situated opposite Saiyedpura Pumping station, Sopariwala compound, Surat. According to the witness, master house had 20 to 25 rooms and in 2008, 7 to 8 rooms were vacant. The witness has deposed that his son used to keep the accounts of rent and deposit of the house. This witness has further deposed that on 09.07.2008 between 11 to 12, he received a telephone call from a person who wanted a room on rent. Upon inquiring, the caller told him that he was calling from Udhna, Limbayat. The witness asked him to come and meet him personally. Thereafter, the witness deposed that the said person came to his house and he had informed this witness that he had come from Ahmedabad. The witness showed him the rooms in master house and the said person chose room no.21 on the 3rd floor. The rent was fixed at Rs.3000/-rent and deposit at Rs. 10,000/-. The witness has deposed that on second day the said person came at his shop and when he went alongwith the said person at Sopariwala Compound, his son was present, whereupon he asked his son to take Rs. 10,000/- as deposit from that person and to make an entry in the diary regarding the rent of Rs.3,000/-. He also instructed his son to take the said person to the 3rd floor and to shift Udaybhai to the 4th floor. Thereafter, the witness went for prayer. During the Test Identification Parade at Exh.3108, this witness has identified A-37 before the Executive Magistrate as the person to whom he had rented the room.

1016/Exh.7006 Mohd. Sakir Abdul Fareed Shaikh, who is the son of the aforesaid witness namely Abdul Rashid Shaikh (PW-864/Exh.6037), the owner of the master house (hideout). This witness has deposed that on 04.07.2008, while he was was having dinner, his father informed him that one person had come in the afternoon seeking room No.21 on rent and also informed him regarding the deposit and rent amount. On the next date, the witness took the said person to the room. At that time, the room had not been vacated by Udaybhai. According to the witness, with the help Udaybhai's wife and the said person, the household articles of Udaybhai were shifted to the room situated upstairs. The witness then asked the said person to lock the room until he brought the luggage. Accordingly, that person locked the room and an entry regarding the deposit and rent amount was made in the diary and handed over to him. According to the witness, the person who took the room on rent was fair and young. The statement of this witness in this regard had been recorded by the Police. The witness identified A-37 in Test Identification Parade at Exh.3108 which was conducted before the Executive Magistrate PW-579/Exh.3106 Dharmesh Patel, and he has identified him to be the person who had first come to him as a tenant and had given his name as Ashfaq.

16.47.76. Moreover, on 04.09.2008, during the panchnama Exh.2806, A-63 had made disclosure regarding one house which has been kept on rent by Rafiq and thereafter, he had also pointed out the master house (hideout). Considering the fact that a room in the master house was taken on rent by A-37, who is from Ahmedabad, during the conspiratorial period at Surat, which is the place where bombs were planted at different locations, and that the said house was also pointed out by A-45, who is from Maharashtra, as well as by A-63 of Surat and

A-37, coupled with the fact that A-63 and A-37 are closely involved and implicated in two other important sequels to the conspiracy, namely D 34 River View Society and House No.10 Al-Mohammadi Society, the master house assumes relevance and importance. Furthermore, the owner as well as his son have deposed regarding A-37 having taken the room on rent. All the aforesaid evidence taken together, establishes that during the course of conspiratorial period, the said house was used by conspirators.

16.47.77. The Court has perused the the evidence of PW-1122/Exh.8068, Ismail Ibrahim Bagga, who was serving as supervisor at hotel Vapi Intercontinental and has deposed that he used to sit at the reception and made entries whenever guests arrived. He has further deposed that in the year 2009, Surat police came to the hotel alongwith Kayamuddin of Vadodara and asked for the hotel entry register for checking. Thereafter, the police checked the register and as instructed, the witness produced pg. no 174 and 175 of the hotel register to the police When the pages of the hotel register (Exh.6498) were shown to the witness, he identified it as the relevant pages of the hotel register of Hotel Vapi Intercontinental and also identified the seal of Tax Collector. The witness further deposed that entry no. 1739 was made by the customer who came to book the room. According to the witness after making the entry, the person left. After two hours, the said person returned, paid Rs.400/- in advance and informed him that at about 8:30 his guest would come. This witness has further deposed that thereafter, one man, women and infant came and stayed in room and that on the next day, at about 10:30 a.m. they checked out. This witness has further deposed that when the room was booked, he had asked the person to give a reference, whereupon, he informed that he was from Vadodara

and that a person known to him, who had a BATA Showroom at Gunjan Cross road would give reference. Thereafter, the said person from BATA Showroom also came and gave the reference. Thereafter, specimen handwriting of A-37 was obtained on six blank hotel register pages under the panchnama Exh.6738 dated 06.03.2009. During the course of the aforesaid panchnama, A-37 also gave his natural writing. The aforesaid panchnama at Exh.6738 stands proved through PW-959/Exh.6737 Balwant bhai. The specimen handwriting of A-37 is placed on record at Exh.6739, whereas natural writing of A-37 is placed on record at Exh.6740. Thereafter, the disputed handwriting, namely entry No.1739 in Exh.6498, specimen handwriting at Exh.6739 and natural handwriting at Exh.6740 were sent through Forwarding Letter to Hand Writing Expert namely; PW-1113/Exh.7970, who upon examination, gave opinion at Exh.7987 that disputed handwriting of relevant register was written by A-37. This would therefore establish presence of A-37, at Vapi.

16.47.78. It appears that after the commission of offence while A-37 was absconding, he stayed at hotel Kamleshwar, Doodhbhatti at Puna on 19.10.2008. To prove this fact, the prosecution has examined PW-599/Exh.3212 Jaimin Ranpura, who is the panch of panchnama Exh.3222. During this panchnama, PW-970/Exh.6790 Satish Pardesi had produced visitor's register of Hotel Kamleshwar, which contained entry at serial no.961 which records the date of arrival as 19.10.2008 at 5:45 a.m. and checkout dated 20.10.2008 at 9:00 p.m. in the name of Sameer I. Kirani .

16.47.79. The Court has perused the evidence of PW-970/Exh.6790 Satish Pardesi, who has produced the hotel register of Hotel Kamleshwar, Puna, The witness has deposed with regard to Entry

No.961 and the handwriting of the customer who made the said entry, as well as the recorded departure time, room number, number of occupants, and the amount paid. The said entry at Exh.3223 was duly proved to be the handwriting of the said witness. The witness further deposed that while he was on duty on 19.10.2008, he had allotted the room. According to this witness, the person who had come was a young collegian-type boy. However, during the deposition before the Court, this witness was unable to identify the accused due to lapse of time of about 10 years.

16.47.80. The Court has also perused the evidence of PW-969/Exh.6789- Sunil Agarwal, who is the owner of Hotel Kamleshwar with regard to the hotel register. The witness has identified the hotel register as well as Entry no.961, which was in the name of Sameer I. Kirani. The specimen handwriting and natural handwriting of A-37 at Exh.6429 were obtained during the panchnama at Exh. 6430. The said panchnama stands proved through PW-897/Exh.6428. The disputed document, specimen and natural of A-37 were sent for handwriting examination through Forwarding Letter Exh.6896. The handwriting expert K P. Vyas(PW-990/Exh.6886), has given his opinion at Exh.6897 that disputed document was written by A-37. Tis therefore establishes that A-37 had gone into hiding after the incident.

16.47.81. The Court has also perused the evidence of PW-930/Exh.6590, who was working at Nita Travel office, opposite Navchetan School, Shroff Chamber, Paldi during the year 2008. The witness has deposed that his duty hours were from 10:00 am to 9:00 p.m., and that he was engaged in the work of ticket booking and parcel service. The witness has further deposed that he had to deliver the parcels, which had come from Mumbai, Delhi, Pune, Rajkot etc. The

witness has further deposed that whenever a person came to collect the parcel, he would inquire from where the parcel had come and upon verifying the name of the the said person, he handed over the parcel to him. The witness further deposed that two to three police persons had come to his Office and inquired about the parcel received from Pune. According to the witness, a cover in the name of Vishal had arrived and when the person came to collect the said cover, he asked him to produce his identity card. The said person replied that he had not brought his identity card. The witness further inquired from where the cover had come, whereupon the said person informed him that the cover in the name of Vishal had come from Pune and that he had come to collect it. The witness has further deposed that the said person called on the number which was mentioned on the said cover and spoke to the person on the other end and thereafter, handed over the phone to him. The witness inquired whether the cover in the name of 'Vishal' had been sent by him, whereupon the person on the other end informed him in Hindi that he had sent the cover from Pune to Ahmedabad, and asked him to handover the cover to the person who had come to collect it. Accordingly, the witness delivered the cover to the said person. The witness has further deposed that the person who had come to collect the cover was thin, about 25 to 26 years of age and fair in complexion. The witness has identified A-37 during the Test identification Parade at Exh.3168 as the person, who had collected the cover in the name of Vishal from Nita Travel Office. However, this witness was unable to identify A-37 in Court as back then, the said person was clean shaved and thin however, some of the persons shown to him during his deposition in the Court had beard, moustache and were heavily built and hence, he was unable to identify the person. The witness has further

deposed that if photographs of the said person were shown to him, he could identify the said person. The Test Identification Parade at Exh.3168 stands proved through the evidence of the Executive Magistrate PW-589/Exh.3159. It is pertinent to note that while dealing with submissions made for A-45, the prosecution has also relied upon the circumstance connecting A-45 with the purchase of a ticket from Nita Travels, Pune.

16.47.82. The Court has perused the evidence of PW-1010/Exh.6990 Amarbhai Dodvani, who was running a business in the name of 'Anju Remote'. This witness has deposed that he was dealing in digital multimetres, mobile batteries, battery connectors, etc. The witness has deposed that on 08.12.2008, the police came to his shop alongwith one accused, namely Kayamuddin Kapadiya, who is a resident of Vadodara, and that he had purchased articles including a 9-volt battery from his shop. In the opinion of the Court, and as is evident from the F.S.L Report on record, 9-volt batteries were used in the bomb blasts.

16.47.83. It appears from the evidence of the prosecution witness as well as the confessional statement of the real brother of A-37, namely A-35, that somewhere in the month of March 2008, A-37 left his house, fled from Vadodara and remained absconding. It is a fact that the Madhya Pradesh Police was searching for A-37. However, the evidence led by the prosecution clearly establishes not only that A-37 was absconding, but also that he remained actively involved in different conspiratorial sequels of the conspiracy as elaborated by the prosecution in the present case, which involve A-37 in different acts which would incriminate him.

16.47.84. It has further been brought on record that A-37 had arrived at the Vapi Intercontinental Hotel to facilitate the accommodation of co-

accused Taukir (presently facing trial) during the period from 19.05.2018 to 20.05.2018. It is also established that the relevant entries in the hotel register, recording the requisite particulars, were in the handwriting of A-37 as a guest. In view thereof, it is evident that A-37 was present at Vapi during the aforementioned period and had personally made the necessary entries in the said hotel register. One of the circumstances, which is narrated hereinabove, relates to Kamleshwar Hotel, wherein it is established beyond doubt that A-37 stayed in the said hotel for a period of two days in October 2008 through the opinion of Hand Writing Expert. Once again, the Court may refer to the deposition of Kayamuddin as defence witness (Exh.9338). The Court finds it the deposition itself is sufficient to disregard, disbelieve and discredit the entire case of A-37 as stated by him in examination- in-chief that he was in illegal confinement of different agencies of Madhya Pradesh police. It is also coming on record that after the arrest of A-37 was made by Madhya Pradesh police, he was produced before the Court at Ujjain on 10.11.2008, however, A-37 has not produced any material, which would prima facie reveal that he was in illegal confinement by different agencies of Madhya Pradesh police. Thereafter, on 22.11.2008, A-37 was also produced before the Court at Delhi, but there was no material produced by him, which would reveal that he had complained about his illegal confinement by different agencies of Madhya Pradesh police. Thereafter, when A-37 was arrested in the present case on 04.12.2008 and was accompanied by his lawyer, it does not appear from the record that A-37 has ever complained about his illegal confinement by different agencies of Madhya Pradesh. In the cross-examination of A-37, more particularly in para 61, the prosecution has also brought on record that wife of A-37 is graduate, father-in-law of A-37 was

stenographer in Sachivalaya and there are many other members in the family of A-37, of whom, at least someone would have agitated about A-37 being in illegal confinement of different police agencies of Madhya Pradesh police for a period starting from last few days of March 2008 to November 2008. It has also come on record in the said paragraph, regarding the connection of A-37 with Surat. It has further come on record during course of cross-examination by prosecution more particularly in para 64 that A-37, right from the time of his production before the Court, was represented by advocate of his own choice, not only in the present proceeding, but also in the proceedings initiated by him before the Gujarat High Court as well as before Hon'ble Supreme Court, even upto the period of 2017 to 2018. A-37 has also disclosed the names of his advocate. It has also come on record that, in the proceedings pending before the Courts in Madhya Pradesh, in 2018, A-37 had appointed an advocate of his choice. A-37 was also attending the proceedings pending against him in Delhi and other Courts and until 2018, neither he nor anyone else on behalf of him, ever agitated about his illegal confinement by Madhya Pradesh police. It has also come on record in the cross-examination by prosecution, particularly in para 78 and 79 that A-37 had studied Human rights while in jail and had also obtained information by invoking Right to Information Act. Thus, inspite being conscious of his human rights and also aware about the provisions of Right to Information Act, A-37 did not even whisper about his illegal confinement by Madhya Pradesh police for almost seven months. It has also come on record in the cross-examination by prosecution, more particularly in para 80 that A-37 had filed an application in the present proceedings seeking that his conversations during the meeting with his advocates be kept confidential Even

otherwise, in an application Exh.9350 dated 08.07.2009 submitted by A-37 before M.M Court No.11, A-37 had alleged his illegal confinement by Bhopal police only for a period of 12 days. In view of the aforesaid evidence, the allegation of A-37 regarding his alleged illegal confinement by the Madhya Pradesh police does not inspire confidence.

16.47.85. Further, A-37 in his examination-in-chief has deposed that he was beaten and harassed by Investigating Officers. He has also deposed that one police officer told him that the real culprits of bomb blast have escaped and they are not likely to be apprehended, and that the police had to show that the police had solved the case. A-37 has further deposed that the police officer told him that if A-37 accepts what the police wanted him to state, his brother would be released from the case and he too would be released. Apart from this, A-37 in his examination-in-chief, has made several other allegations of a similar nature which does not inspire confidence of the Court. In the opinion of the Court if all these incidents had actually occurred and A-37 had suffered so much atrocity at the hands of police, nothing has emerged on record to show that during the course of the trial he had ever made an application in that regard or even cross-examined any of the Investigating Officers on those lines. Hence, these allegations against the police appeared to be got up at a belated stage.

16.47.86. Further, upon perusing the deposition of A-37, particularly para 20, A-37 has deposed that he was made to write in the hotel register and also made to put his signature. It is pertinent to note that when prosecution examined the concerned witnesses of the said hotel, A-37 never challenged the deposition of such witnesses by suggesting that the hand wring and the signatures in the hotel register had been obtained from him during the course of his remand. It is also pertinent

to note that A-37 did not cross-examine the witness on this line.

16.47.87. A-23 (approver) was granted pardoned after his statement came to be recorded on 11.03.2019 and the application was decided on 27.03.2019. Neither A-37 nor any other accused though not legally entitled to oppose the grant of pardon, had filed any application objecting the grant of pardon to A-23. Even thereafter, the defence had only filed an application seeking to keep the recording of the approver's statement in abeyance. A-37 alongwith few other accused also challenged the order granting pardon to A-23 by filing Revision application before the High Court. Even in the said application, nothing was stated regarding any conversation between A-23 and A-37. The High Court thereafter, upheld the order of Session's Court granting pardon and the evidence of approver came to be recorded and was concluded on 16.05.2019. Even during the course of examination, A-37 had not cross-examined the approver regarding the conversation between them which had taken place prior to A-23 giving his statement of approver. It appears that thereafter, on 23.05.2019, A-37 filed an application at Exh. 8246 raising several allegations. The timings of these allegations assumes significance as they had not been put forth either in the revision proceedings of even in the cross-examination of the approver. Having considering the evidence of A-37, the Court finds his version does not inspire confidence. It has also come on record that the prosecution witness Jakir Hussein gave his examination in chief on 07.12.2017 and 08.12.2017. Upon completion of examination in chief, his cross- examination was adjourned on application made by the defence. Thereafter, on 13.12.2017, A-37 alongwith some other accused filed an application before the Sessions Court seeking to implead Jakir Hussein as an accused and the same came to be rejected on 15.12.2017.

Subsequently, A-37 and other accused challenged the order by filing a revision before the High Court.

16.47.88. During the pendency of the aforesaid revision proceedings, A-37, A-1, A-2 and A-57 filed an application before the Sessions Judge seeking the CCTV footages for the month of November 2017, the jail registers dated 30.11.2017 and 01.12.2017 alongwith certain other connected details. It was alleged in the said application that purpose of installation of CCTV cameras was to facilitate identification of accused persons by witness Jakir Hussein. The said application at Exh.6795 is signed by the aforesaid four accused. As a matter of fact, the evidence of Jakir itself shows that he already knew the accused persons who had filed the application Exh.6795 and had identified them during his examination in chief. If that was indeed the grievance of the accused persons, including A-37, such a contention would have been ordinarily raised prior to the commencement of examination-in-chief of Jakir Hussain and not after a lapse of more than two months. Upon perusing the record, it appears that the application came to be rejected and the said order was not challenged by A-37.

16.47.89. In view of the aforesaid discussion of evidence, the Court is independently of the view having perused the evidence led that there is sufficient evidence to support the charges framed against accused No.37-Kayamuddin @ Rizwan @ Ashfak S/O Sarfuddin Kapadiya. This accused has played a pivotal role in the entire crime where his involvement is reflected in evidence to be in the conspiracy at each stage. The Court has therefore, no reason to interfere with the conviction recorded.

Cr.P.C.

17.1. In a trial, the stage of recording of further statement is an important stage from the point of view of the accused. It provides an opportunity to the accused to understand the nature of incriminating evidence against himself and has a chance to offer an explanation to any of such incriminating evidence and circumstances. Section 313 of Cr.P.C. provides for the recording of the further statement, popularly known as Further Statement under Section 313 of Cr.P.C.. The scope and object being to empower, the Court has to examine the accused and has to give him a chance to explain and, in a case, where the accused is undefended, to examine him in his interest ***(Basavaraj R. Patil v/s. State of Karnataka reported in AIR 2000 SC 3214)***. This process establishes a direct dialogue of the accused with the Court where it is also open for the accused to put-forth his version. In the case of ***Kalpanth Rai v/s. State reported in AIR 1998 SC 201,*** it has been made imperative for the Court to put every question individually and separately to the accused in a joint trial. It is obligatory for the accused also to offer his explanation to such incriminating circumstances and for the Court to consider the same.

17.2. In a Confirmation case or in an appeal against acquittal, the Court may examine as to whether or not the process under section 313 of Cr.P.C. is duly undertaken and whether or not the trial Court has taken into consideration the explanation offered by the accused. In the present trial, the Court finds from the record and proceedings that questions have been framed under Section 313 of Cr.P.C. These questions, in the opinion of the Court, are worded simply for a layman to understand. The questions cover each and every circumstance against the individual

accused. It has happened that many of the questions are identically worded for some of the accused but, that appears to be out of common evidence and circumstance against such accused. However, there does not appear to be any skipping of exercise or that the exercise has been undertaken mechanically. The reason for the Court to conclude this is because of the variety of answers recorded for the accused to identically worded questions. Such questions were put and answered individually.

17.3. The Court finds that for all the accused tried, statements were recorded under Section 313 of Cr.P.C. and in each statement, approximately 4600 questions have been put to each of the accused and their answers have been recorded. A majority of the answers are recorded as 'denials'; however, there are instances where explanations have been offered. The trial Court, obviously, has taken into consideration all the explanations so offered. This Court has also segregated the explanations given to the questions to be considered herein-below accused-wise. However, where the accused has given denial or has claimed ignorance, there is no need, according to the Court, to deal with them, as the same exercise has already been conducted by the trial Court.

17.4. It is found that the questions and answers form of Further Statement is recorded in Gujarati. However, wherever needed, especially where the accused is a non-Gujarati, the facility of Translator has been utilized to assist the accused and their Advocates.

17.5. The Court may now refer to the explanation of the accused recorded under Section 313 of Cr.P.C.

<u>Accused No.1 – Jahid S/O Kutubuddin Shaikh (Exh.0123):</u>

17.6. This accused has offered an explanation that he is innocent and has no criminal antecedents and has nothing to do with the serial blasts. He has, thereafter, referred to the chronology of his arrest and remand period,

where, according to him, he was physically and mentally tortured by hand-cuffing and covering his face with 'burkha' for 24 hours and was not permitted to sleep continuously for a period of 5-6 days. He was pressurized to admit to the crime. According to him, he has been acquitted in the Vagamon Camp case and that the Halol camp case is a got-up story.

17.7. In the opinion of the Court, the nature of statement recorded is of general denial and in view of the fact that to the questions which were posed to this accused about incriminating circumstances and evidence, he has simply offered denial or has claimed ignorance, the explanation so recorded, being general in nature with no specific answer to the incriminating circumstances and evidence, does not render the circumstances against the accused as unbelievable or doubtful.

Accused No.2 – Imran S/O Ibrahim Shaikh (Exh.124):

17.8. In response to the last question, this accused has stated that for the last about 11 to 12 years, he is in Sabarmati Central Jail and to establish his innocence, he wants to narrate his version, that - on 07.08.2008, one Police Constable, Pirmohammadbhai Makrani, came to meet him and informed him that the P.I. of Karelibaug SOG has asked to come and meet him. When he reached there, he was asked to sit silently and was threatened of being encountered. He was taken to an isolated place where he was made to meet several senior police officers. He was kept along with many other accused of his area and all of them were being ill-treated and illegally detained. The accused has given the chronology of his custodial remand and has stated that he was being ill-treated and despite his ill-health, he was being tortured. He has also explained that confessional statements were forcefully recorded and that the Magistrate had instructed him to exactly follow what the Police had asked him to do.

17.9. In the opinion of the Court, the lengthy explanation so given cannot be accepted as the entire period of police custody was governed under the orders passed from time to time by the Magistrate before whom he was periodically presented, and during that stage, there does not appear to be any complaint of torture, etc. by the accused. The explanation given at this stage will not affect the incriminating circumstances gathered by the prosecution against him, particularly when, to each of the incriminating circumstance narrated by him, he has not offered any explanation, but has only denied or claimed ignorance.

Accused No.3 – Iqbal S/O Kasam Shaikh (Exh.125):

17.10. This accused has offered explanation in general by narrating that he is having his own grain-shop and was leading a peaceful life when he was summoned on 05-08-2008 to the SOG Office. From there, he was taken to an isolated place and thereafter, the police officers gathered to assault him physically. He was questioned about SIMI activities and was threatened to be encountered and was forced to admit that he belonged to SIMI. He was, thereafter, taken to some other isolated place, where he was produced before senior police officers and was given electric shocks. Essentially, the accused has made narration about his police remand period and the atrocities carried out by police on daily basis. Though the accused is not involved, he is wrongly implicated. Similarly, his friends - Asif Shaikh and Mohammed Shaikh, about whom he was inquired about, were rounded up and also tortured.

17.11. The record and proceedings would indicate that the accused, after being arrested, was produced before the concerned Magistrate from time to time and he was also represented by an Advocate. Therefore, the explanation offered by the accused is contrary to the record and proceedings since the record and proceedings reveal that remand orders

were passed from time to time and that due procedure was followed, which included the physical examination of accused.

Accused No.4 – Samsuddin S/O Shahabuddin Shaikh (Exh.126):

17.12. This accused has either recorded denial against each and every circumstance or has claimed ignorance. He has refused to get himself examined as a witness, but has expressed his willingness for being examined as a defence witness. The explanation offered was recorded in English wherein, the claim made by the accused is that he is from the field of education and was serving as a Teacher in an Islamic School at Bharuch. Earlier also, he was arrested in Surat for participating in some education program on the allegation that it was part of SIMI activities but, was enlarged on regular bail by the High Court. In the year 2008, while he was doing the business of cotton yarn as an Executive peacefully, during a routine check-up by the police, he was asked to come to Dariyapur Police Station and after spending one night in the Lock-up, he was released and again on 30.07.2008, he was called to DCB Police Station for recording his statement and was permitted to leave after giving the statement. Once again, he was summoned on 08.08.2008 and was, thereafter, detained on 15.08.2008. He has alleged brutal and merciless torture by the police after his arrest on 16.08.2008. He has alleged that his signatures were obtained on blank pages by force.

17.13. He has also stated that he was offered to be made an 'approver', which he declined. With regard to the specific question of PW No.1141-Aiyaz Saiyed (Exh.8191) mentioning his name as an accused, he offered explanation that said PW No.1141 has given his name out of jealousy. No.957 has been tutored by the DCB. He has also given details of his activities while in custody which, according to him, were very constructive and positive. The explanation, thus, offered by this accused is quite general in nature and again, his remand period has been monitored by judicial officers, who have not confirmed any of the allegations made by the accused. Insofar as the evidence of two witnesses are concerned, the explanation offered by him to such evidence does not inspire any confidence.

Accused No.5 – Gyasuddin @ Gyasu S/O Abdulsalim Ansari (Exh.127):

17.14. Almost 4612 questions have been posed to this accused under Section 313 of Cr.P.C., where he has recorded denial or has claimed ignorance about the nature of evidence and circumstances placed before him. However, in his explanation, he has stated that the evidence against him has been got-up. He was wrongly arrested and wrongly charge-sheeted, though during the investigation, no evidence was found against him. He has stated that he is not connected with SIMI and has never attended any such program or delivered any religious lectures / discourse and has claimed innocence of all the charges.

17.15. In the opinion of the Court, the explanation offered is very general in nature and there is no specific version as regards the incriminating circumstances put to this accused.

Accused No.7 – Mohammad Usman S/O Mohammad Anis Agarbattiwala (Exh.129):

17.16. The trial Court has recorded answers to approx. 4500 questions under Section 313 of Cr.P.C., a majority of which have been answered by way of denial. He has also declined to examine himself as a witness or to examine any defence witness.

He is not directly or indirectly connected with the blast, but in a surreptitious manner, on 07-08-2008, without any prior notice by SOG, Baroda, he was picked up from his shop and was taken to some unknown place, where he was continuously interrogated and pressurized to admit to the crime. He was given unbearable torture and was also assaulted physically. He was kept out of connection with his family for 05 days. Thereafter, he was brought to Ahmedabad in connection with the serial blast case. His head was always covered with 'burkha' and he was not allowed to sleep for several days together. The accused has given details of the period in police custody and has explained that only because of the false investigation by the police he has been roped in the serious offence. Otherwise, he is innocent.

17.18. In the opinion of the Court, the explanation offered is very general in nature and therefore, in absence of specific answer to specific incriminating circumstance against the accused, the general explanation is of no consequence.

Accused No.8 – Yunus S/O Mohammad Mansuri vide Exh.130

17.19. The further statement of this accused was recorded on 21-03-2020, where he was posed 4620 questions relating to incriminating circumstances and evidence against him but, the accused has either denied or claimed ignorance and has, lastly, declined to examine himself as a witness or to offer any defence witness. He has offered explanation that he has been wrongly involved in this offence though he is innocent and is not connected with SIMI activities. He has also denied any role in the training camp at Halol. He has explained the manner in which he was tortured, i.e. by not being allowed to sleep and was pressurized to admit to the crime by torture through electric shocks. He has denied that he has undertaken any discovery during his police custody and his

identification in the Court of Magistrate is also erroneous and doubtful.

17.20. In the opinion of the Court, this accused has also given explanation in general and has not offered any specific explanation to the incriminating circumstances placed before him in the further statement.

Accused No.11 – Sibli @ Sabit S/O Abdul Karim Muslim (Exh.133):

17.21. The trial Court has posed 4615 questions with the Certificate that the proceedings under Section 313 of Cr.P.C. were recorded via Video Conferencing from Bhopal Central Jail. The Certificate also mentioned that the accused is not knowing Gujarati and was explained the questions in Hindi, to which he has answered in Hindi and those answers have, thereafter, been recorded in Gujarati. Again, the accused is on the line of denial and claimed ignorance about the circumstances posed against him. However, he has offered explanation, which is general in nature wherein, he has stated that he is wrongly involved in the offence and that he never had an occasion to come to Gujarat. He has no connection with the camp at Vagamon and has never attended the Vagamon camp. A detailed explanation is given by this accused in English as additional submissions in continuation of his statement u/s.313 of Cr.P.C. wherein, he has stated that four months prior to the bomb blast in Gujarat, he was arrested by the Madhya Pradesh Police and the entire story is cooked up by Gujarat Police to frame Muslim youth not connected with the offence and that it is a conspiracy of Gujarat Police to connect the incident with the blasts that have occurred in other parts of the country. He has also mentioned about the adverse effect on his case on account of jail transfer by mentioning that he was convicted and sentenced by the Sessions Court at Indore in February 2017 and therefore, he could not remain present before the Court at

Ahmedabad and had to remain present through Video Conferencing. He has stated that the prosecuting agency has succeeded in luring co-accused – Aiyaz to become a prosecution witness and that co-accused – Aiyaz is the only witness who has deposed against this accused. He has stated that his identification is questionable and thereby, points to the fabrication of evidence. He had complained about the poor quality of Video Conferencing facility at Bhopal Central Jail, as a result of which, he was prevented from effective participation in the trial. He has also raised grievance against the inhuman and non-cooperative conditions at Bhopal Central Jail, which, according to him, has affected his chance to stand a fair trial. He has stated that over the period, many issues were flagged by him, but none of the Courts were able to answer any of his issues and false case has been foisted upon him, but he has immense faith in his God 'Almighty Allah' and that he will remain a dedicated Muslim, despite his persecution, stereo-typing, Islamophobia and discrimination.

17.22. In the opinion of the Court, the entire explanation offered by the accused has no legal consequence, as it fails to explain the incriminating circumstances against him.

Accused No.12 – Safdar Hussain @ Hussainbhai @ Iqbal S/O Jaharul Hasan Nagori (Exh.134):

17.23. This accused has been posed with 4626 questions, which were largely answered by the accused by way of denial or claiming ignorance. At the relevant time, as the accused was in Bhopal Central Jail, he has specifically answered the question as to whether he is desirous of being examined as a defence witness while being in Bhopal Central Jail. He replied that he is not in a mental condition to decide on the said issue and also answered to the question as to whether he wanted

He has no connection with any of the allegations relating to either the Surat blast or Ahmedabad blast. At the bottom of the document, the Certificate of trial Court is affixed to the effect that the accused, being a non-Gujarati, has been explained all the questions in Hindi, which he has answered in Hindi and upon translation, they have been recorded in Gujarati.

Accused No.13 – Hafiz Hussain @ Adnan S/O Tajuddin Mulla (Exh.135)

17.24. The further statement of this accused was recorded by Video Conferencing and as the accused was knowing Gujarati language and was knowing Hindi, the procedure for recording the further statement took place in Hindi and the answers were recorded in Gujarati. The Certificate to that effect is annexed when the further statement was recorded on 26-06-2020. Overall, the response given to the questions posed was of complete denial or claiming of ignorance. Lastly, he offered explanation that there is no evidence or witness against him and that he has never entered Gujarat State and was in Indore Jail since March 2008 in connection with some other offence. He has narrated that he has been investigated by various investigating agencies with regard to the bomb blasts that took place in Madhya Pradesh, Bombay, etc. and he was brought to Ahmedabad from Indore on 23-08-2008. He has mentioned about an accident that he had met with and also about his health condition. Over and above, written additional submissions have been forwarded in Hindi where he claims to be a Civil Engineer and belonging to a well to do Muslim family of Bijapur, Karnataka and that he was illegally picked up from his house in Bijapur in March 2008 and was physically and mentally tortured before being handed over to

Accused No.15 – Mufti Abubasar @ Abdul Rashid @ Abdulla S/O Abubakar Shaikh (Exh.137)

17.28. This accused was posed with questions framed under Section 313 of Cr.P.C. and Exh.137 contains the Certificate issued by trial Court regarding the fact that the accused is a non-Gujarati but, the process of recording further statement was conducted in Hindi and the answers were recorded in Gujarati. The entire case of this accused is of claiming innocence. He has stated that he has no connection with either the Ahmedabad serial blast or the Surat bomb plantation cases. He has been apprehended without any warrant, though he belongs to Village: Binwara, District: Azamgarh, Uttar Pradesh and by creating false evidence, he has been implicated in the present offence.

17.29. With regard to other incriminating circumstances, the accused has adopted the line of total denial.

Accused No.16 – Abbas S/O Umar Sameja (Exh.138):

his elder brother – Mohmmed Hussain Umar Sameja was picked up from their shop in Bhuj and was taken to SOG, Bhuj. When he went to SOG, Bhuj for inquiry, he also saw his other relatives at SOG Office, Bhuj. As this accused confronted the police for releasing his brother and other relatives, he was threatened that he too will be implicated in the offence. All three of them were then brought to Ahmedabad with their faces covered, where they were taken to different offices and were assaulted mercilessly and threatened to admit to the serial blasts. While he was in custody, they were not permitted to meet their family members or Advocates. He has referred to the attempts made by his sister-in-law of making applications to various authorities against the illegal detention of himself and his family members and on account of such attempts, the police deliberately implicated the accused in this offence and effected formal arrest on 04-09-2008 and thereafter, he was taken on remand by various police stations in connection with various offences of Ahmedabad and Surat and despite there being no evidence against the accused, the police fabricated the evidence and filed false charge-sheet. The further statement was recorded on 03-07-2020 bearing the signature of accused.

17.31. In the opinion of the Court, the case of this accused is also that of complete denial and he has not offered any valid explanation to the incriminating circumstances against him.

circumstances posed as questions under Section 313 of Cr.P.C.

Accused No. 27 – Mohammad Ismail @ Abdul Rajik @ Musaf @ Furkan S/O Mohammad Isaak Mansuri vide Exh.149:

17.37. The accused has given his explanation in writing where he has narrated about his family members and has stated that by wrong means, he has been implicated in the offence. Through the written explanation, he wanted to bring on record the real facts and the torture meted out to him by the Crime Branch Officers. His family members were also tortured by the Crime Branch Officers. After the death of his first wife, he has remarried. He describes about his visit to religious places like Ajmer, etc. and about his married family life and the life of his sister and other family members. He has stated that on 07-08-2008, when he was at his sister's place at Nagda, his father called him and informed that from their area, the Crime Branch officers are rounding-up many young Muslim persons and that his younger brother Shakil has also been picked up with the information that after two days, he would be released. His father also informed him that when he went to meet Shakil at the Crime Branch, the police informed him to come with his other son and so, his father called him and asked him to come to Ahmedabad so that Shakil could be released. Upon this information, the accused came to Ahmedabad and on 08-08-2008, his father took him to the Crime Branch. Thereafter, his brother Shakil was allowed to go with his father with the information that after two days, Ismail (the accused herein) would be released. Thereafter, many a times, the family members used to come and make inquiry about the accused, but they were always abused. He has alleged that from 08-08-2008 onwards, he was illegally detained and while he was in custody, he came to know that various other young Muslims were also detained. He has narrated

several names, who are named as accused in this offence as well. He has narrated that the Police used to resort to atrocities and threatened them that their entire life would be in jail unless they admit to the guilt and agree to become witnesses. As the accused did not agree to become a witness, he was, ultimately, made an accused in this offence on 23-10-2008 though the accused had no connection with the offence.

17.38. He has, thereafter, referred to the panchnama, which, according to him, has been falsely created with the help of panch witnesses and the disclosure which was made in panchnama was made by force. He has, thereafter, referred to specific actions of the Crime Branch for making the accused an approver by admitting to the guilt. The police officers summoned him along with Aiyaz and induced them to admit the offence. He also referred to witness – Zakir Kureshi, whom the police had made a witness. The police offered that if they becomes witnesses, then they could settle in New York or Belgium. Initially, Aiyaz and this accused refused to become witnesses and thereafter, through one Head Constable of ATS, other police officers and jail authority, they were pressurized and lured to become witnesses. He has stated that before becoming an approver, Aiyaz met him in jail to discuss the issue regarding admission of guilt. He has referred to the offer made by police if he becomes an approver. He has stated that approver Aiyaz had told him that he was scared and that he will be sentenced for this offence but, as he wanted to escape from the liability, he was ready to go to any extent and to admit the guilt. He has referred to various panchnamas to state that they are falsely created documents.

17.40. The further statement under Section 313 of Cr.P.C. of this accused was recorded on 28-02-2020 with an endorsement by the trial Court that the questions and answers were undertaken in Hindi, which language was known to the accused and the answers given in Hindi by the accused were recorded in Gujarati. The accused has taken a stand of total denial and claimed ignorance about the evidence / circumstances against him. He has also denied to examine himself as a witness or to examine any defence witness. In the explanation offered by this accused, he has stated that he is innocent and is no way connected with the serial blasts in Ahmedabad or plantation of bombs in Surat. A false case on the basis of false evidence has been foisted against him. On 26-08-2008 he was arrested in a petty offence in Bombay and was kept in Mumbai Crime Branch in connection with which a Report under Section 169 was filed. However, the accused was transferred to the Crime Branch at Surat for some offence of theft, where also he was discharged, still, he was made an accused in the so-called bomb blasts of Ahmedabad. After being arrested, the Crime Branch illegally detained him, against which, his elder brother sent a Fax to the Chief Justice of Bombay High Court. He is attributed with the role of committing theft of a Car in Mumbai and has been illegally arrested in that offence also. He has referred to other FIRs registered at Nerul Police Station and Panvel Police Station, in which, he was arrested, but has been acquitted in both the offences, which establishes his innocence and therefore, the role attributed to him cannot be said to be proved. they were declared innocent. On 04-12-2008, the police officers from Gujarat came to Ujjain and took their custody. They were brought to Ahmedabad and in a false case, they were implicated. He has stated that all the panchnamas, which are drawn in his name, are fabricated and that he was never taken outside to any place for drawing such panchnamas. With regard to the Test Identification parade, he was shown to the witnesses before the Test Identification parade and therefore, his identity was not established. He has stated that though he is not known by any alias names, the Crime Branch has wrongly attached various alias names against him. In connection with the offence in the State of Kerala, where he was arrested on 30-09-2009, the NIA Court on 14-05-2018 had declared him innocent.

17.47. With regard to the Vagamon camp case, he has stated that no evidence about his involvement in the case has come on record. He has narrated that by luring Aiyaz, he has been converted into an approver. He has, thereafter, referred to atrocities. He has stated that during his custody, he was harassed physically and mentally because of which he was scared and the entire atmosphere, even when his relatives used to come to meet him in jail, was of fear. On account of the continuous tension and fear, for the first time, in the statement under Section 313 of Cr.P.C., he has narrated his real story.

17.48. It is pertinent to observe that the accused has also deposed as defence witness at Exh.159, which the Court has discussed about while considering his case in the Chapter of “Accused-wise discussion of the evidence”.

He has not stayed in any Hotel with any of the co-accused. On a wrong premise, he has been apprehended and put-up in lock-up in illegal detention and has been implicated in the offence by creating false evidence.

17.53. In the opinion of the Court, the accused has not offered any valid explanation to the incriminating circumstances put forth to him under Section 313 and has offered only general explanation.

Accused No.46 – Mohammad Naushad @ Mohammad Irshad Saiyed (Exh.168):

17.54. The further statement of this accused under Section 313 of Cr.P.C. has been recorded, wherein the case of the accused is that of total denial. However, as a final explanation, he has given written statement under Section 313 in English, wherein he has narrated that he is in prison since 11 years. He is from Mangaluru, Karnataka and does not understand Gujarati language. Though he is innocent, he has been wrongly roped into the offence and has always followed and obeyed Indian Law and Constitution. He has stated that previously, i.e. on 02-10-2008, he was called for local inquiry by the Bengaluru police and after three months i.e. on 05-01-2009, he was transferred to Gujarat

police and was kept at the Police Station for two months without any inquiry and was informed that after completing necessary works, they would make arrangement for his early release. He has stated that he is not involved in any offence but, has been falsely implicated with the ill-intention to drag him in the offence with the purpose of achieving illegal gratification. He has denied any incriminating articles or paper evidence that have been attributed to him stating that they are false, fabricated, concocted and baseless. The statement has been submitted under the signature of accused and Jailor of Central Prison, Bengaluru.

17.55. The accused has not offered any valid explanation to the incriminating circumstances, but has given general explanation about his innocence and false involvement.

17.56. The further statement under Section 313 of Cr.P.C. was recorded. The case of the accused is that of total denial and along with this, written explanation under Section 313 is given, which is in English, wherein he has stated that he had left his job in UAE due to illness of his wife and came back to India and started working at Mangalore**.** On the day of Eid, the Mangalore police came to his home but, as he was not at home, the police left a message asking him to visit the Police Station for the purpose of Passport and Visa for some inquiry. When he went to the Police Station, he was kept under lock-up. While he was in lock-up, he was asked as to whether he knew others, who were also there in the lock-up, to which he answered that he had no knowledge of other persons in the lock-up. He was allowed to go at night and was again called next day. On that day, he was shown arrested and was tortured and forced to sign on blank papers. He was produced before the Court at Mangalore. Court at Mangalore, the Gujarat Police came to Central Prison, Mangalore for making inquiry about the Gujarat blast case and on inquiry, the accused replied that he had never seen or been to Gujarat. However, he was threatened that Gujarat Police would take his custody and ultimately, the Gujarat police took his custody and falsely implicated him in the offence, without there being any evidence against him. Therefore, in the charge-sheet, the allegations made are baseless and without any evidence. He has therefore, prayed to be discharged.

17.57. In the opinion of the Court, there is no valid explanation by the accused to the incriminating circumstances cited against him.

Accused No.49 – Sarfuddin @ Sarfu S/O It Sainuddin @ Abdul Sattar @ Abdul Salam @ Salim (Exh.171):

17.58. The further statement under Section 313 of Cr.P.C. was recorded on 17-03-2020 and in addition, he has given written submissions. He has dictated his statement under Section 313 in Malayalam, which was translated by an inmate in English and after reading and understanding the contents, the accused has put his signature under the further explanation given in writing. In the written explanation, he has stated about his family and medical ailment of his father and when he went to meet his father, who was detained by Bengaluru police, this accused was also detained. After being in Bengaluru prison, all of a sudden, he was transferred to Gujarat Police and for about two months, he was kept at different places in Gujarat and lastly, was sent to Ahmedabad Central Prison. According to him, he had never travelled outside Kerala and had never visited Gujarat. He is totally ignorant of electronic gadgets and therefore, the allegation regarding use of electronics by the accused is false and fabricated. He has reiterated that he is not involved in this offence and has been falsely

17.59. The explanation offered by this accused is very general in nature and there is no valid explanation to the incriminating circumstances cited against the accused.

Accused No.59 – Mohammad Ansar @ Siddik @ Nadvi S/O Abdul Razak Muslim (Exh.181):

17.60. The further statement under Section 313 of Cr.P.C. has been recorded with an endorsement by the trial Court that the procedure under Section 313 was explained in the language known to the accused and after his reply, the same was translated in Gujarati and recorded as such. It is a case of complete denial by the accused and the final explanation was submitted in writing vide statement dated 03.07.2020.

17.61. In this further statement in writing, he has denied about his involvement in the serial bomb blasts, which occurred in Ahmedabad and the bombs that were recovered from Surat. He has stated that he has been deprived of fair trial on account of his transfer from Ahmedabad Central Jail to Indore Central Jail and thereafter, to Bhopal Central Prison. He has stated that his transfer to Indore and then to Bhopal is on account of his conviction by the Court at Indore in February 2017, and therefore, while his trial in the Court at Indore was in progress, he was at Ahmedabad, as a result of which, he did not get a fair trial. He has stated that he was not given proper legal assistance to oppose his transfer from one jail to another.

17.62. He has stated that the prosecution had succeeded to lure co-accused Aiyaz Razakmiyan, accused No.23, as the case of the prosecution was crumbling due to lack of evidence. Thereafter, he has narrated several issues, which he faced as an under-trial and thereby, his trial was not fair. He was denied several documents. He faced language

barrier and could not have meaningful and confidential interaction with the Advocates, etc. He has stated that he does not have any alias name/s and by alias name, he has been wrongly arraigned as an accused by concocting false evidence. He has lastly stated that since he was booked in other cases under the UAPA in the States of Kerala, Karnataka and Madhya Pradesh, it was easy for Gujarat Police to arraign him as an accused in this case.

17.63. With regard to confessional statement under Section 164 by accused No.35-Rafiyuddin S/O Sarfuddin Kapadiya, accused No.24-Umar @ Ashok Kalabhai Kabira, accused No.2-Imran S/O Ibrahim Shaikh and accused No.21-Mehandihasan @ Vikki S/O Abdul Habib Ansari, according to him, these statements are false and were given under heavy pressure by the Gujarat Police. None of the witnesses have attributed any role to this accused, still he has been arraigned as an accused.

17.64. The Court has perused the statement under Section 313 of Cr.P.C. of this accused. He has taken up a case of complete denial and has offered explanation as above; however, he has not specifically answered to all the incriminating circumstances which were posed to him.

complete denial and towards his final explanation, he has given written statement under Section 313 of Cr.P.C.. He has stated that he is not involved in the present offence and is falsely implicated by the Gujarat police and the Gujarat Government due to vested interests. He has raised grievance that on account of his jail transfers from the jails of Ahmedabad, Indore and Bhopal, his chance of fair trial has been adversely affected. He has objected to such transfers as he was not able to put up his defence and could not interact with his Advocates. He has also raised grievance with regard to non-participation in the trial on account of poor video quality from Bhopal Central Prison. He has, thereafter, gone on to list certain circumstances, which, according to him, has resulted in lack of fair trial, viz. he was not able to contact Senior Advocates and the only communication that was allowed, was through Video conferencing, which too, was of poor quality. He was not permitted to give written instructions to his Advocates directly but, had to route it through the jail authorities. He was also denied pen and paper in the jail by the jail administration in Madhya Pradesh. Accordingly, he has narrated that he was not satisfied with the manner in which he could represent his case in the trial. He has referred to Exh.9021 document, on which the prosecution relies upon for this accused. According to him, this document does not contribute any evidence against this accused and the statement made by accused No.76-Manjarimam was not at all voluntary and therefore, it cannot be used as evidence against him. Moreover, according to him, there is no evidence to corroborate what accused No.76-Manjarimam has stated against him.

17.66. He has also objected to the version of PW No.1141-Aiyaz by stating that the witness has not given deposition by his own knowledge but, was simply singing the tunes of the Crime Branch. The witness has

falsely identified him in place of his brother – Sibli, through Video Conferencing though they both do not look similar. Therefore, the evidence of PW No.1141-Aiyaz is required to be treated as false evidence. According to the accused, he is totally innocent and without any fault on his part, he has languished in jail for more than 12 years.

17.67. The Court finds that there is no specific answer to the incriminating circumstances posed against the accused and his statement that the confessional statements of co-accused - Manjarimam and Aiyaz should not be believed on the ground that they were given under pressure, the Court finds no evidence in support of such statement. On the contrary, the Court has perused in detail the manner in which the confessional statements have been recorded by the Magistrate after complying with necessary procedure.

17.68. In the opinion of the Court, mere identification of the brother of this accused by PW No.1141-Aiyaz would not render the entire evidence of this witness doubtful, as the evidence of PW No.1141 has been discussed in great detail, including the answers given by him during the course of cross-examination.

17.70. According to him, the police has not undertaken the procedure of drawing panchnama, as he was never called before the panch witness. He was never taken to places like Surat, Ahmedabad or Mumbai. He has stated that he has never absconded in the offence and has never stayed in any Hotel. He was brought to Mumbai Crime Branch from his home-town Indore and was falsely involved in the offence of Car theft. However, he has already been acquitted for the offence of Car theft registered in Mumbai and therefore, his role cannot be connected with the Car.

17.71. The accused has given explanation only to one circumstance, i.e. regarding the Car theft, on the basis of acquittal by the trial Court at Mumbai. However, with regard to other set of evidence, which are incriminating circumstances against the accused, he has not offered any valid explanation.

He has stated that while in custody, he has been forced to put his signature on various documents, which are, thereafter, treated as evidence.

17.75. In this case, the accused has only claimed ignorance to all the evidences, which were placed before him in the form of questions-answers and has only referred to the documents of panchnama as being fabricated, without there being any other evidence which would lead the Court to believe that the documents were fabricated.

17.76. The further statement of this accused under Section 313 of Cr.P.C. was recorded on 26-02-2020, wherein the stand of the accused is that of complete denial. He has also denied to examine himself as a witness or to examine any defence witness. In the final explanation, he has stated that he is innocent and is not connected with the serial blast at Ahmedabad or with the bomb plantation in Surat. He is a resident of Amalner in Maharashtra and on the basis of wrong evidence, he has been implicated in this offence. By profession, he is an Engineer and was serving as a Technical Support Associate in Wipro Company at Mumbai. Thereafter, he was working in Ahmedabad as a Lecturer and despite there being no evidence, in the year 2017, he was arrested. He has stated that he has never gone to Halol or Pavagadh and there is no evidence against him but, still he has been wrongly charge-sheeted.

17.77. The Court finds that the accused has not answered to the specific circumstances, which are incriminating against him and has only given general explanation of denial.

Accused No.6 – Mohammad Aarif S/o Mohammad Iqbal Kagzi (Exh.128):

17.78. This accused has offered an explanation in general by narrating that after the serial bomb blasts in Ahmedabad he was repeatedly summoned by Investigating Agencies for inquiry and that on 06.08.2008 he was illegally detained by the Crime Branch and was subjected to serial custodial torture and was kept in illegal confinement for about 10 days before being formally arrested. According to him, he had complained about such illegal confinement and torture before the Metropolitan Magistrate upon his first production i.e. on 21.11.2008. He has further narrated that he is innocent, has no connection with either SIMI or IM and that he has been falsely implicated in the present case. He has also relied upon his acquittal in the Vagamon training camp case by the Special Court at Ernakulam to contend that he had neither attended the said training camp nor had any involvement in any terrorist activity. He has further narrated that the approver, Aiyaz Razakmiya Saiyed has deposed falsely against him on account of personal grudge enmity which arose out of the incidents when they were together in imprisonment and that the prosecution has examined him as an approver only because it had otherwise failed to establish the charges against the accused. The accused has lastly narrated about the hardship suffered by his family and the collapse of his readymade garment business during his prolonged detention and that he is innocent and deserves to be acquitted.

17.79. In the opinion of the Court, the explanation offered by the accused in general in nature and in absence of specific answer to the incriminating circumstances against the accused, the general explanation is of no consequence.

drawn to an order dated 27.04.2026 in Criminal Appeal (Diary) No.24574 of 2026 in case of Aman Singh and Another v/s. State of Bihar. The case appears to be still pending and is to be listed again before the Apex Court. The directions are given in para-13 where the object is very categorically mentioned which is to ensure meaningful legal representation in cases involving a potential death sentence and for that purpose, the directions have been issued. As discussed elsewhere, exercise appears to have been conducted by the Special Court and accused wise discussion is also evident from the judgment. In para-13B, the direction is to the effect that in the event of such report has not been called for or placed on record before the trial Court, then it is mandatory to call for the same at the stage of admission of death reference.

17.81. From the record of this case, the final verdict by the Special Court was pronounced on 18.02.2022. The Sessions Court forwarded the case for confirmation by communication dated 02/03.03.2022 and this Court had ordered admission of the matter vide order dated 28.07.2022.

17.82. Considering the exercise undertaken and the crime being an act of terrorism which by itself is an aggravating circumstance and the nature of mitigating circumstances considered by the Special Court and also pleaded before us, the requirement of such an exercise is met with.

18. Terrorism and Sentencing

18.1. The prosecution examined 1163 witnesses and defence also examined 8 witnesses. Though all efforts were made to complete the trial as early as possible, it took 10 long years to finish the trial, wherein one of the contributing factors was Covid period. However, during that period, trial Judge and all parties concerned cooperated in proceeding with the trial through virtual mode.

18.2. Though trial came to be proceeded against 78 accused, large number of accused persons were still found absconding and therefore, stage of investigation continued.

18.3. Even after delivering judgment in the present case on 18.02.2022, some of the absconding accused, four in number, came to be arrested at very later stage and were charge sheeted. Trial qua them is in progress now.

18.4. Even during the course of trial, as accused persons were facing prosecution arising against them from different States, when the dates of two different proceedings got coincided on one particular day, the Court was requested adjourn the present proceedings and accommodate certain accused for attending them other proceedings. This also clearly establishes that accused persons are mindful and vigilant for their rights of attending different proceedings in person.

18.5. During the course of proceedings before the trial Court, many applications were given by accused persons agitating about their rights of receiving food like eggs for the purpose of having protean

included food like milk, etc. There are also many applications filed for providing them books, newspapers, etc. Many accused persons have also agitated about their rights of receiving comfort and convenience inside jail.

18.6. There are also applications in the nature of providing them papers of investigation in the language known to them as they agitated about they being not knowing Gujarati. As a matter of fact, during the course of trial, it was revealed that what was submitted about not knowing Gujarati was not a correct statement. Apart from that, application of accused about providing them material of investigation in the language known to them was adjudicated and decided.

18.7. It was has also revealed during the course of trial that many accused have exercised some rights which as per their prayer lead to giving of copies of certain documents, etc. as they are entitled to get them under the Right to Information Act and the same was also complied and were placed before this Court for perusal. To show that the accused persons are headstrong, the trial Court has also taken note of the fact that accused persons would enter into conflict with the treating doctors as also would threaten them, if concerned doctor does not prescribe tonic and juice as suggested by accused persons, even there are instances that accused themselves would prescribe their requirement and would collect the same from Jail Medical Store. Though it was made known to these set of accused including convicted accused that whenever Ld. Judge comes on Dias as a mark of respect everyone has to stand up and only after Ld. Judge sits on his chair, all concerned were required to sit, not only they refused to do that but ridiculed and, thereafter, Ld. Judge to save herself from such humiliation was forced to apply curtain so that whenever Ld. Judge comes on Dias. The concerned

Trial Court was therefore forced to make a remark in the Rojkam referring to this conduct. The Court has perused such remarks vide Entry on Page No.429 of the Rojkam dated 30.06.2012. This shows the extent of headstrongness of accused persons, which also is recorded by the trial Court. The Court may refer to Exh.711 which is the grievance raised by the team of medical officers attending these set of accused, as an undertrial. This application was addressed to the trial Court and is part of the record. Along with this Exhibit, there is also communication dated 25.12.2012 addressed to the jail authorities where the high handedness of these accused is highlighted. The grievance is of the nature that the Medical Officers had to give in to their illegal demands and had faced threat to their person even while discharging their duty in the premises of the Central Jail. This particular conduct has also been noted in the Rojkam vide Entry dated 17.01.2013 at Page No.615.

18.8. It is also a matter of record that even police persons discharging their duty in jail were frequently threatened by this set of accused and police were also abused by them.

18.9. The trial Court has also taken note about frequent correspondence received by him from Bhopal Central Jail about repeated misbehaviour done by set of accused lodged at Bhopal Jail and also committing frequent violation of Jail Manual. It has also come on record that one such accused at Bhopal Jail in an attempt to escape from jail, took life of one jail official.

18.10. It is also a matter of record that papers in the form of charge-sheet provided to the accused persons were used for preparing instrument of weight lifting like dumbbells weighing 5 kg. while in judicial custody and also seized by Jail Superintendent.

18.11. It is also a matter of record that when A-10 was asked as to

what he would like to say on sentence, his reply was that Allah's law will apply to earth, Allah's law will give justice and Government of India and law of India will not give justice, there is no prison in India that will keep us forever in jail, give whatever punishment you want, etc. This shows headstrong mind of accused, and many accused as like A-10 has expressed their headstrong mind while showing disregard for rule of law in India. This also would apply to A-15 and A-44, who are also death convicts. A-16 and A-78, who are also death convicts, stated that Advocate Khalidbhai had cheated him. A-44 has also threatened Public Prosecutor.

18.12. Even during the course of hearing of different proceedings before this Court, different applications were given for giving personal hearing to the convicted accused and have also prayed for extending link to participate in virtual hearing for the purpose of their appearance through VC, which ultimately came to be decided by Hon'ble Supreme Court and pursuant to the order passed by Hon'ble Supreme Court, Video Conferencing link for participating hearing of Court Proceedings was given to each and all accused across different Central Jails of different States. Considering it, even during proceedings before this Court, it is found that convicted accused are fully conscious, vigilant about their rights and remedies, which they can avail.

18.13. On the ground of gravity of offence for considering enormity of crime, element of vengeance, heinousness, deaths and injuries to absolutely innocent persons and nature of execution of crime, the prosecution for the purpose of considering doctrine of rarest of rare case, has submitted that conspiracy is always hatched in dark, probably conspiracy of this case is not only hatched in darkest hour, but, it is so hatched that some set of accused-conspirator would certainly not be

knowing, which are the other set of conspirators and acts done by some set of conspirators would also be unknown to other set of conspirators. It is also a matter of record that principal perpetrators have taken sufficient care so that identity of all the conspirators would not be known to each and all or to each and other. There are different sequels to the entire conspiracy. The foundational conspiracy was laid at the Vagamon camp, Kerala, which was participated by several persons from across different States and thereafter, camp was held at Pavagadh, Halol, Gujarat. In all the meetings, the perpetrators of the crime instigated participants by giving 'jehadi' speeches with the object of executing mass killings of innocent civilians in retaliation of the 2002 Gujarat riots. During the course of different meetings, training was imparted for the preparation of bombs, videos on 'jehad' were shown, etc. For the purpose of preparing bombs, accused persons got on rent two different houses at Surat and Ahmedabad so that their nefarious activities are achieved.

18.14. It is submitted that the accused are head-strong persons is also known from the fact that the accused, who have been given set-off, along with other convicted accused who have been awarded death penalty, used the articles / items provided to them by the jail authority in pursuance of the orders of the Court for digging tunnel inside Sabarmati Central Jail, Ahmedabad in order to escape prison. If the act of digging of tunnel had not come to the notice of the jail authority in time, then the accused would have escaped from jail.

18.15. In view of above, commission of striking terror is extremely cruel and gravest cases of extreme culpability and the character of perpetrator of crime is wicked and corrupt. In view of that, the prosecution has submitted that life imprisonment would be altogether an

inadequate punishment having regard to the relevant circumstances of the crime and this is not a case where life imprisonment can be awarded conscientiously. The Court is also of the opinion that the crime committed by convicts is uncommon, society's abhorrence, extreme indignation, continuing threat to society. Therefore, ther is justification for prosecution to submit that doctrine of rarest to rare case is fully satisfied and option of life imprisonment is the only option.

18.16. The trial Court while awarding death sentence has also considered this aspect of doctrine of rarest of rare case in page 6927 to 6947 and has also considered ***Bachan Singh v/s. State of Punjab reported in AIR 1980 SC 898*** and ***Mukesh and Anr. v/s. State (NCT of Delhi)*** reported in ***2017 (6) SCC 1***. The prosecution has also submitted that the exercise of getting reports of mitigating circumstance for convicted accused persons is already undertaken by the trial Court, which is also demonstrable from the judgment from page 6758 to 6927.

18.17. As said the exercise is undertaken by the trial Court and that there is no longer period of hiatus between the exercise undertaken by the trial Court and present day, hence, prosecution would submit that this Court is not required to undertake the same exercise again. Defence also, while placing reliance on the judgment reported in 2023 2 (SCC) 353 of Manoj and Others, also not submitted anything with regard to mitigating circumstances for any of the death sentence accused persons.

18.18. In all, 38 accused persons are awarded death sentence for offence punishable under Section 302 of IPC and are also awarded death sentence for committing terrorist act punishable under Section 16(1)(a) of UAPA and are also awarded death sentence for offence punishable under Section 10 of UAPA as these accused were found to be members of unlawful association.

18.19. Considering the settled legal position enunciated in the cases of ***Bachan Singh Vs. State of Punjab (supra)*** and ***Machhi Singh v/s. State of Punjab reported in AIR 1983 SC 957*** and also considering provisions of Section 235(2) as well as Section 354(3) of Cr.P.C., the trial Court has afforded sufficient opportunity to all convicted accused to placed their reasons and grounds for the purpose of sentencing them.

18.20. In an effort and endeavour to give sufficient opportunity to convicted accused persons, all the applications and all and any supporting documents given by them or their Ld. Advocates were taken on record and based on such application and supporting material, submissions for the purpose of sentencing them were heard along with representatives of State. All convicted accused were represented by Ld. Advocates of their choice not only during the course of trial, but, even from the stage of their production before the Court for the purpose of remand, etc. If at all, any accused was found un-represented, such un-represented accused was also provided legal aid.

18.21. Considering the representation made by Ld. Advocates who represented their respective clients-accused persons, detailed cross-examination is also made, which also appears from the record of the case. It is also a matter of record that lawyers from outside the State of Gujarat also appeared during the course of trial to represent some of the accused.

18.22. It also appears from the record that all possible challenge available under the scheme of the Code is made and is also duly adjudicated on behalf of accused persons. In view of above, all the accused persons were ably defended by their respective Ld. Advocates.

18.23. It is also a matter of record that death sentence was awarded to 38 persons and Confirmation Case No. 2 of 2022 was filed and

effective hearing of this Confirmation Case along with the allied appeal matters started almost from 04.03.2025 and ended on 08.05.2026. Even during hearing of this different matters, different convict accused were represented by large number of Senior Advocates from different States namely from State of Maharashtra, Delhi, Ahmedabad. In view of that, all the convicted accused were ably represented by their respective Ld. Advocates of their choice.

18.24. At the initial stage, some of the convicted accused were found un-represented and they were given sufficient opportunity to engage their Ld. Advocates and ultimately, they engaged Ld. Advocates of their choice except one i.e. A-28 to whom from the list of Advocates, services of one Ld. Advocate was ordered to be given, but ultimately, his matter was argued by one of the Ld. Advocates who also argued for other accused. Hence, even in the course of proceedings before this Court, all the convicted accused were sufficiently heard through Ld. Advocates of their choice.

18.25. There are different threads to conspiracy and the foundational head of conspiracy is arrangement of Kerala Camp, participated by lot many persons from across different States, though the case of prosecution is conspiracy started much prior to this foundational head. Other foundational head, which happened subsequent to it, is Halol Camp, again attended by some common participants and also some new participants conspirators and, thereafter, in Month of March, 2008 at the house of relative of one of the accused, another crucial conference took place. The case of prosecution is that all the sequels to the conspiracy was only to achieve its ultimate object and that was only and only to take revenge of 2002 riots in which lot many Muslims lost their lives and humongous loss to the properties of Muslims and for that,

to execute mass killings. In all the meetings which took place and which continued even up to day of occurrence i.e. 26.07.2008, different perpetrators of crime had instigated participants by giving Jehadi Speech and the purpose, as submitted earlier, was to execute mass killing. Even during the course of different meetings, training was imparted for preparation of bombs and video films on Jihad were seen. Ultimately, all throughout starting from December, 2007, object of conspiracy got achieved by accused persons, who are found guilty as by their acts, efforts instructions, etc. Different parts of Ahmedabad, which would include Trauma Centre of Civil Hospital, L. G. Hospital, Public Transport Bus and crowded places where bombs were planted by accused persons exploded and which took lives of 56 innocent persons. These 56 innocent persons are of different age, some are of 10 years, youthful persons are in the range of around 25 years and some even elders. It is pertinent to state that out of 56 deaths as a result of bomb explosion, age group would be between 5 years, being the youngest victim to 70 years.

18.26. So far as casualty which happened at Trauma Centre of Civil Hospital is concerned, the timing of the blasts was so planned that when the injured persons of surrounding places with their near and dear ones would rush to Civil Hospital for necessary medical treatment and the first place, which they would cross when they reach Civil Hospital would be Trauma Centre and to see that maximum casualty happens, accused persons have planted bomb near Trauma Centre where the toll of death is 37 persons, which would include even persons, who would be qualified doctors, pregnant women and few others. Even persons working in Trauma Centre to provide services to injured persons suffered serious injuries and some even lost their lives. At this place i.e.

Trauma Centre to see that intensity of explosion remains maximum possible, explosion was magnified with the aid of gas cylinder. Even this particular blast made to suffer 84 persons receiving serious to very serious in the nature of grievous hurt injuries on different parts of their body.

18.27. It is the audacity of the accused persons to intimate that they have prepared themselves for committing bomb blast under the name of Indian Mujahideen through Email which was sent to India TV Office.

18.28. Apart from Trauma Centre, Civil Hospital, Ahmedabad, other locations were chosen by accused persons after doing sufficient surveillances-recce of different areas, etc. which included places that were crowded like Vegetable markets, Tea Stall, Pan Galla, Medical Shop, etc.

18.29. For the purpose of planting bombs, different Cars were stolen and after they being stolen from State of Maharashtra were brought in State of Gujarat either by tampering their number-plates (registered number) or by changing number-plates. The bombs were tied or loaded alongwith cycles and those cycles were just planted at crowded places so that it would not draw attention or raise doubt about such cycles, and also placing bombs in public transport bus.

18.30. So far as Surat cases are concerned, intention of accused persons is to cause heavy destruction and devastation as bombs were planted on 23 public places at a place where bombs would be tied on the tree, bridge and in a motorcar stationed at a crowded place (a place which was near doctor house). So far as these bombs are concerned i.e. bombs planted at Surat, it did not explode. But, 29 bombs were planted, which would clearly establish intentions of accused persons to cause heavy devastation and destruction of human lives and property. The

consorted attack as a result of conspiracy is evident from the nature of incidents itself. As mentioned earlier, the explosion of bombs took place at various crowded places within the City of Ahmedabad leading to deaths and injuries, where as a necessary consequence, the effort of the establishment would be to transfer the injured to the nearest Government or Private Hospitals and when this effort was underway, a planned explosion at the door step of Trauma Centre took place at the very moment when the affected / injured persons of the blasts that took place elsewhere in the City were being transferred, thereby leading to major damage to the Hospital itself leading to deaths of Doctors in service and damage to the treatment facility thereby depriving those injured and luckily survived even the facility of basic treatment.

18.31. All the circumstances herein show that it is not a case of causing murder simpliciter but, it is an act of striking terror and, therefore, this act of accused persons is not an ordinary act of committing murder, but is an act of striking terror which had led to loss of lives of 56 innocent persons and 256 persons who received different injuries, which can be termed as hurt to grievous hurt, which would also include causing of disability as well. The conduct of these accused demonstrates their headstrongness. By using books and other articles which they asked from the trial Court alongwith few other objects which were available to them, they dug a tunnel measuring approximately 213 feet while they were in judicial custody at Sabarmati Central Jail. Had this act of digging tunnel not been unearthed in time, it would have resulted in the escape of a large number of under-trial accused from Sabarmati Central Jail. This act was done by different accused, including accused persons who were awarded death sentence.

18.32. At this stage, the Court may refer to only two incidents

which would emphasise the seriousness of the consequences suffered as an aftermath of this crime. With respect to the first incident, the Court may refer to the evidence of the complainant/victim himself (PW No.2/Exh.486) wherein on 26.07.2008 at around 6:30 p.m. when he was on his way back home after picking up his son, aged 11 years, when he heard a loud explosion near a medical shop named M. Narayandas which was next to a roadside cart, upon which he felt that a gas cylinder had burst. However, upon seeing an old man lying nearby, he realized that a bomb blast had occurred. Upon hearing the people shouting that a bomb blast had occurred, he ran to the opposite side of the road wherein another explosion occurred at Gokhale Paan House due to which, this witness and his son sustained injuries. This witness sustained injuries on his right thigh and left knee whereas his son sustained injuries on his lower abdomen, private parts and on his thigh due to the shrapnel from the blast and both, the witness and his son were bleeding as a result of the injury.

18.33. With respect to the incident that had occurred at Civil Hospital which also resulted in the death of two doctors who were on duty, amongst others, the Court may refer to the evidence of P.W. No.1006-Dr. Tejas Hathila at Exh.6984 who was on duty in treating the victims of bomb blasts elsewhere and being brought to the Trauma Centre of the Civil Hospital alongwith him, a doctor couple namely; Prerak Shah and his wife Kinjal Shah, were also on duty in attending and bringing the victims brought by ambulance to the Trauma Centre and taking them for treatment inside the Hospital when the bomb exploded, which resulted in instant death of the doctor couple. Nothing more can be more shocking than this incident, and the accused cannot escape by maintaining that they were not aware or planned for such

catastrophic effect which would warrant nothing less than a capital punishment.

18.34. The sentencing is also legislative intent which has its own efficacy. When a sentence is provided in statute book then it is very much the will of the Legislature representing the will of the people that such sentence must exist to stand as a protection to civilized society and not remain dormant in the statute book and thereafter, the Court shunning from awarding appropriate sentence or looking for a small excuse to avoid sentencing is in fact, a miscarriage of justice.

18.35. Terrorism is not an abstract concept but has attained such a proportion nationally and globally that no State can now disregard its existence or compare it with other offences in the statute book. The Second Administrative Reforms Commission, in its Eighth Report titled "Combatting Terrorism: Protecting by Righteousness", where under the heading of "Terrorism in India", the Commission's report while mentioning about the strategy to counter terrorism, has observed and emphasized as under:

> *"3.7.4 The Commission would like to reiterate that any form of extremism with faith in a dogma ending in violence has the potential of escalating from hate campaign, violent hooliganism and murders of perceived enemies to terrorist activities affecting national security and citizens at large. While the Commission in this Report has dealt with some forms of extremism which have degenerated into terrorism, it needs to be highlighted that it is necessary to deal with all forms of extremism in their early stages through measures of conflict resolution accompanied by firm action against hate campaigns and local violence in order to prevent their escalation."*

18.36. Taking cognizance of and addressing this issue of terrorism, the Indian Parliament enacted BNS, 2023 defining the "terrorist act" under Section 113 of BNS.

18.37. The form of terrorism has also undergone a change in the

method of striking terror with the state machinery and the law firming up to the challenges of terrorist activities which predominantly was armed attacks like use of sophisticated arms, and ammunitions freely provided from across border but with the tightening of the State's grip over such supply chain, the method to strike terror underwent a change and common household articles were converted into lethal weapons with the combination of commonly available, though regulated, chemicals and petroleum. The world has seen that even a motor truck has been converted into a lethal weapon where as an act of terror, a terrorist would just barge into, in full speed in a crowded area with a clear intention to cause deaths of as many as innocent citizens to strike terror in the hearts of common man.

18.38. The Supreme Court had an occasion to closely examine terrorism when the Court was dealing with a batch of petitions and criminal appeals challenging the wearies of TADA Act in case of ***Kartar Singh Vs. State of Punjab***, reported in **(1994) 3 SCC, 569** and in Para 20, 21, 22, the Court had referred to the situation prevailing then and in context thereto was examining the challenge. In para 24 to 28, the Apex Court has referred to various statements made in the Parliament by the members of Parliament, in this connection. The Court may reproduce Paras 20,21, 22 as under:

> ***"****20. Before we make an in-depth examination of the challenges canvassed which are manifestly and pristinely legal, with regard to the impugned Acts and some of their provisions with a comprehensive and exclusive survey, it has become inevitable for us to give a brief sketch of the historical background and the circumstances which forced the legislature to enact these laws, as gathered from the parliamentary debates, Statement of Objects and Reasons and prefatory notes of the impugned Acts, etc., etc.*

terrorism and disruption are spearheading for one reason or another and resultantly great leaders have been assassinated by suicide bombers and many dastardly murders have been committed. Deplorably, determined youths lured by hardcore criminals and underground extremists and attracted by the ideology of terrorism are indulging in committing serious crimes against the humanity. In spite of the drastic actions taken and intense vigilance activated, the terrorists and militants do not desist from triggering lawlessness if it suits their purpose. In short, they are waging a domestic war against the sovereignty of their respective nations or against a race or community in order to create an embryonic imbalance and nervous disorder in the society either on being stimulated or instigated by the national, transnational or international hard-core criminals or secessionists etc. Resultantly, the security and integrity of the countries concerned are at peril and the law and order in many countries is disrupted. To say differently, the logic of the cult of the bullet is hovering the globe completely robbing off the reasons and rhymes. Therefore, every country has now felt the need to strengthen vigilance against the spurt in the illegal and criminal activities of the militants and terrorists so that the danger to its sovereignty is averted and the community is protected.

22. Thus, terrorism and disruptive activities are a worldwide phenomenon and India is not an exception. Unfortunately in the recent past this country has fallen in the firm grip of spiraling terrorists' violence and is caught between the deadly pangs of disruptive activities. As seen from the Objects and Reasons of the Act 31 of 1985, "Terrorists had been indulging in wanton killings, arson, looting of properties and other heinous crimes mostly in Punjab and Chandigarh" and then slowly they expanded their activities to other parts of the country i.e. Delhi, Haryana, U.P. and Rajasthan. At present they have outstretched their activities by spreading their wings far and wide almost bringing the major part of the country under the extreme violence and terrorism by letting loose unprecedented and unprovoked repression and disruption unmindful of the security of the nation, personal liberty and right, inclusive of the right to live with human dignity of the innocent citizens of this country and destroying the image of many glitzy cities like

Chandigarh, Srinagar, Delhi and Bombay by strangulating the normal life of the citizens. Apart from many skirmishes in various parts of the country, there were countless serious and horrendous events engulfing many cities with blood-bath, firing, looting, mad killing even without sparing women and children and reducing those areas into a graveyard, which brutal atrocities have rocked and shocked the whole nation."

18.39. In case of ***Rabindra Kumar Pal alias Dara Singh Vs. Republic of India***, reported in **2011 (2) SCC 490,** the Supreme Court in para-96 has observed as under:-

"96. In a country like ours where discrimination on the ground of caste or religion is a taboo, taking lives of persons belonging to another caste or religion is bound to have a dangerous and reactive effect on the society at large. It strikes at the very root of the orderly society which the founding fathers of our Constitution dreamt of. Our concept of secularism is that the State will have no religion. The State shall treat all religions and religious groups equally and with equal respect without in any manner interfering with their individual right of religion, faith and worship."

18.40. In the facts of our case also, the target group has been Hindu community, as on the basis of evidences of eye witnesses as well as the witnesses to the conspiracy, prosecution has established that the target for this terror act is focused on the locality, predominantly Hindu/non-Muslims and therefore, this act is also striking to the root of an orderly society envisioned under our Constitution. This also, is an act of terrorism.

18.41. In case of ***Yakub Abdul Razak Menon Vs. State of Maharashtra***, reported in **(2013) 13 SCC, 1** also, the Supreme Court has referred to several pronouncements defining terrorism and thereafter in Para 829 has found terrorism to be a serious threat even to the very basic structure to our Constitution and has therefore held as under:

"829. Terrorism is a major problem that is reoccurring over the globe in many different forms. In short, terrorism is a plague

for a nation or society that should be eradicated. There is a dire need to best deal with it and to make sure to take preventive actions so that other groups and people are not motivated to make themselves heard through various acts of terrorism. In our considered view, the following procedures/rules must have to be adopted while dealing with it:-

i) Better governance and law enforcement is the real need of the hour.

ii) We must formulate long term as well as short term strategies to combat terrorism.

iii) More advanced technologies must be used for communication among law enforcement agencies.

iv) Fighting terrorism would require a long term planning and sustained multi-dimensional action.

v) There should be proper coordination between all the agencies with high level of motivation and a quick response system must be established to tackle the menace immediately.

vi) Rule of Law must always be upheld and it is the duty of the constitutional authority to defend the life and limb of its subjects.

830. India being a secular State, such religious fanaticism which resulted in such terrorist acts should not be allowed to destroy the very basic structure of our Constitution. Unless every one of us put our sincere efforts to fight terrorism, we will not be able to curb this menace."

18.42. The Court has considered the judgment of the Apex Court in the case of ***Devender Pal Singh v/s. State of NCT of Delhi*** *reported in* ***2002 (5) SCC 234*** wherein the issue as to whether the case was within the "rarest of rare" category was considered. The said case pertained to awarding the sentence of death penalty to the appellant-Devender Pal Singh who was convicted for offences punishable under Sections 302, 307, 326, 120-A, 120-B and other provisions of the Indian Penal Code as well as under Sections 3 (2) (i) and Sections 4 and 5 of the TADA Act.

18.43. The Trial Court had awarded death sentence to the accused Devender Pal Singh, and considering the provisions of the TADA Act, the Death Reference (Criminal) was registered directly before the Hon'ble Supreme Court. The Court had awarded the death sentence only on the basis of the confessional statement which was recorded by the DCP under Section 15 of the TADA Act. So far as the facts of the case are concerned, it relates to the explosion of bomb in a car parked near the place from where the then President of the Indian Youth Congress was passing. Nine persons had died, several persons including the said Youth Congress President sustained injuries and several vehicles were damaged. The case of the prosecution was that all the accused persons, including Devender Pal Singh, were members of a terrorist organization (KLF) and were behind the blast, and that their object was to assassinate the said Youth Congress President. The Hon'ble Supreme Court came to the conclusion that the acts of the accused persons, including Devender Pal Singh, were dastardly acts, diabolical in conception and cruel in execution. The Court has also observed that terrorists are sometimes described as death merchants, they have no respect for human life and innocent persons lose their lives because of their mindless killing and that any compassion shown for such persons would frustrate the purpose of enactment of TADA Act and would amount to misplaced and unwarranted sympathy.

18.44. In the facts of the present case, 56 innocent persons have lost their lives, more than 250 persons have sustained injuries and loss of property; both public and private ran into crores of rupees. Even considering the ultimate object in both the cases and upon comparison it appears that in the case of ***Devender Pal (supra)***, it was for the assassination of one person, i.e., the Youth Leader of the Congress and

in the present case, the object was to take revenge by causing mass killing. Further, in the case of ***Devender Pal (supra)***, it caused the death of nine persons whereas in the present case, it caused the death of 56 persons in order to seek vengeance.

18.45. The said judgment in ***Devender Pal (supra)***, was considered as a landmark judgment and was upheld even in the case of ***Bachan Singh v/s. State of Punjab (supra)*** and ***Machhi Singh v/s. State of Punjab (supra),*** which holds the field. Insofar as the case of ***Devender Pal (supra)*** is concerned, the conviction was under Section 3 (2) (i) of TADA which deals with punishment for "terrorist act". After TADA was repealed, UAPA was enacted, which came to be amended in 2013, and Section 15 of the said Act deals with the definition of Terrorist Act. Considering the same gravity of term "terrorist act" which is applied in ***Devender Pal (supra)***, it would be made applicable with added force in the present case as casualty in terms of human lives is six times more in the present case alongwith injuries to 240 persons and damage to the properties. Para-59 in ***Devender Pal (supra)*** reads as under:

> *"59. As the factual scenario of the present case shows at least nine persons died, several persons were injured, a number of vehicles caught fire and were destroyed on account of the perpetrated acts. The dastardly acts were diabolic in conception and cruel in execution. "Terrorist" who are some times described as "death merchants" have no respect for human life. Innocent persons lose their lives because of mindless killing by them. Any compassion for such persons would frustrate the purpose of enactment of TADA, and would amount to misplaced and unwarranted sympathy. Death sentence is the most appropriate sentence in the case at hand, and learned trial Judge has rightly awarded it".*

18.46. The above referred case of ***Devender Pal (supra)*** was also considered by Hon'ble Supreme Court in case of ***Mukesh and Anr. v/s. State (NCT of Delhi) (supra)***; which is also infamously known as the

case. In the said case, the Apex Court has dealt in great detail with respect to the aggravating and mitigating circumstances and while dealing with mitigating circumstances, the Apex Court has dealt with circumstances like young age of victims, dependents and ailing parents, post crime remorse, good behaviour in jail, absence of criminal antecedents and scope of reform were outweighed against the aggravating circumstances. Considering this aspect which has been critically considered by the Apex Court and upon comparison with the facts of the present case, as stated earlier, almost all accused persons either convicted for death penalty or for life imprisonment have serious criminal antecedents whereby they are found involved in cases of bomb blasts which had happened elsewhere across India and even while in judicial custody most of the convicted accused have involved themselves in the act of digging tunnel inside Sabarmati Central Jail, Ahmedabad for the purpose of escaping from judicial custody and most importantly above everything act of causing humiliation to the Ld. Trial Judge by not only disrespecting the dignity of Hon'ble Court but ridiculing the majesty of Hon'ble Court by blatantly refusing to respect the Ld. Judge so much so that the Ld. Judge was forced to apply curtain at the time of arriving to the Hon'ble Court and also at the time of retiring from the Hon'ble Court. Apart from this, the conducted of the accused even apart from this, which has been narrated earlier, needs to be considered in the context of the judgment of the Apex Court in the case of ***Mukesh & Anr (supra)*** and in view of the ratio of the said judgment, there is no necessity to strike balance between aggravating circumstances and mitigating circumstances. If the aggravating circumstances are found extremely serious, then it would outweigh all or

any mitigating circumstances, though in the present case there are no mitigating circumstances, much less genuine mitigating circumstances which have been placed before us.

18.47. Insofar as the case of ***Mukesh (supra)*** is concerned, facts relate to committing gang rape in moving bus and assault over prosecutrix with iron rods, etc. and also forcing prosecutrix for oral sex. The prosecutrix suffered various injuries in different parts of her body and this act of the accused was termed as brutal, barbaric and diabolic by the Apex Court. Considering the aggravated crime committed in the case of ***Mukesh (supra)*** and comparing the same with the facts of the present case, the accused persons/conspirators have committed an outrageously wicked offence. Another aspect which has been dealt with by the Apex Court in case of ***Mukesh (supra)*** is about society's cry for justice against crime and even in the present case, that feature of determining rarest of rare case would apply with added force.

18.48. In view of above, when these two judgments namely ***Devender Pal (supra)*** and ***Mukesh (supra)*** both have relied upon celebrated case of ***Bachan Singh v/s. State of Punjab (supra)*** and ***Machhi Singh (supra)***, being an act of terror, the judgment of Hon'ble Supreme Court in ***Devender Pal (supra)*** would be squarely applicable in the facts and circumstances of the present case.

18.49. At this stage, the Court may take note of the order in the case of ***S.G.Vombatkere v/s. Union of India***, reported in ***(2022) 7 SCC 433***, wherein petitions were filed challenging the constitutionality of Section 124-A of Indian Penal Code. The Court may reproduce Paras-1 and 2, which are as under:

"1. These petitions are filed challenging the Constitutionality of Section 124 A of the Indian Penal Code 1860 (hereinafter IPC) relating to the offence of Sedition.

2. Having heard learned Senior counsel appearing for the parties and perusing the documents available on record, we may observe that this matter was listed for the first time on 15.07.2021. Thereinafter, this Court, after hearing the parties, issued notice on 27.04.2022. When this matter was next taken up, learned Solicitor General of India prayed for additional time of 2 to 3 days for filing of counter-affidavit. Accordingly, time was granted till the end of the week for filing counter-affidavit. Again, the matter was listed on 05.05.2022, wherein the Solicitor General again sought additional time to file a counter affidavit. On that date, this Court while granting the Solicitor General time to file counter affidavit, directed the parties to file their written submissions on the preliminary issue of the necessity of reference to a larger bench prior to the next date of hearing."

18.50. In view of the aforesaid categoric direction of the Apex Court which reads as under, the conviction under Section 124 (A) of I.P.C. is kept in abeyance.

"8. In view of the clear stand taken by the Union of India, we deem it appropriate to pass the following order in the interest of justice:

a. The interim stay granted in W.P.(Crl.)No.217/2021 along with W.P.(Crl.)No.216/2021 vide order dated 31.05.2021 shall continue to operate till further orders.

b. We hope and expect that the State and Central Governments will restrain from registering any FIR, continuing any investigation or taking any coercive measures by invoking Section 124A of IPC while the aforesaid provision of law is under consideration.

c. If any fresh case is registered under Section 124A of IPC, the affected parties are at liberty to approach the concerned Courts for appropriate relief. The Courts are requested to examine the reliefs sought, taking into account the present order passed as well as the clear stand taken by the Union of India.

d. All pending trials, appeals and proceedings with respect to the charge framed under Section 124A of IPC be kept in

abeyance. Adjudication with respect to other Sections, if any, could proceed if the Courts are of the opinion that no prejudice would be caused to the accused.

e. In addition to the above, the Union of India shall be at liberty to issue the Directive as proposed and placed before us, to the State Governments/Union Territories to prevent any misuse of Section 124A of IPC.

f. The above directions may continue till further orders are passed."

18.51. However, in the facts of the present case, there is no impediment in proceeding with the recording of conviction and sentencing of the accused for the other offences charged except for Section 124A of I.P.C.

18.52. The Apex Court in case of ***Vasanta Sampat Dupare v/s. State of Maharashtra reported in 2017 (6) SCC 631***, had referred to various judgments to streamline aggravating circumstances and mitigating factors and led down the principles when it comes to death penalty, and after laying down the principles, has succinctly observed with regard to its application, and in Para-20, the Court has held as under:

"20. It is thus well settled, "the Court would consider the cumulative effect of both the aspects (namely aggravating factors as well as mitigating circumstances) and it may not be very appropriate for the Court to decide the most significant aspect of sentencing policy with reference to one of the classes completely ignoring other classes under other heads and it is the primary duty of the Court to balance the two." Further, "it is always preferred not to fetter the judicial discretion by attempting to make excessive enumeration, in one way or another; and that both aspects namely aggravating and mitigating circumstances have to be given their respective weightage and that the Court has to strike the balance between the two and see towards which side the scale/balance of justice tilts." With these principles in mind we now consider the present review petition."

18.53. The Apex Court in case of ***C.Muniappan & Ors. Vs. State of Tamil Nadu***, reported in **(2010) 9 SCC, 567** was considering an offence where the accused were involved in two incidents, the first of which being, burning and damaging several buses and the second incident being, burning down a bus carrying college girls which resulted into death of 20 girls and injuries to several. The Court in Para-86 onwards had considered all the leading judgments on death sentence and ultimately, in Para 91 held as under:

> ***"91.*** *Thus, it is evident that Criminal Law requires strict adherence to the rule of proportionality in providing punishment according to the culpability of each kind of criminal conduct keeping in mind the effect of not awarding just punishment on the society. The "Rarest of the rare case" comes when a convict would be a menace and threat to the harmonious and peaceful co- existence of the society. Where an accused does not act on any spur-of-the-moment provocation and he indulged himself in a deliberately planned crime and meticulously executed it, the death sentence may be the most appropriate punishment for such a ghastly crime."*

18.54. As the present case, undoubtedly is about a Terrorist Act and therefore, the Court may refer to the decision of the Apex Court in case of ***Mohd. Arif alias Ashfaq v/s. State (NCT of Delhi) reported in 2011 (13) SCC 621***, wherein at the stage of considering sentencing has held in Para-221 as under:

> *"221. However, we must point out that in Machhi Singh V/s. State of Punjab, a principle was culled out that when the collective conscience of the community is so shocked, that it will expect the holders of the judicial power centre to inflict death penalty irrespective of their personal opinion as regards desirability or otherwise of retaining death penalty, same can be awarded. 18.55. According to the Court, the Apex Court had led an emphasis on the fourth test. The Court may take into consideration enormous proportion of the crime like multiple murders of all members of family or large number of persons of particular caste, community or locality, which also is a relevant factor in considering of aggravating circumstances. This very judgment was under review before the Apex Court, of course on technical issue with regard to electronic evidence. Nonetheless, the Court finds it helpful to reproduce relevant para of the judgment in case of ***Mohd. Arif alias Ashfaq (supra),*** which reviewed the principal judgment and is now reported in ***2023 (3) SCC 654***, where the Apex Court has gone to the extent of holding that any challenge to the unity, integrity and sovereignty of India by an act of Terrorism, is the most aggravating circumstance vis-à-vis inflicting of death penalty.

18.56. In the present case also, as the facts having been recorded where the coordinated attack in the two major Cities of Gujarat and in coordinated succession, Serial Blasts to which this Court has also drawn reference to similar modus adopted all across India. There is no doubt in the mind of the Court that such consorted attack is an attack on the sovereignty of India with ultimate objective as is even reflected from evidence of witnesses, to topple democratically elected Government, which has ultimately resulted in death of 56 persons indiscriminately and injuries to 240 persons without their fault, will take this case in the category of "rarest of the rare".

18.57. The Court may refer to yet another decision of Apex Court, which is for the purpose of sentencing for Terror Attack. In case of ***State***

Of Nct Of Delhi Versus Navjot Sandhu @ Afsan Guru reported in 2005 (11) SCC 600 and in Para-252 and 253, the Court has observed as under:

> *"252. In the instant case, there can be no doubt that the most appropriate punishment is death sentence. That is what has been awarded by the trial court and the High Court. The present case, which has no parallel in the history of Indian Republic, presents us in crystal clear terms, a spectacle of rarest of rare cases. The very idea of attacking and overpowering a sovereign democratic institution by using powerful arms and explosives and imperiling the safety of a multitude of peoples' representatives, constitutional functionaries and officials of Government of India and engaging into a combat with security forces is a terrorist act of gravest severity. It is a classic example of rarest of rare cases.*
> *253. The gravity of the crime conceived by the conspirators with the potential of causing enormous casualties and dislocating the functioning of the Government as well as disrupting normal life of the people of India is some thing which cannot be described in words. The incident, which resulted in heavy casualties, had shaken the entire nation and the collective conscience of the society will only be satisfied if the capital punishment is awarded to the offender. The challenge to the unity, integrity and sovereignty of India by these acts of terrorists and conspirators, can only be compensated by giving the maximum punishment to the person who is proved to be the conspirator in this treacherous act. The appellant, who is a surrendered militant and who was bent upon repeating the acts of treason against the nation, is a menace to the society and his life should become extinct. Accordingly, we uphold the death sentence."*

18.58. The Apex Court having treated an act of terrorism resulting into deaths of citizens to be a "rarest of the rare" case, identical to the facts of this case where innocent citizens including, the serving doctors of the Government Hospital have died as a result of this terror attack, thereby taking this case in the category of "rarest of the rare".

death sentence, to deal with the subject of Terrorism in the case of ***Yakub Abdul Razak Memon v. State of Maharashtra reported in (2013) 13 SCC 1***, particularly in Paras-809, 810, 883.4, which have been reproduced hereinunder:

> *"809. The term 'terrorism' is a concept that is commonly and widely used in everyday parlance and is derived from the Latin word 'terror' which means the state of intense fear and submission to it. There is no particular form of terror, hence, anything intended to create terror in the minds of general public in order to endanger the lives of the members and damage to public property may be termed as a terrorist act and a manifestation of terrorism. Black's Law Dictionary defines terrorism as:*
>
> *'Terrorism.- The use or threat of violence to intimidate or cause panic, esp. as a means of affecting political conduct." (8th Edn., p. 1512.)*
>
> *810. Terrorism is a global phenomenon in today's world and India is one of the worst victims of terrorist acts. Terrorism has a long history of being used to achieve political, religious and ideological objectives. Acts of terrorism can range from threats to actual assassinations, kidnappings, airline hijackings bomb scares, car bombs, building explosions mailing of dangerous materials, computer based attacks and the use of chemical, biological, and nuclear weapons- weapons of mass destruction (WMD).*

case of Terrorist Attack of 26/11 in Mumbai, had held that there would be certain cases wherein imposition of death penalty would be justified and in this regard, the Court may reproduce Paras-573 and 577, which are as under:

> *"573. In short, this is a case of terrorist attack from across the border. It has a magnitude of unprecedented enormity on all scales. The conspiracy behind the attack was as deep and large as it was vicious. The preparation and training for the execution was as thorough as the execution was ruthless. In terms of loss of life and property, and more importantly in its traumatising effect, this case stands alone, or it is at least the very rarest of rare cases to come before this Court since the birth of the Republic. Therefore, it should also attract the rarest of rare punishment.*
>
> *xxxxxxx*
>
> *577. Putting the matter once again quite simply, in this country death as a penalty has been held to be constitutionally valid, though it is indeed to be awarded in the "rarest of rare cases when the alternative option (of life sentence) is unquestionably foreclosed". Now, as long as the death penalty remains on the statute book as punishment for certain offences, including "waging war" and murder, it logically follows that there must be some cases, howsoever rare or one in a million, that would call for inflicting that penalty. That being the position we fail to see what case would attract the death penalty, if not the case of the appellant. To hold back the death penalty in this case would amount to obdurately declaring that this Court rejects death as lawful penalty even though it is on the statute book and held valid by the Constitutional Benches of this Court."*

18.61. The aftermath of the present terror attack has left behind the very same situation which has been described by the Apex Court in the afore quoted paras of ***Mohd. Ajmal Amir Kasab (supra),*** therefore also in the opinion of the Court, the present case will fall in the bracket of "rarest of the rare".

18.62. The Court may take into consideration the decision of the Apex Court in case of ***Deepak Rai v/s. State of Bihar reported in 2013 (10) SCC 421***, wherein the Apex Court has confirmed the death sentence and has held in para-42 and 43 as under:

> *"42.The aforesaid would reflect that under this provision the legislature casts a statutory duty on the Court to state reasons for choice of the sterner sentence to be awarded in exceptional cases as against the rule of life imprisonment and by necessary implication, a legal obligation to explain them as distinguished from the expression "reasons" follows. The legislative mandate of assigning "special reasons" assures that the imposition of the capital punishment is well considered by the Court and that only upon categorization of the case as "rarest of rare", thus leaving no room for imposition of a less harsh sentence, should the Court sentence the accused person to death.*
>
> *43. Incontrovertibly, the judicial approach towards sentencing has to be cautious, circumspect and careful. The Courts at all stages- trial and appellate must therefore peruse and analyze the facts of the case in hand and reach an independent conclusion which must be appropriately and cogently justified in the "reasons" or "special reasons" recorded by them for imposition of life imprisonment or death penalty. The length of the discussion would not be a touchstone for determining correctness of a decision. The test would be that reasons must be lucid and satisfy the appellate Court that the Court below has considered the case in toto and thereafter, upon balancing all the mitigating and aggravating factors, recorded the sentence.*"

18.63. The Court has examined the judgment of Special Court, wherein the exercise of aggravating circumstances as well as assigning of special reasons to treat this case as rarest of rare case and while doing so, the Court has given in detailed its reasonings under the following heads, which deal with the aggravating and mitigating circumstances,

which are considered and special reasons are assigned from page Nos.6833 to 6849 (Paper Book Page Nos.718933 to 718969), which are as under:

1. The gravity and nature of the offence.

2. The severity of the offence.

3. The impact of the offence on society.

4. The status and condition of the victim.

5. The personality and social standing of the victim.

6. The motive of the accused in committing the offence.

7. The age and character of the accused.

8. The possibility of reformation and rehabilitation of the accused.

9. Whether the offence was committed in a momentary fit of passion or under sudden provocation.

10. The degree of planning and premeditation involved in the commission of the offence.

11. The criminal antecedents of the accused.

18.64. In the opinion of the Court, the aforesaid reasons mentioned in detail in the judgment satisfy this Court about the exercise undertaken by the trial Court in assigning the special reasons for treating this case as rarest of rare case. Amongst the parameters as mentioned hereinabove, the trial Court has also taken into consideration the scope of reformation amongst the accused persons and has assigned sufficient reasons and after its own observation and record of the Court, has concluded that there is no scope of any reformation. Nothing contrary to such finding given by the trial Court has been controverted, either by any evidence on record or even by pleadings.

Maharashtra reported in 2011 (14) SCC 401, where also the Apex Court had confirmed the death sentence while differentiating between ordinary murders and murders which are gruesome, ghastly or horrendous. It concluded that while sentence should be given in the case of ordinary murders, but the murders which fall in the category of gruesome, ghastly or horrendous would belong to the category of rarest of rare case, justifying awarding of the death sentence. (See paras-91 to 94)

18.66. The Court may refer to decision of the Apex Court in the case of ***Javed Ahmed Abdulhamid Pawala v/s. State of Maharashtra*** reported in ***1983 (3) SCC 39***, wherein the Apex Court confirmed the death sentence where the murders were perpetrated in a cruel, callous and fiendish fashion with the motive of gain therefore, Supreme Court held that no mercy is to be shown despite the argument of the counsel for the appellant to show leniency because of the younger age of the accused and because the case rests upon circumstantial evidence.

18.67. Lastly, the Court may refer to the decision of the Apex Court in the case of ***Munawar Harun Shah v/s. State of Maharashtra*** reported in ***1983 (3) SCC 354*** wherein the Apex Court in a short order, makes a strong statement on the issue of sentencing. The Court may reproduce Paras-2,3 and 4, which reads as under:

> *"2. It is pointed out that the concerned offences were committed between January 1976 and March 1977, that each one of them was sentenced to death by the trial Court on 28.09.1978; that their sentences were confirmed by the Bombay High Court on 6.04.1979 and that their Special Leave Petitions against their convictions and sentences were dismissed by this Court on 17.11.1980. In other words, the death penalty has been brooding over each one's head for an excruciatingly long period of about five years. So far as Munawar Harun Shah is*

concerned, it is urged that he was so to say a junior member of the gang of the killers and perhaps did not take part in the actual killing and it is pointed out that since his conviction he is writing Koran in Marathi and is also learning Arabic language and Homoeopathy. So far as Shantaram Jagtap is concerned, it is pointed out that he has written one book bearing title "Kalyan-Marg" in Marathi and has also translated into Marathi an English Book titled "Yogic Sukshama Vyayam" authored by Mr. Dhirendra Bhramchari and that he is at present studying Budhism and translating "Dhamma Pada" in Marathi. On the basis of these facts a strong plea has been made to us that their death sentences should be commuted to life imprisonment, particularly in view of the pronouncement made by the Constitution Bench of this Court that death penalty should be inflicted in the rarest of rare cases.

3. Having given our anxious consideration to the plea so put forward we regret we are unable to accept the same. It is true that a period of 5 years has elapsed since the imposition of death penalty on them but as has been pointed out by this Court in Sher Singh's case, (AIR 1983 SC 465) such lapse of time is not decisive of the matter but would be a factor to be borne in mind. In this case the normal judicial process itself came to an end only on 17.11.1980 when this Court finally dismissed the Special Leave Petitions of the petitioners against their convictions and sentences. But for the subsequent lapse of time the petitioners or at least some of them are responsible. Each one of them preferred a review petition against the dismissal of the special leave petition and those review petitions came to be dismissed on 11.02.1981. Even thereafter fresh writ petitions were filed by Shantaram Jagtap and Munwar Shah for a consideration of their sentences which were dismissed, on 5.02.1982. Against such dismissal of his said writ petition Shantaram Jagtap filed a review petition which was dismissed on 1.4.1982. Even thereafter the present writ petitions have been filed by Munawar Shah on 3.12.1982 by Shantaram Kanhoji Jagtap on 17.1.1983 and by Dilip Dhyanoba Sutar on

12.4.1983 which are being disposed of by the present order. In other words, for part of the time gap that has occurred the petitioners, who have indulged in successive petitions, are responsible. True, two of them namely Munawar Shah and Shantaram Jagtap, on their statements have done translation work and written books but that requires a composed mind and concentrated attention. If anything this belies that any spectre of death penalty was hovering over their minds during the period they have been in jail.

4. The Sessions trial at Poona, which came to be popularly known as "Joshi Abhyankar Massacre Case" death with a sprawling criminal conspiracy in furtherance of which the petitioners and their co-conspirators got involved in six incidents during the course of which 10 murders and acts of robbery and dacoity were committed and from the record, it is clear that each one of the petitioners before us was involved in at least 7 murders out of the 10. Having regard to the magnitude, the gruesome nature of the offences and the manner of perpetrating them this case in all the facts and circumstances must be regarded as falling within the rare of the rarest category and the extreme penalty of death is clearly called for. Any leniency shown in the matter of sentence would not only be misplaced but will certainly give rise to and foster a feeling of private revenge among the people leading to destabilisation of the society. In the circumstances, we do not think that any leniency is called for in the case. The writ petitions are dismissed. The death sentence awarded to the petitioners should be carried out without any further loss of time in accordance with law, now that their mercy petitions have, according to the statement of Counsel for the Respondent, been dismissed."

18.68. A trend is in vogue to be susceptible to clever defence arguments and misplace sympathies that the Court may be driven to think only about the accused who is before the Court, day in and day out. However, the victim is often hidden and most of the time covered under

the prosecution is never visible. Here also, no appeals against the acquittals and absolutely no representation of the large number of victims and no effort by the State to ask them whether they want to be represented by legal aid whereas, a tall order is made out, whether the accused is given or offered legal aid at the cost of the tax payer's money certainly cannot be treated as an aspiration of a civilized society wedded to the rule of law and fair criminal justice system. Therefore, the Court is inclined to direct the State to pay compensation to the victims of this Terror Attack. The Court therefore directs the State Government to pay the compensation as under:

i) Rs.10 lakhs for the family members of each deceased,

ii) Rs.5 lakhs for grievous hurt or permanent deformity /disability,

iii) Rs.1 lakh for simple injury.

The compensation to be paid upon due verification.

physical, social and financial difficulties. He is suffering from Hypertension and Asthma and also from Arthritis for the last about five years. He is the sole bread-winner of his family and is in jail since July 2008 and therefore, his family, consisting of his wife and children and aged mother, do not have any source of income for their sustenance.

18.71. The Court finds that the special Court has considered the written submissions filed by the accused (Exh.9533) pointing out the mitigating and aggravating circumstances for the purpose of hearing on sentence. At pages-6761 & 6762 of the impugned judgment, the special Court has taken into consideration such submissions as well as the case against the accused and the jail proceedings initiated against him. The record shows that while the accused was in judicial custody, he was involved in the offence of digging of tunnel inside Sabarmati Central Jail, Ahmedabad along with co-accused in order to escape from prison. One other offence was also registered against him while he was in judicial custody. The jail authority has taken six punitive measures (disciplinary action) against the accused, which shows that the conduct of the accused inside the jail is not proper. After analysing all the facts, this Court is satisfied that the aggravating circumstances far out-weighs the mitigating circumstances. This Court finds that the special Court has concluded the exercise of considering the mitigating and aggravating circumstances as also the facts as appearing on record in a just and proper manner and has, thereafter, inflicted the sentence.

18.72. From the record, it appears that during the judicial custody, this accused was involved in digging tunnel in Sabarmati Central Jail while in judicial custody for the bomb blast case and offences under Section 120B, 224, 130 of IPC was registered vide I-C.R.No.24 of 2013 of Ranip Police Station and trial of said case is going on. the stage of evidence of prosecution and witnesses were examined by the prosecution. During pendency of trial before Sessions Court in Sessions Case No. 389 of 2013, accused gave application for discharge and Sessions Court has discharged the accused from charges leveled against them under Section 130. Thereafter, State has preferred Special Criminal Application No.3191 of 2016 before High Court of Gujarat and challenged the said order of discharge. This application was allowed by the High Court of Gujarat. Thereafter, some of the accused have challenged the order of High Court of Gujarat before Hon'ble Supreme Court by SLP (Cri.) 18.73. The other offences which have been registered against this accused and others, as appearing from the record is at Sabarmati Police Station vide I-C.R.No. 118/2009 under Sections 143, 147, 148, 149, 332, 353, 294(B), 336, 337, 427, 186 and 188 of IPC and Sections 3(1), 7 of Prevention of Damage of Public Properties Act and under Prison Act. (2) **Accused No.2 – Imran Ibrahim Shaikh**:

18.75. The accused No.2 had not filed any written submissions on the aspect of sentence before the special Court and the said aspect has been recorded by the trial Court at Page-6762 of the impugned judgment.

18.76. The Court finds that the special Court has taken into consideration the case against the accused and the jail proceedings initiated against him. The record shows that three other offences have been registered against the accused and that while the accused was in judicial custody in connection with the bomb blast case, he was involved in the offence of digging of tunnel inside Sabarmati Central Jail along with co-accused in order to escape from prison. The jail authority has taken two punitive measures against the accused in connection with his conduct inside the jail and thus, the behaviour of the accused inside the jail is not good. After analysing all the facts, this Court is satisfied that the aggravating circumstances far out-weighs the mitigating circumstances. This Court finds that the special Court has concluded the exercise of considering the mitigating and aggravating circumstances as also the facts as appearing on record in a just and proper manner and has,

The Court also hereby confirms the fine imposed by the learned special Court, as prescribed in Chapter-7.

(9) **Accused No.9 – Kamruddin, S/o. Chand Mohd. Nagori**:

18.103. The accused No.9 had not filed any written submissions on the issue of sentence before the special Court. The said aspect has been recorded by the special Court at Page-6767 of the impugned judgment. In the presence of learned advocates on both the sides, the accused orally stated that at the time when the alleged offence was committed, he was in jail and thus, he has been falsely implicated in the offence. He does not know as to how the case has proceeded and that the entire evidence is false. He stated that his life has been destroyed by keeping him in jail and except the above, he does not have anything else to state.

18.104. The Court finds that the special Court has taken into consideration the case against the accused and the jail proceedings initiated against him. The record shows that the accused was convicted in two different cases being (i) in Sessions Case No.132/2010 under sections 122, 124(A) and 153(A) of IPC and under the UAPA as also the Arms Act; and (ii) in Sessions Case No.2/2011 by the competent Court in Ernakulam, Kerala under the UAPA Act, IPC and Arms Act. While in judicial custody in connection with the bomb blast case, the jail authority had taken three punitive measures against the accused, which shows that the behaviour of the accused inside the jail is not proper. After analysing all the facts, the special Court has proceeded to inflict the sentence.

18.105. From the record, it appears that this accused was convicted in Sessions Case No. 132 of 2010 under Sections 122, 124(A), 153(A) of IPC and under UAPA Act as well as under Arms Act. This accused was

convicted in Sessions Case No. 2/2011 by Ernakulam Court, Kerala under UAPA Act, IPC and Arms Act. This accused was convicted in RT No.14638 of 2009 under Section 419 of IPC and UAPA Act and was also convicted in RT No.1222 of 2010 under Section 149 of IPC by CJM, Bhopal. Also, Sessions Case No.49 of 2011 with Sessions Case No.119 of 2014 under Sections 120B, 121, 121A, 122, 124, 153, 465, 467 and 471 of IPC was registered at Hubli, Karnataka. Further, Sessions Case No.699 of 2009 under Sections 3, 10 and 13 of UAPA and Sessions Case No.159/2008 under Sections 153 of IPC and 3, 10, 13 of UAPA were registered at Ujjain Court. Lastly, Sessions Case No.139 of 2016 under Sections 130, 224, 120B of IPC and Sections 42, 45 of UAPA was registered at Majgaon.

18.106. The Court has analysed the evidence while recording conviction in Chapter-16.28 and the jail proceedings initiated against the accused as also his criminal antecedents. Having perused the record, the Court is satisfied that all necessary steps for hearing on sentence has been followed by the special Court and all circumstances have been duly considered while imposing sentence on the accused. In fact, during the course of trial, the special Court noticed that the accused did not express any remorse for his act and did not offer any explanation in his further statement under section 313 of Cr.P.C. Considering the facts and circumstances of the case, the conduct of the accused during the trial, the criminal antecedents and the intention of the accused to spread wide-spread terror, the Court deems it proper to impose the sentence of death penalty upon the accused and accordingly, the Court hereby confirms the sentence of death penalty awarded to accused No.9 - Kamruddin, S/o. initiated against him. The record shows that the accused was convicted in two different cases being (i) in Sessions Case No.132/2010 under sections 122, 124(A) and 153(A) of IPC as also under the UAPA and the Arms Act and (ii) in Sessions Case No.2/2011 by the competent Court in Ernakulam, Kerala under the UAPA Act, IPC and Arms Act. While in judicial custody in connection with the bomb blast case, the jail authority had taken four punitive measures against the accused, which shows that the behaviour of the accused is not good and remorseless inside the jail. After analysing all the facts, the special Court has proceeded to inflict the sentence.

18.113. From the record, it appears that while in judicial custody for the Bomb Blast Case, this accused was involved in digging Tunnel in Sabarmati Central Jail for which offence under Sections 120B, 224, 130 of IPC was registered vide I-C.R.No.24/2013 in Ranip Police Station and the trial of the said case is going on. This accused was convicted in Sessions Case No. 132 of 2010 under Section 122, 124(A), 153(A) of IPC, UAPA Act and under Arms Act. This accused was also convicted in Sessions Case No. 2/2011 by Ernakulam Court, Kerala under UAPA Act, IPC and Arms Act. Lastly, Sessions Case No.49 of 2011 with Sessions Case No.119 of 2014 was registered at Hubli, Karnataka under Sections 120B, 121, 121A, 122, 124, 153, 465, 467 and 471 of IPC.

18.114. The Court has analysed the evidence while recording conviction in Chapter-16.14 and the further statement of accused under section 313 of Cr.P.C. in Chapter 17, particularly in Paras-17.21 & 17.22. Having perused the record, the Court is satisfied that all necessary steps for hearing on sentence has been followed by the special Court and all circumstances have been duly considered while imposing sentence on the accused. In fact, during the course of trial, the special Court noticed

Imprisonment for life:

18.222. Insofar as the sentence of imprisonment for life imposed upon original accused Nos.20, 21, 22, 26, 30, 35, 43, 46, 59, 66 and 74 is concerned, the said accused have preferred appeals against their conviction. The Court has already discussed in detail the evidence qua this set of accused and it is established that the said accused had participated in the terror training camps held at Halol, Gujarat and Vagamon, Kerala. As regards the individual roles of convicted accused, accused No.43 is found to be present / stayed at Sherpura House, had purchased the Kinetic scooter and had pointed out the places from where plastic containers were purchased; accused No.26 is involved in making arrangements for sheltering certain accused apart from being a participant of Halol and Vagamon camps; accused No.30 is involved in pointing out a place from where he had made the call; accused No.63 is found to be involved in the purchase of clock as he was found to be standing outside when the co-accused had gone inside the shop; accused

No.35 is involved by his own confessional statement as also by the confessional statement of accused No.2 and also pointed out the place in Halol and was found in contact with his brother (accused No.37) during the period of conspiracy; accused No.46 has pointed out House No.D-34, River view Society and had stayed at Abhilasha Tourist Home, Kerala in a fake name and the period of stay is proximate to the date of bomb blast, i.e. 26.07.2008 as also having pointed out the business place of Satnaam Travels from where travel ticket was purchased for the purpose of travelling to Surat; accused No.66 is found to be present in Halol camp and also pointed out Halol camp place and accused No.74 is involved by Halol witnesses and also identified during the Test Identification parade and had pointed out the Halol camp place coupled with his involvement in the confessional statement of accused No.35. Considering the oral as well as documentary evidence on record against this set of convicted accused, the special Court came to the conclusion that this set of accused had played a major part in the entire conspiracy. Having perused the entire evidence on record, the Court is of the view that the reasonings given by and the findings arrived at by the special Court while sentencing this set of accused to life imprisonment is just and appropriate. Hence, while dismissing their respective appeal we confirm the sentence of life imprisonment imposed by the special Court upon accused Nos. 20, 21, 22, 26, 30, 35, 43, 46, 59, 66 and 74. The Court also hereby confirms the fine imposed by the learned special Court, as prescribed in Chapter-7.

18.223. While considering the aspect of sentencing, upon perusing the record, this Court takes note of the fact that the accused persons have been involved in offences of similar nature and that even while in judicial custody, the conduct of the accused persons have been such, that

disciplinary actions have been taken against them. Moreover, throughout the course of trial and even during the hearing of the present appeals before this Court, the accused persons have not exhibited any remorse. Therefore, upon considering their overall conduct as a whole, nothing appears on record so as to persuade this Court to take a lenient view while sentencing the accused persons.

Fine:

18.224. Chapter 7 reflects that the Special Court has determined the fine as mentioned against the respective accused persons. There is no hard and fast rule for imposing the fine but is a matter of discretion which is guided by several parameters. One of the relevant parameters is always the magnitude of the offence. The Court has perused the evidence of the witnesses in Chapter-10, where the witnesses have deposed to the damages suffered by the public property as well as damage to private property. Therefore, over and above the loss of life and injuries to the victims as described in preceding paras, the damage suffered to the public property especially, the property like, a Civil Hospital has to be treated as a circumstance of larger magnitude. The Court is therefore convinced that the fine imposed on each of the accused whose collective role has knowingly led to the damage of this magnitude is justified. Moreover, in absence of any submissions in this regard offered by the defence, this Court is not inclined to interfere with the discretion of the Special Court.

18.225. In view of the aforesaid discussion, the Court confirms the judgment and order of the Special Court in Sessions Case No.38 of 2009 and allied matters, both, in terms of the conviction and in terms of sentences and fine awarded to each of the respondents/appellants.

18.227. The State is ordered to pay compensation to the family of deceased and injured victims to the tune of Rs.10 lakhs for each deceased, Rs.5 lakhs for grievous hurt or permanent deformity/disability, Rs.1 lakh for simple injury.

18.228. The State is directed to conclude the process of compensation on or before 31.03.2027.

18.229. Registry is directed to forward one copy of this judgment to each jail authorities where appellants are lodged.

18.230. Records and Proceedings be returned back to the concerned Special Court.

18.231. Upon pronouncement, learned Senior Advocate Mr. Tejas M. Barot has made request on behalf of all convicts who have been awarded death sentences to postpone the order of execution of sentences as the convicts are inclined to prefer a petition to the Supreme Court for grant of Special Leave to Appeal.

18.232. Considering the provisions contained under Section 415 of the Criminal Procedure Code, execution of the sentences is postponed for a period of three (3) months from today.
