'LEGATHON 2022'**

About us

Saveetha School of Law was established in 2009 with the vision of imparting top quality legal education on to its students. The school maintains high standards of academic integrity by consistently focusing on legal research and training of its staff and students.

Its academic autonomy has provided the school with room to adapt to flexible and innovative methods of teaching using cutting edge technology in its fully digitalised classroom environment. The journey thus far has been remarkable and the School continues to constantly strive and work towards emerging as one of the leading institutions in the field of legal education.

About Legathon, 2022

The Saveetha Law School, Chennai is launching the Legathon as a way to encourage Students, IT Professionals, Application Developers etc., to use their talents and imaginations to come up with creative solutions to some of the Industry's most complicated and unmet needs. We are looking for creative solutions to today's legal issues, from all the sectors of the country as mentioned above. Besides the financial prizes, you will also have the option to work on your original work in collaboration with Saveetha School of Law.

Categories of Participation:

1. Dilettante (For Students only).
2. Deft (For Professionals)

The participants of the above mentioned two categories should assess the stages below and participate in the Legathon in any of the three stages mentioned below:

Stage 1: Planning/ Emphathising Stage (Any new idea which has not been commercially exploited through a product)

Stage 2: Prototype Design Stage (The idea was found to be executable and if proceeded with a design a prototype can be made)

Stage 3: Testing and Implementation of Prototype (The prototype has satisfied the criteria for MVP and is ready to go to market)

Selection Criteria:

Novelty and clarity of the idea, practicality, practicability, and sustainability of the idea, as well as the extent of the idea's influence on society at large, will all be considered in the evaluation.

Procedure for Submission:

- a. In any category and stage, a team can only submit one proposal/idea, and the submission deadline must be carefully adhered to.
- b. There will be no further extensions granted. Only the required format should be used to submit each team's proposal.
- c. After the deadline, requests for changes to the proposal/idea will not be considered.
