

W.P.No.15911 of 2021

THE HON'BLE CHIEF JUSTICE
and
P.D.AUDIKESAVALU, J.

(Order of the Court was made by the Hon'ble Chief Justice)

An affidavit has been filed by the Joint Commissioner (In-charge) of the HR & CE Department affirmed today.

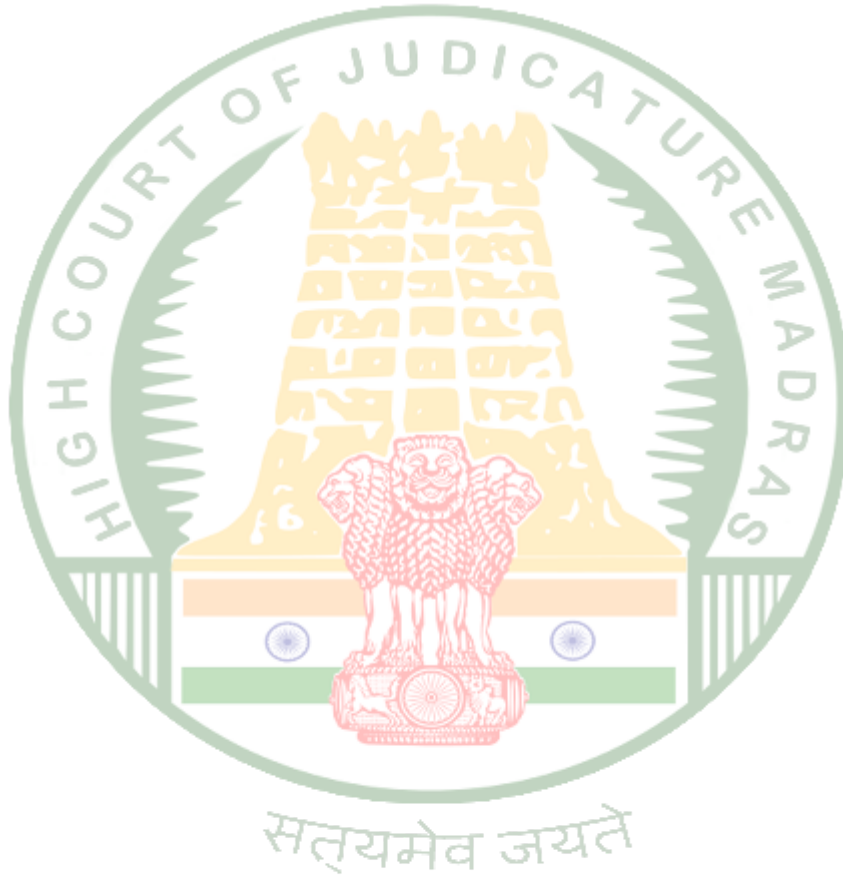

2. Learned Advocate-General submits that a further report needs to be filed on behalf of the HR & CE Department as to the recoveries made after obtaining details from the other agencies.

3. It is made clear that every endeavour should be made by the HR & CE Department along with the District Administrations to ensure that the land belonging to temples are preserved and, if encroached upon, are recovered. It also appears that the copper plate pertaining to the particular temple is available and secured, as reported by the State, and kept in safe custody. A further report should be filed before the matter is taken up three weeks after the Diwali vacation.

List the matter on 24.11.2021.
