ABOUT RGNUL

Rajiv Gandhi National University of Law (RGNUL), Punjab, was established by the State Legislature of Punjab by passing the Rajiv Gandhi National University of Law, Punjab Act, (Punjab Act No. 12 of 2006). The Act incorporated a University of Law of national stature in Punjab, thereby fulfilling the need for a Centre of Excellence in legal education in the modern era of globalization and liberalization.

The Centre for Alternative Dispute Resolution (CADR) at RGNUL has been established to promote students' and researchers' interest in Alternative Dispute Resolution constituting of dispute resolution methods like Arbitration, Negotiation, Mediation and Conciliation and it aims to promote and develop ADR as a vehicle for socioeconomic and political justice. The ultimate objective of the Centre is to strengthen the ADR mechanism in the country by emerging as a platform for students to further their interest in the field. A strong team of teachers and students is working towards achieving this end.

ABOUT SEMC

To further its avowed aim, CADR has been organising the RGNUL Sports and Entertainment Law Mediation Competition (SEMC) since 2019. The SEMC is one of India's premier competitions in the field of mediation, pitting the best budding ADR enthusiasts against one another. The initial two editions of the competition served as the Indian qualifiers to the International Mediation Singapore (IMSG) organized by the Singapore International Mediation Institute (SIMI). Despite the turbulent times brought by COVID-19, the third and fourth editions of the competition were organised, however, in a virtual setup. We have been blessed with some of the best organisations in the industry ranging from the Singapore International Mediation Institute (SIMI), the Straus Institute for Dispute Resolution, Pepperdine School of Law, Global Academy for Advocacy in Dispute Resolution, Mediator Network to the Peacekeeping and Conflict Resolution Team (PACT), Krida Legal, Cyril Amarchand Mangaldas and Markanda Advocates as our past collaborators.
