Resolution of Concern and Solidarity

The Uttar Pradesh Judicial Services Association expresses its deep concern and strong condemnation over the unfortunate incident that took place in the Hon'ble Supreme Court of India on 06.10.2025, involving an advocate's disorderly conduct before the Hon'ble Chief Justice of India, Hon'ble Mr. Justice B.R. Gavai.

The Association views the incident with great dismay, as such behaviour within the precincts of the nation's highest court strikes at the very spirit of mutual respect and decorum that has long defined the relationship between the Bench and the Bar. The dignity of judicial proceedings is not a matter of formality but the foundation upon which public confidence in the justice system rests.

The Uttar Pradesh Judicial Services Association stands in full solidarity with the Hon'ble Chief Justice of India and the companion Judges of the Hon'ble Supreme Court. The Association also reaffirms its faith in the collective strength of the judicial and legal fraternity to protect the independence of the judiciary, and to maintain the majesty of the institution.
