About **NALSAR University of Law**

NALSAR University of Law was established by Act 34 of 1998 with the objective of imparting comprehensive legal education to promote cultural, legal and ethical values so as to foster the rule of law. The University is committed to ensure the highest quality in imparting legal education and undertaking research on contemporary areas in order to produce socially relevant lawyers. NALSAR has been unequivocally acknowledged as the leader of legal education in the country with its academic standards being comparable to the best institutions of legal education in the world. In recognition of its academic standards, the National Assessment and Accreditation Council (NAAC) awarded it 'A' grade (A++' as per new grading system) second time in a row with a high score of 3.52 out of 4.00 in Cycle 2, which is the highest among the National Law Universities (NLUs). NALSAR has also been graded as a 'Category-I University' by the UGC under the Categorization of Universities (only) for Grant of Graded Autonomy Regulations, 2018. NALSAR was the first law university in India to introduce a full-fledged 'Choice Based Credit System' (CBCS) which is consistent with international norms in terms of teaching hours. The University has been offering courses under the Global Initiative for Academic Networks (GIAN), of the Central Government by inviting eminent international academicians and practitioners from other nations to give international exposure to its students.

About **ICSI - CGGRT, HYDERABAD.**

The ICSI-CCGRT, Hyderabad was established in the year 2017 and was inaugurated on 16th September 2017 by the worthy hands of Shri M Venkaiah Naidu, former Vice President of India. The Centre is created to act as catalyst in the domain of providing qualitative research and training to the CS professionals & other academicians. The Centre started its operations from August 2018 focussing in the following areas:

- To create knowledge and its dissemination with the purpose of conducting qualitative research.
- To inculcate a research-based acumen amongst members towards making positive contribution in their respective areas of work.
- To provide a supportive research environment for the development of research capabilities amongst members, scholars and students.
- To design and conduct skill-oriented quality training programs for members, students and other stakeholders.
- The Centre is endowed with state-of-the-art infrastructural facilities and 25 self-content hostel rooms on twin sharing basis for residential training programmes.

About **Centre for Corporate and Competition Laws**

The Centre for Corporate and Competition Law (CCCL) was established under the aegis of NALSAR University of Law, Hyderabad, to promote interdisciplinary research in Corporate, Competition and other related legal areas such as Insolvency Laws, Taxation, Securities Law, etc. The Centre aims to create a platform for discussion and discourse on the latest issues relating to Corporate Laws. The vision of the Centre is to bridge the gap between theory and practice by collaborating with experts in the industry, academicians, and government bodies while carrying out extensive research on important areas of Corporate and Competition Laws. In line with the aims, the Centre plans to publish an annual journal covering all corporate and competition laws developments during the relevant year. The Centre aims to bring out a blog to keep abreast with the latest happenings and challenges in the field. The Centre organizes guest lectures, lecture series, certificate courses and conferences on the relevant laws. The Centre also organizes an annual symposium wherein industry experts would hold panel discussions on different areas of Corporate and Competition laws. With multiple aims and objectives, the Centre will act as an effective platform for discourse on corporate and competition laws through a multidimensional approach and activities at NALSAR University of Law.

About **Department of Management Studies, NALSAR**

The Department of Management Studies (DoMS) was established in 2013 to produce legally aware, highly-skilled managers with an awareness of various aspects and functions involved in complex managerial operations. The curriculums of management students have been carefully designed to impart skills and knowledge to foster level-5 leadership expertise in the students to become successful managers in this hyper-competitive, dynamic. and highly challenging business world. The academic and extracurricular schedule challenges the students and helps them realize their true potential. The prominence of NALSAR along with a comprehensive academic schedule, provides the students with a conclusive and cogent understanding of various disciplines such as philosophy, psychology, law and management. The department regularly updates the curriculum and course content based on feedback from recruiters, alumni and academics from other institutions which is in line with the recommendations of NEP-2020. DoMS intends to produce leaders who are poised to take on challenges in the rapidly-changing business world and can understand the socio-economic, legal, political, and technological aspects of the business arena. DoMS highlights itself as a unique B-School as it seeks to supplement the legal substructure of graduates and acquaint them with the legal mandates for various business processes.

Apart from being a challenging B-school, DoMS sets standards by creating a unique convergence between law and management. The stimulating scholastic schedule, along with the exposure, opens up various channels for students' personal growth and personality development.
