UPON hearing the counsel the Court made the following
O R D E R

1. Due to paucity of time, we are unable to start with the hearing of this matter. We are conscious of the fact that this litigation has something to do with the career of hundreds of students.
2. Today, the only concern is about the examination to be conducted by the institution i.e. the College Of Physician And Surgeon.
3. We requested Mr.R. Venkataramani, learned Attorney General for India to intervene and assist this Court in this litigation.
4. The learned Attorney General would submit that he would speak to the authorities concerned and try to work out the modalities so as to protect the interest of the students who have already been admitted in the course and are awaiting conduct of the examination.

The learned Attorney General prays for three weeks' time to come back with some plan by which the interest of the students can be protected.

5. We have yet to hear the matter on its own merits. In other words, we have yet to look into the impugned judgment rendered by the High Court in public interest. However, our first endeavour should be to see that the students are not left high & dry in this legal battle between the college-original petitioner and the Government.

6. We request the learned Attorney General to work out something and come back to us after three weeks.

7. By any chance, if some viable solution is not brought around, we shall proceed to hear the entire matter on its own merits.

8. List the matter on 8th October, 2025 on the top of the Board.
