HON'BLE MR. JUSTICE VINIT KUMAR MATHUR
Order

REPORTABLE

21/05/2025

1. Heard learned counsel for the parties.

2. The present batch of writ petitions involves similar questions of facts and law and, therefore, the writ petitions are being disposed of by this common order.

3. The present writ petitions have been filed with multiple prayers, however, learned counsel for the petitioners confines her prayer to a limited extent that the engagement of the petitioners may be made in accordance with the Rajasthan College Education Society (Raj-CES) Hiring of Manpower Rules, 2023 (hereinafter referred to the "Rules of 2023"), instead of "Vidhya Sambal Yojana."

4. For the sake of convenience, the facts of the **S.B. Writ Petition No.6979/2025 (Dr. Sandeep Prajapat & Ors. V/s The State of Rajasthan & Ors.)** are being taken into consideration for the disposal of the controversy involved in this batch of writ petitions.

5. Briefly noted facts in the writ petition are that the respondents invited applications for the engagement of teaching faculties on a temporary basis in various colleges by way of different advertisements in "Vidhya Sambal Yojana". In pursuance of the advertisements issued by the respondents, the petitioners filed their applications and thereafter, they were engaged as teaching faculties in different colleges. Such engagement was made on a periodical basis, depending upon the need and availability of the vacancies in respective colleges. Since the petitioners were discharging their duties to the utmost satisfaction of the respondents, their services were continued from time to time. This course was adopted by the respondents in view of the

position that regular faculties had not been appointed in the respondent colleges.

The petitioners were engaged under the "Vidhya Sambal Yojana", a scheme introduced by the State Government to engage the faculty members on a temporary and periodic basis to impart education to the students in the institutions lacking regular staff. Since, the studies of the students in those colleges were being effected on account of non-fulfilment of the regular faculties, such course was adopted by the respondent-State for engaging the petitioners as 'Guest Faculties' in those colleges under the said scheme. The petitioners were being paid a remuneration as per the fixed norms of the "Vidhya Sambal Yojana". However, the petitioners were not satisfied with the remuneration paid and the terms of the engagement provided under the said scheme, primarily on account of the fact that their service conditions were required to be governed by the Rules of 2023 and, therefore, the petitioners filed a number of representations to the respondents seeking benefits enshrined under the Rules of 2023. Since the same was not granted, therefore, the present writ petition has been filed.

6. Learned counsel for the petitioners vehemently submits that since the colleges in which the petitioners are imparting education falls under the Rajasthan College Education Society (Raj-CES), therefore, their service conditions should be governed by the Rules of 2023 and not by the "Vidhya Sambal Yojana". Learned counsel submits that the State Government, vide order dated 11.07.2022, has constituted a Society titled as "Rajasthan College

Education Society (Raj-CES)" and the guidelines for the same have also been framed. She submits that there are a number of colleges, which have been taken under the umbrella of the Rajasthan College Education Society (Raj-CES) formulated by the State Government as per the said order, and the petitioners are presently discharging their duties in these colleges.

Learned counsel for the petitioners further submits that since the colleges where the petitioners are discharging their duties are within the purview of the Rajasthan College Education Society (Raj-CES), therefore, their service conditions should also be regulated by the rules made thereunder i.e. the Rules of 2023. She also submits that as per the Rules of 2023, the post on which the petitioners are discharging their duties is very well reflected in the Rules of 2023, therefore, the petitioners are very much entitled to the service benefits, including the remuneration, as prescribed under the said rules. She, therefore, prays that the present writ petitions may be allowed and the respondents may be directed to extend the benefits of the Rules of 2023 to the petitioners.

7. Per contra, learned counsel for the respondents vehemently opposes the submissions made by the counsel for the petitioners and submits that, as per the order dated 11.07.2022, the service conditions of the employees engaged in such Institutions are required to be governed by the Rajasthan Contractual Hiring to Civil Posts Rules, 2022 (hereinafter referred to as the Rules of 2022). He submits that the said order dated 11.07.2022 clearly provides that the engagement of the petitioners will be governed

under the Rules of 2022, therefore, the petitioners, who are working in the different Colleges, cannot claim the benefits of the Rules of 2023. He further submits that the order dated 11.07.2022 is only applicable to the newly established colleges and, therefore, the benefits of the same cannot be extended to the petitioners who are discharging their duties in the Colleges not covered under the said order. He also submits that the benefits of the Rules of 2023 can be extended only to those Colleges which have been short-listed by the State Government, and the details of those 371 colleges have been furnished in the Additional Affidavit filed before this Court, which is taken on record.

Learned counsel for the respondents further submits that a High Level Committee has been constituted by the State Government to examine the feasibility of continuing the colleges mentioned in the list of 371 of Colleges under the Rajasthan College Education Society (Raj-CES). He, therefore, prays that since the colleges in which the petitioners are imparting education are not covered under the list of the 371 Colleges reflected as Rajasthan College Education Society (Raj-CES) colleges, therefore, no benefits of Rules of 2023 may be extended to the petitioners as they are not entitled for the same.

8. I have considered the submissions made at the Bar and have gone through the relevant records of the case.

9. The short point involved in the present case is that, by virtue of the order dated 11.07.2022, the State Government has constituted a Society titled as "Rajasthan College Education Society (Raj-CES)" and also specified the list of Colleges falling

within the ambit of this Society. Certain guidelines for functioning of the colleges under the Rajasthan College Education Society (Raj-CES) were also formulated by the State Government in the said order. Furthermore, the State Government has also notified the Rules of 2023 which governs and regulates the hiring of the manpower on a contractual basis and other conditions of services of the persons hired in connection with the affairs of the Rajasthan College Education Society (Raj-CES). The petitioners, herein, are engaged for imparting education in different colleges on contract basis under the "Vidhya Sambal Yojana" and their precise case is that since the Colleges in which they are imparting education are covered under the Rajasthan College Education Society (Raj-CES), therefore, their engagement should also be governed by the Rules of 2023 rather than the "Vidhya Sambal Yojana".

10. As per the order dated 11.07.2022, the State Government has constituted the Rajasthan College Education Society (Raj-CES) in which 371 Colleges have been brought under its ambit and this court is of the view that in respect of such Colleges, any exercise of hiring of manpower is required to be undertaken as per the Rules of 2023. Since, the Rules of 2023 envisage the entire code for the engagement of manpower, therefore, this Court is of the considered view that appointments in colleges falling within the ambit of Rajasthan College Education Society (Raj-CES) are required to be governed strictly by the said Rules.

11. As the petitioners are concerned only with the post reflected in the rules of 2023 as 'Teaching Associate', this Court finds no hesitation in holding that the petitioners' hiring conditions should

be governed by the Rules of 2023. This Court is further of the opinion that all the engagements being done in Colleges which are falling within the ambit of the Rajasthan College Education Society (Raj-CES) shall be governed by the Rules of 2023 and not by the "Vidhya Sambal Yojana"

12. In view of the discussions made above, the present writ petitions are disposed of with a direction to the respondent-State Government to extend the benefits of Rules of 2023 to those persons, who are engaged on the posts that are covered under the Rules of 2023 and are serving in colleges falling within the ambit of the Rajasthan College Education Society.

13. It is made clear that the petitioners, serving in the Colleges which are coming within the ambit of Rajasthan College Education Society (Raj-CES), shall not be disengaged till the process under the Rules of 2023 is initiated afresh.

14. Stay petition and other pending application(s), if any, also stand disposed of accordingly.
