2. Having regard to the nature of sweeping directions which are sought, this public interest litigation, if we may say so, is completely misconceived.

3. The petition lacks concrete material and only refers to allegations, counter-allegations made on certain platform. The petition only reproduces those allegations, without there being any independent research. It seeks this court to make roving enquiry. With the present content and form, it is vague, lacks material details and particulars.

4. No such direction to "*clarify its position*" to the Commission, as has been sought in this petition, can be granted.

5. Writ petition is misconceived and, accordingly, dismissed with costs quantified at Rs.1,00,000/- [Rupees One Lakh only] payable to the Tamil Nadu State Legal Services Authority within one month. Consequently, interim application stands closed.

W.P.No.34108 of 2025

We have not expressed any opinion on merits and leave it to be considered in appropriately constituted petition. Further, this order shall not come in the way of the Election Commission in taking its own decision on issues sought to be raised in the petition.
