Admit.

Call for the Original Lower Court Record.

It may be noted that this Court has come across several case files where the order-sheets are in dilapidated condition. Case files placed before me contains torn/damaged order-sheets. Tear in the order-sheets causes difficulty in reading the office notes.

The order-sheets of Judicial records needs to be protected and preserved. High Court is a court of Record thus due to passage of time and because of handling of each of the case records by several persons, the order-sheets get damaged and in many occasions gets torn.

Considering the aforesaid facts, I direct the Registrar General, High Court of Jharkhand, Ranchi, to get all the order-sheets of each and every cases laminated immediately, so that damages of order-sheets can be prevented and the same can be preserved

Let a copy of this order be placed before Registrar General, High Court of Jharkhand, Ranchi for compliance.
