NOTICE

The Jammu & Kashmir High Court Bar Association, Srinagar, Kashmir, expresses unequivocal condemnation of the brutal terrorist attack in Pahalgam on April 22, 2025, which claimed numerous innocent lives and left many injured. This heinous act of violence against tourists and locals is an attack on the peace, harmony, and economic well-being of Jammu and Kashmir.

In solidarity with the victims, their families, and the collective sentiment of the people of Kashmir, we extend our full support to the Kashmir Bandh called by the Kashmir trade bodies for tomorrow, April 23, 2025. This bandh is a peaceful demonstration to protest against terrorism and to demand justice for those affected by this cowardly act.

We urge all businesses, traders, and citizens to participate in the bandh by closing shops, offices, and commercial establishments as a mark of unity and resistance against such acts of terror. Let us stand together to send a strong message that violence has no place in our society, and we remain committed to fostering peace and prosperity in the region.

We also appeal to the authorities to ensure the safety of all citizens and tourists and to take stringent measures to bring the perpetrators to justice.
