Order

04/05/2021

Lawyers are not physically appearing in the Court in view of the unprecedented situation being faced by the country due to pandemic of novel corona virus (COVID-19).

Issue notice.

Mr. Karan Singh Rajpurohit, learned Additional Advocate General, is directed to accept notice on behalf of respondent No.1 and Mr. Mukesh Rajpurohit is directed to accept notice on behalf of respondent No.2 & 3. Learned counsels seek time to file counter affidavit dealing with the issues raised in the present petition.

Time prayed for is allowed.

Learned counsel for the petitioner shall supply copy of the petition by E.mail immediately to counsel for the respondents.

Taking into consideration the present situation of the State, the respondents are directed to make available the position of

beds on their website on a "Real Time Basis". The projection of vacancies of the beds may be reflected immediately on their portal without sticking to the time schedule of three times a day.

The State Government as well as Central Government are directed to ensure the adequate supply of oxygen and other medicines required to deal with the situation in the State of Rajasthan on war footing.

The supply of oxygen and medicines should be ensured in the Government hospitals as well private hospitals without their being any distinctions.

The competent authorities of the State Government are directed to supply the medicines in particular Remdesivir injection on receipt of the requisition urgently and not later than two hours.

We are informed that the oxygen generation plant/room in Mahatama Gandhi Hospital, Jodhpur is not being put to use.

We direct the State Government to explore the possibility of operation of oxygen generation plants in the State, which are not in operation but the same are capable of producing oxygen, forthwith, including the one located at Mahatama Gandhi Hospital at Jodhpur.

The State Government may also consider taking the services of final year students as well as PG courses students of MBBS/Post Graduation for the doctors and likewise for the nursing staff for their deployment on the emergent basis if they are suitable in all respects to serve the general public at large.

State Government shall ensure compliance of this order and file affidavit to this effect before the next date including the details about the sourcing of oxygen and other medicines for the treatment of COVID.

Put up on 6th May, 2021.
