

Arbitration Advocacy Course 2025

Equal Representation in Arbitration Pledge has been working to increase the representation of women in international arbitration.

In this spirit, as part of its regular initiatives, the India Pledge for Equal Representation in Arbitration has partnered with the International Advocacy Training Council (IATC) to organise a formal hands-on arbitration advocacy workshop for women arbitration practitioners. The workshop will cover;

- witness handling
- submissions advocacy
- speech coaching

The International Advocacy Training Council is a non-profit whose trainers are senior lawyers, barristers, and judges from Common Law jurisdictions around the world.

The course is being run in collaboration with the Maharashtra Chamber of Commerce Industry and Agriculture (MACCIA) as part of their broader initiative to promote women.
