Dear sir,

The Advocates of Bangalore are concerned about the news of transfer proposal of few judges from Karnataka High court. It is learnt that consent is sought from some judges for transfer from Karnataka High Court to different High courts.

Members of the bar at Bangalore and Karnataka are unanimously against the transfer of many of the judges proposed for transfer. It is unfortunate that Judges who have been responsive to litigants, lawyers and who have been hard working are made part of the proposal for transfer. It will be tantamount to great injustice if such good and hardworking judges are transferred.

Further it will be difficult if such judges who are working beyond time and rendering quick and efficient justice are abruptly transferred.

Therefore in view of the unanimous views and demand of the Advocate fraternity, we request the collegium to immediately withdraw the proposed transfer as the entire Bangalore Bar is against to the said proposal.

We also request your good self to give time to the office bearers of the Advocates Association Bangalore and few of the senior counsels to meet you in this regard and explain the mood and sentiments of the Advocates of the Karnataka State.
