W.A.NO.1248 OF 2024

Dated this the 27th day of November, 2024

ORDER

Dr. A.K. Jayasankaran Nambiar, J.

When these matters were taken up for consideration today, it was pointed out by the learned senior counsel Sri.Gopal Sankar Narayanan, that some of the victims, who had preferred complaints before the Justice Hema Committee, have since approached the Special Investigation Team [SIT] and filed formal complaints which are being investigated by the SIT. He mentions however that some of the complainants have been receiving intimidating calls from various persons, and they do not know whom to contact for protection in such situations. Taking note of the said submission of the learned senior counsel, we deem it appropriate to direct the SIT, two of whose members are present in Court today, to forthwith nominate a Nodal Officer and give sufficient publicity to the name and contact details of the said Nodal Officer nominated by them so that those persons, who feel threatened/intimidated during the pendency of the investigation,
