5. That aggrieved by the same, a Writ Petition was filed before this Hon'ble Court in the matter of *Anika Samvedi & Ors. vs. Union of India & Anr. (W.P. 773 of 2020)*. That this Hon'ble Court vide Order dated 31.07.2020 held as under:

"..it is open to the petitioner(s) to make a representation to the competent authority of the C.B.S.E. within one week from today and if so made, the competent authority may consider the same appropriately and in accordance with law within one week therefrom and communicate the decision taken thereon to the representationist(s) within the same time..."

A copy of the Order dated 31.07.2020 passed by this Hon'ble Court in W.P. No. 773 of 2020, is annexed herewith and marked as "**Annexure-C**".

6. That it is most humbly submitted that pursuant to the Order dated 15.07.2020, the Petitioners in W.P. No. 773 of 2020 made a representation to the C.B.S.E. It is most humbly submitted that the C.B.S.E issued a reply to the said representation on 06.08.2020, whereby C.B.S.E, without taking into account the present health crisis, provided for conduct of compartment examination for students of Class X and XII.

A copy of the reply to the representation made by the Petitioners in W.P. No. 773 of 2020 issued by the C.B.S.E on 06.08.2020 is annexed herewith and marked as "**Annexure- D**".

7. That it is most humbly stated that the decision to conduct the compartment exam (as mentioned by CBSE in its reply to the representation) is in sheer violation of the Right to Health which is part of Right to Life enshrined in the Constitution of India, as it fails to consider the principles of health, safety, fair and equal opportunity for the students. It is submitted that the country is witnessing exponential growth of Covid-19. The total number of cases has already crossed the tally of 15 lacs. A copy of the state wise number of COVID-19 cases is annexed herewith and marked as “**Annexure-E**”. The Indian Medical Association has recently stated that the community spread has already started in the country. A copy of the article containing the statement of the Indian Medical Association is annexed herewith and marked as “**Annexure-F**”.
8. That in view of unprecedented health emergency and rising numbers of the COVID-19 cases in the country, the conduct of compartment examination will expose the examinees to a great risk and will undeniably sacrifice basic principle of integrity by neglecting equal basis and treatment to all examinees. The conduct of offline exam will entail students to migrate from one place to another, in order to attend the examination. This will also involve risk of staying in shared accommodation, eating outside food and use of public transport, amongst other factors. It is most respectfully submitted that the conduct of compartment examination will expose lacs of students across the country to exponential risk of being exposed to the virus. Not only the students but also their parents, teachers, staff members will also be exposed to life threatening risk. It is further submitted that many schools have been converted into quarantine centres, which makes the conduct of the examination

impossible. In this regard, a copy of news articles are annexed herewith and marked as “**Annexure -G**”.

9. That further, it will be absolutely unjust to neglect the problems that will be faced by thousands of students, who will sit for online examination as the same will indubitably work against the interest of students whose access to internet is precarious and who do not have personal computers or laptops in their house, which is imperative to conduct online examination.
10. That the suggested model is adversely affecting the future prospects of lacs of students, as many colleges have already announced the admission closure dates. Further, online classes for many students who have been promoted from Class X to Class XII, have already started, which is adversely affecting the students who are stranded with no certainty regarding completion of their examination.
11. That it is most humbly submitted that because of the draconian decision taken by the C.B.S.E for the conduct of compartment examination, many students out of mental stress and frustration, have even gone of committing suicide. In this regard, a copy of news articles are annexed herewith and marked as “**Annexure- H**”.
12. That it is further most respectfully submitted that the students are suffering from mental trauma, anxiety and stress as there is no clarity given by the C.B.S.E. yet, on the schedule of the compartment examination which is proposed to be conducted for Class X and XII. The students across the country

are surrounded by a cloud of uncertainty as no exam schedule, mode of conduction of exam is yet provided by C.B.S.E. It is baffling to note that many colleges are about to close admissions, which is adversely affecting the career of lacs of students, who will be deprived entrance into Universities/Colleges/Institutions, of their choice. In this regard, notification dated 13.07.2020 for Class XII exams and notification dated 15.07.2020 for Class X exams issued by C.B.S.E., which only mentions about the conduct of Compartment exams, but is totally silent on the date, schedule, guideline or mode in which such exam will be conducted, is annexed herewith and marked as **Annexure I and J**.

13. It is most respectfully submitted that the decision taken by the C.B.S.E to conduct the compartment examination *is itself flawed and is in complete disregard to the MHA Guidelines dated 29.07.2020*, which *inter alia* provides that

“1. Activities permitted during Unlock 3 period outside the Containment Zones

In areas outside the Containment Zones, all activities will be permitted, except the following:

(i) Schools, colleges, educational and coaching institutions will remain closed till 31st August 2020..”

Thus, it is pertinent to note that the MHA Guidelines itself provides that the school will be closed till 31st August 2020. Therefore, the decision taken by C.B.S.E. is arbitrary and without any basis.

A copy of the MHA Guidelines dated 29.07.2020 is annexed herewith and marked as **"Annexure- K"**.

14. It is further most respectfully submitted that even when the country is witnessing the third phase of unlock, which commenced from 01.06.2020, various states including Maharashtra, West Bengal, Kerala and Madhya Pradesh, have announced lockdown, due to rising number of cases and increased threat of spread of the virus. Therefore, in the present circumstances, the conduct of compartment examination is impossible and impracticable. A copy of the circulars issued by different states providing for lockdown is annexed herewith and marked as **"Annexure -L"**.

15. That it is most humbly submitted that the Revised Guidelines not only provides for a model which is extremely dangerous for the lives of thousands of attendees (students of Class X and XII) but at the same time it is extremely dangerous for the teachers who will be invigilating the exams.

16. It is submitted that various States like Bihar and Telangana have cancelled the compartment exams, in view of the Pandemic. A newspaper article is annexed herewith and marked as **"Annexure -M"**.

17. That it is most respectfully submitted that on 11.08.2020, the Minister of Higher Education, Mr. Ramesh Pokhriyal stated that no decision has yet been taken on the reopening of the schools in the country. He has further stated that *"No decision will be taken without keeping students' safety in mind."* Therefore, it is pertinent to note that when there is no deadline for opening of schools yet, how the students can be expected to appear in the Pandemic. In

this regard, a copy of the newspaper article is attached herewith and marked as "**Annexure- N**".

18.It is most humbly submitted that the students do not doubt the importance of examination in their academic career. But it is the current Pandemic situation that they are before this Hon'ble Court to seek justice on behalf of lacs of students across the country.

19.It is most humbly submitted that many States have also cancelled final term examinations in view of the ongoing health crisis. A copy of the letter dated 11.07.2020 issued by the Chief Minister of Delhi and copy of the minutes of meeting of the Meeting dated 13.07.2020 of the Maharashtra State Disaster Management Committee is attached herewith and marked as "**Annexure -O**".

20.It is further submitted that we have witnessed many instances in which the students and teachers were tested COVID positive after being exposed by sitting for examination. Therefore, in the given circumstances, the students will be exposed to a lot of risk, if required to appear for compartment examination. In this regard, a copy of the newspaper article is attached herewith and marked as "**Annexure- P**".

In view of the aforesaid, it is most humbly **prayed** that looking at the grave urgency and criticality of the matter, this Hon'ble Court may be pleased to take *suo moto* cognizance of the matter and may be pleased to:

- a. this Hon'ble Court may keep the decision of the C.B.S.E. in abeyance until the pandemic situation normalizes;
- b. this Hon'ble Court may be pleased to take steps for alternative system of evaluation to be formulated, so as to do complete, equal and fair justice to the students and to exclude possibility of discrimination, disadvantage and risk of life;
- c. Provisional passing certificate may be given to the students until the COVID-19 situation normalizes, so that the students are not deprived of admission into colleges, whose admission closure date is already announced;
- d. pass any other Order, as deem fit to this Hon'ble Court

I sincerely hope that this Hon'ble Court will be pleased to issue appropriate direction in order to avoid unfair, unjust and unequal treatment to the students.

IN THE SUPREME COURT OF INDIA
CIVIL ORIGINAL JURISDICTIONWRIT PETITION(S)(CIVIL) NO(S). 566/2020

PETITIONER(S)

VERSUS

CENTRAL BOARD OF
SECONDARY EDUCATION & ANR.

RESPONDENT(S)

WITH

WRIT PETITION (C) NO.584/2020

WRIT PETITION (C) NO.590/2020

WRIT PETITION (C) NO.596/2020

WRIT PETITION (C) NO.583/2020

TRANSFER PETITION (C) NO.674/2020

O R D E R

1. The core issue involved in these matters is about conducting examinations for classes X and XII of the Central Board of Secondary Education (CBSE) and the Indian Certificate of Secondary Education (ICSE) respectively.

2. As regards CBSE examinations, the CBSE has presented a draft notification for our consideration.

3. After perusing the same and taking into account the suggestions given by the counsel

appearing for the concerned parties, we see no difficulty in permitting the CBSE to issue the said notification forthwith. The draft notification reads thus:

NOTIFICATION

Keeping in view the requests received from various State Governments and the changed circumstances as on date, following has been decided:-

1. Examinations for classes X and XII which were scheduled from 1st July to 15th, 2020 stand cancelled.
2. Assessment of the performance of students in the cancelled examinations will be done based on the assessment scheme as suggested by competent committee of the CBSE for declaration of result for both class-X and class-XII. The said scheme is mentioned in Para-7 below.
3. Results based upon the aforesaid assessment scheme will be declared by 15th July, 2020 so that candidates can apply and seek admissions in Higher Education Institutions in India and abroad, based thereon.
4. However, for Class-XII, CBSE will conduct an optional examination in the subjects whose examinations were scheduled to be conducted from 1st July to 15th July, 2020 as soon as conditions are conducive, as assessed and decided by the Central Government. Candidates whose results will be declared based on the assessment scheme will be allowed to appear in these optional examinations to improve their performance, if they wish so.

However, the marks obtained by a candidate in these optional examinations will be treated as final for those who have opted to take these examinations.

5. For candidates in Class X, no further examinations will be conducted and the result declared by CBSE on the basis of assessment scheme will be treated as final.
6. For class-XII, the result declared by the CBSE under Sl. No. (2) above will be considered as final unless the students opt for Sl. No. (4) above.
7. Assessment Scheme:-
 - (a) For the students of both classes-X and XII, who have completed all their examinations, their results will be declared based on their performance in the examinations.
 - (b) For students who have appeared in the examinations in more than 3 subjects, the average of the marks obtained in best three performing subjects will be awarded in the subjects whose examinations have not been conducted.
 - (c) For students who have appeared in the examinations in only 3 subjects, the average of the marks obtained in the best two performing subjects will be awarded in the subjects whose examinations have not been conducted.
 - (d) There are very few students of class-XII, mainly from Delhi, who have appeared in the

4

examinations in only 1 or 2 subjects. Their results will be declared based on performance in the appeared subjects and performance in internal/practical project assessment. These students will also be allowed to appear in the optional examinations conducted by CBSE to improve their performance, if they desire to do so. Result of these students will also be declared along with other students.

4. Resultantly, all these petitions pertaining to CBSE examinations pending in this Court or any other Court shall be deemed to be disposed of in terms of the proposed notification to be issued by the CBSE.

5. Accordingly, if any other petition is pending in this Court or any other Court concerning the subject of conducting examinations for Classes X and XII by the CBSE scheduled from 1st July, 2020 to 15th July, 2020, the same will be governed by this order and the notification approved by this Court.

6. As regards ICSE, the counsel appearing for the said Board, on instructions, stated that ICSE in principle would issue similar notification with additional aspects referred to in the

5

affidavit filed by them. To wit, paragraph 6 of the affidavit reads thus:

"6. In the light of the aforesaid, the Respondent has taken the following decisions with regard to the ICSE (Class 10) and ISC (Class 12) Year 2020 Examinations:

i) The remaining papers in the ICSE and ISC Year 2020 Examinations as scheduled from 1st July to 14th July 2020 as per press release/notification dated 22.05.2020 shall stand cancelled.

ii) Results of all the candidates for the remaining papers in the ICSE and ISC Year 2020 Examinations will be declared as per methodology decided and adopted by Respondent i.e. CISCE.

iii) If the situation is deemed conducive, in the near future, CISCE may give an option to candidates to write any or all of the remaining papers of the ICSE/ISC Year 2020 Examinations at a later date whereby the marks so obtained by the candidate in that written examination(s) shall be considered as their final marks."

7. Two aspects have been highlighted during the hearing by the counsel for the ICSE, as follows:

(i) ICSE may consider of conducting optional examination for Class X as well and abide by the same terms as regards the optional examination regarding Class XII referred to in the draft notification of CBSE, reproduced above.

6

(ii) The Assessment Scheme of ICSE is different, which would be notified within one week from today on the website of the ICSE.

Rest of the stipulations in the draft notification of CBSE, referred to above, are acceptable to ICSE in principle, which would be reflected in the proposed notification to be issued by the ICSE in that behalf.

8. In terms of this order, all proceedings/petitions pertaining to the subject matter of conducting examinations for classes X and XII by ICSE for Academic Year 2019-2020 pending in this Court or any other Court shall be governed by this order and deemed to be disposed of accordingly.

9. We make it clear that this order does not deal with any other issue which may arise for consideration in some other proceedings pending before the High court or this Court except the subject matter of conducting examinations for classes X and XII for Academic Year 2019-2020 by the CBSE and ICSE respectively.

7

10. The writ petitions, transfer petition and pending applications shall stand disposed of in the above terms.

Community spread has started and the situation is bad, observes IMA

ANI | Updated: Jul 18, 2020 18:05 IST

New Delhi [India], July 18 (ANI): With one million people getting affected by COVID-19 (/topic/covid-19), the Indian Medical Association (IMA (/topic/ima)) is of the view that community spread has started and the situation is pretty bad.

While speaking to ANI, Dr V K Monga, the Chairman of IMA (/topic/ima) Hospital Board of India said, "This is now an exponential growth. Every day the number of cases is increasing by more than around 30,000. This is really a bad situation for the country. There are so many factors connected with it but overall this is now

spreading to rural areas. This is a bad sign. It now shows a community spread."

According to the latest update by the Union Health Ministry (/topic/health-ministry), the total confirmed cases reached 10,38,716. There are 3,58,629 active cases and 6,53,751 cured/discharged/migrated. A total of 26,273 deaths have been registered to date.

Dr Monga further said, "Cases are penetrating down into towns and villages where it will be very difficult to control the situation. In Delhi, we were able to contain it, but what about interior parts of the country in Maharashtra, Karnataka, Kerala, Goa, Madhya Pradesh (which may be the new hotspots)?"

"All these issues are very important and the state governments should take full care and seek help of the Central government to control the situation," Monga said.

As many as 1,34,33,742 samples have been tested for COVID-19 (/topic/covid-19) till July 17. Of these 3,61,024 samples were tested on Friday, Indian Council of Medical Research (ICMR) said.

ICMR is ramping up testing facilities regularly. At present, 885 government laboratories and 368 private laboratory chains are conducting COVID-19 (/topic/covid-19) tests across the country.

"This is a viral disease that spreads very fast. To contain the disease there are only two options. Firstly, 70 per cent population contracts the disease and gets immune, and other is getting an immunisation (/topic/immunisation)," stated Monga.

Vaccination, being the greatest hope to contain COVID-19 (/topic/covid-19), India's two indigenous vaccine makers would be starting human trials soon.

"There has to be phases of trials then human trial, then efficacy and side effects. Also, importantly it has to be seen how long this immunity will last because most of the patients are unable to go beyond three months of immunity," said Dr Monga. (ANI)

Bihar board gives grace marks to avoid compartment exam, 2.14 lakh failed 10th, 12th students pass

In a one-of-its kind move, the Bihar School examination board (BSEB) has passed 2,14,287 more candidates out of 3,40,633 who had failed in one or two subjects in this year's class 12 and 10 board examinations, by allotting grace marks.

The Bihar board was the first to publish intermediate results on March 24 itself, while the matriculation results were published in the midst of lockdown on May 26. The results of many school boards in the country got delayed a lot due to pandemic.

The decision was taken following the nod of the department of education to the board's proposal for granting grace marks to the candidate to avoid compartmental examinations in view of the growing scourge of COVID-19 pandemic in the state, which again had over 3600 additions on Wednesday to take the total number of positive cases in the State closer to 70000-mark

However, how much grace marks have been given to the examinees is not clear, but the board's decision has given a huge relief to a large number of candidates and avoided the risk of holding exams.

Board chairman Anand Kishor said that those candidates who had marks on the higher side and closer to the pass mark benefited from the move due to "extraordinary situations" due to the pandemic. A new list has been uploaded on the board website.

"Waiting for the situation to get normal and then hold Compartmentalise examination would have delayed the results to November-December, which would have not benefited any student in the present academic session. It is a decision taken entirely in students' interests. Some other boards also did the same to avoid the risk of taking the examination in the midst of a pandemic," he added.

In the intermediate examination, 132486 candidates - 46005 in one subject and 86481 in two subjects - had failed, while in matriculation 208147 candidates - 108459 in one subject and 99688 in two subjects - had failed. After grace marks, 72610 more candidates (54.81%) have passed in intermediate examinations, while 141677 more candidates (68.07%) have passed in matriculation.

"Bihar education minister Krishna Nandan Verma has informed that the department accepted the board proposal to grant some extra marks as a one-time exception in view of the adverse situation due to Covid-19

pandemic, as holding compartmental examinations in the next two-three months seems unlikely,” said a board communique.

Minister of Education Ramesh Pokhriyal on Monday said no decision has been taken yet regarding the reopening of schools in the country. Schools and higher education institutions will remain closed till August 31 as per the Unlock 3 guidelines issued by the Ministry of Home Affairs earlier after extensive consultations with states and union territories.

"We are continuously in communication with the stakeholders. There were decisions taken regarding exams and academic activities in the past five months," said Pokhriyal at a webinar. "We are taking decisions keeping the realities in mind. But in 10-15 days, there will be discussions regarding reopening of schools and HEIs with the Home/Health Ministry and state governments. No decision will be taken without keeping students' safety in mind."

"No timeline has been decided to open schools. The opening of schools will depend on the situation of coronavirus," news agency ANI quoted government sources as saying. "So far only the Union Territory of Chandigarh has expressed an intention to open schools."

When asked about the country opening gates for foreign universities as mentioned in the new National Education Policy, Pokhriyal said the government will ensure only good quality universities are allowed to enter.

However, how much grace marks have been given to the examinees is not clear, but the board's decision has given a huge relief to a large number of candidates and avoided the risk of holding exams.

Board chairman Anand Kishor said that those candidates who had marks on the higher side and closer to the pass mark benefited from the move due to "extraordinary situations" due to the pandemic. A new list has been uploaded on the board website.

I.G. Letter No. CM/CO/1863

Dated: 11.07.2020

Respected Prime Minister Sir,

UGC has issued guidelines to schools and colleges to get conduct written offline or online exams of students for last semester. Because of these guidelines today lakhs of youth, teachers and parents are having aggression in entire country. All are supporting that this decision is wrong and this should be withdrawn immediately.

Renowned colleges of country like IIT, NLU have already issued degrees of last semester to students on the basis of internal evaluation, then why all other institutes cannot issue degrees to their students. During this period of Corona in the entire world all famous higher universities have issued

degrees to their students on the basis of internal evaluation of their students.

At the time of this phenomenal disaster like Corona phenomenal decisions have to be taken. During this period it is duty of all governments that they should remove problems from the life of public and give strength to them for fighting in these critical circumstances.

On this subject Delhi Government and other State Governments have already issued appropriate guidelines to their colleges to cancel all examinations and issued directions for giving degrees to their students on the basis of other alternative grounds. But in cases of Central Colleges in which includes Delhi University also, this decisions has to be taken by the Central Government.

Central Human Resources Ministry and UGC are not ready to change their decision on this subject. Now it seems that this problem can be resolved by your interference only. It is my humble request to

you that in the interest of students the Central Government and UGC may amend their guidelines and cancel the exams of final semester and save the future of our youth.

With respect,

**MINUTES OF THE MEETING DATED 13 JULY 2020 OF THE STATE DISASTER
MANAGEMENT AUTHORITY**

The Meeting of State Disaster Management Authority regarding examination of students of vocational and traditional courses under the control of Higher and Technical Education Department on the background of COVID-19 epidemic held on July 13, 2020 through Video Conferencing under the chairmanship of the Hon. Chief Minister.

The following members were present in the meeting via video conferencing.

1. Hon'ble Deputy Chief Minister.
2. Hon'ble Minister, Disaster Management, Relief and Rehabilitation
3. Hon'ble Minister, Higher and Technical Education
4. Hon'ble Chief Secretary
5. Principal Secretary, Department of Public Health
6. Commissioner, Greater Mumbai Municipal Corporation, Mumbai
7. Secretary, Department of Higher and Technical Education
8. Secretary, Law and Justice Department
9. Director (Disaster Management Division), Mantralaya, Mumbai.

At the beginning of meeting, Secretary, Department of Higher and Technical Education presented to the Committee the action taken by the State Disaster Management Authority as per the meeting held on June 18, 2020. The University Grants Commission, in its letter dated July 6, 2020, has made it mandatory to take the college examination and in this case, it has decided to take the examination. Also, a request has been made to the MHRD and the University Grants Commission for approval in the Government Resolution dated 19 June 2020 taken by the State. Apex institutions have also been requested for vocational courses. However, no response has been received yet.

The Secretary, Department of Higher and Technical Education said however, the All India Institute of Technical Education and the Pharmacy Council of India have informed that universities are required to conduct examinations as per the instructions of the University Grants Commission.

Regarding the current situation of COVID-19, the Commissioner, Mumbai Municipal Corporation, (BMC) gave information about the current situation in MMR area. He further said that in the situation arising out of this pandemic disease, it is not possible to conduct college

examinations at present in the MMR area which is being used as Isolation wards of college buildings and hostels.

After that, the Principal Secretary, Public Health Department informed about the current situation of COVID-19 in the state. The number of COVID-19 patients in the state is on the rise and the death toll is alarming and noted that the lockdown was increasing due to the Disaster Management Act as well as the Epidemic Disease Act.

The Hon'ble Minister, Higher and Technical Education, in view of the rapid spread of COVID-19 contagious disease, noted that the conditions in the state were not conducive for the examination of college students. At present, there are 2.54 lakh infected people in the state and 10,289 have died. The state has a total of 12149 containment zones (including Mumbai) with a population of 65.76 lakh including Mumbai. Outbreaks appear to be intense in urban as well as rural areas of the state. College buildings and student hostels have been acquired by the local administration for isolation rooms in Mumbai, Mumbai suburbs, Pune, Pimpri-Chinchwad, Aurangabad and several other districts.

Also, given the uncertainty of the end of pandemic diseases and the World Health Organization's predictions, it is important to look after the health interests of students. That is why the government has issued a GR dated June 19, 2020.

As per the provisions of this GR, the Vice-Chancellors of all the universities have discussed and submitted a report to the Government in a meeting on July 4, 2020. According to them, it is not possible to conduct examinations in the state at present. Also, as mentioned in Issue No. (3) of Non-Vocational (Traditional) Courses in the Government Resolution dated 19th June, 2020, the formula for assessment regarding the subject examination of the backlog is presented in this report.

The Hon'ble Minister pointed out that the States of Maharashtra, Punjab, West Bengal, Delhi, Rajasthan and Orissa had also informed the MHRD that it was not possible to conduct the examinations as per the guidelines of the University Grants Commission. Also, considering the safety and health of the students, it is not possible to take the exams of college students in the states at the given situation, as per the Hon'ble Minister, Higher and Technical Education.

Also, if you take the exam in COVID-19, approx. 10 lakh students will appear, stay, arrange meals, deal with the teachers and ancillary staff related to the exam, and handling the paper throughout the process from printing to inspection. Currently, the University Grants Commission has made it mandatory to conduct the exams by September, but the outbreak of COVID-19 is likely to be delayed due to uncertainty. Also, as the next academic year will start

late, the academic year for the next one or two years will be hampered. It is necessary to end this uncertainty for the academic benefit of the students, said the Hon'ble Minister for Higher and Technical Education.

As mentioned above, the prevalence of COVID-19 is not limited to urban areas but has also spread to rural areas. Also, as per the World Health Organization's prediction claims the uncertainty about when the outbreak of COVID-19 will end in the best interest of students, parents, professors, support staff and the general public in the region as a whole.

Considering the opinion of most of the Vice-Chancellors that it is not possible to conduct the examination in any way during the meeting held on July 04, 2020, all the members of the authority expressed the view that it was not possible to conduct examinations in the state at the given circumstances to secure their future due to the uncertainty for results of the students and commencement of the next academic year.

After detailed deliberations in this meeting, the following decision was taken: -

1. As per the revised guidelines issued by the University Grants Commission on July 6, 2020, it is not possible to conduct examinations in the state in case of COVID-19. Therefore, the decision taken by the Government on June 19, 2020 regarding the final session/final year examinations of non-professional (traditional) as well as professional courses was upheld.
2. The University Grants Commission should be re-requested as it is not possible to conduct the examinations as per the guidelines.
