ORDER

Per. Justice Vivek Rusia

This MCC has been filed seeking restoration of the Writ Petition No.36971/2024 which has been dismissed for non-compliance of the peremptory order dated 24.02.2025. Twice this petition has been listed before this Court and sufficient time was granted to the petitioner to cure the defects. However, the fact remains that the litigant should not be made to suffer as the defects are to be cured by the office of the counsel.

2. Considering the aforesaid, I.A.No.7899/2025, which is application for condonation of delay is disposed of. Delay, if any, in filing the MCC is hereby condoned.

3. As the petitioner is engaged in the business of manufacturing of disposable plates and bowls made of leaves, therefore the petitioner is directed to plant 25 saplings of native plants/trees in the factory premises and submit proof thereof before this Court. On submitting the proof in respect of plantation, the writ petition shall be restored to its original number. Simultaneously, the petitioner shall also cure the defects as pointed out by the Registry in the writ petition.

4. It is made clear that no further opportunity shall be granted to the petitioner to cure the defects.

5. Accordingly, the MCC is **allowed** and disposed of.

6. Let a photocopy of this order be placed in the record of Writ Petition No.36971/2024.
