Affidavit-of-service filed in Court today be
kept with the record.

Petitioners are granted leave to add all the
de facto complainants in the FIR's enclosed as
added private respondents in the present writ
petition.

Petitioners have approached this Court being
aggrieved by the inaction of the police authorities.
Mr. Bhattacharyya, learned senior advocate
appearing for the petitioners has drawn the

attention of the Court to various FIRs which have been registered, but the version of the students, according to the learned senior advocate, has not been taken into consideration, although injuries have been suffered by the students.

Learned Advocate General appearing for the State has submitted that a communication was received which was signed by various students without any address or point of communication and/or mobile numbers.

In view of the other enclosures, I find that one of the injured has communicated through e-mail to the Officer-in-Charge, Jadavpur Police Station.

Learned Advocate General submits that police authorities would act on the e-mail of 2nd March, 2025 submitted by one Indranuj Roy who has suffered injuries and addressed to the Officer-in-Charge, Jadavpur Police Station requesting him for lodging an FIR.

In view of the learned Advocate General submitting before this Court that steps would be taken, for the time being, I direct the State to prepare a comprehensive report in respect of the series of events which took place on the date wherein there are versions and counter-versions of the petitioners and the added private respondents.

List the writ petition under the heading “For Orders” on 12th March, 2025 at 4 P.M.

State is directed to come out with a comprehensive report on the date so fixed.

All concerned parties shall act on the server copy of this order duly downloaded from the official *website* of this Court.
