ABOUT NATIONAL LAW UNIVERSITY, DELHI

National Law University Delhi (NLU Delhi) is one of India's foremost institutions dedicated to legal education and research. Established in 2008, the University has earned a stellar reputation for academic excellence, innovation, and its commitment to shaping future leaders in law, policy, and justice.

At the heart of NLU Delhi's philosophy is a rigorous, interdisciplinary approach that blends theoretical foundations with practical insight. The University offers a dynamic and intellectually stimulating environment where students engage with some of the most respected legal minds in the country.

NLU Delhi is home to cutting-edge research centres and initiatives that address contemporary legal challenges, from constitutional law and criminal justice to technology policy and human rights. Its vibrant campus culture encourages critical thinking, ethical reasoning, and a strong sense of social responsibility.

With a focus on academic rigor, real-world impact, and global engagement, NLU Delhi continues to redefine the landscape of legal education in India, preparing students not just for careers but for meaningful contributions to society.

ABOUT CENTRE FOR LAW & URBAN DEVELOPMENT

The Centre for Law & Urban Development (CLUD) at National Law University, Delhi, seeks to bring together students, industries, and academia to enhance the understanding and teaching of property, housing, urban development, and related legal fields. To this end, the Centre has undertaken a variety of projects and initiatives such as the SDG Series, focused research projects, and publications on pressing issues, along with awareness drives through public initiatives and webinars. These efforts aim to address critical questions surrounding the current urban system.

CLUD has also worked extensively in the area of affordable housing, aligning it with broader urban planning goals. The Centre recognises that urban planning is a holistic, interdisciplinary field requiring collaboration across professions and academic disciplines. This approach supports CLUD's broader objectives, including examining the impact of climate change on sustainable cities, exploring the potential of smart cities, and assessing urban development through the lens of the UN Sustainable Development Goals.

To further its mission, CLUD engages in a range of impactful academic and policy-oriented initiatives. These include publishing research in reputed journals indexed in the UGC-CARE List and SCOPUS, organising international conferences and guest lectures, and fostering meaningful academic dialogue on urban issues. The Centre also collaborates with key institutions such as the Ministry of Housing and Urban Affairs and HUDCO. Notably, CLUD serves as a member of the Drafting Committee for the Model Rural Transformation Bill under the Ministry of Panchayati Raj, contributing directly to policy reform and strategic development.

ABOUT LUTHRA AND LUTHRA LAW OFFICES INDIA

Luthra and Luthra Law Offices India is a full-service, top-tier firm. The Firm is a pioneer in commercial legal advice, which is based on its deep understanding of clients' businesses across diverse sectors and jurisdictions. Our 55 Partners and over 300 Members, spread across New Delhi, Mumbai, Bengaluru, Hyderabad, and Chennai, work closely together with our clients to find a solution to legal challenges and help them succeed.

Luthra and Luthra was an established Corporate Law Firm of the early 90s, which coincided with India's economic liberalization. Over the years, the Firm has assisted numerous multinational corporations in setting up their presence in India and navigating skillfully through the complex Indian legal system. The Firm is known for its adeptness in identifying and mitigating risks for its clients by providing top-notch legal solutions. It advises a large number of multinationals, financial institutions, start-ups, the government, and regulatory bodies.

Late Rajiv K. Luthra, the Firm's Founder and former Managing Partner, took the Firm from being a single-person Firm to now being recognized as one of India's pre-eminent top-tier corporate law firms.

Harry Chawla, Managing Partner of the Firm, along with the Management Committee, is dedicated to advancing the legacy of the Firm. Working together, they drive positive changes and ensure the Firm's continued success.

ABOUT THE WORKSHOP

This is a one of its kind workshop, organized in collaboration with Luthra and Luthra Law Offices, that represents a unique academic initiative at National Law University, Delhi. Tentatively scheduled for the month of August, the five-day program will feature lectures and interactive sessions conducted by senior partners and distinguished professionals from the Firm, along with other leading experts from the industry.

The workshop will cover a range of critical and practice-oriented subjects within the real estate sector, including:

- Due Diligence for Real Estate Builders
- Real Estate Financing
- Dispute Resolution Mechanisms
- Regulatory and Financial Transactions in Real Estate

Participants will be provided with curated reading materials in advance, and a certificate will be awarded upon successful completion of the workshop. As a paid program, it is designed to offer professional practical insights and exposure to real-world legal scenarios, thereby equipping them with essential skills for law firm practice.

The workshop is open for Legal Professionals, Academics, Researchers, and people who are interested in developing a holistic understanding of the practice of Real Estate Laws. This workshop provides an exceptional opportunity for professional development and engagement with the legal industry.
