

**An Appeal to the Bar Council of Tamil Nadu and Puducherry (BCTN),
Madras High Court Advocates Association (MHAA),
Madras bar Association (MBA), Madurai High Court Bar Associations,
All Bar Associations & all the Senior Advocates**

05.04.2020

We are making this appeal to you in view of this difficult time of crisis. As you are aware, today is the 14th day of the national lockdown due to the COVID-19 pandemic. The Hon'ble Madras High Court has been taking up only matters of urgent importance since 18.03.2020, even prior to the official lockdown notification in order to minimize the risk of spread of the disease. The High Court, in compliance with the lockdown measures, has restricted accessibility to not just the Court rooms and the offices of the High Court, but also Advocates' chambers and the premises of Advocates' Associations.

These restrictions and the lockdown, including the shutting down of Courts on 24.03.2020, have had a disastrous impact on the livelihoods of thousands of Advocates and their families for whom survival itself has become difficult.

While the State has launched a few ameliorative measures to support the economically disadvantaged sections of the populace, it is necessary and important that professional bodies devise mechanisms to help its members tide over this difficult period as these State schemes are not adequate to cater to the needs of all sections of society. The Madras Bar Association, for example, has decided to help its Advocates and their clerks who are in need of financial assistance through voluntary contributions from its affluent members. They have also decided that the privacy of the donee/recipient will be protected to guard her/his dignity. Likewise the Kerala Bar and Delhi Bar has also devised some mechanism to provide financial assistance to its members.

It is imperative therefore that the Bar Council of Tamilnadu & Puducherry, Advocates Associations across the State, Senior Advocates and Senior members of the Bar, step in at this critical juncture to support their brethren who are in dire need of assistance and ensure that their lives, livelihood and dignity are not compromised. We appreciate the support extended by several senior Advocates to their junior colleagues and clerks, but such sporadic gestures cannot replace a collective and concerted effort by bodies such as BCTN, MHAA and MBA who have access to resources and the means to supervise a financial assistance programme over the next few weeks to benefit those members who are in immediate need of the same. Advocates look up to the Bar Council and the Associations to respond effectively in times such as these and ensure that the interests of the legal community are protected.

We therefore appeal to the Bar Council of Tamil Nadu to take the lead and devise a scheme to allocate a sum of Rs.2,00,00,000/- (Rupees Two Crores only) as corpus

fund and solicit a minimum contribution of Rs.50,00,000 (Rupees Fifty Lakhs) each from MHAA and MBA. Contributions may also be solicited from Hon'ble Judges, Bar Council Members, Senior Advocates and senior members of the Bar in the State for generating a fund of at least a sum of Rs.5, 00, 00,000 (Rupees Five Crores only). A minimum sum of Rs.7,500/- (Rupees Five Thousand Only) may then be provided in a systematic manner to a targeted group of most deserving Advocates.

We recommend that the eligibility criteria for such deserving advocates may be adopted for this purpose along the following lines:-

- (a) Age shall be below 35 years.
- (b) Enrolment and practice shall be below 7 years.
- (c) She/he must be a regular practicing lawyer as per the Bar guidelines.
- (d) She/he does not have a senior who support financially.

The above could just be used as a starting point to immediately provide financial assistance to at least young advocates. The Bar council may include any specific clause to determine the deserving advocates to find out the financial position of such beneficiary by asking whether she/he is married and the spouses of the beneficiary is having any permanent job etc. We are conscious of the fact that even those advocates who do not fall within the above categories may be experiencing hardship and financial distress. Schemes may be devised to help this category, including credit and loan facilities with no interest.

Every Bar in the respective courts within the State of Tamil Nadu & Puducherry may constitute a scrutiny committee consisting of the present President & the Secretary of the Bar, former office bearers and reputed seniors of the Bar. This may bolster the much needed confidence among the advocate fraternity. Further this may help facilitate some of the deserving Advocates to channelize and verify with their respective seniors whether those young Advocates can get support at the local Bar level or shall be recommended for the State level financial support.

It is our suggestion that the Tamil Nadu Bar Council should also, in consultation with the State Government, evolve a scheme for those who are in dire need of further financial assistance, if the lockdown period extends beyond 15.04.2020. The Bar Council may adopt a proactive role and reach out to banks to discuss loan facilities for advocates who have completed 10 years of practice to support their staff and office.

We believe that that if the measures suggested are put in place, it will also ease the financial burden of the State.

We request you, therefore, to consider our representation and act upon the same immediately to protect the interests of the advocate community.

With regards,
