ABOUT INTO LEGAL WORLD INSTITUTE

Into Legal World, a unit of Parivritt Enterprises Private Limited, a company registered under the Companies Act of 2013, which is recognised by Ministry of Corporate Affairs, and Department of IT & Electronics, GoUP through its nodal agency Uttar Pradesh Electronics Corporation Ltd. (UPLC). Into Legal World is also a part of Skill India Initiatives. The organization earns recognition from the International Trade Council.

The organization has a reputation for providing professional certification courses, publications, and legal consultancy.

ABOUT AMITY LAW SCHOOL, AMITY UNIVERSITY, JHARKHAND

Amity University Jharkhand is part of the Amity Universe, the leading education group in India, which was founded with a bigger goal of nation-building through education. Amity offers undergraduate and postgraduate courses with over 200,000 students pursuing 400 programs in 80 disciplines across different campuses in India and abroad.

The campus in Ranchi, Jharkhand was founded under the visionary leadership of Dr. Ashok K. Chauhan, Founder, President of Ritnand Balved Education Foundation (RBEF), which is one of India's leading philanthropy, education, and development foundations comprising universities, higher education institutions, schools, pre-schools, forums, academies and centers of research and excellence. Another flagbearer of the Amity Education Group, Amity University Jharkhand (AUJ), carries on the longstanding practice of disseminating education throughout India.

COURSE OVERVIEW

“Transparency, compliance, and title clarity are the foundation of sound real estate transactions.”

Legal drafting forms the backbone of the legal profession. Precision, clarity, and articulation in drafting legal documents can determine success or failure in the courtroom, corporate transactions, and public policy. To improve their drafting skills, law students often take unpaid internships, bearing the costs of accommodation and other basic necessities in metropolitan cities. This financial burden often turns their learning experience into a struggle for survival rather than a true opportunity for growth.

COURSE OBJECTIVES

- **To understand the regulatory framework and compliance requirements under drafting.**
- **To gain practical knowledge of project registration, developer obligations, and buyer remedies.**
- **To learn the method and importance of title search and verification in property transactions.**
- **To develop skills in conducting due diligence and preparing title reports.**
- **To provide hands-on training on property document drafting and advisory notes.**

COURSE STRUCTURE

1. Contract Drafting

- **Drafting clauses (indemnity, termination, dispute resolution)**
- **Drafting NDAs, employment, vendor, IP licensing agreements**
 - **Techniques for negotiating contracts**
 - **Cross-border contract considerations**

2. Criminal Law Drafting

- **FIRs, complaints, bail applications (anticipatory/regular)**
 - **Quashing, revisions, criminal appeals**
 - **Drafting based on Bharatiya Nyaya Sanhita**

3. Civil Litigation Drafting

- **Plaint, written statement, interim injunctions**
- **Applications under CPC (Order 6, 7, 39, 41, etc.)**
 - **Execution and review petitions**

4. Family Law Drafting

- **Divorce petitions, maintenance, custody applications**
 - **DV complaints, adoption and succession drafts**
 - **Gender-neutral, personal law-compliant formats**

5. Arbitration Drafting

- **Arbitration notices, appointment of arbitrator**
- **Drafting arbitration agreements, statements of claim**
 - **Awards, interim relief, enforcement**

6. IPR Drafting

- **Trademark and copyright filings**
- **Drafting patent specifications and licensing contracts**
 - **IP infringement notices, transfer deeds**

7. Constitutional & Writ Drafting

- Writs under Articles 32 & 226
- PILs, SLPs, counter affidavits
- Drafting urgent applications for stay or directions
